Chapter 2101

Ouyang Zhenxiong's eyes were sharp and he looked directly at the Tiger King in front of him. His face was full of surprise. He didn't expect that he thought this was a powerful set of magical beasts, but he didn't know that he actually knew how to do it. The method of cultivating monsters! What a surprise!

"It's really not that simple. I didn't expect that this tiger king not only has the blood of the Eastern White Tiger and the Western Demon Tiger, but also knows how to cultivate monsters. Not only that, his body actually has the innate ability to cast magic with monsters! If I'm not wrong, I'm afraid you have been practicing cultivation for thousands of years. It would be a pity to kill you now!" Ouyang Zhenxiong said to the tiger king.

The little princess exclaimed in surprise: "I told you that he must not be killed. Look at this little tiger, it is cute, beautiful, and so magical! I tell you, I must take him with me, but now he is too big. If possible, he would be a little smaller."

After listening to what the little princess said, the tiger king seemed to have spirituality. She swung her body, and then, her body began to slowly get smaller!

Great, great, the little princess was so excited and surprised!

The tiger king suddenly grew from a one-foot-long body. It grew to one foot long! It looked like a cute little white cat!

The little princess shouted happily: "Oh, you have really become smaller. Now you are a veritable little tiger. You are almost here with me." After saying that, she waved to the tiger king!

The tiger king, who was as big as a kitten, twisted her body, a pair of white wings stretched out from her belly again, and a white one appeared on her forehead again. However, neither the pair of wings nor the horn on the head were as big as before! Then he flapped his body lightly and flew up! And it became even more sticky towards the arms of Xiao Qiang. He rushed over.

Ouyang Zhengxiong was really dumbfounded when he saw it: "How is this possible? This monster beast has been so seriously injured. It stands to reason that if the monster beast is seriously injured and loses its strength, it should be beaten back to its original shape. How can it continue to shrink? This tiger is indeed a little weird," he said to the little tiger in surprise: "You are not a fake Warcraft,

are you? But the little princess looked at her speechlessly: "You stinky trash is the one who is fake." After saying that, she hugged the snow-white Tiger King and laughed happily, just like a child! Wait until then When Faye Wong, the head tiger, came to the little princess, she put away her wings and the horn on her head. At this time, she was really like a docile kitten, lying in the arms of the little princess, and she actually Fell asleep?

Who would have thought that the huge monster just now turned into this small and cute little tiger, and that monster was also besieged by everyone, and in the blink of an eye it turned into A little tiger!

Ouyang Zhengxiong shook his head helplessly, pointed at the tiger in the little princess's arms and said: "Damn, you perverted tiger really knows how to find a place!" But the little princess said angrily to Ouyang Zhengxiong: "Bah, you scum, what are you talking about?" This little tiger is not as nasty as you think!"

At this time, the tiger king opened his eyes and looked at Ouyang Zhenxiong. At the beginning, she was a little afraid of Ouyang Zhengxiong. However, he seemed to feel that the little princess could protect her, so he unceremoniously followed Ouyang Zhengxiong. A small arc of electricity suddenly erupted from his mouth!

Who would have thought? This little tiger actually dared to emit an arc of electricity. It happened suddenly, and with a bang, you called and hit Ouyang Zhenxiong directly on the head! The result was Her face turned dark and every hair on her head stood up. He opened his mouth and spit out a cloud of black gas!

"You damn tiger, perverted tiger, I'm going to kill you, but you still dare to spray lightning on my head, just wait for me, just wait for me." After saying that, he grabbed the tiger with both hands..

But the little princess avoided him, pushed Ouyang Zhenxiong away, and said to him: "Huh, you deserve it. Who asked you to provoke the little tiger first? Little tiger, this is called self-defense!"

Ouyang Zhengxiong's face was speechless again, and he didn't know what to say for a moment!

Ouyang Zhenxiong, after spending a lot of effort, he finally removed the upright hair on the coaster on his head one by one. Fushun, then stared at the tiger king fiercely, and said unceremoniously: "Tell you, don't think you are safe when you become a cat. Now as long as I shout loudly, those mercenaries will He will rush down immediately and cut you to pieces, and you will not be able to escape death at that time."

The little princess exclaimed: "How dare you, really, the little tiger is following me, and I tell you, I will not let anyone hurt me. Her, hum! Well, it's time for me to give you a name. What do you think I should call you? Since you are as white as snow and as bright as jade, how about I call you Xiaoyu?"

Chapter 2102

After hearing this, the little tiger happily rubbed against the little princess's towering breasts again and again! Watching this scene, Ouyang Zhengxiong almost had a nosebleed. He began to press the buttons on this envious little tiger, thinking that there really was something there! I don't even have this kind of treatment.

The little princess smiled happily and said: "Haha, he likes this name very much. Xiaoyu, from now on, I will be your master! You must obey me obediently from now on. Don't do it again." Go hurt others, don't be as hateful as this guy in front of me, and I won't let others hurt this little tiger named Xiaoyu. He nodded his furry tiger head at the little princess, and then from Ouyang Zhengxiong shook his head. This scene almost made Ouyang Zhengxiong vomit blood. He really wanted to go over and squeeze it to death!

Next, the little princess began to rub him hard against Ouyang Zhenxiong, because he knew that even if Ouyang Zhenxiong promised not to hurt him, but after all, he had hurt the lives of so many people in the mercenary group. The leader and deputy leader of the mercenary group would never let him go. He begged Ouyang Zhenxiong to cooperate with him to save this group. Ouyang Zhenxiong was really impatient with her, and finally nodded helplessly in agreement!

Along the way, the little princess was so naughty that she didn't even notice that she was still a prisoner. Shocking language, and it might even arouse the anger of the people around him! Sometimes, Ouyang Zhengxiong wanted to punish him, but he thought of the Chu royal family, and there was an old monster with unfathomable cultivation. He gave up this idea because she was worried that the old monster would suddenly rush out and slap him to death!

The old monster with unfathomable cultivation was the most terrifying practitioner he had ever encountered. If Along the way, he accidentally hurt the little princess. God knows how the old monster will deal with Ouyang Zhenxiong. The most important thing is that he feels that the old man has been following him, but he just doesn't show it, making people feel No! But Ouyang Zhenxiong has always believed that he was secretly the reason why she never dared to do too much to the little princess!

Although the little princess's various behaviors along the way made Ouyang Zhenxiong feel extremely disgusting, But when she thought about it carefully, she realized that all this was done intentionally by this little girl. He felt that this little girl was very scheming. Observing carefully

along the way, it was not difficult to find that although he deliberately pretended to be innocent in entertainment He has a romantic appearance and is not familiar with the world. The purpose is to make people relax and be wary of him!

In fact, the little devil is definitely not a person with a simple mind. Thinking of his previous performances in Chu State, it is even more so. It shows that his city is unfathomable. Of course, his unruly nature and his behavior may be one of the reasons!

There is another reason why the little princess doesn't care much about her current situation along the way.! Because he has already carefully analyzed the various situations in front of him, and he knows that at present, Ouyang Zhenxiong does not dare to make any extraordinary move towards her, and he does not dare to completely break up with all the forces behind him. After all, it is difficult for him to defeat a country by himself! It is definitely not a wise move to fight against each other! He also knows that Ouyang Zhengxiong also needs his amulet! At this time, the little princess has already whispered to the tiger king Xiaoyu. For a while, he seemed to be saying something to him?, and gave him careful instructions.

"Xiaoyu, go to the road ahead and wait for me. You must be careful not to let the mercenaries discover you yet, do you understand? If you are discovered by them, they will probably kill you immediately." After saying that, she put Tiger King Xiaoyu on the ground, and then watched her disappear deep into the woods!

Wait until she disappeared completely After that, the little princess looked furious! She said loudly in the direction of the mercenary group:"It's not good, it's not good, the Tiger King is resurrected, he is about to run away."....."

When she heard the little girl's voice, the members of the mercenary group were shocked and rushed over one by one. The leader of the mercenary group was the first one to rush over while riding the injured earth dragon, and the deputy leader also rushed over. Using the magical element of wind, they flew over quickly, and the other mercenary group members followed closely behind them!

When everyone rushed over, they found that the traces of the Tiger King had completely disappeared! Except for a pool of blood on the ground, and the big hole made by King Beihu! Only the little princess and Ouyang Zhengxiong are left!

The leader hurriedly said to Ouyang Zhengxiong:"Brother Ouyang, what's going on?"

Ouyang Zhenxiong said to him: "Just now I wanted to cut open the Tiger King's abdomen with a knife, but he suddenly jumped. Get up, and quickly spread your wings to fly into the deep mountains, blame me, if I had known this, I should have punched him to death in advance!" After saying that, he pointed to the valley and a mountain range not far away.!

Chapter 2103

After hearing his words, everyone was dejected. No one would have thought that this tiger would pretend to be dead. They all sighed in their hearts, and felt puzzled by the dead brother, thinking that the brothers died in vain. However, there was only one little princess. People were secretly happy there.

Forget it, forget it, since you ran away, let's forget it, right? The leader said to the brothers of the mercenary group! "Let's go back to the merchants and travelers quickly! I hope nothing happens to them." Everyone shook their heads helplessly and returned there.

Just like that, this turmoil in Tiger King is over! The horses that had been knocked unconscious came to life again! After everyone made some preparations, they set out on the road again. No one said anything along the way. Everyone had a trace of sadness on their faces, and the atmosphere was a bit dull! They are all brooding over what happened just now, and they feel powerless because they are unable to avenge their brothers!

As he hurried on like this, after he had traveled dozens of miles, the little princess couldn't help but whisper, "Xiaoyu, isn't this guy lost?"

Ouyang Zhixiong suppressed a smile and said: "I can't believe how you found this little devil. He is usually as cunning as a little fox, but now he actually makes a pervert tiger faint. It's really funny, hahaha." Just at

Ouyang Zhixiong When Zhengxiong finished speaking, Tiger King Xiaoyu came out of the forest with a whoosh.

But the little princess pretended to be surprised and shouted: "Ah, what a cute kitten! Isn't it a stray cat? I want to adopt him." After saying that, he walked over and held Xiaoyu in his arms. inside.

Everyone looked at this kitten in surprise, not only because this kitten was held by the little princess in her arms, but also because this kitten looked very similar to the previous tiger king, but they Their body types are not at the same level at all, but their appearance is surprisingly similar. If the difference in body shape between the two points hadn't been too huge, I'm afraid he would have immediately pulled out his weapon and rushed forward unceremoniously to kill it. Carry out death by a thousand cuts!

After seeing this, Ouyang Zhenxiong shook his head and sighed: "This is a perverted tiger, and he is still the same as before, and he is still reluctant to leave you."

But the little princess cursed in a low voice: "He is the most shameless person in the world. Asshole, what do you think this is? Is the tiger the same as you?" The little princess did not dare to say it loudly because she was afraid of being heard by others! Only they themselves know the conversation between them~

Tiger King Xiaoyu nodded repeatedly in his arms, as if telling him that I am back!

After Ouyang Zhixiong saw the little tiger's reaction, he was furious and said loudly to him: "Damn, you pervert tiger, you actually understand what we are talking about? You are a flatterer, sooner or later I will At eight o'clock, I will use the tiger skin to make insoles, kick off your tiger head, and use the tiger skin to make clothes, huh."

He told the people in the mercenary group that he wanted to raise this kitten, but everyone thought it was nothing, so I agreed! Tiger King Xiaoyu often goes out to look for food at night. At first, the little princess knew that he had disappeared, and was very anxious because she was worried that he had revealed his prototype and encountered something unexpected. But slowly, he knew that he had disappeared. After understanding Tiger King Xiaoyu's habits, he didn't care so much. After all, it's impossible to keep him hungry all the time, and there's no food he likes here. He can only rely on himself to find food!

Apart from this accident, they didn't encounter anything else along the way! Their group is about to reach the capital of hell!

Everyone waded through mountains and rivers, going through untold hardships. Although they passed several inns specializing in replenishing food for newcomers, no one took a long rest because they just wanted to get to hell as quickly as possible. In the capital, those who lived and slept in the open along the way could be said to have endured a lot of hardships! Finally, on the tenth day, we arrived at this feared city of freedom, also known as the capital of hell!

The Hell Spider is located in the vast mountains, where there is the largest plain area. Although it is the capital of hell, there is no city wall. There is only a river, which flows into a field-shaped circle. It runs through the City of Liberty. Not only that, this river is also the main transportation artery! Boats of all sizes will drift on this lake!

There are about 400,000 people here, which may be less than other mainland cities, but the prosperity here is extraordinary. No capital city in any country can be more prosperous than here. The city is bustling with traffic. Yes, there are many shops there, including romantic places, banks and casinos, everything you need! , is a dazzling pearl among famous cities in mainland China.

Chapter 2104

The daily supplies needed by this hell city come from many places, some are supplied by itself, and some are from the east and west continents. They can be transported by cargo ships or directly on the road, but because the distance is really far! The transportation of materials is not that convenient, which is why the population of Liberty City is not that large, because there is really not much energy for them to use! We cannot support so many people, and the population expansion cannot be too great!

In fact, this hell city can be called a small country, because it is a free land and is not managed by any country. It is absolutely free! Although there are some troops in the city, the number of troops is not very large. They only deal with daily matters and maintain order. In fact, many things are business matters that are negotiated and handled by the city lord!

Looking from a distance, this free city is surrounded by green mountains. It is extremely beautiful. It is not only surrounded by green mountains but also by endless green water. It is like a paradise, with pleasant scenery and beautiful scenery! It is an excellent place to relax and feel refreshed after seeing the God of Death.

The members of the mercenary group did not take much rest here because they did not want to stay here for too long, and they were also worried about what trouble would happen! After all, the previous World of Warcraft had caused many casualties among their brothers in the mercenary group, and they didn't want to cause any more disturbances! So they directly escorted the merchants and travelers to the Western Continent!

Guan Hao watched the employers walk into the Capital of Hell, then turned around and said to Ouyang Zhengxiong: "Brother Ouyang Zhenxiong, what do you mean by coming from the Capital of Hell? Your family is not here, right? This should be impossible. If your home is here, why would you run over there? Oh, I know, do you want to be like me? Are you planning to apply for Shenfeng College?"

Ouyang Zhenxiong said: "No, my home is not here, and I'm not here to apply for the Kamikaze Academy. I'm just here to take refuge."

Guan Hao looked at him in surprise: "Brother, that shouldn't be the case. With your skills, your realm has reached at least the second level. Hey, what kind of person is he? Can you wait for such a person to go away to a foreign country! Live a wandering life?"

"Oops, brother, you don't know something! Look, it's the little girl next to me and her family who have been chasing me." After saying that, he pointed to the little princess next to him who was having a great time playing with Tiger King Xiaoyu.

Guan Hao was even more surprised and continued. He said to Ouyang Zhengxiong: "How is it possible? Is this little girl's background so big? Then why do you dare to take advantage of her? You're not just thinking about his beauty, brother, you are really a coward."

The little princess heard what Guan Hao said, picked up Xiaoyu, and cursed at her: "This damn mouse, you What nonsense are you talking about? Do you have any self-awareness? Do you even dare to believe what this stinky scum says?"

Guan Hao looked at the little princess and said jokingly: "Well, how should I put it? If this little girl washes away the stains on her face and puts on clean clothes, you will see that her clothes are all dirty as she walks with us! In that case, Didi is indeed considered a beauty in a role! Brother Ouyang, you are really discerning!"

"Xiaoyu, he has been talking about me, you help me teach him a lesson, teach him a lesson, hum, Xiaoyu, go quickly." At this time, Xiaoyu made a whoosh, jumped out of the little princess's arms, and used her feet to With one kick, he jumped directly onto Guan Hao's shoulders, but Guan Hao said with a smile: "Haha, what the hell are you, you are really not afraid of death! How dare you disturb Tai Sui?"

Before she could finish her words, at this moment, an earth-shattering sound sounded in her ears. It was the sound made by Tiger King Xiaoyu, roaring...

Official Hao was frightened by this unprepared blow, and her ears were buzzing. Before he could figure out what happened, she felt her body being pressed to the ground by a huge, furry object.!

When she came to her senses, she rubbed her eyes and took a closer look. She found that she was pressed down by a huge butt. She couldn't help but screamed: "Help, help!" Help! Brother Ouyang, help! Oh my god, it's so scary."

The little princess wiped her hands beside her and couldn't help laughing when she saw this scene!

Guan Hao was so frightened that his face turned pale, he couldn't speak clearly, and his body was shaking. , he said to Brother Ouyang:"Brother, stop laughing, come and save me, oh, little girl, I know I was wrong! Oh my god, kill this guy! I'm really afraid of him."

Xiaoyu's eyes flashed with fierceness. He had suffered great losses from everyone in this mercenary group before. Now facing this big enemy, she opened her bloody mouth and wanted to bite him! This But if she wanted to, he could really act like a fool and kill him.

Chapter 2105

After hearing what Guan Hao said, Ouyang Zhenxiong took action because he was also worried that the Tiger King Xiaoyu would uncontrollably bite Guan Hao to death. In this case, the sin would be greater, because he was the one who agreed, Just like that little tiger! And he killed again! How can that work? Before Ouyang Zhengxiong could speak, the little princess hurriedly stopped Tiger King Xiaoyu. He shouted to the little tiger:"Xiaoyu, no! Don't hurt anyone."

The little tiger stopped moving. , she looked at the little princess in confusion! He seemed to be asking why he was stopping himself from killing him.

The little princess also looked at Xiaoyu, seeming to see the confusion in her eyes! So he explained to her:"Xiaoyu, although this guy is hateful, it's not enough to kill him, and you don't want to harm other people's lives easily, you know?"

Xiaoyu heard what he said. He nodded in understanding! But his eyes were still staring at Guan Hao fiercely.

When the tiger climbed out of his body, he shook his body! Then he staggered up and stared at the snow-white head without blinking? Xiaoyu, as bright as jade! Finally, he thought of the monster that he dueled with last time! Suddenly he screamed:"This is, Brother Ouyang, is this guy the Warcraft we fought last time? Oh my God, he...he actually became a spirit, and that cute little wild cat turned out to be his incarnation."

Although the Tiger King was seriously injured that day, and it had lost a lot of energy. Luo Jin, his cultivation level has dropped from the third level magic beast back then to the first level magic beast! But now, his body is not even ten feet long, and his size is not much bigger than other ordinary tigers. But her arrogant demeanor remained the same as before, so Guan Hao recognized her at a glance.

With a whoosh, it ran behind Ouyang Zhengxiong and said in a trembling voice: "Brother Ouyang, no wonder this guy always stared at the mercenaries fiercely along the way. It turns out that this is the reason. This guy is so hateful. , actually knows the method of transformation. What should he do if one day he goes to seek revenge?"

The little princess looked at him unkindly: "You are such a damn rat, you talk so freely every day, I will definitely do a good job today. I'll teach you a lesson."

Guan Hao panicked, and she said tremblingly: "Little girl, don't come over, Brother Ouyang, hurry up and drive away that tiger monster." On the day they fought against the monster, the ferocious tiger left a deep impression on Guan Hao. She was so cruel that day! So this time when she saw Xiaoyu's eyes flashing fiercely, she couldn't help but feel guilty! Because the harm he caused her that day was not small! He was really worried that he would strike back.

Ouyang Zhenxiong smiled and remained motionless. He also wanted to see how much strength the tiger had recovered after these days of cultivation. In addition, he also wanted to see what Guan Hao's true abilities were. He wanted to see Let's see if he has what it takes to enter Kamikaze Academy.

The little princess smiled extremely evilly at this time. Ouyang Zhenxiong seemed to see the domineering little witch in Chu State again. At this time, the tiger king had already bypassed Ouyang Zhengxiong! He slowly pushed towards Guan Hao, where is the little princess? Then followed him slowly.

Guan Hao's face suddenly turned green with fright, and she said in a trembling voice: "Little girl, I have no grudge against you, why are you trying to harm me? I have also been working diligently to protect you along the way. There is no merit." There is also hard work, how can you do this to me, stop joking, get that tiger away!" After saying that, his feet kept trembling.

Roar... Oh my god, the tiger king Xiaoyu yelled, Guan Hao turned around and ran away. He was worried that the tiger king would catch up and bite him to death, but the little princess clapped her hands behind and shouted. : "Xiaoyu, chase her quickly, don't bite him to death, discharge the electric shock on him quickly, and burn him quickly." The little princess clapped her hands behind and shouted, a bolt of lightning shot out from the white tiger's mouth with a click! With lightning speed, he quickly hit Guan Hao who was running in front. Guan Hao, who was hit by lightning, couldn't help but stop. Wisps of green smoke rose from his body, and his whole body was electrified. It was dark, and there was a faint burning smell.

The powerful current did not knock Guan Hao down, but only slightly burned his strong body. It didn't cause too much damage, and it didn't directly kill him! After stopping for a while, he ran quickly again. He changed his direction and ran quickly towards the forest not far away.

Roar...

This was a large fire after the tiger roared again. Covering the forest where Guan Hao went.

Help... there were bursts of screams coming from the woods.

Chapter 2106

"Little girl, you are really... you are really a little witch." Guan Hao was holding a smoking tree with his hand and kept panting. At this time, her clothes had been completely burned by the flames.! His whole body was completely dark, and the hair on his head stood upside down. He looked extremely embarrassed! But the little princess turned around and sat on Xiaoyu! She patted Xiaoyu's head and whispered to her Said:"Xiaoyu, can you still fly? If you can, transform quickly and let's deal with this hateful guy together."

Your Tiger King roared, and in an instant, he stretched out a pair of white wings from his abdomen, and a jade horn grew out of his forehead again. This scene was exactly the same as when he dueled with them. , exactly the same as the ultimate form, and then rushed down, he took the little princess and flew into the air!

The little airdrop shouted happily in the air:"Wow, Xiaoyu, you are great, great , I can also fly into the sky, hahahaha, let's go, Xiaoyu, let's go deal with that guy together." He was also thinking in his heart, if that magic monster mother-in-law forces me to learn magic again! In this case, he will have an excuse. Because Xiaoyu was there.

Guan Hao's face changed in shock. He didn't care about breathing anymore, turned around and got into the forest again. At this moment, Guan Hao had the same feeling as Ouyang Zhengxiong. He also felt This little girl felt that she was closely related to the demons in hell. As expected, evil demons and demons like to stay together! He couldn't help but think so much, it was important to escape!

"Haha, you damn rat, let's see where you run away. Xiaoyu is going to spit out fire. Burn him and then burn him again, haha." The little princess continued to say to Xiaoyu.

"Little witch, I surrender... Stop playing tricks on me," Guan Hao said helplessly to the little witch in the air! But he still couldn't help but keep running forward on his legs!

"Brother Ouyang, come and save me! Otherwise, I will return my 100 gold coins to you," Guan Hao said to them.

Lightning and flames intertwined and sent out a greeting to Guan Hao

"Brother Ouyang, I will give you 1,000 gold coins and hire you to be my bodyguard. Come and save me. If you don't come to save me, I will really die! Brother Ouyang, I beg you, please come quickly."

That day, the way Tiger King went crazy left such a deep impression on her, which made him so scared that he never thought that Tiger The king's strength was no longer what it used to be. He still thought that the tiger king had returned to its previous strength, so he just dodged every time, never thinking that he could fight back or even kill him. He shouted in the forest The little scream contained both the proud laughter of the little princess and Guan Hao's extremely miserable cry.

In the end, Guan Hao couldn't run anymore and lay directly on the ground, with his hands and feet placed in a big character, his eyes directly It turned white, with white foam spitting out of her mouth.

The little princess shouted dissatisfied in the air:"It's really boring, it can't stand the tossing, and it's gone in just a few seconds." Then he aimed at Ouyang Zhenxiong again. , the corners of his mouth raised maliciously again.

Ouyang Zhenxiong panicked, he knew what the little princess wanted to do, and this tower defeated his idea again! After tossing Guan Hao down, now he wants to To torment yourself

"You little witch, stop messing around and come down quickly, otherwise you will be in trouble if someone from this hell capital discovers you! At that time, it will not only be the three of us who are in trouble, but also other mercenary merchants," Ouyang Zhixiong said to the little princess.

"Hehe, you stinking scum, I hate you so much! Tell you, I will teach you a lesson today," the little princess said to him?

"Want to train me? Are you sure that you have forgotten something? You have been hit by my Hidden Dragon Finger. If I am unhappy, believe it or not, I will directly activate him and cause you extreme pain. Oh, by the way, it seems that it's time to attack again soon! If I'm not wrong, you

should have another attack in a few days, and I won't give you any relief then," Ouyang Zhengxiong said to the little princess.

"You... this scum, thief, villain, bastard....."The little princess was very angry. All the bad words he could think of were used on her. If it weren't for the fact that he still had the Hidden Dragon Finger on his body, he would have ridden Tiger King Xiaoyu back to the capital of Chu State.

"No, no matter what, I have to teach you a lesson, Xiaoyu, please shock him quickly." The little princess still said to Xiaoyu. There was a click.

A powerful electric arc flew quickly from the air towards Ouyang Zhenxiong, he hurriedly He pulled out his long knife and threw it into the air! Lightning and the long knife met in the air, and a dazzling light burst out! Everyone covered their eyes, and finally, his long knife fell to the ground! Spray! The lightning that came out disappeared. The little princess was furious at this time and did not hit Ouyang Zhenxiong. He was very angry.

Chapter 2107

Xiaoyu quickly set him on fire.

The tiger thought that the reason why it was defeated that day was all because of Ouyang Zhenxiong. At this moment, when he faced his big enemy, it roared continuously and sprayed out a large fire. The flames swept down from the sky over there.

After Ouyang Zhengxiong saw it, he did not dodge at this moment. Instead, he raised his fist and slammed it into the air. His body was enveloped in golden light, and the golden incoming wind carried a strong wind, and followed the strong wind and flames. Was blocked and went back

"hateful! I didn't expect you to be so powerful. Xiaoyu, let's not be discouraged. Let's keep coming. Don't be afraid, come again." The little princess kept directing the Tiger King to attack him! The tiger kept flipping in the air, spinning and impacting.

At this moment, in the capital of hell, in the Kamikaze Academy. A man wearing purple clothes The old man, and another old man in blue clothes? They were all looking at the sky in the distance, in the direction where the Tiger King and Ouyang Zhenxiong fought? They couldn't help but exclaimed:"Did you see his tiger?" , that tiger is a tiger king with excellent bloodlines from the Eastern White Tiger and the Western Demon Tiger! ,". Another old man also responded to him,"Yes, it is indeed."

The old man in blue clothes couldn't help but sigh: "This is a growing monster that can continuously evolve. If it is used as a mount, it would be really ideal. Type!" The old man in purple clothes responded: "The rumor of the magic hand has attracted so many practitioners. It seems that the hell city has become very lively recently." We have to wait to welcome all the excitement."

The old man in blue clothes nodded and said in agreement: "I didn't expect that the ancient god's broken left hand would cause such a big disturbance. I wonder if his god's hand is really real. There is a luminous object spinning around. If it really exists, it would be really exciting to see. The old man in purple clothes seemed to be thoughtful. He thought for a while and said to the man in blue clothes: "I have a suggestion. Why don't we discuss with other old guys whether to search for the left hand of God as a mission?" What are the assessment questions for students this semester? how are you feeling?

The old man in blue clothes smiled at him and said to him: "Haha, you old guy... But this is really a good idea, just do as you say!"

The old man in purple clothes continued: "Did you look at the Tiger King in the sky?" The owner of that tiger seems to be young. I feel that his age is not much different from that of your little granddaughter. If your granddaughter actually rushes over at this time, I think this scene will happen. It must be very exciting, hehe.

The old man in blue clothes smiled and scolded him: "You old guy, you are really worried about the world being in chaos. The previous scene has already been like that." What will it look like if my granddaughter rushes over again? He even wanted to watch two juniors fight. The old man in purple clothes said:

Oh, isn't your granddaughter not here?" And I hope your granddaughter has not seen a strange beast that is comparable to his divine eagle. Otherwise, I think with his temper, he will definitely rush over on his divine eagle monster and compete with him."

At the same time as he finished speaking, there was a sound of a big eagle chirping in the air. This was a golden light rising into the sky and flying past.

Seeing this, the two old men couldn't help but look at each other, wearing blue clothes. The old man said to the old man in purple clothes: "You old guy, you are really a crow's mouth, you really got it right." In the sky above the east of the capital of hell, the little princess is riding on the tiger king. In the air Flying around, but she kept cursing Ouyang Zhenxiong in her mouth, as if she wanted to curse out all the grievances she had suffered these days? Who let him do this to me?

You scum... you stinky Trash, you are a big villain, you are a big villain

, you are a big villain...

The little princess cursed and directed the Tiger King to spit out flames and lightning, and attack Ouyang Zhengxiong together.

Although Ouyang Zhenxiong is not afraid of these attacks, he Sometimes she would be attacked by these attacks and become confused! At this moment, she was also very envious of those magicians who could fly! He thought to himself, if he could fly himself! He would have asked the little princess to capture them.!

No wonder dragon knights and magicians can intimidate the entire continent, because if a person can fly around freely in the air, his combat effectiveness will definitely increase exponentially. However, he also thought in his heart, what do the dancers from the East want? What level of cultivation do I need to reach before I can fly in the air? How far do I need to cultivate to be able to fly in the air? Do I really have to wait until I can be like my father? Do I have to wait until I reach such an unfathomable level? Is that okay? He thought to himself while resisting the lightning and flames. Because he didn't want to get hurt! It's not worth it!

Chapter 2108

Suddenly, there was a long cry of a divine eagle in the air, and a golden light flew quickly in front of her like lightning.

When the little princess saw it, she looked shocked and quickly stopped cursing. This was when Tiger King Xiaoyu also showed a vigilant look, staring ahead unblinkingly.

Because a huge golden eagle appeared in front of him, carrying a girl in yellow clothes on its back. It approached from a distance and suddenly turned to be in front of the little princess. And when it came, there was a strong wind in the air!

At this time, the little princess swayed on Xiaoyu's body, and she was so frightened that she screamed:"Ah, Xiaoyu, please stabilize!"

In fact, Xiaoyu did not waver at all. The strong wind brought by the eagle caused it to sway, and then it was thought that it was Xiaoyu swaying. However, Xiaoyu was very considerate. He swayed his body and followed the little princess's movements a few times, and then he stabilized.

The little princess was furious: "She said loudly, where did the stinky eagle come from, where did the stinky girl come from, and they collided like this! Who are you? I don't seem to know you, right?" There were about two golden giant eagles from beginning to end. Ten feet long, and then he spread his wings, and they were actually five feet long. Its feathers were shining golden, and I don't know what they were. It looked more powerful than the tiger king in front of me. There was a masked yellow woman sitting on the back of the eagle. , The body is slender and the curves are uneven.

After hearing her words, the masked woman sarcastically said: "Where did you come from, little beggar? If you can't do well, blame others."

The little princess's face was stained by Ouyang Zhengxiong, and the clothes she wore were The clothes were also tattered clothes that Ouyang Zhenxiong had found. He almost screamed when he heard the voice of the woman in yellow. She appeared and stood directly on Xiaoyu's back and said to him: "You stinky Girl, you dare to contradict me... Miss, please wait for me, Xiaoyu, teach him a harsh lesson."

Tiger King Xiaoyu roared, opened his mouth and a bolt of lightning shot out of the air, a powerful electric current was flowing in the air. There was a crackle in the air and I immediately thought of it, so I took advantage of the situation and ran towards the golden eagle.

At this time, the golden eagle also opened its iron mouth. She took her time. At this time, a row of wind knives also flew out quickly. The wind blades and lightning met in the air, and then exploded together, bursting out. There was a dazzling light, the two magic energy came together, and then disappeared.

The woman in yellow said to the little princess: "Your Tiger King and my greenhouse are both growing giant beasts, but my landscape has reached the second level. If I read it correctly, your Tiger King should still be growing." It's just the first level, how can you compare with me? If you just ask them to compete, it's simply too bullying. When I came here, I saw the tiger king full of hope, but now it seems that I didn't expect it to be disappointing. Come back, it's really disappointing!"

The little princess snorted coldly: "Humph, if you let me show off your strength and ride a big fat duck, you will be full of arrogance. This is just a big fat duck. If you let me If you ride a big fat goose, then you are not satisfied with the croaking of the world. You still have the nerve to keep chattering here."

"Little girl, how dare you be so rude to me, be careful I teach you a lesson, humph, apologize to me now." The woman in yellow was angered by what she said.

"Old woman, am I not afraid of you? You want me to apologize to you and tell you that you are dreaming?" the little princess said not to be outdone.

"Huh, you dare to call me old. I am in my prime. I can't spare you, a little beggar. Just wait for me."

"I have to say, I have to say, you old woman, old woman, you are really too old....."The little princess continued

"Dapeng, let's rush over and teach this little beggar a lesson together! See if he still dares to talk nonsense?"The woman in yellow patted the golden eagle on the head.

"Xiaoyu, hurry up, spit out the fire, and roast that big fat duck. Let's eat the roasted fat duck together later."The little princess also said to Xiaoyu?

"Sloppy little beggar, I see you can't even wash your face, I feel ashamed for you, I'm using magic to help you wash your face! no need to thank me?"Water dragon wave," at this time, the woman in yellow used a water-based magic. This magic not only extinguished the flames sprayed by Xiaoyu, but some of the snowflakes also poured on the little princess! The little princess was showered Caught off guard, he was so angry that he screamed loudly:"You old woman, how dare you sneak up on me, Xiaoyu, please shock him with lightning and bake it black." Only

Ouyang Zhenxiong was left at the scene. Watching the show there! I once heard someone jokingly say that when two women are quarreling, it's like there are 500 ducks quarreling, but now he feels like there are thousands of ducks flying in the air! It dazzled her. She looked at it and shook her head helplessly.

Chapter 2109

Although this tiger used to be a powerful third-level monster, after the last battle, its cultivation level has been severely reduced, not to mention that it was seriously injured that day. It has fallen to a first-order monster. Facing it, Yes, the golden eagle, this second-level monster, roars continuously. But there is nothing we can do!

Furthermore, its owner, the little princess, had her spells blocked by Ouyang Zhenxiong, so in this state, whether it was a competition between monsters or between their owners. They were all at a disadvantage. At this time, they were unable to resist the magical attack of the masked woman in

yellow. Therefore, he commanded Xiaoyu to hide and hide in the air. She was no match at all, and the loud screams continued.

"Old woman, I won't play with you anymore, please stop, hurry up," the little princess said to the woman in yellow clothes.

"Damn it, you actually dare to call me an old woman? Just wait, Flame Wind Blade... The masked woman in yellow faced the little princess with magical attacks, wave after wave without stopping."Look, you still dare to say, I am an old woman?"

"Old woman, please stop and I won't scream anymore," the little princess begged.

"You little sloppy little beggar, how long will my mouth last?"

The little princess has a lot of skills, but she can't use them in the air. She can't help but secretly scold Ouyang Zhenxiong. He kept scolding in the air:"You are a scum, a stinking bastard, a shameless guy, I You are almost killing me, just wait for me, sooner or later I will kill you."

The woman in yellow masked clothes shouted to him:"Sloppy little beggar, how dare you insult me like this , I'm not done with you today."

After Ouyang Zhengxiong saw it, he burst into laughter on the ground without being surprised. He knew that the little princess had caused a huge misunderstanding this time. She was thinking to herself, let me see how you solve it this time?

"You old woman, I'm scolding the shameless bastard below, but I'm not scolding you. Why are you so anxious? Just take your seat." The little princess explained to her while screaming at the overwhelming magic attack from behind.

"God, this really pisses me off. I wonder how tough this little girl can be."

"Old woman, stop it"

"lightning, wind blade....."

"Help, you stinky guy, come and save me." At this time, Guan Hao climbed down from the ground with great effort, his head was dizzy. At this time, she raised her head and saw the little princess in a In the midst of another magical attack, he couldn't help but jump up and was shocked. Then he couldn't help pointing his finger at the sky and said to him:"God, you have appeared so quickly? You are really my god, let the magic attack come more fiercely! Teach that little witch a lesson for me, and see if he dares to attack me in the future?"

Ouyang Zhengxiong shouted in the air:"For the little devil, have you had enough fun?" Come down quickly. If you don't want to go to hell, and if you don't want to go to hell and recognize your brothers and sisters, call me master and I will protect you."

"Bah, you stinky trash, don't even think about it, I will never let you protect me, I hate you so much, ah! You old woman, stop attacking, let's make peace! How about it?"The little princess said to him

"Ah, help me, old woman, I give up."

In the sky, the chirping of the golden eagle, the roar of the tiger, the thunder and lightning were endless. The masked woman in yellow did not kill the little princess, all of them Magic attacks, lightning, blades and other powerful magics did not completely touch the little princess's body. They just whizzed past his ears. Only the water magic attacked him. However, her damage It wasn't big, it just made her whole body wet?

But despite this, the little princess was still frightened by her fierce attack momentum and screamed again and again.

In the end, he was really forced to have no choice but to turn towards Ouyang Zhengxiong begged for help:"You scum, please save me quickly and get rid of this old woman, otherwise I will really be killed by him."

Ouyang Zhenxiong shouted:"You little witch, hurry up and get down." Otherwise I can't help you, I can't fly, and you won't let me fly, come down quickly."

After the little princess heard what he said, she quickly directed Xiaoyu to fly towards the ground, but the big golden eagle behind her , followed closely behind him, chasing after him

"You little sloppy kid, you still want to run away, I'll give you a popsicle to eat, you don't have to thank me." The masked woman in yellow finished speaking. After reciting a spell, the little princess

felt that the temperature next to her dropped instantly, and A layer of ice instantly formed on her wet clothes at home, which made her shiver. He felt a little cold!

"Ah, it's so cold! You old woman, please stop quickly. I already told you to give up. Why are you still attacking me?"The little princess turned her head and said to the woman in yellow.

Chapter 2110

There was no way. When the little princess fell to the ground, her body was covered with a thick layer of ice. From the outside, there were snowflakes on her eyebrows and hair. She was so cold that her face turned blue. Her body was shaking, her body was shaking!

"Old woman, come down here, I'm not done with you." Even the little princess who was blue from the cold could not weaken her momentum. She trembled and made a slow sound with her mouth.

"Hahahaha, you sloppy little beggar, I won't play with you anymore, I'm leaving." After saying that, he turned around and flew away on the golden eagle.

"Humph, you coward...don't run away if you can, we'll come back again," he said without forgetting to brag.

"Haha, you are such a sloppy little boy. If you want to take revenge, you can come to Kamikaze Academy to find me. I will wait for you there." After the woman in yellow finished speaking, she flew into the sky on the golden eagle and disappeared in the blink of an eye. In the direction of the capital of hell.

The little princess was so angry that she stamped her feet and shouted loudly:"You old woman, don't run away... Let's continue..."

All the processes in this scene were watched by Ouyang Zhenqiong, Ouyang Zhenxiong found it very interesting. She thought to herself, sure enough, women are more unique in fighting than men! And it is not only reflected in their actions, but also in their words! So the momentum cannot be lost. Although it is summer at the moment It was scorching hot, but the little princess who was hit by the magic was trembling with cold. After scolding the woman in yellow clothes, she turned around and angrily scolded Ouyang Zhengxiong:"It's all your fault, you scum, if not How could I lose to her with that nasty fingering technique she performed on me? Please untie that fingering for me quickly, I will continue to find him to settle the score. It's all your fault for causing me to be bullied by him"

"Nonsense, you were the one who made the rude remarks first, otherwise why would people cause trouble for you for no reason? Do you think he doesn't cause trouble for me? Not because of your talkativeness, you can ask me to open the Hidden Dragon Finger if you want. I have a suggestion. How about you write me a deed of prostitution to prove that you are my maid? Hahahaha," Ouyang Zhengxiong said happily

"Let me tell you, you have been dreaming about it for a long time, and you want me to be your... Oh, wait, I just remembered that you guy, at that time, I had a deed of betrayal in my hand. If I remember correctly, it seems It was placed, put in my study. Just wait for me. One day I will escape. If I have the chance, I will make it known to the public. This will ruin your reputation as a ruthless guy and let everyone know about you. She is my slave." The little princess puffed up her chest and said to Ouyang Zhengxiong.

"Hehe, you little devil, you still dare to mention things in the western border of Chu State. Just wait for me and I will sleep with you tonight."

"Damn, you are such a stinky guy, so shameless. Let me tell you, after my master's injury is healed, he will definitely find his way here. By then, you will die without a burial place. I'll see where you can go. go? So you should listen to me obediently and untie the Hidden Dragon Fingers on me as soon as possible. Then I can ask my master to let you go." At this moment, the little princess suddenly mentioned his master , this really shocked Ouyang Zhenxiong. His master was Zhuge Chengfeng. He knew that even if Zhuge Chengfeng's cultivation level was not as good as that of the old monster, it would definitely not be any worse? At least compared to He must not be able to defeat Zhuge Chengfeng.

When Ouyang Zhengxiong thought that two peerless masters would come to his door at any time, he felt uneasy, but he thought, even an old monster who is nearly 200 years old cannot unravel my secret. Long Zhi, Zhuge Chengfeng probably can't solve it either, so this movie just gives him some peace of mind. It's strange, why hasn't this old guy shown up? Has he followed? But even though he didn't show up, I always feel He is right next to me, in the dark, staring at us with a pair of eyes

"Hey, you stinky guy, what are you muttering about? Oh, I see, are you scared? If you are afraid, please let me go quickly. Maybe I can also ask my master to spare your life." The little princess continued to say to Ouyang Zhengxiong.

"Let it go! Let me tell you, if you continue to be dishonest, believe it or not, I will punish you on the spot right now? I will make it impossible for you to go back to your father, the emperor, and your empress." Ouyang Zhenxiong said threateningly to the little princess.

Although the little princess was extremely angry at this moment, she was more afraid. He was afraid that he would immediately activate the Hidden Dragon Finger. The feeling was indeed unpleasant. He ran angrily onto Tiger King Xiaoyu's back, and said to Xiaoyu: "Xiaoyu, let's go, stay away from this guy, this bad guy."

Ouyang Zhenxiong went and said, "Hey, that tiger that is not allowed to go is going around causing trouble. Let me tell you, just now you attracted an inexplicable woman. Who knows what terrible people you will attract in the future?" You are about to have an attack, if you keep running around, I won't untie you."
