

The Amazing son in law Chapter 8051

The first thing Charlie wade did after getting out of the car was to take Lin Wan'er (Alani)'s hand. In a bustling city, he might have some reservations, since Lin Wan'er (Alani) looked no more than seventeen or eighteen years old, while he was already over thirty. People who didn't know the situation might think he was abducting a high school girl. However, Yun Rugo and Song Ruyu were at the research station. They both knew Lin Wan'er (Alani)'s real age and naturally didn't think that she was an old cow eating young grass. Charlie wade didn't expect that while he felt comfortable being honest with Yun Rugo and Song Ruyu about his relationship with Lin Wan'er (Alani), Lin Wan'er (Alani) was actually a little uneasy. Holding Charlie wade's hand, she nervously asked, "Young Master... if Miss Yun and Miss Song saw you holding my hand like this, wouldn't they laugh at us?" Charlie wade was puzzled: "What's so funny? They know the situation, they can't be saying anything about me in their hearts, can they?" Lin Wan'er (Alani) said nervously and shyly, "I...I'm afraid they'll think badly of me...After all...after all, I'm really...a bit too old..." Charlie wade then suddenly realized what was going on. He was only thinking about not being misunderstood as an old cow eating young grass, so he felt that he had nothing to worry about when facing people who knew Lin Wan'er (Alani)'s background. But he didn't expect that Lin Wan'er (Alani) was actually more afraid of this situation. Charlie wade smiled and comforted her, "If you feel embarrassed, then we can just do it the same way as before." Lin Wan'er (Alani) hesitated for a moment, then mustered her courage and said, "I do feel embarrassed, but... it's alright!" As she spoke, she gripped Charlie wade's hand even tighter, showing no intention of letting go. Charlie wade smiled slightly, took her hand, and stepped into the Nordic research station. At this moment, Yun Rugo and Song Ruyu had already come out and were waiting for Charlie wade to come in. The moment Charlie wade pushed the door open, the two of them immediately sensed that something was wrong. In the past, Charlie wade would occasionally hold Lin Wan'er (Alani)'s hand when needed, but that feeling was more like an older brother taking care of a younger sister. But now, the two of them are standing one in front of the other, their fingers intertwined. This... suddenly changed the flavor. Yun Rugo and Song Ruyu were both intelligent women, and they could tell at a glance that the situation had

changed. Song Ruyu, like a gossiping bystander, stared wide-eyed at the two of them. Yun Rugo, however, was very perceptive. Seeing Song Ruyu's shocked expression, she quickly pretended not to notice anything and smiled, saying, "Mr. Wade, Miss Lin, you're back!" Lin Wan'er (Alani) couldn't hide her embarrassment and simply nodded. Charlie Wade, who was standing beside her, took Lin Wan'er (Alani)'s hand and brought her to the two of them, smiling as he asked, "While we were gone, were you in seclusion or had you already come out of seclusion?" Yun Rugo said respectfully, "Mr. Wade, after you and Miss Lin left, Ruyu and I have been in seclusion. The spiritual stones you left behind are full of spiritual energy, and we have not been able to fully absorb them yet." Charlie Wade nodded slightly, looked at the two of them, and said with a smile, "It's clear that your cultivation levels have improved to some extent. After the voyage resumes and you leave Antarctica, your cultivation levels will reach another level." After saying that, Charlie Wade took out two more spirit stones and handed them to them, instructing them, "Wan'er and I are back to rest for two days. We will leave again after two days and may not return until the time when the shipping is about to resume. You should continue to stay here and cultivate in seclusion during this time." Upon hearing that Charlie Wade had changed his way of addressing Lin Wan'er (Alani), no longer calling her Miss Lin but directly calling her Wan'er, both of them understood even more clearly that the relationship between Charlie Wade and Lin Wan'er (Alani) had undergone a fundamental change. Both of them were shocked, yet they felt that everything made sense. In their eyes, a woman as outstanding as Lin Wan'er (Alani) should either never fall in love or only Charlie Wade was worthy of her. At this moment, both women harbored a deep, unspoken envy. To them, Charlie Wade was undoubtedly the most outstanding man they had ever met in every aspect.
