Chapter 301: Black-Robed Deity Emperor, Die!_i

This ointment directly solved the seal that troubled him?

The Ice Emperor looked at the flame runes on her arm slowly dissipating, and her eyes were filled with disbelief.

Xiao Changtian's method was beyond his understanding.

Xiao Changtian's courtyard

The fire runes on the Ice Emperor's arm slowly dissipated. At the same time, the sealed power in the Ice Emperor's body slowly recovered.

For a moment, the Ice Emperor's body was filled with power, and her aura was rising.

Soon, the Ice Emperor's cultivation recovered from the peak of the God Emperor Realm to the God Emperor Realm.

Upon sensing the change in the Ice Emperor's aura, Di Tian also knew that the Ice Emperor who once commanded the entire Divine Realm had returned.

Sensing the changes in her body, the Ice Emperor's eyes were filled with excitement. Her cultivation had returned.

Then, the Ice Emperor said to Xiao Changtian,"

“Thank you, Senior!”

Senior’s method of breaking the seal had never been heard of before. He had offended him previously and even gave him a chance. He had to repay Senior in the future.

Seeing the Ice Emperor’s excited expression, Xiao Changtian waved his hand and said slowly,

“It’s a small matter. If there’s nothing else, you should rest more.”

A small matter? “I didn’t expect that breaking the seal would be a trivial matter for Senior. Senior’s cultivation is probably far beyond my imagination.

The Ice Emperor had no idea about Xiao Changtian’s cultivation.

After a short exchange, Di Tian brought the Ice Emperor back to their room.

Divine World, within a cave.

An old man in black sat in the cave. No expression could be seen on his face.

“Xuan Yu’s aura has completely dissipated. The strength of the former subordinates of the Lord of the Divine Court cannot be underestimated.”

As he spoke, the black-robed Emperor slowly stood up from the ground.

“However, Xuan Yu’s death can be considered worthy. Now that I’m out of seclusion, after I obtain the fate of the Lord of the Divine Court, I’ll pass down your achievements.”

The black-robed Deity Emperor said slowly as he walked out of the cave.

“That adulterous couple from before didn’t die. Their lives are quite long. That’s good. This time, I should go look for them.”

Outside the cave, a ray of sunlight shone on the face of the black-robed Emperor God. He seemed to be enjoying himself.

Then, the black-robed Emperor God disappeared from where he was and appeared in midair.

With a swoosh, he flew towards Xiao Changtian’s courtyard.

“According to the direction where Xuan Yu’s aura disappeared, it should be in a lower realm.”

Just like Divine King Xuan Yu, the black-robed Divine Emperor also believed that the Lower Realm was the best place to hide for the reincarnated Lord of the Divine Court.

He floated to the crack in the barrier between the two worlds and looked at it.

“As expected.”

The black-clothed Deity Emperor said. Then, without any hesitation, he flew down.

The black-robed God Emperor directly appeared in the sky above the Tian Yuan Continent and looked at the world.

He released his spiritual sense and soon found the location where Divine King Xuan Yu’s aura had dissipated.

Then, the black-robed Deity Emperor appeared outside the Great Sun Town.

“This is the place.”

This was the place where God King Red Cloud and the others had beaten up God King Mystic Jade. The black-robed God Emperor looked at this land.

Looking at Dayang Town in front of him, his eyes flickered as he walked in.

Arriving at the main street of Dayang Town, the black-robed Deity Emperor looked at the mortals on the street with disgust.

“Mortals are still so weak.”

As he said that, the black-robed Deity Emperor wanted to gather his vital essence to eliminate these mortals.

Then, when he saw the few Great Sun Sect disciples in front of him, he seemed to have thought of something.

“Even cultivators are so weak.”

The Genuine Vitality on his body slowly dissipated, and the black-robed Deity Emperor exhaled.

Although he was disgusted by the mortals in front of him, he still controlled his killing intent when he thought that he might alert the enemy if he attacked.

As he continued walking, he found Xiao Changtian’s courtyard.

Looking at the wall above Xiao Changtian’s courtyard, it was obvious that it had just been renovated.

“Looks like this guy is from a wealthy family here. Let’s use him to search his soul.”

As he thought about this, the black-robed Emperor looked at Xiao Changtian who was sitting on a rocking chair in the backyard.

The true essence in his hand gathered, and his palm immediately emitted a suction force.

“Come here.”

The black-robed Deity Emperor said. Then, he felt a wave of surprise.

What was going on?

The black-robed Deity Emperor looked at his palm. The Zhen Yuan on his palm didn't dissipate, but it didn't seem to have any effect on Xiao Changtian.

Xiao Changtian was still sitting on the rocking chair in the courtyard, as if he was not affected at all.

Although he was surprised, he was ready to try again.

At this moment, a huge pressure descended on his body.

Then, the black-clothed Deity Emperor found himself brought into a spiritual world.

In the spiritual world, a huge Black Tortoise was as tall as the sky, surrounded by endless seawater.

A pair of eyes was staring at him. Under his gaze, the black-robed Deity Emperor found that his body could not move at all.

“This is Black Tortoise?”

The black-clothed Deity Emperor said in disbelief, thinking that he was in a dream.

However, after activating the true essence in his body and realizing that he still could not move, he confirmed that the Black Tortoise in front of him was real. What was going on? Wasn't he attacking a mortal? Why was he targeted by the Black Tortoise?

No one answered the question in the Emperor's mind. The Black Tortoise stared at him and said slowly.

"How dare you disturb Master? Die!"

What was that? Master?

The black-clothed Deity Emperor was a little stunned when he heard Black Tortoise's words.

How could a divine beast like the Black Tortoise have a master? However, no one gave it the chance to think.

At the same time as Black Tortoise's voice fell, the black-robed God Emperor also saw a green light in his eyes that swept over with a sky full of pressure!

"Ahhhhh!"

The black-robed Deity Emperor let out a blood-curdling scream. Then, his body and soul disappeared from the spiritual world under the attack of the green light.

At the same time that the Black Tortoise disappeared from the spiritual world, outside Xiao Changtian's courtyard, the figure of the black-robed Emperor God also slowly disappeared. At the same time, his eyes were filled with unwillingness.

"The Lord of the Divine Court, it must be the Lord of the Divine Court."

As the black-robed Emperor God disappeared, his voice slowly echoed in the courtyard.

“Even if you kill me, I won’t let you off easily.”

“Very soon, there will be other cultivators coming to find you.”

As the black-robed God Emperor spoke crazily, his figure slowly disappeared from the world.

At the same time, Black Tortoise, who was in Xiao Changtian’s courtyard, slowly exhaled.

“I haven’t made a move for a while, but I didn’t expect that there would be someone who would attack Master..”

Chapter 302: Undercurrent (1)

Divine Realm, in a dark cave.

At the same time when the Emperor was killed by the Black Tortoise in the courtyard, the cave where the Emperor was in seclusion also emitted a ray of light.

The light soared into the sky and quickly dispersed into several different fine rays of light in the air.

Then, with a whoosh, they flew in different directions.

Very quickly, a thin ray of light flew into the main hall of each first-rate force in the Immortal Continent.

Heaven Demon Sect

The Heaven Demon Sect's Sect Master sat in the hall. At this moment, he was having a meeting with a group of Heaven Demon Sect elders below.

"Elders, the development of the sect..."

As he spoke, the Heaven Demon Sect's expression suddenly changed. Then, true essence gathered on his body and he grabbed in the direction of the hall.

"Who is it? How dare you trespass into my Heaven Demon Sect's territory?"

Just now, the Heaven Demon Sect's Sect Master sensed a different aura enter their Heaven Demon Sect.

Not long after, the thin light released by the black-robed God Emperor was caught by the Heaven Demon Sect's Sect Master.

The true essence on his body gathered, and the fine light in his hand was completely refined by the Heaven Demon Sect's Sect Master.

"The reincarnation of the Lord of the Divine Court? What is that black-robed fellow up to?"

The sect master of the Heaven Demon Sect muttered. He did not think that the black-robed God Emperor would be kind enough to tell him about the reincarnation of the master of the Divine Court.

"Sect Master, what happened?"

A Heaven Demon Sect elder did not understand what was going on. He looked at the Heaven Demon Sect's Sect Master who was deep in thought and could not help but ask.

Just now, he had thought that there was an invasion from the outside world.

Upon hearing this elder, the Heaven Demon Sect's Sect Master smiled. Then, he said to the people from the Heaven Demon Sect,

"Elders, it's like this..."

At the same time that the Heaven Demon Sect received the news of the

black-robed God Emperor, the other factions in the Divine World also received the news that the black-robed God Emperor had spread.

For a time, the reincarnation of the Lord of the Divine Court became the hottest topic in the Divine World.

There were many rumors and rumors flying all over the place.

At the same time, in an inn in the Divine World,

Li Wushuang, Naian Yan, and Chu Yuan Shan sat in the room.

"What should we do? Someone seems to have spread the information about the Lord of the Divine Court?"

When Chu Yuanshan, who was sitting on the chair, spoke, his tone revealed a trace of seriousness.

In the Divine World, on the surface, their strength was the strongest in the Divine World, with God King cultivation.

However, they knew that those old monsters in seclusion would definitely come out to participate in the news of the reincarnation of the Lord of the Divine Court.

With their strength, they could only be considered as middle-level in their eyes.

"I think we should scout for the next few days. Don't act rashly."

"I know the source of the news. It seems to be from the cave where the black-robed immortal emperor is in seclusion."

Li Wushuang was also confused about the Black-Robed Emperor's purpose. She had also gotten the information about the Lord of the Divine Court from him.

He wondered what his motive was for releasing it now.

After listening to Li Wushuang's words, Naian Yan nodded.

"I think Brother Wushuang is right. We should wait and see."

As he spoke, Naian Yan started to have a plan in her heart.

After failing to obtain the Lord of the Divine Court's Fate, Naian Yan had gradually lost her patience with Li Wushuang and Chu Yuanshan.

If he could meet a handsome and powerful cultivator this time, he would be able to kill Li Wushuang and the other two after taking him down with his looks.

At that time, no one would know about his past, and he would be able to find an even more powerful backer.

After Naian Yan had no objections, Chu Yuan Shan did not say anything.

In the trio, most of the decisions were made by Li Wushuang and Naian Yan.

“Then let’s go to the cave where the black-robed Deity Emperor is in seclusion.”

After the three of them made up their minds, they quickly flew toward the location where the black-robed Deity Emperor was in seclusion.

At this moment, the cave where the black-robed Deity Emperor was in seclusion had been searched by countless cultivators.

Those who were weak wanted to search for treasures inside. After all, it was the cave abode of a God Emperor Realm expert. If they obtained something, their cultivation would definitely soar.

The powerful ones wanted to obtain more information about the Lord of the Divine Court in preparation for capturing him.

“Hey, have you been in there? Have you seen the face of the black-clothed immortal emperor?”

A person with a slightly weaker cultivation base outside the cave said to the surrounding people.

Before entering the cave, it was better for him to find out more.

“No, how can we see the true appearance of the Divine Emperor with our cultivation?”

“I’m just here to watch the show and get some information. You’ll understand later.”

A cultivator in Daoist robes looked at the original cultivator and slowly said.

“Look, that seems to be the sect master of the Heaven Demon Sect.”

“What? The Sect Master of the Heaven Demon Sect? Didn’t he say that he was already in seclusion? Why is he here?”

As the group of cultivators spoke, the Heaven Demon Sect’s Sect Master stood in the air as well. He was the first expert to arrive.

The sect master of the Heaven Demon Sect looked at the black-robed God Emperor’s seclusion cave in front of him with a cold expression. No one knew what he was thinking.

“Rise!”

The sect master of the Heaven Demon Sect said. Then, the entire cave of the black-robed God Emperor started to shake. The cultivators below felt the ground tremble.

Then, a kerosene lamp broke through the air from the Immortal’s Cave.

“The Soul Breath Lamp has been extinguished. It seems that the old man in black has met with an accident.”

“It looks like he used this treasure to send out the information.”

Looking at the Soul Breath Lamp in his hand, the Heaven Demon Sect’s Sect Master instantly understood.

“The black-robed old man is really scheming. Looking at his plan, he should be killed after he fails to deal with the Lord of the Divine Court. Then, he will use the Soul Breath Lamp to release the news.”

“So that we can avenge him.”

When the Heaven Demon Sect’s sect master was inspecting the Soul Breath Lamp, a palm suddenly appeared behind him and was about to take the Soul Breath Lamp in his hand.

“Sky Demon, how can you keep good things by yourself? You have to share more.”

A hearty voice resounded in the air. Following that, the Heaven Demon Sect’s Sect Master snorted coldly and turned around to respond with a palm.

Bang! Their palms collided, and a wave of Poland rippled in the air. Then, a monk dressed in Buddhist clothes appeared in front of the Heaven Demon Sect’s sect master.

“Sky Demon, I haven’t seen you for a few years. Your strength has increased again.”

As he spoke, the monk also looked at his palm. In the confrontation just now, he realized that he was actually at a disadvantage.

“Baldy, it’s not that the otherworldly demon has improved, but that you haven’t improved at all. Hahaha!”

Another voice sounded in the air. Then, a woman with red hair appeared in the air.

“Mei Wu, are you courting death?”

The monk shouted at the red-haired woman, his voice filled with embarrassment and anger.

“Aiyoyo, did I say something wrong?”

Mei Wu looked at the monk and winked at him as she spoke sweetly.

“Alright, you guys aren’t here to talk, right?”

The sect leader of the Heaven Demon Sect looked at the two people in front of him and said slowly..

Chapter 303: The Fifth Set Off

Divine Realm, above the cave of the black-robed Deity Emperor.

The Heaven Demon Sect's Sect Master, Mei Wu, and Shang Shang Ling stood in midair.

"Baldy, Mei Wu, you must have come here for the information about the reincarnation of the Lord of the Divine Court, right?"

"Unfortunately, very unfortunately, the Black Shirt should have already perished."

The Heaven Demon Sect's Sect Master held the Soul Breath Lamp in his hand and said to Mei Wu and Baldy.

"This guy's plan is pretty good."

Mei Wu looked at the Soul Breath Lamp in the Heaven Demon Sect's Sect Master's hand and said slowly.

He understood the Black-robed Deity Emperor's purpose. He wanted them to avenge his failure.

This was also the reason why Baldy and she didn't continue fighting for the Soul Breath Lamp.

If the black-robed Deity Emperor was still alive, they could use the power of the Soul Breath Lamp to find his location.

However, the black-robed fellow was dead, so the Soul Breath Lamp would not be of much use to them.

Hearing their words, the bald man shrugged his shoulders as if it had nothing to do with him.

Seeing that the two of them did not say anything, the Heaven Demon Sect's Sect Master continued,

"Why don't we go and find the master of the Divine Court together? After we capture him, we can share our luck."

Hearing the Heaven Demon Sect's words, Mei Wu and Baldy's heads spun rapidly as they thought about something.

"There's no problem with working together, but there must be a leader, and this leader must be someone powerful."

After thinking for a while, Baldy smiled. Rolling true essence gathered on his body and attacked the Heaven Demon Sect's sect master.

"Baldy, you really don't want to give up."

The Heaven Demon Sect's Sect Master looked at the baldy who was attacking him, and his expression did not change at all.

Then, a powerful aura shot up from his body and sent Baldy flying.

"Godly emperor, how is it possible?"

Baldy was sent flying by the Heaven Demon Sect's Sect Master. He looked at the Heaven Demon Sect's Sect Master in front of him and saw that the black true essence on his body was constantly raging.

There was a possibility that they would attack him at any time. Then, Baldy said to the Heaven Demon Sect's Sect Master,

"Brother Tianmo is so powerful, so of course you will be the leader."

He was only at the God Emperor Realm. Facing the Heaven Demon Sect's sect master, who had already advanced to the God Emperor Realm at some point in time, he did not think that he had any chance of winning.

When Mei Wu saw that Baldy was the first to admit defeat, she smiled and said to the Heaven Demon Sect's Sect Master,

"Big brother Sky Demon is so powerful, so naturally you will be the leader."

One of the reasons why the two of them agreed to cooperate was that Black Shirt's strength was similar to theirs, but he still died.

If they worked together, they could take care of each other in times of crisis.

The Heavenly Demon Sect's sect master's strength was beyond their expectations. However, this was an additional guarantee for their safety.

It was just that they might not be able to take the initiative when it came to the division of the battle results.

However, none of this was important. As long as they captured the Lord of the Divine Court, they had their own ways to obtain his luck.

As long as they obtained the fate of the Lord of the Divine Court, they could also advance to the Godly Emperor realm.

At that time, he would not have to be too afraid of the Heaven Demon Sect's Sect Master.

In this way, the Heaven Demon Sect's Sect Master and the other two could be considered to have reached an agreement.

Then, Mei Wu transmitted her voice to the cultivators below.

“Fellow Daoists below, if you want to obtain a great opportunity, stay and join us.”

Mei Wu’s voice contained a kind of magic power. After the cultivators below heard it, they could not help but say something.

” Join us!”

Soon, under the control of the Heaven Demon Sect’s Sect Master and the other two, any cultivator in the Divine World who had any thoughts about the reincarnation of the Divine Court’s Master joined the Heaven Demon Sect’s Sect Master and the other two.

Xiao Changtian’s courtyard

The Ice Emperor looked at the sky. After his cultivation recovered to the Godly Emperor realm, his perception had also become much stronger.

He looked up at the sky with a deep gaze and slowly said,

“Divine Realm, I wonder what happened again.”

Although he did not know what had happened, he could sense that many old fellows in the Divine Realm who had hidden themselves from the world had moved out one after another.

At this moment, Di Wu Zheng had just returned from the market and happened to see the Ice Emperor in the courtyard.

Recently, Diwu Zhengke was a little troubled. There was no news of the dragon fruit that Xiao Changtian asked him to find.

It wasn't that he hadn't asked. On the contrary, he had basically asked everyone he could ask for help.

Every time he showed the portrait of the dragon fruit to others, they would shake their heads and apologize to themselves.

This was the first time the Ice Emperor had seen Di Wu Zheng. Before this, he only knew that he was Xiao Changtian's disciple.

However, this was the first time he had seen him in person. He looked a little disappointed when he saw Diwu Zheng.

The Ice Emperor also had some doubts in her heart. She walked over and said to Diwu Zheng,

"Little brother, did you encounter any difficulties?"

Diwu was looking at the Ice Emperor. He had learned some information about the Ice Emperor from Mu Jiuhuang, so he said to him,"

"Master asked me to find an ingredient, but I don't have any news yet. The other senior and junior brothers have already handed it in."

"Do you think I'll become the most useless disciple of Master if this continues?"

As he spoke, Diwu Zheng's tone revealed his worry.

In the Ice Emperor's perception, Di Wu Zheng's strength wasn't that strong.

It could even be said that he didn't have any aura. However, after Xiao Changtian's previous lesson, he didn't dare to underestimate Di Wu Zheng.

"Oh, ingredients?"

When the senior heard Di Wu Zheng's message, he couldn't help but be stunned. Could it be that senior was going to do something?

"Yes, yes, this is it."

As he spoke, Di Wu Zheng also handed the portrait of the dragon fruit to the Ice Emperor. He had to seize any opportunity that might have information about the dragon fruit.

Looking at the dragon fruit portrait that Diwu Zheng handed over, the Ice Emperor's eyes could not help but be stunned. Wasn't this the sacred dragon fruit of the Fire Dragon King's forbidden land?

When Diwu saw that the Ice Emperor did not respond to the dragon fruit portrait, he thought that he did not have any information about the dragon fruit either.

With this thought in mind, Di Wuzheng prepared to keep the portrait.

At this moment, the Ice Emperor slowly said,"

"Little brother, if you're looking for dragon fruits, I can help you."

As she spoke, the Ice Emperor gathered her vital essence and formed a ball of light for Di Wu Zheng.

After Diwu Zheng received the Emperor's light ball, information about the dragon fruit entered his mind.

"Thank you so much. Why didn't I think of it before? Dragon fruit is the holy item of the Fire Dragon clan."

After receiving the information about the dragon fruit, Di Wu Zheng said excitedly to the Ice Emperor.

The Ice Emperor looked at Diwu's happy expression and was about to remind him that the Fire Dragon King was very powerful.

However, on second thought, Senior was so powerful. It should not be a problem for his disciple to deal with the Fire Dragon King.

After Di Wu thanked the Ice Emperor, he packed up and prepared to head to the Divine Realm..

Chapter 304: The Dumb Child from Which Family Is Definitely from?(i)

Xiao Changtian's courtyard

After Diwu was preparing in his room, he carried a bag and prepared to set off.

At this moment, Xiao Changtian walked out of his room and said to Di Wu Zheng,"

"Diwu Zheng, you're going out so early."

"Yes, yes. Master, I already have news of the dragon fruit. I'm preparing to pick it."

Although Di Wu Zheng knew that with Xiao Changtian's strength, he would know what he was going to do like the back of his hand, he still said to Xiao Changtian.

Xiao Changtian nodded in satisfaction after hearing Di Wu Zheng's words.

Although the fifth person was a little slower than the others in finding the ingredients, he was still very energetic. He went out so early.

Thinking of this, Xiao Changtian reminded Diwu Zheng,”

“Diwu Zheng, you must be careful when you’re outside. However, those Xiuxianists are of good quality. Be polite when you speak to them.”

Xiao Changtian seemed to want something and continued.

“Of course, you have to learn to distinguish them. Some Immortal Cultivators are still not trustworthy.”

Originally, Xiao Changtian thought that the cultivators in the cultivation world were all high-quality people.

However, Diwu Zheng had to remind Diwu Zheng after the recent incidents of being possessed by ghosts. Otherwise, it would not be good if he was possessed by ghosts.

Although ghosts might not like mortals like us, they still have to be careful.

Diwu Zheng heard Xiao Changtian’s words and thought that Xiao Changtian was telling him something.

He could ask them for help when he encountered difficulties? Ever since he had learned the Dao from his master, it seemed that no immortal cultivator had ever made him feel pressured with his current strength.

Immortal cultivators were of good quality, so how could he differentiate them? These two sentences made Diwu Zheng even more confused.

Although he didn’t understand, Di Wu Zheng still remembered them in his heart.

After all, when he had just learned to catch a blade with his bare hands, his master had said a lot of things that he could not understand.

However, as he slowly cultivated, he realized that what his master said was the truth of the Great Dao.

With this thought in mind, Di Wu Zheng said to Xiao Changtian,”

“Yes, yes. Master Diwu Zheng will remember it.”

“Yes, yes, go. Go early and come back early.”

Xiao Changtian looked at Di Wu Zheng and nodded with satisfaction. He waved his hand at Di Wu Zheng.

Then, Di Wu Zheng also bid farewell to Xiao Changtian and left the courtyard.

Watching Diwu Zheng leave, Xiao Changtian said to Mu Jiu Huang,”

“Jiu ‘er, come over here. I have something to tell you.”

When Mu Jiu Huang saw Xiao Changtian calling her, she stopped washing the vegetables and came to Xiao Changtian’s side. She said to him,”

“Master, are you looking for a great being?”

“Yes, yes. Diwu Zheng went to look for dragon fruits recently. Diwu Zheng is still young and is out. I’m afraid that something might happen to him.”

Xiao Changtian said slowly to Mu Jiu Huang, then waved his hand at Alpha, who was at the gate of the courtyard.

“Alpha knows Diwu Zheng’s aura too. You don’t have to worry about not finding him. You can ask Alpha to take you there.”

Xiao Changtian knew very well how intelligent Alpha's dog nose was.

Although it couldn't be compared to the magic of those immortal cultivators, it was still not a problem to find someone.

After all, he was a dog that knew how to play chess. He was much more intelligent than ordinary dogs.

Xiao Changtian's words fell into Alpha's ears. Alpha, who was at the door, nodded spiritually at Xiao Changtian and Mu Jiuhuang.

Seeing Alpha nod at her, Mu Jiuhuang felt as if she had taken a reassurance pill.

With the help of a divine beast like Alpha, she could do whatever she wanted outside.

Mu Jiuhuang said to Xiao Changtian,"

"Master, don't worry. I'll tell you if there's anything."

Hearing Mu Jiuhuang, Xiao Changtian nodded and went back to the backyard.

When he woke up in the morning, he would practice the martial arts that the system had given him.

The cultivation world was so dangerous. There were cultivators everywhere. If he, a mortal, did not work hard, he might not even know how he died.

Above the Divine Realm

Diwu was following the route that the Ice Emperor had given him and was flying towards the Fire Dragon King's forbidden area.

“Strange. According to what the Ice Emperor said, there should be no one on the way to the Fire Dragon King Forbidden Ground.”

“Why does it look like there are so many Xiuxianists here?”

Diwu was looking at the cultivators who were divided into several teams and said with some doubt. Then, a voice came from below.

“Who’s the person above? Don’t you know that the Heaven Demon Sect has already given the order that we can’t fly on this trip?”

Hearing the voice from below, Di Wu Zheng also slowly descended. He remembered Xiao Changtian telling him to be more polite to cultivators.

Diwu Zheng, who was also wearing the Heaven Demon Sect’s uniform, said slowly,

“I’m sorry, I’ve only just arrived here, so I don’t know the rules.”

The leading Heaven Demon Sect disciple looked at Diwu Zheng in a daze.

His spiritual sense swept over his body, but there was no aura. It seemed that he was also a weak cultivator.

Then, he smiled at Di Wu Zheng as if he had some plan. He said to Di Wu Zheng,

“Fellow Daoist, are you interested in joining us?”

“As long as you join us, we guarantee that your strength will soon be on par with mine.”

“And what you need to do is very simple. Help us find someone in this bamboo forest.”

As he spoke, the leading disciple also released the aura of a god from his body.

In the past few days, the Heaven Demon Sect's disciples had received orders from the sect master that an important person had escaped here.

He wanted all the disciples to search with all their might, but in the past few days, not to mention a human figure, they didn't even see a few demon beasts.

After all, after passing through the bamboo forest, the Fire Dragon King's territory was in front of them. Who would dare to stay here?

If he was not careful, he would be discovered by the Fire Dragon clan. Who would he kill to complain about his injustice?

A few of his fellow disciples had been eaten alive by the Fire Dragon clan.

When he saw Di Wu Zheng, the Heaven Demon Sect disciple wanted to slack off and save his life, so he asked Di Wu Zheng to serve on his behalf.

In the end, he had completed his mission. Even if he died, it would be Di Wu Zheng.

The aura released by the Heaven Demon Sect disciple had no effect on Di Wu Zheng.

This strength was even inferior to those who carried bricks and dust in their master's courtyard.

How could he have the nerve to say such a thing? It was better to see what he wanted him to do first. He could also inquire about the reason why there were so many people in the Fire Dragon King forbidden land.

With this thought in mind, Di Wu Zheng said to the Heaven Demon Sect disciple,

"I wonder what the person you're talking about looks like. Also, are you going to deal with the Fire Dragon King with so many people?"

When he spoke, Di Wu looked like an innocent youth, full of yearning for strength.

Hearing that Diwu was about to deal with the Fire Dragon King, the Heaven Demon Sect disciple trembled.

This must be a silly child from some family. He had to take a look at his own strength to deal with the Fire Dragon King.

However, the more ignorant he was, the easier it was for him to be fooled. He had to adjust his mentality.

The disciple of the Heaven Demon Sect walked over and put his arm around Diwu Zheng's shoulder. He said,"

"Fellow Daoist, don't be anxious. Let me tell you slowly.."

Chapter 305: Commander Li Wushuang (1)

Divine Realm, the outskirts of the Fire Dragon King Forbidden Ground.

The Heaven Demon Sect disciple brought Di Wu Zheng along and said slowly to him along the way,

"Fellow Daoist, don't be anxious. Follow me to see our commander first. You'll get the answer you want from him."

As they spoke, the Heaven Demon Sect disciple brought Diwu Zheng to a tent.

At this moment, outside the tent, there were many cultivators dressed in the Heaven Demon Sect's uniform gathered together to have fun.

"Come, bet on the big or the small?"

"Big! Big! Big!"

"Small! Small! Small!"

Accompanied by waves of noise, the Heaven Demon Sect disciple brought Diwu Zheng into the tent.

At this moment, on the huge chair in the tent, Li Wushuang was carrying Nalan

Yan. She held a grape in her hand and slowly said to Nalan Yan,

"Bao, come, eat."

"Brother Wushuang, you are so bad."

Nalan Yan smiled sweetly at Li Wushuang in his arms. She took the grape from his hand and ate it in one bite.

Diwu was looking at the two people on the seat, and his face was a little red.

Then, the Sky Demon Sect disciple walked up and said to Li Wushuang, "Commander Wushuang, this kid is new. I will have to trouble you to make some arrangements."

As he spoke, the disciple walked forward and placed a Universe Bag on the table in front of Li Wushuang.

These days, the disciples of the Heavenly Demon Sect had bribed Li Wushuang to bring some cultivators from outside to help them find the people in the bamboo forest.

As for them, they would eat, drink, and have fun outside the tent every day.

“Yes, yes, I understand. You can leave now.”

Li Wushuang looked at the Qiankun Bag on the table and smiled at the disciple of the Heavenly Demon Sect. Then, she indicated that he could leave.

The Heavenly Demon Sect disciple was also delighted to receive Li Wushuang’s signal. He thanked him and quickly retreated.

Although this Commander Wushuang had just been recruited into the Heaven

Demon Sect, for some reason, he was a favorite by the sect master’s side.

According to the Sect Master’s arrangement, Li Wushuang was in charge of this mission.

However, Li Wushuang was different from the other leaders of the Heavenly Demon Sect. The other leaders were all stubborn.

As for Li Wushuang, as long as she had the money, she could slack off.

After this Heaven Demon Sect disciple left, Nalan Yan also directly took the

Qiankun bag from the table and placed it into her own Spatial Ring.

These days, it seemed that the bribes of the Heaven Demon Sect disciples had been given to Li Wushuang.

In reality, under Nalan Yan's coquettishness, there wasn't a single Qiankun bag that didn't enter his interspatial ring.

Although the Heaven Demon Sect was not as strong as them, it was a large sect.

These disciples were all filthy rich and the things they took out would always make Nalan Yan's eyes light up.

"Brother Wushuang, we have really accepted a good job."

Nalan Yan looked at her Space Ring, which was almost full, and raised her head from Li Wushuang's embrace.

"Of course, with Brother Wushuang, how could I not find a good job?"

Li Wushuang said slowly as she kissed Nalan Yan.

Up until now, Li Wushuang was still immersed in Nalan Yan's love, completely unaware that Nalan Yan was using her to obtain resources.

Diwu, who was watching the two of them, blushed and said to Li Wushuang, "Commander, may I know who I need to find?"

Di Wu Zheng said to Li Wushuang, imitating the disciple from the Heaven Demon Sect.

If not for the fact that he wanted to find out why so many people had come to the Fire Dragon King forbidden area, Di Wu Zheng would have left long ago. Li Wushuang only realized Di Wu Zheng's existence after hearing his words.

Raising his arm, he took out a scroll from his interspatial ring and threw it to Di Wu Zheng.

“This is the person you’re looking for. As long as you find him, whether it’s a spirit weapon, medicinal pill or spirit skill, there won’t be any problem.”

Li Wushuang also knew that these people were the fools that the disciples of the Heavenly Demon Sect had found from outside, so she just casually fooled them.

Hearing Li Wushuang’s words, Di Wu Zheng also revealed a trace of a smile and a trace of joy.

“Commander, do you mean that so many people have gathered here to capture one person?”

Di Wu Zheng took the scroll from Li Wushuang and looked at the characters on it.

“Hmm? You only need to know how to look for the people above. Don’t ask too much.”

Hearing Di Wu Zheng’s words, Li Wushuang became a little wary.

He was able to come here as a commander because he took the initiative to look for the Heaven Demon Sect’s Sect Master and told him about what had happened between him and the black-robed God Emperor.

After obtaining the trust of the Heaven Demon Sect’s Sect Master, the Heaven Demon Sect’s Sect Master also handed over the important task of finding the Master of the Divine Court to him.

As expected, not long after, Li Wushuang found a clone of the Lord of the Divine Court.

Under the pursuit of the Heaven Demon Sect’s Sect Master, Baldy, and Mei Wu, the clone of the Master of the Divine Court hid in the periphery of the Fire Dragon King Forbidden Ground.

Now, the task of finding the clone fell on Li Wushuang.

Seeing Li Wushuang's reaction, Di Wu Zheng realized that she wasn't lying.

It seemed that this group of people had gathered here not because they had any thoughts about the dragon fruit.

It was just to find someone. If that was the case, he would not have so many competitors.

Moreover, from the words of that Heaven Demon Sect disciple previously, they seemed to be very afraid of the Fire Dragon King.

However, why couldn't he see the face of the person in the portrait?

His entire body was covered in black clothes. How could he tell?

With this thought in mind, Diwu Zheng told Li Wushuang about his doubts.

"Indeed, I can't see his face clearly, but there's no one else in this bamboo forest other than him. You can just look for him without worry."

Li Wushuang said to Di Wu Zheng as she played with Nalan Yan in her arms.

Although he did not know the appearance of the master of the Divine Court, it was impossible for anyone to live in the periphery of the Fire Dragon King Forbidden Ground.

On the other hand, the people on his side were all wearing the same clothes.

The one who saw the black clothes was naturally the master of the Divine Court.

However, what was wrong with this guy today? Usually, when those Heaven

Demon Sect disciples found people to come, they would not dare to talk to him. Why was this guy so talkative today?

Feeling a little unhappy, Li Wushuang said to Di Wu Zheng:

“Alright, if there’s nothing else, you can go to another set of clothes and get to work.”

Hearing Li Wushuang’s words, Di Wu Zheng knew that he couldn’t ask any more questions, or else he would reveal a flaw.

He nodded to Li Wushuang and left.

As soon as he left the tent, the disciple of the Heaven Demon Sect was waiting

for him outside. He held a Heaven Demon Sect uniform and a token in his hand.

“Fellow Daoist, I will help you succeed.”

After speaking, this Heaven Demon Sect disciple was also sincere.

In any case, he wouldn’t lose out even if he couldn’t find it after wearing this set of clothes.

If he found it, with this token, the credit would be his. If he didn’t find it, he couldn’t be blamed, right?

Diwu was looking at the token and clothes in the hands of the Heaven Demon Sect disciple. He did not say anything and took them..

Chapter 306: Diwu is fooling around?_j

Xiao Changtian's courtyard

Xiao Changtian was lying on a rocking chair in the backyard, looking at the cloudless sky. No one knew what he was thinking.

Seeing Mu Jiuhuang walk in, Xiao Changtian said to her,"

"Jiu 'er, how was it? Did Diwu Zheng's trip go smoothly?"

Hearing Xiao Changtian's words, Mu Jiuhuang nodded at him.

Ever since Xiao Changtian had instructed her, she had been closely watching Diwu Zheng's schedule with Alpha's help.

Diwu Zheng had already reached the periphery of the forbidden area of the dragon fruit. If nothing unexpected happened, he would soon enter the forbidden area.

Thinking of this, Mu Jiuhuang said to Xiao Changtian who was sitting on the rocking chair,"

"Master, Diwu Zheng has been doing quite well recently."

"Yes."

Hearing Mu Jiuhuang's words, Xiao Changtian nodded.

It seemed that this kid had taken his words to heart. It was good that everything went smoothly.

As he thought about this, Xiao Changtian seemed to have thought of something and said to Mu Jiuhuang,”

“Jiu ‘er, bring this stone with you the next time you go. You can record anything in time.”

While speaking, Xiao Changtian also took out a stone from under his table.

According to the Great Sun Immortal, this was a Profound Shadow Stone, which was similar to the surveillance in his previous life. It could record things.

However, after he learned the forging art from the system and modified it, he could not help but feel a little embarrassed.

Now, this stone could not only record images, but it could also record sounds.

Seeing the Dark Shadow Stone in Xiao Changtian’s hand, Mu Jiuhuang was also stunned. She had it with her too.

When she was looking after Diwu Zheng, she did not think of recording his actions.

However, at Alpha’s suggestion, Mu Jiuhuang had also recorded some of Diwu Zheng’s actions.

With this thought in mind, Mu Jiuhuang took out the Dark Shadow Stone and said to Xiao Changtian,”

“Master, if you want to see it, I have some records here.”

Looking at the Dark Shadow Stone in Mu Jiuhuang’s hand, Xiao Changtian was also stunned. This thing was obtained because he had a good relationship with the Great Sun Immortal.

How could Jiu ‘er have one? Then, Xiao Changtian remembered that Mu Jiuhuang’s family was big.

That was true. With Jiuer's family's strength, it was not a problem to get a Profound Shadow Stone.

It just so happened that he had nothing to do, so he could take a look at what Di Wuzheng was doing.

With this thought in mind, Xiao Changtian pressed his hands on the Profound Shadow Stone.

Then, a scene was displayed in front of Xiao Changtian and Mu Jiuhuang.

Mu Jiuhuang looked at Xiao Changtian, who didn't need to use his Zhen Yuan to project the Dark Shadow Stone.

Although he was already used to this, he sighed in his heart. Master's strength was far beyond his imagination.

Then, Xiao Chang Tian saw Di Wu Zheng, Li Wu Shuang and Nalan Yan sitting on the seats in the tent.

What was that? Di Wu Zheng was actually with such a person?

Xiao Changtian saw Li Wushuang and Nalan Yan's lovey-dovey behavior in front of everyone.

Not only that, Diwu Zheng seemed to be talking back and forth with them, looking like he was humbly asking for advice.

Although there was no sound on the screen, it was definitely something inappropriate for children.

Then, Xiao Changtian stood up from his chair and said to Mu Jiuhuang,"

"Jiu 'er, what is the relationship between these people and Di Wuzheng?"

Mu Jiuhuang was shocked when she saw Xiao Changtian suddenly sit up from his chair. However, she didn't think too much about it when she heard Xiao Changtian's words.

"They are now the commanders of the Fifth Chief, and the Fifth Chief is working under them."

After all, Di Wuzheng was also among this group of people. Mu Jiuhuang also said truthfully.

What was that? Commander, didn't that mean brother?

Xiao Changtian looked at Diwu Zheng on the screen and felt that something was wrong.

He had thought that Diwu was going out to find ingredients for him. He did not expect him to fool around with this group of people.

Li Wushuang looked as thin as a stick in the picture. She didn't look like a decent person at all.

Diwu Zheng was such a good seedling. It would be fine if he was led astray by him.

With this thought in mind, Xiao Changtian quickly gave the Dark Shadow Stone that he had modified to Mu Jiuhuang and said to him slowly,"

"Jiu 'er, next time you go, use this to record the scenes between them. Yours is too crude. I'll modify it for you later."

"Also, continue to take care of Diwu Zheng."

Mu Jiuhuang looked at Xiao Changtian's reaction and didn't know what was going on. However, she still took the Dark Shadow Stone from him.

This was the first time she had heard that the Profound Shadow Stone could be modified.

Xiao Changtian looked at the scene of Li Wushuang and Nalan Yan exchanging glances.

His master was still a virgin. He did not expect Diwu Zheng to mature so early.

It was fine if you said that you matured early, but you even put in the effort to mix with such a person.

If there was sound, their conversation would be unbearable.

With this thought in mind, Xiao Changtian closed the screen and took Mu Jiuhuang's Dark Shadow Stone to modify it.

At the same time, she was thinking that she had to give Di Wuzheng some face for his bad deeds.

As the saying goes, one should not wash one's dirty linen in public. When he comes back, I will definitely teach him a good lesson.

Divine Realm, the bamboo forest outside the Fire Dragon King Forbidden Ground.

After Diwu Zheng put on his Heavenly Demon Sect disciple uniform and token, he also came to the bamboo forest.

With this identity, there were basically no obstacles on Diwu Zheng's way forward.

When the other Heaven Demon Sect disciples saw him, they would even smile and greet him.

There were a few demonic beasts, but they were all casually dealt with by Di Wu Zheng.

Soon, Di Wu Zheng arrived at the depths of the bamboo forest and looked at the huge valley in front of him.

“Further ahead is the territory of the Fire Dragon Clan, which is also the forbidden area that the Ice Emperor mentioned.”

At this moment, there was a huge fire vortex at the entrance of the valley.

The flames on it burned fiercely, and there was a strong wind blowing around it. The fire borrowed the wind's power, and under the strong wind's blow, the flames erupted with a power that made one's heart palpitate.

“As expected of a place that the Ice Emperor called a forbidden area. This is a natural barrier. None of those fellows I met just now can even think of entering.”

Di Wu Zheng muttered. At the same time, he slowly advanced forward. Slowly, waves of dragon roars were emitted from the valley.

“If I were that black-clothed man, I would enter this valley to hide for a while. After those guys retreat, I would come out.”

Di Wu Zheng thought about how Li Wushuang had asked him to look for her in the bamboo forest and felt that it was a little ridiculous.

In his opinion, how could the man in black be in the bamboo forest? If he wanted to hide, he would have to go into the valley.

As Diwu slowly advanced, he saw a black shadow at the entrance of the valley slowly passing through the fire vortex..

Chapter 307: Heaven Demon Sect's Sect Master Inspects

(1)

Divine Realm, the outskirts of the Fire Dragon King Forbidden Ground.

Diwu was looking at the fire vortex at the entrance of the valley, rubbing his eyes with both hands.

“Did I see wrongly?”

The figure of the man in black that could be vaguely seen a moment ago had now disappeared.

Di Wu scratched the back of his head and continued to walk into the valley.

When he arrived in front of the fire vortex, he took a step forward and appeared in mid-air.

Then, with a thought, he activated the true essence in his body to wrap around his entire body and passed through the flame vortex.

Bang! After passing through the fire vortex, he was greeted by a lush green grassland.

“Wow, this place is simply a paradise.”

Looking at the lively scene, Diwu Zheng could not help but sigh.

“It forms a space of its own, a small world.”

Looking at the scene in front of him, Di Wu Zheng also remembered what Xiao Changtian had told him.

If there was one thing that was lacking, it might be that the dragon race was relatively large. The flowers and plants growing here were slightly larger than those outside.

Diwu was standing on the ground, almost as tall as the flowers.

Then, Diwu Zheng seemed to sense something. His figure flashed and he crouched in the bushes.

“Roar! Roar! Roar!”

Not long after, accompanied by the sound of dragon roars, a few fiery dragons flew over from the sky.

The fire dragon circled in the air and then arrived in front of the fire vortex. “Roar, did you guys sense an outsider coming in just now?”

One of the fire dragons said slowly to the other fire dragon beside him.

“Roar, mmm, mmm, it’s definitely not bad. This is the second time I’ve sensed it. There can’t be two accidents.”

“Roar, you’re right. The first time I came here, I saw an Ice Crystal Beast. It might make sense, but now there’s nothing.”

“Roar! We should hurry up and report this to the King. After all, the dragon fruit harvest is in a few days.””

The few fire dragons communicated with each other. Then, they circled in the air a few times and flew into the valley.

After the fire dragon left, Di Wu Zheng’s figure slowly rose from the grass.

At this moment, there were still a few leaves on Diwu’s head. Looking in the direction where the fire dragon had left, Diwu was holding his chin.

“Looks like I was right. Someone must have come in before me.”

“That black-robed figure should be the target that the group of people outside wants to capture.”

“But there’s finally news about the dragon fruit, Ness!”

Clapping his hands, Di Wu Zheng flew across the sky and followed the group of fire dragons that had just left.

Inside Li Wushuang’s tent.

At this moment, Li Wushuang was hugging Nalan Yan and enjoying life on the bed in the tent.

Suddenly, a disciple of the Heavenly Demon Sect pulled open the curtain of the tent door. He walked in and said anxiously to Li Wushuang,

“Commander, it’s not good. The sect master and the others are about to arrive.” Li Wushuang was at a critical moment, and when she heard the disciple’s words, her anger disappeared.

Counting the time, it seemed that the deadline given by the Grandmaster was about to arrive.

Then, Li Wushuang quickly got up from the bed.

“Brother Wushuang, what happened? Why did you stop?”

Nalan Yan, who was still unconscious on the bed, looked at Li Wushuang, who had hurriedly gotten up, and said faintly.

Following that, Nalan Yan realized that the Heaven Demon Sect disciple in the tent had instantly sobered up a little.

“How did you come in? Get out.”

When the Heaven Demon Sect disciple heard Nalan Yan’s words, he also looked at Li Wushuang.

While Li Wushuang was leading them, her private life had become a topic of conversation.

“Wait for me outside first. Also, get the group of people outside to quickly go out and investigate.”

“Also, the more tired you are when you come back, the better. Now, go to the bamboo forest and find a demon beast to fight.”

“Otherwise, no one will be able to protect you.”

Li Wushuang finished tidying up her clothes and said slowly to the Heaven Demon Sect disciple.

Then, Li Wushuang walked to the side of the Heavenly Demon Sect disciple and whispered a few more words into his ear.

“Do as I say. Be quick.”

After hearing Li Wushuang’s words, the disciple from the Heaven Demon Sect hesitated for a moment, but he quickly went down to make arrangements.

If the Heaven Demon Sect’s Sect Master found out that they were slacking off, with the Sect Master’s personality, it was very likely that they would be expelled from the sect.

At that time, their families would lose the protection of the Heaven Demon Sect. If those enemies came knocking on their doors, they would be beaten to death by their families.

“Brother Wushuang, what happened?”

Nalan Yan slowly asked as she looked at Li Wu Shuang, who was quickly tidying herself up.

Normally, Li Wushuang would want to stay in bed for a while longer. She knew what kind of man he was like.

“Sect Master is coming, but it doesn’t matter. Bao, I’ll be right back.”

Li Wushuang consoled Nalan Yan before hurriedly walking out of the tent.

After Li Wushuang left, Nalan Yan sat on the bed, her eyes flickering, her thoughts unknown.

Outside the tent, she saw Chu Yuanshan descending from the sky.

Chu Yuanshan had always been in charge of keeping watch.

Seeing Chu Yuanshan, Li Wushuang also waved at him.

“Brother Yuanshan, the sect master is coming. Let’s go and welcome him.”

“No need, Li Wushuang. How’s the thing you promised me?”

As soon as Li Wushuang finished speaking, the Heaven Demon Sect Master’s voice slowly sounded.

Then, a bolt of lightning flashed across the sky, and the Sect Master of the Heavenly Demon Sect, Mei Wu, and Baldy appeared in front of Li Wushuang.

The pressure of the Emperor God and Emperor God descended at the same time. Li Wushuang and Chu Yuanshan also felt a sense of pressure.

“Reporting to Sect Master, during this period of time, Wushuang has been going out to investigate every day. However, it seems that the Lord of the Divine Court has disappeared.”

“We can’t find it in the bamboo forest at all, but don’t worry, sect master. Soon, the disciples will be able to finish exploring the entire bamboo forest.” “What is it? You didn’t find it?”

The bald man was a little angry when he heard Li Wushuang’s words. As he spoke, he exerted pressure on Li Wushuang.

“Baldy, don’t worry.”

The Heavenly Demon Sect waved his hand, and the pressure Baldy was exerting on Li Wushuang was reduced.

“Where are the other disciples now?”

The Heaven Demon Sect’s Grandmaster looked at Li Wushuang and said slowly. “They should be outside investigating the whereabouts of the Lord of the Divine Court now. They will be back soon.”

The Heavenly Demon Sect’s Sect Master’s hand was shrouded in a dark mist. With a wave of his hand, the fog dissipated in the sky, forming a huge mark. This mark was the order for the Heaven Demon Sect to gather all the disciples outside. Clearly, the Heaven Demon Sect’s sect master wanted all the disciples to be gathered back.

“Quick, the sect master has issued the order to gather. Let’s go back.”

A group of Heaven Demon Sect disciples were fighting a demon beast. When they saw the mark in the air, they hurriedly turned around and returned.

Soon, the Heaven Demon Sect’s Sect Master summoned the disciples of the Heaven Demon Sect to Li Wushuang’s tent..

Chapter 308: The Master of the Court of God's Avatar Avatar Plan (1)

Outside Li Wushuang's tent.

The disciples of the Heaven Demon Sect stood side by side, and the Sect Master of the Heaven Demon Sect stood in front of them.

With a serious expression, he placed his hands behind his back and slowly said to them,

"Everyone is back, right? Now, report the results of your search."

Upon hearing the Heaven Demon Sect's Sect Master's words, the Heaven Demon Sect disciples looked at each other and said in unison,

"This subordinate is useless."

Hearing the Heaven Demon Sect disciple's words, Baldy snorted coldly, but the expression of the Heaven Demon Sect's Sect Master did not change at all.

"Eh? Li Wushuang, aren't there a few disciples in our Heavenly Demon Sect?" When Li Wushuang heard the Heaven Demon Sect's Sect Master calling her, she quickly walked up.

"Sect Master, it's like this. Further ahead is the forbidden area of the Fire Dragon clan. Many disciples were discovered by the Fire Dragon clan because they had investigated too deeply, so they disappeared."

"This subordinate suspects that the Lord of the Divine Court might have already escaped into the Fire Dragon King's forbidden ground."

In a moment of desperation, Li Wushuang directly told him that the Master of the Divine Court had gone to the Fire Dragon King Forbidden Ground.

In any case, one would only know if it was true or false after entering the Fire Dragon King's forbidden area. Not everyone could enter.

"What did you say? You mean that the Lord of the Divine Court will go to the forbidden area of the Fire Dragon Race to die?"

The bald man retorted disdainfully.

In his opinion, with the strength of the Lord of the Divine Court, entering the Fire Dragon King Forbidden Ground was equivalent to courting death.

"This..."

Li Wushuang was about to say something when the Heaven Demon Sect's Sect Master looked at her meaningfully.

"Baldy, don't be anxious. In my perception, there's a Heaven Demon Sect disciple in the Fire Dragon King Forbidden Ground."

"The Lord of the Divine Court might enter the Fire Dragon King Forbidden Ground."

The tokens on the disciples of the Heaven Demon Sect were specially refined by the artifact masters in the Heaven Demon Sect.

As long as the Heaven Demon Sect's sect master cast a spell, he could sense the location of the token.

Li Wushuang was surprised to hear the Sect Master's words.

It didn't make sense. These few days, it was those big idiots who were searching. Putting aside the fact that they were really stupid, how could they enter the forbidden area of the Fire Dragon Race with that strength?

Although she had her doubts, she was still grateful to the disciple who had entered the Fire Dragon King Forbidden Ground.

Because of him, her seemingly imperfect lie seemed to make sense.

After hearing the Heaven Demon Sect's Sect Master's words, Baldy also put away his contempt and replaced it with a solemn expression.

The Fire Dragon Clan's territory was called a forbidden area by the people of the Divine Realm. That was not a casual remark.

It was rumored that the Fire Dragon King's strength was heaven-defying. He had once swallowed a Godly Emperor alive in the forbidden land.

Not only that, but there were also several God Emperor Realm experts in the Fire Dragon clan.

This foundation was also the reason why the cultivators who had entered the Fire Dragon King Forbidden Ground over the years had basically never left.

With this thought in mind, the baldy said to the Heaven Demon Sect's Sect Master,

"If the master of the Divine Court enters the forbidden land, what should we do?"

The bald man didn't want to give up just like that, but the current situation didn't give them much time.

If the Lord of the Divine Court was killed by the Fire Dragon Clan, their previous efforts would be in vain.

Hearing Baldy's words, the Heaven Demon Sect's Sect Master's expression did not change at all as he waved his hand at him.

"This is not the place to talk. Let's change to another place to discuss how to enter the Fire Dragon King's forbidden area."

After saying that, the Heaven Demon Sect's Sect Master's figure disappeared first, and no one knew where he went.

The Heaven Demon Sect's Sect Master was the only Godly Emperor among them. If he wanted to enter, Baldy and the others would feel much more at ease.

Following that, his figure flashed and followed.

After the Heaven Demon Sect's Sect Master and the others left one after another, a voice was faintly transmitted from the sky.

"Li Wushuang, take some men and guard the entrance of the Fire Dragon King Forbidden Ground. Report to me if there are any abnormalities."

Li Wushuang heaved a sigh of relief when she saw that the Heaven Demon Sect Master had left without finding out that he had taken bribes.

He bowed in the direction where the Heaven Demon Sect's Sect Master had left and said to the Heaven Demon Sect's disciple in front of him,

"You guys, follow me."

The Heavenly Demon Sect Master had personally come to check on her, so Li Wushuang didn't dare to be negligent.

He immediately brought the Heaven Demon Sect disciples to the entrance of the Fire Dragon King's forbidden ground to wait.

Fire Dragon King Forbidden Ground

A black shadow passed through the mountains and finally landed on a mountain peak.

With the help of the surrounding huge rocks, the black shadow perfectly covered its body.

Then, the black shadow slowly appeared. It was a clone of the master of the Divine Court.

Standing on the mountain peak, the clone of the Master of the Divine Court looked at a huge grassland in the distance.

In the center of the grassland, there was a building that looked like an altar. On the altar, a tender dragon fruit floated on it.

Around the dragon fruit, there were many flaming dragons sitting on the ground, looking at the dragon fruit on the altar.

Looking at their expressions, they seemed to be enjoying themselves.

"As expected of the Fire Dragon clan's sacred artifact. According to the time, the Fire Dragon King will come out of seclusion in a few days."

"In that case, in the face of the fire dragon clan's anger, they will probably be completely wiped out."

The clone of the master of the Divine Court muttered to himself as he looked at the scene in front of him.

That's right. The purpose of the clone of the Master of the Divine Court coming to the Fire Dragon King's Forbidden Ground was to lure the Heaven Demon Sect's Sect Master and the others who coveted him in and then kill them all.

This way, he could also give the other experts who coveted him a warning.

More importantly, if he succeeded, it would be easier for the other avatars to hide in the Divine World in the future.

With that thought in mind, the master of the Divine Court immediately hid behind the rock.

Then, a few fire dragons flew over the mountain he was on and flew into the prairie.

The fire dragon flew past, and the clone of the master of the Divine Court walked out from behind the rock again.

Then, he saw Di Wu Zheng on the mountain opposite him and smiled.

"Although it deviated a little from the plan, it seems that it was a blessing instead of a curse."

When he was in the bamboo forest, the clone of the Master of the Divine Court had deliberately let Di Wu Zheng see him entering the Fire Dragon King's forbidden land.

He had originally thought that Di Wu Zheng would return to inform the Heaven Demon Sect's sect master and the others of the news that he had entered the Fire Dragon King's forbidden ground.

However, he did not expect Di Wuzheng to follow him in.

In this way, the clone of the master of the Divine Court had a new idea.

After checking the surroundings and making sure that the fire dragons here were not paying attention, the clone of the Master of the Divine Court used the true essence in his body to change his appearance.

Then, his figure flashed and he arrived at the opposite mountain peak.

Looking at Di Wu Zheng, who was staring at the prairie in a daze, the clone of the master of the Divine Court extended his arm and patted Di Wu Zheng's shoulder.

Diwu was looking at the dragon fruit on the altar in a daze when he felt someone pat him on the shoulder.

He turned around and saw the masked clone of the master of the Divine Court instinctively punch him..

Chapter 309: Do You Want to Become a Guardian of My

Happy Red Brothel?_i

Fire Dragon King Forbidden Area, on top of a mountain

Bang! Di Wu Zheng's punch landed on the clone of the master of the Divine Court, causing it to take a few steps back.

Slowly stabilizing his body, Di Wu Zheng clutched his chest and looked at Di Wu Zheng in front of him with shock in his eyes.

Now, he somewhat understood why Di Wu Zheng had followed him into the Fire Dragon King Forbidden Ground.

Just that punch from Di Wu Zheng, there were not many people at his age who could display it.

It seemed that this person was a talented disciple of the Heaven Demon Sect. It was reasonable for him to enter the Fire Dragon King's Forbidden Ground rashly just because he had talent.

After repelling the clone of the master of the Divine Court, Di Wu Zheng also saw the person who had just slapped him.

Just now, he was immersed in the joy of seeing the dragon fruit.

Diwu Zheng couldn't help but make a move to snatch the dragon fruit. However, he didn't expect someone to pat him on the shoulder at this time. Looking at the clone of the master of the Divine Court in front of him, Di Wu Zheng's mind was spinning rapidly.

With his eyesight, he could tell that the appearance of the clone of the master of the Divine Court had changed.

However, that was not important. What was important was whether this guy would come and compete with him for the dragon fruit.

With this thought in mind, Di Wu Zheng sent a voice transmission to the clone of the master of the Divine Court,

"Hey, who are you? What's your purpose here?"

The clone of the master of the Divine Court received Di Wu Zheng's voice transmission. After confirming that the commotion just now did not alarm the Fire Dragon Race, he replied to him,

"Don't worry, fellow Daoist. I have no ill intentions towards you. My name is Huang Tian. I saw that fellow Daoist was very interested in the dragon fruit of the Fire Dragon Clan just now."

"Why don't we work together?"

As he spoke, the clone of the master of the Divine Court also looked at Di Wu Zheng with a smile.

Di Wu Zheng's drooping collar of the dragon fruit was reflected in his eyes.

After all, this thing was a rare treasure even when he was at his peak, let alone Di Wu Zheng, who was in the golden age of cultivation.

Hearing that the clone of the Master of the Divine Court was interested in the dragon fruit, Di Wu Zheng transmitted his voice to him warily.

"Oh, how?"

When the clone of the master of the Divine Court heard Di Wu Zheng's words, he smiled and continued to reply.

"Fellow Daoist, don't worry. I won't fight with you for the dragon fruit. After I get the dragon fruit, the dragon fruit will be yours."

"As for me, I only need you to do one thing for me after you've succeeded in your cultivation."

Di Wu Zheng heard the voice transmission of the Lord of the Divine Court and saw that the other party was trying to control him, but he was not anxious. "Oh, why should I believe you?"

"How about this, I can share my understanding of dragon fruits with you, Fellow Daoist?"

As he spoke, he took out a scroll from his pocket.

"How is this sincerity, fellow Daoist?"

The clone handed the scroll in his hand to Di Wu Zheng with a sincere expression.

No matter what tricks this old man was playing, he had to read the scroll first. Di Wu Zheng took the scroll from the clone of the Lord of the Divine Court. Needless to say, information about dragon fruits was still quite scarce for him now.

Moreover, this fellow in front of him didn't seem to have much strength. If it really didn't work, he would follow what his master said in the book and suppress him with strength.

He slowly opened the scroll in his hand and saw the words written on it.

"Dragon fruits are nurtured by the essence of every Fire Dragon that has passed away in the Fire Dragon Clan. Every dragon fruit has extraordinary significance for the cultivation of the Fire Dragon Clan..."

"It seems that if I take this dragon fruit away, the Fire Dragon Clan will risk their lives with me."

Looking at the introduction on the scroll, Di Wu Zheng fell into deep thought.

He had learned spirit skills from Xiao Changtian, and they were all single-target skills.

It was still very strenuous for him. He did not know what this fellow had up his sleeves.

At the thought of this, Di Wu Zheng said to the clone of the master of the Divine Court in front of him,

"Hey, what's your plan then? How do you get your hands on the dragon fruit?" Seeing Di Wu Zheng's reaction, the clone of the Master of the Divine Court also walked over with a smile.

"This isn't the place to talk. The fire dragon might pass by at any time. Let's go to a safe place to talk."

Di Wu Zheng nodded in agreement when he heard the words of the clone. Then, his figure flashed and he left the mountain with the clone.

Above the Fire Dragon King Forbidden Ground

A huge Heaven Chessboard was floating in the air, but no one noticed his existence.

Afei Fa and Mu Jiuhuang stood on the chessboard. Mu Jiuhuang said to Afei Fa beside her,”

“Senior, why do I feel like that fellow doesn’t have good intentions? Diwu Zheng’s situation...”

Before Mu Jiuhuang could finish, Afei Fa waved his hand at him.

“Don’t worry, the show has just begun. We just have to continue watching.” Hearing Afei Fa’s meaningful words, Mu Jiuhuang was also a little confused. Based on her many years of experience as an empress, she felt that the reason why the clone of the Lord of the Divine Court approached Di Wu Zheng wasn’t that simple.

However, Alpha looked completely unworried, and Mu Jiuhuang didn’t say anything.

Li Wushuang Tent

Nalan Yan had just finished tidying up her appearance and was about to head out to look for Li Wushuang.

Suddenly, a red mist rose around the tent.

Nalan Yan was caught off guard by this sudden change.

Hurriedly mobilizing the true essence in his body, he was ready to respond at any time. At the same time, he shouted to the outside,

“Brother Wushuang!”

“What a tempting little girl. Don’t call me brother. No one outside can hear you.”

As a seductive voice sounded, a red mist covered the entire tent.

Very quickly, Nalan Yan discovered that her surroundings had become empty, and everything that was originally in the tent had completely disappeared.

The only thing that filled the surroundings was a red mist.

Following that, the red fog slowly gathered in front of her, forming a figure. It was Mei Wu, who had followed the Heaven Demon Sect’s Sect Master here.

“Are you the person beside the sect master?”

Nalan Yan looked at Mei Wu, her entire body filled with vigilance. She only felt that she had not done anything to let her down.

She didn’t understand why someone like Mei Wu would come looking for her. “Are you talking about the Sky Demon? Strictly speaking, we’re just partners.” “Besides, you don’t have to worry. I’m here to give you an opportunity.” Mei Wu’s figure flashed and arrived in front of Nalan Yan. Nalan Yan was just about to make a move when he discovered that his body was already unable to move.

Mei Wu’s fingers caressed Nalan Yan’s face, from top to bottom, her mouth still slowly smiling as she said:”

“You’re really a good seedling. If I had discovered you earlier, I might have taken you in as my disciple.”

“However, it’s not too late now. Let me ask you, do you want to obtain the strength of a Godking and become a protector of my Happy Red Pavilion?” Mei Wu said slowly beside Nalan Yan’s ear. Her voice seemed to have a kind of magical power, causing Nalan Yan, who was also a woman, to feel that she was so beautiful and moving..

Chapter 310: Guardian Nalan Yan (1)

Li Wushuang Tent

Nalan Yan looked at the charming dance in front of him. Under her enticement, Nalan Yan's eyes were filled with desire.

All this time, Nalan Yan had always been by Li Wushuang's side in order to gain more strength.

Now that there was a chance to advance to the Godly King realm, how could she not be excited?

It was just that the reputation of the Happy Red Pavilion in the Divine Realm was somewhat divided.

The cultivation techniques that Happy Red Building cultivated were all bewitching techniques and illusionary techniques. Moreover, the progress of cultivation techniques had never depended on bitter cultivation.

Instead, he absorbed the essence of powerful male cultivators to increase his strength.

Thus, a portion of cultivators in the Immortal Realm were addicted to the gentle environment of the disciples of the Delightful Red Brothel and madly supported the existence of Delightful Red Brothel.

There were also some cultivators who had their cultivation bases sucked away by the disciples of the Happy Red Brothel after having a good time, viewing the Happy Red Brothel as their enemy.

However, Nalan Yan had never been a person who abided by the rules. Without much hesitation, she said to Mei Wu,"

“Tower Lord, please accept my bow.”

As she spoke, Nalan Yan knelt down before Mei Wu.

“Yhahaha, that’s more like it.”

Mei Wu looked at Nalan Yan who was kneeling on the ground, her face full of smiles.

“Don’t worry. From now on, you are the protector of my Happy Red Pavilion. I will soon fulfill my promise to you.”

As she spoke, Mei Wu extended her hand and waved it, causing the surrounding red mist to gather on Nalan Yan’s body.

During the period when the red mist was injected, the aura on Nalan Yan’s body also rose steadily, and very quickly, she reached the Divine King Realm. Sensing the changes within her body, Nalan Yan had a face full of joy as she gave Mei Wu another big bow.

“Get up first.”

Mei Wu waved her hand at Nalan Yan who was in front of her. Following which, a bright light condensed on her finger and injected into Nalan Yan’s glabella. “This is a cultivation technique of my Delightful Red Brothel. Cultivate it well in the future. Once you use this cultivation technique, the disciples of the Delightful Red Brothel will know that you are their protector.”

Nalan Yan digested the cultivation method that Mei Wu had given her in her mind. She sat down cross-legged and began to cultivate.

After a while, Nalan Yan also slowly stood up from the ground. After cultivating the cultivation method of the Delightful Red Pavilion, Nalan Yan looked even more charming.

“Thank you, Tower Lord, for bestowing me with the cultivation technique.” After cultivating the cultivation method of the Bright Red Pavilion, Nalan Yan felt that her current strength was no longer weaker than Li Wushuang’s.

It was time to kick away that man who was full of sperm every day.

Nalan Yan thought in her heart. Following that, Mei Wu’s voice was transmitted over.

“After you cultivate the cultivation method of my Yi Hong Pavilion, no matter where you are in the future, I will have a way to find you, so don’t have any other thoughts about me.”

Mei Wu first gave Nalan Yan a warning before continuing,

“Your first task now is to stay by Li Wushuang’s side and pay close attention to any news about the Lord of the Divine Court. If anything happens, report to me immediately, understand?”

Mei Wu’s figure once again arrived at Nalan Yan, her hand lifting her face.

As for Li Wushuang, Mei Wu was also surprised by him. Although that fellow’s strength wasn’t much, for some reason, he seemed to be very good at finding the Lord of the Divine Court.

Now that he was under the protection of the Heaven Demon sect’s sect master, she could not do anything to him.

Hence, Mei Wu found Nalan Yan who was practically inseparable from him.

After Nalan Yan heard Mei Wu’s words, she was first stunned, then immediately reacted.

Previously, she had also vaguely guessed that the Beguiling Ball’s visit to her must have something to do with the Lord of the Divine Court.

However, he didn't expect that he would ask her to pay attention to Li Wushuang. In other words, she still had to cater to him.

"Why? Is there a problem?"

Mei Wu saw that Nalan Yan did not respond for a long time and said to her again.

"No, Nalan Yan promises to complete the mission."

Nalan Yan knew her current situation and immediately gave Mei Wu a guarantee.

"Alright, hurry up and execute it."

After Nalan Yan agreed, Mei Wu once again spoke to her slowly.

With this voice, everything in Li Wushuang's tent slowly returned to normal. Everything returned to how it was before, as if Mei Wu had never been here. And after Nalan Yan obtained the cultivation method of the Happy Red Pavilion, she also knew that it was an illusion technique that Mei Wu had cast. Seeing everything in the tent, Nalan Yan did not think too much about it. With a flash, she flew towards the entrance of the Fire Dragon King Forbidden Ground.

She was going to carry out her mission now.

In a hall of the Heaven Demon Sect

The Sect Master of the Heaven Demon Sect sat on a chair in the center of the hall. On both sides of the hall, there were tables and chairs.

The bald man sat on a chair and picked up a wine glass on the table. He took a sip, and his mouth twitched.

“What did that woman Mei Wu do? She’s gone again.”

The Heaven Demon Sect’s Sect Master looked at Baldy and said with a smile,

“Baldy, don’t worry. She should be here by now.”

As soon as he finished speaking, a servant girl from the Heaven Demon Sect walked out from the side. She picked up the wine pot on the baldy’s table and poured a cup into the baldy’s wine cup.

At the same time, a faint voice sounded in the hall.

“Baldy, she’s just a little girl. What’s wrong with her?”

Mei Wu’s figure slowly appeared in the hall as her voice sounded.

“Alright, since everyone is here, let’s get down to business.”

The voice of the Heaven Demon Sect’s Sect Master slowly sounded in the hall.

After hearing the Heaven Demon Sect’s Sect Master’s words, the bald man sitting on the chair wanted to say something, but he did not say it.

After all, how to capture the Master of the Divine Court from the Fire Dragon King Forbidden Ground was their main business.

“Why don’t you just say what you think?”

In the hall, the Heaven Demon Sect’s Sect Master looked at Mei Wu and Baldy below and slowly said.

“Entering the Fire Dragon King Forbidden Ground is a small matter. I think we should find more people so that we have a greater chance of success.”

The bald man said slowly. He didn’t want to lose his life without obtaining the fate of the Lord of the Divine Court.

“Yes, I think this is a feasible method. Moreover, I can sense that the disciple of my Heaven Demon Sect who entered the Fire Dragon King’s forbidden ground is still alive.”

“Who knows what might happen in the Fire Dragon King Forbidden Ground. Moreover, we can use his position to reduce some casualties.”

The voice of the Heaven Demon Sect’s Sect Master slowly spread throughout the hall. Mei Wu below also expressed that she had no objections.

“I have no objections.”

“Alright, that’s it. I’ll leave the search to Baldy. Three days later, we’ll gather at the entrance of the Fire Dragon King Forbidden Ground.”

After seeing that no one had any objections, the Heaven Demon Sect’s Sect Master also distributed the various missions.

Soon, a scheme against the Lord of the Divine Court began to unfold.

In the hall, the Heaven Demon Sect’s Sect Master looked at the departing Baldy and Mei Wu with a meaningful smile on his face.

This time, no one could escape.

The Heaven Demon Sect’s Sect Master slowly said in his heart. Then, his figure disappeared from the hall..
