Chapter 711: Man Do It Himself

Yun Yao said, "Of course, my words always carry weight."

Qin Shu slowly closed the laptop and stood up to look at the man on the sofa. "I believe that you, as the head of the family, will not speak without thinking."

Yun Yao glanced at Ling Shu's action of closing the laptop, it seemed casual, but it was full of threats.

He chuckled. "What you should be worried about now is how to fool him."

Qin Shu smiled.

..

Qin Shu and Fu Tingyu stayed in the Qingyun Manor and were led to the guest room by Seymour.

Yun Yao stared at the backs of the two of them as they left, deep in thought.

The Qingyun Manor occupied a large area, and the guest room was in the west wing.

Qin Shu followed Seymour to one of the guest rooms. "Mr. Ling, this is your room."

Seymour looked at the man beside Ling Shu, as he did not know his name, he said, "This gentleman's room is next door."

Fu Tingyu glanced at the room next door and was a little displeased.

Seymour said, "If you need anything, you can just ask, the maid is waiting outside, you can also come and look for me."

Qin Shu said, "Sorry to trouble Mr. Seymour."

"Mr. Ling is too polite. I'll take my leave then, if you need anything, feel free to call me."

After Seymour said that, he turned and left.

Fu Tingyu held the girl's hand and walked into one of the guest rooms, then he closed the door.

When there were no outsiders, Qin Shu took off her cap and stretched.

As she had used some brainpower earlier, now she could relax and she felt a little sleepy.

Fu Tingyu pulled the girl into his arms and sat on the mahogany sofa by the side. "Tired?"

Qin Shu nestled in the man's arms and leaned all her weight on him. "Yes, I want to sleep."

"Then sleep for a while." The man changed a comfortable position for her.

"Yes." Qin Shu nodded, but her chest was always feeling very stuffy and she didn't feel comfortable sleeping, she whispered, "Baby Yu, my chest is stuffy."

Stuffy chest?

The man looked and his gaze fell on the girl's chest, she was wearing men's clothing and a corset underneath.

"Let me help you untie it."

The girl let out a soft "Uh-huh."

The man untied the corset for her very gently, afraid of disturbing her sleep.

After the girl fell asleep, he carried her to the bed and laid her on the bed.

Although it was a guest room, the decoration was very exquisite.

The furniture was made of high-quality solid wood.

Seeing that the girl was sleeping soundly, he stood up and walked out.

Fu Tingyu didn't expose his identity this time, in addition, there was no photo of him in the news, unless they were familiar with each other, even if they saw him, they wouldn't be able to recognize him as Fu Tingyu of Jiangcheng.

After passing through the moon gate, two maids suddenly appeared in front of him, they looked delicate and slim.

"Sir, if you need anything, you can let us know," the maid said softly with a slightly blushed face.

"I want to go to the kitchen." Fu Tingyu's voice was cold and distant.

"Sir, if you need to eat anything, you can let us know." The maid lowered her head slightly.

Fu Tingyu directly refused, "No need, I can do it myself."

The maids were shocked when they heard that, they looked at each other and were a little puzzled.

Fu Tingyu, regardless of his looks, temperament, and manly charm, did not look like a person who would enter the kitchen.

"Sir, please follow me."

Fu Tingyu followed the maid out of the moon gate and all the way to the kitchen.

"Sir, this is the kitchen, the ingredients are all available inside, if you need anything, you can let us know," the maid said softly.

"Thank you." Fu Tingyu walked in. The kitchen was very big. The chefs inside were busy preparing lunch.

Fu Tingyu walked to the huge refrigerator, opened the door, and began to pick the ingredients.

The two maids stood behind Fu Tingyu and waited.

As Seymour had instructed that the two gentlemen who lived in the west wing were honored guests, they could not be neglected.

After picking the ingredients, he came to the sink and unbuttoned his cuffs with one hand, his movements were elegant and noble.

The maid took out an apron and handed it to Fu Tingyu, she asked in a low voice, "Sir, do you need an apron?"

Fu Tingyu turned and saw a dark blue apron, he took it and tied it around his waist.

"Sir, let us help you wash the vegetables." the maid glanced at the ingredients on the table and asked in a low voice.

"No need." Fu Tingyu rolled up his sleeves and began to wash the vegetables.

In the huge kitchen, due to Fu Tingyu's appearance, the busy chefs looked at him one by one.

Anyone could tell at a glance that he was not an ordinary person.

His hands were fair and slender, and the joints of his bones were distinct, anyone could tell at a glance that he is someone used to cooking.

"Who is that person?" The aunty who was picking vegetables by the side asked in a low voice.

"An honored guest of the manor," the maid replied in a low voice.

"Why does the honored guest wash the vegetables and cook by himself? He doesn't look like someone who knows how to cook."

"I'm not sure." The maid shook her head and looked at Fu Tingyu who was washing the vegetables, she was also very puzzled.

Fu Tingyu did not seem to hear what they were saying, he washed the ingredients and then cut the vegetables.

His knife skills had been practiced to perfection, the slices were slices, the strips were strips, and his speed was fast.

Not only the maid but even the chefs were dumbfounded.

The chef couldn't help but ask, "Are you a chef? You Don't look like a chef no matter how we look at it."

"No," Fu Tingyu said, his hand movements were not sloppy at all, after a while, he finished cutting the shredded potatoes.

The chef was shocked again, he was not a chef, but he had such good knife skills?

Back when he was an apprentice, he had to cut countless potatoes before he could cut the potatoes evenly.

There were more than ten stoves in the kitchen, although it was lunchtime, there were still a few empty stoves.

Fu Tingyu started the fire neatly, poured oil, and stir-fried the dishes skillfully.

He controlled the heat well.

The news of Fu Tingyu entering the kitchen somehow reached Yun Yao's ears, he, who had never been in the kitchen before, also heard that the man who came with Ling Shu had gone into the kitchen.

When Yun Yao came, he saw Fu Tingyu stir-frying the dishes skillfully, and a hint of surprise flashed in his eyes.

Seymour, who followed closely behind, was also very surprised,

Yun Yao looked at him for a while and said, "I didn't know that he could cook."

"Master, I think his identity is not ordinary," Seymour said.

Yun Yao asked, "Have you checked his identity?"

"I have, but I couldn't find anything," Seymour replied.

"His identity is not simple." Yun Yao looked at Fu Tingyu in front of the stove again, as if guessing who he was.

He suddenly asked, "Where's Ling Shu?"

"He's in the guest room and hasn't come out yet," Seymour replied.

"Let's go take a look," Yun Yao said and turned to walk out.

A hint of puzzlement flashed across Seymour's eyes, and he quickly followed after him.

In the kitchen

Fu Tingyu did not notice that Yun Yao and Seymour had been to the kitchen earlier, instead, he was focused on cooking.

The others did not notice either.

They were all amazed that Fu Tingyu, who was not a chef, could cook so well.

After cooking a dish, the fragrance spread in the kitchen, making others unable to help but swallow their saliva.

In the guest room in the west wing

Seymour walked in front and led the way, when he reached the door of Ling Shu's room, he stopped and said, "Master, Ling Shu is in this guest room."

Chapter 712: You Two Are Brothers?

Yun Yao glanced at the tightly shut door. "Knock on the door."

Seymour received the order and knocked on the door.

"Knock, knock."

After waiting for a while, no one came to open the door.

A hint of doubt flashed across Seymour's eyes, he raised his hand and knocked on the door a few more times, this time, he increased his strength, and the knocking was louder than before.

Qin Shu was sound asleep when she heard the knocking on the door, she frowned, thinking that the man was in, so she need not worry.

However, there was another knock on the door, and she realized that something was wrong, when she opened her eyes, she noticed that the man was not in the room.

She thought that the person knocking on the door might be someone from the manor.

She hurriedly sat up and felt that the front of her body was loose, when she looked down, she noticed that the corset had been untied.

She quickly fastened the corset, and the sound of the door opening was heard.

Seymour was the first to walk in, he saw Ling Shu sitting on the bed, and she looked like she had just woken up.

“So you’re resting, I thought something had happened to you, so I barged in in a hurry, please forgive me for being rude,” Seymour explained the reason for his sudden intrusion.

Yun Yao walked in after him and looked at Ling Shu on the bed, seeing that he was fine, he did not ask further.

“I’m fine, I slept too soundly.” Qin Shu looked at Yun Yao behind Seymour and asked, “Is there something you need me for?”

Yun Yao nodded. “There is indeed something.”

Hearing this, Qin Shu got off the bed and put on her shoes.

Yun Yao turned around and walked out of the room.

Seymour followed suit.

Qin Shu glanced at the empty room, where did Fu Tingyu go?

She walked out with confusion.

“Do you know where the person who came with me went?” Qin Shu asked Seymour.

“He’s in the kitchen,” Seymour replied.

Kitchen?

Qin Shu was stunned.

When the man was at Bright Garden, he would often cook for her whenever he had the time.

But now that he was outside, he still went into the kitchen?

“How much do you know about the Black Knight?” Yun Yao thought about how he could get Iron Rooster to give him 30% of the profit this time, so he felt that it was necessary to understand Ling Shu’s thoughts.

"I don't know, the only thing I know is that the Black Knight's hacking skills are very good," Qin Shu answered truthfully.

Yun Yao raised his eyebrows and looked at Ling Shu. "Then how do you want to disguise yourself?"

"Set up the image of the Black Knight myself." Qin Shu paused for a moment. "There's nothing about the Black Knight, which means that no one has really seen the Black Knight, so, if I say that I'm the Black Knight, no one can prove that I'm not."

Yun Yao felt that it made sense, he pondered for a moment and asked, "The Black Knight is the Young Master of the Black Alliance, this is known in public, how do you cover this aspect?"

Qin Shu thought for a moment and said, "I have my own way."

Own Way?

Yun Yao sized up Ling Shu, his posture was casual, as if he did not take the matter to heart, he could not help but have some doubts.

At this moment, Fu Tingyu came in with food, when he saw Yun Yao and Seymour in the side hall, he furrowed his brows.

Yun Yao glanced at Fu Tingyu who came in and then at the food on the tray, it looked, smelled, and tasted good.

He looked back at Fu Tingyu. "I still haven't asked you your last name."

"Ling," Fu Tingyu replied, he carried the tray to the dining table and placed the food on it.

Ling?

Yun Yao glanced at Ling Shu. "You two are brothers?"

"We're close relatives." Fu Tingyu looked at the girl and handed her the wet towel on the tray. "Wipe your hands first, then eat."

"Okay." Qin Shu felt that there was nothing wrong with the man's answer, they were husband and wife, so of course, they were close relatives.

After wiping her hands, she sat down at the dining table and looked at the food in front of her, she was indeed hungry.

"You are my honored guests here at Qingyun Manor, you guys have your meal first."

Yun Yao glanced at Ling Shu, who was sitting at the dining table, then turned and walked out.

"If you need anything, you can come and find me anytime." After saying that, Seymour turned and left, not bothering them with their meal.

After everyone had left, Fu Tingyu asked, "What are they doing here?"

“They’re asking me about the Black Knight, probably because they’re afraid that I can’t disguise myself well.” Qin Shu looked at the steaming dishes in front of her, they were all prepared according to her recent appetite.

“Baby Yu, you can do the cooking at home occasionally, when you’re outside, just make do with it.”

“How can my wife make do with food? Qingyun Manor has plenty of ingredients, of course, we have to cook something that you like.”

Fu Tingyu saw that she was about to continue, so he picked up the white rice and placed it in front of her. “Eat first.”

Qin Shu opened her mouth but didn’t say anything, there was a serving of white rice in front of her and a pair of chopsticks in her hand.

Fu Tingyu sat down and picked up a bowl of rice, he held the chopsticks and paused. “Eat as much as you can, I’ll cook something else for you in the afternoon.”

Not only did Qingyun Manor have many ingredients, but they were also very fresh, since he had nothing else to do here, he could make some delicious food for his wife.

Fu Tingyu came along as he was worried about her.

Qin Shu saw that the man was not restrained at all, he simply treated this place as his own home.

“Hubby, you’re so nice.” After she said that, she took a mouthful of rice and ate it happily.

The man took a bite of the rice and stared at the girl as he chewed thoughtfully, then, he swallowed it and called out in a low voice, “Babe.”

“What’s wrong?” Qin Shu looked up at the man in confusion.

Fu Tingyu said, “Since you think your hubby is so nice, shouldn’t there be a reward?”

Qin Shu blinked. “What reward does hubby want?”

Fu Tingyu’s throat tightened. “It’s the same as last time.”

Qin Shu was startled, she didn’t understand what the man meant.

But when she saw the man’s eyes gradually darken, and the look of anticipation on his face, she vaguely understood what he meant.

“Hooligan! ! !” She lowered her head and continued eating.

The man chuckled. “This is called certified to work.”

That night, Fu Tingyu do his act of ‘certified to work’, and he did it with valid reason.

The next morning

Seymour specially came to remind them. “He will arrive at Qingyun Manor around noon, Mr. Ling can prepare in advance.”

Qin Shu's eyes were drowsy, she nodded in agreement.

After Seymour left

Fu Tingyu walked in with high spirits, he carried the strawberry cake that was fresh from the oven and came to apologize to his wife.

"Babe." He held the strawberry cake.

Qin Shu sat on the hanging chair in the yard and was a little sleepy, when she saw the strawberry cake, she suddenly sat up straight and asked, "Did you make this?"

"Yes, try it first." The man handed the strawberry cake to the girl as if he was presenting a treasure.

Qin Shu looked at the pretty strawberry cake, she really admired the man.

He really knew what he was learning.

Under the man's gaze, she finished the strawberry cake and was still a little unsatisfied, to be exact, she was craving for it.

"I still want to eat mousse cake, black forest cake..."

"I'll try it in the afternoon."

Qingyun Manor had everything, so it was very easy to do trials.

Qin Shu began to look forward to the man's results.

The man cooked lunch himself.

After lunch

Qin Shu began to prepare, she disguised herself as the Black Knight and went to see the man Yun Yao was talking about.

Chapter 713: Testing

For the art of disguise, it was a piece of cake to Qin Shu.

Black Knight, Young Master of the Black Alliance.

He didn't sound very old.

As for the age setting, it was probably around 30 years old.

But she didn't plan to disguise herself as old and mature as she would wear a mask, to maintain a sense of mystery.

Her Master wasn't young, but he didn't look that old.

He was no less than the frozen-age male god on TV.

For clothes, she still wore casual clothes.

Most hackers were sitting in front of the screen and did not pay much attention to dressing details.

After Qin Shu dressed up her image of the Dark Knight, she walked out of the room.

Seymour had been waiting outside.

At this time in the living room

Yun Yao personally went to pick up his sworn enemy, nicknamed Iron Rooster, he did not actually know his real name.

They only met because they worked together.

In the business world, everyone would call Iron Rooster Master Feng.

Iron Rooster's origin was because, regardless of whether it was a collaboration or an investment, it was difficult to squeeze even a single cent more out from him.

They had worked together a few times, but as the sworn enemies, Master Feng had stepped into the Qingyun Manor for the first time.

Master Feng brought twenty high-level bodyguards with him, entering the home of his sworn enemy, safety was the most important.

Yun Yao glanced at the twenty tall and sturdy bodyguards behind him,

"Your family is already so rich, do you still bother about my 30% profit?" Master Feng sized up Qingyun Manor as he walked in.

Yun Yao replied indifferently, "I can't compare to you."

Master Feng snorted. "I'm still very poor."

Yun Yao was speechless, he was already rich enough to rival a country, yet he still pretended to be poor?

Master Feng did not forget the purpose of his visit today. "Where is he?"

"He's resting in the guest room, let's go to the living room first."

Yun Yao brought Master Feng to the living room.

Although they were arch-enemies, Yun Yao still knew how to treat guests.

He asked the maid to make tea and bring in pastries.

Qin Shu followed Seymour all the way to the living room.

"Master, Young Master is here." Seymour lowered his eyebrows and nodded.

As soon as Seymour finished speaking, Qin Shu walked in with even steps.

This time, she did not let the man come with her, she came alone.

When Master Feng heard that Young Master was here, he looked up and saw a man wearing a silver mask walking in, he frowned.

He snorted in his heart, wearing a mask, and he said that he was the Black Knight?

Wasn't this a joke?

Yun Yao glanced at Master Feng and then looked at Ling Shu, his attire was indeed a little unexpected.

"Young Master, please take a seat."

Qin Shu nodded and walked over to the sofa opposite and sat down, his slender legs were crossed, and his posture was casual, exuding a sense of laziness from his bones.

Yun Yao looked at Master Feng again. "He is the Young Master of the Black Alliance."

Then, he introduced to Ling Shu, "He is Master Feng."

Ling Shu glanced at Master Feng, he was as handsome as Yun Yao.

She knew nothing about Master Feng, just like Yun Yao.

It was probably due to her lack of experiences in her previous life,

Master Feng did not believe it in his heart, but he asked calmly on the surface, "You are the Young Master of the Black Alliance, the Black Knight?"

Qin Shu tilted her head and said in a faint voice, "It's just a title, is it important?"

Her tone was the same as Master Baili's tone at that time.

Master Feng smiled faintly. "It's indeed a title, but until now, no one has dared to use this title."

"Of course, not everyone can wear this title steadily, and not everyone has the guts to wear it."

Qin Shu's voice was still very indifferent, but she refuted Master Feng's words.

Master Feng stared at the so-called Young Master for a long time before he suddenly stood up and walked quickly to him, his hand reached for the silver mask on his face.

He wanted to see, who was underneath the mask?

Master Feng's speed was so fast that no one could react in time.

Yun Yao frowned when he saw this, it was too late to stop him, Master Feng clearly did not believe that Ling Shu was the Young Master of the Black Alliance.

Seymour was also shocked.

Qin Shu narrowed her eyes when Master Feng's hand was less than two centimeters away from her face, she quickly tilted her head to avoid him.

"If you have something to say, you can sit down and talk about it. I am not deaf," she chuckled.

He missed, didn't he?

Master Feng looked at the Young Master of the Black Alliance, he was about to take off his mask, but he avoided it?

Damn it!

He looked extremely weak, but his skills were not weak.

In order not to embarrass himself, Master Feng laughed, "I just wanted to test your reaction."

Surprise flashed across Yun Yao's eyes, he had thought that Ling Shu was only good at hacking, but he did not expect him to be so skilled.

His martial art strength was at least platinum level.

This Ling Shu hid his strength well!

After the mishap, Master Feng returned to his seat.

"I heard that the Young Master of the Black Alliance can summon all the hackers of the Black Alliance with just a command, I wonder if this is true?"

Qin Shu smiled, "This is something that everyone knows."

Master Feng's question was like punching on cotton, not causing any ripples.

Master Feng took a sip of tea and looked up at him, "I heard that the Young Master of the Black Alliance retired because of a woman, right?"

Qin Shu said, "The Black Knight has never retired, Master Feng might not know, but the Black Knight is an inheritance and does not represent a single person."

Master Feng paused in taking his tea and looked at him differently.

Yun Yao looked at Ling Shu calmly, it did not seem like he was making it up at all, it felt like it was true.

The Black Knight had never said he would retire, as he was too mysterious, he had not shown his face all these years, that was why it gave others the illusion that he had disappeared without a trace.

"In one's life, one will meet two people, one is the true love, and the other is a life-and-death friend, only then will one's life not be in vain."

Qin Shu's voice was faint, but there was a hint of melancholy.

However, it gave others a feeling that he had many years of experience.

Master Feng and Yun Yao were both stunned when they heard that.

Qin Shu glanced at the two men across from him, stood up, and walked out with even steps without even greeting them.

"Ding Dong"

A message notification sounded, and the two men reacted.

Master Feng took out his phone and saw two letters on the screen: KO.

Then his phone was automatically turned off.

He was shocked.

When the phone was switched on again, it showed an early warning of a virus attack.

In fact, the phone had been hacked long before it was turned off.

With the development of times, technology had made a qualitative leap, and many functions of the phone had been greatly improved.

But at the same time, it was also very easy to be hacked, provided that the hacking skills were good.

Qin Shu closed the laptop and put it in her pocket.

This was the laptop she carried with her, it was light, small, and easy to carry.

Back in the west wing

She saw the man standing at the entrance of the moon gate waiting for her, she quickened her pace and walked over.

Seeing the girl came back, Fu Tingyu secretly let out a sigh of relief. "I made a mousse cake, come and taste it."

Back in the room

Qin Shu looked at the mousse cake on the table, it didn't look any worse than the one in the cake shop, it even made her hungrier.

She couldn't wait to pick up the spoon and scoop a piece of cake into her mouth, the taste was comparable to those outside.

"It's better than the ones outside."

After saying that, she thought of Master Feng and asked, "Baby Yu, have you heard of Master Feng?"

Chapter 714: They Knew Each Other

Master Feng?

"I've heard of a Master Feng who travels around F continent and sells arms. I wonder if it's the same person."

Fu Tingyu looked at the girl and noticed that there were some cake crumbs at the corner of her mouth, he moved closer.

He licked the crumbs.

Qin Shu was stunned.

The Man moved away. "The person you've met is Master Feng?"

Qin Shu subconsciously licked her lips and looked at the man's serious question, it was as if the person who did that intimate action earlier wasn't him.

"Yeah, I even took a photo."

She lowered her head, took out her phone, and looked for the photo.

She installed a micro-surveillance camera on her cuff. It was connected to the phone and had an automatic photo-taking function.

The man stared at the girl's lips until a phone with a bright screen appeared in front of him, he then moved his gaze from her lips to the phone screen hesitantly.

Seeing the face in the photo, it was somewhat familiar, Fu Tingyu was stunned when he saw the scar on his brow.

This person was Ling Feng?

In six years, he had transformed from a young boy into a man, his facial features might change with time, but not that much.

Especially that pair of eyes that loved money.

And the scar on his brow was dark-colored.

When he first went up the mountain, Ling Feng had a buzz cut, that scar was even more attractive than his good-looking face.

Every time he practiced martial arts, his martial arts skills were the last of the corp, Ling Feng?

Seeing that the man was silent, Qin Shu came over and took a look at Master Feng's photo, this was taken when he walked over.

"Baby Yu, have you seen him before?"

The man stared at the photo. "If I'm not mistaken, he's my junior brother."

"The brothers who learned martial arts together on Qi Mountain?"

Qin Shu looked at the photo again in surprise, when she saw him in person, she didn't notice the scar on his brow bone.

Master Feng's hair moved in front of his forehead, it just happened to expose the scar and captured on photo.

Fu Tingyu stared at the photo for a while, if he asked Feng, would he be able to find out their Master's whereabouts?

He looked at the girl and saw that she was still staring at the photo, but her eyes were a little tired, so he asked, "Do you want to take a nap?"

"Uh-huh."

Qin Shu had the habit of taking an afternoon nap now, so she would feel sleepy at noon.

When she slept, the man untied her corset so that she would feel more comfortable when she slept.

Fu Tingyu sat in front of the bed and waited for her to fall asleep before he walked out of the room and closed the door gently.

He went straight to the kitchen and chose a black chicken that he had just killed to make soup for the girl.

After everything was ready, he looked at the time and walked out of the kitchen.

He stood at the entrance of the moon gate in the west wing and looked in the direction of the front hall, although he wanted to ask Ling Feng about the Master's news.

But right now, the time and place were not appropriate.

When Qin Shu woke up, it was three o'clock in the afternoon.

She drank two bowls of black chicken soup carefully prepared by the man and it tasted very good.

After eating and sleeping, she felt much better.

Speaking of black chicken soup, when Fu Tingyu made the soup, others in the kitchen would come to ask from time to time.

Who was the black chicken soup made for?

It was for Ling Shu.

Black chicken soup was not suitable for men, it would be bad for their health if they drank too much of it.

Fu Tingyu was not able to answer.

While Qin Shu was sleeping, Yun Yao and Master Feng had already discussed the cooperation and agreed on 30% of the profits for Yun Yao as promised.

After the cooperation was concluded, Yun Yao was in a good mood and asked Seymour to get Ling Shu in to discuss the remuneration.

When Seymour was in the west wing, Qin Shu had just finished drinking the black chicken soup and was strolling and chatting with the man in the courtyard.

Perhaps it was an illusion, but the man seemed to be different from before.

"Mr. Ling, my Master would like to see you." Seymour lowered his eyebrows and nodded, other than being polite, he was also respectful.

All of this was due to Ling Shu's ability, whether it was his hacking skills or his martial art strength, he was worthy of respect.

Qin Shu and Fu Tingyu went to the living room together.

As soon as they stepped into the living room, they saw Yun Yao sitting on the sofa, it was just like when they came, the only difference was that they could tell that he was in a good mood.

Did this mean that her task was completed?

Yun Yao's gaze turned to Ling Shu. "My cooperation with Master Feng has concluded, I will pay you the remuneration as promised."

Qin Shu heaved a sigh of relief when she heard this, she finally knew about the Lanzhi grass.

As long as she could find the Lanzhi grass, Han Xiao's leg would be cured.

At this moment, Seymour handed her a check.

Qin Shu took it and looked at the amount, it was ten million, he was quite generous.

But the money was secondary.

She looked at Yun Yao and asked, "Then, where is the Lanzhi grass?"

Yun Yao replied, "The Lanzhi grass was already extinct on the market, but I know someone who has it."

Qin Shu pressed on, "Who has it?"

Yun Yao rested one hand on his chin and said, "Have you heard of the Yan family of North Star?"

She had only heard of the Yan family of North Star.

As long as there was a clear goal, it was better than being clueless.

"You mean that the Yan family has the Lanzhi grass?"

Yun Yao nodded. "Yes, but I received the news much earlier, I'm not sure if the Lanzhi grass is still around."

Herb as precious as the Lanzhi grass was usually not used easily.

With that thought, Qin Shu had hope again.

After receiving the due reward and the news of the Lanzhi grass, Qin Shu and Fu Tingyu were sent back to the hotel by Seymour personally.

Just like when they came, their eyes were covered with black cloth.

However, before they left, Yun Yao stopped Ling Shu.

"Your hacking skills are very good, I want to hire you with good remuneration, working hours is up to you, how about it?"

Qin Shu glanced at the man beside her and replied, "I don't lack money."

"Really? You Don't lack money, why would you take the \$10 million reward?"

When Ling Shu received the check, the corners of her lips lifted, she was very happy.

"My goal is the Lanzhi grass, if there's an additional bonus, why should I reject it?"

Yun Yao was stunned, but he immediately laughed out loud.

As soon as they returned to the hotel, Qin Shu immediately changed into a new set of clothes, it was uncomfortable to wear men's clothes, when she was pregnant.

When Boss saw that Qin Shu had returned, he wanted to jump into her arms to seek comfort.

However, he hesitated when he saw Fu Tingyu sitting by the side.

Qin Shu didn't have time to pat the cat, now that she had a clear goal, she wanted to go to North Star as soon as possible.

She tilted her head and looked at the man. "Baby Yu, let's go to North Star tomorrow, how about it?"

Fu Tingyu handed her a cup of warm water. "You're pregnant now, it's not good to get tired after traveling."

Qin Shu hurriedly shook her head. "I'm fine, I'm not tired from flying."

Seeing that the girl was so anxious, even though he was very worried about her health, he agreed. "Then I'll get Shi Yan to book the plane tickets."

The man stood up and took a step forward, Qin Shu reached out and grabbed his hand, she was a little worried.

The man looked at her suspiciously. "What's wrong?"

"The company is so busy, yet you're still accompanying me around, why don't you..."

Before Qin Shu could finish her sentence, the man said, "No matter how important the company is, it's not as important as you, don't think so much, I'll get Shi Yan to book the plane tickets."

After saying that, the man walked out.

Chapter 715: The Most Beautiful Kid and the Wildest Kid of Qi Mountain

As she watched the man's tall and slim figure disappear from the door, Qin Shu leaned on the sofa, in her mind, she recalled the man's words.

"No matter how important the company is, it's not as important as you."

Shi Yan booked the plane tickets for nine o'clock the next morning.

After dinner, Qin Shu took a shower and fell asleep.

Fu Tingyu sat by the side and watched until she fell asleep before leaving the room.

It was nine o'clock in the evening.

Fu Tingyu took a car and arrived at the most luxurious bar in Nan Yue.

After leaving Qingyun Manor, Fu Tingyu contacted Master Feng and made an appointment to meet him.

A bar was a place where most office workers could release their pressure, it was also a place where some rich second-generation and young rich sons and daughters of the wealthy family to spend their time.

Fu Tingyu swept across the dance floor and reached the bar counter, his pitch-black eyes swept across the bar counter and finally settled on a more remote location, the light there flickered.

The reason why he could recognize that figure was Master Feng was that there was a glass of wine beside him, filled to the brim.

This was what they had agreed on beforehand.

Drinking this glass of wine was equivalent to admitting his identity as Ling Yan when he was learning martial arts.

He walked over with big steps and sat down on the high stool beside Master Feng, taking the glass of wine in front of him.

Master Feng took a sip of wine, and a person sat down beside him, from the corner of his eyes, he could see that it was a good-looking man, he continued to drink the wine in the glass.

Fu Tingyu looked at the wine glass in his hand, brought it to his mouth, and drank it in one gulp.

When the wine glass was placed on the bar counter, not a single drop was left.

Only then did Master Feng turn his head to look, when he saw Fu Tingyu's handsome face, he paused.

The most beautiful kid of Qi Mountain, Ling Yan.

Just based on his looks, it's definitely Ling Yan.

When he was at Qi Mountain, Ling Yan's aptitude was the best, and his aptitude was a little worse.

One was good and one was bad, one was focused on learning martial arts, while the other only wanted to make money, they just happened to be staying in the same room.

Master Feng ordered a glass of wine for Fu Tingyu before asking, "How have you been these few years?"

Fu Tingyu replied, "Not bad."

"Sir, please enjoy." The bartender handed the prepared wine to Fu Tingyu.

Fu Tingyu raised the glass to his mouth and took a sip.

Master Feng turned his head to look at him. "Your family is in Nan Yue? You didn't sound like it."

"No, Hua Xia." Fu Tingyu's reply was concise and to the point.

Master Feng nodded. "No wonder your mandarin is so standard." He took a sip of wine. "How did you know I was in Nan Yue? I just came today."

Fu Tingyu said, "I happened to saw you, you didn't change much, plus the scar on your brow bone."

Master Feng subconsciously caressed the top of his brow bone, he touched the uneven surface because the scar was very deep.

How deep was it? At that time, he thought he was going blind.

"This scar of mine has become a mark?" He smiled.

Fu Tingyu tilted his head and looked at the scar on Master Feng's forehead. "Now that the plastic surgery technique is so good, this scar can be removed easily."

Master Feng smiled and did not continue, "Do you have any news about Little Munchkin and the others?"

Fu Tingyu asked in return, "Are you looking for her?"

"Uh-huh, although Little Munchkin is small, she is the wildest kid of Qi Mountain." Master Feng drank a mouthful of wine and continued, "After you find her, treat her to delicious food."

Fu Tingyu coldly snorted in his heart, "She lacks that mouthful of food of yours?"

Master Feng put down his wine glass and retorted, "What does this have to do with whether she lacks it or not? The most important thing is the thought."

Fu Tingyu frowned, "Do you know where our Master is?"

"Master, I don't know either." Master Feng raised his wine glass and continued drinking.

Fu Tingyu asked again, "That Qi Mountain, have you gone back to visit?"

Master Feng shook his head, "No, the year I left Qi Mountain, the Master said that once you leave Qi Mountain, you are not allowed to go back."

Fu Tingyu did not show any surprise at the expected answer.

The reason why he asked Ling Feng was that Ling Feng was still on the mountain when he left.

And Ling Feng was brought up the mountain by the Master.

Master Feng said again, "It seems that Qi Mountain is not accepting disciples anymore."

Fu Tingyu asked in confusion, "What do you mean?"

"Master said to seal the mountain."

"Seal the mountain?"

No wonder they couldn't find the way to Qi Mountain, it turned out that Master had sealed it.

The only way to seal the Mountain was to set up a formation, those who didn't understand the formations couldn't enter.

What puzzled him was why the mountain had to be sealed?

"I watched you guys leave one after another, first, it was Ling Han, Ling Yan, then the Little Munchkin, and then it was you, not long after you left the mountain, Ling Shuang and the others also left the mountain one by one."

As Master Feng recalled, he said, "The Little Munchkin left too suddenly, she didn't even say goodbye."

He seemed to have remembered something and smiled. "I still remember you said at that time that she deliberately hid and you stood on the rooftop, waiting from day to night, and then from night to day, only when you went to ask Master did you know that the Little Munchkin had left the mountain."

Fu Tingyu glanced at Ling Feng, when he heard him mention Babe's sudden departure back then, he couldn't help but think of an image in his mind.

He turned away, and when he turned back again, she had already disappeared.

Just like what Ling Feng said, she didn't even say goodbye before going down the mountain.

Master Feng raised his wine glass and clinked it against his wine glass. "I saw that your face was really dark at that time, you must be very angry, right?"

"No."

For the first time, Fu Tingyu said something that went against his heart.

He raised his wine glass to his mouth and took a sip of wine lightly.

"I came out this time intending to look for the Little Munchkin." Master Feng took a sip of wine. "I wonder if she's now wild at large in the world?"

After saying this, he smiled.

Fu Tingyu's drinking actions paused, he turned his head to look at Ling Feng, whether she is wild or not does it matter with you?

Back to the hotel

Fu Tingyu drank some wine, but he was not drunk.

He first went to take a shower, brushed his teeth, and washed his face to get rid of the smell of alcohol on his body.

When he came out of the bathroom, he was only wearing a silver-gray bathrobe, and the ends of his hair were a little wet.

He came to the bedside and sat down, he looked at the person on the bed and saw that her eyes were tightly shut, and she was sleeping extremely soundly.

If her memories on the mountain were not erased, if her martial art strength was not sealed, then...

She would have been really wild at large and no one would be able to stop her.

Thinking about that scene, the man could not help but smile.

He took off his shoes and lay down beside the girl, then, he reached out his arm and pulled the girl into his arms. he sniffed the scent of the girl that was uniquely hers.

However, there were many questions in his heart that had not been answered.

Back then, why did Babe suddenly go down the mountain?

What did she encounter that cause her memories on the mountain to be erased and her martial art strength to be sealed?

Why did the Master seal the mountain?

And Wen Xin, who was the one to cause her death?

The man fell asleep with doubts.

The next day

Qin Shu had breakfast with the man and started packing to go to the airport.

The plane at nine o'clock in the morning arrived at North Star in the afternoon at two o'clock.

The hotel was booked in advance, after getting off the plane, they went straight to the hotel.

Five-star hotel

Qin Shu sat on the sofa, although she didn't walk much yet she was still tired.

Fu Tingyu asked Shi Yan to order food and poured a cup of hot water for the girl.

At this time, he received a call from Ling Feng.

Chapter 716: Visiting the Yan Family and Run Into Old Classmate

The phone numbers were exchanged last night.

It was just that he didn't expect Ling Feng to call at this time.

Fu Tingyu took his phone to the balcony and picked up the call.

As soon as he picked up, he heard Ling Feng ask, "Where Are you now?"

Fu Tingyu didn't answer, instead, he asked, "Why are you looking for me?"

"I'm going to Hua Xia tomorrow, I'll give you a treat, when are you going back to Hua Xia?"

Fu Tingyu: "I'm no longer in Nan Yue."

"It's only been half a day, and you're already back to Hua Xia?"

"I'm not in Hua Xia."

"Then where did you go?"

Fu Tingyu paused. "North Star."

"I wanted to go to Hua Xia with you, but since you've gone to North Star, then forget it, let me know when you're back to Hua Xia."

Fu Tingyu hung up the phone, pushed open the balcony door, and walked in.

Seeing the girl sitting on the sofa drinking water, he walked over.

"Are you hungry?"

"I'm a little hungry." Qin Shu looked up and saw the man sitting beside her.

Shi Yan walked in at this time. "Mr. Fu, the food is ready and has been delivered to the dining room."

“Let’s go eat.” Fu Tingyu placed the glass of water in her hand on the coffee table in front of him, then, he held her hand and walked toward the dining room.

In the dining room

The hotel attendant pushed the dining cart in and placed the dishes on the table one by one before leaving.

Qin Shu looked at the dishes on the table, she picked up a piece of meat with her chopsticks and put it into her mouth, then, she chewed on it.

Fu Tingyu picked up his chopsticks and instructed, “Get someone to look up information about the Yan family.”

“Yes, Mr. Fu.” Shi Yan turned and walked out.

Fu Tingyu clenched his chopsticks and ate a mouthful of food, he glanced at the dishes and looked at the girl. “Are you used to it?”

Qin Shu stopped chewing and looked at the man with a smile. “It’s not bad, the food here tasted lighter.”

The girl had a heavy taste, she didn’t like to eat food that was too light.

“After eating, take a nap.”

“Okay.” Qin Shu nodded with a smile and continued eating the food in front of her.

After the meal, Qin Shu washed up and went to her room to sleep.

As usual, the man waited for her to fall asleep before he came out of the room.

Even if he came out, he still had a lot of things to do every day.

There would be a management meeting today.

He turned on his laptop and held the meeting by video conference.

The meeting duration was usually two hours, and he controlled it to within an hour.

This made the management of all the departments nervous.

After the meeting ended, the man picked up his glass and drank a few mouthfuls of water to moisten his voice.

Shi Yan returned from outside at this time.

“Mr. Fu, the person in charge of the Yan family is Yan Shiming, his business involvement is very extensive and his status in North Star is very high.”

Fu Tingyu placed the glass of water in his hand on the bar counter, “Have you found any news about the Lanzhi grass?”

Shi Yan shook his head. “No.”

Fu Tingyu pondered for a moment. "Get ready, we're going to pay a visit to the Yan family."

"Yes, Mr. Fu."

Shi Yan turned and walked out.

Ten minutes later

Fu Tingyu left to visit the Yan family.

Half an hour later, at the Yan family's residence

After Shi Yan explained the purpose of their visit to the Yan family's residence, the butler went in to report.

Not long after, the butler came from inside.

"Mr. Fu, please come in." The Butler gestured for him to come in.

Fu Tingyu followed the butler to the living room.

When he stepped into the living room, he saw an old man over 50 years old sitting on the sofa, his sideburns were a little gray, but he looked very energetic.

"Master, Mr. Fu is here." The butler lowered his eyebrows and nodded.

Fu Tingyu said, "Elder Yan."

Elder Yan was a form of address for elders and those in high positions, it was also a form of respect.

Yan Shiming sized up Fu Tingyu before saying, "Mr. Fu, please take a seat."

"Thank you, Elder Yan." Fu Tingyu sat down opposite Yan Shiming.

After a while, the maid served the freshly brewed tea and placed it in front of Yan Shiming and Fu Tingyu, then, she retreated to the side.

Yan Shiming picked up the teacup and took a sip of the tea, he raised his eyes to look at Fu Tingyu and asked, "Mr. Fu, is there a reason for your visit?"

Fu Tingyu went straight to the point. "There is indeed a reason for me to visit Elder Yan, I heard that Elder Yan has the Lanzhi grass, is that true?"

Yan Shiming replied softly, "Yes, it's true."

Fu Tingyu went straight to the point and stated his purpose. "I am here as I have heard about it, I need the Lanzhi grass in Elder Yan's possession, Elder Yan, if you have any requests, please feel free to mention."

When Fu Tingyu mentioned the Lanzhi grass, Yan Shiming could roughly guess his purpose of visit.

"Mr. Fu, this is the only Lanzhi grass in my family, Mr. Fu is clear about its medicinal effects, I've been keeping it for emergencies, I won't sell it nor would I exchange it."

"You can consider it again, Elder Yan, I can agree to any terms."

Fu Tingyu knew very well that the Lanzhi grass was not that easy to obtain.

However, no matter what the price, he had to get the Lanzhi grass and cure Han Xiao's leg.

In this way, the girl would not be in debt to Han Xiao for the rest of her life.

Yan Shiming said apologetically, "Mr. Fu, I'm sorry, there's nothing I can do."

"Elder Yan, you can think about it again, as long as I could do it, I would."

This was what Fu Tingyu said before he left.

Walking out of the living room, Fu Tingyu's expression was calm as he followed the butler out.

A white sports car came in from the outside and slowly stopped in front of Fu Tingyu.

Fu Tingyu stopped in his tracks.

The butler lowered his eyebrows and nodded. "Miss."

The person who was called Miss was the eldest daughter of the Yan family, Yan Shuang, she was 24 years old and was the successor of the Yan family.

Yan Shuang's gaze looked at Fu Tingyu, after sizing him up a few times, she tentatively called out, "You are, Ling Yan?"

Hearing the name Ling Yan, Fu Tingyu turned his head and saw the car door open, a woman in a formal dress stepped out of the car, she had wavy hairs with large curls that were filled with a woman's charm.

When he saw the oval face with exquisite makeup, he was stunned.

... Ling Shuang?

"I am Ling Shuang, you Are Ling Yan, right?" Yan Shuang suddenly saw her senior brother when she was learning martial arts, she was pleasantly surprised.

Fu Tingyu nodded. "Yes."

Yan Shuang closed the car door, took two steps forward, and stood in front of him, carefully sizing up Fu Tingyu.

After enough sizing him up, she smiled and said, "We haven't seen each other for more than six years, you've changed a little."

"Is that so?" Fu Tingyu chuckled. "You too."

Yan Shuang gripped the handbag in her hand tightly, raised her slender fingers, and lifted the hair on her chest behind her ears. "We haven't seen each other for more than six years, let me buy you tea and we chit-chat?"

Fu Tingyu pondered for a moment and said, "Sure."

The place to have tea was chosen by Yan Shuang, it was a very quiet and scenic place.

There was a round table, a pot of tea, and two teacups.

Yan Shuang held the Teacup and took a sip of tea. "I didn't expect to meet you at my house, I thought we wouldn't have the chance to meet again."

In the hotel

Qin Shu woke up from her sleep in high spirits.

However, when she opened her eyes, she didn't see the man.

She put on her slippers and walked out, she poured herself a cup of hot water and took a few sips, she glanced at the living room and the balcony, but she didn't see the man.

Where did he go?

Chapter 717: Being Threatened by a Man

Seeing Ye Luo walked in from outside, she asked, "Where did he go?"

Ye Luo replied, "Mr. Fu went to the Yan residence."

The Yan residence?

Qin Shu drank a mouthful of water, why didn't he wait for her to go to the Yan residence?

"Meow" Boss slipped in from the next room, when he saw Qin Shu, he immediately ran over and rubbed his furry head against her pants.

In the eyes of others, Boss was acting childishly towards Qin Shu.

In fact, he was expressing his grievance.

Qin Shu looked down and saw that Boss looked like he was wronged, she put down the glass in her hand, bent down, and hugged him, rubbing his head.

"Meow!" Boss's pair of dark green eyes stared straight at Qin Shu, it had been a long time since Qin Shu had hugged him.

Qin Shu rubbed Boss's head and looked up at Ye Luo. "How long has he been gone?"

Ye Luo: "An hour and a half."

She wondered how his discussion with the Yan family was going?

Even if the Yan family had such a precious medicinal herb, they would not give it away so easily.

Qin Shu carried Boss to the sofa and sat down, she rubbed Boss's fur, the texture of his fur was smoother than silk, and it felt very comfortable to touch.

At this moment, there were two knocks on the door.

Ye Luo heard the sound and went to open the door.

When he came in, there was a hotel attendant behind him pushing the dining cart.

"This is the fish soup that Mr. Fu asked the hotel to prepare, and there are some desserts," Ye Luo said.

When the dining cart was pushed in, Qin Shu smelled the freshness of the fish soup, she looked up and saw that there was strawberry cake as well.

When Boss smelled the fragrance of the fish, he subconsciously raised his head to look in the direction of the fish, his eyes shining with green lights.

The waiter pushed the dining cart to the dining hall and placed the fish soup and desserts on the dining table.

Qin Shu carried Boss to the dining hall and sat down in front of the dining table, Boss was placed on the seat by her side.

Looking at the fish soup, Qin Shu took a spoon and scooped it up to take a sip, the fishy smell was not very strong, and the soup was very fresh.

Boss's pair of dark green eyes stared straight at Qin Shu drinking the fish soup and subconsciously licked his lips.

Ye Luo held a bowl of fish soup and placed it in front of Boss.

A bowl of fish soup suddenly appeared in front of him, Boss lowered his head to look at the fish soup, and then at Ye Luo who was delivering the fish soup, he narrowed his eyes at him.

Ye Luo was speechless.

Qin Shu finished the fish soup and the dessert, the man was still not back yet, she could not help but felt a little anxious.

When it was close to 4:30, Fu Tingyu came back from outside.

Qin Shu heard the door and went up to greet him, she held the man's arm and asked, "You're back, does the Yan family have the Lanzhi grass?"

"Yes, the Yan family has one Lanzhi grass." Fu Tingyu held the girl's hand and walked to the sofa to sit down.

When she heard that the Yan family had the Lanzhi grass, Qin Shu began to think about how she could get the Yan family to give up the Lanzhi grass.

No matter what the conditions were, she would do it.

Fu Tingyu turned his head to look at the girl. "Have you drunk the fish soup?"

"Yes." Qin Shu thought of the Lanzhi grass, she did not know what the Yan family needed.

Only when she knew what the Yan family needed, she could use the requirement to make the exchange.

Seeing her expression, Fu Tingyu knew that she was thinking about the Lanzhi grass, he raised his hand and gently knocked on her forehead. "Regarding the Lanzhi grass, I'll think of something, you don't have to worry."

Qin Shu wrapped her arms around his neck. "We're husband and wife, of course, we have to think of something together."

The man took the opportunity to pull her into his embrace, his gaze landed on the girl's lower abdomen, and his gaze became gentler. "You have a baby now, it's not appropriate for you to worry."

Qin Shu followed the man's gaze and looked at her lower abdomen, she was less than two months pregnant, so it didn't show much.

"I'm fine, I just want to get the Lanzhi grass as soon as possible to cure Han Xiao's leg."

"Leave it to me."

"You have a solution?"

The man paused. "I know someone from the Yan family."

Qin Shu looked at the man in surprise. "Is he a friend of yours?"

The man nodded. "Yes."

"Having a friend makes things easier." Qin Shu was still a little surprised. "I didn't expect you to have friends here."

Fu Tingyu himself didn't expect to meet Ling Shuang here either, he didn't expect Ling Shuang to be the daughter of the Yan family.

The next day

"Don't wait for me for lunch this afternoon, after you finished your lunch, take a nap, understand?"

Qin Shu nodded obediently.

"Don't worry about the Lanzhi grass, just leave it to me."

Qin Shu paused and nodded.

Fu Tingyu gave her a few instructions, kissed her on the forehead, and left the hotel.

Qin Shu watched the man leave and looked at the time, it was only nine o'clock in the morning.

She took out her laptop and prepared to search online.

Her phone beeped, she picked up her phone and looked at the message.

[Stranger: Baby, I'm at Star Lagoon, shall we meet?]

Baby?

She suddenly froze, a blindfolded man flashed through her mind.

The head of the Crimson Sand Organization?

Why did he come to North Star?

Was he here for Fu Tingyu?

Qin Shu sat up abruptly, Fu Tingyu didn't have much martial art strength left, and if the Crimson Sand Organization were to find trouble with him now...

She put down her laptop, stood up, and went to look for Ye Luo.

Ye Luo was next door preparing water for Boss.

She walked in and the first thing she asked was, "How many people did he bring with him this time?"

Ye Luo raised his head. "Only Shi Yan."

Qin Shu couldn't help but feel a little anxious. "Why only Shi Yan? Get the other Ye brothers to protect him."

"Mr. Fu said that they'll have to protect Young Madam."

Ye Luo's words implied that he wouldn't leave without Fu Tongyu's order.

Qin Shu frowned.

At this moment, she received another message.

She opened it and realized that it was a photo.

It was a side profile photo of Fu Tingyu, and it was taken just now as the time taken was displayed on it.

Qin Shu's heart tightened, would he make a move on Fu Tingyu?

Crimson Sand was an assassin organization that specialized in assassinations.

Qin Shu didn't dare to think any further.

[Qin Shu: What do you mean?]

[Stranger: I want to see Baby.]

Just seeing the word 'Baby' gave Qin Shu goosebumps.

[Qin Shu: Don't call me Baby.]

After sending the message, she raised her head and looked at Ye Luo. "I'm going to the Star Lagoon."

Ye Luo raised his head again. "Young Madam wish to go to the Star Lagoon?"

As Star Lagoon was one of the famous scenic spots in North Star, there were many tourists from various countries every year.

Therefore, Ye Luo subconsciously thought that Qin Shu was going to visit.

Qin Shu nodded. "Uh-huh."

"I'll go prepare the car."

Ye Luo picked up Boss and walked out.

When they went to the Star Lagoon, Ye Luo drove while Qin Shu sat at the back, looking at the message he sent, there were only two words. It was clearly intentional.

[Stranger: Baby.]

She replied to a message.

[Qin Shu: ... Where are you?]

[Stranger: Star Lagoon Scenic Garden.]

Qin Shu glanced at the message and searched for the location of the Scenic Garden.

There was another car following behind, inside the car were the Ye brothers, who were there to protect Qin Shu.

After the car arrived at Star Lagoon, Ye Luo bought the tickets.

Qin Shu said, "Go to Scenic Garden."

Ye Luo did not ask any further and drove to the Scenic Garden.

Chapter 718: Do You Believe?

Scenic Garden was an ancient manor. To enter the garden, one had to buy a ticket.

Qin Shu stood at the entrance of Scenic Garden, holding Boss in her arms as she looked at the message on her phone.

It was just sent.

[Stranger: Come in alone.]

She frowned.

Ye Luo walked over with a ticket in his hand.

"I'll go in alone, please wait for me outside."

Qin Shu took the ticket from Ye Luo's hand.

Ye Luo said, "It's not safe to go in alone."

Not Safe?

But thinking that he might make a move on Fu Tingyu, she couldn't bother about that.

"I'll come out after I have gone in for a walk, it's just a leisure walk." Qin Shu raised Boss in her hand and said with a smile, "If there's an accident, I'll let him inform you."

Boss looked at Ye Luo with his eyes wide open, he raised his two sharp claws and looked like he was very powerful as well. "Meow"

Ye Luo was speechless, he looked at Boss's round little body and was a little worried that he wouldn't be able to run when the time comes.

Qin Shu carried Boss to the gate counter, handed over the ticket, and walked in.

The garden was famous for its horticulture, which was carefully designed by the horticulturist.

However, what puzzled her was that there were many tourists outside the garden, but there was no one inside the garden.

There was no one in sight along the way.

Boss suddenly moved in her arms, indicating that he wanted to come down.

Qin Shu looked down at Boss and loosened her hands. Boss jumped down from her arms, when he landed, there was no sound at all.

After Boss jumped down, he lifted his head and looked around, then started to trot.

He didn't run fast, he stopped and looked back at her as if he was waiting for her.

Qin Shu followed him unhurriedly, she looked around as she followed Boss.

They had been walking for quite a while, but there was still no sign of anyone.

Could it be that this place was reserved by that man?

Otherwise, there should be tourists.

On a building not far away, a slender figure stood by the veranda.

Yin Shi held a pot of tea that had just been brewed, two celadon teacups and three plates of pastries were placed on the round table made of solid wood.

He turned to look at his Master standing in front of the veranda, he opened his mouth as if wanted to say something, but he didn't say anything, he turned and left.

Boss ran and played, then he stopped in front of the pavilion and looked up at the pavilion in front of him.

Qin Shu walked to the pavilion and stopped, she raised her head and looked at the pavilion, there were three floors in total.

"Boss, is he in this pavilion?"

The reason why she asked was due to the fact that Boss had met him before, and have spent a few days with him, Boss knew his scent like the back of his hand.

Boss turned and looked at Qin Shu. "Meow"

Qin Shu touched the dagger hid in her sleeve and walked in.

Boss retracted his gaze and trotted in with his four limbs.

After entering, the right side was the stairs that led to the upper floor of the building.

Boss had already gone up the stairs.

Qin Shu hesitated for a moment before stepping up the stairs.

The stairs and handrails were made of wood, due to their age, they looked a little old.

When one stepped on the wooden stairs, they made a "Creak" sound.

After she walked all the way up, Boss stood at the top of the steps, he looked back at Qin Shu, then retracted his gaze and continued to walk on all fours.

After Qin Shu came up, the first thing she saw was a round table made of solid wood, on top of it was a purple clay teapot, the mouth of the teapot was still emitting steam, indicating that it was freshly brewed tea, there were two teacups by its side.

She glanced at the pavilion and saw a slender figure standing in front of the veranda, he was wearing a light gray coat.

The thin figure looked familiar.

The most familiar item was the pure white gauze amid his black hair, the gauze tied behind his head was about a foot long.

When the wind blew, the gauze would float with the wind.

She had never asked the name of the head of the Crimson Sand Organization.

Boss stopped behind the man and called out to the figure, "Meow"

The figure moved and slowly turned, walked over.

Qin Shu looked at him warily. "Why did you want me to come?"

The man sat down at the round table and reached out to pick up the teacups on the tray, he placed one in front of her and the other in front of him. Then he picked up the teapot and filled the two teacups up to the brim without spilling a drop.

Those who didn't know would think that he could see.

After putting down the teapot, he looked up in Qin Shu's direction. "Sit down and have a cup of tea with me."

Qin Shu was a little impatient as she was worried about Fu Tingyu. "I'm not here to have tea."

The man chuckled. "Then you still have to sit down, aren't you tired of standing?"

Qin Shu glanced at the round table in front of her, there were four round stools around it, after hesitating for a moment, she walked over and sat opposite the man.

She looked at him warily. "Did you send someone to follow Fu Tingyu?"

"Are you so worried about him?" The man's voice was indifferent, he picked up the teacup in front of him and took a sip of tea.

Qin Shu said, "It has nothing to do with you."

The man smiled indifferently and took another sip of tea.

Qin Shu clenched the dagger in her hand. "If you dare to lay your hands on him, I guarantee that you won't be able to walk out of this building."

He stopped drinking his tea and looked up at her. "Don't be nervous. I just want to drink tea with you and chat with you. As for him..."

"I won't touch him."

Even though the other party's eyes were blindfolded, Qin Shu felt that he could see her.

It made her inexplicably feel sad.

Maybe it was because she knew that he wouldn't live long.

As Gu Yan had said that he had been poisoned more than Fu Tingyu, and it had passed a long time, even if there was an antidote, it wouldn't be able to save him.

She did not let her guard down because of his words, as her man had already been hurt by them once and almost lost his life.

Now that the poison had been detoxified, his martial art strength was gone.

Sensing her nervousness and vigilance, the man smiled. "If I really wanted to touch him, you wouldn't be able to save him, as for my life, it doesn't make any difference if it's a year earlier or later."

The man spoke as if nothing had happened.

Qin Shu was stunned.

The man said again, "Rather than being on guard against me, why don't you relax, have some tea, and enjoy the scenery?"

Hearing that, Qin Shu turned to look outside, from this position, she could see the scenery of the Star Lagoon, and the scenery was very beautiful.

She retracted her gaze and glanced at the three plates of pastries in front of her, they were all her favorites, and there was also a pot of tea.

He knew her preferences like the back of his hand.

She raised her head again and sized up the man, this was the second time they had met. Just as before, his eyes were covered with gauze, so no one could see his facial features clearly, and no one knew how he looked like.

She had heard from Gu Yan that his eyes had been injured before, and the medicine he applied was Chinese herbal medicine, which was very helpful in treating blindness.

Now that she thought about it, he was poisoned, and he almost lost sleep because of his injured eyes, he was quite miserable.

After sizing him up for a while, she asked, "What's your name?"

The man laughed again. "You finally remembered and asked for my name?"

Qin Shu was speechless.

The man poured himself a cup of tea and called out, "Baby."

Chapter 719: Bumped Into the Door, Asking for Comfort

Qin Shu rubbed her arms with both hands, a look of disdain on her face. "Don't call me Baby. I'm getting goosebumps."

The man said, "Your nickname is Xiao Bao. What's wrong with me calling you Baby?"

Qin Shu was stunned and looked at the man in disbelief. "How did you know my nickname is Xiao Bao?"

"Of course you said it yourself. Otherwise, how would I know your nickname?" The man picked up the teacup and took a sip of tea.

Qin Shu raised her eyebrows. "Why didn't I know that I knew such a big shot like you?"

The man asked, "Do you want to clinch me tightly?"

Qin Shu was speechless.

The man said, "Baby, try these pastries. They melt in your mouth and are sweet but not greasy."

Qin Shu was speechless again, she glanced at the pastries and licked her lips. "You haven't told me your name yet."

"You'll find out in the future." The man's fair and slender fingers reached toward the white porcelain plate, picked up a piece of pastry, and took a small bite.

After just one bite, he stopped eating, he took out a piece of tissue and placed the remaining pastry on top.

Qin Shu glanced at the piece of tissue paper, the pastry with a missing corner, she snorted in her heart, the pastry may not taste that delicious and he could not eat anymore.

After the man wiped the corner of his mouth, he asked her, "Baby, can you accompany me to cruise the Star Lagoon tomorrow?"

Qin Shu rejected him without thinking. "No."

The man was not discouraged after being rejected. "If you accompany me to cruise the Star Lagoon, I will owe you a favor. In the future, no matter what no matter the conditions, I will agree to them unconditionally."

This offer was very tempting.

But what she could not understand was why he would agree to these conditions if she accompanied him to the lake?

Was he stupid?

Just like previously, when Gu Yan was captured by him, he was to treat his illness and helped him detoxify his poison.

But he said that as long as she stayed in the villa with him for three days, he would let Gu Yan leave.

Was he stupid, or should she say that he really did not bother about life and death?

Qin Shu rejected this attractive offer.

“Although it’s rare to get a favor from a big shot, I won’t accompany you on a Lagoon Tour.”

The man said, “You don’t have to reject me in a hurry, please think about my identity, then think about my connections, I have a lot of connections.”

“Even if it’s not good, you can still think about it. I can help you with something, no matter what it is, I would agree to it.”

The man spoke at a moderate pace.

Qin Shu stared at the man for a long time and felt that he was just a little boring, she turned to look at the scenery outside and ignored him.

The man waited for a while but did not hear her reply, he said helplessly, “You can’t be so heartless.”

The man’s tone sounded like he had suffered a great grievance.

When Qin Shu heard this, she was both angry and amused. “How am I heartless? You are not related to me, I do not have the obligation to accompany you on a lagoon tour.”

The man pursed his lips.

Qin Shu glanced at the man, his face had always been pale and without any color. Seeing him remain silent gave her the illusion that she was bullying him.

There was silence for a while

The man stood up and walked outside.

As he walked, he bumped into the carved door frame, when he bumped into it, the sound was quite loud, and there was a “Bang” sound.

The man did not expect to bump into the door frame, he fell to the ground and made another “Bang” sound.

Qin Shu was stunned for a moment. She did not expect him, who was walking on flat ground, to make such a low-level mistake.

She stood up and ran over, grabbed his arm. “Why did you bump into the door? Weren’t you quite smooth in the past? I’ve never seen you fall in that big villa.”

“I’m not familiar with this place.” The man frowned, he covered his head with one hand and used the momentum to stand up from the ground. When his hand touched the girl’s wrist, his body froze for a moment.

Only then did Qin Shu remember that he couldn't see, previously, he relied on his familiarity with the terrain in his villa and could move freely.

After the man stood up, she let go of him.

Just as she let go, the man's body swayed. Seeing that he was about to fall again, she hurriedly stretched out her arm to support him.

"You'd better not go out, get inside, and sit for a while."

Qin Shu did not bother if he was willing to go in or not, she pulled him in and pressed him onto the round stool.

"If you are not familiar with the environment, you'd better rest well."

When Qin Shu turned, she saw that he had been holding his head. She stopped and asked him, "Did you hit your head?"

The man shook his head and continue to put his hand on his forehead.

Qin Shu frowned. "Take your hand away, let me see."

The man sat still.

Qin Shu stared at him for a while, when she saw him like this, she felt inexplicably angry. She reached out and grabbed his wrist, took it away with force, and saw that his fair and flawless forehead was now red and bruised.

"It's a little bruised, I have a band-aid with me, I'll put it on for you."

As Qin Shu spoke, she took out a band-aid from her pocket, tore open the packaging, and put it on him.

After putting it on, she looked at the injured area, and it seemed to be swollen.

The man raised his hand to touch the area where the band-aid was on and said, "I want to eat Osmanthus Cake."

Qin Shu tilted her head and looked at the three plates on the round table, and one of them was Osmanthus Cake. She looked at the man and felt that he was like a child now.

She looked at the round table again, reached into the plate, picked up a piece of Osmanthus Cake, and handed it to him. "Here, the Osmanthus Cake you want."

The man's slender fingers took the Osmanthus Cake from the girl's hand, as guided by its fragrance, he took a bite, eating it slowly.

Seeing that the man was eating, she felt a little hungry. She took a glance at the Osmanthus Cake on the plate, reached it, picked up a piece, and put it into her mouth to take a bite.

Just as he said, it melted in the mouth, sweet but not greasy.

She took the Osmanthus Cake and sat back on the round stool.

Hearing the slight chewing sound, the man revealed an imperceptible smile.

A piece of Osmanthus Cake was finished in a short while.

The man poured himself a cup of tea in satisfaction and poured her a cup as well.

Qin Shu left the attic after food and drinks.

But before she left, the man brought up the matter again.

“I’ll wait for you by the Star Lagoon tomorrow. As long as you come, I’ll agree to any condition.”

On her way back, Qin Shu carried Boss and walked out of the Scenic Garden, she saw Ye Luo waiting at the door and the Ye brothers not far away.

After getting into the car, Qin Shu leaned on the back of the chair and felt a little drowsy, she fell asleep before she reached the hotel.

She didn’t know if it was due to her meeting that man today, even her dreams were related to him.

In her dreams

Her body suddenly shrunk a lot, the bottom of her pants rolled up to her knees, and her feet were standing in the stream. She looked at the man in front of her whose eyes were covered with gauze, it should be said that he was a teenager.

As his height had also shrunk a little, he was even slimmer.

The teenager sat on the stone, as his eyes couldn’t see, he didn’t dare to leave easily. “Baby, where are you?”

She shouted at the youth, “Sit there and don’t move, I saw a fish. If I catch it, I’ll roast it for you to eat.”

The youth was a little surprised. “Baby can roast fish?”

“I learned it from Ling Han. He is good at roasting fish.”

Chapter 720: The Man Was Caught on a Date With Someone

As soon as he finished speaking, the girl fell into the stream with a plop.

The young man sitting on the rock was so scared that his face turned pale. “Baby, what happened to you?”

As he was worried, he got down from the rock without bothering about anything else, in the end, he bumped into the rock and his forehead was red from the impact.

“Young Madam, we’re at the hotel.”

Qin Shu suddenly woke up from her dream, she opened her eyes abruptly and was covered in cold sweats. When she saw Ye Luo, she realized that she just had a dream.

Why was she dreaming about him?

She opened the car door and got out of the car with doubts and walked into the hotel.

Boss was carried by Ye Luo.

When they returned to the hotel, Qin Shu took her lunch and went to take an afternoon nap.

When she woke up, she saw the man sitting by the bed. She smiled. "When did you come back?"

The man saw the girl's slightly open collar, it must have been opened when she was sleeping, he reached out and helped her adjust her collar. "For a while now, I didn't wake you up as you were sleeping soundly."

Qin Shu thought of the head of the Crimson Sand Organization and asked nervously, "Did you meet with anything in the afternoon?"

The man stared at the girl for a moment, when he saw that she was nervous, he shook his head. "I'm fine, are you hungry now? I'll get Shi Yan to order some food."

Qin Shu didn't eat much in the afternoon, so she was indeed a little hungry right now.

She thought for a while and said, "Can you accompany me, please?"

The man said, "Yes."

Qin Shu lifted the blanket and got off the bed, she saw the man kneeling on one knee in front of the bed, his pair of noble hands held up her ankle, and picked up the slippers on the floor and put them on her feet, his movements were so gentle as if he was afraid of hurting her.

She kept staring at the man's hands, his hands were beautiful, his knuckles were long and slender, when they moved on the black and white piano keys, it made her unable to shift her gaze away.

As a result, Qin Shu kept staring at the man's hands while eating.

The man noticed that the girl was staring at him, he lowered his head and looked at himself. "What's wrong?"

"Nothing." Qin Shu smiled and retracted her gaze, she continued to eat the rice in her bowl.

The man looked up at her, lifted the corners of his lips, and slowly ate the rice in his bowl.

After the meal, the man went to deal with business.

Qin Shu brewed a cup of top-grade White Tea and placed it on the man's right hand.

The man turned to take a look, the mouth of the cup was steaming, and the fragrance of the tea permeated the air.

The girl was sitting next to him, holding her head with one hand and looking at him.

At this moment, he felt warmth and was satisfied.

When she was sleeping at night, Qin Shu suddenly had a muscle cramp in her leg, she moved in the man's embrace, her legs were straightened and then bent a few times, but she still felt uncomfortable.

When she moved in the man's arms, the man was startled awake. "What's wrong Babe? Did you feel unwell anywhere?"

After the man finished speaking, he began to examine the girl.

Qin Shu said in a hoarse voice, "My leg is cramping."

Cramping?

The man's hand came to the girl's calf.

The fastest solution to the cramping was to straighten the affected limb's knee joint and extend the ankle joint to the extreme back. Then, the cramping at the back of the calf would be significantly improved. The cramps could also be treated with medication to alleviate cramps.

This was the knowledge and method that the man learned from prenatal education.

As pregnant women were more prone to cramps.

After a while, the cramp symptoms eased up, and Qin Shu finally felt a little better.

The man's hand movements did not stop, he raised his head to look at the girl and asked in a low voice, "Babe, are you feeling better?"

Qin Shu nodded. "Much better."

The man withdrew his hand and put his large hand on the girl's head and pressed it into his chest. "If you no longer felt uncomfortable, you can continue to sleep."

One needed sufficient sleep during pregnancy, and deep sleep was required for eight hours.

Qin Shu nodded. "Okay."

After all, she was fond of sleeping during pregnancy, she nestled in the man's arms and fell asleep again not long after.

The man held the girl in his arms and waited for the person in his arms to breathe softly before he slowly closed his eyes.

..

Today, Fu Tingyu only went out after giving a few more instructions.

Qin Shu knew that it was rare for Lanzhi grass to come by, when she saw the man busy with this matter and then looked at the food on the table, she had no appetite at all.

If she used any unusual methods, she had several ways to get the Lanzhi grass.

Just her hacking skills alone, she could get Lanzhi grass from the Yan family.

But her Master had said that hacking skills were not supposed to be used for this.

She transferred the money from Mu Lan's card as those were her mother's money.

The money was given to her by Qin Hai.

And Qin Hai's money was all earned by her mother.

As for Qin Hai, he only sat in the position of Chairman and gained without doing any work.

So she used hacking skills.

Qin Shu asked Ye Luo to take the dishes away, she stood up and walked to the balcony.

Ye Luo looked at the dishes on the table that had not been touched, he glanced at Qin Shu who was standing on the balcony and called the waiter to take the dishes away.

Qin Shu sat on the hanging chair on the balcony and looked at the bright and beautiful sunlight outside the window, as it was a little dazzling, she narrowed her eyes.

A person's figure flashed through her mind. It was that man.

She recalled the dream she had in the car yesterday, in fact, she couldn't remember the dream clearly.

The only thing she remembered was seeing the appearance of the young man, even though he was also blindfolded.

It could also be a figment of her own imagination.

But in her dream, that man also called her Baby, just like usual, very naturally.

That condition...

Qin Shu opened her eyes, no longer thinking about those things.

She stood up and walked into the living room, and saw Ye Luo carrying Boss. "Prepare the car, I want to go out for a walk."

"Okay," Ye Luo replied.

Ten minutes later

Qin Shu changed into a male outfit and went out.

In the car, Boss sat in the co-driver seat and licked his paws leisurely.

Qin Shu supported her chin with one hand and looked out the window. She looked at the bustling city of North Star. When she passed by a cafe, she saw a figure flash past, she suddenly sat up straight and shouted at Ye Luo, "Stop the car."

Ye Luo's reaction was very fast, almost as soon as Qin Shu shouted, he stepped on the brakes.

He stepped on the brakes too quickly that Boss, who was sitting in the front seat, almost fell out because of inertia. Fortunately, Ye Luo reacted quickly and caught Boss with his big hand.

Qin Shu's body swayed, and her hand gripped onto the seat in time so that she did not crash into the back of the front seat.

After the car stopped, she pushed open the door and got out of the car, walking toward the cafe.

After walking for dozens of steps, she suddenly stopped, she looked through the window and saw the man in the cafe, she could see his back, so she knew it was him.

She looked across the man and saw a very beautiful woman sitting opposite him, be it her makeup or her behavior, it showed her identity and her upbringing. She was not an ordinary person.

This was the first time she saw her man with another woman sitting together and drinking coffee.

She did not know what they were talking about, the woman had a gentle smile on her face. It was obvious that she was in a very good mood at the moment.

The man had said that he had met a friend here. Moreover, it was a member of the Yan family.

The so-called friend should be this beautiful and intellectual daughter of the wealthy Yan family.

She knew as she had looked up information about the Yan family.

Yan Shiming's had a daughter at his old age, and he spoiled this daughter to the heavens.
