Chapter 231: Brother Wushuang ~ Let me bandage it for you!\_i

“What is it?”

Wang Luoying frowned and looked in the direction of Wang Tianbao.

“A dog that can play chess? So cute!” Wang Luoying couldn’t help but say in surprise.

“Don’t talk nonsense!”

Wang Tianbao was shocked. He hurriedly bowed to Alpha and apologized.

“Senior, I’m sorry. She can’t speak. Please don’t be angry!”

Wang Tianbao hurriedly apologized. Cold sweat trickled down his forehead. He was indeed scared silly by Wang Luoying’s words.

The person in front of him was a divine dog!

“Tianbao, what are you doing? Why did you suddenly apologize to the puppy?”

Wang Luoying could not help but ask curiously.

“Luoying, stop talking. This is Senior Divine Hound. You can’t be impudent in front of Senior.” Wang Tianbao hurriedly reminded.

“Divine Hound?”

Wang Luoying frowned and looked at Wang Tianbao in confusion. Then she looked at Alpha lying on the ground and shook her head.

At this moment, Elder Zhuyi walked over with three shovels. “Follow me to dust!”

Elder Zhuyi brought the three of them to the backyard.

In the courtyard.

The golden arowana was leisurely diving, the pony was hiding in some grass, and Alpha was scratching his head, staring at the chessboard in a daze.

Phoenix remained motionless in the chicken coop!

The white tiger was on the roof, enjoying the sunlight!

“Sigh, why did Senior go to sleep again? I still wanted to chat with Senior.”

Chu Yiren walked out, holding the pastries she had learned from Mu Jiuhuang, ready to let Xiao Changtian try them.

Unfortunately, Xiao Changtian went back to his room to sleep.

Chu Yiren sat alone on the stone bench, looking up at the sky. She rested her chin on her hands, her face filled with the sorrow of a young girl...

In the Great Sun Sect.

A huge Black Tortoise Dharma Idol was as high as the sky, and endless seawater poured down from its body. Its aura was terrifying!

A monkey walked out from the Primordial Chaos with a huge Godly metal in his hand. He looked majestic and dignified!

The two of them were staring at each other.

“Damn turtle, do you know first come first serve? I was the one who went to find Daoist Master Da Yang first!”

Monkey said angrily as he stabbed the Heaven Raising Rod in his hand at Black Tortoise.

“Hmph, so what if you came first? When did the three of us not go out together, but Master only hit me? Daoist Big Sun must come with me!”

The Black Tortoise retorted, and the boundless seawater around it enveloped the big stick.

“Bang!”

The two extreme forces collided in space, causing the space to tremble.

Fatty Rongrong directly hugged Great Sun Zhenren, shivering to the side.

Daoist Da Yang’s face turned red from being hugged, and he found it hard to breathe!

Perfected Zhongxian and the others had already led the disciples of Great Sun Sect away.

The Black Tortoise and the monkey were fighting. Even the aftershock could completely tear the space apart. How could they dare to stay?

“Daoist Big Sun, tell me, who are you going with?”

The Black Tortoise stretched out its turtle head and looked at the Great Sun Immortal.

“You choose!”

Monkey snorted coldly and said coldly.

H j H

Big Sun Zhenren was being hugged by Fatty Rongrong, he couldn't even breathe, how could he still speak?

“Hmph, damn turtle, you still dare to threaten me? I've long disliked you. I'll stab you to death!”

Monkey held the large metal rod with both hands and stroked it. The object in his hand began to grow larger and larger, directly breaking through the Black Tortoise's seawater as if it had penetrated a thin membrane and stabbed towards the Black Tortoise's head.

“Bump!”

“Damn monkey, are you serious?”

“This Sea King won't stand on ceremony with you!”

Seeing that Monkey was about to stab him with the metal rod, Black Tortoise stuck its head and four legs into the turtle shell and crashed into Monkey.

Clang! Clang!

The loud sound was like a great bell, and the entire Dayang Town was enveloped in this sound.

It was incomparably shocking!

Fatty Rongrong and Great Sun Zhenren hugged even tighter, directly shrinking into two balls, squatting in a corner.

On a snowy plateau, Li Wushuang was covered in blood and her face was pale. There was only a bonfire beside her!

The light from the bonfire highlighted his pale face, proving that he was extremely weak.

“Damn it!”

“Damn it!”

“Damn it, I actually became a loner again!”

Li Wushuang cursed. He had no choice but to return to the Divine World and hide in a barren land. The cold wind outside the cave was enough to freeze him to death.

The environment here was too harsh!

However, in order to survive, there was no other way.

“I can’t rely on anyone. Relying on the heavens and the earth is never as good as relying on myself. If I had the cultivation of a God King, I would go and rule the Divine World now!”

Li Wushuang gritted her teeth and cursed. However, the pain from her body made her face even paler and her aura weaker.

“Sigh!”

Li Wushuang sighed helplessly and turned to look at the purple-robed woman.

That night, he had been fleeing for his life on the Tian Yuan Continent when he had passed by a small, dilapidated temple.

In the small temple, the woman was pestered by a few hooligans. She beat them away, and the woman had no way to repay them. She gave herself to them. That night...

“Wonderful!”

Li Wushuang narrowed her eyes as she thought about what happened that night.

The two large snowy mountains were uneven, and the soft murmuring sounds...It left him with an endless aftertaste.

Just as he was sighing with emotion, the purple-robed woman woke up.

“Brother Wushuang, where are we?”

The woman said in a coquettish voice. She pretended to be dizzy and leaned on Li Wushuang’s shoulder like a little bird.

“All!”

Feeling the woman's aura, Peerless Li felt a surge of impulse throughout his body.

"Yan 'er, we're in the Divine World. We've returned to the Divine World." Li Wushuang said with a smile.

"Divine World? Brother Wushuang is so awesome!

Nalan Yan smiled charmingly at the side, causing Li Wushuang to be filled with smiles.

"But Brother Wushuang, why are we in the cave? It's so cold!" As he spoke, he burrowed into Li Wushuang's arms.

"Heh heh, Yan 'er, this is just a temporary measure, don't worry, I'll take you out.'" Li Wushuang said.

"Alright, I believe in Brother Wushuang!"

Nalan Yan snuggled into Li Wushuang's embrace as she spoke softly. However, what Li Wushuang didn't notice was that in the depths of Nalan Yan's eyes, a look of disdain flashed past.

That night, she had only found a few local cultivators and wanted to use their beauty to exchange for conditions.

However, Li Wushuang had easily killed those tribulation passing cultivators. She instantly understood that Li Wushuang was also a powerful person.

In any case, it would be a waste not to use it. He would pay a little price to let such an expert be his big hand. The deal was simply too cost-effective!

"Brother Wushuang, let me bandage your wound!"

Chapter 232: The Lord of the Divine Court!

“Alright! Yan ‘er is so nice!”

Li Wushuang looked at Nalan Yan who was wrapped around her waist and said with a face full of happiness.

Nalan Yan’s expression was indifferent. She lowered her head and her expression instantly turned into disgust as she began to bandage Li Wushuang’s wounds.

“Keke, this is really interesting!”

” What a pair of b \* stards!”

Suddenly, an old voice sounded from within the cave, reprimanding angrily.

Hearing the voice, Li Wushuang and Nalan Yan were so frightened that they stood up.

They didn’t even notice the presence of others.

Moreover, the cave in front of him was only a very small cave. He could tell who was in the cave at a glance.

“Hehe, with just you guys, it’s still impossible for you to see me!”

“You guys are too weak.”

The old voice mocked.

“Brother Wushuang, I am so scared!” Nalan Yan sensed danger and quickly hid behind Li Wushuang.

Although Li Wushuang was afraid, she still looked at the cave in front of her and shouted angrily,

“Humph, you’re pretending to be a ghost. Come out!”

As she spoke, she stretched out her hand and struck out at the cave in front of her.

“Bang!”

As soon as he struck out with his palm, the entire cave began to shake violently. Even the stone walls in front of him began to fall.

However, there was no sign of any aura.

“Hmph, he’s just a Supreme God Realm expert. Is this the attitude he has when facing a God Emperor Realm expert?”

Right at this moment, a black figure quietly appeared from the void. His face was filled with anger. The moment he appeared, the space in front of him seemed to be unable to withstand his might. It began to distort and tremble. “Plop!”

Li Wushuang and Nalan Yan immediately knelt down in front of this terrifying aura.

“Greetings, Divine Emperor!”

Li Wushuang said in horror.

A Divine Emperor was a powerhouse above a Divine King. He could even begin to resonate with the Heavenly Dao of the Divine World!

Just the aura alone made the two of them unable to move and willing to kneel!

This was the will of a Great Dao!

Unparalleled terror!

“Hmph, you dare to barge into the place where I cultivate in seclusion. The two of you are quite bold!”

The black-robed Deity Emperor said angrily. His face was filled with incomparable anger.

“Divine Emperor, please spare our lives. The two of us didn’t know that this was your territory. We’ll leave now, we’ll leave now!”

Li Wushuang hurriedly begged for mercy, her face filled with fear.

If the Divine Emperor wanted to kill the two of them, it would be as easy as crushing two ants.

“Hmph, if I wanted to kill you, I would have killed you long ago. You’re just two ants!”

“However, I’m still in seclusion. Hand this thing to Divine King Xuan Yu. He’ll naturally understand when the time comes!”

“As for the power you want, that’s simple.”

As the Emperor spoke, a black light shone down on Li Wushuang’s head. Li Wushuang’s strength suddenly increased!

“Buzz!”

Li Wushuang's aura was trembling. She had broken through from the Hierarch Realm to the King God Realm.

In fact, during this process, there was not even a lightning tribulation.

"This... I broke through to the God King Realm?"

Li Wushuang was shocked. She didn't expect him to break through to the God King Realm so easily.

"Thank you, Divine Emperor! Thank you, Divine Emperor!"

Li Wushuang kneeled in front of the black-robed Emperor with a grateful expression. Now that she had reached the King God Realm, she could finally take revenge!

He wanted to find that Skeleton God and kill him! To relieve the hatred in his heart.

"Go!"

The black-robed Emperor waved his hand, and Li Wushuang and the others disappeared in an instant. They had already left the snowy plateau.

After the two of them left, the black-robed Deity Emperor's face darkened and he said slowly, "The Great Era is about to arrive. It's rumored that the Lord of the Divine Court has already reincarnated. If anyone can devour his fate, then I can dominate the entire Divine World."

"However, this venerable self has seized the initiative. I'm definitely going to win this round."

The black-clothed Deity Emperor laughed, and his figure gradually disappeared along with his laughter.

On the other side.

Wang Miaoshou was looking for a flower. According to Xiao Changtian's description, this flower should be growing in an extremely dark place.

Yang qi was scarce!

According to logic, this flower should grow in this place."

Wang Miaoshou looked at the mountain in front of him. It was completely shady, and the sunlight could not be refracted, so it looked gloomy.

However, there were no flowers he was looking for in this place!

On the contrary.

Instead, there was a burst of fragrant wind, and beautiful women who came to pick flowers everywhere.

Each of them was extremely beautiful, with perfect figures.

"So handsome!"

"Wow! Look, there's someone here with eight-pack abs."

"What a tough body! It should be great, right?"

"Young Master, what's your name? What are you doing here?"

All of them were women.

They surrounded Wang Miaoshou curiously and pointed at him.

He had no choice.

This kind of muscle with lines was too charming!

“Everyone, I advise you not to touch me. You have to learn to respect yourselves.”

Wang Miaoshou frowned and his face darkened. He was actually teased by a group of women. How could he tolerate this?

Which old man could endure such humiliation?

“Aiyo, aren’t 1 just looking at your muscles? Why are you so stingy?”

“That’s right, that’s right. We women didn’t say anything. You’re a man, and you’re still embarrassed?”

“Hehehe, this person is really interesting!”

The beautiful women teased him one by one. Wang Miaoshou felt humiliated.

He didn’t even get the least bit of respect!

Why could these women point at him and touch him?

He couldn’t bear it.

He had to return it!

“You can’t blame me for this.”

Wang Miaoshou smiled and took out a green ceramic bottle.

The porcelain bottle was engraved with patterns.

“Hehe, I’ll make you beg me obediently later.”

Wang Miaoshou chuckled and opened the green porcelain bottle. A gray smoke came out of the porcelain bottle.

As the smoke appeared, the group of women did not know what was going on.

Because they didn’t feel anything unusual.

“Hehe, just this?”

A woman smiled faintly and teased.

However, at the next moment.

They were stunned.

They found that their bodies were burning hot and itchy, accompanied by a kind of pain, as if they were bitten by ants!

Chapter 233: Assassinating Chu Yirenli

“What’s going on? What did you do to us?”

“All! I’m so itchy. Someone help me!”

“Scratch me!”

“Ah! It hurts!”

A group of women anxiously stood on the spot and jumped around. They were itchy and painful. They wanted to reach out to scratch, but once their hands touched their skin, their skin would start to hurt violently!

“What have you done to us?”

“You poisoned us! You poisoned us! It’s the green smoke from before!”

One of the women reacted, and her face revealed a terrified expression.

“Damn it, you actually dared to poison us. Are you courting death?”

Many women immediately released their auras and enveloped Wang Miaoshou.

However...

It was useless.

All the women were extremely powerful. Their powerful auras gathered together, like a hurricane on the sea. Their terrifying auras were about to tear everything apart.

Even the trees, wildflowers, grass, and other plants beside him were all bent down. Some of the rocks even began to crack!

However, Wang Miaoshou merely stood on the spot like a huge mountain, unmoving!

“You... How is that possible?”

Seeing this scene, the female cultivators were all shocked, and their faces were filled with fear.

They could not believe that Wang Miaoshou was unaffected by their attacks.

It was completely similar to his normal state?

“Hmph, you people are so troublesome!”

Wang Miaoshou snorted coldly. He raised his hand and threw a punch at the aura attacks of the many Great Empresses.

“Bang!”

In an instant, the aura attacks of those women seemed to have collapsed!

“Ah!”

The powerful force of Wang Miaoshou’s punch sent many women flying with a calm expression.

During this period.

He consumed all kinds of herbs in the small courtyard and even used his master’s hoe to weed. The strength of his physical body had completely increased by a level!

Now, these women were like ants in front of him.

Of course, he would not attack ordinary people.

However...

These women were actually pointing at him and teasing him. This was absolutely intolerable!

“Sob, sob, sob, I beg you, I’m so itchy. Let me go!”

“We were wrong before. We apologize to you and beg you to let us go!”

The group of female cultivators could not stand the itching and pain on their bodies and hurriedly begged Wang Miaoshou for mercy.

“Now you know how to beg?”

“This is just a small punishment!”

As Wang Miaoshou spoke, he took out a green porcelain bottle. White smoke came out of the porcelain bottle and spread out. Those women were wrapped in white smoke.

Soon after.

Their bodies gradually returned to normal!

“I’m not itchy anymore!”

“I’m not in pain anymore!”

“How magical!

The female cultivators of the Void Holy Land all revealed happy expressions because the pain and itching on their bodies had completely disappeared.

“What did you do to us?”

They looked at Wang Miaoshou curiously, their faces revealing a puzzled expression.

“It’s just some gas that numbs the nerves. It’s nothing. Doctors have both medical and poison skills!”

Wang Miaoshou waved his hand. These were all things he had learned from his master’s medical skills.

However...

Hearing that Wang Miaoshou knew medicine, the expressions of the women from the Void Holy Land changed.

“You know medicine?”

“That’s great!”

“Then can you go and save her with us?”

“Our sect master, she... She has been suffering from some hidden ailments recently, but she has been unable to find a cure for them after looking for countless famous doctors. Can you help our sect master?”

A Supreme God Realm expert with fluffy hair and a light yellow dress walked over with an expectant look on his face.

No one could casually poison them.

But this muscular man in front of him could.

“I’m sorry, I don’t have time.”

Wang Miaoshou shook his head. The time his master gave him was half a month because this flower needed to be brewed in the past.

A third of the time had already passed. He had to find this flower first.

Moreover, the sect master of the Ru Kong Holy Land was a God King Realm cultivator. He would definitely not die in a short period of time.

It wouldn’t be too late for him to come back for treatment after he picked that flower.

After saying that, he prepared to leave.

“We can give you any conditions you want!”

Seeing that Wang Miaoshou was about to leave, the Yellow Skirt Hierarch hurriedly spoke again, wanting to keep Wang Miaoshou.

“I don’t have time now, unless you can help me find this flower!” Wang Miao paused.”

Wang Miaoshou said as he took out the note Xiao Changtian gave him.

On the paper, Xiao Changtian had drawn the general appearance and characteristics of the flower.

It was a red-blue flower!

One side bloomed like a burning fire; One side was icy blue, as if it was ten thousand years old ice!

A flower perfectly contained the two extreme powers of ice and fire!

Moreover...

This flower must be rich in extreme Yin energy!

"This flower is a treasure of our Ru Kong Holy Land." Hierarch God Yellow-Dress stared at the image in front of her, and her face revealed a look of joy.

This flower was a treasure of their Void Sacred Land.

Like an empty lotus!

Divine Lord Yellow Dress looked at the sky with a happy expression.

"Really?"

Wang Miaoshou was also slightly stunned, and her face revealed a look of bewilderment.

"The price of lying is not small. Are you sure that there is such a flower in the Void Holy Land?"

Wang Miaoshou confirmed again.

“That’s right, so many of us sisters can testify!”

“Sisters, don’t you think so?”

Hierarch God Yellow-Dress looked at the group of women behind her with a pleasantly surprised expression.

“Yes.”

The group of disciples behind him answered in unison.

“Senior, as long as you cure our Godking, you can take the Void Lotus.” Hierarch Yellow Dress continued.

“Is that so?”

Wang Miaoshou thought for a moment and nodded.

He was going to save people and complete his master’s mission at the same time!

This trip was fine.

“Senior, please!”

Under the lead of the yellow-dressed Supreme God, Wang Miaoshou was escorted to the Empty Holy Land.

Meanwhile, in the courtyard.

The heavily injured and unconscious Seven Zither God King and Ximen Bubai also woke up.

“Where is this place?”

Invincible West Gate opened his eyes and sized up the courtyard.

Seven Zither patted the dust away, his face filled with terror.

In his mind, he was still thinking about how his zither had been split in half by Elder Zhuyi!

“Terrifying!”

“Why is there such a terrifying existence in the lower realm?”

God King Seven Zither was puzzled. He looked at the stone table and stone stool beside him and wanted to sit down to think. However, he forgot to look over and saw a familiar figure.

That voice was holding his chin with both hands and looking up at the blue sky in a daze!

“The person the demon god asked me to kill?”

Seven Zither was taken aback before his expression turned cold. The Quintessential Essence in his palms transformed into saber light as killing intent surged..

Chapter 234: Someone Hit the Kite!

Divine King Seven Zither stared at Chu Yiren. She was only in the Tribulation Transcendence realm and was still distracted. He wanted to kill her with a single palm strike!

“When you wake up, come and get rid of the dust!”

However, just as he was about to take action, Elder Zhu Yi kicked him in the butt, knocking him to the ground.

“Damn it, the two of you destroyed my courtyard. Hurry up and get up and work for me.”

Elder Zhu Yi cursed.

Those Godly Monarchs were all not working hard. Now, the construction period given by the senior had been completely delayed by more than ten days. Although Senior didn’t care, he did!

Senior had instructed him to do such a big thing, so he couldn’t disappoint him.

Therefore, Elder Zhu Yi was now chasing after everyone without stopping.

“You still dare to glare at me? Are you looking for a beating?”

Elder Zhuyi stared at XiMen BuBai before slapping his neck.

“Ah!”

During this period of time, Elder Zhuyi had been doing all kinds of work, such as dust-making, brick-moving, and carpentry. The strength in his hands was not something that Invincible West Gate could withstand.

Bubai Ximen was slapped to the ground and let out a painful scream.

Following that, he was thrown over along with Seven Zither Divine King and the other two to be turned into dust.

How could Ximen Bubai and Seven Zither Divine King dare to disobey? They hurriedly bent down and picked up the shovel on the ground, preparing to dust it.

However...

When the two of them reached for the shovel, they realized that they couldn't lift it at all!

"What happened?"

"This is a top-notch divine weapon."

Puzzled, Invincible West Gate gripped the shovel with both hands, wanting to exert force.

However, the heavy shovel made him use almost all of his strength before he could pick it up completely.

It was the same for Seven Zither!

The two of them looked at each other and saw fear and shock in each other's eyes!

They were dignified divine kings, but now, they actually could not even lift a shovel!

If word got out.

Who in the entire Divine Realm would believe that?

Who would dare to believe it?

“Be careful! If you dare to dawdle again, don’t blame me for lashing you with my whip!”

“You two little thieves, this is the price you have to pay for tearing down our courtyard!”

“Hurry up!”

Elder Zhu Yi urged fiercely from behind the two of them. Seven Zither God King and Ximen Bubai hurriedly gritted their teeth and beat the dust.

The courtyard was still quiet and peaceful!

Only Chu Yiren was still staring blankly at the sky.

“What’s wrong? Are you bored?”

Just then, Xiao Changtian’s voice rang out from behind Chu Yiren.

“Senior?”

Hearing Xiao Changtian’s voice, Chu Yiren’s face lit up. She turned around and threw herself into Xiao Changtian’s arms.

“You... What are you doing?”

Xiao Changtian hurriedly let go of his hands and retreated.

There were so many people here. Wouldn’t it be very embarrassing if he fainted again because his blood was boiling?

Moreover, he had to be careful.

How could he take it lying down when Chu Yiren came at him like this?

“Hehe, Senior, just a hug.”

Chu Yiren smiled faintly, a blissful expression appearing on her face. It was as if every time she got close to Xiao Changtian, her heart would feel warm.

That feeling made him extremely fond of it!

“Not even a hug. Remember, you’re still a virgin!”

“You have to know how to respect the great and mighty in the future, okay?”

Xiao Changtian started to teach him with a serious face.

He was really worried that if Chu Yiren met someone who was so passionate towards her and threw herself into someone else’s arms, she would definitely suffer.

Teaching must be done well.

“Oh, I don’t hug others either.”

Chu Yiren mumbled with her head lowered, looking extremely adorable.

“Forget it, forget it.” Xiao Changtian waved his hand, and Chu Yiren returned to her own courtyard. She had been away from home for many years, so it was only natural that she would feel lonely.

He hadn’t really taken care of Chu Yiren before.

“How about this, I’ll take you out for an autumn outing.”

Xiao Changtian said with a smile.

During this period of time, the autumn weather was clear and refreshing, and the temperature had returned a little.

It happened to be noon. It was not bad to go out for an autumn outing, roast meat, and fish.

It was a good time for Chu Yiren to relax.

“Autumn outing?”

“Yay!”

Although Chu Yiren didn’t know what the autumn outing meant, she felt very safe being able to follow her senior. She felt extremely safe!

“Wait for me to call Jiu ‘er and bring these animals along for the autumn outing.”

Xiao Changtian finished all the instructions, and Mu Jiuhuang brought Xiao Ma and carried the transparent tank of the golden arowana.

As for the white tiger, it was in Xiao Changtian’s arms.

Alpha led the way, and the old hen followed beside Alpha.

At the same time, Xiao Changtian stored all the seasonings, food, carpet, and so on needed for the autumn outing into the special interspatial ring that the Great Sun Immortal had given him.

“The Great Sun Immortal is really thoughtful. He knows that I don’t have any Zhen Yuan and can’t use the interspatial ring, so he specially made a interspatial ring for me that doesn’t require Zhen Yuan.”

“Such a good immortal cultivator, I can’t let the Great Sun Immortal give me something for free!”

“Draw another autumn scenery for the Great Sun Immortal!”

Xiao Changtian muttered to himself. Soon, they arrived at the back mountain outside Dayang Town.

There was a lake here. The water was half murky, and there were many fish swimming in it.

Were there wild geese flying over and eagles crying?

“Jiu ‘er, go prepare the barbecue. It’ll be hard!” Xiao Changtian ordered.

“Yes, Master!”

Mu Jiu Huang nodded and replied respectfully.

“Senior, what should I do then?” Chu Yiren asked, puzzled.

“Let me teach you how to fly a kite!” Xiao Changtian said lightly.

“Kite?”

Chu Yiren was slightly puzzled. She had never heard of flying a kite before.

“You’ll know later.”

Xiao Changtian smiled and took out a black string and a huge eagle-shaped kite from his ring.

“Next, you pull the string and run on the spot, letting the kite fly with the wind...” Xiao Changtian explained slowly.

Chu Yiren listened attentively from the side.

“Senior, I know.”

Chu Yiren listened attentively. After Xiao Changtian’s explanation, she picked up her kite, pulled on the string, and started running.

“Phew!”

As the strong wind blew, the kite flew high in the sky.

“Hehe, you’re very smart!” Xiao Changtian praised.

“Of course! Hehe!” Chu Yiren’s face lit up with joy at Xiao Changtian’s praise.

Chu Yiren was running on the mountaintop with the kite in her hand, feeling extremely happy!

However...

Suddenly.

The kite seemed to have hit someone, and a huge black shadow fell from the sky..

Chapter 235: Let’s Go Back to Have Tea!\_i

“All!”

The figure let out a miserable cry and smashed a huge hole in the ground.

“Oh my god!”

“Ghost!”

Shocked, Chu Yiren hid behind Xiao Changtian.

Xiao Changtian was also slightly shocked.

This person seemed to have hit a kite and fell from the sky.

In other words, this person was flying?

It could fly.

That was an Immortal Cultivator?

“Did he get into trouble?” Xiao Changtian was extremely confused and worried.

Immortal cultivators could easily kill him!

“Let’s retreat first.”

Xiao Changtian said lightly.

Chu Yiren nodded and walked away. Xiao Changtian wanted to leave as well, but the black figure had already stood up from the hole.

“Stop!”

The figure let out a low voice, which sounded extremely angry.

He did not expect to see a kite while he was flying.

Initially, he didn’t care much about it. How could a kite block his way?

He was just about to directly transmigrate over. It was just a kite anyway. He could just smash it with a palm!

However...

As he flew by himself and approached the edge of the kite, he slapped out with his palm, ready to smash the kite into pieces.

The kite did not move at all!

His full-powered palm strike actually did not shake the kite at all. His entire body directly collided with the kite and instantly fell down.

“What are you doing?” Chu Yiren stood behind Xiao Changtian, her face filled with confusion.

Xiao Changtian also looked at the person in front of him.

The person in front of him looked slightly bloated from afar!

Especially that stomach, it was extremely obvious!

He was dressed in a black robe and was eight feet tall. He did look intimidating.

But at this moment.

That person's face was bruised and swollen, and it looked like a pig's head!

"You... Did you get hit by a kite?"

Xiao Changtian frowned. Was this person really a cultivator?

How could it be hit by his paper kite?

This... Wasn't he too weak?

"Could it be that a cultivator who has just entered the sect is learning the sword kinesis flying technique?" Xiao Changtian frowned. In the TV series he watched in his previous life, it was all like this!

Since he was a new disciple, there was no need to worry.

"No, nothing. I just wanted to ask you what material your kites are made of." The black-robed man asked.

"It's made of paper. What's wrong?"

Xiao Changtian said in a neither servile nor overbearing manner. Since he was an ordinary cultivator who had just entered the sect, he should be able to communicate with him.

“What? Paper?”

The black-robed man’s face revealed a look of disbelief.

“Who is this person in front of me?”

“My identity cannot be exposed. In order to avoid those people from the Divine World, I came to the lower realm.”

The man in black stared at Xiao Changtian, trying to see through his cultivation.

However, he realized that Xiao Changtian was just an ordinary mortal!

His mood became more and more solemn!

However...

How could a mortal possess a top-notch divine artifact like a kite?

Even in his Divine Court, there was probably no divine artifact that could compare to it.

“No, I can’t! The person in front of him was definitely not a mortal!”

“He’s an old monster who has descended to the mortal world!”

The black-robed man became more and more frightened. In his eyes, Xiao Changtian was also here to steal his luck, but he was hiding his identity.

“No, I’ve already divided myself into several parts and escaped to different places. I definitely can’t be caught in the lower realm.” The black-robed man thought to himself. Immediately, the idea of escaping appeared in his mind.

“I’ll run!”

The black-robed man turned into a wisp of smoke and fled instantly!

He did not want to be caught. If he was caught, he would not be able to rebuild the Divine Court again.

“Hmm? Why did he run?” Chu Yiren frowned. Senior didn’t say anything about killing him.

Xiao Changtian was shocked.

“Could it be that this person saw that he couldn’t defeat the three of them alone, so he went back to the sect to ask for reinforcements?”

Thinking of this, Xiao Changtian was shocked!

He still had the ability to fight against this ordinary cultivator, but if he let this cultivator go back and call for help, it would be troublesome!

At that time, the speed of the three of them escaping would definitely not be as fast as the speed of the cultivators flying.

Even if he asked for help from the Great Sun Immortal, he might not be able to make it in time!

“We have to capture this person. We can’t let him go back and ask for help.”

Xiao Changtian thought.

Then, his expression froze and he looked at Alpha. "Alpha, go, chase him!"

Alpha had hunted in the Black Forest.

There was no need to worry about hunting down an ordinary cultivator now!

"Woof!"

Hearing that, Alpha instantly turned his momentum to one side. His four legs seemed to have transformed into light speed as he instantly rushed towards the black-robed man in front of him.

"Woof woof!"

Hearing the barking, the man in black wanted to turn his head to take a look.

But suddenly.

In his mind, a huge divine dog phantom appeared directly.

Beneath the feet of the divine dog were the vast stars in the sky!

With the vast stars as chess pieces and the boundless galaxy as a chessboard, it opened its bloody mouth as if it wanted to swallow the sky and the moon!

"Ah!"

The man in black was so frightened that he fell to the ground and did not dare to move.

As the lord of the Divine Court, he knew very well that this was the Heaven Swallowing Dog!

The legendary divine beast, the Heaven Swallowing Dog!

“How is that possible?”

“The Heaven Swallowing Dog had already disappeared before the miracle. Why is it in the lower realm?”

The Lord of the Divine Court was already scared silly.

Even at his peak, he was no match for the Heaven Swallowing Dog!

“Don’t kill me!”

The man in black looked at the Heaven Swallowing Dog in front of him and said in panic.

With his current state, even if he wanted to escape, he couldn’t!

Xiao Changtian heaved a sigh of relief when he saw the cultivator in front of him fall to the ground in fear.

It was rare for a cultivator to be frightened by one.

However, this was enough to show that the person in front of him was really a beginner Immortal Cultivator who had not even learned how to fly on a sword. Xiao Changtian immediately calmed down!

There was still room for negotiation!

As long as he brought this person back and let the Great Sun Immortal act as a mediator to resolve the conflict between the two sides, then this matter could be reduced to a small matter.

“Alpha, don’t mess around. Go away.”

Xiao Changtian smiled and walked over, pretending to chase Alpha away. He walked up to the Lord of the Court of Gods. “Don’t be afraid. Alpha hasn’t been trained much. We won’t kill you. We just want to invite you back for a cup of tea!”

“Getup!”

Xiao Changtian said lightly.

However, when the lord of the Divine Court looked at Xiao Changtian, he became even more terrified.

That was the Heaven Swallowing Dog, but in front of this person, it was actually so respectful?

Who was this person in front of him?

Just as the leader of the Divine Court was thinking, Xiao Changtian had already pulled him back.

“Let’s go back and have some tea!”

Chapter 236: I’ll Kill You, You Filthy Old Turtle!

Xiao Changtian pulled the man in black with a smile on his face.

Now, as long as he could bring this black-robed man back, everything would be fine.

“Let’s go. I have good tea at home!”

Xiao Changtian said lightly while pulling the arm of the Lord of the Divine Court.

The master of the Divine Court was pulled by Xiao Changtian. He felt as if his arm was being strangled by the Heavenly Dao. He couldn’t resist at all.

Even the circulation of the true essence in his body was directly restricted by the force from Xiao Changtian’s hand.

“I can’t use my cultivation?”

The master of the Divine Court was shocked. What kind of method was this?

It was simply unimaginable.

The bloodline of the highest law of the Divine World flowed in his body, but he was actually unable to use it in front of this ordinary person?

Even those old monsters couldn’t do it!

“Who exactly are you?”

The Lord of the Divine Court was extremely puzzled and terrified at the same time!

Such an expert had imprisoned him but did not kill him directly. Could it be that he had other motives?

The master of the Divine Court broke out in cold sweat.

As for the autumn outing, it was completely ruined.

“Jiu ‘er, bring the roasted meat with you. You can still eat it when you go back.”

Xiao Changtian ordered.

At the same time, Xiao Changtian sent a message to the Great Sun Immortal, asking him to come to his courtyard.

Far away in the Great Sun Sect.

The Great Sun Immortal’s face turned red from being hugged, and he found it difficult to breathe. Even the true essence in his body was stagnant.

He and Fatty Rong Rong were squatting in a corner, their faces filled with fear. Sensing the destructive aura outside, the man and the bear were shivering!

“Damn turtle, I will stab you to death today!”The Monkey King stared at the Black Tortoise in front of him and bared his teeth.

“Stinky monkey, come on, let’s see who’s afraid of who today! “Black Tortoise said angrily.

When the two divine beasts fought, even the space trembled and cracked!

Until this moment.

The ring of the Great Sun Immortal suddenly lit up.

With the appearance of the light, the two great divine beasts in the middle of the battle seemed to have sensed it and stopped in an instant.

Soon after.

The two divine beasts flew to the side of the Great Sun Immortal and hurriedly asked, ""What did Master say?"

The two divine beasts could sense that this was a message from Xiao Changtian.

Sensing that the two immortal beasts were no longer fighting, Fatty Rongrong released Great Sun Zhenren.

The Great Sun Immortal then checked the contents of the communication ring and said,

"Senior asked me to make a trip. There's something I need to do."

"But Senior didn't tell me the details!"

The Great Sun Immortal said respectfully and even showed the news to the Black Tortoise and the Monkey King!

"Seniors, then I..."

The Great Sun Immortal looked at the Black Tortoise and the Monkey King with a puzzled expression.

He was seeking the opinion of Black Tortoise and Monkey. He could either bring the three animals with him or go alone. No matter who he brought, he would offend another person!

"Boss, Monkey, let's go together. If we delay any longer, Master will be angry!"

Fatty Rongrong also advised from the side.

“Humph!”

The green haired turtle and monkey looked at each other with contempt, turning their faces away, riding on the shoulders of Fatty Rongrong, one on each side!

“Hehe, then let’s go!”

Seeing that the two divine beasts had finally stopped making a fuss, the Daoist Master Da Yang hurriedly flew towards the small courtyard.

“Come, come, come, drink some tea!”

Xiao Changtian sipped his tea as he spoke to the Lord of the Divine Court.

“Yes, sir!”

The master of the Divine Court smiled embarrassedly and hurriedly picked up the teacup.

In his heart, however, there was infinite fear!

He didn’t know what Xiao Changtian wanted to do. This was what the lord of the Divine Court was most afraid of!

Just now.

He used his gaze to size up the small courtyard and saw the few animals in passing. He was almost scared away!

“Phoenix, Chaos Ant, Heaven Swallowing Dog, White Tiger, Golden Dragon...”

“Why are there so many Divine Beasts gathered in this lower realm?”

“Could the rumors be true?”

The Lord of the Divine Court frowned. This was a secret he knew when he was the Lord of the Divine Court. When the Divine Beast descended into the world again, it meant that a new calamity would descend...

That was the Heavenly Tribulation!

He couldn't avoid it!

“Could it be that the person in front of me is the one who will bring disaster in the future?”

The lord of the Divine Court looked at Xiao Changtian and felt even more terrified.

To be able to raise so many divine beasts had already exceeded his understanding.

“By the way, where are you from? How should I address you?”

Xiao Changtian looked at the leader of the Divine Court as he sipped his tea

seriously. He was even more certain that this cultivator must have come from a small sect.

Only cultivators from small sects who lacked confidence would be afraid!

Since it was a small sect, it was even easier to deal with.

Now, as long as he found out the background of the other party, knew which sect the cultivator was from, and waited for the Great Sun Immortal to arrive, then all the matters would be resolved.

Hearing this.

The Lord of the Divine Court's heart skipped a beat.

"Is the other party going to reveal his identity?"

"Are you going to attack me?"

The Lord of the Divine Court began to worry, but he knew that it was impossible to hide from such an expert!

"I'm Di Tian!" The lord of the Divine Court replied immediately. "I'm from above. My name is Di Tian!"

The Lord of the Divine Court replied.

"Above?"

"Di Tian?"

Xiao Changtian heard this and frowned slightly. What kind of place was up there? The name Di Tian was really weird!

However, Xiao Changtian thought about it and felt that it should be referring to a sect.

He didn't even know a few sects in the cultivation world, so it was normal for him not to know.

"Di Tian, come, drink some more tea!"

Xiao Changtian then asked Jiu Er to pour a cup of tea for Di Tian. He calculated the time and realized that Daoist Master Dayang should be here by now.

As expected.

Just as Xiao Changtian was thinking this, outside the courtyard, Daoist Master

Da Yang walked in, with Fatty Rongrong and the other two by his side!

“You were looking for me?” The Great Sun Immortal said respectfully.

Xiao Changtian and Di Tian both stared at Daoist Dayang.

Di Tian merely turned his head and was instantly shocked!

With his eyesight, he instantly recognized that it was the divine beast Black

Tortoise, the divine beast spirit monkey, and the Iron Eater!

They were all legendary divine beasts.

“Alright, the three of you. You didn’t listen to me and want to run out, right?”

Xiao Changtian was furious. This was related to whether he could become an invincible existence in the future!

Then, he locked onto the green-haired turtle and grabbed its tail, lifting it up.

Xiao Changtian grabbed the green-haired turtle with one hand and slapped its shell with the other.

He was furious!

“Waah!”

Fatty Rongrong was so frightened that she shrank back. Monkey was also shivering, not daring to move.

The Immortal Da Yang narrowed his eyes and did not dare to look directly at him.

The one who feared the most was still Di Tian!

He couldn't believe that the person before him was actually beating the Divine Beast Black Tortoise!

Chapter 237: Can I Stay? !

“Bang bang bang bang!”

Xiao Changrian felt that it wasn't enough to vent his anger, so he threw the green-haired turtle on the ground and kicked it away.

“Old dirty turtle, you never let me worry.”

Xiao Changrian cursed.

It was good that these animals were immortal beasts!

At least he could protect himself.

However, when the system gave them to him, they were just ordinary and ordinary. They were ordered around by a mortal like him every day and did not have any power at all.

If he couldn't protect himself, he might be caught by that cultivator on the way and be eaten alive.

"Alright, go back to your own nest."

Xiao Changrian said speechlessly.

The old dirty turtle was overjoyed when he heard this. He quickly ran back into the pond on his four legs and submerged himself under the water.

As for Fatty Rongrong and Monkey, they also slipped back.

Only, Fatty Rongrong had already shrunk into a ball due to fright, directly rolling back.

"Sigh, when will I be able to save myself from trouble?"

Xiao Changrian shook his head helplessly.

After that, he pulled Daoist Sun to the side and explained everything about Di Tian.

"Just...This?"

After listening to Xiao Changtian's explanation, the Great Sun Immortal raised his eyebrows.

Could it be that senior was too cautious because he wanted to return to his original state?

Xiao Changrian looked at the Great Sun Immortal and raised his eyebrows. He said, "That's it."

“As expected, the Great Sun Immortal is indeed the Great Sun Immortal. Every time something happens, there’s almost nothing that the Great Sun Immortal can’t solve.”

“But that’s true. Who asked Daoist Da Yang to be an expert of the Divine Realm!”

Xiao Changrian thought.

“Don’t worry, leave this matter to me. Please don’t worry.” The Great Sun Immortal said respectfully.

Soon after.

Daoist Da Yang walked over and exchanged a few words with Di Tian. Xiao Changtian, who was standing far away, was watching.

However, very quickly, in just a few breaths, he saw Di Tian standing up respectfully, staring at Perfected Great Sun with a look of astonishment.

Xiao Changrian knew that it was a done deal!

As for Daoist Da Yang and Di Tian, who were conversing, they were both shocked by the other party’s identity.

However, the one who was the most shocked was still Di Tian.

“Are you saying that such a mighty figure is returning to his original state and refining his heart in the mortal world?”

Di Tian truly found it hard to accept this point of view.

Such a mighty figure actually captured him and sent him to call for help?

“Indeed.”

“Senior, you’ve already completely forgotten your identity as an expert in the mortal world. I reckon that you’re just enjoying the peace of the mortal world!” The Great Sun Immortal said.

“That’s true.”

Di Tian nodded.

It was lonely at the top. He understood this very well.

Only when one stood at the highest point would one understand how simple happiness in the mortal world was.

After hearing Daoist Da Yang’s explanation, Di Tian heaved a sigh of relief.

It turned out that Senior didn’t want to do anything to him. Everything was a misunderstanding.

After understanding this matter, Di Tian walked towards Xiao

Changtian. “Senior, it’s a misunderstanding. It’s all a misunderstanding.”

Di Tian clasped his hands towards Xiao Changtian, his attitude extremely respectful.

“It’s fine. It’s good that the misunderstanding has been resolved!”

Xiao Changtian nodded with a faint smile on his face.

There was really nothing that could not be solved when the Great Sun Immortal came out.

“Um, senior, I... I have a request.

Di Tian stammered.

“Tell me.” Xiao Changrian nodded.

Di Tian replied, “Well, I think...” I want to stay with you for a while. Is that okay?”

Di Tian had a look of hope on his face, as though he really wanted to stay.

As long as he could stay here, it was impossible for those experts of the Divine World to capture him.

As long as he did not gather all of them, those old fellows in the Divine World would never be able to deprive him of his luck!

“Stay for a while?”

Xiao Changrian frowned.

Why would Di Tian want to stay here?

These were the residences of mortals.

Xiao Changrian was puzzled. He rolled his eyes and looked at the Immortal of Great Sun. Suddenly, he realized something.

“I understand now. I wanted to learn from the Great Sun Immortal!”

Xiao Changrian nodded.

This was also the reason.

Di Tian came from a small sect and didn't even know much about the sword control art. Now that he saw an expert like Perfected Great Sun, he naturally admired him and hoped that he could learn a thing or two from him.

However...

He was also too embarrassed to speak directly to the Immortal Da Yang, so he found him to be the middleman.

“Sure.”

“Don't worry and stay here for as long as you want.”

Xiao Changrian nodded. Di Tian was an immortal cultivator. If he could really learn a thing or two from Daoist Dayang, he would definitely become an expert of his generation.

He was willing to give such a person a chance.

When Di Tian became a supreme expert, he would be grateful for his kindness. At that time, even if he didn't open the path of invincibility and grew old, he would still be able to receive some help.

“Thank you, Senior, thank you!”

Di Tian hurriedly thanked Xiao Changtian.

Now, he was not only respectful to Xiao Changtian, but also grateful.

Staying in Senior's small courtyard was equivalent to all the dangers disappearing.

"However, you have to promise me one condition!"

Xiao Changtian spoke again.

"Senior, please speak." Di Tian's expression was resolute. Being able to stay here with his senior was already a great opportunity. No matter what price he had to pay, he was willing to do it.

"I don't keep idle people here. Since you're staying, you'll eat and drink . A series of things."

"So, you need to pay the price!"

Xiao Changtian said lightly.

"The price?" Di Tian wanted to directly take out a fragment from his own sleeve. This was the fragment of the Divine Court Order!

In the future.

As long as the Divine Court can be rebuilt, Senior will also be in the Divine Court.

Moreover...

The fragment contained a great amount of luck. It was enough to help an ordinary cultivator from the Tian Yuan Continent reach the God Emperor Realm!

“Hmm? What is this?”

“A fragment? I don’t want this!”

However, Xiao Changtian was not interested in the fragment at all.

Although the fragment was a piece of jade, his appraisal skills were at the Advanced Level.

But I don’t like these things.

“Don’t want this?”

“Senior, this is the most valuable thing I have on me. I, I don’t know what else I have.”

Di Tian’s heart sank. Senior, you’re not even interested in the fragments of the Divine Court Token,

Could it be that he had no chance to stay here?

Di Tian was incomparably anxious. He frantically rummaged through his body but he couldn’t find anything.

“Alright, stop looking. I’m asking you to work!”

“It just so happens that my small yard is being renovated. You can help with the work.” Xiao Changtian waved his hands, he stared at Di Tian’s expression as he spoke.

“Help out?”

“I can, I can!”

Di Tian nodded madly..

## Chapter 238: Can't Let Others Interjectli

In the courtyard.

Di Tian followed a group of Godkings and started to grind the dust. Only now did he understand that grinding the dust was an extremely difficult task.

“These are all divine artifacts, top-notch divine artifacts!”

Di Tian gripped the shovel as an expression of extreme terror appeared on his face.

He looked at the cement and red soil again. It was not simple dust. It was clearly the legendary divine soil...

And that red brick...

Di Tian felt that just by staring at that red brick, he could feel a terrifying might that made people shudder!

It made him feel as if it was some kind of terrifying divine artifact. He was afraid and did not dare to look directly at it.

“Hurry up, don't dawdle.”

Behind Di Tian, Grand Elder Zhu Yi urged.

“Yes, yes, yes!” Di Tian hurriedly replied as he quickened his movements.

The green-haired turtle didn’t dare to move at all in the pool. It shrank into its shell as if it had been petrified.

Fatty Rongrong’s head was against the wall, reflecting on her mistakes.

Monkey scratched his ears and cheeks as he squatted on the bamboo forest, looking around from time to time.

The Red-Tailed Bottleneck Monkey and the Six-Eared Macaque crouched under the bamboo forest, not daring to approach Wukong!

Meanwhile, in the Void Holy Land.

Wang Miaoshou was led by Hierarch Yellow Skirt to Ru Kong Holy Land’s Sect Master Yun Liuli’s room.

“Senior, thank you.”

After saying that, the yellow-dressed Hierarch ran out in a panic.

“Pa!”

She could only hear a slight rustling sound as the Divine Lord in the yellow dress closed the door. Outside, there was even a rustling sound, as if someone was blocking the door.

“Hmm?”

“What are they doing?”

“Why are you blocking the door?”

Wang Miaoshou frowned, his face filled with doubt.

Outside the room, the voice of the Yellow Skirt Hierarch rang out, “Senior, I’ll leave the rest to you!”

“We’re retreating!”

After saying that.

Wang Miaoshou heard hurried footsteps. The female cultivators of Ru Kong Sect outside the door seemed to be fleeing.

“Li Dapu! Was there any danger in treating an illness?”

Wang Miaoshou asked in confusion.

Then, he looked over at the bed. There seemed to be a graceful figure lying under the thin red muslin curtain. It was probably Holy Lord Yun Liuli of the Void Holy Land.

“Should I go in, or should you come out?”

“The treatment requires observation, listening, questioning, and feeling. I have to observe for a while before I can prescribe the right medicine for you.”

Wang Miaoshou said in a deep voice.

“Come in.”

“I don’t want to move!”

A woman’s gentle and graceful voice sounded from within the red muslin tent.

“Alright, I’ll go in then!”

Wang Miaoshou nodded. She lifted the red gauze curtain in front of her and walked in.

The next moment, he saw Yun Liuli lying on the bed.

Yun Liuli’s face was flushed red, and her eyes were blurry. Her fair and slender hands were grabbing the red bedsheet beneath her forcefully...

“You...”

Wang Miaoshou looked at the scene before him and frowned slightly.

He was poisoned!

And it was a very powerful Joyous Union medicine!

“You’re a doctor. Is there any way to cure this poison?”

Yun Liuli gritted her teeth and circulated the true essence in her body, barely managing to resist.

“Of course there is a way, but you have to endure it.”

As Wang Miaoshou said that, she lifted Yun Liuli’s blanket.

“What are you doing?”

“Ah!”

A loud shout soon came from the room.

In the Void Holy Land’s main hall, everyone heard Yun Liuli’s exclamation and looked worried.

“Do you think the sect master will be fine?”

“This person is also a poison expert!”

“Sister Huang Chang, I didn’t dare to say it before because I couldn’t confirm that person’s strength. If he was from the Sima Clan, wouldn’t the Sect Leader be in danger?”

A few women from Ru Kong Sect surrounded the yellow-dressed woman with puzzled expressions.

“Don’t worry. His aura has never appeared in the Divine Realm before.”

“His body carries the aura of the lower realm.”

“Most importantly, I tried to stab his heart with my full strength to test his reaction, but his body was like an iron wall. I couldn’t stab it at all!”

“If I’m not mistaken, his strength should be at the Godking Stage.”

“Godkings don’t need to do such sneak attacks. Just kill us directly.”

“Only a Divine King Realm expert who knows medicine can save the sect master!”

Huang Shang analyzed, and the elders of the Void Holy Land nodded.

In the corner, a woman in an ice-blue dress frowned. A black light flew out from the ring on her finger.

The Sima Clan had already promised her.

After Sect Master Yun Liuli, she would support her to become the next Sect Master of the Ru Kong Holy Land. She absolutely wouldn't allow anyone to cure Yun Liuli!

The black light also flew out when no one was paying attention.

On the other side of the black light was a young man from the Sima Clan.

"Young Master, please spare me! I can't take it anymore!"

"Sob, sob, sob, please let me go, Young Master!"

A few women screamed in pain. The ground was covered in blood!

However, Sima Qiang's face was filled with extreme joy. His eyes were filled with greed as he waved the whip in his hand and wantonly whipped these maidservants.

"Hahaha, bear with it, bear with it, it'll be fine soon!"

Sima Qiang said pervertedly, his face carrying a crazed expression.

It was only until those maids had completely fainted that Sima Qiang put down the whip in his hand, his face revealing a disappointed expression.

“Boring!”

” 1 reckon that the Yin-Yang Joyous Unification Powder on Yun Liuli’s body should be showing its effects now. It’s time to take advantage of this!”

“Yun Liuli’s taste ~”

“Tsk tsk, it must be wonderful!”

Sima Qiang said crazily.

However, all of a sudden, a black light shone from his ring.

“This b \* tch, what is it that you want to bother me with?”

Sima Qiang said with an impatient tone, his face filled with disdain. To him, that traitor was just a plaything. When the time came, he would casually play with him and throw him away.

As for the Void Holy Land, it would naturally be annexed by the Sima Clan!

This was his ultimate goal.

Sima Qiang impatiently opened the message, and his face immediately revealed a surprised expression.

“A Godly Monarch actually entered Yun Liuli’s room?”

“F \* ck, it can’t be that I didn’t set up a trap and let others enjoy the benefits, right?”

Sima Qiang's expression changed. The Yin-Yang Joyous Unification Powder had taken effect, so it was now the easiest time for Yun Liuli to break through. If that Godly King got there first and interfered, wouldn't he suffer a huge loss?

"Steward, lead your men to the Void Holy Land. Now! Immediately!"

Sima Qiang said angrily.. He directly turned into a stream of light and instantly disappeared from the spot!

Chapter 239: Sima Qiang Is Furious!\_i

"I wonder how the situation is now!"

"I wonder if the sect leader's poison has been cured?"

In the hall, the disciples of Ru Kong Sect looked worried.

After all, this poison was not ordinary.

It was an extremely shameful thing for the Void Holy Land, which only had female disciples.

"Wait!"

"We can only wait!"

"Even if something bad happens in the end, it's still better than letting that scum Sima Nan take advantage of the Sect Leader."

Huang Shang said with an anxious expression.

It had been a few minutes since Wang Miaoshou had entered the room.

Moreover, there were moans coming from the room.

No one knew exactly what had happened.

“No, I think we should go in and take a look. Even if we don’t worry about the sect master’s safety, the sect master’s innocence can’t be destroyed.”

The woman in the icy blue dress standing in the corner was anxious.

Just now.

Sima Qiang had sent her a message. If Yun Liuli wasn’t a virgin, then she didn’t need to live anymore.

“Lu Yi, you...”

Huang Shang was slightly stunned. Why hadn’t Lu Yi been anxious before? Now, she suddenly became anxious.

Being stared at by Huang Shang, Lu Yi’s face revealed an unnatural expression, but she hurriedly hid it and said, “I’m just concerned about the sect leader!”

After saying that, Lu Yi rushed straight to Yun Liuli’s room.

“Not good, don’t let her do anything. Catch her!”

Huang Shang was instantly shocked. As if he had understood something, he directly asked the cultivators beside him to grab Lu Yi.

“Ah!”

Under everyone’s joint attack, Lu Yi did not have any strength to resist at all and was directly imprisoned.

“What are you doing?”

“I’m just concerned about the sect master!”

Lu Yi pretended to be angry.

“Hehe, Lu Yi, when I investigated the spy previously, I felt that there was something wrong with you. Why is your ponytail finally showing now?”

Huang Shang stared at Lu Yi, a playful expression on his face.

“Hmph, Huang Shang, although you are an elder, I am also an elder. I am not half a level lower than you. What do you mean by this?” Lu Yi said coldly.

However, the yellow-robed woman did not say anything. She directly slapped the green-robed woman’s head and then searched her soul!

Soon after.

A scene was directly projected by Huang Shang using the crystal ball. All the female cultivators present saw it clearly.

It was the scene of Lu Yi and Sima Qiang being entangled together, as well as the scene of Lu Yi sending out a message and secretly colluding with Sima Qiang!

“Lu Yi, you...”

The female cultivators at the side all blushed and stopped watching the scene on the crystal ball.

“Hmph, Lu Yi, what else do you have to say!”

Huang Shang stared at Lu Yi with a cold gaze, as if he wanted to turn into a sharp sword and pierce through Lu Yi.

When Lu Yi saw that her indecent acts had been exposed, her face revealed a hint of embarrassment. However, in the next moment, she became angry out of humiliation. At the same time, a black light lit up on her ring.

That proved that Sima Qiang had already arrived.

Immediately, Lu Yi smiled disdainfully. Then, she began to roar, “So what?”

“I did all of this!”

“Including the fact that the purpose of poisoning the sect leader was to let Young Master Sima succeed!”

“You b \* tches, in the future, you will only be Young Master Sima’s playthings.

Just wait to be trampled on, hahaha!”

Lu Yi laughed maniacally.

“Hmph, you’re courting death!”

Huang Shang stared at Lu Yi and was about to slap her to death.

If such a traitor appeared in the sect, the outcome would be very miserable.

“Hehe, you can’t kill me.” Lu Yi smiled. Following that, a terrifying aura that covered the sky and earth instantly shocked everyone present.

“What?”

Everyone immediately felt a mountain-like pressure land heavily on their bodies, making them unable to move at all!

“Hmph, where’s Yun Liuli? Bring me to her!”

Sima Qiang said coldly and directly released the restraints on Lu Yi’s body.

“Yes, Young Master Sima!”

The corners of Lu Yi’s lips curled up into a crooked smile. Then, she glared fiercely at Huang Shang and the others before rushing towards Yun Liuli’s room with Sima Qiang.

“Bang!”

Sima Qiang slapped out with his palm. The palm force was vigorous, as if it could pierce through the clouds and split rocks!

The door of the room was directly broken open.

In an instant.

Everything inside the door could be seen clearly.

“You, what did you do?”

Sima Qiang looked at Yun Liuli, who was putting on her clothes, and the muscular Wang Miaoshou, who was standing at the side. A puzzled expression appeared on his face.

“Sima Qiang?”

Yun Liuli was stunned, and her gaze turned fierce.

She stared at Sima Qiang and Lu Yi, who was beside Sima Qiang, with a murderous look on her face.

If looks could kill, then she would have killed Sima Qiang a hundred times, ten thousand times!

“Lu Yi, it’s really you?”

“You really colluded with Sima Qiang? Why?”

Yun Liuli looked at Lu Yi and asked in confusion.

“Hmph, I just want the Ru Kong Holy Land. Since I can’t beat you, why can’t I find external help?” Lu Yi’s face was filled with pride, and she even pretended to be a little bird that wanted to lean on Sima Qiang’s body.

“Get lost!”

However, Sima Qiang was now furious out of humiliation.

Yun Liuli's Joyous Unification Powder had already been cured, which meant that Yun Liuli and the man beside her...

He couldn't stand it!

Immediately, the aura around his body erupted, and he directly bounced Lu Yi away, crashing into a pillar at the side. His face revealed an incomparably ferocious expression.

"Young Master Sima, why did you do that?"

After being sent flying and crashing into a pillar, Lu Yi's face revealed a puzzled expression.

He had already had sex with Sima Qiang, and Sima Qiang was actually hitting him now?

"Humph, you're just a whore. You harmed your sect leader and betrayed your trust. I'm just playing with trash like you."

"Besides, you're a good-for-nothing!"

"You've messed up the task I gave you. Go to hell, trash!"

Sima Nan slapped Lu Yi.

"Boom!"

With a shocking explosion, Lu Yi directly turned into a cloud of blood mist. In an instant, he disappeared, and his soul was destroyed!

“You, you killed Lu Yi?”

Yun Liuli, who saw this scene, was completely enraged.

Sima Qiang drugged him, plotted against him, and now he was even toying with his sister!

“You deserve to die!”

Yun Liuli flew into a rage. Rainbow divine light began to emanate from her body. The divine light turned into a torrent that shot towards Sima Qiang.

“Bang!”

The seven-colored divine light gathered and seemed to be able to tear through space and shatter everything!

“Hmph, since you’re no longer a virgin, there’s no point in keeping you alive. Then you’ll die today!”

Sima Qiang said coldly, and his aura also erupted!

Chapter 240: Sima Qiang, Dead!

“Roar!”

With a heaven-shaking roar, a huge force suddenly condensed into a huge black horse behind Sima Qiang.

The black horse appeared out of thin air. Its body was covered in black scales. The scales were dense and emitted a cold light!

“Death Horse, devour!”

Sima Qiang grunted angrily, and black gas erupted around him. The horse of death headed straight for Yun Liuli’s seven-colored divine light.

“Roar!”

The black horse shouted loudly and spat out a black aura from its mouth.

The black aura instantly engulfed the seven-colored divine light.

“Bang!”

The boundless rainbow divine light disappeared, and the black horse stepped on Yun Liuli’s chest, sending her flying.

“Puff!”

Yun Liuli suddenly spat out a mouthful of blood, causing the large bed behind her to shatter into pieces!

It was not until it circulated its true essence that it managed to half-kneel on the ground and barely support itself.

“You deserve to die!”

“You deserve to die!”

Sima Qiang roared angrily and looked at Wang Miaoshou.

“I don’t care where you came from or what power you have behind you. If you dare to touch my people, I want you dead!”

“I want you dead!”

Sima Qiang said angrily as he drove his black horse towards Wang Miaoshou.

“What’s going on?”

Wang Miaoshou, who was packing up her medicine box, revealed a puzzled expression.

It seemed like he hadn’t done anything!

“No!”

Yun Liuli watched as the black horse flew towards Wang Miaoshou. She immediately ignited her true essence and blocked in front of Wang Miaoshou.

Wang Miaoshou had used her medical skills to save her. She had not been seriously injured, nor had she lost face.

It was her benefactor!

Even though she knew that her benefactor was powerful and did not fear this dark horse, she could not let her benefactor be offended like this!

“Bang!”

Another collision.

In an instant, Yun Liuli was sent flying for the second time. This time, all the bones in her body collapsed, and she fell to the ground, unable to move!

“B \* tch! B \* tch! He was actually protecting someone else at this time!”

“I must let you see with your own eyes today that I will skin him alive!”

Sima Qiang roared in rage. His face was filled with rage and malevolence. His boundless aura once again drove the black horse, trampling directly towards Wang Miaoshou.

“Roar!”

The black horse neighed, its four legs kicking like mountains.

“This is ridiculous!”

“However, I have never liked people who poison people.”

Wang Miaoshou shook his head and directly clenched his fist, smashing it towards the black horse.

“Hahaha, I’m dying of laughter!”

“He actually wants to use his physical body to receive my attack? He’s simply delusional. Death Horse, crush him!”

Sima Qiang sneered.

This was the first time he had seen such a Godly King who was not prepared to use true essence and wanted to block his killing move.

How ridiculous!

However, just as he was about to watch Wang Miaoshou disappear under the stomping of the Horse of Death, he was stunned.

What happened next shocked him!

“Kacha!”

Wang Miaoshou’s punch directly shattered the black horse condensed from true essence.

The black horse of death formed by the vital essence dissipated in the space. Boundless power directly spread out in the space!

“How is that possible?”

Sima Qiang was incomparably shocked, his face filled with disbelief.

However...

Before he could finish his sentence, he felt a powerful force that could not be matched. It was like a brilliant and mighty force that directly bombarded his face.

His entire face began to twist!

All his teeth were knocked out!

“Puff!”

Sima Qiangkuang coughed out a mouthful of blood and turned into a cloud of blood mist before disappearing!

He was completely killed!

“Dead?”

Yun Liuli looked at everything in front of her in a daze, her face filled with shock. She had even completely forgotten about the pain in her body!

She knew that Wang Miaoshou was very powerful!

In the process of detoxifying her, Wang Miaoshou forcefully pressed him onto the bed, and then a bloody wound appeared on his arm!

The poison flowed out of the wound.

No matter how much he resisted, he could not struggle.

Wang Miaoshou’s strength was the strongest she had ever seen.

Initially, she thought that Wang Miaoshou was already very strong. But now, after seeing Wang Miaoshou kill Sima Qiang with a single punch, she knew that Wang Miaoshou’s strength had far exceeded her imagination!

“Sigh, how troublesome. I have to treat you a second time.”

“This is troublesome!”

Wang Miaoshou shook her head and looked at Yun Liuli, who was lying on the ground. She walked over and used her own technique to reattach Yun Liuli's bones.

"For the next few days, just lie down."

"How about this? I'll give you an injection!"

"This is the latest injection technique I developed and learned from Master. It can help you recover in the shortest time possible!&

"I still want that flower."

Wang Miaoshou shook his head. He did not have much time now.

He had to get the flower immediately.

"An injection?"

Yun Liuli was slightly taken aback, not understanding what he meant.

At that moment, Huang Shang and the others ran over. Seeing the heavily injured Yun Liuli on the ground, they hurriedly helped her up.

"Senior wants to give you an injection?"

Huang Chang was stunned, then her face lit up with joy.

"Sisters, please leave."

Huang Shang called out, and she was left alone. She whispered something into Yun Liuli's ear, then a smirk appeared on her face and she left as well.

When Yun Liuli heard Huang Shang's words, a blush instantly appeared on her fair and pretty face!

"This, I..."

H j H

Yun Liuli closed her eyes, her pretty face blushing. Because she was nervous, her entire body was heaving up and down.

However...

All of a sudden, she felt a slight stabbing pain on her skin. It was as if there was some kind of liquid flowing through the meridians in her arm and into her dantian.

Soon after.

An extremely warm aura instantly spread and erupted!

"Buzz!"

Yun Liuli's body began to emit a white glow.

The white light began to envelop his entire body, enveloping him completely.

Then, her body began to undergo a huge change.

Yun Liuli felt as if there were thousands of ants biting her inside her body.

As the ants bit her, Yun Liuli's flesh, bones, meridians, and everything else grew rapidly!

Finally.

Fifteen minutes later!

With a loud sound, Yun Liuli flew up from the ground.

His entire aura became even sharper than before, and it contained even more terrifying aura.

"I broke through?"

Yun Liuli was overjoyed, her face filled with joy.

"Thank you, Senior!" She hurriedly thanked Wang Miaoshou.

"No need, don't give me these empty promises.. Just give me the Void Flower!"
