Chapter 191: Lower Realm, Small Courtyard! Senior

Ancestral Dragon

“What are you doing?”

The turtle asked curiously as he looked at Long Ming, who was blocking his way.

He just wanted to invite Xiao Longnu to look at the moon with him. Why would a beauty run away?

“Hmph, don’t even think about touching my junior sister. Even if I die today, I’ll stop you!”

As Long Ming spoke, he began to burn his blood essence. A white, angry dragon phantom slowly appeared, baring its fangs and brandishing its claws.

“What’s wrong?”

This time, without waiting for the turtle to act, the fat Rongrong directly slapped Long Ming unconscious, then lifted him in her hand.

“Go after him.” the turtle said.

“Yes, boss!” Fatty Rongrong hurriedly moved all her primeval essence, madly chasing.

“What? He caught up so quickly?!” Xiao Longnu’s face was filled with shock, and her face turned pale.

“What should we do? What should he do? Am I going to fall into the hands of the turtle?”

Xiao Longnu was extremely anxious. Suddenly, she seemed to see a crack appear in front of her, and traces of spiritual energy seeped out from the crack.

“Is that the crack that leads to the lower realm?” Xiao Longnu was shocked. The world crack was usually protected by the law of lightning. What was going on?

While Xiao Longnu was bewildered, Rongrong and Old Filthy Turtle caught up.

“Beauty, this Sea King invites you to look at the moon!” The turtle said loudly while chewing on the wildflower.

“I don’t care. Even if I have the lightning of laws, I’ll die. Even if I die, I can’t fall into the hands of this dirty old turtle.” Xiao Longnu’s expression changed. She bit her pink lips and jumped into the World Rift.

However, in the next moment, she realized that the lightning of laws did not appear at all. She had successfully come to the lower realm from the upper realm.

“That’s great!”

Xiao Longnu landed right outside of Dayang Town.

“Why do I feel that there’s the aura of a dragon expert in this town? This is great!” Xiao Longnu was overjoyed and ran into Dayang Town.

As for Fatty Rongrong and the old dirty turtle, the two stopped in front of the crack.

“Boss, we just came up. Are we going back?” Fatty Rongrong didn’t want to go back. He found that the people of the upper realm didn’t seem to be strong.

“Go back. How can a mere Upper Realm be more important than this Sea King picking up girls?”The old dirty turtle said directly.

“Yes.”

Fatty Rongrong helplessly nodded, aggrieved like a two hundred jin big fatty.

As Xiao Longnu ran, she felt an increasingly powerful dragon aura pressure. That pressure made her tremble.

However, in order to survive and not be tainted by the dirty old turtle, she could only run crazily towards the courtyard.

“Strange, why is there a senior from the dragon race in the lower realm?”Xiao Longnu was puzzled.

As she burned her blood essence and started running, she soon arrived in front of the small courtyard.

“Who is it?”

When they saw Xiao Longnu, Mo Shengu, Xing Tianzi, Gan Tianlei, and Yin Jiangyun, their faces turned cold. The woman in front of them was too powerful.

It was so powerful that it made them tremble!

However, when they thought about how their senior was sleeping, the four of them became determined. They looked at each other and then cast an array formation. In an instant, they turned into four afterimages and surrounded Xiao Longnu in the middle.

Then, four huge pillars of light appeared. Xiao Longnu immediately felt the power around her freeze and she could no longer use it.

“What happened?”

While Xiao Longnu was bewildered, Yin Jiangyun took out the rope Xiao Changtian gave her and tied Xiao Longnu up.

“You guys...” Xiao Longnu was extremely shocked. These mere ants from the lower realm had actually trapped her?

“Tell me, who sent you? If you don’t tell me, my fists are not to be trifled with.” Gan Tianlei rolled up his sleeves and threatened.

Men and women were equal to him!

As long as it was a Martial Monarch Realm expert who dared to disturb a senior’s rest, he should be beaten!

“If you don’t speak, you’re asking for a beating!” Gan Tianlei looked at the little dragon girl in front of him and didn’t say anything. He punched out with both fists.

Xiao Longnu’s face fell into despair for the third time. She did not expect that she would not die in the upper realm, but in the lower realm.

“Could it be that the heavens really want to end our dragon race?”

Xiao Longnu screamed helplessly in her heart. She closed her eyes and waited for death.

However, at this moment, a familiar voice sounded.

“What are you doing?” Just as Gan Tianlei was about to act, Fatty Rongrong flew back with the old dirty turtle.

“Senior Black Tortoise?”

Gan Tianlei was shocked and quickly went forward to greet him.

“Hmph, she’s the woman I like. What do you want?”The turtle stared at Gan Tianlei coldly.

Being stared at by the dirty old turtle, Gan Tianlei felt like he had fallen into an ice cave!

“I’ll untie you, I’ll untie you!”

Gan Tianlei’s forehead was covered in cold sweat. He quickly removed the formation and walked to Xiao Longnu to untie her.

“Senior, I’m sorry. I didn’t know that Senior Black Tortoise had taken a fancy to you. I’m sorry, I’m sorry!”

Gan Tianlei hurriedly begged for mercy.

Xiao Longnu opened her eyes and was dumbfounded. What was going on?

Also, what did he just hear?

Black Tortoise?

Divine Beast Black Tortoise?

“Beauty, I only invited you to admire the moon. Do you have to go to such a extent? Fine, since you’re here, you should go in and pay your respects to your dragon ancestor first.”The turtle smacked his lips.

“Dragon ancestor?” Xiao Longnu was even more stunned. What was going on?

First, it was the old dirty turtle chasing after him, then it was the Black Tortoise, and then there was the extremely terrifying dragon aura in the small courtyard.

“Come in, but be light in your footsteps.” In the pond, the golden arowana straightened its body and transmitted a message to Xiao Longnu.

Xiao Longnu was shocked. An extremely thick dragon aura descended, causing her soul to tremble.

She tiptoed into the courtyard.

“Senior, where are you?” Xiao Longnu was looking around but did not find any real dragons. However, in the next moment, her gaze landed on the golden arowana in the pool!

“Roar!”

In her sea of consciousness, there was a giant dragon that was emitting a supreme golden light. It was soaring in the nine heavens. Its body was unknown. Just its pair of dragon horns seemed to cover the entire universe and billions of galaxies!

It was a giant dragon with extreme pressure!

A single beard of the dragon was as terrifying as ten billion planets!

“Ancestral Dragon?”

Xiao Longnu knelt down in front of the vast aura. It was a terrifying True Dragon that she had seen before.

Even the few in the ancestral hall of the dragon clan were far inferior to the golden dragon in front of him.

The golden dragon's aura seemed to be the origin of the Great Dao. It allowed her to bathe in the golden light. The injuries and fatigue in her body from before completely disappeared. In fact, because of the additional wisps of golden light in her dantian, the realm that she had been unable to break through previously shattered with a crack!

Her aura had risen from a Low Level Deity to a High Level Deity!

"Greetings, Ancestral Dragon!" Xiao Longnu said excitedly..

Chapter 192: F * ck, What Expert Is This?_i

"Ancestral Dragon? Haha!"

The Golden Dragon chuckled. How could a low-level existence like the Ancestral Dragon compare to him?

However, Xiao Longnu was only his junior, so he didn't mind.

"You're from the Immortal World. Why did you come to the lower realm?" The Ancestral Dragon asked. Then, a wisp of golden light pierced into Xiao Longnu's divine sense.

From the defeat of the clan leader Long Aotian, his disappearance, to the snake blood, to the front of the small courtyard, the Golden Dragon knew everything.

"Hmph, the younger generation of the dragon clan is simply becoming more and more disappointing! He was actually bullied by the Serpent Clan!" The Golden Dragon roared in anger. Its terrifying aura frightened Xiao Longnu so much that she fell to the ground and did not dare to move.

“Come on, stinky fish, don’t scare the woman that the Sea King likes.” At this moment, the green-haired turtle crawled in and neutralized the Golden Dragon’s aura.

Xiao Longnu finally felt the pressure around her relax.

Just as she raised her head, she was instantly dumbfounded.

She saw a huge Xuanwu phantom that was as tall as the sky. No, its body was even taller than the sky. It was not inferior to the Golden Dragon!

The Black Tortoise’s four legs were like pillars that supported the sky, and endless seawater surged around it!

Two powerful auras appeared in front of her just like that.

“Xuan. Black Tortoise!”

Xiao Longnu’s heart trembled and she fainted.

“Fine, my woman fainted. I can only invite her to admire the moon tomorrow night.” The old dirty turtle said helplessly.

“Sigh, I didn’t expect my dragon clan’s junior to actually decline to this extent!” The golden arowana sighed, and the giant golden dragon disappeared.

Long Ming and Xiao Longnu lay on the ground.

As for Long Ming’s injuries, they were slowly disappearing.

The next day.

Early morning.

The first ray of sunlight shone on Xiao Changtian's face, and he woke up.

"Comfortable. Get up and take a walk!"

Knowing that the Great Sun Immortal had formed an alliance, Xiao Changtian had nothing to worry about.

However, just as he put on his clothes and walked out of the room, he saw Long Ming and the little dragon fish lying on the ground.

"F * ck?"

"Living or dead?"

Xiao Changtian's face revealed a puzzled expression. This shouldn't be the case. The four guards were still guarding outside the courtyard.

"Senior, these two are... It's..."

"It's the disaster victims from our hometown who came to seek refuge, so we... Let me in!" Gan Tianlei glanced at Black Tortoise and reported to Xiao Changtian.

"I see." Xiao Changtian nodded.

Hearing Xiao Changtian and Xiao Longnu's voices, Long Ming and Xiao Longnu slowly woke up.

“Where is this place?”

Long Ming was unconscious last night and knew nothing about this place.

However, Xiao Longnu knew very well that this was the place where the Ancestral Dragon resided, and there was also the Black Tortoise.

“Where are you guys from? What disaster did your hometown suffer? Why are you here in Dayang Town? Are you planning to join me?” Xiao Changtian asked curiously when he saw the two of them wake up.

Long Ming sized Xiao Changtian up. A mortal?

She actually dared to talk to him like that?

His hometown had suffered a disaster?

The dignified dragon clan was actually humiliated like this. They could not tolerate it!

Long Ming’s face was filled with anger, and he was about to fly into a rage.

However, all of a sudden, an extremely terrifying aura descended on his head.

With a thud, he knelt down.

“Yes.”

Long Ming said.

At that moment, Long Ming saw the Golden Dragon, and the Golden Dragon told him everything.

Seeing this, Xiao Longnu quickly knelt down because she knew that Long Ming must have knelt down because of the Ancestral Dragon.

As expected, just as she was guessing, the golden arowana's voice sounded in her sea of consciousness,""This is my master. By following and serving my master, the dragon race will naturally obtain a good fortune!"

Hearing the Golden Dragon's heavy voice, Xiao Longnu felt as if she had been struck by lightning!

The master of the Ancestral Dragon?

Oh my god, I can't even imagine it!

What kind of expert was this?

"Senior, our hometown was attacked by a group of bandits. Now, our clansmen are in deep trouble. We have no choice but to come here."Xiao Longnu knelt on the ground and started kowtowing.

When Long Ming saw this, he quickly followed suit and kowtowed.

To be able to meet such an expert, it was Long Ming's blessing, his junior sister's blessing, and the fate of the entire dragon clan!

"So miserable?"

Xiao Changtian's heart skipped a beat when he heard this. The bandits attacked, and the clansmen were in danger. It was not easy for these two siblings to run so far.

Otherwise, he wouldn't have slept in the courtyard.

It must be because she was too tired.

“You can stay with me, but I think it’s better for you to go home.”Xiao Changtian continued.

As more and more disciples came, his small courtyard was no longer big enough.

“Senior, we will die if we go back. Please take us in!”

“Senior, the two of us can do anything! Senior, please take us in. Don’t chase us away!”

Long Ming and Xiao Longnu knelt on the ground and begged.

“You’ve misunderstood. We’re not chasing you away. We’re just looking for an expert to help you eliminate the bandits.”Xiao Changtian explained.

“Kill the bandits...Exterminate?”

Long Ming and Xiao Longnu were stunned. Was Senior going to take action personally?

“You guys eat first. Jiu ‘er, cook...” Xiao Changtian shouted.

Divine Realm.

Senluo Immortal Continent, Wang Bacheng.

The Black Night Sect was located here, and waves of sinister and terrifying aura floated out.

Outside the sect, there were black, yellow, green, mottled, golden rings, silver rings, king cobra... Countless snakes were wandering around, and ordinary people did not dare to approach them.

In the sky above the sect, a huge black serpent shadow was hovering, symbolizing the Black Night Sect!

In the hall, a middle-aged man was spitting out his tongue like a silver snake. His aura was cold. It was the Black Night Sect's Sect Master, Shebai Emperor!

All of a sudden, a soul jade plate behind him shattered and emitted a soft sound.

"Kacha!"

A wisp of his soul flew out and disappeared in an instant.

"Blood?"

Shebai Emperor opened his eyes and let out a shocked roar. In an instant, the aura around his body erupted and soared into the clouds. The entire Black Night Sect shook violently.

"Investigate! Find out who killed Xue 'er. I want to avenge him personally! No matter who it is, I will kill you!" Snake Emperor roared.

"Yes, sir!" A servant at the side trembled and hurriedly passed on the order.

On the other side.

Monkey wandered aimlessly in the Divine World alone.

"Filthy old turtle, ugly turtle, you're not playing with me?" Monkey said in boredom until he discovered a group of monkeys squatting in front of a waterfall. He did not know what they were looking at, but it seemed that there was something behind the waterfall!

“Hehe, let’s go play with the monkeys!”

Chapter 193: The Great Sun Immortal Ascends to Heaven !_1

“Monkeys, what are you playing here?” Monkey jumped over and asked.

As the other monkey demons explained, Wukong finally understood that there was an ancient mystic realm behind the waterfall. However, it was filled with danger and none of the monkey demons dared to enter.

They even declared that whoever could bring them in would be crowned Icing!

“Sigh, why does this seem a little similar to the story Master told me? Although that monkey is far inferior to me...”

“Hehe, fun!”

Monkey scratched his head. Although he felt that Sun Wukong was inferior to Xiao Wukong, he felt that it was quite fun to occupy a mountain and be king.

When I’m bored, I’ll go and tease those ants in the Divine World. Isn’t that great...

“Let’s do it this way!”

Monkey made up his mind. He flipped over and leaped over...

And on this day, a “Flowerfruit Mountain” with the same name was officially established!

There were two sides to the story.

In the courtyard.

Long Ming and Xiao Longnu ate the roasted tiger meat skewers with oily mouths.

“This... What kind of food was this? How could it be so delicious?!” As Long Ming spoke, he grabbed another ten skewers and stuffed them into his mouth.

Xiao Longnu thanked him as she ate. Wu! Senior’s is too delicious!”

Xiao Changtian had already contacted the Great Sun Immortal and asked him to send a few disciples over. They were just bandits, and they were no match for the disciples of the Great Sun Immortal.

Besides, tomorrow was the great battle with the Four Symbol Regions. Of course, he could not trouble the Great Sun Immortal for such a small matter!

However, in a short while, the Great Sun Immortal arrived personally.

“You were looking for me?” The Great Sun Immortal asked respectfully.

“Hmm? Daoist Master Dayang, why did you come here personally? It’s just to deal with a few bandits. Just send a random disciple.” Xiao Changtian asked curiously when he saw the Great Sun Immortal.

“It’s fine. I just happen to have nothing to do.” The Great Sun Immortal smiled awkwardly.

“Don’t you have to prepare for a big battle tomorrow?” Xiao Changtian asked again.

“The preparations for the great battle are complete.” The Great Sun Immortal replied. Senior had even sent his own disciple on stage, and Senior had even personally held the fort. They only needed to discuss how to put on an act.

"I see!" Xiao Changtian nodded.

He was originally worried about the battle tomorrow, but when the Great Sun Immortal talked about this matter, he was extremely calm and seemed to not care at all. He instantly understood.

It must be that the strength of the Great Sun Immortal was enough to wipe out those Great Emperors!

"The Great Sun Immortal is awesome!" Xiao Changtian couldn't help but praise the Great Sun Immortal in his heart.

"Then I'll have to trouble you to make a trip. These two people's tribes are being bullied by bandits. Please help them deal with those bandits."

Xiao Changtian smiled. With the help of the Great Sun Immortal, it was as easy as killing chickens to deal with these bandits!

"Yes, sir!" The Great Sun Immortal nodded.

"Long Ming, Xiao Longnu, the two of you should bring Daoist Big Sun over." Xiao Changtian said after seeing the two of them finish eating.

"This... Senior, those bandits are very strong." Long Ming did not know what to say.

He felt that he could crush the Great Sun Immortal in front of him with one finger, but he couldn't reject the senior's request, right?

"Don't worry, Immortal Dayang is stronger than those bandits." Xiao Changtian smiled.

"But..."

Long Ming wanted to say something, but he was stopped by Xiao Longnu.

“Senior brother, senior must have a deeper meaning. We will just listen to senior’s arrangements.”Xiao Longnu transmitted her Quintessential Essence to Long Ming.

“Is that so?” Long Ming had a puzzled look on his face. However, as the master of the Ancestral Dragon, Senior was a supreme existence. How could he not listen to Senior?

“Then 1’11 have to trouble Senior.”

Long Ming looked at Perfected Great Sun with a suspicious expression.

He felt that it was very difficult for this person in front of him to ascend to the Divine World?

“No trouble at all.” The Great Sun Immortal said with a smile.

Very quickly.

The three of them left the courtyard and came to the crack that the child had dug out.

“This, where are we going?”The Great Sun Immortal looked at the crack in the void and revealed a puzzled expression.

“Senior, we come from the Divine Realm, so we need to go to the Divine Realm now.”Xiao Longnu replied indifferently and instantly transformed into a huge white dragon.

“Senior, please come up. 1’11 bring you to the Divine Realm.’The little dragon said.

“This...”

The Immortal Da Yang was stunned for a moment.

Senior was actually asking him to ascend to the heavens?

F*ck!

The Divine Realm was something that could only be reached by ascending. But now, he could directly go up? The bandits that Senior had asked him to deal with were experts from the Divine Realm?

Daoist Big Sun swallowed his saliva, but since it was a senior's request, he definitely couldn't back down.

He subconsciously used his spiritual will to communicate with the Nanming Ignis Painting in his ring.

After discovering that the Nanming Ignis Painting was still in the ring, the Immortal Da Yang became more confident.

"Roar!"

After saying that, Long Ming turned into a huge white dragon. The two dragons flew together towards the crack in the void and entered the Divine World again.

At the same time.

White Dragon Clan.

At this moment, they were under the intense attack of the black door. Countless snakes were like a tide, charging towards the White Dragon Clan.

In the air, two experts were fighting.

“Bang!”

As the two of them fought, countless cracks appeared in the sky, and the entire ground trembled. The surrounding areas cracked and exploded into countless fragments.

“Hmph, Logan, where is your White Dragon Clan’s Holy Maiden? Hand it over, I want revenge for me, Blood Two!” Black Night Sect’s leader, Shebai Emperor, roared in anger. His body carried a terrifying aura, and a huge black python appeared behind him, as if it could devour the surrounding mountain range.

In fact, his body was much bigger than the White Dragon Clan’s Deputy Patriarch, Logan.

“Hmph, how can you hand over the Holy Maiden of my White Dragon Clan just because you want her to!”

Dragonwave said angrily. The White Dragon Clan had been suppressed by the Serpent Clan for quite some time, yet they actually came knocking on their door this time. He, Dragonwave, was the first to disagree.

“Hmph, you’re courting death!”

Hearing this, Shebai Emperor was furious. The huge black python behind him directly bit down on Logan!

Boom!

Logan’s White Dragon Soul Clone still wanted to block, but in terms of cultivation realm, it was one level lower than Shebai Emperor. In an instant, it was sent flying.

“Vice Clan Leader!”

“Damn it!”

“The Black Night Sect is going too far. It’s not a loss to kill one member of the White Dragon Clan, but it’s a profit to kill two.”

When the White Dragon Race saw that their leader, Logan, was seriously injured, their eyes widened. When had their White Dragon Race ever suffered such humiliation?

They were the dignified dragon clan, but now, they were going to be exterminated by the Jiao Python clan?

“Do you agree?”

“No!”

Countless White Dragon clansmen roared in unison.. Their voices shook the heavens as countless dragon shadows appeared in the void!

Chapter 194: Ancestor, Help!_i

“Kill them!”

Furious roars sounded one after another, deafening the deaf and shocking the heavens and earth!

The terrifying soundwave caused the small snakes crawling on the ground to explode, turning into a bloody mist.

“Hmph, Black Night Sect, kill!”

Shebai Emperor snorted coldly. As a flood dragon, its bloodline was lower than the dragon race. The flood dragon had to undergo the transformation lightning tribulation before it could become a true dragon.

However, now that the Dragon Clan had fallen, it was a good opportunity to destroy the White Dragon Clan and snatch the opportunity!

Countless white dragon phantoms circled in the air.

On the ground, countless Teng Jiao phantoms also rushed into the sky!

Blood splattered in the sky from this battle. Corpses were strewn all over the White Dragon Clan. There were corpses of White Dragons and Black Night Sect cultivators.

“Kill them!”

The Deputy Patriarch, Logan, who had been sent flying, also got up from the ground. Since this was a life-and-death battle for the White Dragon Clan, he could not care less. He burned his blood essence and trembled with Shebai Emperor.

Time passed by.

The entire White Dragon Clan had turned into a sea of blood. The sea of blood flowed and emitted a bloody smell.

Everyone who had fought to the point of madness had completely forgotten about themselves!

However...

The difference in strength caused the White Dragon Clan to be like reeds in front of the Black Night Sect cultivators, easily snapped.

“Damn it!”

“I hate it!”

Many White Dragon Clan cultivators were covered in wounds of all sizes and their white clothes were stained with blood.

They were thrown onto the square in front of them by the cultivators of Black Night Sect.

Shebai Emperor stepped on Logan’s head and stomped him under his feet.

“Hmph, where did Xiao Longnu go? Tell me honestly, or I’ll kill all of your White Dragon Clan!” Shebai Emperor’s expression was ferocious. After Snake Blood was killed, he had already lost his mind and fell into madness.

According to the news, Snake Blood spent his last days with Xiao Longnu of the Dragon Clan.

“Hmph, in your dreams! I, Logan, really hate you. Back then, the clan leader gave you so much kindness that you became what you are today, but you repaid kindness with ingratitude!”

“Despicable! Despicable! Shameless!”

Logan cursed angrily.

“Old thing, do you want to die?” Snake Emperor stepped on Logan’s head even harder.

“Tell me, or I’ll kill a hundred of your White Dragon clansmen every fifteen minutes!” She Baihuang waved his hand and pulled out a hundred White Dragon Clan cultivators.

Behind him, the Black Night Sect cultivator’s Serpent Soul Clone was waiting coldly, as if it could devour the White Dragon Clan cultivator at any time.

“You...” Logan was furious, but there was nothing he could do.

“Deputy Patriarch, don’t say it. If we die, we’ll only be insignificant to the Dragon Clan. The Holy Maiden is the hope of our White Dragon Clan!”

“That’s right. The future of the White Dragon Clan lies in the Saintess! If we die, so be it!”

“The White Dragon Clan will never be threatened!”

Even though the White Dragon Clan cultivators were only a little bit away from death, they were all hot-blooded and furious!

None of them surrendered!

None of them were afraid at this moment.

The Dragon Clan heard the shouts of the White Dragon Clan behind them. Even though they were stepped on by Shebai Emperor, they still let out hearty laughter.

“Hahaha, my White Dragon Clan is all good. There’s not a single coward!”

Logan laughed loudly, his face filled with joy. Even though his White Dragon Race had declined, his dignity as a dragon was still there!

“Attack!”

Hearing Logan’s laughter, Shebai Emperor’s gaze turned cold.

With a wave of his hand, hundreds of phantom flood pythons rushed towards the 100 White Dragon Clan cultivators and devoured them.

“Stop!”

Suddenly, a dragon’s roar sounded.

In the sky, two huge white dragons floated and instantly descended.

“Holy Maiden, why are you back?” The White Dragon Clan cultivator was shocked.

If he returned now, he would definitely die!

“Xiao Longnu, why are you back?”

“Hurry up and leave!”

Logan’s laughter stopped abruptly. Xiao Longnu was born with the White Dragon Divine Body. The purest White Dragon bloodline flowed in her body. She was the hope of the entire White Dragon Race!

“Vice Clan Leader, don’t worry. I’ve found an expert senior. He will help us.”Xiao Longnu explained as she looked at Daoist Big Sun.

The Great Sun Immortal looked at the phantoms in front of him. They were incomparably terrifying. His body could not help but tremble!

There was nothing he could do. He was only a Saint King. In front of these Deities of the Divine Realm, just their aura alone was enough to make him feel fear.

“Hehehe, him?”

“Hahaha, this is simply the biggest joke that I, Snake Emperor, have heard this year!” Shebai Emperor sneered and stared at the Great Sun Immortal with disdain.

A mere Saint King Realm, an ant from the lower realm!

How could he help the White Dragon Clan?

Unless there was a miracle!

“Xiao Longnu, let’s go. A mere Saint King from the lower realm can’t help our White Dragon Clan!”

“Long Ming, quickly take your junior sister and leave!” Long Bo roared,

However, Shebai Emperor sent him flying with a kick, and the huge serpent phantom behind him pounced at Xiao Longnu.

The flood serpent’s eyes were filled with terrifying killing intent!

“Not good!”

“It’s over! Once the Holy Maiden dies, our White Dragon Clan will definitely be destroyed!”

“Sigh, the heavens want to destroy our White Dragon Clan!”

All the White Dragon clansmen present were in complete despair. Even the deputy chief, Logan, was no match for the Snake Emperor. With Xiao Longnu, the two of them, and a Saint King, there was no chance of survival.

“You should have obediently become my son’s plaything, but you actually dared to kill him! Then prepare to die!”

Shebai Emperor said coldly,

The black Jiao Python opened its huge mouth and released waves of green poisonous gas. At the same time, its cold teeth revealed killing intent.

“Senior, please attack!”

Xiao Longnu cupped her fists respectfully and looked at Daoist Big Sun.

“Um... Alright!” The Great Sun Immortal nodded.

“Hehe, it’s already come to this, yet you still want to put on an act. You’re courting death.” Shebai Emperor sneered.

The huge black serpent phantom had already arrived in front of the three of them, only a foot away.

Compared to the huge body of the black Jiao Python, a distance of one foot was equivalent to nothing!

“It’s over.”

Logan closed his eyes in despair. There was really nothing he could do.

However, just as everyone thought that the black serpent was going to devour the three of them, the Great Sun Immortal took out the scroll from his ring and opened it!

“Whoosh!”

Instantly, an endless fire domain spread out, and flames whistled.

“Roar!” Endless flames wrapped around the black serpent’s body, making crackling sounds.

“What?”

Shebai Emperor was greatly alarmed. He felt an extremely terrifying flame aura directly pierce into his sea of consciousness, burning his divine essence!

“Ah!”

“Ancestor, save me!”

Shebai Emperor felt the threat of death and shouted in panic..

Chapter 195: The Great Battle Begins!

“Ancestor, save me!”

Snake Emperor’s voice pierced through gold and cracked stone as he shouted in the direction of Black Night Sect.

Then, a huge black handprint appeared in the void.

The huge black handprint enveloped the burning flames, wanting to use its huge power to completely extinguish the flames.

However...

The flames attached themselves to the black hand.

“What?”

A cry of alarm came from the void. Then, the space rippled like a ripple. In the next moment, an old man with white hair appeared. His face was filled with fear.

That was because the flames were burning on his body and could not be extinguished!

“Ancestor!”

When Shebai Emperor saw this scene, his face was filled with shock!

Even the old ancestor had no way to resist this kind of flame?

Just as he was in shock, the Black Night Sect’s ancestor in the sky was directly burned into ashes by the flames and dissipated in space.

Then, Shebai Emperor exploded in space.

“Ancestor, Sect Master!”

The Black Night Sect cultivators were shocked. Their ancestor and sect master were gone just like that?

“Run!”

The remaining cultivators were not fools. When they saw their ancestor and sect master being killed, they cried out in alarm and fled.

However...

The endless burning hell turned into countless fire spots and spread out in the space before them, shooting towards the Black Night Sect cultivators.

Whoosh! Whoosh! Whoosh! Whoosh!

The countless flames turned into a rain of fire, and the Black Night Sect cultivators had no way of escaping!

“Ah!”

Countless miserable screams rang out as the Black Night Sect cultivators who had originally returned to their original forms were charred into roasted snakes! It emitted a stench!

Pu, pu, pu!

Only the sound of flames dancing could be heard between heaven and earth.

Countless White Dragon clansmen were dumbfounded and stunned on the spot!

After a long while, the voice of the dragon finally rang out, “The Vice Patriarch of the White Dragon clan pays his respects to Senior!”

As Logan’s voice rang out, everyone in the White Dragon Clan looked at Daoist Big Sun. “Greetings, Senior!”

The next day.

Everything within the White Dragon Clan had been repaired. As for the bodies of the Black Night Sect cultivators, they were buried with them.

This was the cruelty of the cultivation world. No one knew which would come first, accident or tomorrow!

“Senior, I was blind before. Please forgive me!” Logan smiled awkwardly and apologized to the Great Sun Immortal.

“There’s no need. I’m just relying on the divine item that senior gave me.” The Great Sun Immortal said with a face full of shame. The person in front of him could kill him with a slap, but he still called him senior. This made him not know how to talk to him.

Then, he remembered that it was already the day of the battle between the Five Powers Alliance and the Four Symbol Regions. He hurriedly said, “I still have something important to do, so I’ll leave first.”

Logan saw that he couldn’t persuade her to stay, so he immediately gave Xiao Longnu a look.

Xiao Longnu nodded and transformed back into her white dragon form. “Senior, please come up. I’ll send you back.”

The Great Sun Immortal nodded and leaped onto the white dragon’s back.

Soon, the man and the dragon arrived at the spatial rift.

However, to their surprise, the spatial rift in front of them suddenly disappeared.

“What’s going on?”

Daoist Big Sun and Little Dragon Dragon were stunned.

The spatial rift from before had completely disappeared!

“He was still fine when he came. This...” The Great Sun Immortal was confused. The great battle was definitely about to begin. He couldn’t go back?

Tian Yuan Continent.

The war between the Five Party Alliance and the Four Symbols Region was about to break out, but the Great Sun Immortal didn’t rush over.

“This...” Xiao Changtian was stunned.

If the Great Sun Immortal wasn’t here, then what was the point of hammering?

“Is it too late for us to retreat now?” Xiao Changtian looked at Perfected Qing Yun in confusion.

“Senior, why are we retreating?” Perfected Qing Yun asked in confusion.

“Daoist Big Sun didn’t come. With just the few of us, how could we be a match for those Great Emperors?”

“To tell you the truth, the Immortal Da Yang is a peerless expert who hides in the mortal world!”

“Without him, we would not have been able to fight this battle. We would have lost without a doubt.”

Xiao Changtian said helplessly.

“This...”

Perfected Qing Yun was stunned. Senior, aren’t we invincible here? Which one of your disciples isn’t stronger than an ancient emperor?

However, Perfected Qing Yun did not say it out loud.

He thought for a moment and said in another way, "Senior, although Reverend Da Yang didn't come, Reverend Chi Yang did!"

"Perfected Chi Yang is the Great Sun Sect's old ancestor. I'm afraid that his true cultivation is far above that of Perfected Da Yang. Why don't we just let him be the temporary alliance leader?"

Xiao Changtian's eyes lit up, "That makes sense."

Reverend Chi Yang was the Great Sun Sect's ancestor, and he had only met him once.

Even though he had gone to the Great Sun Sect several times, he basically could not see Reverend Chi Yang's figure.

Usually, such a master would not like to be disturbed.

He did not expect that there were actually two peerless experts by his side!

Thinking of this, Xiao Changda's worried heart finally relaxed.

"Quickly go and invite Reverend Chi Yang!" Xiao Changtian said to Perfected Qing Yun.

"Yes."

After Perfected Qing Yun finished speaking, he hurriedly ran far away to look for Perfected Chi Yang.

"I can't, I can't. Don't do this!"

Reverend Chi Yang hurriedly refused. His current cultivation was only at the first level of the Tribulation Transcendence realm. In front of these big shots, he was nothing.

How could he dare to act as a hidden expert?

“Reverend Chi Yang, you’re just putting on an act for Senior. Senior has returned to his original state and has already reached a state of selflessness. You’re just putting on an act.”

Perfected Qing Yun persuaded.

“No, I can’t do it. If Senior finds out one day, won’t I be dead for sure?” Reverend Chi Yang hurriedly refused and took a few steps back.

“Hmph, it’s not up to you. If you don’t become a hidden expert, how are we going to beat up the Great Emperor today?” Perfected Qing Yun saw that the battle was about to break out, so he grabbed Reverend Chi Yang and brought him to Xiao Changtian.

“Reverend Chi Yang, you’re here! That’s great! Quickly lead everyone, I’ll beat the drums to cheer for you!” Xiao Changtian smiled.

Now that Reverend Chi Yang is here, everyone has a chance to win again!

He had to support it!

“This... Yes!”

However, facing Xiao Changtian, Chi Yang Zhenren couldn’t refuse. How could he refuse such a master?

“Everyone, listen to my order and prepare to attack!”

Reverend Chi Yang could only bite the bullet and give the order.

On the huge sea surface, the waves were rolling and the sound of waves could be heard!

The sea breeze blew past, and the atmosphere was somber!

Under the Heaven Queen's command, the ancient emperors also began to circulate their True Qi!

"Kill them!"

Chapter 196: The Seven Children on a Vine of Concealment

"Rumble!"

When the cultivators fought, their true essence exploded in the space.

Countless true essence lights shot into the sky. The terrifying power seemed to be able to move mountains and seas.

"How terrifying."

"Fortunately, I hid behind Reverend Chi Yang."

Xiao Changtian muttered. He saw a powerful warrior. With just a glance at the sea, a fat fish was suddenly blown up and turned into a bloody mist.

It was hard for him to imagine that with his Level 3 body, if he was hit, wouldn't he be reduced to pieces?

“Eh?”

Thinking of this, Xiao Changtian could not help but feel a chill down his spine.

In order to ease his embarrassment, Xiao Changtian felt that he had to pull himself together and cheer for the crowd.

“You two, pay attention to your safety. Don’t run around.” Xiao Changtian reminded Chu Yiren and Lin Ruomiao, who were beside him.

“Yes.”

The two girls nodded.

Xiao Changtian picked up the drumsticks and started to drum for the audience.

“Clang!”

“Clang!”

“Clang!”

The loud sound of ribs echoed across the sea and the battlefield.

“My power hasn’t regressed, hehe.” Xiao Changtian beat the drum and gradually entered a good state. He found his own feeling!

On the surface of the sea.

Initially, everyone was suppressed by the Great Emperors. Perfected Qing Yun and Lian Shenyin fought against a Great Emperor and were sent flying in an instant.

“Two noobs, you still dare to start a war with me? I’ll beat the sh * t out of you two!”

“Haha!”

The blue-haired emperor who had sent the two of them flying laughed maniacally. His face was filled with joy. To emperors, a ninth level Tribulation Transcendence cultivator was trash.

Elsewhere, Maniac Chu and his armored rhinoceros clashed with a demon emperor.

However, the Monster Emperor was an elephant.

The Monster Race Thearch transformed and sent the two of them flying with a slap of his nose.

Such a scene happened in every corner of the sea.

Even Daoist Xingyun and Monk Kong Xiang had fought to a draw against a Great Emperor.

However, to them, two against one could only tie. The other party was not an idiot. In an instant, another Great Emperor joined in and the two of them were sent flying.

The situation on the battlefield was one-sided.

It was Zhang Daolin who took out the gourd that Xiao Changtian had given him. The gourd appeared and floated in the sky. A black vine spread out from the gourd.

As the vines grew out, red, orange, yellow, green, cyan, blue, and purple...A seven-colored gourd suddenly grew out.

Those gourds began to crack, and children in vests fell out of the seven-colored gourds one by one.

The red gourd transformed into a hill and blocked all the attacks.

The other gourds stood on the shoulder of the big gourd. They were either attacking with flames, or attacking with boundless waves. They also appeared from behind...

“All!”

The demon emperor who had sent Maniac Chu and the armored rhinoceros flying was kicked away from behind by Sixth Baby!

“Are you going to beat the sh * t out of me?” The child in the yellow vest had already appeared behind the blue-haired emperor.

“Bang!”

Yellow Boy kicked the Great Emperor’s kidney, and the Great Emperor’s face turned purple.

Green Baby and Blue Baby stood on Chi Baby’s shoulders. One spat out boundless flames while the other shot out ice rain arrows!

“Left!”

“Right!”

Orange Baby stood on top of Chi Baby’s head, looking around and listening in all directions...

“F * ck, what the hell is this? That powerful?”

“Brother Daolin, what is this? It was actually such a powerful treasure. How rare!”

“Awesome! Can you give me one?”

“Brother Daolin, I liked you back then. Look at this gourd of yours. It’s big and round, like it’s your treasure. Can you share it with me tonight?”

All the experts looked at the gourd in Zhang Daolin’s hand enviously. It was too awesome.

With this gourd in hand, he could fight against thousands of soldiers!

“Cough cough, it’s just a small item that senior gave me. It’s just so-so.”Zhang Daolin said with a smile.

“A gift from Senior?”

When the others heard this, their eyes lit up.

In the East Victory Continent, Senior had once given them a painting.

“Can those paintings be used?”

A sect leader said.

“That’s right. Why didn’t we think of that? Since the item that Senior gave us can help us break through, it must have the same effect.”

As he spoke, the sect leader took out the “ Solitary Cold River Fishing Map ” that Xiao Changtian had given him!

As soon as the painting appeared, the entire sea turned white.

On a boat, an old man in a straw hat was sitting quietly with a fishing rod in his hand.

Suddenly, the old man opened his eyes and laughed. 'The fish has taken the bait!'

With that, he swung the fishing rod in his hand, and the fishing line turned into sword shadows that filled the sky.

Whoosh! Whoosh! Whoosh! Whoosh!

Streaks of sword qi filled the entire space. Dozens of Great Emperors who could not dodge in time were directly splattered with blood and flesh under the sword qi, and they were heavily injured!

"F * ck, that's so fun. I'll come too!"

The experts who were passing the tribulation took out the paintings that Xiao Changtian had given them. In an instant, all kinds of strange phenomena appeared in the entire space.

A carefree sword immortal who could kill a person every ten steps, a brilliant White Jade City that suppressed everything, and a beautiful dancer walked out...

It was called light pollution. The perspective was so blurry that even the author could not see clearly and the readers could only imagine it themselves!

Those Great Emperors could only retreat in front of these phenomena.

Tang Ritian felt his heart itch. The senior gave him an "aphrodisiac pill" but did not give him a painting. After the battle, he must ask the senior for a painting.

The battle was still going on. The slaughter shook the sky, but only Xiao Changtian's side could be heard.

"It seems that my drums are beating very well, boosting morale." Xiao Changtian nodded in satisfaction. The music skill that was enhanced by the system was indeed good.

Xiao Changtian didn't even turn his head back and knocked even harder.

Clang! Clang!

The melodious and heavy drumbeats resounded across the entire sea.

The melody melded with the sounds of battle on the battlefield. It was as if golden spears and iron horses had appeared in everyone's minds, and their blood surged.

Even the Lightning Evasion Realm in his dantian seemed to be torn apart by his hot blood!

In an instant, countless ninth level Tribulation Transcenders sat down in the void.

The moment they sat down cross-legged, the dark clouds in the sky churned and thunder rumbled.. Hundreds of lightning bolts turned into a sea of lightning and fell down in an uncountable number, as if they wanted to kill all of them!

Chapter 197: Descent of the Skeleton God (1)

"Rumble!"

The terrifying lightning tribulation exploded in the void and fell directly.

“F * ck, my goodness, what kind of formation is this? Why is it even more terrifying than my Heavenly Emperor Lightning Tribulation?”

“Run!”

“Damn it, it’s fine if they cheat one by one, but now they’ve even broken through. Are they going to let the Martial Monarch Realm experts live?”

Countless Great Emperors retreated frantically.

Only the blue-haired man was pushed out by the crowd in shock.

“Get out. A great emperor actually sprinkled these filthy things in the air. He’s simply heartless!”

“So, so, so, I don’t want to either!”The blue-haired emperor’s face was full of tears. He had been beaten up, he hadn’t done it on purpose...

As the lightning tribulation descended, all kinds of phenomena were retracted!

The thunderbolts fell on the Sect Leader of the Heavenly Sun Sect and the others wantonly, knocking them down to the bottom of the sea!

Even the lightning was still roaring on the surface of the sea.

As for Xiao Changtian, he was completely immersed in the beating of the drum, unable to extricate himself.

In the Divine World.

The name of Flower fruit Mountain had already become completely resounding.

There was no other reason. The monkey was bored and brought a group of little monkeys to a Divine Lord's palace to cause a ruckus. They tore down the entire Divine Lord's palace!

In an instant, the Flowerfruit Mountain demon became the number one demon of the Senluo Immortal Continent!

Countless demons came to surrender!

"Monkey King, you're so powerful! That's Divine Lord Yuan Yang! He cultivates the Laws of Yuan Yang!"

"Monkey King, we will call you our king in the future!"

"Great King!"

"Great King!"

Shouts sounded one after another as the monkey nodded in satisfaction.

"Call me Monkey King in the future, don't call me King!"

"I'm much more handsome than that ugly turtle!"

Monkey muttered as he lay on his seat. He calculated the time and suddenly jumped up. With a terrified expression, he lowered his head anxiously and scratched his head!

It had been two days.

From the lower realm to the upper realm, during this period of time, Master should have already discovered that he was gone.

“Oh no, I’m not as tough as the ugly turtle. What if I get beaten to death by my master?” The monkey’s face revealed an anxious expression.

“Great King, what’s wrong?”

A Redtail Bottleneck Monkey walked over and asked.

“I have something important to do, so I’m leaving first. You guys have fun. I’ll come back to see you in two days.” Monkey scratched his head. He had to hurry back now. Otherwise, when his master lost his temper, there would always be an extremely terrifying pressure that made him extremely afraid.

He wasn’t as tough as the old dirty turtle.

With that said, Monkey’s figure flashed and instantly disappeared.

In the next moment, he appeared where the Great Sun Immortal was.

“What monkey demon?”

Xiao Longnu was stunned. She instantly released her aura to suppress the monkey.

“Tsk!”

The monkey was instantly enraged and bared his teeth. A mere junior wanted to release his aura at him?

“Ah!” Xiao Longnu’s aura was instantly shattered by the monkey. She was so frightened that she fell to the ground. In her sea of consciousness, a huge monkey appeared behind her. It walked out of the Primordial Chaos...

That aura was not the slightest bit inferior to that of the Golden Dragon!

“Senior Divine Monkey, this is the person senior sent me to help. Please don’t kill her.”

The Great Sun Immortal hurriedly stopped him.

“Master?”

Monkey was slightly taken aback before nodding. He could indeed sense a familiar aura from Xiao Longnu’s body. It was his master’s scent.

Only then did he retract his aura.

Xiao Longnu only felt the pressure on her decrease when she sensed the disappearance of Monkey’s aura. She began to breathe freely again.

In that instant, Xiao Longnu felt as if she was on the verge of death tens of thousands of times. Her clothes were drenched in cold sweat.

“Alright, all of you, step aside.”

Monkey said impatiently as he took out the silver needle from his ear again.

Then, he caressed the silver needle. The silver needle seemed to have a reaction. It grew bigger, longer, and thicker...

“Stab it in!”

Monkey said to the big stick and stabbed it towards the void of the lower realm.

“Bang!”

In an instant, it pierced open the world rift in the lower realm.

“Boom!” As the laws were restored, the lightning of heavenly tribulation appeared again.

“You dare to block this Monkey King?” Monkey said disdainfully. With a slap, he sent those laws flying.

“Let’s go back.”

Monkey directly brought along Daoist Da Yang and instantly flew into the lower realm.

“If you meet Master later, tell him that you like raising monkeys, so you brought me out. Do you hear me?” Monkey had an idea and said to Daoist Big Sun.

“Yes, yes, yes!”

The Great Sun Immortal hurriedly nodded.

“At least you’re sensible. When we go back, I’ll give you a few strands of my hair. I guarantee that you’ll be able to tide over any crisis you encounter.” Monkey vowed.

The two of them quickly flew up to the surface of the sea.

On the ruins of the Yuan Yang Grand Hall, the Yuan Yang Divine Lord, who was in seclusion, was completely furious. His grand hall was destroyed by a group of monkeys?

This was really preposterous!

“These damn monkeys, do you really think I’m a sick cat if I don’t show my power?” Divine Lord Yuan Yang was furious.

Although he was born from the tiger race and had transformed into a human, the bloodline talent of the tiger race made him incomparably powerful. In the entire Senluo Immortal Continent, he had few opponents.

“You, go and destroy that group of monkeys. Capture the leading monkey alive. I want to roast him into jerky!”

“No, I want to make it into meat mushrooms!”

Divine Lord Yuan Yang said coldly, his killing intent overflowing. A servant beside him could not help but tremble.

“Yes, sir!”

He hurriedly flew out and immediately headed for Flowerfruit Mountain.

“Demonic beast, die!”

As expected of the number one subordinate of the original Yang God Lord. The appearance of the Heaven Flipping Seal instantly enveloped the entire Flowerfruit Mountain!

At the foot of the Flowerfruit Mountain, the Redtail Monkey was the first to recognize this person.

“Not good, he is the number one general under Yuan Yang Divine Lord, Li Wushuang!”

” We are not opponents!”

Under the Heaven Flipping Seal, some demons died directly and turned into a bloody mist that exploded in space.

“Advisor Jun, quickly think of a way. The Monkey King isn’t here, so we can’t beat him.”

Six-Eared Macaque scratched his head anxiously.

“This, we can only go and find the Monkey King now. Only he can save us!” The Redtail Bottomed Monkey’s face revealed an anxious expression. This was the only solution he could think of at the moment.

“I think I’ve heard the Monkey King say that he’s on the Tian Yuan Continent. He flew in that direction when he left.” Six-Eared Macaque said.

“Let’s go!” The Redtail Bottomed Monkey immediately brought the Monkey Clan along and started running.

On the other side, the skull-masked man saw that it was about time. The experts on Xiao Changtian’s side had all been knocked down by the sponge. It was time to summon the Skeleton God to the lower realm.

“Oh? You can go down now?” The Skeleton God’s voice sounded..

Chapter 198: Thirty-Six Stratagems, Escape Is the Bestli

In the Divine World.

The Skeleton Divine Lord sat high up in the foggy hall. A black skull floated beside him, and its empty eyes flickered with a red light.

“This time, 1’11 definitely become a Godly King in the lower realm!”

“In the future, my Skeleton Divine Realm will also be able to obtain a place in the Divine Realm.”

The Skeleton Divine Lord was overjoyed, and his face was filled with madness.

He had absorbed the fate of the Tian Yuan Continent once before, helping him advance from a Hierarch to a God Monarch.

Although absorbing the fate of the lower realm to increase one’s realm was despised by people in the Divine World, as long as he did not say it, who would know?

The Skeleton Divine Lord stood up from his cultivation. The skull beside him flew into the Skeleton Temple. A huge abyss suddenly appeared. The Skeleton Divine Lord leaped into the abyss.

In the next moment, the sea between the Five Regions and Four Symbol

Regions on the Tian Yuan Continent churned. The sky dimmed as a huge skull suddenly appeared out of nowhere.

Space began to distort, and the world turned blood-red!

“What’s that?”

“Why do 1 feel like this aura is familiar?”

“What a terrifying aura!”

The group of Great Emperors looked at the skull in the sky with solemn expressions.

The Skeleton Divine Lord gave them too much pressure. Some Great Emperors even prostrated themselves on the ground.

On the surface of the ocean, the rumbling thunder continued to roar, forming a sea of thunder that descended from the sky, separating the two large domains on the surface of the ocean.

[Why aren't you fighting?]

Intoxicated by the drumbeats, Changtian felt that something was wrong.

It seemed that only the sound of thunder was left now. The sound of battle seemed to have died down long ago.

Xiao Changtian put down the drumstick in his hand in confusion. He stopped beating the drum and turned his head.

"F * ck!"

"What kind of monster is this? Where are Perfected Qing Yun and the others?" Xiao Changtian looked at the two hundred lightning bolts in front of him with confusion.

There was a huge skull floating in the air. Xiao Changtian was stunned.

"This, could it be some old monster summoned by the other party?"

Xiao Changtian looked at the Great Sun Immortal, wanting to hear his reply.

"This... I don't know. It seems to have come down from above." Reverend Chi Yang said in confusion.

Before this skull descended to the lower realm, a world rift seemed to have appeared in the void.

“Above?”

Xiao Changtian frowned.

If it came down from above, wouldn't that be the Divine Realm? When they were chatting previously, he had heard the Great Sun Immortal mention it and even asked him about the Divine World.

Xiao Changtian was very confused at that time. He was only a mortal, could he ascend to the heavens?

How would he know what the Divine Realm was like?

However, he now understood that the Holy Land had long known about this day because of the Great Sun Immortal. The people of the Immortal Realm would descend to the Lower Realm.

“Could it be that the Great Sun Immortal also came from the Divine Realm?”

“It's possible!”

Xiao Changtian thought in his heart and felt that it was more and more possible.

Otherwise, why would a reclusive expert, a peerless mighty figure, establish a small sect in a remote town?

Could it be that he had been deceived?

Impossible!

For such an expert, unless he was lying to himself, or he had encountered an incomparably powerful existence that forced him to retreat.

“That’s why the Immortal Da Yang didn’t show up at this time? To avoid the people of the Divine Realm? To prevent being recognized?”

“That must be it!”

The more Xiao Changtian thought about it, the more he felt that it made sense. It was so logical that he couldn’t find any loopholes.

“Then what should we do now?” Xiao Changtian muttered in his heart.

Reverend Chi Yang was an old ancestor of the Great Yang Sect, but he was still here and did not avoid the people of the Divine Realm. This meant that Reverend Chi Yang was not from the Divine Realm.

It was very likely that they were from the Tian Yuan Continent!

Previously, he was managed by the Great Sun Immortal, so he was in seclusion and was happy to be at ease?

In other words, Reverend Chi Yang was not a reclusive expert.

It was over.

They were all experts from the Tian Yuan Continent, but they were only strong in the lower realm.

He was someone who had read thousands of novels. How could he not know that in the eyes of the immortal cultivators of the upper realm, the people of the lower realm were like ants that could be easily destroyed?

“No way, take the disciples and leave first.”

Xiao Changtian calmed down. Although he still had many good friends here, he would be courting death if he stayed here.

He was just an ordinary mortal. How could he not be destroyed by that skeleton's attack?

Let's go!

He had to leave!

Hurry up and leave!

Out of the 36 strategies, escape was the best!

As long as there was life, there was hope. Retreating now was just to revive everyone once he became invincible in the future.

Only by living could there be hope!

Xiao Changtian consoled himself in his heart. Then, he took advantage of the lightning and thunder to bring Su Daji, Lin Ruomiao, a few disciples, and Chi Yang Zhenren away quietly.

"Reverend Chi Yang, hurry, hurry up! Hurry up!"

Xiao Changtian and his disciples were secretly taken away by Reverend Chi Yang.

"Yes." Although Reverend Chi Yang didn't know what Senior was going to do, he still used all the true essence in his body and quickly came to the front of the array to escape.

"Humph, a few ants."

High up in the sky, the Skeleton God did not stop them. In his opinion, a few mortals and an immortal cultivator were just like ants. They were not worthy of his attention at all.

Seeing Xiao Changtian leave, the Skeleton God looked at the black-robed figure in front of the Door of Antiquity.

“Has the formation been set up?”

The Skeleton God walked down from the skull and walked towards the group of Great Emperors.

Wherever he passed by, the Great Emperors fell one after another.

“How could that be?”

“What happened?”

Those Great Emperors fell to the ground in an instant. They instantly felt some mysterious power being extracted from their bodies. At the instant it was extracted, they felt their bodies empty as if they had been hollowed out. It was extremely difficult for them to even stand!

“Hmph, I let you people stay back then, but you dare to take them back today.”

The Skeleton Divine Lord sneered as his aura grew stronger and stronger!

In fact, a halo began to condense above his head.

The halo was extremely dim, but it emitted a mysterious aura.

“Hmph, you ants. Although you stand at the peak of this world, your luck is too little.”

The Skeleton Divine Lord walked over step by step. The aura around him was cold and majestic, making people afraid to touch him!

Soon, they arrived in front of the Door of Antiquity.

“Greetings, Divine Lord!”

Heaven Queen, Demon Emperor, and Demon Emperor knelt down.

“Hmm?” The Skeleton God raised his eyebrows.

The luck of these three ants was slightly stronger. However, they had nothing to do with him. Even if they begged for mercy now, he could not let them go. He immediately raised his hand and was about to take away their luck..

Chapter 199: Skeleton God, Please Die!_i

“Divine Lord, please be slow!

“The Heaven Covering Array still needs the cooperation of these three people!”

A man wearing a skull mask walked over and said.

“Then I’ll spare your lives for the time being!” The Skeleton God said disdainfully.

Then, he looked at the skull-masked man and said,”” As long as I become a God King and help you revive your wife, it’s not difficult at all!”

“Yes, the Heaven Covering Array is here. Divine Lord, please follow me.”

the masked man said.

The five of them walked into the Door of Antiquity. In the depths of the Door of Antiquity was a seven-colored river. It was dense and dreamy, and it looked extremely beautiful and dreamy!

However, just by approaching the seven-colored river, the yellow halo above the Skeleton Divine Lord’s head became extremely obvious, as if it could be filled at any time.

“Hahaha, back then, those fools thought that by sealing themselves, they would not have to suffer the calamity of the Fallen Emperor Era. Little did they know that they were only nurturing the river of fate for me!”

“Let’s activate the Heaven Covering Array now!”

The Skeleton God said coldly with a greedy expression.

The Heaven Shadowing Formation could block the heavens. Once it was activated, it could completely block the presence of the Tian Yuan Continent. This way, the divine realm would not notice that he had devoured the fate of this world!

“Yes.”

The man wearing the skull mask nodded and glanced at the three of them. The four of them stood in front of the river of providence. Each of them absorbed a portion of providence and added it to themselves.

Then, the man in black took out a skull from his ring.

Following the appearance of the skull, the four of them each injected a stream of power into it. Following that, boundless black qi spread out.

With the Door of Antiquity as the center, the monstrous black gas expanded endlessly.

In just a few breaths.

The sky that was originally clear and bright like the blazing sun was instantly covered in darkness!

“What happened?”

“Why is the sky so dark?”

“Where did the sun go?”

Countless ordinary people on the continent panicked when they saw the sky suddenly darken.

In the forest, countless beasts roared. In the ocean, the schools of fish floated to the surface one by one, revealing their white bellies. They were completely dead.

“Hahaha, once the Heaven Covering Formation is fully activated, I can devour the fate of this realm without worry!”

The Skeleton Divine Lord laughed and sat down cross-legged. He began to absorb the seven-colored River of Fate!

“Buzz!”

The River of Providence trembled as the rainbow light was devoured by the Skeleton Divine Lord.

The skull-masked man, Demon Emperor, and the others stood around the Skeleton God.

The Skeleton Divine Lord began to close his eyes and devour the providence seriously. The halo above his head became brighter and more dazzling!

“The four of you will protect me. When I break through to the God King Realm, I will bring you to the Immortal World!” The Skeleton God said coldly.

“Yes, Divine Lord!”

The skeletal man agreed, but the black shadow in his palm disappeared quietly.

Then, the rusty iron sword slashed at the river of providence in front of him.

“Boom!”

In an instant, the river of providence was cut into two!

The Skeleton Divine Lord was originally still absorbing the power of providence, but he suddenly stopped absorbing it. He suffered a backlash and spat out a mouthful of blood as his aura weakened!

“Damned thing, what are you doing?”

The Skeleton Divine Lord’s face was filled with fury. He turned around and slapped the black-robed man.

However...

The black-robed man’s figure turned into a ghost and he instantly dodged.

“Hehe, since you’ve come to the lower realm, the Heaven Covering Array has also been set up. Now that we’ve killed you, no one above will know!”

“Don’t you agree, Skeleton?”

The black-robed man tore off the mask on his face and revealed his true appearance.

It was a face that had nothing on it.

There was only a blur.

It had no nose, mouth, eyebrows, or eyes. It was bald, but there were wrinkles all over it.

It looked as if it had been burned out by a huge fire. It was extremely terrifying.

“Hmph, ant, what do you want to do?”

The Skeleton Divine Lord stared coldly at the person in front of him. His face was filled with disdain and anger. A mere ant actually dared to carry him!

He was a Divine Lord, so naturally, he could not tolerate it!

“Hehe, betrayal. You make it sound like I’ve been loyal to you. From the beginning to the end, you’ve always been my enemy!”

The black-robed man held the rusty short sword in his hand. His tone was calm, but his tone was so calm that it was terrifying. It made people feel that if he erupted in the next moment, he would have the power of furious thunder from the nine heavens!

“You’re courting death!”

The Skeleton Divine Lord sneered and communicated with his Divine Sense.

However, after a long time, there was no reaction.

“Are you looking for your spiritual will?” At this moment, a black shadow floated out and wrapped around the black-robed man.

In her hand, the wisp of black spiritual will was completely trapped by the chains formed by the seven-colored light of providence.

“You! Don’t you want to resurrect your wife? In this world, other than this Divine Lord, no one can help you!”

The Skeleton God stared at the man and asked in confusion.

“Hehe, will you help me save my wife?” The Skeleton Divine Lord asked in an extremely calm tone.

He then stared at the Skeleton God and said, “You’re a high and mighty Divine Lord, and you’re only using me temporarily. You’re not that kind.”

“However, if I kill you, I’ll replace you as the Skeleton God and head to the Divine World. It’s only a matter of time before I revive my wife!”

“Besides, you were the one who caused countless Emperors to die and the tragedy of the Tian Yuan Continent!”

“Without you, my wife would not have become a wisp of her soul!”

“Without you, my Ten Mile Sword would not have broken!”

“Without you, I would still be that Ten Miles Sword God from back then!”

“All of this is because of you high and mighty gods! In order to break through, you want to destroy a world. How can we agree?”

“You must pay the price today!”

Although the skeleton man’s face was devoid of any facial features and no expression could be seen, he slowly raised the short sword in his hand. A chilling killing intent seeped out of his body!

The Heaven Queen, Demon Emperor, and Demon Emperor beside him also erupted with powerful auras!

The aura around him and the four terrifying auras caused the entire world to tremble.

“Hehe, what a joke. You four ants want to kill me?”

“How dare ants shake the heavens!”

The Skeleton God was furious.

In an instant, the huge skeleton phantom in the sky flew down. The huge blood-red skull gave off a terrifying aura as it flew towards the four of them!

He was a Divine Lord!

Betrayed by a few ants?

However, just as the skull landed, it charged straight at the Skeleton God..

Chapter 200: We’re the reinforcements designated by

Senior Monkey!_i

“What?”

The Skeleton Divine Lord was shocked. The skull was a clone of his, but it was flying towards him!

“Bang!”

The huge skull collided with the Skeleton God!

The terrifying power sent the Skeleton God flying.

“Hmph hmph, you tried to control me with your spiritual will, but how did you know that I’ve already sided with other Divine Lords behind my back?”

“Kill you, then replace you, and worship the entire Skeleton Celestial Realm!”

“As for your spiritual will, it has long since backfired, and you still don’t know it.”

The black-robed man sneered. A red light was attached to his black divine sense.

That was the work of God Lord Hong Yun from the Divinity!

“You! Damn it!”

The Skeleton Divine Lord was furious. Not only had he been betrayed, but he had also been schemed against!

He was furious!

In an instant, the Skeleton Divine Lord burned his blood essence and slapped his chest. Blood flew out of his heart and burned.

In an instant, his aura rose and directly reached the peak.

“Kacha!”

With a crisp cracking sound, the huge skull was crushed by the Skeleton God.

In an instant, he arrived in front of Ten Miles Sword God.

“Ant, die!”

The Skeleton Divine Lord was furious. He slapped his claw at the person in front of him. He wanted to crush the person who betrayed him into dust!

However...

All of a sudden, the entire space within the ancient era changed and transformed into a huge battlefield.

On the battlefield, a huge red cloud floated and filled the entire space.

” Red Cloud Formation Disk?!”

Sir God Skeleton’s expression changed slightly. The formation disk before him was a magic treasure of Immortal Lord Hongyun, which could create a unique world of rules.

“Damn it, this old fellow actually schemed against me!”

The Skeleton Divine Lord said angrily. Even though he was a Divine Lord, he was still suppressed by the lower realm’s laws.

In the Divine World, cultivation was also divided into levels.

Starting from the Low Level Deities, there were the Middle Level Deities, High Level Deities, Gods, Revered Gods, God Monarchs, God Kings, God Emperors, and God Emperors!

A Supreme God Realm expert was a powerful existence who could establish a sect in the Divine World.

A Divine Lord was in charge of an immortal continent and had a supreme status.

As for the Godkings, there were 3,000 domains in the God Domain, and each domain was divided into 3,000 immortal continents. These were all controlled by the Godkings.

That was why the Skeleton Divine Lord was so crazy that he wanted to devour the fate of the lower realm, wanting to advance from a Supreme God to a Divine King.

However, he was restricted by the laws of the Tian Yuan Continent and the red cloud disk formation. The strength he could use was only at the Mid Level Deity level.

“Hehe, Skeleton, today is the day you die!”

Sword God Ten Miles laughed loudly.

A shocking sword intent erupted from the rusty short sword in his hand. The sword intent shot into the sky and emitted a circle of red light. The light was extremely dangerous.

In the next moment.

“Psst!”

The sword pierced through the Skeleton God!

“You!”

The Skeleton God stared at the power of Immortal Lord Hongyun on the broken sword and died with grievances!

Although the skeletal God had died, the providence of the Tian Yuan Continent had dissipated and returned to the river of providence.

As for the power in the Skeleton Divine Lord’s body, it was completely absorbed by the Ten Miles Sword God as a spirit meridian for cultivation!

At the same time.

Suddenly, the surface of the sea fluctuated.

Afterimages seemed to appear in space, but they didn’t appear. The two shadows seemed to have appeared out of thin air.

“Eh? Where’s Master? Why were only these few people breaking through?”

Monkey carried Daoist Da Yang with one hand as he stood on the surface of the sea and looked down at the sea with a puzzled expression.

“Senior, should we go out first? This was too dangerous. The Great Sun Immortal was being carried and did not dare to move.

Any one of these heavenly lightning bolts could smash him into pieces.

“What are you afraid of? With me around, you won’t be struck by lightning.” Monkey said disdainfully.

Then, he shook his head and scattered a handful of monkey fur to the people under the sea before leaving again.

His most important task now was to find his master as soon as possible.

Not long after the monkey left, a demon army led by a Redtail Bottomed Monkey quickly appeared.

“Late?”

The Monkey King just left!

“Let’s hurry up and follow!”

The Redtail Bottleneck Monkey narrowed its eyes and sniffed the space. Then, it brought the group of monkey demons and left instantly.

“Boom!”

Less than a second after the Monkey Clan had left, Li Wushuang, who was chasing them, appeared.

“Just who is it that can open a rift between the Tian Yuan Continent and the Senluo Immortal Continent?”

“Even a Godking would have to pay a hefty price for such a method, right?”

Just as Li Wushuang was wondering, a bolt of lightning suddenly struck toward her.

“Psst!”

A bolt of lightning suddenly struck his shoulder.

“Hmm? A mere heavenly lightning from the lower realm dared to be impudent?”

Li Wushuang frowned. He didn’t care about the things in the lower realm.

Then, he gently swung his palm out. The moment he swung it out, an indescribable force flew out.

“Continue chasing after the monkey.”

Li Wushuang said with a smile as she flew up into the air again.

However...

Before he could fly far, the power he swung out was directly annihilated by the heavenly lightning!

“Boom!”

The heavenly lightning struck him directly, sending him from the void into the sea.

“Bah!”

Li Wushuang flew into a rage and flew up from the sea. The seawater around her was instantly dried up!

However, due to the lightning strikes, his face was charred black, and every strand of his hair stood up vertically.

“Damn it, the heavenly lightning of the lower realm dares to strike me?”

“If you have the guts, try striking your grandfather again.”

Li Wushuang was furious. She pointed at the lightning bolt with her right index finger.

He did not believe that as a dignified Supreme God Realm expert, these heavenly lightning bolts were actually not intimidated by the nomological aura around his body!

However, at the next moment.

“Boom!”

Another bolt of lightning struck.

As this bolt of lightning appeared, the remaining bolts of lightning followed suit.

“Pa!”

Pa!”

Pa!”

Hundreds of lightning bolts came one after another and pressed Li Wushuang under the water.

“Puff!”

Li Wushuang had just been blasted down, and she had just used all the True Qi in her body to pop her head out of the sea when she was struck down by the next lightning bolt!

He struggled, but he could only poke his head out!

His head bobbed up and down on the sea.

After a total of 200 times, the lightning disappeared, and he flew out of the sea.

“Damn it, I, a dignified Supreme God Realm expert, was actually humiliated like this!” Li Wushuang roared furiously.

However, those heavenly lightning bolts had already disappeared.

“Hmph, I’m going to kill those monkeys to vent my anger!”

Li Wushuang couldn’t take revenge on the heavenly lightning, so she chose the monkey demons.

However, just as he was about to chase after the monkey demon from before, powerful auras suddenly flew out from under the sea!

Among them, Zhang Daolin was the leader. He said directly,

“Senior Monkey asked us to be the reinforcements of the Monkey Demon Clan.. Where do you want to go?”
