Chapter 462: Confrontation in the Pavilion (1)

God World, Drunken Immortal Restaurant's Stairway

Xiao Changtian walked at the front of the stairway.

Under his lead, Di Tian and the others slowly arrived at the island.

Xiao Changtian also saw the scenery on the island.

The Li Fire Sect was worthy of being a major faction. They had actually created such an immortal realm behind the Heavenly Stairs.

In front of Xiao Changtian was a white ocean, and there was a faint gas rising from it.

It was simply a paradise on earth.

Then, Di Tian, Huo Ling 'er, and the others arrived above the island.

Staring at the scenery before him, Di Tian had a look of wariness on his face.

The density of the spiritual energy here was not inferior to the Divine Court at its peak at all.

It was even worse.

Huo Ling 'er came to the island and looked around in surprise.

Here, she felt that the true essence in her body was much smoother.

Even his own realm showed signs of breaking through under the effect of this world.

At this moment, Xiao Changtian also saw a small pavilion in front of him.

There seemed to be someone sitting in the pavilion.

That was probably the place Huo Ling 'er had arranged for everyone to watch.

After that, Xiao Changtian slowly spoke to Di Tian and the others,

“Let’s go over.”

Xiao Changtian looked at the white clouds under his feet and was a little surprised at first.

He would stand up like this and not fall down directly.

Then, Xiao Changtian also looked at the map behind him.

No, he couldn’t let Miss Huo Ling 'er look down on him.

That might have a huge impact on Futian’s entry into the Li Fire Sect.

With this thought in mind, Xiao Changtian also stretched out his calf and

slowly stepped on the cloud in front of him.

After taking a few steps, he realized that there was no difference from the path on the ground.

He quickly walked towards the small pavilion.

Di Tian and the others saw how calm Xiao Chang was and quickly followed after him.

Senior's footsteps were so steady. It seemed that everything was under Senior's control.

There was nothing wrong with following Senior.

Very swiftly, Xiao Changtian, Di Tian and the others also slowly arrived outside the small pavilion.

Outside the pavilion, there were two guards in golden armor holding two halberds.

They blocked the path of Xiao Changtian and the others.

The Ice Emperor and the Sword Emperor narrowed their eyes when they saw the two guards' actions.

He looked like he was ready to make a move at any time.

"Let them come over."

The Divine Eye's voice slowly came from the small pavilion.

Then, the two golden-armored guards put away their halberds.

Xiao Changtian saw the figure of the God Eye in the pavilion and walked over slowly.

Looking at this back, this should be a senior in the Li Fire Sect.

Xiao Changtian thought so and slowly walked over.

When he arrived in front of the divine eye, there was only one seat on the side of the divine eye.

Xiao Changtian also glanced at Huo Ling 'er behind him.

Huo Ling 'er didn't know what Xiao Changtian meant.

At this moment, the divine eye spoke again,

"You're here."

The divine eyes turned around, staring at Di Tian.

At this moment, Xiao Changcheng finally saw the true face of the God's Eye.

Wow, a multi-eyed monster?

When Xiao Changtian saw the face of the divine eye, he was slightly shocked. Why did this old man have so many pairs of eyes on his face, even more than Erlang Shen?

This was the cultivation technique of the cultivation world.

When Di Tian saw the divine eye looking at him, his true essence also started to circulate slowly within his body.

Be prepared to deal with any unexpected situations.

The divine eye gave him a very dangerous feeling.

When the divine eye saw Di Tian speaking, it pointed to the seat beside it.

“Why, aren’t you coming over?”

Xiao Changtian looked at the divine eye and didn’t say anything.

This old man was a man of few words.

Who knew who he was talking to? He was probably talking to his Holy Maiden.

This was just a small mortal. If the others did not make a move, it would not be good for him to be the first to go over, right?

At this moment, Di Tian also glanced at Xiao Changtian. After that, he slowly spoke to Xiao Changtian.

“Senior, please sit.”

Xiao Changtian heard Di Tian pointing at the seats beside him as he spoke.

He was also stunned. What was this Di Tian saying?

This old man would let a mortal like him sit beside him.

If he didn’t let his Saintess sit, he should be a cultivator.

Wasn’t this just a form of entertainment for him?

At this moment, Xiao Changtian also said to Huo Ling 'er slowly,"

"Miss Huo Ling 'er, why don't you sit down?"

Huo Ling 'er's expression changed when she heard Xiao Changtian's words.

With so many big shots not seated, how could she, a mere Holy Maiden of the Li Fire Sect, dare?

Then, Huo Ling 'er waved her hand at Xiao Changtian and said slowly,"

"Senior, you should sit."

Xiao Changtian was stunned when he heard Huo Ling 'er asking him to sit.

Was his seat prepared for him?

Looking at the old man beside him, he didn't seem to have any objections.

It seemed that the Li Fire Sect was a good sect. It was taking care of the feelings of a mortal like him.

After all, a mortal like him would get tired after fighting for a long time, but cultivators like them wouldn't.

With this thought in mind, Xiao Changtian slowly walked towards his seat.

He watched as Di Tian and Huo Ling 'er both let Xiao Changtian sit beside them.

He snorted coldly in his heart.

When you were at the Stairway to Heaven, you wanted to use this mortal to scout the path.

But now that he was here, if he used the same trick again, it would be meaningless.

As he thought about this, the three pairs of eyes of the divine eye also stared at Xiao Changtian.

Fine, let me get rid of this mortal first. Let's see how you deal with it.

His divine eyes couldn't sense any aura from Xiao Changtian.

From his perspective, he was brought here by Di Tian to be cannon fodder.

As he thought about this, his Divine Eyes looked at Xiao Changtian with a flash of inspiration.

Then, with a swoosh, a yellow spiritual light shot towards Xiao Changtian.

The divine eyes looked at Xiao Changtian and the corners of his mouth lifted into a smile.

In his eyes, Xiao Changtian was undoubtedly a dead man.

Although the yellow spiritual light was concealed, Di Tian and the others were still able to detect it.

Upon seeing the divine eye actually acting against Xiao Changtian, Di Tian and the others stared at Xiao Changtian, wanting to see how he would react. Without Xiao Changtian's words, they didn't dare to attack.

After all, the person sitting in front of them might be someone from the Heavenly Gates.

Just as the yellow spiritual light was about to hit Xiao Changtian...

The Primal Chaos Ant on Xiao Changtian's back slowly extended its two antennae.

Then, with a flash of silver light, the yellow spiritual light cast by the divine eye completely disappeared.

It was as if he had never existed.

At the same time, Xiao Changtian sat down on the chair. She looked at the divine eye beside her and smiled at him.

It was the first time Xiao Changtian was sitting so close to such a big shot. It was impossible for him not to be nervous..
