

Beasts 271

Chapter 271: Explosive Flame Lion (1)

After Li Wushuang and the others left, other demonic beasts slowly walked into the cave.

The bewitching man picked up his wine cup and took a sip. Then, he said to a demonic beast beside him,

“Yellow One, there hasn’t been anything unusual with the passion fruit these past few days, right?”

After Huang Yi heard the charming man’s words, he said respectfully,

“Forefather, we have people guarding the passionfruit day and night.”

After the bewitching man heard Huang Yi’s words, he slowly nodded and continued,”

“Yellow One, I’ll go to the passionfruit personally. Keep a close eye on Li Wushuang and the others. If there’s anything unusual, tell me immediately.”

“Huang Er, give the order to investigate what Li Wushuang and the others have been up to.”

H 11

The bewitching man issued orders one after another, and the demon beasts immediately carried them out.

After the beasts left, Yellow One said to the charming man,”

“Forefather, is there a problem with Li Wushuang? If they are here for the relic, I can bring some people to...”

At this point, Yellow One made a knife gesture.

“No need. Just watch them. You’ll know the rest in the future.”

The bewitching man replied slowly after he heard Huang Yi’s words. Then, he waved his hand at Huang Yi.

“Patriarch, I understand. I’ll do it now.”

Huang Yi knew that the old ancestor was telling him not to ask any more questions. After bowing to the charming man, he left.

After Yellow One left, the bewitching man played with the wine cup in his hand. His eyes flickered, and no one knew what he was thinking.

After all, he was an old demon who had lived for many years. If he did not have his own little plan, how could he advance to the God Emperor Realm?

Outside the Coiling Dragon Mountain Range, a woman was walking at the front, followed by a few men.

From the looks of it, they were a small team, and this woman was their leader.

Moreover, from their clothes that had a dragon carved on them, it could be seen that their backgrounds were not weak.

“Miss, let’s go back. If the sect master finds out, we won’t be able to keep our lives.”

A man walked behind the woman and slowly advised her.

“What are you afraid of? With me here, Father won’t do anything to you. It wasn’t easy for you to escape. No matter what, you have to kill a few demon beasts before returning.”

The woman had a valiant and valiant aura. When she spoke, she clenched her small fists tightly and looked like she was fighting.

Hearing the woman’s words, the other cultivators behind her sighed and quickly followed.

They were the disciples of the Hidden Dragon Sect, and the person in front of them was the daughter of the Hidden Dragon Sect’s sect master.

They didn’t just know that their young miss liked to fight. It was just that this Coiling Dragon Mountain Range was really too dangerous.

If anything happened, they would lose their lives.

Soon, they were about to enter the territory of the Coiling Dragon Mountain Range where the demonic beasts often appeared. A man was a little worried, so he walked up to the Hidden Dragon Saintess and said,”

“Miss, I think there’s something unusual about the Coiling Dragon Mountain Range today. Let’s go back. The sect master is going to compete with Patriarch Qingfeng tomorrow. We don’t want him to worry.”

“Yes, yes, I know. Let’s walk for a while more. If there’s nothing else, we’ll go back.”

Hearing the Hidden Dragon Sect cultivator’s words, the woman only replied impatiently and continued walking forward.

This Coiling Dragon Mountain Range was not as dangerous as the legends said. Up until now, they had not seen a single demon beast.

“Roar!”

Just as the woman took a step forward, she heard a roar. Then, a lion covered in flames walked out from behind a tree.

“This is an Explosive Flame Lion!”

A Hidden Dragon Sect disciple said in horror the moment he saw the fiery red lion.

“Don’t panic, let me do it.”

When the Hidden Dragon Saintess saw the lion, she was excited and rushed towards it.

The ring on her hand flashed and the broadsword appeared in her hand.

“Eat my blade!”

The Hidden Dragon Saintess shouted and hacked the lion’s head with her saber.

Bang! After being hit by the saber, the Explosive Master’s body flew backward and crashed into a big tree.

“Miss, are you alright?”

After the Hidden Dragon Saintess defeated the lion, the Hidden Dragon Sect cultivator walked up and asked her with concern.

The Flaming Lion was a common demonic beast in the cultivation world. They lived in groups.

Moreover, he was born with the talent to be close to the fire element. His mastery of the Flame Law could be said to be an expert in the demon beast world.

Fortunately, the Explosive Inferno Master that they encountered did not seem to be very powerful. It had the strength of a god, just like them.

Roar! Being attacked by the Hidden Dragon Saintess, the Inferno Lion roared angrily.

The true essence on his body slowly condensed, forming a few fireballs on his back.

Roar! The Inferno Lion roared and the fireball flew toward the Hidden Dragon Saintess.

Seeing the incoming fireball, the Hidden Dragon Saintess and the others quickly jumped off the ground, and the fireball hit the ground.

“Good fellow!”

The Hidden Dragon Saintess said excitedly as she looked at the fallen leaves and branches on the ground that had turned into ashes after being hit by the fireball.

He charged at the lion again and slashed at it with his saber.

Roar! The Inferno Lion was naturally unwilling to fall behind. It also roared angrily and opened its mouth to face it.

“Help Miss!”

The few Hidden Dragon Sect cultivators looked at each other and then flashed to the side of the lion.

True essence gathered on his body, and all kinds of spirit skills flew out from the hands of the Hidden Dragon Sect cultivator.

Bang! After being hit by so many spirit skills, the Fiery Lion fell to the ground and did not stand up again.

“What are you guys doing?”

The Hidden Dragon Saintess was naturally a little angry when the battle was suddenly interrupted. She questioned the group of Hidden Dragon Sect cultivators.

“No, Miss. We should go back now.”

A Hidden Dragon Sect cultivator smiled at the Hidden Dragon Saintess.

The reason why they had attacked earlier was also because the Fiery Lion was a demonic beast that lived in groups.

If they quickly dealt with him, they would attract more Fiery Lions and they would not be able to escape.

The Hidden Dragon Saintess stomped her feet in anger when she saw the smile on the Hidden Dragon Sect cultivator’s face.

He looked up at the sky and remembered that tomorrow was the day of the sect master’s battle.

He glared at the Hidden Dragon Sect cultivator unwillingly and was about to get up and go back.

It was not that she really wanted to go back, but if her father found out, he would definitely keep a close eye on her and it would be even harder for her to walk out.

When the Hidden Dragon Sect cultivators saw that the Hidden Dragon Saintess was willing to go back, they heaved a sigh of relief.

Roar! Roar! Roar!

However, they had only taken a few steps when a series of angry roars came from behind them..

Chapter 272: What Bad Luck, Encountering a Mortal (1)

What was going on?

The group of Hidden Dragon Sect cultivators looked behind them and saw that there were many Inferno Lions glaring at them.

" Not good! Protect Miss!"

In the crowd, a Hidden Dragon Sect cultivator shouted and then picked up the weapon at his waist, looking like he was facing a great enemy.

When the Hidden Dragon Saintess heard the furious roar of the lion again, she was delighted and turned around to fight.

After seeing that there were actually so many Inferno Lions behind him, the fighting spirit in his heart was instantly extinguished.

In her perception, these Explosive Inferno Lions were only stronger than her.

"Father said that Explosive Inferno Masters are demonic beasts that live in groups, but I didn't expect there to be so many of them. Let's hurry back."

At this moment, the Hidden Dragon Saintess finally said that she was going back.

Although she was aggressive, she also cherished her life. She would not be so stubborn as to fight with so many powerful demon beasts.

As soon as the Hidden Dragon Saintess finished speaking, a group of Hidden Dragon Sect cultivators began to protect her and escape out of the Coiling Dragon Mountain Range.

Among the lions, one of them, which was obviously larger than the other demonic beasts, looked at the corpse of the lion that had just been killed by the Hidden Dragon Saintess and the others.

Obviously, the inner core of this lion had been dug out by them.

With a furious roar, he said to the group of lions,

“Chase after them, don’t leave any survivors.”

In the past few days, they had just received an order from the Demon Emperor that there would be human cultivators entering the Coiling Dragon Mountain Range in the near future.

He had told them to prepare for war and be ready to fight at any time. He did not expect his youngest son to be killed by a human today.

Following the order of the Fiery Lion King, all the Fiery Lions gathered their vital essence and threw fireballs in the direction of the Hidden Dragon Saintess and the others.

Bang! Bang! Bang!

Fireballs fell from the sky like meteors, falling beside the Hidden Dragon Sect cultivators.

After a series of attacks, some Hidden Dragon Sect cultivators were hit by the fireballs and fell to the ground.

Before he could stand up, the Inferno Lion's sharp claws pressed him down and swallowed him.

"Run!"

The Hidden Dragon Saintess also knew that she had gotten into big trouble this time, so she quickly shouted.

Elsewhere, Lin Ruomiao left the small town after escaping the detection of Patriarch Clear Wind and the others. She went to the outer perimeter of the Coiling Dragon Mountain Range alone.

Looking at the parchment in her hand, Lin Ruomiao muttered,"

"If we enter from here, it's because it's the closest and there are fewer demon beasts along the way."

After confirming the route, Lin Ruomiao kept the parchment back into her interspatial ring and walked towards the Coiling Dragon Mountain Range.

After walking for a distance, Lin Ruomiao frowned and looked ahead.

At this moment, in her line of sight, a woman and a few cultivators behind her were dressed in a sorry state, and behind them, there were Explosive lions.

"Flaming Lion."

Lin Ruomiao saw the Inferno Lion behind the Hidden Dragon Saintess and recognized them at a glance.

As the Hidden Dragon Saintess and the others were fleeing, they suddenly saw Lin Ruomiao appear in front of them.

Delighted, the Hidden Dragon Saintess waved at Lin Ruomiao and said,”

“Fellow Daoist up ahead, I am the Hidden Dragon Sect’s Holy Maiden. If you can help me, I will definitely reward you handsomely.”

Lin Ruomiao continued walking forward after hearing the Hidden Dragon Saintess ‘words. She showed no signs of helping.

Now, she no longer had much sympathy for these cultivators. The strong preyed on the weak, which was the eternal law of the cultivation world.

Seeing that Lin Ruomiao was ignoring them, a Hidden Dragon Sect cultivator couldn’t help but glance at her.

Then, he said to the Hidden Dragon Saintess,”

“Miss, that person doesn’t seem to have any aura. He seems to be a mortal.”

“Mortals?”

The Hidden Dragon Saintess said in surprise as she ran.

In the Immortal Realm, mortals were a rare species. It was not easy to meet a person. He thought that he was a top-notch expert, but he did not expect that he was just a mortal.

Today, his luck could be said to be extremely unlucky. He actually met a mortal.

A cultivator beside the Hidden Dragon Saintess said to her,”

“Miss, I think that this mortal will definitely become food for the demonic beasts after entering the Coiling Dragon Mountain Range. Why don’t we let her contribute to us before she dies?”

The Hidden Dragon Sect disciple looked at the approaching lion. At this speed, they would be caught up sooner or later.

Then, he pulled the Hidden Dragon Saintess and ran towards Lin Ruomiao.

“You want to...”

The Hidden Dragon Saintess clearly understood what this cultivator meant. They could use the time the Explosive Inferno Master had to devour Lin Ruomiao to travel a little further. Perhaps they could leave the Coiling Dragon Mountain Range.

With this thought in mind, the Hidden Dragon Saintess didn’t plan to stop this cultivator.

Forget it, this mortal is going to die anyway. It’s not a good thing to lose my life.

Lin Ruomiao looked at the Hidden Dragon Saintess and the others who were running towards her, but her expression didn’t change and she continued walking on her own.

When the Hidden Dragon Saintess and the others passed by her, they looked at her as if she was a dead person.

Roar! The Inferno Lion arrived in front of Lin Ruomiao in the blink of an eye.

He looked at Lin Ruomiao with contempt and the sharp claws in his hands were about to attack him.

Lin Ruomiao’s expression remained unchanged as she slowly walked over.

With a flash of light, the lion fell to the ground and did not get up again.

Bang! The sound of the lion hitting the ground naturally caused the Hidden Dragon Saintess and the others to react.

What was going on?

The Hidden Dragon Sect cultivator who had suggested using Lin Ruomiao as a shield looked at the Inferno Lion on the ground with a puzzled expression.

When the Inferno Lions saw their companion fall, they stopped in their tracks.

Seeing that Lin Ruomiao was still advancing, he exchanged glances with her before letting out a furious roar.

“Attack together.”

A group of lions rushed forward. Lin Ruomiao finally reacted. She paused for a moment, and an emotionless voice came out of her mouth.

“Skyblade, Wind Killing Blade!”

As the voice fell, the Hidden Dragon Sect’s Saintess and the others felt their eyes flash.

After leaving a few afterimages in the air, the group of lions fell to the ground one after another.

This...

The Hidden Dragon Saintess and the others looked at the scene in front of them. They were so shocked that they could not say anything.

Even when they saw the Hidden Dragon Sect’s sect master make a move, it did not give them such a huge shock.

“How is this a mortal? He’s clearly a senior with a heavenly cultivation base.”

The Hidden Dragon Saintess muttered. The Hidden Dragon Sect cultivator who had planned to use Lin Ruomiao as a shield was drenched in sweat.

He had actually used a peerless expert as their shield just now.

With this senior’s cultivation, how could their actions escape his eyes?

With this thought in mind, they saw Lin Ruomiao standing in front of them. She turned around and glanced at them.

The moment she stared at him, the Hidden Dragon Sect cultivator felt as if his head would fall to the ground in the next second..

Chapter 273: The Eve of the Competition

When the Hidden Dragon Saintess saw Lin Ruomiao’s gaze, her body trembled instinctively. She said to Lin Ruomiao,”

“How many times have we...Thank you for saving my life, Senior.”

As the Hidden Dragon Saintess finished speaking, the other Hidden Dragon

Sect cultivators lowered their heads and said,”

“We thank Senior for saving our lives.”

Lin Ruomiao glanced at them indifferently before turning her head and continuing forward.

Looking at Lin Ruomiao's back, a Hidden Dragon Sect cultivator couldn't help but say to the Hidden Dragon Saintess,"

"Miss, I think it's better for us to report this matter to the old master when we return. Such an expert suddenly appeared in the Coiling Dragon Mountain Range and we have offended him..."

"Yes, yes. I still have to go back and report this matter to Father. I'll apologize to him later."

The Hidden Dragon Saintess nodded in agreement.

Although she was usually aggressive and mischievous, she still had a basic judgment in this kind of situation where her family might be wiped out.

Even her father found it difficult to deal with the lion, but it was easily dealt with by this senior.

This was enough to show that the senior just now just disdained to pay attention to them.

The town's central square

This square was originally designed for the recruitment of small teams of cultivators who went to the Coiling Dragon Mountain Range to hunt.

At this moment, the square was surrounded by a large group of cultivators, and the entire square was surrounded.

"Hey, who do you think will win today's competition? Is it Patriarch Qingfeng or the Hidden Dragon Sect's sect master?"

In the crowd, a cultivator patted the shoulder of a person beside him and slowly said.

“It’s hard to say. Patriarch Clear Wind and the Hidden Dragon Sect’s sect master are both Godkings.”

“But that doesn’t matter. The important thing is to choose a powerful alliance master. When we enter the mountain to search for treasures, it will be easier to deal with the demon beasts in the Coiling Dragon Mountain Range.”

Another cultivator shrugged and said indifferently.

“Look, the people from the Clear Wind Sect are here.”

A cultivator pointed at the figures at the entrance of the square and said excitedly.

Accompanying the sound of his voice falling, everyone’s gaze gathers at the entrance of the square.

A group of green-robed elders of the Clearwind Sect and Patriarch Clearwind were slowly walking towards the square.

Wherever they went, the cultivators around the square automatically made way for them.

After sitting down on a chair at the side of the square, Patriarch Qingfeng scanned the entire square with his spiritual sense and slowly said,

“He really knows how to put on airs. That old fellow, Qian Long, I will definitely become the alliance leader today and avenge Feng ‘er.”

On the other side, at the entrance of the Hidden Dragon Sect, a group of Hidden Dragon Sect elders were already prepared. They looked like they could set off at any time.

At this moment, a middle-aged man with a face full of stubble looked into the distance with an anxious expression. He said to a white-haired old man beside him,

“How is it? Did you find Ling ‘er?”

Hearing the middle-aged man’s words, the old man replied,

“Sect Master, I’ve already sent people out to look for her. I believe we’ll be able to find the Saintess soon.”

“Very soon? It had been so long, but not only did he disappear, but he couldn’t find her even if he went to look for her. What a bunch of good-for-nothings.”

The Hidden Dragon Sect’s sect master was clearly a little angry when he heard the old man’s reply. He cursed at everyone.

On the other side, a Hidden Dragon Sect elder with a long beard walked to the side of the Hidden Dragon Sect master and slowly said to him,

“Sect Master, it’s about time to set off. Otherwise, if we miss the time, the alliance leader will be snatched by the Qingfeng Sect.”

The Hidden Dragon Sect’s sect master coldly snorted when he heard the old man’s words. He waved his arm and said to the white-haired old man,

“Stay here and continue to look for Ling ‘er. Remember, when I come back, I want to see Ling’ er in front of me.”

The white-haired old man hurriedly agreed upon hearing the words of the Hidden Dragon Sect’s sect master.

The Hidden Dragon Sect’s sect master whistled when he saw how submissive the elder was.

Then, a black tiger ran out of the sky and roared.

After riding on the black tiger's back, the Hidden Dragon Sect's sect master and a few elders turned into a stream of light and flew towards the town square.

Not long after the Hidden Dragon Sect Master left, the Hidden Dragon Saintess and her group slowly appeared at the entrance of the Hidden Dragon Sect.

When a Hidden Dragon Sect cultivator saw them, he hurriedly said to the white-haired old man who had just walked in,

"Elder Li, the young miss is back, the young miss is back."

The white-haired old man quickly turned around and walked out of the door.

Then, he saw the Hidden Dragon Saintess whose face was covered in dust. He quickly walked up and said to her,"

"Holy Maiden, you're finally back. The sect master has been looking for you for a long time."

The white-haired old man was also a little worried when he saw the Hidden Dragon Saintess covered in dust.

When the Hidden Dragon Saintess saw the white-haired old man, she said to him in embarrassment,"

"I'm sorry, Uncle Li. I've made you worry. Where's father? I have something important to tell him."

"Sect master, the sect master has already gone to the square to compete with Patriarch Qingfeng."

The white-haired old man quickly responded to the Hidden Dragon Saintess ■question.

The Hidden Dragon Saintess said to the white-haired old man with a smile when she heard that the Hidden Dragon Sect Master had gone to compete.

“I understand. Thank you, Uncle Li.”

Then, he turned into a stream of light and flew toward the town square.

“Holy Maiden, you just came back. Are you alright?”

The white-haired old man asked worriedly when he recalled the Hidden Dragon Saintess’s dejected look.

However, the Hidden Dragon Saintess had already disappeared from his sight.

When the white-haired old man saw the other Hidden Dragon Sect cultivators staring at him in a daze, he could not help but curse.

“Why are you still standing there? Hurry up and follow me.”

Upon hearing the white-haired elder’s words, the Hidden Dragon Sect cultivators seemed to have woken up from a dream and hurriedly chased after the Hidden Dragon Saintess.

It wasn’t easy to find the Saintess. If he lost her again, he would be killed by the sect master.

At the same time, in the square of the town, there was a sound of rushing wind.

The Hidden Dragon Sect’s sect master appeared on the town square on his black tiger.

“Look, the Hidden Dragon Sect’s sect master is here.”

The Hidden Dragon Sect's sect master appeared and the crowd also heard many voices supporting him.

Patriarch Qingfeng, who was sitting on a chair in the square, opened his narrowed eyes.

"Finally, the arrival of the 0"

With that, Patriarch Qingfeng's figure flashed and he appeared in front of the Hidden Dragon Sect Master.

"Qian Long, you are really impressive."

Standing opposite the Hidden Dragon Sect Master, Patriarch Qingfeng said slowly to him.

"Qingfeng, cut the crap and end the battle quickly. I still have other things to do.""

The Hidden Dragon Sect's sect master was already a little angry when he arrived, and now he was even more impatient..

Chapter 274: Alliance Leader Qingfeng (1)

As soon as the Hidden Dragon Sect Master finished speaking, he gathered the true essence in his body and raised his arm. A bronze saber appeared in his hand.

Bang! The Hidden Dragon Sect's sect master jumped out of Black Tiger's body and appeared in front of Patriarch Qingfeng.

The saber in his hand slashed down at Patriarch Qingfeng.

Bang! The saber pierced through Patriarch Clear Wind's shadow and landed heavily on the ground, creating a series of shattered rocks.

"Good!"

As Patriarch Qingfeng and the Hidden Dragon Sect Master began to fight, shouts began to ring out from the side of the arena.

To them, it was not just the process of the alliance leader selection. To them, watching the battle between Godly Kings was also infinitely beneficial to their cultivation.

"Qian Long, you've bullied my Clear Wind Sect too much. I don't need to tell you what you've done recently."

Patriarch Clear Wind shouted at him coldly after dodging the Hidden Dragon Sect Master's attack.

Hearing Patriarch Qingfeng's words, the Hidden Dragon Sect's sect master was a little confused.

What have you been doing recently? He didn't have any deep hatred with the Clear Wind Sect, so why would he attack him?

Just as the Hidden Dragon Sect Master was dumbfounded, Patriarch Clear Wind's attack came.

"Four Wind Blades!"

Patriarch Qingfeng shouted, and the pale green vital essence on his body slowly gathered, forming wind blades around his body.

Whoosh! Whoosh! Whoosh!

The moment the wind blades were formed, they flew towards the Hidden Dragon Sect Master from all directions.

Humph! The Hidden Dragon Sect Master snorted coldly, and the True Essence on his body formed a defensive barrier around him.

Bang! Bang! Bang!

The wind blades struck the Stellar Energy, creating a series of sounds.

“Qian Long, today I will avenge Feng ’er.”

Wind blades flew out of Patriarch Qingfeng’s body as he shouted at the Hidden Dragon Sect Master.

Revenge? Hearing Patriarch Qingfeng’s words, the Hidden Dragon Sect Master felt that Patriarch Qingfeng was getting more and more ridiculous.

Stellar Energy erupted from his body, and a tyrannical aura instantly spread out, destroying the surrounding wind blades.

“Qingfeng, what nonsense are you spouting? When did I attack your sect?”

The wind blades disappeared, and the Hidden Dragon Sect’s sect master shouted at Patriarch Clear Wind in the sky.

“Nonsense, then why did you say that I, Feng ’er, am half dead?”

Patriarch Qingfeng did not believe the Hidden Dragon Sect Master’s explanation. His figure flashed, and wind blades appeared in his hands, attacking the Hidden Dragon Sect Master.

The Hidden Dragon Sect Master suddenly remembered something when he saw Patriarch Qingfeng's expression.

His Ling 'er's disappearance, could it be that this old man Qing Feng thought that he had beaten up their Saint Child and was taking revenge on him?

As he thought of this, the Hidden Dragon Sect Master felt that the possibility of this was getting higher and higher. Immediately, he was filled with anger. "Qingfeng, did you take my Ling 'er away?"

The Hidden Dragon Sect Master raised the saber in his hand and charged at Patriarch Qingfeng.

Bang! The wind blade collided with the saber, and a loud sound was heard.

At the same time, it was Patriarch Qingfeng's turn to be dumbfounded. He hadn't captured their Saintess.

Could it be someone else in the Clear Wind Sect? No, it should be this old thief who was shouting to catch him, trying to disturb his mind.

With that thought in mind, Patriarch Qingfeng's attacks became even more fierce.

What was originally a competition for the position of the alliance leader had now become a battle of grudges between the two families.

The cultivators watching by the side naturally did not know about this.

In their field of vision, they could only see the figures of Patriarch Qingfeng and the Hidden Dragon Sect's sect master clashing continuously.

As for the sounds of their conversation, they had long been drowned out by the sounds of fighting.

At the same time, a figure appeared at the periphery of the square. It was the Hidden Dragon Saintess who had rushed over from the Hidden Dragon Sect.

After the Hidden Dragon Saintess arrived, a few Hidden Dragon Sect cultivators also landed behind him.

After the Hidden Dragon Saintess landed on the ground, she quickly squeezed through the crowd.

“Make way, make way!”

When the Hidden Dragon Sect cultivators saw the Hidden Dragon Holy Virgin walking forward, they hurriedly opened a path for her.

The cultivators who were squeezed wanted to say something, but when they saw the hidden dragon costumes on their bodies, they smacked their mouths and shut them up.

Soon, the Hidden Dragon Saintess arrived in front of the square with the help of the Hidden Dragon Sect cultivators.

When a Hidden Dragon Sect elder saw her, he hurriedly called her over.

“Holy Maiden, you’re finally here. Do you know how hard it was for the sect master to find you?”

The bearded elder looked at the Hidden Dragon Saintess in front of him and said resentfully.

The Hidden Dragon Saintess stuck out her tongue and looked up at the sky.

“Hidden Dragon, let’s decide the victor in one move.”

Patriarch Qingfeng and the Hidden Dragon Sect Master had already fought hundreds of rounds. At this moment, he slowly said to the Hidden Dragon Sect Master.

“That’s exactly what I want.”

The Hidden Dragon Sect Master laughed when he heard Patriarch Qingfeng’s words.

“Glory of Wind, Meteorite!”

” Hidden Dragon Slash!

As their voices rang out, a huge bow formed from true essence appeared behind Patriarch Qingfeng, and a huge arrow was slowly forming on it.

The sect master of the Hidden Dragon Sect also gathered the true essence in his body onto the large saber in his hand. Accompanied by a low dragon roar, the phantom of a flood dragon appeared at the edge of the saber.

Both sides were preparing their own big moves, ready to use this attack to determine the winner.

“Daddy, you can do it!”

Just as the Hidden Dragon Sect Master and Patriarch Qingfeng’s skills were about to collide, the Hidden Dragon Saintess’s voice slowly traveled over.

Hearing the Hidden Dragon Saintess’s voice, Patriarch Qingfeng snorted and said to the Hidden Dragon Sect Master,”

“Qian Long, you still said that your Saintess was captured by me. Now look at who’s down there.”

The Hidden Dragon Sect’s sect master didn’t know what to say to Qingfeng Patriarch’s question. The Hidden Dragon Saintess’s voice had naturally fallen into his ears.

In the blink of an eye, the Hidden Dragon Sect's attack was actually half a beat slower than Patriarch Clear Wind's arrow.

Bang! A powerful wave of air came out from the sky, and a gust of wind blew across the faces of the cultivators present.

After the violent wind passed, everyone's eyes looked towards the center of the square.

The Hidden Dragon Sect Master and Patriarch Qingfeng stood at the side of the square without saying a word.

A moment later, the Hidden Dragon Sect's Patriarch Qing Feng said slowly:"

"I lost. You will be the alliance leader."

The Hidden Dragon Saintess 'words had slowed him down by half a beat. However, the Hidden Dragon Sect Master was already very happy that his daughter could return.

As the Hidden Dragon Sect's sect master's voice fell, the figures of the Hidden Dragon Sect's elder and the Clear Wind Sect's elder slowly appeared on both sides.

They all cast concerned looks and greetings to their sect masters and ancestors.

" Alliance Leader Qingfeng!"

After the cultivators heard that Patriarch Qingfeng had become their alliance leader, they cheered..

Chapter 275: Swear to the Heavenly Dao (1)

Amidst the clamor of the crowd, Patriarch Qingfeng adjusted his body's weakness from the consumption of his true essence.

After adjusting himself, Patriarch Qingfeng said to the crowd below,

"I am indebted to everyone's favor for allowing me, Qing Feng, to be the alliance leader for everyone. I also promise that I will not mistreat everyone during this treasure hunt in the Coiling Dragon Mountain Range."

"The sacred object of the Coiling Dragon Mountain Range has appeared for a period of time. Now, everyone go back and prepare. In a few days, we will enter the Coiling Dragon Mountain Range together."

Hearing that they were about to enter the Coiling Dragon Mountain Range to search for treasures together, the cultivators below the stage also let out deafening cheers of joy.

Then, these cultivators left the town square and prepared to salvage the Coiling Dragon Mountain Range.

Among this group of cultivators, a black-robed cultivator looked at the Hidden Dragon Sect Master and Patriarch Qingfeng and muttered,

"Two Godkings are quite a powerful force in the vicinity of the Coiling Dragon Mountain Range. I hope they can help me obtain the Passion Fruit."

"With the passion fruit, I can recover some of my strength. I don't have to live so cautiously. Then, I'll go find the main body."

This cultivator was wrapped tightly. After the group of cultivators left, he also slowly followed behind the crowd.

He did not leave any footprints wherever he went, as if he had never been here before.

As these cultivators slowly left, the square of the small town became deserted again.

Looking at the Hidden Dragon Sect Master who was still opposite him, Patriarch Qingfeng slowly said,

“Hidden Dragon, you didn’t expect this, did you? You’ve schemed so much, but the Alliance Master is still in my hands.”

“You still say that I captured your Holy Maiden? It’s clearly you who injured my Holy Son, okay?”

The Hidden Dragon Sect Master also knew what Patriarch Qingfeng was talking about.

However, when they entered the Coiling Dragon Mountain Range to search for treasures, they would suffer great losses.

He then said to the Hidden Dragon Saintess,”

“Ling ‘er, where have you been recently?”

The Hidden Dragon Saintess also knew about the trouble she had caused previously, so she immediately told everything that she had encountered in the Coiling Dragon Mountain Range to the Hidden Dragon Sect Master and the others.

The Hidden Dragon Saintess still had a lingering fear when she mentioned Lin Ruomiao.

“If it wasn’t for Senior’s disdain to pay attention to us, I’m afraid that we would have already become corpses lying in the Coiling Dragon Mountain Range like those Explosive Flame Lions.”

Hearing the words of the Hidden Dragon Saintess, everyone looked thoughtful. As for Patriarch Qingfeng, he waved his sleeve in disdain and said slowly, “Little girl, are you making up a story to deceive me? If there are other human experts near the Coiling Dragon Mountain Range, how can we not

know?” According to the Hidden Dragon Saintess, Lin Ruomiao must be at least a King God Realm expert to be able to kill so many Inferno Lions in an instant.

However, the only Godkings who came to the Coiling Dragon Mountain Range to search for treasures were him and the Hidden Dragon. If there were other Godkings, how could they not know?

According to the Hidden Dragon Saintess ‘description, the senior was wearing a white dress and had long hair.

In his impression, the Divine Realm did not have a Divine King powerhouse that matched this characteristic.

As for the hidden old monster, it was even more impossible. If it was a hidden old monster, how could he let the Hidden Dragon Saintess and the others come back for the sake of peace?

Hearing Qingfeng’s words, the Hidden Dragon Saintess was a little angry. She said slowly,”

“No, I’m telling the truth.”

The Hidden Dragon Sect Master knew that although his daughter was aggressive and mischievous, she would not lie about such matters.

He immediately said to Patriarch Qingfeng,

“Qingfeng, don’t be so sarcastic. I believe what Ling ‘er said. Also, I didn’t deal with your Saint Child at all.”

“Oh, then do you dare to swear to the Heavenly Dao?”

Patriarch Qingfeng said slowly.

Swearing to the Heavenly Dao meant that one could not cheat. Otherwise, one would be deceiving the heavens. The Heavenly Tribulation was not something that anyone could withstand.

Hearing Patriarch Qingfeng's words, the Hidden Dragon Sect's sect master took a step forward and slowly said,

"If I say no, I mean no. Why wouldn't I dare?"

He pointed at the sky and said slowly,

"I, Hidden Dragon, swear to the Heavenly Dao that I have never done anything to harm the Clear Wind Sect's Saint Child. If I have, I am willing to suffer..."

As the Hidden Dragon Sect Master's voice fell, a mysterious force descended on his body.

When Patriarch Qingfeng saw the Hidden Dragon Sect Master swearing to the Heavenly Dao, he was also puzzled.

Could it be that he had made a wrong judgment? At their realm, if they lied to the Heavenly Dao, the heavenly tribulation would damage their foundation. Patriarch Qingfeng did not think that the Hidden Dragon Sect Master would joke about this. After all, he was the strongest in the entire Hidden Dragon Sect.

It was better to wait until Feng 'er woke up before asking him clearly.

After making up his mind, Patriarch Qingfeng smiled at him and said, "Brother Hidden Dragon, I hope we can cooperate well on this trip to the Coiling Dragon Mountain Range."

"Happy cooperation!"

Hearing Patriarch Qingfeng's words, the Hidden Dragon Sect's sect master also cupped his fists at him and said slowly.

After the misunderstanding was resolved, Patriarch Qingfeng and the Hidden Dragon Sect's sect master each led their own troops back to their respective sects to prepare.

In Xiao Changtian's courtyard, Elder Zhuyi was standing in front of the wall. His hands were touching every brick on the wall, and his eyes were glued to the wall.

"Yes, those guys are quite neat. There are no cracks."

Elder Zhu Yi muttered. He leaned against the wall and walked from one side to the other.

After checking the walls of the courtyard, Elder Zhuyi walked to the ground.

He bent down and pressed his ears to the ground. Then, he knocked on the floor with his hands.

After repeatedly knocking on the door a few times to make sure that there were no shortcuts, he muttered,

"The ground is not bad."

Just like that, Elder Zhuyi inspected the courtyard from inside out and looked at the courtyard that had been almost repaired.

Elder Zhu Yi also nodded in satisfaction. According to the deadline given by the senior, he had already exceeded the time limit.

If he didn't finish it soon, he was afraid that Senior wouldn't look for him in the future.

Beside Elder Zhu Yi stood God King Hong Yun, God King Hei Tian, and the others. Their faces were covered in sweat as they looked at Elder Zhu Yi.

“Everyone has worked hard. The completion of the courtyard is not without everyone’s credit. I will tell senior.”

After Elder Zhu Yi confirmed that the courtyard had been repaired, he was in a very good mood.. He looked at the God Kings in front of him and said slowly,

Chapter 276: Could They Be Calligraphy Fans Too (1)

Xiao Changtian’s courtyard.

Xiao Changtian was lying on a rocking chair in the backyard. Beside him was a stone table with a plate of fruits on it.

He picked up a grape beside him and chewed on it. Then, he picked up the white tiger lying beside the rocking chair.

After rubbing his chest a few times, he saw Elder Zhu Yi walking towards him from afar.

When Elder Zhu Yi walked to his side, Xiao Changtian also stroked the white tiger’s fur and said to Elder Zhu Yi slowly,

“Zhuyi, why are you looking for me?”

Elder Zhu Yi smiled and said to Xiao Changtian,”

“Senior, the courtyard you asked me to renovate has been completed. I specially came over to inform you.”

Hearing that the renovation of the courtyard had been completed, Xiao Changtian was delighted. He immediately said to Mu Jiuhuang,”

“Jiu ‘er, Elder Zhuyi has finished renovating the courtyard. Shall we go and take a look together?”

Hearing Xiao Changtian’s words, Mu Jiuhuang nodded in agreement.

Soon, under the lead of Elder Zhuyi, Xiao Changtian and Mu Jiuhuang arrived at the courtyard.

“Senior, is there anything else that needs to be improved?”

Elder Zhu Yi walked in front of Xiao Changtian, pointing at the wall that had been renovated.

Divine King Red Cloud and the others greeted Xiao Changtian when they saw him.

“Senior!”

Xiao Changtian smiled at them and walked to the center of the yard, looking at the renovated walls and floor.

Xiao Changtian nodded in satisfaction. When he asked Elder Zhuyi to renovate the courtyard, Xiao Changtian thought that it would be fine as long as there were no holes for rats to crawl in.

He didn’t expect the walls and floor to look so smooth. Even the top engineers in his previous life couldn’t do much.

With this thought in mind, Xiao Changtian walked into his room and took out a calligraphy painting. He handed it to Elder Zhuyi and said slowly,”

“Zhuyi, this is the reward I promised you.”

Elder Zhu Yi looked at the calligraphy in Xiao Changtian's hand, his expression was a little excited. He slowly took it from Xiao Changtian's hand.

"Thank you, Senior!"

After thanking Xiao Changtian, Elder Zhu Yi felt the Dao runes coming from the painting. This was an opportunity, a supreme opportunity.

Xiao Changtian looked at the painting in Elder Zhuyi's hand's hand and smiled.

As expected, people who loved calligraphy and paintings treated calligraphy and paintings like their lives.

He could easily make dozens of these paintings. Elder Zhu Yi only asked for a few paintings for the renovation of this courtyard. To him, this was equivalent to a free ride.

If he had time, he would make a few more sets for him.

Xiao Changtian thought to himself. Then, he saw God King Red Cloud and the others at the side.

Although he did not promise to give these people any rewards, he did not want to give them any rewards.

However, after all, he had renovated his courtyard for so long. It must not have been easy.

He still had to give them some compensation. Otherwise, how would they explain it to their families when they went home?

After all, they also needed to support their families, right?

With this thought in mind, Xiao Changtian walked to the front of Divine King Red Cloud and said to them slowly,”

“Everyone has worked hard recently. I will also give you some remuneration.”

When Divine King Red Cloud and the others heard that they would also be rewarded, they were also excited. Senior was going to give them an opportunity, an opportunity.

Then, they saw Xiao Changtian take out gold from his interspatial ring.

Xiao Changtian held a piece of gold in his hand and said to God King Red Cloud and the others,”

“This is your reward. Each of you will get one.”

When he said this, Xiao Changtian’s heart ached. This gold was his expenses for a few months.

However, he had no choice. If he did not pay them, who would dare to work for him in the future?

Looking at the gold in Xiao Changtian’s hand, Divine King Red Cloud and the others looked at each other, not understanding what Xiao Changtian meant.

Did this senior give him gold for some special reason?

Even after racking their brains, they still couldn’t come up with a reason.

Xiao Changtian saw that God King Red Cloud and God King Black Sky didn’t move. Instead, they were looking at the calligraphy in Elder Zhu Yi’s hand. His eyes were burning.

Could it be that they were also calligraphy lovers?

With this thought in mind, Xiao Changtian said to Divine King Red Cloud and the others,”

“You want the calligraphy and paintings too, but not the gold?”

God King Red Cloud and the others nodded immediately when they heard Xiao Changtian’s words.

Xiao Changtian was delighted to receive the confirmation from God King Red Cloud and the others.

He didn’t expect that this group of people were also painting enthusiasts, and they were the same as Elder Zhuyi, who didn’t want gold and wanted paintings.

This was also good. He could also save a lot of money. Moreover, although he had already reached the great success realm with the system’s enhancement, his painting was ordinary.

He could have as many of those things as he wanted.

With this thought in mind, Xiao Changtian looked at the group of Divine King Red Cloud. He couldn’t take out such a painting at the moment, so he might as well draw for them on the spot.

Then, Xiao Changtian said to Mu Jiu Huang who was following behind him,”

“Jiu ‘er, go to my study and get some ink, paper, and brushes. I want to paint for them.”

When Deity King Red Cloud and the others heard that Xiao Changtian was going to paint for them on the spot, their eyes were filled with gratitude.

After a while, Mu Jiu Huang took out all the props needed for the calligraphy and painting from Xiao Changtian’s study and placed them on the table.

“Jiu ‘er, grind!”

Xiao Changtian said to Mu Jiuhuang. Then, he walked to the table and picked up the brush on the table. After dipping it in ink, he began to draw on the white paper.

As for Divine King Red Cloud and the others, their eyes were filled with amazement as they watched Xiao Changtian's every move.

This was the Tao Aura, the Tao Aura. In the eyes of Divine King Red Cloud and the others, Xiao Changtian's every step was natural. The calligraphy and painting on the white paper revealed the Tao Aura.

As expected of a senior. Every stroke contained the principles of the Great Dao.

Looking at Xiao Changtian's painting, Divine King Red Cloud and the others also had some insights. In addition to the accumulation of the bricks and dust, their Divine King Realm had loosened up.

Blackcloud broke through the barrier of godkings and advanced to godking emperor.

"I broke through, I suddenly..."

Blackcloud Godking said excitedly. When he saw Redcloud Godking and the others glaring at him, he shut his mouth.

Then, the courtyard above Xiao Changtian turned black, accompanied by the sound of thunder.

"Not good, this is the lightning tribulation for breaking through to the God Emperor Realm."

God King Blackheaven, who had woken up from his excitement, looked at the sky above him and suddenly felt a little worried.

This senior was currently cultivating his heart in the mortal world and playing around. If his lightning tribulation disturbed him, then he would be in deep trouble..

Chapter 277: Continuous Breakthrough (1)

Xiao Changtian, who was painting, frowned when he heard the thunder. He paused and murmured,”

“What kind of weather is this?”

Although unpredictable weather was a common phenomenon in the cultivation world, it was not to the extent that there would be thunder and rain without any warning.

When Divine King Red Cloud heard Xiao Changtian’s words, he quickly gave a look to Divine King Black Heaven, asking him to leave this place and go to another place to undergo the tribulation.

“Not good, master is angry. Let me send this lightning tribulation flying.”

The old hen in the chicken coop looked up at the sky and said slowly to the other animals.

“There’s no need for that trouble. Let me do it.”

In the bamboo forest, the Chaos Ant said slowly. Then, its two antennae moved, and a light lit up.

The dark clouds in the sky disappeared, accompanied by a ray of sunlight shining down from the clouds.

With the appearance of this ray of sunlight, it also meant that God King Black Heaven had successfully broken through to the Divine Emperor Realm.

Just as God King Blackheaven was about to leave, he felt the changes in his body.

Had he advanced to the Godly Emperor realm?

God King Black Heaven felt the changes in his body in disbelief. Previously in the Divine World, he had heard that this God Emperor Lightning Tribulation was extremely terrifying.

It must be Senior who made the lightning tribulation disappear automatically.

It seems that the lightning tribulation is very afraid of Senior.

Thinking of this, aside from gratitude, Blackheaven Divine King also admired Xiao Changtian.

When Blackcloud Deity King broke through to the Deity Emperor Realm, Xiao

Changtian had also completed his first painting. He recalled the cry he had just heard.

He must have been very excited when he saw his calligraphy and painting.

After all, calligraphy lovers had unique feelings for calligraphy and painting.

With this thought in mind, Xiao Changtian picked up the calligraphy and painting in his hand and said to God King Red Cloud and the others,”

“This first painting is done. You can take it.”

Hearing Xiao Changtian’s words, Divine King Red Cloud was delighted. He walked over and took the calligraphy from Xiao Changtian. His eyes were filled with joy.

Deity King Red Cloud opened the painting in his hand and saw a red sun above the white paper. Below him was a figure sitting cross-legged.

Between the red sun and the figure, there were a few white clouds floating. This? God King Red Cloud looked at the painting and instantly entered a state of enlightenment.

In Divine King Red Cloud's spiritual world, a magnificent figure was gathering the essence of the sun to condense his own vital essence. The vital essence surging around his body was emitting a terrifying flame law.

Divine King Red Cloud looked at the scene before her in a daze. She suddenly felt that the cultivation technique she had cultivated before was of such a low level.

Senior is teaching me the Laws of Fire, allowing my strength to rise to another level.

With this thought in mind, Divine King Red Cloud carefully observed the changes in that figure in the spiritual world.

While Divine King Red Cloud was observing in the spiritual world, Divine King Red Cloud, who was in Xiao Changtian's courtyard, naturally broke through to the God Emperor Realm.

Similarly, when Divine King Red Cloud broke through, dark clouds would begin to gather in the sky above the courtyard.

However, the Chaos Ants had already predicted this. Before the dark clouds formed, they were moved elsewhere.

After successfully breaking through to Deity Emperor, Deity King Hong Yun woke up from his spiritual world. However, all of this happened in just a few seconds in Xiao Changtian's eyes.

Sensing the changes in her body, God King Red Cloud was also excited. She quickly said to Xiao Changtian,"

"Thank you, Senior."

Emperor Gourd and the others were both excited and envious when they saw Godking Red Cloud breaking through to the God Emperor Realm.

The God Emperor Realm was a realm that they could only dream of in the past. Xiao Changtian could feel the sincerity in her words and sighed in his heart. He was indeed a calligraphy lover. He was so excited when he casually made a calligraphy painting.

Xiao Changtian saw the envious expressions on the faces of the Gourd Emperor and the others, and he smiled at them.”

“Don’t worry, everyone has a share.”

Then, Xiao Changtian picked up the brush again and started to draw on the white paper.

After a while, Divine King Red Cloud and the others each had a painting. Xiao Changtian looked at their happy faces and felt very happy.

After some small talk, God King Red Cloud and the others gradually left Xiao Changtian’s courtyard.

After all, the renovation of the courtyard had already been completed, and they were too embarrassed to stay.

After exchanging pleasantries with Deity King Red Cloud and the others, Xiao Changtian returned to the rocking chair in the backyard.

After taking a sip of the glass on the stone table, he looked at Mu Jiu Huang and said slowly,”

“Jiu ‘er, Zhu Yi and the others have left, right?”

When Elder Zhu Yi and the others said that they were leaving, Xiao Changtian wanted to send them off, but they kept saying that there was no need.

Helpless, Xiao Changtian asked Mu Jiuhuang to send them away.

Hearing Xiao Changtian's words, Mu Jiuhuang replied,"

"Master, Elder Zhuyi and the others have left."

Hearing that Elder Zhuyi and the others had left the courtyard, Xiao Changtian stretched his body and took a nap on the rocking chair.

He had just finished dozens of paintings, so it was time for him to rest.

After Elder Zhu Yi and God King Hong Yun left Xiao Changtian's courtyard, they gathered together.

Elder Zhu Yi had his own residence in the town. After exchanging a few words with God King Red Cloud and the others, he bid them farewell.

For a time, only the Godly Monarchs who were moving bricks and dust were left.

Amongst the crowd, Godking Red Cloud spoke first,"

"Everyone, what are your plans next? Do you plan to return to the Divine World or?"

Divine King Red Cloud was interrupted by Divine King Dragon Subduing. "Hongyun, the situation is too small. Although we're no longer building a courtyard for Senior, if we stay in this small town and stay by Senior's side, we'll be able to help you."

"Perhaps one day, Senior will need us in some way. At that time, we will be the first to obtain the opportunity."

Upon hearing Dragon Vanquishing God King's words, God King Black Heaven and Emperor Gourd nodded in agreement.

“I think that what the dragon said is right. We might as well stay in this small town. What’s so good about returning to the Divine Realm?”

“Yes, yes. The pavilion closest to the water gets the moon first. Senior’s opportunity is rare since ancient times. We can’t waste the opportunity in our hands.”

Very quickly, the various Godly Monarchs came to an agreement. They each bought a courtyard in the small town and settled down.

As Divine King Red Cloud and the others bought houses wantonly, the prices of houses in Great Sun Town rose all of a sudden.

At the same time, in the Mystic Jade Divine Hall, there was no one in the entire hall other than Divine King Mystic Jade.

At this moment, an ancient stone floated in front of Divine King Xuan Yu.

Above the stone was the black-robed Divine Emperor’s phantom.

“Ancestor!”

When Divine King Xuan Yu saw the black-robed Deity Emperor, he knelt down on one knee..

Chapter 278: This Is the Mortal Who Taken in the Lord of the Divine Court (1)

The black-robed divine emperor phantom looked at Divine King Xuan Yu in front of him and said slowly,

“The chess pieces that I set up earlier have already played their role. You have to go there personally and bring the master of the Divine Court back.”

As he spoke, a beam of light shot out from the black-robed Deity Emperor’s finger and entered the space between Divine King Xuan Yu’s eyebrows.

Instantly, the places that Li Wushuang and Nalan Yan had passed after leaving the Profound Jade Divine Hall appeared in God King Profound Jade’s mind.

“Ancestor, you said that the Lord of the Divine Court is in a small town in the lower realm.”

Divine King Xuan Yu digested the information in his mind and said to the black-robed Divine Emperor.

The black-robed Deity Emperor nodded and said slowly,”

“Go, don’t disappoint me. After the matter is settled, it will be time for us to dominate the Divine Realm.”

When God King Xuan Yu heard the words of the black-clothed God Emperor, he was also excited. He immediately vowed to the black-clothed God Emperor,

“Don’t worry, Old Ancestor. I won’t let you down.”

If it was in the domain of other Godly Kings, Godly King Xuan Yu might still find it a little troublesome. However, what could he be afraid of when he was in the lower realm?

The black-clothed Deity Emperor stroked his beard in satisfaction when he saw the confident look on Divine King Xuan Yu’s face.

Then, his figure disappeared. At the same time, a voice sounded in Divine King Xuan Yu’s mind.

“Go ahead. Report to me if anything happens.”

As the black-robed Deity Emperor’s voice faded, Divine King Profound Jade waved his sleeve and a figure appeared before him.

“Pass down my order. This king will be in seclusion for a period of time. During this period of time, all the elders will discuss and resolve anything.”

After saying that, Divine King Profound Jade threw out a token from his hand. It was the token used by the Mystic Jade Divine Hall to issue orders.

After the figure received the token, he bowed to Divine King Xuan Yu and retreated.

After delaying the arrangements of the Mystic Jade Divine Hall, Divine King Mystic Jade directly turned into a stream of light and disappeared into the horizon.

Not long after, God King Profound Jade slowly appeared in the sky above the Tian Yuan Continent.

According to the memories in his mind, Divine King Profound Jade’s figure flew in the direction of Great Sun Town.

Along the way, Divine King Xuan Yu passed by the Yin Yang Domain, the Four Symbol Domain, and finally the Five Region.

The aura of the cultivators in these regions became weaker and weaker. Finally, in the sky above the Five Region Region, God King Xuan Yu couldn’t help but say,

“The lower realm is the lower realm. There isn’t even a cultivator who looks like it. However, it’s also a good place to hide.”

As he muttered, Divine King Profound Jade’s figure flew towards Great Sun Town.

Dayang Town

Xiao Changtian was walking on the street, holding the white tiger in his arms, his hands constantly stroking his body.

"I haven't come out for a long time. I can take you out for a walk."

Xiao Changtian looked at the bustling crowd on both sides of the street and the shouts that came from his ears. He said to the white tiger in his arms.

After hearing Xiao Changtian's words, the white tiger in his arms rubbed its head against his chest.

"Senior, come out and shop."

"Xiao Changtian!" The God King of Dragon Slayers who had stayed in the town greeted Xiao Changtian.

Xiao Changtian was surprised when he saw Black God King. Wasn't this the worker who renovated his yard?

As he thought about this, Xiao Changtian waved at him and said,

"Yes, yes. Why? Are you out shopping too?"

Hearing this, the Black Sky Divine King nodded. After settling down in Dayang Town, he often came out to walk around and familiarize himself with the environment.

Very quickly, Xiao Changtian walked around his courtyard and met many God Kings who had renovated his courtyard.

At the same time, Divine King Xuan Yu slowly appeared in the sky above Great Sun Town and looked at the crowd on the street below.

“I didn’t expect that the Lord of the Divine Court, who once dominated the Divine World, would actually hide among the mortals in the lower realm. I wonder what kind of expressions those old fellows in the Divine World would have.”

With this thought in mind, Divine King Xuan Yu looked in the direction of Xiao Changtian’s courtyard.

“According to the intelligence, the Unparalleled should have gone in that direction.”

As he spoke, Divine King Xuan Yu came to Xiao Changtian’s courtyard.

Seeing Xiao Changtian’s courtyard, Divine King Xuan Yu’s eyes flashed with a bright light. He gathered Zhen Yuan in his hand and a black ball appeared. Then, he attacked the courtyard.

Bang! The black ball hit the wall of the courtyard, but it did not cause any damage.

Hmm? Divine King Profound Jade looked at the walls of Xiao Changtian’s courtyard in surprise.

According to his judgment, this courtyard should have been destroyed.

In that case, Black Jade clapped his hands, appearing enlightened.

Who else could build such a courtyard among these mortals other than the Lord of the Divine Court?

It seemed that the master of the Divine Court was hiding in this courtyard.

With that thought in mind, Divine King Profound Jade gathered the true essence in his body again and prepared to launch the next attack.

In the courtyard, Black Tortoise, Phoenix, and the others were also a little angry. The Ancestral Dragon in the pond said,

“Who is so ungrateful that he dares to attack Master’s courtyard? Watch me destroy him.”

“No need. Master has already returned.”

Near the entrance of the courtyard, Alpha was holding a white chess piece in his left hand and a black chess piece in his right. He was playing by himself as he spoke slowly.

Outside the courtyard, Xiao Changtian was returning with the white tiger. Divine King Xuan Yu was furious that his attacks on the walls of the courtyard were ineffective.

As a ruler of the Divine Realm, Divine King Profound Jade had not seen a defense that he could not break through for many years.

With this thought in mind, Divine King Xuan Yu saw Xiao Changtian who was about to enter the courtyard.

He glanced at Xiao Changtian and found that he didn’t have any aura.

“This is the mortal who took in the Lord of the Divine Court?”

Divine King Xuan Yu looked at the courtyard that he couldn’t take down for a long time and then looked at Xiao Changtian. He couldn’t help but feel a little resentful.

With a thought, the black ball in his hand turned around and attacked Xiao Changtian.

Xiao Changtian came back from a stroll outside. He was in a good mood, and the white tiger was walking beside him.

As Divine King Xuan Yu's attack landed, the white tiger beside Xiao Changtian seemed to have sensed something and turned to look in the direction of Divine King Xuan Yu.

As the white tiger was watching, the black ball disappeared.

What was that? Divine King Profound Jade watched his black ball dissipate in disbelief.

He saw a huge white tiger pouncing towards him.

Was this a white tiger? Looking at the white tiger in front of him, Divine King Profound Jade's heart was filled with panic.

"How is this possible? How can such a divine beast exist in this era?"

No one gave Divine King Profound Jade an answer. The white tiger's sharp claws directly attacked him..

Chapter 279: Brother Hongyun, What Do You Think? Shall We Do It Together?(i)

Flee! Run!

Divine King Profound Jade only had one thought as he looked at the White Tiger's sharp claws that were coming at him.

The true essence on his body rapidly gathered, and Divine King Mystic Jade's figure turned into a stream of light that flew backward.

However, the White Tiger's claws were many times faster than him. In the blink of an eye, it had arrived behind Divine King Mystic Jade.

No! The aura of the White Tiger's claws behind him made Divine King Xuan Yu feel like the arrival of the Grim Reaper.

In a moment of desperation, Xuan Yu gathered all the true essence in her body and gathered it towards a mirror on her chest.

Whoosh! The mirror on Divine King Xuan Yu's chest emitted a white light, and the white tiger's sharp claws also arrived.

Ah! With a series of screams, Divine King Xuan Yu's figure disappeared from Xiao Changtian's courtyard.

Accompanied by Divine King Xuan Yu's miserable scream, Xiao Changtian's gaze turned towards the direction of Divine King Xuan Yu.

Hmm? I think I heard someone screaming just now? Did he hear wrongly?

Xiao Changtian looked at the empty sky, scratched the back of his head, and walked into the courtyard.

Bang! After Divine King Mystic Jade was struck by the white tiger's sharp claws, his body fell directly outside Great Sun Town.

Cough!Cough! Cough!

Divine King Xuan Yu coughed a few times. Blood covered the corner of his mouth. He clutched his chest where there were a few fragments.

This was the precious mirror that the black-robed Deity Emperor had given him to save his life. He didn't expect it to come in handy so soon.

This treasured mirror could achieve the effect of spatial teleportation. When the White Tiger's claws arrived just now, Divine King Profound Jade's figure was also teleported outside Great Sun Town.

However, the speed of the White Tiger's claws was too fast. Even with the help of the mirror, he was still heavily injured and the mirror itself was completely damaged.

Fortunately, he had the protective mirror given by the ancestor. Otherwise, he might not be able to return today.

Divine King Xuan Yu said slowly in his heart. Then, he held his heavily injured body and stood up with difficulty.

Cough! After standing up, Divine King Xuan Yu coughed a few more times and spat out a mouthful of blood.

He did not expect that a divine beast like the White Tiger would actually exist in this place. It seemed that he had to go back and discuss it with his ancestor.

Presumably, that person just now should be the White Tiger's servant.

The master of the Divine Court was hiding in the White Tiger's nest and could not do anything to him for a while.

Just as Divine King Xuan Yu was about to return and report to the black-robed Divine Emperor, he suddenly realized that there were a few more figures in front of him.

Weren't they the mortals he had just met in Dayang Town?

Divine King Profound Jade looked at the group of people in front of him and a trace of anger flashed in his eyes.

The white tiger couldn't defeat him, so it could use these mortals to vent its anger.

With this thought in mind, Divine King Profound Jade condensed another black ball in his hand.

However, before he could hit the black ball, a big foot kicked at him.

“You brat, are you tired of living? You actually dare to attack Senior’s courtyard.”

Divine King Red Cloud kicked Divine King Xuan Yu to the ground. She put her hands on her waist and said angrily to Divine King Xuan Yu.

Putting aside the fact that this courtyard was the result of their hard work, Divine King Red Cloud and the others could not tolerate the fact that they had attacked a senior’s courtyard.

When Divine King Xuan Yu attacked Xiao Changtian’s courtyard, Divine King Red Cloud and the others also felt it.

However, by the time they arrived, Divine King Profound Jade’s figure had already disappeared from the periphery of the courtyard.

After following them all the way to the outskirts of Great Sun Town, they finally discovered Divine King Mystic Jade who had fallen to the ground.

After being kicked to the ground by God King Red Cloud, God King Black Jade spat out a few mouthfuls of blood.

Just a moment ago, he felt an aura similar to his ancestor attacking him.

Wiping away the blood from the corner of her mouth, Divine King Profound Jade raised her head and finally saw what Divine King Red Cloud looked like.

” You are, Divine King Red Cloud?”

Most of the time, the Godkings of the Divine Realm would exchange pointers in the Godking Palace. Godking Profound Jade was no exception.

"What?" God King Black Jade exclaimed after seeing God King Red Cloud's face.

"This aura on your body, have you advanced to the God Emperor Realm?"

When God King Red Cloud heard God King Profound Jade say his name, he also looked at God King Profound Jade seriously.

Due to the kick from Divine King Red Cloud, Divine King Xuan Yu's face was covered in bruises.

God King Red Cloud only recognized him after looking at him for a long time.

"Oh, isn't this Divine King Profound Jade?"

As he spoke, Divine King Red Cloud even glanced at him unhappily.

Back in the Divinity, even though Red Cloud Divine Hall and Profound Jade Divine Hall did not have any deep grudges against each other, there were still some minor conflicts.

Hence, Divine King Red Cloud was not interested in Divine King Profound Jade.

Divine King Xuan Yu sensed the aura of Divine King Red Cloud. After confirming that Divine King Red Cloud had indeed broken through to the God Emperor Realm, he hurriedly said to him,"

"Brother Hongyun, I didn't expect that among the many Godkings in the Divine Realm, the first one to break through to the God Emperor Realm would be you." "I have a great opportunity here. How about we plan it together?"

Hearing that there was a great opportunity, God King Red Cloud also raised her eyebrows and said slowly,"

“Oh, tell me about it.”

Cough! Divine King Xuan Yu coughed a few more times. Then, a beam of light gathered on his body and sent it towards Divine King Red Cloud.

When Deity King Red Cloud received the light, she digested the information within in a short while.

This meant that Xiao Changtian’s courtyard contained treasures that could make even Emperor Gods go crazy over, but there was a white tiger guarding it.

Divine King Black Jade wanted Divine King Red Cloud to deal with the white tiger, then he would go in and take the treasure. After that, they would split it fifty-fifty.

After digesting the information from Divine King Xuan Yu, Divine King Red Cloud put on a thoughtful look.

Divine King Xuan Yu also walked to his side and said with a smile,

“Brother Hongyun, how about it? Shall we do it together?”

In Divine King Xuan Yu’s opinion, although Divine King Red Cloud had broken through to the God Emperor Realm, there was no reason for him to not be interested in the opportunity he mentioned.

At that time, he would deal with the white tiger while he went into the courtyard to capture the master of the Divine Court.

Thinking up to this point, the corners of Black Jade’s mouth involuntarily curled into a smile.

Just when Divine King Xuan Yu thought that he had Divine King Red Cloud in his grasp, Divine King Red Cloud kicked him again.

“F * ck your head. If you want to die, don’t drag me with you, okay?”

Divine King Red Cloud naturally did not doubt the opportunity that Divine King Xuan Yu mentioned.

It was not like they had not seen Senior Tongtian’s strength before. He had raised so many divine beasts in the courtyard.

It was naturally not a problem for them to advance to the Godly Emperor realm.

However, this fellow actually wanted to seize Senior’s opportunity and even asked him to deal with Senior White Tiger. Wasn’t this asking him to die?

Senior’s fortune can only be determined by fate, how can we covet it?

After kicking Divine King Xuan Yu, Divine King Hong Yun turned around and said to Divine King Black Heaven and the others,”

“Everyone, this Divine King Profound Jade wants to steal the treasures from senior.. What do you think we should do?”

Chapter 280: F * ck Him (1)

“Kill him!”

Without any hesitation, God King Blackheaven and the others said in unison after hearing God King Red Cloud’s words.

Then, God King Black Heaven revealed his aura and walked towards God King Xuan Yu.

Divine King Xuan Yu laid on the ground and looked at Divine King Hong Yun and the others who had surrounded him.

Divine King Xuan Yu was immersed in how Divine King Hong Yun was going to trick him into dealing with the white tiger after he broke through to the God Emperor Realm.

He did not notice the people behind Divine King Red Cloud at all. In his opinion, they should be Divine King Red Cloud's followers.

At this moment, Divine King Profound Jade finally saw their faces clearly.

"You're the Black Sky Divine King, the Dragon Vanquishing Divine King..."

Divine King Xuan Yu looked at the familiar faces in front of him and said slowly.

"The aura on your bodies is that of a God Emperor Realm expert. How is this possible?"

"How is that possible? Don't you know the reason?"

God King Black Heaven looked at God King Xuan Yu's incredulous expression and said slowly.

Divine King Black Heaven and the others naturally shared Divine King Black Heaven's voice transmission with Divine King Black Jade and Divine King Red Cloud.

In the crowd, although some of the Godkings knew Divine King Xuan Yu, they were also glaring at him.

"Xuan Yu, it's not that I don't want to help you, but you brought this on yourself."

"That's right. You actually set your sights on Senior. Aren't you courting death?"

“That’s right. Senior has done us a great favor. Now that you want to harm senior, you can’t blame us.”

Divine King Black Jade looked at Divine King Black Heaven and the others in horror. Only then did he remember the first words that Divine King Red Cloud said when they first met.

Wanting to tear down Senior’s courtyard?

It turned out that this group of people had already obtained an opportunity from the White Tiger. No wonder they had all advanced to the God Emperor Realm.

With this thought in mind, Divine King Profound Jade shouted angrily,”

“Humans and demons have different paths. So what if it’s a white tiger? I didn’t expect you to submit to him in order to increase your cultivation.”

As soon as he finished speaking, Divine King Profound Jade’s face was originally filled with rage. He didn’t expect them to look at him as if he was an idiot.

“Xuan Yu, I think your brain is filled with water. That white tiger is just a divine beast raised by Senior. There are also phoenix, black tortoise, and other divine beasts in the courtyard.”

God King Red Cloud looked at God King Mystic Jade with disdain and said slowly.

After hearing what God King Red Cloud said, God King Profound Jade realized that she seemed to have misunderstood something.

“You mean that mortal...”

Until now, Divine King Xuan Yu had always thought that Xiao Changtian was the White Tiger’s servant. Now, it seemed that he was a reclusive master who raised the White Tiger.

“What kind of person is that? That’s Senior playing around in the mortal world, tempering his heart in the mortal world.”

Divine King Xuan Yu had yet to finish speaking when he was directly interrupted by Divine King Black Heaven.

“Why are you talking so much nonsense with him? Everyone, let’s do it.”

Then, under Divine King Mystic Jade’s terrified gaze, Divine King Red Cloud and the others displayed their powers and left Divine King Mystic Jade in Great Sun Town forever.

Celestial Cloud Continent, Coiling Dragon Mountain Range

Bang! A huge Ice-scaled Beast fell to the ground, and there was a clear knife mark on its neck.

From its wide open mouth and its terrified eyes, it could be seen that it did not even have time to let out a cry before it died.

Following that, Lin Ruomiao walked out from behind it. Ever since Lin Ruomiao entered the Coiling Dragon Mountain Range, she had encountered quite a number of demonic beasts along the way.

However, under her dagger, all the demon beasts did not have the time to scream when they encountered her and became corpses lying on the ground.

Ignoring the Ice-scaled Beast beside her, the interspatial ring on Lin Ruomiao’s finger flashed, and the parchment appeared in his hand again.

If the cultivators in the small town outside saw this, they would probably be so shocked that they could stuff a large box of eggs into their mouths.

The scales on the Ice-scaled Beast's body were extremely hard and were one of the best materials for making defensive spirit weapons.

She didn't expect that after killing the Ice Scale Beast, not only did someone not take its Monster Beast Core, but they also didn't want her Ice Scale Armor.

Even if he didn't need it, he could still make a fortune outside.

Lin Ruomiao looked at the parchment in her hand and then at a cave ahead.

According to the instructions on the parchment, this hole was actually a passage that led directly through the hole.

They would come to a lake, and the passion fruit was in the center of the lake.

"The passion fruit is in front of us."

Lin Ruomiao spoke slowly. After she put the parchment back into her interspatial ring, her figure flashed and she appeared at the entrance of the cave.

At this moment, the Yellow Squirrel Clan was guarding the entrance of the cave. When they saw Lin Ruomiao suddenly appear at the entrance of the cave, they all aimed the spears in their hands at her and slowly said,"

"Stop, who is it?"

Lin Ruomiao turned a deaf ear to the shouts of the two yellow rat demonic beasts. Her gaze was ice-cold as her figure flashed and she appeared behind the two yellow rat demonic beasts.

Then, the two yellow rat demon beasts fell heavily to the ground. They didn't even have time to send out the news that the cave entrance was attacked.

After entering the cave, there were burning candles on both sides of the cave. There were also yellow rat demon beasts guarding the cave.

“Who invaded my Ground Squirrel Clan...”

Similarly, the yellow rat demon beast in the cave had yet to finish speaking before it was finished off by Lin Ruomiao.

Lin Ruomiao passed through the entire cave without any obstruction. The only thing she left behind was the corpses of the yellow rat demon beasts in the cave.

After passing through the cave, Lin Ruomiao saw a lake. At the center of the lake, there was a tree planted with passion fruits growing on it.

“Just as the parchment said, the passion fruit is here.”

Lin Ruomiao slowly said as she walked towards the center of the lake.

“I didn’t expect a human to come here. You must be the person with great luck that the ancestor mentioned.”

As the voice rang out, eight figures landed in different directions, surrounding Lin Ruomiao in the middle.

It was Huang One, Huang Two, Huang Three and the others.

After Li Wushuang and the other two settled down in the Yellow Squirrel Clan, Old Ancestor Yellow Squirrel ordered Yellow One and Yellow Two to guard the passionfruit.

He told them that as long as a human appeared, they would take him down in one fell swoop. After obtaining his luck, it would be the beginning of their yellow squirrel clan’s dominance over the Divine World.

Regarding Lin Ruomiao's appearance, Huang Yi actually felt that it was a little strange.

Logically speaking, if Lin Ruomiao wanted to come here, she had to pass through the cave in front. The cave was also heavily guarded by their yellow squirrel clan.

If Lin Ruomiao had attacked the cave, they should have received the news, but they hadn't received anything just now.

Lin Ruomiao ignored Huang Yi and the rest who were surrounded by her. She looked at the passion fruit in the center of the lake and was about to walk over.

"Hmph, human, how arrogant!"

Huang Yi said angrily when he saw Lin Ruomiao ignoring them and walking toward the lake..
