

Beg You All 102

Chapter 102: Is It Still Romantic?

Finally, after a reluctant hug with Sun Nana again, Bai Xiaochun separated from her with a smile, and then returned to the classroom.

Seeing this, Chu Tian couldn't help saying, "Baby, are you really a good fellow to Sun Nana?"

Um?

Bai Xiaochun looked at Chu Tian and smiled. She put her arm around him and said, "No way, don't tell me. Do you really think your love is so brainless?"

"Oh?" Chu Tian smiled and said, "So my love still has a brain."

"Of course there is." Bai Xiaochun hugged Chu Tian's arm and said proudly, "Your love is actually a ghost. You are very smart, and Sun Nana is very egoistic. Do you think I don't know?"

"Besides, she really thought I didn't see her smugness in the office. I tell you, Sun Nana has a bad attitude. She was bent on getting you arrested, and I even thought of that scene if you got caught. She didn't know what to do."

"Actually, I've always seen her as a clown, and every time I watch her bungee jump, she is like a monkey, which is funny."

"Of course, baby." Chu Tian smiled and flicked Bai Xiaochun's head. "I didn't expect my baby to be so smart."

"That's right." Bai Xiaochun hugged Chu Tian's arm and said with a smile, "Your baby is so smart. Sigh, are we going home or where are we going?"

"Not home yet." Chu Tian said, "I'll take you somewhere."

"Where? "

"You'll know when you get there."

.....

Over ten minutes later!

In front of the White Milk Tea Shop near the school, Chu Tian stopped with Bai Xiaochun.

"I thought I was going to a good place." Bai Xiaochun hugged Chu Tian's arm and smiled. "So if you want to drink milk tea, just wait. I will line up to buy it for you."

saying that Bai Xiaochun was about to go to the back of the long queue when Chu Tian pulled her back.

Chu Tian looked at the "White Milk Tea," upstairs, frowned, and said, "Hey, baby, do you remember why this store is called White Milk Tea?"

"I remember." Bai Xiaochun said: "The sister there said that the owner's girlfriend has the word "Bai" in her name. That's why he gave the store this name. Hey, isn't that romantic?"

"Romantic?" Chu Tian smiled and said, "I think you are stupid."

"You are the dumb one." Bai Xiaochun pouted. "How romantic. I can't explain to a pig like you that this is love."

"I understand." Chu Tian smiled and nodded. "Let's go in."

"Hey, don't cut the queue." Bai Xiaochun hugged Chu Tian's arm and said, "Be careful of being beaten."

"Nothing." Chu Tian said, "I just want to go in and have a look."

As he spoke, Chu Tian directly brought Bai Xiaochun in.

In the busy milk tea shop, the number of employees had increased again, to "five production lines."

Five cash registers, five sealing machines, three ice makers, two water purifiers, and five water faucets.

Because of the heat all of them were bought with ice.

"Oh, my God." Bai Xiaochun looked at the five-line characters in the store and sighed. "It's so popular. The owner of this store is going crazy after having too much money."

Although there was a month of free milk tea, it was still a little thick-skinned. So, after receiving it twice, Bai Xiaochun hadn't been here again. The current popularity of the shop was already very different from when she had come last time.

Just as Bai Xiaochun finished speaking, Li Niannian walked over with a smile.

Seeing this, Bai Xiaochun had a brilliant smile, showing a mouthful of white teeth.

However, before Bai Xiaochun could say anything, Li Niannian smiled and said, "Boss, why haven't you come to drink milk tea for free?"

Huh?

Lady Boss?

Bai Xiaochun was taken aback. She hurriedly looked around, then looked at Li Niannian again. "Sister, is your boss's wife here? Where is she?"

Li Niannian said with a smile, "I don't know yet. Well, I'll introduce you to her soon."

With that said, Li Niannian stood beside Chu Tian and said with a smile, "He is Chu Tian. He is the boss of our White Milk Tea Shop. Now do you know who is the boss of this shop?"

Ah?

Is Chu Tian the owner of this White Milk Tea shop?

Seeing Li Niannian smiling, Bai Xiaochun felt that her mind went blank.

This is Chu Tian's shop?

No way!

How could this be his store?

Bai Xiaochun turned her head slowly, looked at Chu Tian, who was smiling in disbelief, and stammered: "This, this store is yours?"

Chu Tian smiled and said, "It's not mine, it's ours. How about it? Is it still romantic?"

"I....."

Seeing that Bai Xiaochun didn't know what to say for a while, Li Niannian smiled and held her little hand. "Come on, Lady Boss, let's sit in the office. We just installed a new air conditioner and even have a cot to rest."

Li Niannian dragged Bai Xiaochun into the small office behind the store.

Seeing this, Chu Tian smiled and followed. However, instead of going to the small office, he went directly to the kitchen.

Stock up now!

Otherwise, they could not withstand the peak sales after school.
