Chapter 8001

3-4 minutes

Robert's girlfriend, suppressing her overwhelming excitement, tentatively asked him, "Your family is coming over to invite you to dinner. Is it inappropriate for me to come along?"

Robert smiled at her and said, "What's inappropriate about it? He suggested it himself, so if you're free, feel free to come with me."

His girlfriend feigned hesitation and remained silent for a moment before saying nervously, "Well... okay... is there anything I should be careful about? Let me know beforehand, so I don't embarrass you."

Seeing her nervousness, Robert felt a surge of affection and couldn't help but reach out and touch her cheek, smiling as he said, "There's nothing to be careful about. Although he's the second-in-command of the Rothschild family, just treat him like an ordinary elder today." His girlfriend nodded gently and said

, "Is there enough time? I want to go back and change; I need to change into something more formal."

Robert nodded and smiled, "There's enough time. I'll go with you to your dorm." The girlfriend nodded slightly and, accompanied by Robert, arrived at her dormitory building.

Stanford's female dormitories were very nice; hers was a two-bedroom apartment sharing a living room.

Although male students were allowed in and out of the female dorms during the day, Robert gentlemanly waited downstairs, letting his girlfriend go up alone.

The girlfriend quickly reached her room on the third floor, opened the door, and saw three girls sitting on the sofa in the living room, each fiddling with their phones. Seeing her enter, two of the women gave her a perfunctory nod, while only one girl smiled and said, "Rachel, you're back."

Rachel Getty was the name of this scholar.

Although she was half Chinese, her father was a member of the Getty family, so her public identity was that of the Getty family's daughter. The Getty family was a long-established and well-known aristocratic family in America.

After Rachel Getty closed the door, the three people on the sofa immediately stood up. One took her bag, while the other two massaged and relaxed her muscles from behind.

Rachel Getty waved to interrupt them, saying, "Wait here for a moment. I have something to report home."

The three nodded respectfully and stood still.

These three were all scholars, and all of mixed race.

But unlike Rachel Getty, they didn't have her illustrious background. Although they had been carefully nurtured from a young age, lacking an aristocratic identity, their task here was to fully cooperate with and protect Rachel Getty's identity.

Outside this dormitory, their relationship with Rachel Getty was that of ordinary roommates; inside, everything revolved around Rachel Getty.

Rachel Getty then went to her bedroom and immediately called her mother.

The call connected, and the other end spoke in Chinese, asking, "Xiao Qiu, it's not time for the routine report yet. Is there something important?"

Rachel Getty, unable to contain her excitement, said, "Mom, Robert's great-grandfather is here! He's Robert's older brother, Steve Rothschild, the legal heir to the Rothschild family!"

The other end asked curiously, "Steve Rothschild? He went to California?"

"Yes!" Rachel Getty exclaimed excitedly, "He not only came to California, but also to the Bay Area, and he even invited Robert to dinner. What's more, he asked Robert if he had a

girlfriend, and Robert admitted my identity to him on the phone. Steve even asked Robert to take me to the dinner party!”

The woman on the other end of the phone was silent for a moment, then said with great surprise, “Really?! That’s wonderful! Not only did Robert officially announce your identity to important family members, but you also have the opportunity to meet the second-in-command of the Rothschild family. The Lord’s greatest expectation for our lineage is that you can marry into the Rothschild family, and now it seems that the chances are getting better and better!”

Rachel Getty was also very excited. She knew that Sara’s infiltration plan had never stopped. Western high society was the last piece of her infiltration plan, but this piece of the plan had not been completed for a long time. She was getting closer and closer to helping Sara complete this piece of the puzzle.

On the other end of the phone, her mother urged Rachel Getty, “Rachel, you must do your best to make a good impression on Steve Rothschild. If you can leave a good impression on him, it will definitely help your future!”

Rachel Getty replied firmly, “Mom, don’t worry, I will do my best!”

...

Meanwhile, charlie and Lin Wan’er (Alani) had practically toured the entire Stanford University campus.

Lin Wan’er (Alani) knew charlie was meeting Robert and his scholar girlfriend that evening, so she asked him with concern, “What are your plans for tonight, young master?”

charlie sneered, “Being able to climb up to the Rothschilds shows that this line of scholars is indeed very hardworking. They’ve probably become Sara’s bargaining chip for infiltrating Western high society. I think, no matter what, we should first cut off her entry into the Rothschild family, and then see if we can find any breakthrough through her.”

Lin Wan’er (Alani) asked curiously, “That Robert seems to really like that female scholar. Under these circumstances, cutting off her entry into the Rothschild family might not be so easy, right?”

charlie smiled, “That’s actually quite easy. We don’t need to start with that female scholar; we just need to do something with Robert Rothschild. Liking someone comes from the heart, and disliking someone also comes from the heart. Giving him a little psychological suggestion is

enough. However, there's no need to act so early. Let's get to know them today. If we can get to know that female scholar, that would be even better." "I want to use her as a breakthrough point to figure out the Left Army Governor's Office's layout in America and the Scholar's arrangements."

Lin Wan'er (Alani) nodded and asked, "Then what identity does Young Master plan to use to meet them tonight?"

charlie said, "The identity doesn't matter, as long as it can deceive Robert. As for his girlfriend, I plan to be honest with her. Since she is the Scholar, all her identities and backgrounds must be real. Once the Scholar's identity is exposed, all her family members will also be exposed. I'll have an open and honest talk with her and let her make her own choice."

Lin Wan'er (Alani) asked in surprise, "Young Master wants to turn her against us?"

charlie shook his head and said calmly, "It's not turning her against us, it's forcing her to turn against us. If she doesn't cooperate with me, I only need to expose her identity. I don't even need to lift a finger. Sara will kill her whole family to ensure that the Scholar and the Destroy the Qing Society's secrets won't be exposed. Miss Lin should have read 'The Three-Body Problem.' Under the Dark Forest Theory, I have her identity information. I only need to press the switch to expose her, and someone will destroy her. And her biggest weakness is that she doesn't know who I am."
