### Chapter 421: Senior Has His Eyes on Me (1)

In the Divine World, in the forest in front of the Beast Taming Door.

Sean looked at Alpha, who was standing beside him, and a smile appeared on his face.

Looking at Alpha, Sean smiled awkwardly at him.

Then, he let Xiao Changtian pull his arm and walk to the side.

“Alpha, we’re going back.”

Xiao Changtian waved at Alpha.

Then, Alpha walked up to Xiao Changtian and led the way.

This person could actually order the Heaven Swallowing Dog to do things?

Xiao En saw Alpha behaving obediently under Xiao Changtian’s command. His gaze swept over Xiao Changtian again.

This person was the master of the Heaven Swallowing Dog. Could it be that he was also cultivating the technique of beast taming like him?

However, from Xiao Changtian’s body, he didn’t seem to be emitting any aura. It seemed that he had to think of a way to force him to make a move. At this moment, Xiao Changtian’s voice slowly entered his ears.

“Old man, what are you looking at?”

“I’m telling you, you’re already so old. It’s time for you to let go of some things.”

Xiao Changtian patted Xiao En’s arm as he spoke.

When he came to the cultivation world, the feeling that the old man gave Xiao

Changtian was that he had never forgotten his dream of cultivation.

Previously, when he was in Dayang Town, Divine King Red Cloud was also full of lofty aspirations and bragged to him.

Later on, when he went to Mo Ba’s courtyard, that Sword Emperor was the same.

He always thought that one day, he would be able to walk the world with a sword.

However, cultivation also depended on talent. If it didn’t work, then don’t waste time.

He and Chu Yiren had come here to find a spoon that was a half-immortal artifact.

For this old man to come to such a place, it was likely that his desire to seek immortality had not faded.

Xiao En looked at his arm that Xiao Changtian had slapped.

He also felt a lingering fear in his heart. His invincible attitude in the Great Desolate Immortal Continent for many years had already made him forget who else in the world could defeat him.

And from the words of the person in front of him just now, it was obvious that he had understood everything in his heart.

Some things should be put down? Was it warning him not to have any thoughts about the Heaven Swallowing Dog?

Shawn made up his mind.

No, he had to return to the sect to ask for reinforcements first.

Then, Xiao En tried to break free from Xiao Changtian's arm.

However, he suddenly realized that he was caught by Xiao Changtian. No matter how hard he tried, he couldn't break free.

This person must be some old monster who had hidden himself from the world.

He had just seen through his intention to hit the Heaven Swallowing Dog. Therefore, he wanted to take revenge on him now.

With that thought in mind, Sean hurriedly whistled.

This was his signal to summon his black eagle.

Now, if he wanted to escape, he had to cooperate with his mount.

After Sean landed, a stream of light fell from the sky.

Bang! The black eagle landed in front of Xiao Changtian and the others.

What was that?

Sean saw Black Eagle fall to the ground and get captured.

Could it be that this did not escape his detection?

Although he had just whistled, that was his unique skill.

Other than Black Eagle and himself, no one else should be able to hear it. At this moment, Xiao Changtian also saw the black eagle in front of them. He turned to Sean and said with a smile,

“Old man, I saw how you fell just now. The heavens are taking care of you. We

can catch that eagle in front and stew it.”

“It’s to nourish your body!”

While speaking, Xiao Changtian also grabbed the black eagle and tied it to the Qiankun Bag on his waist.

Was this person trying to show off?

Was this telling him that no matter what method he used, it would be useless against him?

Sean’s face was filled with despair as he analyzed the situation in his heart.

It was all his fault for being greedy and invincible in the Great Desolate

Immortal Continent for a long time.

He thought that he could do anything.

In fact, the power of an existence that could command the Heaven Swallowing

Dog was something that he could imagine.

This time, he had brought up an iron plate.

With this thought in mind, Xiao En knelt down in front of Xiao Changtian.

Bang! Xiao Changtian only heard a bang behind him.

He turned around and saw Sean kneeling before him.

At this moment, Chu Yiren's voice could be heard.

"Senior, where did you go?"

Seeing Chu Yiren, Xiao Changtian also waved at her.

"Yiren, I'm here."

"There's an old man here. He encountered some trouble in the forest and came

over to help."

The old man seemed to be exhausted from the mountain. He couldn't even

walk with his legs, so he directly knelt down.

When Chu Yiren heard Xiao Changtian's words, she walked over as well, narrowing her eyes at Xiao En.

The feeling this person gave him was similar to the Ice Emperor in the courtyard.

He was only slightly weaker than them.

What was the purpose of Senior helping this person?

Although she had some thoughts, Chu Yiren still walked over to help Xiao En up.

Hearing Xiao Changtian's words, Xiao En felt even more hopeless.

It seemed that this senior didn't care about his pleas at all.

Logically speaking, although he had his eyes on the other party's mount, he did not succeed after all.

Moreover, he had also knelt down. Such a figure still had some grace.

He shouldn't have bothered about it.

Why couldn't he forgive himself? Could it be that he had offended her in some way?

No matter how he thought about it, Sean could not figure out how he had offended them.

At this moment, Xiao En also saw Chu Xiaoshan, who was standing beside Chu Yiren.

Seeing Chu Xiaoshan, Xiao En suddenly understood something.

When the Naga came to report to him, he was still wondering why the Heaven Swallowing Dog would appear here.

After all, if a divine beast like the Heaven Swallowing Dog were to be born, it should cause a huge commotion.

After coming here, he found out that the Heaven Swallowing Dog had an owner.

Moreover, Chu Xiaoshan is still by Senior's side.

What did this mean? This meant that the relationship between Senior and Chu

Xiaoshan was very close.

Moreover, because of the Saint Child incident this time, Senior would probably

come to his Imperial Beast Sect to denounce him.

That was why he had given him a show of strength just now.

As he thought about this, cold sweat broke out on Sean's face.

If he was targeted by an expert, how would he live in the future?

Thinking of this, Xiao En also looked at Chu Xiaoshan.

His eyes were pleading for help.

Now his only way to survive was Chu Xiaoshan.

At this time, Xiao Changtian also walked up to Xiao En.

“Old man, sit down for a while. I’ll chop this eagle up for you and cook it into soup.”

While talking, Xiao Changcheng held a small dagger in one hand and Xiao En’s black eagle in the other.

It was over, it was over.

When Xiao En saw Xiao Changtian’s appearance, he was also anxious.

The black eagle was his natal mount. Once it died, his cultivation would also fall.

Senior was going to kill the black eagle first to vent Chu Xiaoshan’s hatred.

At that moment, Xiao En saw Chu Xiaoshan, who had turned his head away,

and was even more certain of this.

What should he do? What should he do?

Chapter 422: Ye Tian

|

In the Divine Realm, in the forest outside the Imperial Beast Gate.

Xiao En watched as Xiao Changtian was about to attack the black eagle in his hand.

He quickly looked at Chu Xiaoshan again.

Chu Xiaoshan was still standing at the side coldly, completely ignoring him. He clearly remembered the time at the Imperial Beast Sect's Saint Assembly. How did the sect master treat him?

He valued Ye Tian's talent and didn't care about the fact that he had been targeted and hunted down.

She even liked Ye Tian.

Now that he was in trouble, he would definitely not help.

He had no choice but to do so.

Seeing Chu Xiaoshan's reaction, Xiao En knew that he would not help him plead for mercy.

Then, he shouted.

"Wait!"

The black eagle in Xiao Changtian's hand was trembling when it saw the dagger in front of it.

The dagger in Xiao Changtian's hand gave him the feeling of an immortal artifact.

He could feel that he only needed one strike from Xiao Changtian.

He would definitely die. His defense could not block the dagger's attack at all.

Xiao Changtian also stopped what he was doing.

Xiao Changtian also looked in Xiao En's direction.

“You don’t want to kill him.”

Xiao Changtian pointed at the black eagle in his hand and said slowly to Xiao En.

Xiao En heard Xiao Changtian’s words and stopped the dagger in his hand.

He heaved a sigh of relief and nodded frantically at Xiao Changtian.

She didn’t expect this old man to be so kind and not like to eat small animals.

That’s right. Those immortal cultivators all talk about the Dao and nature, and they have to be of one heart with heaven and earth.

This old man had probably read too many books.

At this time, Xiao Changtian also walked up to Xiao En.

He slowly put away the black eagle and said to him,

“If you say you don’t want to eat it, then don’t eat it first. I’ll keep it for now.”

Xiao Changtian patted Xiao En’s shoulder as he spoke.

Xiao En was touched when he saw that Xiao Changtian did not kill the black eagle.

Senior was giving him a chance to redeem himself.

With this thought in mind, Xiao En said to Xiao Changtian on the spot, “Senior, Xiao En will remember today’s matter. When we return to the sect, we will definitely make Chu Xiaoshan the Holy Son.”

As he spoke, Xiao En glanced in Chu Xiaoshan’s direction.

Chu Xiaoshan? What Chu Xiaoshan?

Xiao Changtian was also dumbfounded when he heard Xiao En’s words.

This was the first time this old man had spoken to him in a serious manner. He did not expect that he was actually sick.

Forget it, let’s not bother about him.

Chu Xiaoshan probably made it up at random, so he would just cooperate with him.

At this moment, Xiao Changtian also responded.

“Good, good, you’re right.”

Xiao En was delighted to hear Xiao Changtian’s words.

At the same time, Chu Xiaoshan, who was beside Chu Yiren, was also overjoyed.

It seemed that his previous flattery was not wrong. He had hugged a thigh. Even the Sect Master was submissive in front of this young man.

Naturally, Chu Yiren didn’t question Xiao Changtian’s decision.

“Yiren, I’ll continue walking up.”

Xiao Changtian said slowly to Chu Yiren.

Hearing that Xiao Changtian was going to continue walking, Xiao En also tidied up his clothes.

It seemed that Senior wanted to see his actions with his own eyes.

He could only perform well now and try to save Black Eagle.

At this time, Xiao En also took the initiative to walk in front of Xiao Changtian and slowly said to him,

“Senior, I’m familiar with this mountain. Let me lead the way.”

Xiao Changtian exchanged a glance with Chu Yiren when he heard Xiao En’s words.

Then, he slowly said to him,

“Alright, then you lead the way.”

This old man seemed to have done some research on this place. Since he took the initiative, he would let him lead the way.

Thus, Xiao En led Xiao Changtian and the others slowly toward the Imperial Beast Gate.

At this moment, the Imperial Beast Sect

In a magnificent room.

The room was lit with sandalwood. It was obvious that it was made of high-quality materials.

There was a man sitting in the room. Beside him was a beautiful woman.

They were enjoying themselves in the room.

“Saint Child, bad news, Saint Child.”

At this moment, an anxious voice came from outside.

Then, the door of the room was opened, and the Naga’s figure slowly appeared in the room.

In the room, the man was wearing black clothes and a jade ring on his finger.

This person was none other than the Imperial Beast Sect’s current Holy Son, Ye Tian.

Ye Tian seemed a little angry.

With a wave of his hand, the women around him retreated.

“What’s the hurry?”

Hearing Ye Tian’s angry voice, the Naga’s body trembled and she fell to her knees.

“Lord Holy Son, we failed to kill Chu Xiaoshan.”

“What?”

Ye Tian was already in a bad mood, so the Naga’s words made him feel a little unhappy.

He flipped the table beside him and stood up from the chair.

“Holy Son, calm down. The sect master has already gone out to investigate.” Hearing the Naga’s words, Ye Tian also walked out of the room.

The Naga watched Ye Tian leave the room.

He stood up from the ground and muttered.

“Saint Child, I haven’t told you about the Heaven Swallowing Dog.”

After leaving the room, the ring on Ye Tian’s finger lit up.

“Tian ‘er, you shouldn’t be so impulsive.”

“That Naga clearly had something to say.”

“Master, I know, but what can those soldiers know? If Chu Xiaoshan doesn’t die, how can I tolerate it?”

As he walked, Ye Tian spoke to his ring.

Who would have thought that Ye Tian’s ring had a soul hidden within?

From the looks of it, his strength was still quite good.

Hearing Ye Tian’s words, a sigh came from the ring.

This disciple of his, what was good about him? He was just a little impatient. After the battle of the Saints, Ye Tian had also taken advantage of the situation. He wanted to hide in the Imperial Beast Sect

and steal the one-hundred-thousand-year-old spiritual medicine, the Lingzhi Grass. Nurturing his master's soul.

However, he didn't expect Chu Xiaoshan to bump into him.

Although his master had said that he had not discovered their intentions at that time.

They just happened to bump into each other, so there was no need to be so ruthless.

But Ye Tian still couldn't rest until he killed him.

Therefore, they started to target Chu Xiaoshan in various ways in the sect, and finally killed him.

He had learned his lesson from the failure of stealing the lingzhi grass last time and was about to steal it again.

Then, there was news that Chu Xiaoshan was not dead and was coming back at this time.

It seemed that Chu Xiaoshan was obviously trying to ruin his plans.

Thus, Ye Tian was anxious to go outside and confirm whether he was dead or

not..

Chapter 423: Hooligan (1)

Divine Realm, Beast Taming Sect

Xiao En's figure slowly appeared in front of the mountain gate. Xiao Changtian and the others were behind him.

When he arrived at the stone door, Xiao Changtian saw the three words written on it.

Imperial Beast Sect!

It sounded like a cultivation sect.

Could it be that this old man wanted to bring him to a cultivation sect?

He had also gone to the Great Sun Sect. This stone door looked like a cultivation sect.

With this thought in mind, Xiao Changtian slowly said to Xiao En,

"Old man, what is this place?"

Xiao En was stunned when he heard Xiao Changtian's words.

With Senior's strength, wasn't this asking the obvious?

However, Xiao En seemed to have thought of something and responded to Xiao Changtian.

Senior Shi Mu, this is the home of the I."

It seemed like Senior was going to remind him what he should do later.

Hearing Xiao En's words, Xiao Changtian rolled his eyes.

He thought it was some cultivation sect, but he didn't expect it to be this old man's home.

This old man was really more ridiculous than those people from before.

Forget about the previous talk, this old man even directly set up a mountain gate.

Looking at the old man, there was probably no one inside.

With this thought in mind, Xiao Changtian slowly said to Xiao En,

"Then I'll have to trouble you to lead the way."

Xiao En heard Xiao Changtian's words and smiled at him.

Then, he made an inviting gesture to Xiao Changtian.

After entering the Imperial Beast Gate and passing through a corridor, they arrived at a square.

At this moment, there was no one in the square, but there were quite a few birds and beasts.

As expected, it was exactly as he had expected.

There was no one in this sect at all. It had almost become the world of animals.

At this moment, the disciples of the School of Imperial Beasts standing on the square were also dumbfounded.

Just now, they suddenly felt a pressure descend on their bodies.

Then, they automatically entered their beast forms.

One by one, they turned into ferocious beasts.

At this moment, the group of disciples also started to communicate with each other.

“Do you know what’s going on? Why were we suddenly forced into beast form?” A disciple of the Imperial Beast Sect asked the others slowly, his tone filled with confusion.

“As you can see, the sect master is walking towards us. I think the sect master has cultivated some strange technique and didn’t stop just now.

As he spoke, a disciple of the School of Imperial Beasts who had turned into an ant also looked in the direction of the sect master.

When the other disciples of the Imperial Beast Sect heard this disciple’s words, they slowly nodded their heads.

“That makes sense. Only the sect master has such strength.

“Yes, yes, the sect master is walking over now. It seems that the pressure on

our bodies will be lifted soon.”

Xiao En and Xiao Changtian arrived at the square and saw the group of disciples.

Xiao En looked at Xiao Changtian with fear in his eyes.

This senior had suppressed all his disciples to the ground.

This was a warning to him to do his job well.

With this thought in mind, Xiao En slowly said to Xiao Changtian,

“Senior, wait a moment. I’ll be right there.”

Hearing Xiao En’s words, Xiao Changtian waved his hand.

“Go, go.”

Then, he sat down in the square.

This old man had come to his sect to do some strange things.

He was not in a hurry.

Seeing Xiao Changtian sit down, Chu Yiren walked over slowly and sat down beside him.

“Yiren, do you know the exact location of the spoon you mentioned?”

On the way here, Chu Yiren had told him the general location.

She didn’t say where exactly.

“Senior, I can’t remember exactly where it is, but it’s definitely nearby. Chu Yiren looked around and thought for a while before replying to Xiao Changtian.

While Xiao Changtian and Chu Yiren were conversing, the disciples of the School of Imperial Beasts in the plaza were also in an uproar.

“Who are these two people? They don’t look like disciples of our Imperial Beast Sect.”

“They really don’t look like them, but the gatekeeper was quite respectful to

them just now. Could they be old friends of the gatekeeper?”

“How can it be an old friend? Have you ever seen an old friend sitting in the square?”

For a moment, the disciples of the School of Imperial Beasts on the square were also talking at once.

At this moment, Xiao Tao was bored. He saw that the small animals in the square seemed to be very active.

He casually grabbed a rabbit beside him.

His hand caressed her body.

Then, he slowly said,

“This old man is really interesting. The sect he established has become a paradise for animals.”

In Xiao Changtian’s hand, Rabbit also felt a powerful pressure descend on its body.

He was unable to raise any thoughts of resistance. Even the most basic movement of his body was extremely difficult.

“These little animals are quite obedient.”

Xiao Changtian looked at the little rabbit in his hand and said slowly.

Then, Xiao Changtian slowly put it back on the ground.

“How is it? How strong is this person?”

Rabbit was placed down and surrounded by the other disciples of the School of Imperial Beasts.

“This person is a hooligan.”

The rabbit returned to the square at this time, also angry and frustrated.

When he was in Xiao Changtian’s hands just now, he was still a little afraid when he was suppressed by the pressure.

After that, Xiao Changtian actually caressed his chest.

Truly shameless.

“Hooligans?”

When the other disciples of the School of Imperial Beasts heard Rabbit’s words, they were also a little puzzled.

They wanted B. Rabbit to test this person’s strength, not his character.

As the rabbit spoke, Xiao Changtian slowly turned his head.

At this moment, everyone dispersed.

The current situation of this human's strength was still unknown. After the sect master left, the pressure on their bodies had not disappeared.

Perhaps this person was behind it.

After Xiao En left Xiao Changtian's room, he flew towards Ye Tian's room.

Now, he only wanted to capture Ye Tian and beg Xiao Changtian to release his Black Eagle.

Originally, he wanted to make Ye Tian the Holy Son and slowly observe him. After all, it was impossible for him not to have secrets when he had such strength after just a few months in the sect.

But even though Ye Tian's body was a little strange, for the sake of his mount, he couldn't care less.

At the same time, Ye Tian also hurried to the Imperial Beast Sect.

"Found it."

Xiao En hovered in the air, looking down at Ye Tian, his face filled with joy. Reaching out, a palm made entirely of True Qi flew towards Ye Tian.

Ye Tian, who was running along the road, also sensed something and looked up..

Chapter 424: Ye Tian's Master (1)

Imperial Beast Gate

As Ye Tian walked, he seemed to sense something.

He looked up and saw Sean's palm coming at him.

"Sect Master!"

Sean shouted. Then, he realized that the space around him had been completely sealed.

He could not move at all.

"Master, save me!"

Ye Tian looked at Xiao En in the air and thought to himself.

Sigh!

Ye Tian and Xiao En heard a sigh.

Following which, an icy blue chain flew out from Ye Tian's finger.

It directly broke the binding Xiao En had placed on Ye Tian.

"Hahaha, my disciples are not people you can deal with."

At this moment, a white shadow slowly appeared behind Ye Tian.

The mysterious man had long white hair and an unusually long beard.

"I've always felt that this kid was hiding a secret. I didn't expect him to be a remnant soul."

Xiao En stood in the air, his eyes narrowed as he looked at the shadow.

“Although it’s just a remnant soul, it’s enough to deal with you. I’m just curious as to what made you attack.”

When the shadow heard Sean’s words, he stroked his beard and said slowly to Sean,”

When Sean heard the phantom’s words, he also swung his palm.

“You don’t have to know that.”

The mysterious man’s words reminded Xiao En and Xiao Changtian to wait in the square.

If it had been a little later, he might not have been able to keep his Black Eagle.

Xiao En’s angry palm, imbued with the might of a God Emperor, slowly struck towards Ye Tian.

Ye Tian looked at the palm print in the air and said to the shadow beside him,”

“Master, are you confident?”

“Don’t worry. In the Divine Realm, there aren’t many things that teacher is afraid of. If it was in the past, this kind of trash would be dealt with by teacher in minutes.”

As he spoke, a powerful aura burst out from the mysterious man’s body.

“What is it? Godly Emperor?”

Sean exclaimed in shock the moment the shadow released its aura.

The aura that the illusory figure displayed was actually on par with him.

One had to know that he was only a remnant soul now.

It was hard to imagine how powerful he would be at his peak.

Thinking of this, Sean felt uneasy.

Today, he had really stepped on dog shit. First, he met Xiao Changtian and his black eagle was taken away.

Now, he had encountered another remnant soul with an aura similar to his.

“Just this, you also want to have ideas about my disciple.”

The shadow scattered Xiao En’s palm print and shouted at Xiao En.

Ye Tian looked at his Master’s imposing manner and his face was filled with fanaticism.

In midair, Sean looked down at the shadow.

Through the probing attack just now, Sean also understood that without Black Eagle, it was impossible for him to beat this person.

With that thought in mind, Sean shouted at the shadow,”

“Ye Tian murdered a fellow disciple and violated the rules of the Imperial Beast Sect. I have to bring him back.”

“I hope this senior can help me on this account.”

As he spoke, a blade of grass appeared in Sean’s hand.

The green grass danced in the wind.

“Lingzhi Grass!”

Ye Tian blurted out when he saw the grass in Xiao En’s hand.

This was none other than the lingzhi grass that he wanted to steal.

The reason why his master had guided him to the Imperial Beast Sect back then was also because of the Lingzhi Grass.

At this time, Ye Tian also turned to look at the shadow.

He wasn’t very confident. He was also afraid that the mysterious man would hand him over directly.

“Hahaha!”

When the shadow heard Sean’s words, he laughed out loud.

He turned to look at Ye Tian behind him, and his body shook.

“Disciple, what do you think?”

Ye Tian quickly pointed at Xiao En and said,”

“Who do you think you are? Are you worthy of discussing a deal with my master?”

“Well said!”

The illusory man clapped his hands in satisfaction.

“My disciple said that you are not worthy of trading with me. Therefore, I will sell this thing myself.”

As soon as he finished speaking, the shadow once again condensed a true energy chain and attacked Xiao En.

Seeing that his enticement had failed, Xiao En also flew toward the square where Xiao Changtian was.

Seeing Xiao En leave, the mysterious man waved his sleeve and chased after him with Ye Tian.

“Since you forced me to make a move, don’t run away.”

He had not seen Black Eagle since just now.

This meant that something must have happened to Black Eagle. This was a great opportunity to kill Sean and take control of the Imperial Beast Sect.

Two streams of light flew past the Imperial Beast Gate.

Xiao En was in front, the shadow leading Ye Tian behind.

Xiao En’s gaze swept across Xiao Changtian below and he heaved a sigh of relief.

Then, it flew in his direction.

Xiao Changtian saw that Xiao En was panting and walked up to him.

“Old man, what’s wrong?”

Xiao En felt Xiao Changtian pressing his back, and he was shocked.

Hearing Xiao Changtian’s words, he quickly replied,”

“Senior, I’m being chased.”

Hearing Xiao En’s words, Xiao Changtian slowly looked forward.

Xiao Changtian’s hand left Xiao En’s back, and Xiao En heaved a sigh of relief.

The Senior had pressed his hand on his back, so he hadn’t seen Ye Tian and had wanted to kill him.

At this time, the shadow and Ye Tian landed in front of Xiao Changtian.

Seeing Ye Tian suddenly appear in front of him, Xiao Changtian slowly said to Xiao En,”

“Him?”

Xiao En saw Xiao Changtian pointing at Ye Tian and nodded.

At that moment, the shadow saw Sean run to a mortal’s side, and its gaze became somewhat vigilant.

Ye Tian, this person isn’t from the School of Imperial Beasts. Be careful.

The illusory figure stood in front of Ye Tian, speaking to him telepathically.

Ye Tian turned to Xiao Changtian.

However, Xiao Changtian didn't have any aura at all.

"Master, don't worry. That Xiao En is just trying to be mysterious. I'll go kill that mortal."

Kill him?

Xiao Changtian was also stunned by Ye Tian's words.

No wonder this old man was panting. He was being chased by this person.

"Your enemy?"

Xiao Changtian pointed at Ye Tian and spoke slowly.

"No, he's the current Saint."

Saint Child? The Holy Son of the sect established by the old man.

It seemed that this old man should have treated him well.

It was fine if this person did not repay his kindness, but he even wanted to kill the old man. This was really intolerable.

Since this person could come here to be the Holy Son, he should be a mortal like him.

He would teach the old man a lesson.

No matter what, he was also a martial artist.

With this thought in mind, Xiao Changtian relaxed his muscles and walked over to Ye Tian..

Chapter 425: Strictly Guard (1)

Imperial Beast Gate

Xiao Changtian slowly approached Ye Tian.

Ye Tian looked at Xiao Changtian, a cold smile on his face.

A mortal was acting really well.

He was afraid that he would lose his life if he continued to pretend.

With this thought in mind, Ye Tian also rose from the ground and punched Xiao Changtian.

“A mere mortal dares to be so arrogant. He really doesn’t know how to write the word ‘death’.”

“Mountain Splitting Fist!”

Ye Tian clenched his fists and instantly appeared in front of Xiao Changtian.

This kid’s killing nature was very heavy!

Xiao Changtian looked at Ye Tian and sighed inwardly.

However, it was still a little too tender.

As he spoke, Xiao Changtian raised his arm and grabbed Ye Tian's fist.

How was this possible?

Ye Tian watched as Xiao Changtian easily negated his attack.

Her hand was still being held by the other party, and she could not break free at all.

His heart trembled. After trying a few times, he also looked at the phantom behind him.

At this time, Xiao Changtian slowly said to Ye Tian,"

"Let me teach you a lesson on behalf of your master."

"How dare you!"

Seeing Xiao Changtian's actions, the shadow beside him also shouted.

"My disciple is not someone else's turn to teach him a lesson."

As he spoke, the shadow also wanted to attack Xiao Changtian.

Although Xiao Changtian was acting weird, he had slapped his own disciple in public.

This was a provocation.

At this moment, the mysterious man threw a few chains at Xiao Changtian.

“Arrogant!”

The illusory figure saw that Xiao Changtian had ignored him and directly knocked Ye Tian to the ground.

He shouted angrily and the chains came to Xiao Changtian’s side.

It directly passed through Xiao Changtian’s body.

“Senior.”

Seeing that Xiao Changtian didn’t set up any defenses, Chu Yiren, who was sitting in the plaza, said,”

“Hmm? Is there anything?”

Hearing Chu Yiren’s voice, Xiao Changtian also turned his head and said slowly to her.

“No, no!”

Seeing that Xiao Changtian was completely unscathed, Chu Yiren waved her hand.

At this moment, the mysterious man looked at Xiao Changtian, and a trace of panic appeared in his eyes for the first time.

Impossible, impossible!

He had clearly just passed through the chain. How could he be fine?

“Again!”

Seeing Xiao Changtian teaching Ye Tian a lesson, the mysterious man’s aura grew even stronger.

“Do you know? In the future, you have to respect your teachers and elders, do you hear me?”

Xiao Changtian looked at Ye Tian, who was lying on the ground, and said slowly.

“Just you wait. I’ll teach you a lesson.”

Ye Tian saw his Master use an even more powerful technique and slowly responded to Xiao Changtian.

Alright, this was a tough nut to crack.

Hearing Ye Tian’s words, Xiao Changtian came to a conclusion in his heart.

On the other hand, Chu Xiaoshan and the disciples of the School of Imperial

Beasts on the square were standing at the side.

This was Ye Tian and Xiao Changtian’s dispute.

They were all trembling. What kind of people were these?

Chu Xiaoshan was also very touched.

Senior was indeed here to help him take revenge. It was the right choice to hug his thigh.

With that thought in mind, Chu Xiaoshan rubbed his face against Chu Yiren.

“Die!”

The mysterious man saw Xiao Changtian ignore him the whole time. He didn’t even stop him when he used his ultimate move.

It seemed that he did not put him in his eyes at all.

Xiao Changtian looked down at Ye Tian, who was looking in a certain direction.

He was also pointing in the direction of the phantom.

“Is there anyone there? It was useful to look at it. He should think about his mistakes.”

In Xiao Changtian’s eyes, there was indeed nothing there.

“This is too much, too much!”

The virtual shadow heard Xiao Changtian’s words, but also angrily said a sentence.

Then, a giant dragon formed by his soul power charged toward Xiao Changtian.

“Brat, you will definitely pay the price for your arrogance.”

“Old man, you’re getting a little carried away.”

At some point, Alpha had already arrived at Xiao Changtian’s feet.

As the voice rang in the shadow's ears, a huge Heaven Chessboard scattered the dragon.

Then, the figure of the Heaven Swallowing Dog slowly appeared on the Heaven Chessboard.

Stepping on the Celestial Chessboard, he slowly walked towards him.

"Swallowing the Heavens...Heaven Swallowing Dog!"

The mysterious man looked at the Heaven Swallowing Dog that was walking towards him and felt a little afraid.

The stronger they were, the more they knew how terrifying these divine beasts were.

The Heaven Swallowing Dog in front of him clearly had the strength to kill him here.

"Esteemed Lord Heaven Swallowing Dog, I didn't know you were here and disturbed your rest. I will leave now."

After saying that, the phantom turned around and wanted to escape.

"You attacked Master. Is it possible for you to escape?"

The Heaven Swallowing Dog saw the phantom trying to escape and slowly walked forward.

As he walked, the Celestial Chessboard under his feet also covered the phantom.

Hearing the Heaven Swallowing Dog's words, the mysterious man was even more frightened.

So that person was the owner of the Heaven Swallowing Dog. No wonder he didn't put him in his eyes.

From the beginning to the end, he was just a clown in his eyes.

No!

Along with this voice, the Heaven Swallowing Dog opened its mouth and swallowed the phantom into its stomach.

Xiao Changtian saw that Ye Tian was still looking in the same direction and felt helpless.

This kid's expression changed.

"Hey, do you understand what I just said?"

Xiao Changtian waved his fist as he spoke.

By this time, Ye Tian had already fainted.

The scene of the Heaven Swallowing Dog devouring the phantom had scared him into fainting.

Xiao Changtian looked down at Ye Tian, who didn't respond, and reached out to check.

He fainted? Why can't she take it?

It seemed that his strength as a martial artist was still quite intimidating.

With this thought in mind, Xiao Changtian waved at Xiao En.

Xiao En saw Xiao Changtian waving at him and immediately walked over.

“Senior, what can I do for you?”

After witnessing the strength of the Heaven Swallowing Dog once again, Xiao En treated Xiao Changtian like a bootlicker.

Seeing Xiao En’s expression, Xiao Changtian pointed at Ye Tian.

“I’ll leave this kid to you. Take care of him and teach him more so he won’t be so stubborn.”

These children grew up in the mountains. It was normal for them to be a little wild. It was fine as long as they were taught more.

Xiao En heard Xiao Changtian’s words and immediately nodded at him.

Senior’s intention was naturally to lock Ye Tian up and watch him closely.

At this moment, in a few small paths in front of the square.

There was also the sound of footsteps.

“Sect Master, what’s wrong?”

The person who came was none other than the other elders of the Imperial Beast Sect.

They usually did not show their faces in the Imperial Beast Sect.

He had sensed a powerful aura here just now, so he had rushed over..

Chapter 426: Go Away!

Imperial Beast Gate

A few elders of the School of Imperial Beasts slowly walked towards the square.

When he saw the disciples in the square who had been suppressed into their beast forms, he asked Xiao En slowly,”

“Sect Master, what happened?”

Hearing the words of the School of Imperial Beasts Elders, Xiao En pointed at the unconscious Ye Tian.

“Everyone, Ye Tian has violated the sect rules by killing a fellow disciple. Lock him up.”

Hearing Xiao En’s words, the elders also looked at the ground.

Ye Tian was indeed lying on the ground, unconscious.

“Sect Master, this...”

” Why? Is there a problem?”

An elder from the School of Imperial Beasts opened his mouth to say something, but before he could say anything, he was interrupted by Xiao En.

What a joke. He could neglect a matter personally ordered by a senior.

Hearing Xiao En's unquestionable voice, the elders of the School of Imperial Beasts were somewhat puzzled.

However, he did not continue asking.

They couldn't understand why the Sect Master would lock up Ye Tian, the future rising star of the School of Imperial Beasts.

Also, what was going on with the disciples on the square?

An elder of the Imperial Beast Sect thought this and felt a little resentful.

As she walked, she bumped into Xiao Changtian.

Hmm? The Imperial Beast Sect's elder glanced in front of him.

A mortal?

"Go away!"

The Imperial Beast Sect Elder said to Xiao Changtian.

Xiao Changtian was baffled by the words of the Imperial Beast Sect elder.

Xiao Changtian naturally noticed the appearance of these old men.

Presumably, those old men who wanted to cultivate had gathered together and formed an organization or something.

In his previous life, it was a nursing home.

However, this old man seemed unreasonable.

No wonder Ye Tian was his disciple.

While Xiao Changtian was thinking, the elder of the School of Imperial Beasts saw that Xiao Changtian didn't give in.

She said to him again.

"Didn't you hear me telling you to go away?"

This Imperial Beast Sect elder's voice was a little loud, and it naturally attracted the attention of others.

Xiao En turned his head and saw that the elder of the School of Imperial Beasts was yelling at Xiao Changtian.

F \* ck, even if he wanted to die, he didn't need to do this.

Xiao En had a bad feeling when he saw the elder standing in front of Xiao Changtian.

"Woof woof woof!"

At this moment, the Heaven Swallowing Dog barked at the Sect of Imperial Beasts 'elder casually.

It was over!

When Sean saw Alpha barking at the elder of the School of Imperial Beasts, he also covered his forehead.

Then, the Sect of Imperial Beasts elder suddenly fell to the ground.

His eyes were filled with fear, as if he had seen something invincible.

“This...”

The elder from the School of Imperial Beasts pointed at Alpha, his mouth trembling.

Xiao Changtian was speechless when he saw the elder’s reaction.

What was wrong with this old man? He was so aggressive just now.

Xiao Changtian wanted to reason with him, but he didn’t expect the old man to fall to the ground.

At this moment, Xiao Changtian also walked over and slowly helped him up from the ground.

She smiled when she saw the direction he was pointing.

So this old man was afraid of dogs.

Then, Xiao Changtian waved at Alpha, and Alpha automatically walked to the side.

At this moment, Xiao Changtian said to the Sect of Imperial Beasts Elder,”

“Old man, be careful when you walk. It’s fine now.”

Hearing Xiao Changtian’s words, the School of Imperial Beasts ‘elder quivered.

This person was actually the owner of the Devouring Dog.

It was only because he was kind at heart. Otherwise, he might have been a corpse.

The Imperial Beast Sect Elder looked at Ye Tian and understood.

It turned out that the Sect Master had had such a deep meaning when he had ordered the underling to capture Ye Tian.

Ye Tian had clearly offended someone he shouldn't have.

Fortunately, fortunately.

Xiao Changtian smiled and didn't look like he was going to pursue the matter.

The Imperial Beast Sect elder heaved a sigh of relief.

At that moment, the other elders of the School of Imperial Beasts also saw Alpha.

They were all sensible people. After living for so many years, they immediately got busy.

Xiao En saw that Xiao Changtian didn't blame him, so he also came to his side.

"Senior, please come to the back for a chat."

As he spoke, Xiao En also made an inviting gesture to Xiao Changtian.

"Please!"

Xiao Changtian looked at the sky. If they entered the mountain today, it would probably be night time.

Why don't I stay at this old man's place for a night?

He would look for it tomorrow. Moreover, he had saved this old man once today.

Soon, Xiao Changtian arrived at a cave under Xiao En's lead.

The cultivation techniques of the Imperial Beast Sect all had to be cultivated together with demon beasts.

Therefore, their rooms were basically caves in the mountains.

This way, it would be easier for him to fuse with his life-bound demonic beast.

Xiao Changtian entered the cave and looked at the equipment in the cave. They were all very simple.

That was true. After all, it was a sect established by a group of chuunibyou old men.

"Senior, is there anything that you're not satisfied with?"

When Sean asked this question, he was a little nervous.

In order to make Xiao Changtian happy, he released the black eagle.

Xiao En had given Xiao Changtian the best cave abode in the entire Imperial Beast Sect.

The items inside were all made of extremely high-quality black stones.

Black stone was not only a good material for making divine weapons, but it also made the spiritual energy in the cave abide richer.

At this time, Xiao Changtian heard Xiao En's words and complained in his heart.

These are all black stones. Tell me if I'm satisfied.

It would probably be very painful to sleep at night.

Although he was thinking this, Xiao Changtian still said to Xiao En slowly,"

"No, no."

Xiao En heard Xiao Changtian's words and smiled at him.

"Senior, if there's nothing else, I'll take my leave first."

As soon as he finished speaking, Xiao En walked out of the cave.

At the same time, on the square of the Imperial Beast Sect,

After Xiao Changtian and the others left, the disciples of the School of Imperial Beasts on the square slowly returned to their human forms.

Everyone heaved a sigh of relief when they recovered.

What they saw today was too shocking for them.

"You know, that senior Heaven Swallowing Dog..."

A disciple of the School of Imperial Beasts had just recovered and was a little excited to share.

He saw his companion covering his mouth.

“Senior Heaven Swallowing Dog is still in the sect.”

Hearing his companion’s words, the disciple of the School of Imperial Beasts nodded slowly.

At the same time, a stream of light flew through the air, and Sean’s figure slowly appeared.

“You can’t tell anyone about what happened today. Otherwise, you will die!”

After Sean said that, he disappeared.

Hearing Xiao En’s words, the disciples of the School of Imperial Beasts respectfully sent him off.

Among the crowd, there was also a disciple from the School of Imperial Beasts who had a devilish smile on his face..

Chapter 427: Exchange with Senior (1)

Divine World, Great Desolate Immortal Continent

Inside a magnificent palace.

The two sides of the hall were filled with people, and above them sat four figures.

“Brother Shen, what do you think of this operation?”

Among the four of them, a middle-aged man with a mustache and dressed in black clothes slowly spoke to the man beside him.

The man was dressed in golden clothes and wore various accessories around his neck.

“Is there a need to say that? Our Great Jin Empire and the Imperial Beast Sect are destined to be enemies.”

“The Imperial Beast Sect has occupied so many resources in the Great Desolate Immortal Continent. This opportunity is also time to re-plan the resources.” Hearing this man’s words, the other two did not continue.

Shen Zhong belonged to the Great Gold Dynasty and was the current emperor of the Great Gold Dynasty.

Before the Imperial Beast Sect settled in the Great Desolate Immortal Continent, the Great Jin Empire was in charge of most of the resources.

After the Imperial Beast Sect moved in, they quickly became the overlord of the Great Desolate Immortal Continent.

Many of the resources that originally belonged to the Great Jin Dynasty naturally flowed into the Imperial Beast Sect.

Therefore, although the Great Jin Empire did not have any conflict with the Imperial Beast Sect on the surface these past few years.

However, both sides were also fighting in secret.

“Everyone, what else is there to discuss?”

“According to our scouts, Xiao En’s black eagle has already been taken by that young senior.”

“Without Black Eagle, Sean’s strength would be halved.”

“Moreover, the scouts also said that those Beast Tamer Sect elders seemed to be quite disrespectful to that young senior.”

Shen Zhong’s words resounded in the hall, causing the other people to be slightly moved.

To be honest, the Imperial Beast Sect had dominated the Great Desolate Immortal Continent for so many years.

There were countless resources, and their cave abodes were actually made of blackstone.

If he could take advantage of the Imperial Beast Sect’s fall this time, he could take them down in one fell swoop.

The development of their respective sects would also accelerate by several times.

After some calculations in their hearts, the others seemed to have made up their minds.

They all slowly said to President Shen,

“Alright, then let’s do it together.”

As he spoke, Shen Zhong and the others also stood up from their seats.

Then, the various factions in the hall cheered.

“Divide up the Imperial Beast Sect! Divide up the Imperial Beast Sect!”

As the voices fell, the atmosphere in the hall became more and more high.

However, it was on the side of the Imperial Beast Sect.

At that moment, Xiao En was standing on the mountain peak of the Imperial Beast Sect, looking out.

With his many years of mastery of the Great Desolate Continent, he could still smell the smell of a storm coming.

At this moment, an elder from the School of Imperial Beasts slowly appeared beside him.

The moment the Sect of Imperial Beasts ‘elder appeared, he also bowed to Xiao En.

“Sect Master, you were looking for me.”

“Yes, yes. Recently, the Great Desolate Immortal Continent has been a little unstable. I have some things to talk to you about.”

When Sean saw the Sect of Imperial Beasts ‘elder, he also walked toward him.

He pointed at the ground below and said slowly.

“Oh, but what happened?”

The Imperial Beast Sect’s elder was also shocked when he heard Xiao En’s words. He asked slowly,”

“I don’t know. I can’t be sure yet.”

Sean looked at the ground below and shook his head.

Then, he changed the topic and continued to say to the elder,

“Second brother, I remember that you have a daughter. What realm is she at now?”

When the Sect of Imperial Beasts elder heard Xiao En’s words, he was also stunned.

“Yes, sect master. My daughter has already reached the God Emperor Realm.” “The God Emperor Realm is not bad.”

As he spoke, Sean slowly walked to the side of the Sect of Imperial Beasts ‘elder.

“Second brother, find an opportunity to let your daughter communicate with senior. What do you think?”

Hearing Xiao En’s words, the Sect of Imperial Beasts ‘elder’s body trembled.

Then, he slowly said to Sean,”

“I’ll listen to Sect Master’s arrangements.”

“That’s good.”

Xiao En patted the Sect of Imperial Beasts ‘elder on the shoulder and disappeared from the mountain peak.

After witnessing the strength of Ye Tian’s Master and Xiao Changtian, he was shocked.

Sean had been thinking about what he would do if he encountered such a strong person in the future.

After thinking about it, the only way was to cling onto a thigh first.

Although Chu Xiaoshan seemed to have some relationship with senior.

However, Xiao Changtian had not seen Chu Xiaoshan since he returned to the Imperial Beast Sect.

It could be seen that their relationship was not as good as he had imagined.

Therefore, if he wanted to cling onto Xiao Changtian, he needed to deepen their relationship.

Becoming in-laws was naturally the best.

At the same time, on the other side, under Shen Zhong and the rest's planning, the Alliance was ready to go.

"Everyone, we must divide the Imperial Beast Sect this time."

Chief Shen stood at the front of the group and slowly shouted to everyone. "Don't worry, Emperor Shen. I've brought out my ancestral artifact. Their Imperial Beast Sect will definitely perish this time!"

"Me too. In order to increase my cultivation and kill a few more people, I've already refined all the disciples in my sect."

Hearing the words of the cultivators below, CEO Shen slowly nodded.

"Let's go!"

Shen Zhong waved his hand forward, and the cultivators behind him followed suit.

Night, Imperial Beast Sect.

Xiao Changtian was sitting in his cave abode, and Chu Yiren had also walked over to his side.

Seeing Chu Yiren, Xiao Changtian slowly said to him,”

“Didn’t that old man arrange another room for you? Why are you here?”

If those old men knew that they were alone in the middle of the night.

He would definitely go out and nag. It would not matter if he was misunderstood.

Most importantly, Chu Yiren was a virgin. It wouldn’t be good if her reputation was ruined.

Then, after a casual chat with Chu Yiren, Xiao Changtian called her away in a kind tone.

After sending Chu Yiren off, Xiao Changtian returned to his room.

Seeing this stone bed, Xiao Changtian was speechless.

This thing was so uncomfortable to sleep on.

With this thought in mind, Xiao Changtian took out a blanket from his interspatial ring and placed it on the bed.

“This bed is a little big.”

Most of the beds in the Imperial Beast Sect were designed for a person and a beast.

For Xiao Changtian's blanket, it was naturally bigger.

However, Xiao Changtian didn't do anything else.

He still had to continue looking for spoons tomorrow.

Thinking so, Xiao Changtian also laid down on the bed.

Not long after Xiao Changtian laid down, a light flashed outside his cave.

A woman's figure slowly appeared. The woman was dressed in red and her long hair was tied into a bun.

When he arrived at Xiao Changtian's room, he seemed a little nervous.

He looked into the room through the crack in the door.

"Isn't this not good? Father said that we have to leave a good impression on others."

"If we were to peek and get caught, wouldn't that be a mess?"

The woman stood in front of Xiao Changtian's door again and muttered a few words..

Chapter 428: Senior, I Don't Understand Either (1)

Imperial Beast Gate

The woman stood outside Xiao Changtian's room and looked at him while clutching her clothes.

Then, he seemed to have made up his mind.

He held a black stone in his hand and slowly pressed it on the door of Xiao Changtian's room.

Then, he reached out and pushed the door gently. The door of Xiao Changtian's room slowly opened.

The woman walked into the room with light footsteps.

After looking around the room, the woman also noticed Xiao Changtian lying on the bed.

At this moment, Alpha, who was beside Xiao Changtian's bed, opened his eyes.

When he saw this woman, his dog eyes slowly opened.

He stood up from the ground and stared at the woman.

■ Ahhhhh!!!”

The woman couldn't help but shout when she saw the fierce Alpha in front of her.

He could not help but take a few steps back.

Hearing the woman's voice, Xiao Changtian woke up from his bed.

Sitting up from the bed, Xiao Changtian also saw the woman who suddenly appeared in his room.

Seeing this woman, Xiao Changtian frowned.

What was wrong with these old men? Why did they have a woman in their room?

And he did it without anyone noticing.

“You are....”

Xiao Changtian walked down from the bed and said to the woman.

Alpha saw Xiao Changtian get out of bed and slowly came to his feet.

The sect master asked me to come and find you.”

When the woman saw Xiao Changtian, she was also a little frightened and stuttered when she spoke.

He heard from his father that this might be the number one expert in the Divine Realm.

Sect Master?

Xiao Changtian understood what she meant.

He also knew that this woman was arranged by those old men.

Then, Xiao Changtian slowly said to the woman,”

“I know. I’m asking, what’s your name and what are you doing here?”

Seeing how approachable Xiao Changtian was, the woman slowly put away the nervousness in her heart.

After calming her inner breath, the woman slowly said to Xiao Changtian,”

“My daughter’s name is Xiao Qianqian. I came here to...I’m here to serve Senior.”

As she spoke, Xiao Qianqian’s face turned slightly red.

“Serve me?”

Xiao Changtian was stunned when he heard Xiao Qianqian’s words.

Looking at the shy appearance of this woman, it was obvious that she had never seen any strangers before.

It was obvious that the old man had raised her at home.

It was obvious that this old man had learned from the cultivation sects to ask her to come and serve him.

Xiao Changtian had more or less heard of it when he came to the cultivation world.

Those immortal cultivation sects treated their guests very extravagantly, with maids serving them and delicacies.

With this thought in mind, Xiao Changtian slowly said to Xiao Qianqian,”

“Your father asked you to come, right? Since you’re here, let’s talk.”

At this moment, Xiao Changtian also stretched.

He had just been woken up by Xiao Qian ‘qian, so he was no longer sleepy.

Since this woman was here, he would chat with her or something.

If he chased this woman away now, that old man would definitely nag non-stop.

After hearing Xiao Changtian's words, Xiao Qianqian's face turned slightly red as she said softly,

"I'll listen to Senior's arrangements."

Hearing Xiao Qianqian's words, Xiao Changtian also stood up and walked towards the window of his room.

At the same time, a series of knocking sounds came from the door of the room.

"Senior, did something happen?"

Hearing the knocking on the door, Xiao Changtian nodded at Xiao Qianqian.

Then, Xiao Qianqian walked towards the door of the room.

He slowly opened the door and saw Chu Yiren.

"Senior!"

The moment the door opened, Chu Yiren's voice could be heard.

Then, Chu Yiren caught sight of Xiao Qianqian, and her face froze as well.

"And you are?"

Chu Yiren remembered that when she left Xiao Changtian's room, she hadn't seen Xiao Qianqian.

Why had he only left for a short while?

There was now a woman in Senior's room.

Could it be?

Chu Yiren instantly thought of a possibility and walked into the room.

Xiao Qianqian watched as Chu Yiren walked straight into the room.

Xiao Changtian didn't seem to care.

From the looks of it, this woman and senior were very familiar with each other.

Seeing Chu Yiren's back, Xiao Qianqian suddenly compared herself to her.

Pushing out her chest, Xiao Qianqian also followed.

No, when he came, his father had said that he had to communicate more with the seniors.

Seeing Chu Yiren walk over to his side, Xiao Changtian also held a stone box in his hand.

When he saw Chu Yiren and Xiao Qianqian, Xiao Changtian said to them slowly,"

"If you can't sleep, come and play together."

As soon as he finished speaking, Xiao Changtian walked towards the stone table.

Chu Yiren, this girl, had also looked energetic when she left earlier.

It was obvious that he couldn't fall asleep. Coincidentally, the game he made himself could be played by a few people.

Chu Yiren and Xiao Qianqian saw Xiao Changtian sitting at the stone table.

They did not want to give way to each other. They came to the two sides of the stone table and sat down in a chair.

"Come, let me tell you how to play this."

Xiao Changtian slowly opened the stone box in his hand and took out a map and a chess piece.

That's right, Xiao Changtian saw these blackstones when he came here today.

Although these stones were not comfortable to sleep on, they were good materials for making chess pieces.

Today, Xiao Changtian was bored in his room, so he made the flying chess pieces.

When Xiao Qianqian saw the flying chess piece, she was also surprised.

When she saw the dice in Xiao Changtian's hand, Xiao Qianqian's face turned red.

Previously, when she went to Yi Hong Restaurant to carry out her mission, she saw that the people inside were all playing dice games.

Could it be that Senior has the same hobby as those people in the Happy Red Pavilion?

Chu Yiren didn't know what was going on. She turned to Xiao Changtian and asked in surprise,"

"Senior, how do we play this?"

As she spoke, Chu Yiren glanced at Xiao Qianqian.

Xiao Qianqian came to Xiao Changtian's room in the middle of the night. What good could it be?

However, she was here to seduce Senior. He could not let her scheme succeed.

Although he wasn't worthy of the senior, Xiao Qianqian was worse than him.

With that thought in mind, Chu Yiren's gaze swept over Xiao Qianqian.

Compared to his own.

At this moment, Xiao Changtian rolled the die in his hand.

"I'll go first and explain the rules..."

"Senior, please speak."

"Senior, you don't quite understand this. Can you tell me?"

Xiao Qianqian said slowly to Xiao Changtian when he was halfway through his sentence.

Chu Yiren was stunned when she saw Xiao Changtian's expression.

As expected, he was here to flirt with Senior.

At this moment, Chu Yiren was also looking at Xiao Changtian, saying sweetly,”

“Senior, I don’t understand either. Tell me about it.”

“Uh...”

Xiao Changtian was speechless when he saw Xiao Qianqian and Chu Yiren’s faces almost touching his.

It seemed that he wouldn’t be able to play today..

Chapter 429: Losing? Wait, We ‘Already Become In-laws with Senior

|

Divine Realm, at the foot of the Imperial Beast Sect’s mountain.

A large group of people slowly walked out from the forest.

They were the various factions of the Great Jin Empire that had come to divide the Imperial Beast Sect.

Shen Zhong’s figure stood in midair. Beside him stood Mo Shu, the Yang Qi Holy Lord, and the Yin Qi Holy Lord.

The four of them had all reached the peak of the God Emperor Realm and were only one step away from advancing to the God Emperor Realm.

At this moment, Shen Zhong looked at the direction of the Imperial Beast Gate on the mountain and slowly said to the people below,

“Everyone, follow me to the Imperial Beast Sect!”

President Shen waved his arm and took the lead to fly toward Fang.

“Kill them!”<sup>1</sup>

Seeing Shen Zhong take the lead, the cultivators behind him also let out waves of shouts.

Following behind Shen Zhong, they followed the mountain path to attack the Imperial Beast Sect.

At this moment, a few light screens descended from the sky.

Bang! Bang! Bang!

The light screen hit the mountain path, and those cultivators who wanted to rush up the mountain were immediately sent flying.

Some of them didn’t even have the chance to scream before blood splattered on the spot.

The light screen dissipated, and a few figures appeared in front of the cultivators below.

They were Xiao En and the elders of the major Beast Taming Sect.

When Shen Zhong and the others arrived at the territory of the School of Imperial Beasts, Sean had already received the news.

The reason why he had placed them here was to capture them all in one fell swoop.

As long as they destroyed this group of people in front of them, the Imperial Beast Sect would not be in any danger in the Great Desolate Immortal Continent in the future.

“It’s Sean, Sean!”

A cultivator from the Great Jin Empire looked at Xiao En with fear.

When he saw his dead comrades on the ground, he involuntarily took a few steps back.

The name Xiao En was a forbidden term in the Great Desolate Immortal Continent.

Back then, when the School of Imperial Beasts entered the Great Desolate Immortal Continent, Xiao En’s name was the nightmare of many forces in the Immortal Continent.

At that moment, a golden chain of light shot toward Sean and the others.

“Everyone, don’t be afraid. This Xiao En, the stone path has already been damaged.”

Shen Zhong was the first to attack Xiao En, raising the morale of the cultivators below.

Sean looked at the incoming chains and waved his sleeve.

The chains scattered in the air.

At this moment, Shen Zhong slowly said to the three people beside him,

“Everyone, since you’re here, hurry up and attack.”

Hearing Shen Zhong’s words, the Yin Qi Holy Lord, Yang Qi Holy Lord, and Mo Shu released their auras.

His figure attacked the direction of the Imperial Beast Gate.

“Thieves, come and die!”

Seeing the Sacred Lord Yang Qi and the others attack, the few Sect of Imperial Beasts elders also flew out.

He was entangled with them.

The disciples of the School of Imperial Beasts who had been waiting at the mountain gate were also fighting with the cultivators of the Alliance below.

They all knew that the real deciding factor of this duel was the battle between the few people in the sky.

They only looked at each other from afar and did not make a move.

In midair, Shen Zhong held a stone clock in his hand and looked at Xiao En, who was opposite him.

With a smile on his face, he slowly said,

“Sean, where’s your Black Eagle? If you don’t call it out, I’m afraid you’ll lose today.”

Although Xiao En’s cultivation was at the Godly Emperor realm, he did not have a mount.

His strength was also similar to the God Emperor Realm, but Shenzhen was confident that he had the ancestral artifact of the sect.

It would not be a problem for him to deal with Sean.

Today, their Great Jin Empire would regain control of the Great Desolate Immortal Continent.

With this thought in mind, Shen Zhong's attack on Xiao En became even more fierce.

The people below watched the battle in the sky.

A moment later, a guard from the Great Jin Dynasty saw Xiao En flying in the sky.

"Look, His Highness has defeated Sean."

As the voice fell, everyone saw Sean's figure slowly descend from the sky.

Bang!

Xiao En's body smashed into the middle of the School of Imperial Beasts disciples.

"Sect Master!"

When the Imperial Beast Sect's elder saw that his sect master had been defeated, he shouted in Xiao En's direction.

Following that, the Yang Qi Holy Lord and the Yin Qi Holy Lord seized the moment when the Sect of Imperial Beasts' elder was in a daze.

The elders of the School of Imperial Beasts were knocked to the ground.

Following that, Shen Zhong, the Holy Lord of Yang Qi, and the others stood in the sky.

He looked at the disciples of the Imperial Beast Sect below with a sharp gaze.

It seemed that the information they received was correct. Sean's Black Eagle had already been taken by that young senior.

Moreover, the Imperial Beast Sect did not have a good relationship with that senior.

Otherwise, he would have helped Sean when he landed.

At this time, Sean and a few elders of the School of Imperial Beasts also slowly stood up from the ground.

Xiao En wiped the blood from the corner of his mouth. He looked at Shen Zhong, who was about to attack again, and waved his hand.

"Wait, Shen Zhong, if you attack again, you have to consider the consequences."

The stone bell in Shen Zhong's hand was already ready to move, but when he heard Xiao En's words, he smiled.

"Oh, what else do I have to consider now?"

Hearing Shen Zhong's words, Xiao En also smiled.

"To tell you the truth, you know that young senior is in our Imperial Beast Sect."

"If you attack again, you have to consider that senior's attack."

When Shen Zhong heard Xiao En's words, he also laughed out loud.

“Xiao En, don’t bluff me. Do you think I don’t know the relationship between your School of Imperial Beasts and that senior?”

“I think that senior should be happy that I destroyed your Imperial Beast Sect.”

“It might have been the same as you said before, but it’s different now. We’ve already become in-laws with Senior.”

At that moment, Sean also revealed a piece of important news.

“In-laws?”

Shen Zhong asked when he saw Xiao En’s confident expression.

“That’s right. Xiao Qianqian from the School of Imperial Beasts has already become Senior’s concubine last night.”

Last night, Xiao En had been paying attention to Xiao Changtian’s room.

He naturally did not dare to talk about the situation in the room.

However, Xiao Qian ‘qian didn’t leave her senior’s room last night.

This could only mean that Senior was very satisfied with his arrangements.

Although there was another woman in Senior’s room, that was not important.

Shen Zhong’s expression changed when he heard what Xiao En said.

Yang Qi Holy Lord, Yin Qi Holy Lord, Mo Shu, and the others looked at each other.

The reason why they came here to attack the School of Imperial Beasts was because the School of Imperial Beasts had provoked that young senior.

If the School of Imperial Beasts were to cling onto the young senior's thigh, they would be bolder.

They didn't dare to mess around anymore.

The cultivators below did not hear the conversation between Xiao En and Shen Zhong.

They slowly said to each other,

"What's wrong with Your Highness? Why isn't she making a move?"

"I don't know. Could it be that Shawn is really invincible and that His Highness is afraid of him?"

"And why did the ancestor and the others stop?"

The voice of the cultivator below also entered Shen Zhong's ears.

Shen Zhong looked at Xiao En in front of him and exhaled.

He seemed to have made a decision..

Chapter 430: It's useless no matter who comes?!

Great Desolate Immortal Continent, Imperial Beast Sect

Shen Zhong looked at Xiao En in front of him. The stone bell in his hand flashed with golden light, and his eyes kept changing.

They had already come this far, and it was impossible for them to back down. "So what if you and that young senior become in-laws? It doesn't matter who comes today."

As he spoke, Shen Zhong also controlled the stone clock in his hand to attack Xiao En and the others.

At the same time, in Xiao Changtian's room,

Xiao Qianqian lay on the table and slowly woke up.

The fight outside the mountain gate had naturally attracted her attention.

Xiao Qianqian slowly stood up from her seat and walked towards Xiao Changtian.

"Senior, senior, something has happened."

Xiao Changtian slowly opened his eyes as Xiao Qianqian patted him on the shoulder.

Last night, they had played Flying Chess all night long, and he was still a little groggy.

Hearing Xiao Qianqian's shout, Xiao Changtian slowly said to him,"

"What's wrong? What happened?"

At this moment, Xiao Qianqian also pointed outside the room.

“Outside?”

Xiao Changtian looked in the direction Xiao Qianqian was pointing and slowly stood up from his seat.

Walking to the door, Xiao Changtian opened it and stuck his head out.

“Nothing happened.”

As he spoke, Xiao Changtian also looked at Alpha.

“Don’t you think so, Alpha?”

Hearing Xiao Changtian’s words, Xiao Qianqian was also a little anxious.

Now that the sect was in trouble, why did Senior say that nothing happened?

Her father was still outside.

Anxious, Xiao Qianqian also saw Alpha slowly get up and bark a few times in front of him.

“Woof woof woof!”

“Look, Alpha agrees too.”

Xiao Changtian saw Alpha barking and turned to Xiao Qianqian.

Then, he stretched his body.

Since Xiao Qianqian had woken him up, Xiao Changtian naturally couldn’t go back to sleep.

At this time, he should plan to go to the forest to find Scoop.

At that moment, outside the Imperial Beast Sect, Xiao En looked at Shen

Zhong, who was charging at him.

He also straightened his body.

He now believed that as long as Xiao Qianqian succeeded, there was no reason for Senior to not save them.

Shen Zhong's attack was close at hand. At this time, a bark also passed through.

Everyone only heard a series of barking sounds before Shen Zhong's attack disappeared into thin air.

It was as if it had never been used.

At this moment, Shen Zhong also looked around.

Could it be that the Imperial Beast Sect had really become in-laws with that young senior?

"Who, who is it? Why don't you come out and meet me?"

Shen Zhong's gaze swept across the surroundings as he spoke slowly.

However, no one responded to him.

At this moment, the elders of the School of Imperial Beasts were overjoyed.

They weren't unfamiliar with the bark just now. It was the bark of senior Heaven Swallowing Dog that they had heard.

This meant that the Sect Master's in-laws were not bluffing.

Their School of Imperial Beasts had now clung onto Senior Heaven Swallowing Dog's thigh.

On the other hand, the people from the Great Jin Empire were all puzzled.

They did not understand why Shen Zhong's attack was dissolved out of thin air.

When Shen Zhong saw that there was no response to his roar, he said slowly to the Yang Qi Sacred Lord and the others beside him,"

"Brother Yang, Brother Yin, Brother Mo, let's attack together."

As soon as he finished speaking, the Yang Qi Holy Lord, Yin Qi Holy Lord, Mo

Shu, and the others looked at each other.

They all understood that they had no way out.

The true essence in his body slowly gathered.

For a time, strange phenomena constantly appeared above the four of them.

An orange dragon slowly appeared above the Yang Qi Sacred Lord's head.

The orange dragon bared its fangs and brandished its claws. With a roar, it wanted to attack Sean and the others.

Above Sacred Lord Yin Qi's head, an ice phoenix was faintly discernible, and it let out a loud cry.

Small hailstones appeared in the surrounding air.

Runes slowly appeared on the stone bell in Shen Zhong's hand, and a huge figure slowly appeared behind him.

The figure was wearing golden armor and holding a halberd. His body carried endless fighting spirit.

The sky above Mo Shu was completely covered by a dark cloud, and not a single ray of light could be seen.

It was as if a black cloud was pressing down on the city.

Looking at the might displayed by Shen Zhong and the other three, the disciples of the School of Imperial Beasts trembled slightly.

Even the Second Elder of the School of Imperial Beasts could not help but take out a voice transmission jade pendant.

"Qian 'er, is Senior coming over? Father is in a bit of trouble."

They had been hit by Shen Zhong and the others before, so they were more or less injured.

He definitely couldn't withstand the attacks of the four of them.

In Xiao Changtian's room, Xiao Qianqian saw the voice transmission jade pendant on her waist light up.

She also injected her true essence into it. Then, the words of the Second Elder of the School of Imperial Beasts sounded in her mind.

Hearing her father's anxious voice, Xiao Qianqian came to Xiao Changtian's side once again.

"Senior, it's not good. My father is in trouble. You should hurry over and take a look."

Xiao Changtian was currently drawing on the stone table.

Every morning, Xiao Changtian couldn't stay awake immediately, so he used painting to make himself energetic.

Hearing Xiao Qianqian's words, Xiao Changtian also handed the scroll in his hand to her.

"Take this. We'll go over and take a look now."

Xiao Changtian wasn't surprised that this old man had met with an accident.

Xiao Changtian also remembered that when he first came here yesterday, he also found him in the forest.

The painting that he had just made was also prepared for that old man.

He didn't know if the old man was interested in calligraphy, but he had spent a night with him for free.

He had to leave something for him. After all, that old man didn't seem to have it easy.

Hearing Xiao Changtian's words, Xiao Qianqian felt anxious.

“Senior, I’ll go over first.”

As soon as she finished speaking, Xiao Qianqian also ran out.

Xiao Changtian looked in the direction where Xiao Qianqian had left and spread his hands.

He understood. After all, something had happened to his family, so it was normal for him to be anxious.

Then, Xiao Changtian waved at Alpha beside him.

“Alpha, let’s go together.”

With that, Xiao Changtian led Alpha in the direction Xiao Qianqian had left.

Outside the Imperial Beast Door, Shen Zhong and the other three looked at

Xiao En and the others with a crazed expression.

“Sean, disappear with your Imperial Beast Gate.”

Along with this voice, Shen Zhong also threw the attack above his head at Xiao En and the others.

Whoosh! Whoosh! Whoosh!

The attacks of Shen Zhong and the others carried an invincible might.

Wherever it passed, the space shattered and everything turned into nothingness.

“Everyone, don’t panic!”

Sean looked at the incoming power and shouted.

At the same time, a crisp female voice sounded in everyone's ears.

“Stop!”
