

Falling For My Brothers Best Friend - Dumb Blonde And Annoying Barbie Wannabe

chapter five::

I woke up the next day feeling somewhat re-freshing and high on life. 7AM my alarm clock read again as it did the day before. I jumped out of bed fully awake for once, not the normal having to drag myself out of bed because I'm too lazy for my own good state that I'm normally in almost every single morning.

The normal bedtime at 11 and not sleeping until 2 every night doesn't help either, and a reoccurring theme of grouchy and all round stroppy b!tch to Jake and the latest slapper that hes brought home from the night before happens reguarly.

Although I wish it wouldnt, as I crave daily to become one of those girls who can just jump out of bed in the morning without a care and be as free as a dandelion in may. I dragged myself to the shower, and before I knew it my mood had changed from little miss grumpy and i turned to singing along to poket full of sunshine by natasha bedingfeild.

'I got a pocket got a pocket full of sunshine, i got the love and i know thats its all mine oh, oh ohhh! take me away!! take me away!! a sweet escape, take me away!!! i got a pocke ...' I started to sing loudly until I heard a loud knock on the door.

'Jess! Jessie! Jessie out the bathroom now, you've beenin there for almost half an hour now!' he shouted as my eyes widened.

Half an hour! Holy shit! I quickly got out of the shower and got dressed as fast as i possibly could, wish little drops of water dripping down from where i had accidently gotten carried away and wetted my hair in the process. I thre on my dark brown leather jacket on top for warmth. I rushed down-stairs to see a half naked girl stood in the kitchen eating bacon with Jakes shirt on that was at least 2 sizes too big for her.

'Hi!' The skinny blonde girl chirped as i entered the kitchen to get my toast. 'I'm Thersea! Nice to meet you!' She ectended her hand for a hand shake.

I took it and it ended up turning into a hug. I pulled away as she went back to eating her bacon sandwich. I watched her stand there in all her glory for a second and wondered how someone so skinny, could eat like such a pig. But then again the other day I had the biggest meal ever at mcdonalds so i'm not one to talk. I felt my phone buzz in my pocket and looked to see who the text was from. Seth.

Seth: *Hey babe! I'll wait outside for you at 7:50 ... xx*

Me: *Ok then .. But we still need to tell Jake, but it can wait till later because of the latest one night stand he brought home last night.*

I shoved my phone back into my pocket and looked at my tiffanys watch, 7:45am. 5 minutes till Seth will be waiting outside. I went to grab some toast that had just popped out of the toaster, quickly buttered it and headed for the door. I was walking out with my bag on my right shoulder, My phone in my hand and my toast in the other. I rang Seth as I shut my front door. He instantly picked up.

'Hey babe, where are you?' he said sounding in an amazing mood.

'Just left the house, where are you?' I said back whilst eating my toast.

'Well unless your blind, I'm stood about 2 meters away from you.' I looked up to see him leant against the passenger side of his car.
