

# BIGSHOT MR. FU S WIFE IS SWEET AND WILD

## Chapter 13

### Ruthless Move

Zhu Jing almost fainted from anger.

The year Qin Jianxi found out about this... She was only twelve years old! And she actually understood all this?

What kind of scheme was this?

She had been played by this girl on her own turf.

This little b\*tch was actually so cunning.

Qin Jianfei covered her face with both hands and looked at the person on the steps. She said hatefully, "Mom, don't be fooled by her. If she had it, she would have taken it out long ago. Why would she wait until now? Could it be that today is a good time for her to tell us this? Even if what she said is true, we can search her room."

Qin Jianxi stretched out her hand and brushed the hair in front of her forehead.

Then, she slowly said, "Your mother and daughter relationship is real. Even if you destroy a thousand copies, you can't destroy this fact. Also... Even that Han guy can be trampled under my feet and beaten without the power to fight back, can you all beat me? By the way, I might as well tell you something. I've been secretly practicing martial arts all these years. If you don't believe me, you can come up and see how hard my fists are."

"Qin Jianxi..." Qin Jian's eyes were bloodshot from anger. She turned her head and looked at Qin Likun, who was also furious. "Dad, look at her..."

Just as Qin Likun was about to say something, he heard his youngest son, Qin Tianhao, who had been sitting silently on the sofa, say, “Dad, since Big Sister needs money, you should just give her the money! No matter what, we’re still a family, why do we have to fight like this?”

After he said this, he turned his head to look at Qin Jianxi. He asked, “Big Sister, don’t you think so as well?”

Qin Jianxi looked at the young man calmly. With one look, she knew that this kid wasn’t simple. He was much brighter than his parents and his sister. He was only 16 years old.

Their eyes met, and Qin Jianxi’s lips curled up.

“You’re wrong. You’re family with the three of them, but I’m not. I’ve changed my mind. I’ll leave this house for a million yuan and a house. If you agree, I’ll go to the police station tomorrow to settle the household register. If you all don’t agree, I’ll have no choice but to expose this matter.”

Life was so beautiful, why should she waste her time on this group of people?

Qin Tianhao looked at the person who had a different temperament.

“But... Big Sister, you’re not of age yet, you can’t just have your own household register. Dad is your guardian.”

Qin Likun’s eyes were filled with maliciousness. “You want a house and money? Stop dreaming.”

At this moment, Zhu Jing had already calmed down. Her brain started to work again. She turned to her husband and said softly, “Hubby, I think this child might have been too agitated today. Why don’t we send her to the mental hospital for a check-up?”

If she had known that this little b\*tch was so scheming, she would have killed her more than ten years ago and sent this little b\*tch to see her mother.

However, it wasn't too late. If she sent Qin Jianxi to the mental hospital, it would torture her even more.

A young b\*stard really thought that she had what it takes to fight with them. Heh, she was still a little too inexperienced.

When the hypocritical mask was taken off, there was no need to pretend anymore.

Qin Likun's face immediately darkened. He completely did not care that Qin Jianxi was his biological daughter as he said, "Right, she's crazy. I'll call people from Songshan over."

He immediately took out his phone and prepared to make a call.

Qin Jianxi laughed when she heard the couple's conversation.

"As expected of a person who became a mistress, your brain really works differently. Go ahead and call, I also want to see if they're able to take me away. I'm also really looking forward to the news of the mistress who became a stepmother plotting against the daughter of the ex-wife. The mistress even turned her own daughter into the ex-wife's daughter. I don't know if the Zhongli Group's stock price will be able to withstand the news if it's released."
