

## Beasts 461

### Chapter 461: Stairway to Heaven (1)

Divine Realm, in the pavilion of the Drunken Immortal Restaurant

Xiao Changtian stared at Di Tian before him as he slowly spoke,

“The Li Fire Sect that Huo Ling ‘er is from is also a faction that is even stronger than the Great Sun Sect.”

The Li Fire Sect was so powerful that there should be quite a number of disciples in the sect.

Xiao Changtian had also heard about that senior.

Some powerful cultivators in the cultivation world could cover a radius of several miles as long as they released their spiritual sense.

Nothing could escape his senses.

When Di Tian heard Xiao Changtian’s words, he also felt a little confused.

When he came here, he was puzzled as to why Xiao Changtian was so close to the Li Fire Sect.

Also, now that he was here to find the Metal Emperor, what was the use of the Li Fire Sect?

At most, he couldn’t even be considered cannon fodder.

What was the meaning behind Senior's words?

Di Tian's head spun, unable to understand what was going on.

As he thought of this in his heart, Di Tian also slowly spoke to Xiao Changtian,

"Senior, may I know why you are looking for the Li Fire Sect?"

Di Tian couldn't understand and wanted to ask Xiao Changtian.

When Xiao Changtian heard Di Tian's words, he also pointed at Futian who was cultivating outside the room.

"I brought Futian here to be my disciple."

Di Tian followed Xiao Changtian's finger and looked out, only to see Futian outside.

His expression was also filled with shock. This Futian's strength, even Di Tian himself didn't dare to say that he was a match for him.

Since Senior said this, could it be that there was some old monster in the Li Fire Sect?

No, that wasn't right.

Senior came to the Divine Realm to deal with the Heaven's Gate this time.

He wanted his disciple to take him as a master and use the Li Fire Sect to hide his identity and strength.

As he thought of this in his heart, Di Tian finally understood Xiao Changtian's motive for doing so.

Then, he looked at Xiao Changtian who was planning everything.

That must be the case. He had to cooperate with Senior.

Perhaps with Senior's help, he might really be able to find out what was going on between the Metal Emperor and the Heaven's Gate.

Before he met Xiao Changtian, Di Tian didn't have much confidence in his heart.

After all, no matter what, the Heavenly Gates was rumored to be related to the Human Realm Upon Heavens.

If he brought the Ice Emperor and the others, he might not be able to find out the reason.

After that, Xiao Changtian also slowly spoke to Di Tian,

"Di Tian, Futian is going to participate in the competition of the Drunken Immortal Inn tomorrow."

Di Tian could be considered a cultivator after all.

If he saw something he didn't understand, he could ask for advice.

When Di Tian heard Xiao Changtian's words, he also smiled at him.

"Listen to Senior. Tomorrow, we'll have to see Futian's performance."

When Xiao Changtian heard Di Tian's words, he also smiled at him.

Since Di Tian agreed to go with him, then things would be easier.

On the second day, Xiao Changtian and Di Tian slowly walked towards the Drunken Immortal Restaurant under Huo Ling 'er's lead.

Walking on the street, Xiao Changtian and the others slowly came to the front of this tall building.

"Senior, this is the token of our Li Fire Sect. According to the rules of the Drunken Immortal Restaurant, you have to wait there."

Huo Ling 'er pointed at the square in front of the tall building.

Looking at the square in front of the tall building, Xiao Changtian also saw a stone path between the square and the tall building.

There were some scattered stones on it.

Then, Xiao Changtian said to Futian,"

"Futian, since Miss Huo Ling 'er has said so, you can go to the square and wait."

Looking at the deserted plaza, Xiao Changtian knew that they had arrived early.

Then, Xiao Changtian slowly said to Huo Ling 'er,"

"Miss Huo Ling 'er, where are we going?"

As soon as Xiao Changtian finished speaking, boom! Boom! Boom!

A golden stairway suddenly appeared in front of them.

White clouds floated on both sides of the stairway, making it look like an immortal stairway.

Di Tian stood behind Xiao Changtian. When the stairway appeared, he also looked up into the sky.

His eyes narrowed slightly. He could tell that this Heavenly Stairway was not simple.

As for the Ice Emperor and the others behind Di Tian, their expressions were filled with wariness when they saw the ladder that had suddenly appeared.

At this moment, Xiao Changtian looked at the ladder in front of him and Huo Ling 'er beside him.

The methods of this immortal cultivator were of a high level, but no one knew where this ladder led to.

Then, Xiao Changtian didn't think much and walked up the ladder.

Huo Ling 'er saw Xiao Changtian walking up the ladder, and her face was a little dazed.

When Xiao Changtian asked her, she wanted to say that their Li Fire Sect had an exclusive spot around the square.

He did not expect a stairway to heaven to suddenly appear in the sky.

This method should have been created by Senior.

It was Huo Ling 'er's first time seeing this ladder. She looked at Xiao Changtian who had already climbed up the ladder.

He quickly followed.

Di Tian and the others exchanged glances before following behind Xiao Changtian.

Since Senior has climbed up this ladder, there shouldn't be any problems with Senior around.

At the same time, in the sky above the Drunken Immortal Restaurant.

A floating island stood in the middle of the island.

There was a small pavilion.

The divine eye slowly sat on a stone chair. It looked at the bronze mirror in front of it, and no one knew what it was thinking.

"Letting a mortal scout the way, interesting."

At this moment, a guard in golden armor also came to the side of the divine eye.

"Divine Eye Elder, they're coming up."

The divine eye did not respond to the guard's words.

In the bronze mirror in front of him, Xiao Changtian and the others were climbing the Sky Stairs.

Looking at the bronze mirror in front of him, Divine Eye waved his hand.

"Don't stop them. Let them come here."

That stairway just now was deliberately put down by the divine eye.

He had already been in the air above the Drunken Immortal Inn for a few days, waiting for Di Tian's arrival.

This Di Tian had the luck of the Divine Realm on him.

Compared to the other lower realms, his luck was the most important.

Hence, the moment Di Tian appeared, the Divine Eye immediately attacked.

He also wanted to see what level Di Tian would reach after he reincarnated.

He didn't expect a mortal to be the pathfinder.

It seemed that he was confident that he would not attack him.

At this moment, Xiao Changtian was walking at the front of the stairway.

The things that this Immortal Cultivator had created looked very impressive.

However, if there was a flaw, it would be too unfriendly to mortals.

What kind of Heavenly Stairs were these? Those immortal cultivators would definitely fly up in one step.

As a mortal, he had no choice. He didn't know how many stairs he had to walk before he reached the end.

Xiao Changtian turned around and saw Di Tian and Huo Ling 'er following behind him.

It seemed that they were also taking care of the feelings of a mortal like him.

Otherwise, they would have gone in the morning.

Thinking of this, Xiao Changtian smiled at Huo Ling 'er and Di Tian..
