Chapter 1871: I've Never Seen Him so Happy

"I'm taking Luoli home tonight. Let's celebrate another day. I need to go out now. You have to take good care of Young Madam."

"Yes, yes, yes. Sir, don't worry. I'll definitely take good care of Young Madam."

"Luoli, I'm leaving now."

After Mo Shixiu finished speaking, he turned and left.

"Miss Jiang—no, Young Madam." Sister Lin went forward and held Jiang Luoli's hand. She looked at her and said happily, "That's great. I knew there would be good news today. Aiya, Young Madam, are you hungry? Is there anything you want to eat? I'll make it for you right away."

"How old is the baby? What did the doctor say?"

"I have to get a nutritionist to come over immediately. In the future, we'll have three meals a day. We have to get the nutritionist to arrange what to eat and how much to eat."

"I think Sir is overjoyed. I used to think that Sir didn't like children, but it turns out that Sir really likes his own baby. That's great. Now that Sir is married and has a baby, with Young Madam and the future Young Master and Young Miss accompanying Sir, I have nothing to worry about."

Although Sister Lin wasn't a member of the Mo Family and did not have any relatives of the Mo Family.

However, she had stayed in the Mo Family for many years and had a lot of feelings for them.

And she truly loved Mo Shixiu.

She was really happy for him now.

In the past, Mo Shixiu did not even have a woman by his side. Every time she talked about marriage, he always looked uninterested. Sister Lin was also very worried about this.

She was afraid that he was too engrossed in his work and did not care about his personal matters.

That he would never get married.

But now...

In the year that he was thirty years old, he had really established a family and a career.

In the future, there would be someone by his side to take care of him. She would no longer have to worry that he would be alone in the future.

"Is Mo Shixiu happy?" Jiang Luoli thought about his reaction and asked suspiciously.

She was pregnant and could tell that Mo Shixiu was happy.

He wanted this baby, too.

But she couldn't tell that he was happy.

"Of course, Sir is so happy. I've never seen him so happy before," Sister Lin said with a smile. "But you know Sir's personality, Young Madam. He's not good at expressing his true feelings. So, even if he's happy, he might not show it."

"But I've been by Sir's side for so many years, so I know him very well. Sir is very happy."

Jiang Luoli also thought of Mo Shixiu's personality.

This man did not like to show his true feelings. She never saw him especially happy.

He only smiled when he heard that she was pregnant.

He didn't show it on his face, but he showed it in his actions.

"Young Madam, go in and take a rest." Sister Lin held Jiang Luoli's hand as if she was eight months pregnant, afraid that something would happen to her. "Don't stand outside for too long. The sun is strong now, be careful not to get sunburned."

Jiang Luoli looked at her exaggerated expression.

She felt that Sister Lin seemed to have become a protective animal. Not only did Mo Shixiu become exaggerated, but even Sister Lin also did.

Chapter 1872: Are You Still Dating Her?

At a private clubhouse.

The waiter who received Mo Shixiu kept sneaking glances at him. After she brought Mo Shixiu to a private room, she said respectfully, "Sir, Madam Mo is waiting for you inside."

She knocked on the door and said to the person inside, "Madam Mo, Mr. Mo Shixiu is here."

A voice came from inside. "Come in."

The waiter opened the door.

Mo Shixiu walked in and was stunned when he saw an unfamiliar woman sitting beside Madam Mo.

"Shixiu, you're here." Madam Mo waved at him. "Come and take a seat. Xiao Ya and I have been waiting for you for a long time. Why did you take so long to come? Was there a traffic jam?"

Mo Shixiu stood at the door for a few seconds. He looked at the strange woman sitting beside Madam Mo and frowned. "Why is there someone else here?"

"This isn't anyone else. This is Miss Tang Ya." Madam Mo also glanced at Tang Ya sitting next to her, then turned back and said with a smile, "She's a new friend of mine. Xiao Ya is traveling in Yun Cheng. We met at a cafe, and after chatting, we became friends because we hit it off very well."

Mo Shixiu took another look at Tang Ya and said coldly, "I see. Hello, Miss Tang."

"Hello, Mr. Mo." Tang Ya's eyes flickered. She stood up and extended a hand to him. "It's nice to meet you. I've heard a lot about you from Madam Mo. Seeing is better than hearing a hundred times. As Madam Mo said, Mr. Mo is indeed an outstanding person."

Mo Shixiu looked at Tang Ya's outstretched hand, but he didn't intend to shake it. He just nodded.

Tang Ya was stunned for a second, then withdrew her hand.

"Mom, why are you looking for me so urgently?" Mo Shixiu stood at the door and asked.

"Can't I look for you for no reason? As a mother, I miss my son. Can't I see him?" Madam Mo saw that he was still standing there and said unhappily, "Why are you still standing at the door? Come in quickly. Are you going to just stand there as I talk to you?"

Mo Shixiu hesitated for a moment before walking in.

Madam Mo took the menu on the table and handed it to Tang Ya. "Xiao Ya, take a look at what you like to eat. You must be hungry after waiting for so long."

"Ma'am, you can order the dishes. I don't have any dietary restrictions. I can eat anything." Tang Ya pushed the menu back.

"Shixiu and I don't have any restrictions on food, so it's better for you to order. The food here is different from foreign food, after all. You might not like what we order, so you can order what you like. After you've ordered, we'll place our order."

"I see... Alright, then. I won't stand on ceremony."

Tang Ya took the menu and flipped through it for a while before returning it to her.

Madam Mo took the menu and ordered a few dishes before passing it to Mo Shixiu.

Mo Shixiu did not take it. "I'm not hungry. Luoli and I have already eaten together."

Hearing that he was with Jiang Luoli, Madam Mo's expression changed.

"Were you with Jiang Luoli when I called you?"

Mo Shixiu looked straight at her. "Yes."

Madam Mo's expression turned even uglier. "Are you still dating her? Shixiu, if you find this kind of poor girl from a small family to be fresh and want to play with her, I won't object to it. However, if she doesn't know her own identity because of this and has any extravagant hopes because you treat her better, then there's no need to keep her."

Chapter 1873: The Mo Family's Bloodline Was Influenced Just Like That

"She's the lover I consider my marriage partner. I never wanted to be separated from her."

"Married?" Madam Mo's expression sank. "Do you know what the Jiang Family is like? With her background, how could she be worthy of you? I don't know what kind of bewitching potion she fed you, but you can't marry her."

"I won't agree, and neither will your father!"

"Mom, my life's important matters are not decided by others." Mo Shixiu looked at Madam Mo's angry face and said calmly, "I've already told Dad about me and Luoli. He has no objections."

"I wanted to bring Luoli home tonight to tell you about this. Now that we have met, I will tell you in advance." Mo Shixiu paused and looked straight at Madam Mo. He said word by word, "Mom, I'm already married to Luoli, and she's pregnant with my child. She's pregnant with your grandson. I hope you will not be so harsh to her."

"You, what did you say..." Madam Mo's eyes widened in shock.

"Luoli is pregnant, and we've already registered our marriage. Tonight, I'll bring her home to meet Dad and Grandma and to discuss the wedding. It'd be good if you can accept her, but it doesn't matter if you don't. I've already decided on her."

"Married... pregnant..." Madam Mo's face was filled with disbelief. "You actually registered your marriage with her and even made her pregnant with your child. Did she use some tricks to..."

"This has nothing to do with Luoli." Mo Shixiu frowned and interrupted her. "I'm the one who wants to get married, and I'm also the one who wants her to give birth to the child. She doesn't want to get married so early and have children. She didn't do anything to me. I did everything willingly."

Madam Mo was elated when she heard that she had a grandson.

If Jiang Luoli gave birth to the baby, the child would be her first grandchild.

She didn't like her.

However, the baby in Jiang Luoli's stomach was of the Mo Family's bloodline, so Madam Mo naturally liked her grandchild.

However, when she thought of the fact that Jiang Luoli was the one who was pregnant, her happiness was instantly reduced by half.

The one pregnant with her grandchild was a lowly woman.

The Mo Family's bloodline was affected just like that.

"She doesn't want to get married too early and have children? Is that what she told you? And you believed her?" Madam Mo was so angry that her face turned black. "You can't even differentiate this kind of low-level method of playing hard to get?"

"Even if she really doesn't want to get married and have children too early, is there a girl who doesn't want to join our Mo Family? You believe everything she says. When did you become so gullible?"

"You're really something. How can you do such a big thing without saying anything? Do you still care about your parents? Your brother is like this, and now you're like this too. Are you trying to piss me off?"

"I don't agree to your marriage with her! Divorce her immediately!" Madam Mo was very agitated and shouted until she was hoarse.

Mo Shixiu looked at her in confusion. "Mom, Luoli is pregnant with my child. You want me to divorce her now?"

"The child can stay, that's the Mo family's bloodline. But I will not accept her. Give her a sum of money and let her give birth to the child. However, she can't enter the Mo Family based on the child. I will not allow such a scheming woman to enter the family."

Chapter 1874: How Can I Relax?

"I won't let such a woman be my daughter-in-law."

"Then, I'm sorry." Mo Shixiu's expression turned cold. "She has already married me and entered the Mo Family. It's impossible for me to divorce her. Mom, I just feel that as my mother, I should let you know about my marriage. But I'm not asking for your opinion or letting you decide whether my marriage should continue or not."

"Whether you agree or not, I will be with Luoli."

"Since you can't accept it, it looks like we have nothing else to say. I still have something on, I'll take my leave first."

After saying that, he got up and left.

"Mo Shixiu, stop right there." Madam Mo's hoarse voice came from behind. "If you don't divorce Jiang Luoli, we will break all ties! I will pretend that I never gave birth to a son like you!"

Mo Shixiu paused for a few seconds.

Just when Madam Mo thought that he had given in and was feeling a little happy, she heard his cold voice. "If you must do this, then so be it."

With that, he left the private room without looking back.

"I'm so angry, so angry." Madam Mo looked at his back view as he left without any hesitation. She was so angry that her whole body trembled and tears fell down her face. She cried sadly. "That woman actually tricked him into marrying her. Why am I so unlucky? One son is like this, and the other is the same."

"Is God punishing me? But I didn't do anything bad, so why is He doing this to me? Why am I so unlucky?"

"It's ruined, it's all ruined. What hope do I have now? I don't want to live anymore..."

Tang Ya looked coldly at Madam Mo crying miserably. After a while, her expression changed and she put her hand on her shoulder to comfort her. "Madam Mo, don't be sad. It's already decided. It's useless for you to be sad now."

"You can relax and slowly accept this. Just now, Mr. Mo also said that Miss Jiang is already pregnant. Even if you can't accept her, the child in her stomach is of the Mo Family's bloodline. You can't reject it, right?"

"Relax?"

Madam Mo raised her head. Her eyes were still red, but her gaze was sharp as she said, "How can I be at ease? These poor people from small families are so obsessed with marrying into a rich family to change

their identities. They're willing to do anything. Shixiu was deceived. I can't watch him continue being deceived by that poor girl.

"I can't let such a scheming person into my family."

Hearing that, Tang Ya clenched her fists and a cold gleam flickered across her eyes.

When she looked at Madam Mo, her expression was very gentle. "Yes, I can understand Madam's feelings. If it were me, I would probably be very angry too. However, the matter has already been set in stone. There's no use even if I'm angry. On the other hand, if Madam were to get angry because of this matter, wouldn't the gains outweigh the losses?"

"I think Mr. Mo is a very opinionated person. If Madam wants him to listen to you with just a few words, I'm afraid it's impossible."

"Then, what else can I do?" Madam Mo wiped the tears at the corner of her eyes. "He's not a child anymore. Do you think I can still do anything to him? I didn't expect him to be as irrational as his younger brother."

Chapter 1875: Hide Her Somewhere

"Sigh, there's only one way to resolve this matter. But Madam definitely won't bear to do that."

"What is it?" Madam Mo immediately grabbed Tang Ya's hand and asked anxiously, "Xiao Ya, tell me, what can I do to make that poor girl leave Shixiu? As long as she leaves him, I'll do anything."

"Well..." Tang Ya hesitated. "Forget it, I don't want to say it. I don't want to ruin Madam's relationship with Mr. Mo, nor do I want Madam to do something evil."

"Something evil?" Madam Mo was stunned. Then, she seemed to have thought of something and her expression changed. "Xiao Ya, what exactly are you talking about? I only trust you now. Don't have any scruples. Tell me everything you think of. Whether I do it or not, it's up to me. It has nothing to do with you."

"No matter what happens in the end, I won't blame you."

"Madam..." Tang Ya bit the corner of her lower lip. "I think Mr. Mo's sudden marriage with Miss Jiang has a lot to do with her pregnancy. If Miss Jiang didn't have a child, Mr. Mo wouldn't have gotten married so early. I can tell that Mr. Mo is a very responsible person. When the child is born, I'm afraid he won't let Miss Jiang and the child leave him."

"So, if Madam really wants them to separate, then we can't let that child be born. But... that's the Mo Family's bloodline, and the child is innocent, so I don't recommend Madam to do this. I think... Madam won't be able to be so ruthless."

Madam Mo wasn't surprised by Tang Ya's words.

Because she had already thought about it.

She was silent for a long time.

If it was to deal with Jiang Luoli, she had no hesitation.

But now, Jiang Luoli was pregnant with the Mo Family's bloodline.

No matter how much Madam Mo disliked her, she couldn't bear to do something like harming her own bloodline.

After a moment of hesitation, Tang Ya said gently, "Madam, just pretend that I didn't say anything. I think you should accept Miss Jiang slowly. I think Mr. Mo really likes her. If you touch Miss Jiang, your relationship with your son will be affected.

"I wasn't thinking clearly just now, that's why I said some things I shouldn't have. Madam, don't take it to heart. This matter will end here."

Madam Mo hadn't made up her mind to get rid of the child.

However, she couldn't accept Jiang Luoli just like that.

She hated her deeply.

"Accept that poor girl? That's impossible in this lifetime. She's pregnant with the Mo family's bloodline, so the child cannot be touched. However, I will never accept her being together with Shixiu."

Tang Ya stayed silent for a while and then hesitantly said, "Madam, there's another way."

"What way?"

"If Madam wants to keep the child, it's not impossible. Find a place to hide her so that Mr. Mo can't find her. Then, get someone to watch over her and wait for her to give birth. As for how to deal with the child after its born, that will depend on Madam."

Madam Mo was stunned. She raised her head abruptly and her eyes lit up. "Xiao Ya, your idea is not bad. This way, not only can we separate her from Shixiu, but we can also let her give birth to our Mo family's bloodline."

Chapter 1876: For Shixiu's Sake, I Can Bear With It

Tang Ya smiled. "Send her to a remote area overseas. Once she leaves Yun Cheng, Mr. Mo will definitely not be able to find her. Then, imprison her abroad for a few years before letting her go. After she and Mr. Mo are separated for a few years, there will be no more feelings between them.

"At that time, even if she came back and told Mr. Mo the truth, Mr. Mo wouldn't blame Madam anymore."

Madam Mo's eyes brightened.

She grabbed Tang Ya's hand excitedly. "Xiao Ya, this is a good idea. You're right. As long as I find a place to hide her and separate her from Shixiu for a few years, Shixiu won't have any more feelings for her.

"When the time comes, I'll let her go. Even if she meets Shixiu again, nothing will happen.

"At that time, Shixiu will have already remarried."

Tang Ya smiled. "Yes, Madam. Mr. Mo and Miss Jiang haven't known each other for a long time, and they are still in the honeymoon phase of their relationship, so Mr. Mo definitely can't bear to leave her.

If you insist on forcing them to break up at this time, it will only make Mr. Mo cherish this relationship more, and he will be even more reluctant to part with her.

"Furthermore, if you force Mr. Mo to divorce her like this, it will only cause Mr. Mo to have more complaints about you. This way, it will affect your relationship. Previously, Madam told me that your other son also developed a grudge against you because of this matter. The relationship between the two of you is no longer as good as before. If Mr. Mo also breaks up with Madam, wouldn't Madam lose more than she gains?"

"Madam is doing this for their own good, but it's not worth it for them to be dissatisfied with you and even lose their feelings for you.

"I think this is something that Madam doesn't want to see."

Madam Mo nodded. "You're right. It's not worth it to get into such a ruckus with my biological son over an unworthy woman. I was too impulsive previously. Shixiu must be very unhappy with me now. Sigh, I should have listened to you. I shouldn't have lost my temper and said that to him."

"Madam, don't worry," Tang Ya said softly. "No matter what, you're Mr. Mo's biological mother. Your mother-and-son relationship will never change. Even if Mr. Mo has something against you now, he won't keep treating you coldly because of this matter.

"I think as long as Madam is willing to lower your head, Mr. Mo won't say anything."

"Lower my head?" Madam Mo's expression changed slightly. "Are you asking me to lower my head to that poor girl?"

"Madam, I know this is difficult, but for Mr. Mo's sake, you should bear with it."

Madam Mo's expression was ugly and she remained silent for a moment. She then nodded unwillingly. "For Shixiu's sake, I can bear with it."

"Didn't Mr. Mo say that he would bring her home tonight? Madam, you should buy a present or something and give it to her. This way, you can make peace with her. Madam, if you show your attitude, Mr. Mo won't say anything."

"Thank goodness I have you by my side, Xiao Ya." Madam Mo held Tang Ya's hand gratefully.

"Otherwise, I wouldn't know what to do. How can I thank you for solving such a big problem for me?"

"Madam is too polite. Madam treats me as a friend. I also treat Madam as a friend."

"But I don't want you to treat me as a friend." Madam Mo looked at her with admiration and said, "How great would it be if you were my daughter-in-law. You and Shixiu both have similar personalities. If the two of you could be together, you would definitely be a good match."

Chapter 1877: Sister Mianmian, What Are You Doing?

"I originally wanted to introduce Shixiu to you, but I didn't expect that scheming woman to trick him into getting married." Madam Mo's eyes were filled with regret.

Tang Ya paused for a second and then said with a smile, "Mr. Mo is an excellent man. I'm willing to be his friend."

In other words, she had never thought of developing a relationship with Mo Shixiu.

Madam Mo naturally understood.

She sighed regretfully. "It seems that Shixiu doesn't have this fortune."

But in her heart, her admiration for Tang Ya increased.

She was even more certain that Tang Ya's background must be extraordinary.

Since Tang Ya knew Mo Shixiu's identity, it was obvious that she liked him. Other women wouldn't be able to refuse him.

They were all eager to marry into the Mo Family.

Tang Ya had no intention to do that.

...

Near noon.

Qiao Mianmian brought her team to the market to pick out the ingredients for the students' meal.

They returned with bags of groceries.

Although the production team only gave them fifty yuan, the things they bought were worth far more.

It was all thanks to the new celebrities' excellent looks. They managed to get a lot of discounts with their looks and were even given many extra products by the shop owners.

The 50-yuan lunch was finally settled.

The group split up and worked together.

Qiao Mianmian asked Zhan Bo to wash the vegetables, then asked Su Mufei and Ren Jun to pick up some firewood.

The school canteen used a wood-burning stove to cook the twenty-something students' meals. The firewood in the canteen alone was not enough.

She took out a packet of flour and prepared to make fried onion pancakes.

The flour was cheap. With some green onions, it could be fried into a very delicious onion pancake. Moreover, the pancake could easily fill the stomach.

This could be considered a dish.

Two more vegetable dishes, one meat dish, and a soup were enough for the students' lunch.

Before Zhan Bo, Su Mufei, and the other new celebrities debuted, they were pampered at home. Not many of them knew how to do household chores.

However, they were all willing to be ordered around by Qiao Mianmian. Once she was done, they all went to do their own things.

This was Qiao Mianmian's first time cooking for so many people.

She had picked up some simple home-cooked dishes. Vinegar cabbage, tofu, potato roasted meat, and salad pork skin.

The pork skin was cheap and the boss gave her a discount. She could use it to make a meat dish.

Qiao Mianmian had just finished frying the pancakes when Zhan Bo and the rest came in and smelled the fragrance.

"Wow, it smells so good. Sister Mianmian, what are you doing?" Su Mufei sniffed and walked to the stove.

The onion pancake had just been cooked and was still steaming. The fragrance of the green onion spread out, and Su Mufei couldn't help but swallow his saliva.

"I'm frying an onion pancake. It's just been fried. Do you guys want to try it?" Qiao Mianmian said as she picked up an onion pancake with her chopsticks and handed it to him. "It's a little hot, be careful."

Su Mufei and Ren Jun picked up firewood in the mountain for an hour. Not used to so much physical work, he was already hungry. Not standing on ceremony, he took the pancake.

He took a big bite.

"Wow, it's delicious." At this moment, his usual refined appearance was nowhere to be seen.

Chapter 1878: Is That Qiao Mianmian's Boyfriend?

He felt like he had just eaten a delicious scallion pancake. "Sister Mianmian, you're too awesome. Why do I feel like you know how to do everything? It's so blissful to be in the same group as you. There's always good food to eat."

Qiao Mianmian picked up a few scallion pancakes from the pot and placed them on a plate. "I made more. If you're hungry, you can have some first."

"What about you?" Zhan Bo took it over and didn't stand on ceremony as he reached out to take a piece.

"I still have a few dishes to prepare. You guys can leave first. I'll call you when I'm done."

Qiao Mianmian had just finished speaking when a staff member walked into the kitchen. When he saw her, he immediately said, "Miss Qiao, your family is looking for you. He's waiting for you in your room and wants you to go back immediately."

Qiao Mianmian looked at the staff member doubtfully. "My family came to look for me? Are you sure you didn't inform the wrong person?"

"I'm sure," the staff said with certainty.

Could it be that Qiao Chen was looking for her?

Or did Bai Yusheng or Mother Bai come looking for her?

Qiao Mianmian wasn't with her phone, so she guessed that it could only be the three of them.

And Mother Bai was the most likely one.

Because she had told Mother Bai where she was going before she came over.

At that time, Mother Bai's heart ached so much that she didn't want her to participate in the show.

Qiao Mianmian thought about it and nodded. "Alright, I'll be right there. But I haven't cooked for the students yet, this place..."

"We've already arranged for someone to prepare this meal. Miss Qiao, don't worry."

Qiao Mianmian was stunned.

Would the program team be so kind?

They found someone to help her complete her mission?

Although she was a little puzzled, she still nodded. "Alright. Then, I'll be troubling you."

After speaking, she turned to Zhan Bo and the others. "I need to leave for a period of time. Zhan Bo, I'll leave the position of team leader to you for the time being. You'll handle the rest."

Zhan Bo nodded. "Mm, quickly go see your family."

Everyone was envious of Qiao Mianmian's family visiting her.

She left after giving her instructions.

...

At the same time.

The quiet courtyard became much livelier with the new arrival.

"Is that Qiao Mianmian's boyfriend?" Song Ke, Qiao Anxin, and the rest looked at the closed door. They were still in a daze.

They never knew that such a man existed in real life.

That face was as handsome as a god.

He was like a high and mighty god, making people feel that he was beyond reach.

Song Ke was in the entertainment industry, so she naturally had no lack of good-looking men around her.

However, the men she knew and interacted with in the industry were not even a tenth of that man.

It wasn't just the difference in appearance, but also the temperament and elegance.

One look at that man and one could tell that he was very prominent and distinguished.

Song Ke knew that Qiao Mianmian had a boyfriend, but she never expected him to be so young and handsome.

Qiao Anxin turned to look at her. Seeing her infatuated expression, she said unhappily, "Yeah."

Qiao Anxin liked Mo Yesi.

Naturally, she didn't like seeing other women fall for him.

"Qiao Mianmian is actually so lucky." Song Ke's tone was full of envy and jealousy. "She actually found a handsome and rich boyfriend. But I don't think this man is sincere towards her. Maybe he's just playing with her because she's pretty."

Chapter 1879: She Definitely Didn't Have This Treatment

Because her sugar daddy had once said that Qiao Mianmian's backer was someone they couldn't afford to offend.

He wanted her to stop finding trouble with Qiao Mianmian.

But Song Ke felt that her sugar daddy had overestimated Qiao Mianmian's status, so she didn't take his words seriously.

A truly rich and powerful family would never find a female celebrity from the entertainment industry to be a proper girlfriend and marry her.

Even though she had a sugar daddy, the two of them had a shady relationship.

She felt that Qiao Mianmian was the same.

Qiao Anxin pursed her lips and said nothing.

If Qiao Mianmian wasn't the daughter of the Bai family now, she would think so too.

"Anxin, do you know her boyfriend? Do you know what he does?"

After a while, Song Ke retracted her gaze.

However, her thoughts were wandering and she could not take them back.

Even though she felt that she and Qiao Mianmian had the same status and were both relying on the rich, she was still a little jealous of her.

Not only was her sugar daddy old, but he was also plump and bald.

Who wouldn't want to choose a man like Qiao Mianmian's boyfriend as their sponsor?

Even if she paid for it, she would not lose out.

If not for resources, who would want to be with a pig-headed man?

"Yes." Qiao Anxin slowly retracted her gaze from the tightly shut door. Her thoughts were even more fleeting than Song Ke's. "But we're not close. I don't know what he does."

Song Ke was already so smitten.

If she knew Mo Yesi's identity, she would probably try to seduce him.

Qiao Anxin didn't want to create a love rival for herself.

"You don't know? Isn't Qiao Mianmian your sister? Don't you know what your sister's boyfriend does?"

"Qiao Mianmian and I are indeed sisters, but we're not on good terms anymore. I don't even know about her."

Song Ke remembered that Qiao Anxin and Qiao Mianmian had fought on Weibo before, so she didn't say anything.

The other female staff members were still discussing excitedly. "Wow, that man is Qiao Mianmian's boyfriend? I finally got to see him in person. He's super handsome."

"Yeah, he's so handsome. He looks at least ten times better in person than in the photos. He has a great figure and looks. I think he's even more handsome than those male celebrities in the entertainment industry who rely on looks to make a living. Qiao Mianmian is so lucky to have such a handsome boyfriend."

"Not only is he handsome, but he's also very rich. Did you guys hear? The production team suddenly received 500 million yuan in sponsorship yesterday. It was sponsored by her boyfriend. This should be for Qiao Mianmian. Her boyfriend treats her really well and is very generous."

"Boohoo, I'm so envious. What kind of godly boyfriend is this? He's handsome, rich, and so generous to her. I'm so envious."

Qiao Anxin heard their discussion and her expression darkened. She clenched her fists.

Mo Yesi even parted with so much money to sponsor the show for Qiao Mianmian.

He even came here personally to see her...

She had never received such treatment.

Even if she hadn't broken up with Su Ze, he wouldn't let go of his matters and come here to see her.

Qiao Anxin felt even more upset.

She felt as if worms were gnawing at her heart. It was unbearable.

Chapter 1880: Take It Away, I Don't Need It

Her uncontrollable jealousy made her hate Qiao Mianmian even more.

Qiao Mianmian now had everything she wanted.

Identity, status, career, love...

What made Qiao Anxin most jealous was that she had Mo Yesi's love.

This was something she had dreamed of but could not obtain.

If she could have Mo Yesi's love, if she could have this man...

Even if she were to die immediately, she would not have any regrets.

"I'm a little tired. I'll go back to my room to rest first."

Qiao Anxin glanced at the closed door again and returned to her room.

Song Ke stood at the same spot for a while before also returning to her room.

After a while, the door to Qiao Anxin's room opened.

She walked out of the room with a cup of tea. After standing there for a few seconds, she went to Qiao Mianmian's room with the tea.

She hesitated for a few seconds before knocking on the door.

After a while, the door opened.

Qiao Anxin looked up and saw the man's tall figure and handsome face hidden in the shadows. Her heartbeat accelerated uncontrollably.

She bit her lip, her voice trembling slightly as she handed over the teacup in her hand. "M-Mr. Mo, this is the tea I just brewed. It's such a hot day, you should drink some tea."

Mo Yesi's expression turned cold when he saw that it was her. "Take it away. I don't need it."

With that, he closed the door.

"Mr. Mo." Qiao Anxin looked at his cold expression and felt angry and sad. She didn't want to miss such a good opportunity, so she hurriedly said, "Are you waiting for Sister? Sister should be back in a while. There's nothing here. Mr. Mo must be bored staying in the room alone."

"Why don't I go out with you? We can shop while waiting for Sister to come back."

"The scenery around this village is not bad. We..."

"What are you?"

The moment the man's cold and disdainful voice sounded, Qiao Anxin felt a gust of cold air rush towards her.

It was so cold that she almost shivered.

Stunned, she looked up in shock. The moment her eyes met Mo Yesi's, she felt as if she was wrapped in cold air. Her body stiffened and she couldn't move.

The cold air seemed to seep into her bones.

She opened her mouth, but no words came out.

"Mr. Mo, I, I..."

"Stay away from me, you're an eyesore. Mianmian isn't your sister, you don't deserve to call her that. A woman like you makes me feel disgusted. You're not even a fraction of Mianmian. You think I'll fall for your tricks just because you're flirting with me?"

Mo Yesi's every word was extremely harsh.

He did not leave her any face.

When he saw that she was still standing there, his face darkened and he said with a gloomy expression, "You don't understand? Get lost now."

Qiao Anxin's face turned pale.

She was shocked by Mo Yesi's reaction.

She had just been dealt a heavy blow by his merciless words.

He said that she couldn't even compare to Qiao Mianmian.

Was Qiao Mianmian really that good to him?

Qiao Anxin didn't believe that there was no man she couldn't conquer.

Back then, wasn't Su Ze very serious and honest at the start, acting like a good man?

Wasn't he more resistant to her approach?

But what happened in the end?
