Chapter 2301: She Was a Little Afraid of Facing Others

Jiang Luoli looked at him and smiled sweetly. "I wanted to see your attitude, and you showed me."

Mo Shixiu looked at her for a while and sighed softly. He looked a little defeated. "I just never thought that I wouldn't be able to do such a simple thing. I even said that I would take good care of you and our child."

"It's not a conflict. It's not important whether you know how to cook or not. It's fine as long as you have the ability to earn money to support your family. With money, you can solve 99% of your daily problems.

"So, as long as you have the ability to earn money, it's fine. The other additional life skills are bonus points. It doesn't matter if you have them or not."

Mo Shixiu smiled. "Mm, it's not a problem to earn money. It's enough for our family to live a good life."

Sister Lin walked over unhappily.

"Mister, Young Madam."

"Sister Lin, what's the matter?" Mo Shixiu looked up at her.

"Yes." Sister Lin nodded. "The old house called just now. They said to get Mister and Young Madam to go back now. They said it's urgent."

Sister Lin had already guessed it.

The most important thing was probably about Mo Shixiu's withdrawal from the election.

This was indeed an important matter.

Because of this, Madam Mo came here and caused a huge ruckus. In the end, it caused the relationship between mother and son to deteriorate.

She definitely wouldn't accept it.

The entire Mo family had always been concerned about Mo Shixiu's election. Since he dropped out, it was impossible for them not to ask about it.

Mo Shixiu and Jiang Luoli thought about it too.

Jiang Luoli looked uneasy.

Although Mo Shixiu repeatedly told her that he didn't withdraw from the election because of her, she knew that it was mostly because of her.

Jiang Luoli wasn't afraid of Madam Mo.

Because she didn't care about her at all.

But she was afraid of facing others.

Mo Shixiu sensed her uneasiness and nervousness. He held her hand and said gently, "Don't be afraid. Grandma and the rest will definitely ask about this. I'll explain the reason to them."

Jiang Luoli still looked uneasy. "Mo Shixiu, will Dad and Grandma blame me?"

Old Madam and Mo Yunchen treated her pretty well.

Jiang Luoli didn't want them to hate her too.

"No." Mo Shixiu comforted her. "Dad and Grandma are very reasonable people. As long as there's a reasonable reason, they will accept it. In any case, you don't have to be afraid. Don't worry and come back with me. No one will make things difficult for you."

Jiang Luoli felt uneasy.

But she had no choice.

No matter what happened later, she had to face it.

Mo Shixiu was with her.

She believed that he would protect her no matter what.

She nodded after a moment of hesitation. "Mm, let's go back."

...

At the Mo Residence.

Jiang Luoli walked into the hall with Mo Shixiu arm in arm and felt that the atmosphere was a little heavy.

She saw that Qiao Mianmian and Mo Yesi were there too.

Madam Mo was sitting beside Mo Yunchen. When she saw her, her face darkened and she glared at her.

"Old Madam, Young Master and Young Madam are back." Uncle Zhang stood beside Old Madam.

Old Madam looked up.

Chapter 2302: Shouldn't You Give Us an Explanation?

Jiang Luoli saw that Old Madam's expression wasn't too good. Her gaze wasn't as loving and gentle as before.

Although it wasn't cold, Jiang Luoli could feel that Old Madam's attitude towards her wasn't so good anymore.

Jiang Luoli's uneasiness deepened when she felt the anger in her eyes.

Old Madam should be very angry about Mo Shixiu's withdrawal from the election.

Mo Shixiu squeezed her palm and held her waist as he walked forward. He smiled and said to the Old Madam, "Grandma, what happened? Why are Ah Si and Sister-in-law back too?"

Old Madam was very angry.

Seeing that he was acting as if nothing had happened and asking her what was wrong, she got even angrier. "You're asking me what happened? Don't you know? Shixiu, shouldn't you give us an explanation? Why did you withdraw from the election?"

"We have prepared for so many years. It's almost certain that you'll be chosen. Why did you make such a choice at this juncture?"

"Do you know how much this will affect the Mo family?"

Mo Shixiu smiled when he heard the Old Madam's angry words. "So, Grandma is talking about this. I thought something bad had happened at home."

"Isn't this a bad thing?" Old Madam was furious.

"Grandma, don't be angry. Calm down first." Mo Shixiu's tone was still calm. "Grandma should know that I have a reason for doing everything since I was young.

"It's the same for quitting the election this time. I have my considerations. I feel that doing this, whether it's for me or the entire Mo family, isn't a bad thing."

"If everyone finds out that you've withdrawn from the election, they'll think that something has happened to our Mo family. By then, the Mo Corporation's stock price will drop. Tell me, how is this not a bad thing?"

"As long as Grandma trusts me, I'll give Grandma an explanation."

Mo Shixiu didn't say much. He looked at the group of people sitting in the living room, paused, and said, "Grandma, Luoli usually sleeps at this time. She's tired now and needs rest. I'll take her upstairs first and explain to you later, alright?"

Old Madam saw that Jiang Luoli was standing there with her belly sticking out and looking tired. She kept quiet for a while and nodded. "Alright, take her up to rest first."

No matter what, Jiang Luoli was carrying the Mo family's bloodline.

She had to let her rest.

"Luoli, let's go," Mo Shixiu said. "Go upstairs and rest."

Jiang Luoli knew that he didn't want her to feel aggrieved.

He had said before that he would solve all the problems alone.

She didn't have to do anything.

Jiang Luoli nodded and bit her lip. "Grandma, I'll go upstairs first."

"Mm, go on." Old Madam's tone was still calm, but she didn't criticize her or make things difficult for her.

Chapter 2303: But Did She Think About You?

Mo Shixiu hugged Jiang Luoli and turned around.

“Wait,” Madam Mo suddenly said.

Mo Shixiu frowned and turned to look at her coldly.

But Madam Mo didn’t look at him. Instead, she said coldly to Old Madam, “Mom, Shixiu withdrew from the election because of Jiang Luoli. She was the one who bewitched him to do this. It’s impossible for her to pretend that nothing happened.”

Mo Shixiu didn’t expect Madam Mo to still be unwilling to let Jiang Luoli off.

His eyes turned cold. “Mom, I’ve already told you that this has nothing to do with Luoli. She never asked me to withdraw from the election. I made this decision alone.”

“Ha.” Madam Mo sneered. “You’ve made so many preparations for this election. If it wasn’t for her, would you have left so easily? Shixiu, you’re my son. I know what kind of person you are. Can you swear that if it wasn’t for Jiang Luoli, would you still have dropped out of this election?”

“You’re very protective of her, but did she think for you?”

Madam Mo looked at the Old Madam agitatedly. “Mom, do you know that Shixiu actually wants to cut ties with me because of her? Such a woman is a source of trouble. She’ll only cause chaos in the family.

“I can’t tolerate her staying by Shixiu’s side.”

Old Madam frowned.

She wouldn’t believe Madam Mo completely, but she wasn’t completely unconvinced.

She knew her grandson very well.

His sudden withdrawal from the election was indeed surprising.

If it wasn’t because he valued her so much, he wouldn’t have done this.

This happened after Jiang Luoli got pregnant, so it wasn’t entirely impossible for Madam Mo to say that it had something to do with Jiang Luoli.

Old Madam liked Jiang Luoli.

But this liking was built on the premise that Jiang Luoli was obedient and sensible.

If her grandson’s future was really ruined because of her, Old Madam wouldn’t think that she was sensible anymore.

Moreover, if a man broke ties with his mother because of a woman, that woman wasn’t innocent.

At this thought, Old Madam’s eyes turned sharper. “Shixiu, what’s with what your mother said? You want to cut ties with her?”

Mo Shixiu kept quiet for a while.

A moment later, he looked at Madam Mo coldly and said, "Grandma, there's a reason for this. Since Mom told you that I want to cut ties with her, why didn't she tell you what she did at my house today?"

Old Madam also glanced at Madam Mo. "What did she do?"

Mo Shixiu pursed his lips and his eyes were cold. "She brought her bodyguards over and wanted to take Luoli away forcefully.

"She even slapped Luoli.

"Grandma, Luoli is my wife, and she's carrying my child. If anything happens to her child because of the shock, do you know how serious the consequences will be?"

Old Madam frowned.

Madam Mo cried and complained to her for a long time.

She cried about Mo Shixiu's withdrawal from the election and that Mo Shixiu wanted to cut ties with her because of Jiang Luoli. She didn't tell her what she'd done.

Hence, Old Madam was still on her side.

This was also why Jiang Luoli felt that Old Madam didn't treat her as well as before.

Chapter 2304: Don't Interfere!

Old Madam then realized that Jiang Luoli's face was a little swollen.

"Wenpei, is what Shixiu said true?" Old Madam's expression darkened. "Why did you bring your bodyguards to his home? Even if you're unhappy with Luoli, don't you know that she's pregnant now and can't be touched!"

"Mom, I..." Madam Mo panicked and quickly explained, "Mom, you've misunderstood me. I didn't do anything."

"I misunderstood you?" Old Madam was furious. "Tell me, how did I misunderstand you? Do you mean that Shixiu is lying?"

"No." Madam Mo's expression was awful. "Mom, I did bring people over, but that's because I wanted them to bring Jiang Luoli overseas. I don't think it's suitable to take care of her pregnancy in the country. It's much better overseas.

"I did it for her own good." Madam Mo lied. "She refused to cooperate and didn't appreciate my kindness. I had no choice but to get someone to take her away. As for that slap..."

Madam Mo bit her lip and turned to glare at Jiang Luoli. "She deserves it! That slap was to teach her a lesson. Don't interfere.

"Mom, shouldn't I hit her?" Madam Mo looked confident. "She did something wrong. So what if I'm teaching her a lesson as an elder? When I did something wrong when I was young, didn't you teach me a lesson as well?"

"Back then, you said that you have to be punished for doing something wrong. Am I wrong?"

Qiao Mianmian had long noticed the problem on Jiang Luoli's face.

Initially, she hadn't thought that she had been slapped.

After all, she felt that no matter how unhappy Madam Mo was with Jiang Luoli, she couldn't possibly lay a hand on her now that she was pregnant.

She didn't expect Madam Mo to slap her.

Qiao Mianmian couldn't control her anger anymore.

She let go of Mo Yesi's hand and walked towards Madam Mo under everyone's shocked gazes.

Madam Mo was stunned. "Qiao Mianmian, what are you doing?"

"Mom, you know that Luoli is pregnant, but you still hit her. What's your heart made of? How can you be so heartless? As an elder, it's fine if you don't love the younger generation, but Luoli is carrying Big Brother's child, your future grandson. How can you hit her?"

"You're too much!"

Madam Mo was stunned.

A few seconds later, her expression darkened. "You want to defend Jiang Luoli? Qiao Mianmian, I'm your mother-in-law, your elder. What kind of attitude is this!"

"This has nothing to do with you. Don't interfere!"

But Qiao Mianmian wasn't afraid of her at all.

Her heart ached at the thought of Jiang Luoli being slapped.

Her Luo Luo wasn't very happy in her original family.

Now, she finally had someone who doted on her and pampered her. Her days were finally getting better, but she was wronged by Madam Mo.

Chapter 2305: Let Qiao Mianmian Have Her Way!

Pregnant women were sensitive.

Madam Mo's slap must have made Jiang Luoli feel especially aggrieved.

Her face was so red and swollen, it was obvious how strong the slap was.

At this moment, Qiao Mianmian really hated Madam Mo.

This hatred was even greater than when Madam Mo stopped her from being with Mo Yesi.

Her best friend was being bullied. It was even more unbearable than her being bullied.

"Luoli is my best friend. Now that she's been bullied, this has something to do with me. If you don't behave like an elder, then we don't have to respect you."

After Qiao Mianmian said that, she turned around and looked straight at Old Madam. “Grandma, Luoli is my best friend, and we know each other the best. I can guarantee that Luoli wasn’t the one who asked Big Brother to do that. It’s not fair to blame everything on her.

“Grandma should know that the emotions of a pregnant woman are very important. Now that Luoli has suffered so much, someone is still holding her and refusing to let her go. They even want to hurt her. Grandma, you have to uphold justice for Luoli.

“Luoli was lucky this time. Nothing serious happened. If...” Qiao Mianmian took a deep breath and paused for a few seconds before saying, “If there’s a next time, if she isn’t so lucky, the consequences will be unimaginable.

“The last time, Luoli and Big Brother made it very clear that she wasn’t going overseas. But why does Mom keep insisting on her going overseas? I heard that Mom brought a group of bodyguards. Luoli was so scared that she hid in the study room. That group of bodyguards kept knocking on the door, trying to force it open.”

Qiao Mianmian got angrier as she spoke. “Mom said she’s doing this out of goodwill. But I really want to know, is it really good to scare a pregnant woman like this? What if the child suffers because of the shock?”

Madam Mo’s expression darkened with every question.

She felt that Qiao Mianmian wasn’t asking Old Madam, but her.

What angered Madam Mo the most was that Mo Yesi had no intention of stopping her.

He actually let Qiao Mianmian criticize her!

Jiang Luoli looked at Qiao Mianmian gratefully.

She felt that she had to be good friends with Qiao Mianmian in her next life.

Having such a confidant in life was enough.

Qiao Mianmian was definitely offending Madam Mo by helping her.

Old Madam’s frown deepened.

She could tell the seriousness of the matter.

Just as Qiao Mianmian said, pregnant women shouldn’t be frightened.

It was easy to get a shock.

She and Madam Mo were experienced people, so they definitely knew this.

Hence, what Old Madam hated was that she did it despite knowing the consequences.

Perhaps she didn’t care about Jiang Luoli’s pregnancy at all.

But it was more likely that she wanted Jiang Luoli’s child to suffer.

Thinking of the last possibility, Old Madam's eyes were filled with anger. She said sternly, "Wenpei, you're too much."

Chapter 2306: This Punishment Is Actually Considered Light

"I really didn't expect you to be so insensible. In the past, I turned a blind eye to your nonsense. I kept thinking that since you didn't cause too much trouble, I couldn't be bothered to bother about you. It seems like I was too lax with you previously that now you do things more and more overboard.

"You're ridiculously wrong this time."

"Mom, I..." Madam Mo wasn't willing to admit her mistake.

Before she could finish, Old Madam interrupted her angrily. "Shut up, what else do you have to say? I've tolerated you so many times, I won't tolerate you anymore."

Madam Mo's expression changed.

Mo Yunchen's expression changed as well. He quickly tried to defend his wife. "Mom—"

"Shut up." Old Madam was angry now, and her own son wasn't good at it. "You're responsible for her current state. If you hadn't protected and indulged her, would she have become like this?"

"I told you long ago that women can be pampered, but not too much. As long as you listen to a few words, Shangguan Wenpei won't rely on your love to do things more and more fearlessly."

Mo Yunchen's face turned pale.

He didn't dare to retort.

Old Madam continued to scold him angrily. "You can't afford to continue to pamper her. If you do, you'll be harming her. Your wife is yours, and you're the one who pampered her. Now that this happened, you can't escape the responsibility.

"Take your wife back to your room and reflect on yourself. Come out when she realizes her mistake. If she doesn't, then stay in the room and never come out again."

Madam Mo wasn't convinced.

She yelled, "Mom, this isn't fair. Everything I did was for Shixiu and the Mo family's sake. Why don't you punish Jiang Luoli but me?"

"You're biased."

The Old Madam looked at her coldly. "You almost made a huge mistake. If I don't punish you, I don't know what else you'll do next time. I think you're just too agitated and can't calm down. I'll get Uncle Zhang to give you a Buddhist scripture later. You'll reflect on your mistakes behind closed doors for the time being and copy it for me."

"What?" Madam Mo widened her eyes.

Old Madam continued, "Copy it for now. If you still don't realize your mistake, then copy a few more times. Alright, go back to your room. I don't want to see you now."

This punishment was already considered light.

But Madam Mo still couldn't accept it.

She was the mistress of the house.

Now, she was being punished in front of so many servants.

If she accepted her punishment, she wouldn't have the face to stay in this house anymore.

Moreover, if she did, Jiang Luoli would be so smug.

She couldn't lose face in front of this vixen.

Madam Mo stood still and pointed at Jiang Luoli. "What about her? Since she has done something wrong, how do you plan to punish her?"

"This has nothing to do with you," Old Madam said angrily. "I told you to go back to your room and reflect, did you hear me? Is it because my words are useless now?"

Chapter 2307: Are They All Crazy?

Madam Mo looked stubborn. "Mom, this isn't fair. If you punish me, you have to punish her too. Otherwise, you're being biased."

Furious, Old Madam threw her walking stick at her.

Mo Yunchen quickly pulled Madam Mo aside, and the walking stick slammed on the spot where she was standing.

"Mom, don't be angry. Don't hurt yourself." Mo Yunchen saw that the Old Madam was so angry that her chest was heaving up and down. He grabbed Madam Mo and stood aside. He lowered his head and said to her, "Wenpei, don't make trouble anymore. Don't anger Mom."

"Mo Yunchen, what do you mean!" Madam Mo was usually spoiled by him and had never suffered any grievances. Now that he criticized her, she felt extremely aggrieved.

She pushed him away and glared at him. "What do you mean? Your son's future is ruined because of that woman. Aren't you going to say something?"

Mo Yunchen took two steps back and frowned. "I believe Shixiu will give me an explanation. Wenpei, no matter what, you did wrong. No matter what happened, you shouldn't have attacked Xiao Luo."

"Even you're on their side?" Madam Mo looked at him in disbelief. "Even you think I did something wrong. Mo Yunchen, are you still my husband? How could you do this to me!"

"Mo Yunchen, you bastard!"

Madam Mo was about to explode.

She realized that no one in the family was on her side.

Everyone was blaming her for her mistake.

Now, even her husband, who doted on her the most, said she was wrong.

At that moment, Madam Mo felt that she was a pitiful and helpless person.

The whole family was against her.

Were they crazy?

They were all on Jiang Luoli's side.

Madam Mo originally thought that she could force Jiang Luoli and Mo Shixiu to divorce because of Mo Shixiu's withdrawal.

She thought that Old Madam would definitely support her.

Because Old Madam valued this election.

With Old Madam's help, things would be more than halfway successful.

She had it all planned out.

But now, why did everything change?

Nothing went according to her plan...

Not only did no one support her, but she also became the target of public criticism.

How did it become like this!

Why!!

Mo Yunchen looked at her unreasonable behavior and frowned even more.

He thought that perhaps he really spoiled his wife.

He remembered that she wasn't like this before.

She had always been a gentle and considerate person.

Now, this Jieyu flower seemed to have changed into a different person. Besides her face, she looked completely different. She really didn't look like his kind and gentle wife at all.

His expression turned cold. "Wenpei, look at you now. What a disgrace! Mom is right. You really need to reflect on yourself."

"Mo Yunchen, what did you say?!"

Mo Yunchen went forward and grabbed her hand. "I'll take you to your room."

"No, no, I don't want..." Madam Mo struggled. "Mo Yunchen, what are you doing! Let go of me!"

Chapter 2308: How Did She Become Like This

"If you continue like this, I'll be embarrassed even if you don't." Mo Yunchen was angry too. He ignored her struggle and dragged her upstairs.

“Mo Yunchen, let go!

“Are you crazy? Let go of me, I don’t want to go up.

“Mo Yunchen, you jerk, let go of me! I didn’t do anything wrong. Everything I did was for the good of this family. You don’t believe me and even treat me like this. If you keep that jinx, you’ll only drag our Mo family down. You’ll regret it.

“Let go of me, let go of me...”

Madam Mo lost her image as she screamed and struggled.

Her hair was undone and came down, and her expression was distorted.

The housemaids were shocked.

Madam looked so scary.

It was as if she was crazy.

The Old Madam looked at Madam Mo and frowned even more. She shook her head and said, “What a scandal! The First Madam of the Mo family is actually making a fuss like a shrew. Thankfully, there are no outsiders here. Otherwise, the family’s face would be lost!

“How did she become like this?”

The Old Madam’s tone was full of dissatisfaction and anger. “This is all because of Yunchen. I’ve told him before that he can’t dote on his wife too much. Otherwise, this woman will become arrogant because of his pampering and will only become more and more insensible.

“If he’d listened to me earlier, would things have turned out this way?”

Old Madam looked at Qiao Mianmian and Jiang Luoli in warning.

Although she was blaming Madam Mo, these words seemed to be warning others.

She knew how much her grandsons doted on their wives.

Although her granddaughters-in-law hadn’t shown any signs of being insensible and disobedient, it was hard to guarantee that they wouldn’t become like Madam Mo in the future. That would be terrible.

The Mo family already had one Madam Mo, there couldn’t be a second or third one.

At this thought, the Old Madam’s expression turned serious. She swept a serious look at her grandsons and granddaughters standing in front of her and said, “Shixiu, Ah Si, you have to use your parents as a warning. In the future, you can’t let Luoli and Mianmian become like Wenpei. I’m old, and I don’t ask for much. I just want to live a peaceful life. If this happens again, my old bones won’t be able to take it.

“I don’t need you to be filial to me. I’m satisfied as long as my ears are clean.”

“Grandma.” Mo Shixiu looked down and said gently, “What are you talking about? I believe that both Luoli and Sister-in-law are sensible girls. What Grandma is worried about will never happen.

“Don’t think too much. Take good care of yourself. There are still many days to enjoy.”

“Yes.” Mo Yesi also said, “Grandma, when the child in Sister-in-law’s belly is born, won’t you have a great-grandchild? In a year or two, Mianmian and I will also give birth to a great-grandchild for you. At that time, you won’t even be able to carry the child.

“Why are you thinking about those bad things? You should think about happier things.”

Chapter 2309: No Second, No Third

Old Madam smiled at the mention of her great-grandchild.

“What’s the point of just saying it? You have to act on it.” Old Madam was in a better mood now. She smiled and glared at Mo Yesi. “I can definitely carry your Big Brother and Sister-in-law’s child. As for you and Mianmian...”

“Grandma, you can definitely get it too,” Mo Yesi said first. “This isn’t difficult. Do you think your grandson can’t even get a great-grandchild for you? Didn’t Mianmian tell you that we’ll definitely get you a great-grandchild within three years?

“You should practice with Big Brother and Sister-in-law’s child first. When Mianmian and my child is born, you’ll have more experience.”

“What experience?” Old Madam glared at him again, but there was a smile in her eyes, showing that she was in a good mood. “Isn’t my experience of taking care of your dad and second uncle enough? Moreover, in the future, whether it’s your brother’s child or yours, I’ll only help occasionally. You guys are the ones taking care of them.

“It’s best for the child to be by the parents’ side.”

“Yes, yes, yes.” Mo Yesi smiled. “We don’t have the guts to tire you out. So, Grandma, you have to keep your health. Only then will you have the energy to take care of your great-grandchild.”

“Alright.”

How could the Old Madam not know that her two grandsons were trying to make her happy?

Actually, she was rather happy without Madam Mo around.

She didn’t have anything to worry about.

Her two grandsons’ marriage was settled and a great-grandchild was on the way, and the Mo family’s business was getting better and better.

Everything was going well.

Although her life was peaceful, it was blissful and satisfying.

Besides Madam Mo causing trouble from time to time, she felt that her life was almost perfect.

But it was this that gave her a headache.

And this time, Madam Mo went overboard.

It was also the most infuriating one.

The thought of Madam Mo gave Old Madam a headache.

Thankfully, her two grandsons were obedient and knew how to make her happy.

“Forget it, let’s not talk about the unhappy things anymore.” Old Madam saw that her two grandsons were trying so hard to make her happy and didn’t want to harp on the unhappy things anymore. She said, “Shixiu, didn’t you say that Luoli is tired? Why aren’t you bringing her back to her room to rest?”

“Yes, Grandma. I’ll take Luoli to rest first. As for that matter, I’ll explain it to Grandma later.”

Old Madam nodded. “Go on, I’ll wait for you to give me a reasonable explanation.”

Mo Shixiu nodded and helped Jiang Luoli up.

After a while.

After Jiang Luoli and Mo Shixiu left, Old Madam looked at Qiao Mianmian and Mo Yesi and waved at them. “You don’t have to stay here anymore. Go do what you have to do.”

Qiao Mianmian hesitated for a while before asking softly, “Grandma, are you angry with me?”

Old Madam was stunned. “Angry at you?”

“Mm.” Qiao Mianmian nodded. “Grandma, do you think I was disrespecting my elders just now? I shouldn’t have spoken to Mom like that. But I...”

“You don’t have to explain it to me.”

Chapter 2310: Baby, Do You Want to Go?

Before she could finish, Old Madam interrupted her. “I’m not angry with you. Wenpei did wrong this time.”

“Grandma isn’t angry?” Qiao Mianmian was really afraid that Old Madam would be angry at her and think that she was rude and insensible.

After all, Old Madam had always been fond of her.

She liked Old Madam too.

She just wanted to be Old Madam’s little cutie.

She didn’t want to be hated by her.

“No.” Old Madam shook her head and sighed. “On the contrary, Grandma appreciates you standing up for your friend at this time. Grandma has very good friends too, so I can understand your feelings.”

Qiao Mianmian heaved a sigh of relief.

Thankfully, Old Madam didn’t think that she was disrespectful.

Although she felt that she was disrespecting her elders just now, she couldn’t bear to see her Luo Luo being bullied.

No matter who bullied her Luo Luo, she would step forward.

“Grandma, I still want to say something for Luo Luo.” Qiao Mianmian hesitated for a while before saying, “Grandma, I know Luo Luo very well. It’s impossible that she made Big Brother withdraw from the election. She got together with Big Brother after accepting his busy work. She isn’t a clingy girl and doesn’t need someone by her side all the time. She definitely won’t make Big Brother give up his work because of her.”

“Although I don’t know why Big Brother suddenly withdrew from the election, I’m sure that it wasn’t Luo Luo who made him leave.”

Qiao Mianmian was still afraid that Old Madam would think that Jiang Luoli affected Mo Shixiu’s future.

She knew that Jiang Luoli didn’t want to be hated by Old Madam.

Old Madam was silent for a while before nodding. “I’ll get Shixiu to clarify things. I won’t blame the wrong person.”

Qiao Mianmian wanted to continue, but Mo Yesi interrupted her.

“Alright, Mianmian.” Mo Yesi pulled her back and smiled. “Grandma is a very fair person. She won’t blame anyone. I believe that Big Brother will settle this, so let’s not worry too much.”

Qiao Mianmian nodded.

She also felt that Mo Shixiu should settle this.

He was Jiang Luoli’s husband.

It was up to him to protect his wife.

If he couldn’t settle this and still made Jiang Luoli suffer, she would suspect that he wasn’t a suitable husband.

After all, Jiang Luoli was still pregnant and had to suffer.

She might have to suffer a lot in the future.

At this thought, Qiao Mianmian decided not to interfere.

...

They left the Mo Residence.

At that moment, Qiao Mianmian didn’t want to return to Lu Shan Courtyard.

Just as she was debating where to go to kill time, Mo Yesi received a call from Yan Shaoqing.

He was on speaker.

Qiao Mianmian heard Yan Shaoqing’s playful voice. “Second Bro, you don’t have anything on tonight, right? Do you want to bring Sis-in-law over to play with us? Tell Sis-in-law that her brother is here too.”

Mo Yesi didn’t answer him. Instead, he turned to Qiao Mianmian and asked, “Baby, do you want to go?”

Before Qiao Mianmian could reply, she heard Yan Shaoqing say, “Tsk tsk, Second Bro, you’re really being controlled by Sis-in-law now.. You even have to ask for her permission to go anywhere.”
