Chapter 51: There Are Actors, But I Don't Think The Report Was Successfully

“Perfected Da Yang, there's no need to be so polite.”

Lian Shenyin, Chu Kuangren, and Perfected Qing Yun were all smiling as if they had met an old friend.

The Great Sun Immortal was overwhelmed by the unexpected favor. Fine beads of sweat rolled down his forehead.

The three of them were also in the Tribulation Transcendence Realm. The Qing-Yun Sect and the Divine Sound Sect were both famous figures in the Northern Wilderness State.

These three experts were actually so polite to him, a mere nascent soul realm cultivator?

He was instantly overwhelmed by the favor!

“What's going on? These sect leaders actually had sect leaders as fellow daoists. Wasn't this too inconceivable?”

“I heard that recently, Perfected Qing Yun and the sect master of the Divine Sound Sect have both obtained an opportunity and broken through to the fifth level of the Tribulation Transcendence realm!”

“The fifth level of the Tribulation Transcendence realm is so terrifying!”

The disciples of the Great Sun Sect discussed among themselves with disbelief on their faces.

Under everyone's shocked gazes.

Perfected Qing Yun and the other two looked at Perfected Ba Shan and the other two with question marks before they arrived in front of Xiao Changtian. Then, the three of them bowed heavily!

“Senior!”

The three of them were respectful from the bottom of their hearts.

Perfected Qing Yun and Lian Shenyin’s eyes were filled with gratitude. If it weren’t for their senior, the two of them would have been separated by Yin and Yang.

From then on, they would be separated from each other!

However, it was precisely because of Senior’s guidance that he was able to break through in a short period of time.

Not only did he survive, but he also took revenge for killing his master and reunited with his family.

“It’s you guys?”

Xiao Changtian smiled. He knew these people.

Perfected Qing Yun’s cultivation wasn’t very good, but he liked calligraphy.

This woman liked many things. Not only did she have some attainments in painting, but she was also good at music.

As for Maniac Chu...

“Old Chu, you’re a little unkind. Did you give birth to your daughter?”

“You’ve been away from home for so many days. At least send someone to look for you?”

Xiao Changtian looked at Maniac Chu with a gloomy face.

Fortunately, one of them was in his own small courtyard, so nothing would happen.

No one knew what would happen to Chu Yiren if she ran into some bad guys with evil intentions.

“This...”

“I know that my daughter is in Senior’s residence, that’s why...”

Maniac Chu wanted to explain. The damage caused by the Iron Eater was too great. The Beast Tamer Sect was still in the midst of reconstruction.

As for Chu Yiren, he knew that he had to find Xiao Changtian.

Therefore, Maniac Chu did not stop him.

It would be Chu Yiren’s fortune and fortune if her daughter could be by the side of such a senior.

Maniac Chu had been worried that his senior would despise Chu Yiren, but after so many days, Chu Yiren was still in his senior’s courtyard.

Furthermore, Chu Yiren had broken through five levels recently.

It had only been half a month. If this had happened in the past, it would have been something that he would not have dared to think about.

Maniac Chu felt that his daughter's actions were correct.

"Alright, alright. Since I've met you, you can bring your daughter home after the Grand Tournament hosted by the Great Sun Immortal ends."

Xiao Changtian said lightly.

"What? I..."

Maniac Chu was shocked. Was Senior trying to chase her away?

He hurriedly wanted to fight for Chu Yiren. If he could follow his senior, Chu Yiren's future and even become a Martial Monarch Realm expert was possible!

However, just as Maniac Chu opened his mouth, Xiao Changtian's face darkened and he frowned.

Wasn't this Maniac Chu a little too unsuitable to be a father?

"You must bring your daughter back. If she wants to come back to the small courtyard to play, you are welcome to come back anytime."

"But you're her father. Her home isn't here, understand?"

Xiao Changtian said in a deep voice. In fact, he was also reminding Maniac Chu to educate his daughter properly when he returned home.

Otherwise, how could she marry someone she caught?

"Yes, sir!"

Seeing Xiao Changtian frown, Maniac Chu's heart skipped a beat. He shivered and quickly agreed.

After exchanging some pleasantries, the Great Sun Immortal announced the start of the grand competition.

The first match.

The troublemaker disciple from the Zhongxian School went up against Cheng Yang.

"Humph, I don't believe that senior will fight in the arena."

The disciple of the Zhongxian School stared at Cheng Yang, who was only in the Foundation Establishment Realm, with a vicious expression.

Previously, he had been beaten up by the sect master and was holding back his anger. He wanted to fight back on the arena.

On the other hand, Cheng Yang's expression was grave.

Although the disciple in front of him was only an outer disciple of Zhongxian School, his strength was definitely in the Golden Elixir realm.

Furthermore, he was in the perfected Golden Elixir realm.

If the Great Sun Immortal had not broken through, there was a high chance that he would not have been a match for this Zhongxian School outer disciple.

However, Cheng Yang was fearless and just went all out.

With Senior here, the Great Sun Sect was as stable as Mount Tai.

However, these small matters could only be handled by the Great Sun Sect.

“Please!”

Cheng Yang knew that he would definitely lose, so he was already fearless. He drew his sword and circulated the Great Sun Technique, causing his body to heat up and flicker with red light.

“Humph.”

The disciple of the Middle Sage School grinned with disdain. He did not put a mere Foundation Building cultivator in his eyes at all.

Immediately, a faint silver light lit up on his fist. It was like an iron wire that surrounded his fist.

The strength of the Golden Elixir realm was completely accumulated in his fists.

It didn’t look as flashy as Cheng Yang’s.

Xiao Changtian naturally thought so too.

“Cheng Yang won.”

Xiao Changtian said lightly.

The red light around Cheng Yang was the rumored spiritual power cultivated by cultivators.

As for the disciple of the Zhongxian School, his fist was surrounded by a silver light.

Could these two people be on the same level?

The disciple of the Great Sun Immortal was still the best!

Xiao Changtian sighed in his heart. Fortunately, the Great Sun Immortal had a good character. It was a blessing for the Great Sun Town to have such an expert.

“Eat my punch!”

On the arena, the disciple of Zhongxian School was already preparing to make his move.

Cheng Yang’s expression was tense as he brandished his sword, sending out a burst of fire.

However, facing the punch of a Golden Core expert, he knew that he would definitely lose.

Therefore, he closed his eyes and waited to be sent flying out of the arena.

Bang!

Instantly, a loud bang was heard.

“Hmm?”

Cheng Yang opened his eyes again.

The scene in front of him stunned him.

“He’s acting as me!”

Cheng Yang looked at the Zhongxian School disciple who had collapsed outside the arena and frowned in disbelief.

They could feel that he was bound to fly out under that punch.

However, when the fist was only three inches away from him, all the power in the fist was withdrawn. Then, it flew over and collided with his sword, directly falling out of the arena. –

It was obvious that this disciple of Zhong Xian School was acting as him!

He really wanted to report an actor, but he felt that his report would not be successful..

Chapter 52: Senior, I Don't Want to Leave (1)

The disciple of the Middle Sage School flew out of the arena with a sullen expression.

Just as his fist was about to knock Cheng Yang out of the arena, Perfected Zhong Xian suddenly sent him a Zhen Yuan voice transmission, wanting him to lose!

Helpless, he could only withdraw his primeval essence and pretend to be defeated by Cheng Yang.

“Sect Master, why is this?”

The disciple was unwilling to give up. He was in the Golden Elixir realm, so it was easy for him to deal with a mere Foundation Establishment cultivator like Cheng Yang.

However, he was defeated.

If this were to spread out, where would the face of the people of the people of the world go?

“I’ll tell you about this later.”

Perfected Zhong Xian said in a deep voice with a calm expression.

At the same time, he also ordered all the disciples of Zhongxian Sect to admit defeat if they encountered any disciples of Great Sun Sect.

He had just sat beside Xiao Changtian.

Naturally, they heard Xiao Changtian’s muttering. Wasn’t the senior reminding them that Cheng Yang would win?

How would they dare to disobey?

He instantly arranged for his disciples to pretend to admit defeat as long as they fought against the Great Sun Sect disciples.

Thus, the following competition became one-sided.

All six of them pretended to be defeated by the disciples of Great Sun Sect.

This caused countless Great Sun Sect disciples to be dumbfounded!

They realized that the other side was acting them out.

But they couldn’t report it!

Daoist Big Sun also looked embarrassed. If this matter were to spread, wouldn't the six experts who were transcending the tribulation lose face?

"Today's grand competition will end here. Everyone is just exchanging pointers, not truly fighting to the death."

"In the Great Sun Hall, a banquet has been prepared to entertain everyone."

Daoist Big Sun hurriedly stopped the competition. He did not dare to continue.

Xiao Changtian saw this.

He was extremely emotional.

"Perfected Great Sun is still powerful. Even his disciples are so powerful."

"Unfortunately, I don't have any talent for cultivation..."

Xiao Changtian's blood was boiling as he watched this competition. He wished he could go on stage personally and exchange a few moves.

However, the system did not give him cultivation, which was very uncomfortable.

Under the guidance of the Great Sun Immortal, Xiao Changtian, Perfected Qing Yun, and the others arrived at the Great Sun Palace.

The interior of the hall was extremely prosperous.

The walls were adorned with red crystals that emitted a warm energy.

“Is this the palace of the cultivation world? It’s really impressive!”

Xiao Changtian compared this place to his own courtyard and sighed in his heart.

At the same time!

In the dark chamber.

The man wearing the skull mask was like an ancient stone statue.

He stood rooted to the ground, and the black shadow behind him did not move at all.

Until night fell.

Only then did he seem to come back to his senses and slumped down on the chair.

“How is that possible?”

“After the Fallen Emperor Era, why are there still such experts? How did he come back to life?”

“He’s definitely some old monster.”

The skull-masked man’s voice became ferocious, like fingernails rubbing against glass.

Moreover, his voice was extremely hoarse, causing the entire room to sound like a ghost crying.

His tone was extremely surprised.

After saying that.

He took off his mask.

Through the dim light, one could vaguely see what kind of face it was!

There was no nose, eyebrows, eyes, mouth, or even ears.

He didn't have any facial features on the human body.

His entire face was a bloody mess, and there was a force swimming around as if some bug had crawled into his body.

"He's definitely a Martial Monarch Realm expert!"

"In order to survive, I paid such a painful price, even my cultivation base."

"But how did he do it? Not only did he not pay any price, but he also maintained his peak state!"

The skeletal man put on the mask again, and his tone was filled with disbelief.

"No!"

"This is our opportunity."

"As long as we obtain the secret of his survival in the Fallen Emperor Era, and through God, we will be able to live with incomparable power."

Suddenly, the black shadow behind him laughed maniacally.

The skull-masked man seemed to have calmed down.

His voice became hoarse again, filled with malice.

“Hehe, good idea.”

“Since we already know this person’s identity, let’s start setting up a trap for him.”

“Reverend Zhongxian and the others have probably already developed a strange heart. Let the Ghost Devouring Vine devour them.”

The skull-masked man sneered and chanted an ancient gray incantation.

The curse flew over and arrived at the Great Sun Sect.

“Senior, let me stay here for a while. I don’t want to leave.”

In the small courtyard.

Chu Yircn’s large, watery eyes blinked repeatedly, filled with reluctance.

She didn’t want to leave the courtyard, and she didn’t want to leave Senior either.

“Be good, girl. Go back with your father. You can’t be so careless about marriage.”

“You can come and play anytime in the future.”

Xiao Changtian said lightly. These few days, he didn’t understand if this girl had a problem with her brain.

It was because this girl's values were not normal.

He was just a passerby, so he still needed Maniac Chu to teach him.

"Senior..."

Chu Yircn still wanted to beg.

Maniac Chu grabbed her arm immediately. An expert like Senior liked peace and quiet the most.

That was why he hid in the mortal world and became a leisurely mortal.

This daughter of his was pestering him. If he were to make Senior angry, it would really be a loss.

"Senior, I will take my daughter and leave now. I promise to educate her well."

Maniac Chu said with a smile.

Although Chu Yircn was reluctant, she was also afraid that her senior would be angry. She could only lower her head silently and leave with him.

Seeing the two of them leave.

Xiao Changtian was delighted.

"That's great! A few days ago, I slept on the floor until my back hurt."

"I can finally sleep in my bed tonight."

Xiao Changtian smiled faintly.

In the afternoon, he brought Maniac Chu back. He wanted to try the spiritual dishes of the Great Sun Sect.

He had been on the Tian Yuan Continent for a long time, but he had never tasted the food of cultivators.

However, it was said that the food of immortal cultivators contained terrifying spiritual energy.

If an ordinary mortal ate these spirit vegetables, they would probably explode and die.

Even though Daoist Dayang tried his best to persuade him to stay, Xiao Changtian still refused. He returned early to settle Chu Yiren's matter.

"Time's up."

"Go back to sleep."

"Don't cause me any more trouble."

He looked up at the sky and confirmed the time. Then, he looked at the pond and the chicken coop and warned the green-haired turtle and the big hen.

Only then did he turn around and return to his room..

Chapter 53: One of the Ten Great Vicious Creatures, Ghost

Devouring Vine!_i

Inside the Great Sun Sect.

Perfected Qing Yun and Lian Shenyin saw that it was about time and also took their leave.

In the Great Sun Sect, only Perfected Zhong Xian and the other two were left, as well as many disciples.

“Big Brother Big Sun, let me toast you again.”

“Yes, yes!”

Perfected Zhongxian, Perfected Qiongcheng, and Perfected Bashan all raised their wine glasses and kept calling Big Brother Dayang.

He called her very warmly and affectionately.

“Seniors, don’t call me that anymore. I can’t bear it!”

The Immortal Da Yang’s face was covered in cold sweat.

After all, Xiao Changtian had already left. Facing these three people, he didn’t have any confidence.

It was like an ant standing beside an elephant. Even if the elephant did not have any ill intentions, the ant would still feel fear.

“Big Brother Big Sun, we are addressing you from the bottom of our hearts!”

“Yes, yes.”

“You will be our big brother in the future!”

The three of them said sincerely.

Being addressed like this was like a small mountain pressing down on him, making him feel suffocated.

Although his cultivation realm was far from the three of them, as sect masters, he had a sense of experience in the ways of the world.

“Seniors, is there anything you need? You need me to do it!”

“If it is, I will do my best.”

The Daoist Big Sun went straight to the point and stopped probing.

When the three of them heard this, they immediately looked at each other, gritted their teeth, and nodded.

“Big Brother Big Sun, we do have a favor to ask of you.”

When the Great Sun Immortal heard this, his eyes narrowed as if he had guessed something. He said, “Is it about that senior?”

Actually...

He had not guessed it.

However, at present, this was the only thing that Perfected Zhongxian and the other two could ask of him.

After all, he was just a small Nascent Soul cultivator. In front of these three, he was like an ant that could be destroyed with a flip of his hand.

Other than that senior, he had no other value.

In the world of cultivation, there were no eternal enemies, only eternal interests.

As the sect master of a sect, the Great Sun Immortal saw this matter extremely clearly.

“Yes, sir!”

Perfected Zhongxian, Perfected Qiongcheng, and Perfected Bashan all calmed down.

He slowly put down the wine glass in his hand.

The three of them walked to the front of the Great Sun Immortal and knelt down.

“What are you doing? Seniors, please rise.”

The Great Sun Immortal was extremely shocked. He could not afford to have three Tribulation Transcendence realm experts kneel down before a mere Nascent Soul realm cultivator.

He hurriedly wanted to support the three of them.

However, he discovered a terrifying fact.

I can't help myself up!

The other three were all Tribulation Transcendence realm experts. It was naturally impossible for a mere Nascent Soul realm cultivator like him to touch them.

“Seniors, what exactly do you want?”

At this moment, the Great Sun Immortal wanted to cry but had no tears. He knelt down as well.

Not only was he kneeling, but he was also prostrating on the ground.

He was truly afraid.

“Brother Big Sun, get up!” The three of them watched as the Grand Sun

Immortal knelt down. Their divine thoughts helped the Grand Sun Immortal up.

The Great Sun Immortal was speechless.

“Seniors, please speak.”

The Immortal of Dayang was completely speechless.

In the past, he didn’t want to kneel, but under pressure, he could only grovel!

Now that he wanted to kneel down, those people wouldn’t let him. He had to stand in front of them.

Helplessly, he could only let the three of them speak and understand the reason why the three of them were begging him.

“Brother Big Sun, we want you to plead with Senior for us.””

“Plead for mercy?”

“That’s right!”

Perfected Zhongxian and the other two nodded and then began to tell the story.

“In fact, half a month ago, we came to threaten you to hold the Grand Prodigy Tournament in the Great Sun Sect.”

“Our true goal is to destroy the entire Great Sun Town today.”

“This is the Ghost Devouring Vine! A method to destroy Great Sun Town!”

With that, Perfected Zhongxian took out the black iron box in his hand and placed it in front of the Great Sun Perfected.

“What?”

“Ghost Devouring Vine!”

The Great Sun Immortal’s expression changed at this moment. He had already guessed that these three people’s goal was to destroy Great Sun Town.

However, he didn’t expect that he would actually use the Ghost Devouring Vine!

The Ghost-Devouring Vine was one of the ten great beasts of the Tian Yuan

Continent. It could suck the souls of people.

This wasn't the scariest part.

The most terrifying thing about the Ghost-Devouring Vine was that it could imprison a person's soul and burn it with karmic fire, torturing it until it collapsed.

However, the Ghost Devouring Vine would use a special method to save the soul that was about to collapse and burn it again with the Hellfire.

It caused the soul body to be immortal, but it would forever be burned by the karmic sinflames.

Just thinking of this, the face of the Grand Sun Immortal turned cold.

These people's methods were too sinister!

Even though these three people's cultivation realms were far above his, he still could not help but be furious.

"You guys are too much!"

It was true that he was in the Nascent Soul Stage, but he, the Immortal of the Great Sun, was not someone who fawned over the powerful.

If it weren't for Senior, everyone in Great Sun Town would have been devoured by the Ghost Devouring Vine and their souls would have been burned by the Hellfire.

This was a supreme sin!

He could not be forgiven.

"Brother Dayang, we know we were wrong, so we apologize to you and the entire Dayang Town."

“Senior definitely knows about this.”

“We are not asking for his forgiveness. We just want you to introduce us to him.

We will personally apologize to Senior and beg for Senior’s punishment.”

Perfected Zhongxian and the others all said.

They knew that they had committed a grave sin, but fortunately, they had not committed a grave mistake and could still live.

Even if they were to suffer the punishment of their seniors, they were willing.

However, if they were allowed to leave, they would definitely be killed by the skeletal masked man!

They didn’t want to go back.

He didn’t dare to go back.

“Humph! Since you want to accept your punishment, I’ll bring you there tomorrow morning.”

“Senior will definitely make a decision.”

The Great Sun Immortal snorted coldly and looked at these people with an attitude that no longer had the same apprehension as before.

Instead, he was filled with anger!

“Thank you, Big Brother Sun!”

When the three of them heard that the Great Sun Immortal had agreed, their faces were filled with joy.

Facing the punishment of their senior, even if they had to be dismembered or have their cultivation crippled, they were already prepared to accept it.

As long as they could obtain the protection of their seniors after their punishment, they would be satisfied.

As long as he could survive, everything was not a problem.

At this moment.

An ancient and profound voice suddenly floated in from the space and fell into the black iron box.

“Buzz!”

All of a sudden, the black iron box shook violently. A black Qi spread out..

Chapter 54: Nanming Primordial Fire! It's the Nanming

Primordial Fire Painting!_i

Kacha!

A tearing sound rang out as the black iron box was torn open by a stream of black gas.

As the black iron box was broken, countless black gases appeared and a vine floated in space.

“Not good, the Ghost Devouring Vine is out!”

“It’s that person who wants to kill us in the future. He wants to use the Ghost Devouring Vine to devour us.”

“This person is truly ruthless.”

The expressions of the three people changed. How could they not know that the mysterious curse was the means of the man with the skeleton mask?

Brother Big Sun, run!”

“We can only survive if we seek the protection of Senior.”

Perfected Zhongxian’s expression changed drastically, and he shouted for everyone to escape quickly.

However, by the time the three of them used their spiritual power and escaped outside the hall, they suddenly turned their heads and saw that the vine had already transformed into thousands of tentacles.

One of the tentacles enveloped the Great Sun Immortal.

The Great Sun Immortal could not move and was about to be devoured.

“No! I’m going back to save them. You guys go first!” Perfected Zhongxian’s face darkened. He immediately turned into a stream of light and returned.

“We’ll go back,” he said.

Perfected Being Qiong and Perfected Being Ba Shan exchanged a glance, nodded, and flew back as well.

They couldn't leave the Immortal Da Yang behind.

The three of them turned into three streaks of light and attacked the Ghost Devouring Vine from three directions!

The current Ghost-Devouring Vine!

It wasn't just a single vine anymore, but a myriad of vines that were coiling around the space.

Boom!

The three forces landed, causing the Ghost Devouring Vine to tremble.

After all, the Ghost-Devouring Vine's power was equivalent to a ninth level Tribulation Transcendence expert.

In a situation where he was unprepared, a ninth stage Tribulation Transcendence expert would also be injured if he suffered a terrifying attack.

"Brother Big Sun, let's go!"

While the Ghost Devouring Vine was trembling, Perfected Zhongxian saved the Great Sun Perfected.

Pulling along Daoist Da Yang, he was about to flee at full speed.

However, the Ghost Devouring Vine was furious. Endless vines instantly sealed the entire hall.

The door of the hall was already blocked.

It was already impossible for Perfected Zhongxian and the others to leave.

“Damn it! This damned Ghost-Devouring Vine is going to devour us all.” Daoist Bashan said viciously.

“I can’t just sit there and wait.

None of the people present were willing to submit, and they immediately began to fight the Ghost Devouring Vine.

Buzz!

Behind Daoist Bashan, a terrifying power condensed into a green mountain.

The green mountain was vast and heavy as it pressed down heavily.

“Clang!”

In front of Perfected Qiong Cheng, a Dan Qiong Flower appeared. The petals of the Dan Qiong Flower turned into the sharpest blade and cut the vines.

“Whoosh!”

A huge long blade appeared under Perfected Zhong Xian. A cold light shone on the blade as if it could cut through everything.

A knife will cut down to the point where it’s about to be revealed.

The Daoist Master Da Yang, who had just been rescued, did not idle either. He activated his cultivation technique and a fiery sun appeared behind him.

The sun shone brightly, emitting a scorching aura.

The sun ignited the vines, and some of the vines at the edge began to burn.

As the four completely different attacks landed, the Ghost Devouring Vine that had just been released instantly took half a step back.

A crack appeared in front of the door of the hall.

“Let’s go.”

The four of them were delighted and wanted to escape.

But suddenly, the severed vines on the ground suddenly turned into a huge network that wrapped around the four of them.

Trapped within.

“It’s over.”

The four people’s faces darkened, and they were in despair.

The attack just now had already consumed all of their strength. It was already impossible to break through this cage now.

“Hiss hiss

The vines continued to climb.

Wisps of black gas were emitted from the cage. The black gas attached to the surface of their bodies and began to devour them.

Damn it!

“Are we going to die here today?”

The four of them were in utter despair.

Suddenly.

Big Sun seemed to have remembered something.

An image suddenly flashed across his mind.

That senior gave him the scroll of the Great Thousand.

He didn't know why such a thought flashed through his mind, but there was nothing he could do now.

He could only take out the painting that Xiao Changtian had given him from his storage ring.

Brother Big Sun, what are you doing with this painting?”

Perfected Zhongxian could not help but frown and ask.

However, the Immortal Da Yang did not answer him. The black gas had already enveloped him into a sphere.

There was no time for nonsense now.

The last glimmer of hope rose in the heart of the Great Sun Immortal.

Then, he opened the painting.

Phew!

In an instant, a flame that seemed to burn the heavens roared out from the scroll.

The vine cage in front of him was instantly burned into black ashes.

The black gas that was attached to the surface of their bodies also disappeared in an instant.

As for the Ghost-Devouring Vine, it still wanted to use its vines to contain the flames.

However, a ferocious aura pounced over from the flames.

“Pa, pa, pa.”

The endless inferno instantly set the Ghost Devouring Vine ablaze!

It made crackling sounds.

“Nanming Primordial Fire!”

“This is the Nanming Ignis Painting.”

Daoist Zhongxian and the other two were instantly shocked. As experts in the Tribulation Transcendence realm, they naturally had such discerning eyes.

They could recognize that these flames were the Nanming Primordial Fire.

As for the Great Sun Immortal's painting, they did not need to think to guess that it was the Secret Pavilion Master's Nanming Ignis Painting!

"No, I can't! That's not right."

"It's not just the Nanming Primordial Fire. This is an even more terrifying flame. It seems to be the god level of the Nanming Primordial Fire."

Daoist Ba Shan frowned as he stared at the flames in front of him. His brows were filled with shock!

A few breaths of time.

He sensed a power that was stronger than the Nanming Primordial Fire.

Boom!

In the endless flames, the Ghost Devouring Vine was burned and exploded, releasing countless vengeful souls and ghosts.

Completely dissipated!

The Great Sun Immortal's face was filled with shock.

When had he ever seen such terrifying flames?

He hurriedly rolled up the scroll.

As the scroll was put away, the flames burning in the hall followed and entered the scroll.

Phew!

“Fortunately, there are seniors. Otherwise, we would all die here today.”

The Great Sun Immortal let out a long breath and calmed himself down.

He raised the scroll in his hand and looked at it respectfully. Only then did he realize that he had underestimated the senior.

Although he knew that Senior’s painting scroll was no ordinary treasure, how could he have expected it?

It was actually so terrifying!

After the Ghost Devouring Vine was destroyed, in the dark secret chamber.

The man wearing the skull mask seemed to have suffered a backlash. A spark floated into the entire dark chamber.

“Ah!”

He only heard a miserable scream from the dark chamber.

Half of the black shadow behind the masked skeleton man was burned away..

Chapter 55: Stumbling in Shock (1)

Inside the Great Sun Hall.

Perfected Zhongxian and the other three saw this scene.

He was stunned!

“This... That’s it?”

“Although the Ghost-Devouring Vine is terrifying, it still has the ability to resist the Nanming Primordial Fire.”

“Even if the Pavilion Master of Divination had the Nanming Primordial Fire Portrait, he would still need to expend a lot of effort to destroy the Ghost-Devouring Vine.”

“Perfected Great Sun, you actually have such a treasure! You’re also in contact with the Pavilion Master of Heavenly Secrets?”

Perfected Zhongxian and the other two looked at Perfected Dayang.

The three pairs of eyes stared at her as if they were staring at a beautiful woman.

“Cough cough...”

“This painting was given to me by Senior.”

The Immortal Da Yang quickly changed the topic and explained the origin of the painting.

Nanming Fire Painting.

He had also heard of it.

That was the treasure of the Pavilion Master of Heavenly Secrets. As long as the scroll was unfolded, the Nanming Primordial Fire would turn into a sea of fire and fight the enemy from afar!

The Nanming Primordial Fire, a celestial flame, was so terrifying!

He did not expect that the senior would give him the Pavilion Master of the Secret Pavilion, the Nanming Primordial Fire Painting!

“Could Senior be the Pavilion Master of the Secret Pavilion?”

The people of Great Sun Town were slightly stunned, but they immediately rejected this doubt. Perfected Zhong Xian and the others were all experts, so they should have seen the Pavilion Master of Heavenly Secrets.

Then...

The only possibility.

It was the Pavilion Master of the Secret Pavilion who gave this painting to Senior.

“Senior!

II

Perfected Zhongxian was slightly stunned. Then, he remembered that before the Prodigy Tournament began, Senior had once handed a scroll to Perfected Dayang.

So that was the case.

They also reacted.

“Senior is really meticulous.”

Perfected Zhong Xian suddenly opened his mouth, his eyes bursting with light, and a hint of enlightenment suddenly appeared on his face.

“What do you mean by that?” Perfected Jade Cheng asked in confusion.

“That’s right! Plan without fail? Could it be that Senior already knew that the

Ghost Devouring Vine was going to...”

Daoist Bashan frowned as he spoke. Suddenly, he froze halfway through his sentence.

“Impossible! Senior even predicted that the lord would kill us?”

The more Daoist Bashan spoke, the more shocked he became.

Although he sounded doubtful, he had already agreed with this idea in his heart.

“That senior is really amazing! We’ll hurry up and pay a visit to Senior tomorrow morning!”

Daoist Zhongxian said solemnly.

At night.

It was as quiet as water.

The gentle moonlight shone on the ground, illuminating the small courtyard as if it was covered with a layer of light gauze.

Snoring could be heard from the room.

Mu Jiu Huang sat on the stone table and was in a daze. Ever since she read the book written by Xiao Changzhang, she had been in this state.

“The Great Emperor is but an ant in front of those people.”

After a long time, Mu Jiu Huang finally came back to her senses!

Her red lips moved slightly as she muttered a sigh. A hint of disappointment flashed across her phoenix eyes.

However, her eyes suddenly turned sharp!

“Even if I am as weak as an ant in front of those people. However, it allowed me to see the realm of the strong.”

“If I, Mu Jiu Huang, can become the Great Empress, then I can also break through the shackles of the Tian Yuan Continent and become even stronger.”

Mu Jiu Huang muttered.

He regained his confidence and made up his mind to follow Senior and listen to Senior’s Dao.

Hence, he flashed back to the kitchen to sleep.

In the woodshed, Ye Fan's axe floated above his head.

It emitted a faint silver light.

It was as if he was completing some kind of transformation.

Everything was so quiet and peaceful.

As for the small courtyard, Alpha was playing chess, the ants were hiding in the grass, and Fatty Rongrong was in a daze.

As for the green-haired turtle in the pond and the big hen in the chicken coop, they stared at each other.

However, he did not dare to move.

The night slowly passed.

The next day.

Early morning.

Xiao Changtian woke up from his dream. He had a dream that his books sold well.

Then, he opened a bookstore. Some wealthy people even came to him and said that they wanted to open their bookstore all over the Tian Yuan Continent.

"Tsk!

If

“It’s just a dream, but I actually opened a bookstore again.”

“Let’s continue setting up the stall.”

Xiao Changtian smiled faintly. He got up and washed his face before walking out of the room.

“Good morning, Master!”

However, as soon as he pushed the door open, he saw Mu Jiuhuang standing at the door with a smile on her face.

After Mu Jiuhuang thought it through last night, she made a decision.

If she stayed by Senior’s side and listened to Senior’s words of the Great Dao every day, she would be able to improve faster.

Ye Fan was also fetching water.

Ye Fan’s ax was pinned to his waist, as if the ax blade had become even sharper.

These two people actually woke up earlier than him!

“Yes.” Xiao Changtian nodded and ordered the two of them to move all the bookshelves out. He was going to set up his stall again.

“Yes, sir!”

The two of them nodded and went to move the bookshelves.

Xiao Changtian took Alpha with him and pushed open the door of the small courtyard, ready to go for a walk.

However, just as he pushed open the door.

He was stunned.

“Daoist Great Sun, what are you doing? You even brought so many people.”

Xiao Changtian looked at the door in confusion. Behind the Great Sun Immortal, there were three Immortal Zhongxian.

The three of them were all smiling and bowing.

“These three people were prepared to do some bad things, but now they have repented and want you to give them some advice.”

The Great Sun Immortal said.

He was sure that the senior in front of him already knew about the Ghost-Devouring Vine. Otherwise, he wouldn't have given him the Nanming Primordial Fire Diagram.

However, considering that Perfected Zhongxian and the others had returned to save him halfway, the Great Sun Perfected still wanted to plead for mercy.

“I see. Come in.”

Xiao Changtian said lightly.

The Great Sun Immortal himself was a terrifying immortal cultivator, but the reason why he came to negotiate with him was probably related to mortals.

After all, most of the matters between Immortal Cultivators were about fighting and killing.

“Sit.”

Xiao Changtian said casually, and the Great Sun Immortal sat down skillfully.

But when the three of them saw Alpha staring at them, their hair stood on end and they didn’t dare to move.

It seemed that as long as they moved.

In the next moment, he would be slapped to death by the Sky-devouring Dog!

“The three of us won’t sit. We feel guilty and don’t dare to sit!” Daoist Zhongxian and the other two hurriedly spoke.

Xiao Changtian looked at the three of them and nodded.

These three people’s characters weren’t bad.

At least he knew that he had done something wrong and felt guilty. He did not lose his conscience.

As an immortal cultivator, being able to admit his mistakes in front of mortals was like an emperor admitting his mistakes in front of ordinary people.

This required great courage and character.

Moreover, according to the Great Sun Immortal, these three people had not done it yet.

“Everyone, have some tea first!”

Mu Jiu Huang, who was carrying the bookshelves, saw someone coming. She put down the bookshelves in her hands and brought a few cups of tea.

“Thank you so much!”

The Great Sun Immortal nodded to express his gratitude.

As for the three of them, they also received the teacups and were suddenly shocked.

“Female, female, female...”

Chapter 56: Immortal Ba Shan Is Dumb (1)

They wanted to talk about the empress!

Mu Jiu Huang was the Empress of the Nine Phoenix Dynasty. She was at the ninth level of the Tribulation Transcendence realm and was the strongest human expert on the Tian Yuan Continent!

Who didn't know?

Who didn't know?

Not to mention them. They were the sect masters of first rank sects and experts in the Tribulation Transcendence realm.

“Don’t mention my name in front of Senior. Right now, I’m just Senior’s maid.”

Mu Jiu Huang transmitted her true essence with a faint smile.

Right now, she was just Senior’s maid.

” Maid?!”

The three of them were shocked and opened their mouths wide, wanting to say something.

The dignified empress had such a peerless bearing!

Countless experts followed, and the Rulers killed!

How arrogant was that! Now, she was actually serving as someone else’s maid?

But after thinking about it, he felt that it was reasonable.

The senior in front of him kicked the Black Tortoise and slapped the Phoenix as if he was bullying a child.

Even that lord fled in panic when he saw Senior.

The empress was very strong, and the woman was also very arrogant. But in front of Senior, it was just a slap!

Being able to be a servant for a senior was a supreme opportunity.

“What’s wrong with you three?”

Xiao Changtian looked at Perfected Zhong Xian and the other two in confusion. These three were immortal cultivators. Could it be that the spiritual energy in their bodies was conflicting and caused them to stutter?

“No, it’s nothing.”

Perfected Zhongxian hurriedly replied.

“It’s good that you’re fine.”

Xiao Changtian nodded, then looked at the Great Sun Immortal and asked, “How do you plan to deal with these three?”

“I... I don’t know. If the three of them had committed any crimes below that, I would have definitely sentenced them to have their souls destroyed. But now, they hadn’t done anything wrong. They just had the wrong idea.”

“I don’t know if I should punish him or not. That’s why I wanted to ask you.”

The Great Sun Immortal said respectfully.

Although his cultivation was low, his heart was not devoid of conscience. That was why Great Sun Sect was protecting Great Sun Town.

“I see.” Xiao Changtian nodded again and said, “As the saying goes, there is no greater good than knowing your mistakes and being able to correct them. Since the mistake was not committed, he could forgive it this time.”

“However, you will also need to receive a certain punishment. These punishments don’t have to be too severe, you can decide for yourself, Immortal Da Yang.”

“Yes, sir!”

The Great Sun Immortal nodded. Since the senior said so, it meant that the three of them could live.

“The three of us know that we were wrong, but we were ordered by someone.”

“We didn’t do anything bad under his orders. He’ll kill us.”

Perfected Zhong Xian looked at Xiao Changtian again with a pleading look in his eyes.

If the senior in front of them could protect them, the man wearing the skull mask would not be able to kill them.

Perfected Zhong Xian and the other two were all nervous. They stood still, waiting for Xiao Changtian to speak.

Xiao Changtian was stunned.

There was a mastermind behind this?

This matter seemed to be a little troublesome.

Fortunately, the Great Sun Immortal was an expert with a profound cultivation.

“You can ask the Great Sun Immortal for help in this matter. I’m just a mortal and can’t help you with anything.”

Xiao Changtian shook his head and said.

He was giving the three of them a hint.

As long as they can find the protection of the Great Sun Immortal, we can guarantee our own safety.

Perfected Zhongxian and the other two heard this.

He was instantly delighted.

Senior wants them to be together with the Great Sun Immortal!

“Yes.”

The three of them nodded frantically. As long as they were together with the Great Sun Immortal, it seemed that they would be able to obtain the protection of their senior again.

As for the man in the skull mask, he was nothing in front of the senior.

At this moment.

Ye Fan carried a bookshelf and walked around them, heading out of the door.

“Make way.”

Ye Fan said indifferently.

Perfected Zhongxian and the other two hurriedly stepped aside and asked in confusion, “Are these going to be moved outside? We can help.”

The three of them wanted to leave a good impression in front of Xiao Changtian.

“Thank you.”

Xiao Changtian smiled. Although these people were not as powerful as the Great Sun Immortal, they were still immortal cultivators.

Compared to Ye Fan, who was a mortal, Jiu ‘er was more powerful.

Moving these bookshelves was also much easier.

Upon hearing this, the three of them immediately moved the bookshelves. These bookshelves did not pose any pressure to the experts who were transcending the tribulation.

He casually moved the bookshelf up.

Very quickly.

The three of them moved the remaining bookshelves out.

“These are books? Senior’s collection of books?”

Daoist Ba Shan looked at the books on the bookshelf and asked in puzzlement. He was even a little moved.

Could it be that such an expert’s collection of books was some kind of peerless cultivation technique?

He really wanted to flip it open and appreciate Senior’s supreme cultivation technique.

However, she retracted her hand halfway.

“I’m really confused. How can I casually touch Senior’s book? If I were to do so, I would be too offended.”

Daoist Bashan laughed at himself.

Perfected Zhongxian and Perfected Qiongcheng were the same.

“Everyone, these books were personally written by my master and are prepared to be sold at a stall, so the three of you can read them.”

“If you want to buy it, you can do so too.”

Ye Fan said indifferently.

“Master? Little brother, are you Senior’s disciple?”

Daoist Zhongxian noticed Ye Fan’s address and looked at Ye Fan in shock.

The other two also looked over.

They realized that they actually could not see Ye Fan in front of them at all.

They only felt that Ye Fan was like a mortal.

However, there was an indescribable aura about him.

That aura made them feel that he was in danger.

“Greetings, Senior.”

Perfected Zhong Xian and the other two hurriedly bowed respectfully to Ye Fan.

“There’s no need to be so polite. Compared to the three of you, I’m just a junior. I’m Ye Fan.”

Ye Fan smiled lightly and nodded his head simply. He walked back to the courtyard and continued chopping firewood.

Looking at Ye Fan’s back, Perfected Zhong Xian was slightly stunned.

“Ye Fan? Why do I feel like I’ve heard this name before?”

“It seems that the name of the eldest son of the Ye family in the West Bull Continent is the same.”

“But I heard that the Eldest Young Master was persecuted by the Second Mistress and had already dug out the Supreme Being Bone. Could it be...”

Perfected Zhongxian and the other two were stunned.

However, Ye Fan was now the disciple of an expert. They did not dare to criticize him.

He casually picked up a book on the bookshelf and flipped it open. He wanted to see if Senior’s book contained a peerless cultivation technique.

“This, this, this, this...!”

However, when they flipped open the book and scanned it, they were shocked.

He was extremely shocked!

They saw a brand new world, a world that was completely different from the Tian Yuan Continent.

However, in this world, everyone was so powerful that they could destroy the Tian Yuan Continent in a single breath.

“Hiss!”

“These people are too terrifying. Fortunately, it’s just a description in the book.”

Immortal Ba Shan gasped and said with relief.

“Haha! The description in the book was personally written by Senior..”

Chapter 57:1 Won’t Go to Yi Hong Restaurant (1)

“You mean that Senior witnessed all of this with his own eyes?”

...

Perfected Qiong Cheng said in a low voice.

His breathing quickened, and his entire body began to tremble.

In fact, he had already decided on this idea.

It was just that it was too shocking and he did not dare to accept it for the time being.

“Not only did Senior witness it with your own eyes, but I also feel that Senior is an invincible person who walked out of that war!”

“Those people have the sun, moon, and stars in their hands. With a wave of their hands, the universe will collapse!”

“But Senior was able to come out of that war and write down these things. I don’t need to say what it means.”

Daoist Zhongxian said in a deep voice.

His body was also trembling.

The seniors must have experienced the war. Not only that, they must have survived the war.

It was enough to prove that Senior’s cultivation had already far surpassed those people!

Those people already had the sun, moon, and stars in their hands, breaking the river of time. How terrifying would senior’s methods be...

They didn’t dare to think about it anymore.

His entire body quivered.

“Senior, I want to buy a book.”

Perfected Zhongxian was the first to come back to his senses. Holding the book in his hand, he walked into the small courtyard.

Seeing this, the other two picked up their books and walked towards the courtyard.

“You want to buy books? Do you think this book is interesting?”

Xiao Changtian heard the three of them holding books and threatening to buy them, and he couldn’t help but feel puzzled.

Could it be that the cultivators of this world?

He also liked to read these cultivation novels.

If that was the case, wouldn’t his bookstore be able to continue operating? And business was booming.

“Your book is so good!”

“Yes, yes, yes!”

The others also said.

“Alright, I’ll sell it to you. Ten copper coins per person. I’ll give you a discounted price.”“

Xiao Changtian smiled.

Originally, he thought that this book was probably cold, but he didn’t expect that these immortal cultivators actually liked to read it!

“Ten copper coins?”

Hearing the price, the three of them were shocked. Senior’s book recorded a once glorious era!

Such a divine book was only sold for ten copper coins?

Perfected Zhongxian, Perfected Qiongcheng, and Perfected Bashan looked at each other with shock on their faces.

“Senior, we’ll buy all the books here.”

Perfected Zhongxian said directly.

The matter came to an end.

Xiao Changtian weighed the ten gold taels in his hand and nodded in satisfaction as he watched the four of them leave.

It seemed that his idea of opening a bookstore was indeed feasible.

Just now, he had already communicated with the people of Dayang Town that they wanted to open a bookstore in the relay station.

When the time came, he would give the dividends to Immortal Da Yang.

However, Daoist Big Sun didn’t want a single cent!

He immediately agreed to this matter and contacted the person in charge of the relay station. He would immediately come to his small courtyard to discuss with him.

“Sir, I’m here!”

At this moment.

A fat man with a big belly appeared in front of the courtyard.

The fat on his face swayed like waves.

He had a sexy moustache and was wearing a large coat.

This was the person in charge of the relay station, Xiao Yang.

He knew her.

“Head Shopkeeper Xiao, you’re a Xiuxianist, don’t ever call me lord.” Xiao Changtian smiled faintly.

“Yes, my lord.” Xiao Yang nodded.

Xiao Changtian was speechless.

“Alright, let’s discuss about opening a bookstore.” Xiao Changtian had no choice but to change the topic.

Days.

They lived peacefully.

A month passed.

The bookstore was built in the courier station, and with Xiao Yang’s special promotion, all of Xiao Changtian’s books were sold in a short period of time.

There was even a shortage of stock.

Xiao Changtian was very satisfied.

Within a month, another five books were written, all of which sold like hotcakes.

“These people are too strong.”

” Dou Qi Turning into Spirit, how terrifying!”

“A single sword that can sever the river of time. F * ck, this is too awesome!”

II

II

In the Northern Barren State, Xiao Changtian’s book had already been widely circulated.

The price of this book had already reached a hundred taels of gold.

However, Xiao Changtian felt that it was a little too scary, so he returned to the normal price.

Now, he only needed one tael of silver.

Otherwise, Xiao Changtian’s house would be filled with gold.

“I’m rich.”

Xiao Changtian sat in the room and looked at the hundreds of gold taels. He didn’t even dare to think about it before.

With a few hundred taels of gold, one could already be considered rich among mortals.

Compared to those immortal cultivators, this white liang of gold might not be able to buy a spirit stone.

However, the system had yet to open up the path of invincibility for him. Even if he obtained spirit stones, he would not be able to cultivate.

He was already very satisfied with this gold.

Be content!

“Disciple, I’m going to buy meat today. I’ll personally cook tonight to improve your meals.”

Xiao Changtian took out a tael of gold and said with a smile.

After a while, he would expand the bookstore and open it in Nanbu State.

He had even thought of the name of the academy.

It would be called “Changtian Bookstore”!

At this moment.

Outside Dayang Town, a beautiful woman with a voluptuous figure walked over with graceful steps!

“My Lord wants me to use a honey trap to deal with that person, hehe!”

“I don’t care what kind of expert you are. Could it be that he could not fall in love with this old lady?”

The woman held a cattail leaf fan in her hand. The mountain peaks in front of her chest were like raging waves, and the peaks were like a gathering. It was a magnificent sight.

A breeze blew past.

It carried a strange fragrance.

Behind her were dozens of beautiful women, all of whom had sweet smiles on their faces.

“Lady Boss, when we reach Dayang Town, will you really give us one tael of gold every month?”

A girl asked in confusion.

“That’s right! Even in those big places, rich people were generous, but they did not even get one tael of gold a month!”

“Yes, yes!”

The group of women chattered.

“Don’t worry! The tael of gold that I promised you will definitely be fulfilled.”

The woman who was walking at the front with a cattail leaf fan smiled contemptuously.

In his eyes, trash like gold was just a stone. It was useless.

His main goal was to deal with Xiao Changtian.

A few days later.

In Dayang Town.

A pavilion named “Happy Red Court” had been built at some point in time.

Instantly.

It caused an uproar in the entire Dayang Town.

Especially the mortals of Dayang Town. When had they ever seen such a beautiful woman?

They all went to Yi Hong Pavilion curiously.

Even Xiao Changtian had heard about this matter. His face revealed a puzzled expression,”

“Yi Hong Pavilion, isn’t this...”

What was it?

Xiao Changtian didn’t say it.

However, he would never go, not even if he was beaten to death..

Chapter 58: Handsome Young Master, What Are You

Trying to Test Me About?_i

...

“Ding! [System Quest: Head to the Happy Red Brothel and have a long chat with the owner of the Happy Red Brothel.]”

Suddenly.

The system notification sounded.

Xiao Changtian was stunned. What kind of mission was this?

Talk all night, what is it about?

The system didn’t explain it clearly either.

“Forget it! I’ll just have to suffer a little and go meet the boss of the Happy Red Brothel.”

Xiao Changtian sighed.

After leaving some instructions to Mu Jiu Huang and Ye Fan, he left.

After all, the sooner he could complete the system’s mission, the sooner he could start his path to invincibility.

Xiao Changtian left the small courtyard after giving Mu Jiu Huang and Ye Fan some instructions.

They headed to this Happy Red Pavilion.

This time.

He knew that there were many dangers. If he was not careful, he would enter the Azure Dragon Pool and White Tiger Cave. It was extremely dangerous.

However, for the sake of his invincible path, he still went all out!

Very quickly.

Xiao Changtian arrived in front of the Happy Red Pavilion.

Accompanied by a fragrant breeze, laughter and laughter could be heard.

“What a handsome young master! Come and play!”

“Sir, I’m proficient in all eighteen martial arts. Do you want to try?”

“Don’t listen to them. Their martial arts aren’t as good as mine.”

“Hey, handsome young master, come with me. I don’t want money. How about I give you money?”

An extremely alluring voice sounded.

An old virgin like Xiao Changtian felt his entire body go numb after hearing it.

He almost had his blood boiling and had an old problem.

Fortunately, Chu Yiren had been in the same room as him during this period of time. She had already thought of all sorts of ways to suppress her emotions.

“None of you can. I want to see your lady boss.”

Xiao Changtian said.

“Aiya, what’s so good about the lady boss? Come find us directly!”

“Could it be that you, this handsome young master, look down on our martial arts?”

“Young man, although the Lady Boss is young, she doesn’t have much actual combat experience.”

“Young man, I can only give you a piece of advice. You don’t know how good it is to be old.”

The few women standing at the entrance of the Yi Hong Pavilion all rebuked.

A regretful expression appeared on his face.

There was nothing they could do. Xiao Changtian was the most handsome and extraordinary person they had received in the past few days!

It was like seeing a rose among wildflowers!

Everyone’s face revealed a wolf-like expression.

“Young man, you’re playing with flowers

“You came in to look for the lady boss.”

A few strong men walked out of the Happy Red Pavilion. Their legs were trembling, their faces were pale, and their footsteps were unsteady!

It was obvious that last night was too exhausting.

“Go back and have a good rest.”Xiao Changtian laughed and then walked into the Happy Red Pavilion.

“Young Master, have you seen any Yi Hong Restaurant where the boss wants to do business personally?”

A handsome woman leading the way said with a smile.

Her smile was filled with charm.

He looked at Xiao Changtian and felt his blood boiling again!

“Cut the crap and bring me to your boss.”Xiao Changtian was helpless. His face darkened and his voice became serious.

If he continued to be teased like this, he would probably faint on the ground before he could see the lady boss and complete the system’s mission.

“Oh, why are you so fierce?”

The woman who was leading the way chuckled and teased Xiao Changtian again.

Xiao Changtian was completely speechless.

When had he ever seen such a storm?

But in the end, he still persevered and suppressed his surging blood essence.

Finally, at the highest point of the attic, in a room covered with roses, he saw the lady boss.

“Lady Boss, I’ve brought you your men.”

The woman who was leading the way turned around and smiled. She threw Xiao Changtian a flirtatious look and then left.

“Are you the Lady Boss?”

Xiao Changtian looked at the woman in front of him. She was beautiful and wore a long dress with a pomegranate pattern. There was a charming smile on her face.

Extremely evil!

He only took a glance. He felt a reaction.

“What is it? Does Young Master Jun want to have a long talk with me all night?”

The woman giggled, but a trace of doubt arose in her heart.

She was just about to make a move on this person, but she did not expect this person to actually come looking for her.

Could it be that he recognized his identity?

It shouldn’t be. He had disguised himself very well. In order to complete the mission, he had even sealed his cultivation.

He was just a mortal now, and there was no spiritual energy fluctuation on his body!

“Of course.”

Xiao Changtian sat down opposite the Lady Boss. His blood was boiling, making him a little unsteady.

“Hhch, Young Master is really joking. Don’t you know? The Lady Boss doesn’t accept customers?”

The woman chuckled, her gaze gradually becoming vigilant.

He felt that the person in front of him might have recognized her identity.

“I’ll pay.”

Xiao Changtian took out a tael of gold and slammed it on the table.

Happy Red Brothel opened its doors to do business. Who wouldn’t do business for money?

Besides...

He just wanted to talk all night.

It was normal to talk about family matters and dreams.

“Young Master, don’t mess around. I don’t accept guests.” The Lady Boss laughed and refused again.

“Pa!”

However, Xiao Changtian took out another tael of gold and slammed it on the table.

“I don’t want to.”

“Pa!”

Seeing that the lady boss still wanted to refuse, Xiao Changtian directly increased the price.

“Pa!”

“Pa!”

“Pa!”

Xiao Changtian didn't say anything and directly raised the price to ten gold taels.

He didn't believe that anyone would reject such a generous offer!

He was only doing this to complete the system's mission.

Although ten taels of gold was extremely precious to him, he still felt that it was not a loss for the path of invincibility.

Looking at the ten taels of gold on the table, the Lady Boss 'brows finally relaxed.

“Good! I agree.”

The Lady Boss giggled and agreed. If she didn't agree even with 10 gold taels, then she was acting too abnormally.

“I can only test it out later.” The woman thought.

Then, she stood up and gently took off her clothes. A light yellow muslin slipped down from her shoulders, revealing her snow-white skin and delicate collarbone!

With a charming smile on her face, she walked towards Xiao Changtian.

“Young master, tell me, how do you want to play? What kind of kung fu do you want to test me for?”

The Lady Boss’s red lips curled up. Her fair hands slowly rested on Xiao Changtian’s shoulders.

As she approached, the fragrance on her body spread and entered Xiao Changtian’s nose.

“I want to talk to you all night!”

Xiao Changtian replied.

“Young Master, please follow me!”

The Lady Boss waved her hand, and her delicate hands left Xiao Changtian’s shoulders again, as if she was trying to seduce him...

Chapter 59: Reward, White Tiger

“Young Master, are we going to maintain this position?”

...

The lady boss said gently. A light panting sound came from the red muslin on the big bed.

Beads of sweat rolled down his forehead, and he wore a charming expression on his face.

She wanted to seduce Xiao Changtian, who was sitting cross-legged opposite her.

Because Xiao Changtian had taken off his shoes and gone to bed with her. In the end, they were really chatting here. They didn't even do anything.

"Of course. What else do you want?"

Xiao Changtian could feel the warmth of the lady boss's body. He felt his blood boiling and his body straightened.

He hurriedly crossed his arms in front of his chest and stared at the lady boss opposite him warily.

This was the Lady Boss 'territory. If the Lady Boss drugged him and cut off his organs to buy them, wouldn't he be at a loss?

Before activating the system's invincible path, he definitely had to be cautious.

"Alright then."

The Lady Boss sat opposite Xiao Changtian and smiled gently.

In fact, she was also releasing a kind of bewitching fragrance.

The higher one's cultivation was, the stronger the medicinal effects of this kind of bewitching fragrance would be.

According to ancient records, this knockout powder was almost guaranteed to hit the target for Mahayana Realm cultivators.

The person in front of him was definitely above the tribulation, at least in the Mahayana realm.

On the contrary, she had sealed her cultivation. She was only a mortal now, and mortals would not have any reaction to this knockout powder.

“Young Master, where were we just now?”

The lady boss smiled and picked up the cattail leaf fan. She pretended to fan the sweat on her forehead, but in fact, she mixed the knockout powder into the perfume.

As the fan was waved by the slender hand, a fragrant wind blew towards Xiao Changtian.

“Hmm?”

Xiao Changtian sniffed and frowned. He quickly covered his nose with his clothes.

“Is it effective?”

Seeing Xiao Changtian’s strange behavior, the Lady Boss’s red lips curled up slightly, and her face revealed a trace of anticipation.

As expected, his knockout powder was effective.

“Young Master, how do you feel now?”

The lady boss smiled and withdrew her left hand, taking out a crystal ball.

He immediately prepared to report to the skull-masked man.

“What’s that smell? Open the window.”

Xiao Changtian covered his nose and said,” Damn it, I thought that this stupid system had really come to its senses and asked me to complete some simple tasks. I didn’t expect it to be the Green Dragon Pool and White Tiger Cave!” This woman didn’t have such a fragrance on her body before, but she suddenly had it.

It was very likely that it was the legendary knockout powder.

As expected, this woman wanted to knock him unconscious and do whatever she wanted to him.

Fortunately, he had seen through it!

Xiao Changtian opened the window and waited for the fragrance to dissipate before putting down his nose.

“Open the windows and get more ventilation. The air is fresh, and you can be healthy, right?”

Xiao Changtian smiled and looked at the lady boss.

“Oh, yes... Yes, yes.”

The Lady Boss hurriedly nodded. Her left hand that was holding the crystal ball trembled in fear, and the crystal ball rolled out.

She was extremely afraid now. The person in front of her had actually discovered the knockout powder mixed in the fragrance?

Terrifying!

It was terrifying!

Even the part that he had absorbed earlier did not affect him at all.

Could it be that this person's cultivation wasn't affected by the knockout powder?

Could it be...

His cultivation had already surpassed the shackles of the Tian Yuan Continent?

According to the ancient records, apart from mortals, only experts who had transcended the shackles of the Tian Yuan Continent were immune to the effects of the knockout powder.

The person in front of him was definitely not a mortal.

Then, there was only the second possibility!

The expert before him had already reached a cultivation level that surpassed that of the Tian Yuan Continent.

"Hiss

The Lady Boss sucked in a cold breath in her heart. She was also one of the core members of the dark chamber.

Naturally, he knew that to reach this level, one had to be the legendary ancient emperor before the Fallen Emperor Era!

An ancient emperor! This person before him was an ancient emperor!

Moreover, he had already seen through his identity.

The Lady Boss's face instantly darkened. There was only one thought in her

mind.

It was over!

In front of an ancient emperor, even if he removed his cultivation base, he wouldn't be able to live. Not to mention the current him, who had sealed all his meridians.

"Hmm? Lady Boss, what's wrong?"

Seeing the Lady Boss like this, Xiao Changtian frowned, his face full of doubt.

Just a moment ago, he was still smiling at her. Why did he have a long face the next second?

"What is this crystal ball for?"

Xiao Changtian took the crystal ball in his hand and revealed a puzzled expression.

Why was the lady boss holding a crystal ball?

However, this crystal ball looked quite beautiful. It was extremely round and didn't look like it was going to make a fuss.

Xiao Changtian looked at the lady boss and said, "Lady boss, this crystal ball is

mine. "

Xiao Changtian said and kept the crystal ball.

Previously, he had already paid ten taels of gold.

Although this crystal ball was round, it was not worth much. There were many of these crystal balls in the streets.

“Ah?”

The Lady Boss was shocked again.

The senior in front of him had even guessed the secret of the crystal ball?

It's over, it's over. I'm going to die here today.

Time slowly passed.

The night passed quickly.

In her panic and fear, the Lady Boss sealed her cultivation, so she quickly fell asleep.

As for Xiao Changtian, he sat by the window and looked at the moon through the crystal ball.

Gradually.

The night dissipated, and the dawn arrived!

The first ray of sunlight shone on the Lady Boss 'face.

Xiao Changtian didn't even turn his head. The system notification sounded in his mind.

"Ding! Congratulations on completing the mission. Reward: A white tiger." "White Tiger?"

Xiao Changtian frowned slightly, his face revealing a curious look.

This time, it wouldn't be biased, right?

"Receive your reward."

As Xiao Changtian's voice fell, a white light suddenly flashed in front of his hands.

The white light was extremely dazzling and even carried a hint of holiness.

The white light gradually became idle. Xiao Changtian also looked at the rewards with anticipation.

"Meow."

However, Xiao Changtian's face instantly fell as he heard a meow.

"This is a hammer-like white tiger!"

Xiao Changtian was furious. How could this be a white tiger? If it wasn't a white tiger, why couldn't it be a tiger?

What the f * ck, a white kitten?

Playing!

“Meow, meow, meow

The white kitten was only the size of a palm, and it was still in the form of a cub.

“Hey.”

“Kitten, come up.”

Xiao Changtian sighed helplessly and squatted down. He stretched out a hand and gently called out to the kitten..

“Meow

...

That little kitten cried out loudly, its four legs were extremely flexible, and in a few steps, it climbed onto Xiao Changtian’s hand.

“You’re quite smart.”

Xiao Changtian looked at the kitten in his palm and couldn’t help but caress it.

Although the system was deceiving him again, this little kitten was indeed quite cute.

Thus, Xiao Changtian carried the kitten and walked out of Yi Hong Pavilion.

“This handsome young master, your body is really good. You can still walk so steadily when you come out from the Lady Boss’s place!”

” Come again next time. I won’t charge you!”

“Hehehe

Bewitching voices rang out. The women standing outside the Happy Red Pavilion all covered their faces and smiled. They looked at Xiao Changtian’s back with burning eyes.

This young master was very capable!

Even if they didn’t charge, they still wanted to experience it once.

Very quickly.

Xiao Changtian carried the snow-white cat Mengxi and returned to the courtyard.

As for this name, it was randomly picked on the way.

“Master, you’re back?”

As soon as they entered the courtyard, Mu Jiuhuang greeted them with a smile and a cup of tea in her hand.

“Jiu ‘er, are you alright?”

Xiao Changtian looked at Mu Jiuhuang in front of him with a puzzled expression. Jiu ‘er was acting a little abnormal today.

In the past, Jiu 'er was not so meticulous.

Xiao Changtian thought for a moment and reached out his hand, slowly reaching for Mu Jiuhuang's forehead.

"Master, what do you want?"

Seeing Xiao Changtian's hand reaching towards her, Mu Jiuhuang's face instantly turned red. Master, don't tell me you want to...

"Yes, her temperature is normal."

Xiao Changtian nodded. He placed his hand on Mu Jiuhuang's forehead and compared the temperature with his own.

After confirming that Mu Jiuhuang was not having a fever, he heaved a sigh of relief.

"Phew."

Mu Jiuhuang saw that Xiao Changtian only touched her forehead and didn't do anything else. Her nervous mood instantly relaxed.

Instantly, her jade-like neck turned red.

She wanted to slap herself. Master was a gentleman. That night when she was unconscious, Master did not do anything to her.

These few days, her mood had been unstable, and she had actually started to let her imagination run wild.

Was Master that kind of person?

“Master, please have some tea. Let me hold this kitten.”

Mu Jiuhuang handed the teacup over and Xiao Changtian nodded.

“Meow

However, when Mu Jiuhuang took Meow Mengxi from Xiao Changtian’s hands...

The white tiger suddenly let out a deep roar.

She was a white tiger and did not like the aura of strangers.

However...

The white tiger’s deep roar frightened Mu Jiuhuang so much that she retreated continuously. Her outstretched hands were so frightened that they retracted.

A giant tiger appeared in her sea of consciousness!

The White Tiger’s domineering aura shook the nine heavens. It lay across the galaxy with a peerless figure and let out a muffled roar.

In an instant, countless stars fell and the galaxy collapsed.

How terrifying!

“White Tiger?”

Mu Jiu Huang's face revealed an extremely shocked expression. The white kitten in Senior's hand was a white tiger!

One of the Four Great Divine Beasts, the White Tiger!

"Hiss

Mu Jiu Huang could not help but gasp in shock.

He didn't dare to touch the kitten again.

"Hmm? What's wrong? Don't like the aura of strangers?"

Xiao Changtian asked. He knew that cats were extremely vigilant.

"Meow

The white tiger hurriedly nodded. This woman in front of him was really too weak.

She was the supreme white tiger and was naturally arrogant.

"Alright then."

Xiao Changtian nodded and picked up the white tiger.

"Then in the future, you'll feed this green-haired turtle, the old hen, and Alpha."

"I'll take care of this kitten first."

Xiao Chang Tian ordered, bringing his little cat and Fatty Rongrong to Great Sun Town's Cang Mountain for a stroll.

The main purpose of bringing the fat Rongrong was that the bamboo in the courtyard was almost eaten up.

He had already instructed Ye Fan to change to a new batch.

At the same time.

North Barren State.

Heavenly Sword Villa.

The huge manor was scattered on a huge ancient sword.

It was spectacular!

At the same time, countless Sword Qi flew out and turned into white light, surrounding the Heavenly Sword Villa.

At this moment.

Suddenly, a huge white light shot into the sky, forming a pillar of light that soared into the sky!

Suddenly, a vast sword Qi appeared in the light pillar.

The sword Qi was unbridled, as if it wanted to split the world apart. With a single sword strike, it broke the huge light pillar.

“Hahaha, Heavenly Sword! I’ve finally mastered the Heavenly Sword!”

The pillar of light dissipated, and a tall and sturdy man appeared. His skin was bronze, and his upper body was naked. His entire body emitted a heroic aura!

He was the owner of Heavenly Sword Villa, Tie Hanshan!

In his hand was a peerless sword!

The long sword was extremely sharp, and it emitted waves of dragon roars in the space.

The sword chime sounded like a dragon’s roar!

Tie Shanhan waved his sword casually. The sharp sword tore through the air and slashed down. The mountain in front of him was directly cut into two halves.

“Hahaha, 1,000 years. It took me a full 1,000 years to forge this Heavenly Sword!”

“From now on, my Heavenly Sword Villa will be famous for this sword!”

“Hahaha!”

I

Tie Shanhan laughed loudly as he brandished the Heavenly Sword in his hand, cleaving mountains and seas!

He was proud of his success!

Knowing that he was tired of slashing, he landed in the sky.

“The Heavenly Sword is invincible!”

Tie Shanhan looked at the sword in his hand and focused all his energy on it.

He didn't even have time to look at the road.

He did not notice that a huge mouth had suddenly reached out from the bamboo forest in front of him and bit the Heavenly Sword.

“Kacha!

As the huge mouth bit down, the Heavenly Sword in Tie Shanhan's hand was directly broken from the middle!

Even the part that was bitten off was chewed by the Iron Eater seriously, making a crispy sound.

It was as if he was eating bamboo.

“You, you, you, you...

“You ate my Heavenly Sword?”

Tie Shanhan looked at the Heavenly Sword in his hand. It had already been cut in two.

In front of him was a black and white, round formation beast, which was chewing seriously.

There was even a delicious expression on his face.

He seemed to be extremely satisfied with the taste of the Heavenly Sword!

“What the f * ck! You’re courting death!”

Tie Shanhan’s expression changed, and he was instantly enraged.

This Heavenly Sword was the divine weapon that he was most satisfied with after he had been in seclusion for a thousand years!

The demonic beast in front of him actually ate it.

His anger instantly covered his rationality. The true essence in his body instantly surged, and an extremely terrifying aura instantly erupted.

Directly blasting towards Fatty Rongrong.

“Boom!

Immediately, a loud collision sound was heard..
