Chapter 61: Corrupt Ling Qingyu

Inside the grand palace.

Ling Qingyu still gazed at the decoration without any boredom, even though she had visited once yesterday.

The two elders roamed on their own under the guidance of the servants and Ling Qingyu supported their actions. Their sightseeing activities, from Ling Qingyu's perspective, should be conducted more.

That was also the reason why she was enthusiastic to move the residence so that her elders could freely stroll as leisure activities instead of being caged inside her apartment.

The moisturizing effect of stepping on earth was totally different feeling beneficial to their health. Ling Qingyu would never admit she bought the manor for her selfish reason.

Following her butler in front along the corridor, who meticulously describe the manor in detail, better than Manager Yuan, Ling Qingyu thought secretly.

Whether she was in the wrong job, she wasn't sure but what Ling Qingyu was certain—this butler's explanation cleared away the fog shrouded by Manager Yuan and was better than any salesman.

Behind Ling Qingyu, Tang Ziyi and Xiao Yue whispered to one another; sometimes they would ask the butler if they countered any doubts whilst Tang Ziyi mostly focused on the security issues and loopholes.

The butler was named Lin Xiao, very young, not more than mid-twenties, Ling Qingyu presumed. Long Black hair, black eyes, nothing unusual. She had a pretty slender figure and was attractive.

Ling Qingyu just hoped this Lin Xiao didn't have any relations with Lin Fan.

According to Lin Xiao's introduction, there were 70 personnel, all females requested by Ling Qingyu. In fact, she also thought about recruiting males to take charge of the peripherals and cleaning the lawn.

But she decided against including males later on, serving as securities or gatekeepers. It appeared to outsiders the manor was inviting intruders without any means to protect the area.

Nonetheless, Tang Ziyi and Xiao Yue accompanying her made her relieved. If there were any level ratings like in the game, the two women were like boss characters in the finale.

Among the 70 women, 50 of them were maids or servants, responsible for the daily task of maintenance in the manor.

5 of them were cooks, who had 5 stars or more qualifications based on Lin Xiao's explanation, to prepare lavish meals for everyone here. Another 5 were professional masseurs.

Ling Qingyu clicked her tongue; the life of the rich corrupted any human without strong willpower. She could enjoy it but she reminded herself not to make anything 'over'.

The remaining two women were bodyguards the Sh family provided. In Ling Qingyu's eyes, their appearance was very convincing from the outside, but Tang Ziyi's eyes told her otherwise.

Listening to Lin Xiao's explaining in detail related to these female bodyguards, Ling Qingyu found them talented but compared with Tang Ziyi, they couldn't even catch her tail.

The only merits were they excelled at martial arts worse than her company retired female soldiers. However, Ling Qingyu wasn't going to frown upon their abilities since they could be trained further on the path.

It was very hard to find women specializing in this area of job and Ling Qingyu was glad to have more of them in her team.

She had Tang Ziyi by her side, to train these guards and transformed them into a special force.

Ling Qingyu noted Tang Ziyi's past life description included her serving as an instructor for special forces in some particular nations. So, she figured, it would be an easy task.

She contemplated whether to recruit more of these women from the Sh family into her manor but she found herself too fervent.

"I've already told our masseur to prepare a session for you, Miss Ling." Lin Xiao said. "Especially it's a good treatmt after you were discharged from the hospital not long ago. I'm sure you'll joy it."

Ling Qingyu showed deep meaning in the eyes as she smiled in response. It seemed her butler wasn't simple, knowing how to please and study her backg carefully.

"You know me too well," Ling Qingyu said inexplicably. "I'm grateful for your thoughtfulness."

"It is our duty to provide maximum help to our master. I hope my knowledge doesn't overstep the boundary." As expected of a trained steward, Lin Xiao quickly understood the underlying meaning beath Ling Qingyu's words.

"How about Sister Ziyi and Sister Yue? Care to accompany me?" Ling Qingyu asked at her side but the two expressed rejections.

"I would love to but not now." Tang Ziyi replied. "Nothing is more important to me than the gym equipmt."

Xiao Yue rubbed her nose as soon as she heard Tang Ziyi's reason. Ling Qingyu turned away to show she wasn't familiar with her.

Lin Xiao's eyelids twitched. Since her guiding session, it wasn't once or twice Tang Ziyi said this out loud. Her focus on the gym might have overwhelmed Lin Xiao's speech in Tang Ziyi's mind.

Calming herself down, Lin Xiao signaled a maid nearby to accompany Tang Ziyi to the gym area.

Lin Xiao didn't forget to state. "Miss Tang can list down any deficiencies in the gym and send it back to me. I'll handle the rest to satisfy our ladies."

"With pleasure," Tang Ziyi replied with a beam of smile and Xiao Yue also followed her like a little sister. It was as if they became a couple unwilling to separate even for a moment.

Ling Qingyu complained while she eyed Xiao Yue nonstop, because her supposed-to-be-a-warlord confidante acted like a little girl now. The contrast was too big.

Until a few moments later she withdrew her glance, seeing their figure disappear, and turned her head toward Lin Xiao, who waited for her without any complaints on her face.

"Where were we?" Ling Qingyu asked.

"About the massage..." Lin Xiao gave a hint and Ling Qingyu nodded to her to continue talking.

Lin Xiao brought Ling Qingyu to a special spa room where the staff was ready to receive her. Lin Xiao exited after suring Ling Qingyu didn't need anything else at the moment.

Ling Qingyu was asked by the masseurs to wash herself in warm water. After she finished and walked toward the special bed only covered with a towel, Ling Qingyu's face burned hot.

Despite under the clothing, she felt herself naked and blushed at her own situation. Fortunately, the staff a was professional and comforted her.

Ling Qingyu lay down on the prepared spot and followed their instructions. Soon, the warmth exuded from their hands as they rubbed her muscle relieving the tension inside her and she moaned in pleasure and sank into a dream, in contrast to her previous blushing state.

The satisfaction beckoned her to forget everything else a. Only pleasure, Ling Qingyu had in her mind.
