

Bigshot 371

Chapter 371: Taunts

"Today, she's still acting all high and mighty. Who are you trying to show off to?"

"That's right, that's right. Now that she's become the public enemy of the entire school, those boys are no longer protecting her."

"She still dares to come out even now. If it was me, I would hide far away."

"That depends on how thick your skin is. As long as your skin is thick enough, what wouldn't you dare to do?"

Their voices weren't soft, and anyone who passed by could hear them. Qin Churou was the same, and every word they said fell into her ears.

Qin Churou was instantly angered to the point that her entire body trembled.

The others looked at Qin Churou, and the mockery in their eyes was very obvious.

Qin Churou bit her lip and fiercely said, "Keep your mouth clean, don't act like a gossipy woman."

The two girls were not afraid of Qin Churou at all.

They immediately began to mock her.

"Qin Churou, are you not going to pretend anymore? Aren't you the most understanding person? If others mock you, won't you forgive them?"

"Hahaha, Xiao Qin, I'm afraid that you haven't thought of Qin Churou's deeds. Those are all fakes. On the surface, she forgives you and doesn't care, but in the dark, she stabbed you somehow. Don't forget, those who have offended Qin Churou, besides those with better family backgrounds, which one of them didn't transfer schools or quit school?"

When they said that, the other girls started to discuss as well, pointing at Qin Churou from time to time.

This time, Qin Churou finally felt the experience of what Qin Sheng felt when she was said to be a mistress.

Qin Churou could not take it anymore. She clenched her fists, wanting to go up and give those two women a slap.

However, Qin Churou was still worried about her image, so she hid the darkness in her eyes.

One day, she would definitely teach a lesson to those who looked down on her.

She would make those people look up to her.

Now that the bell for class had rung, Qin Churou ignored the two girls and went straight back to class.

When the two girls saw this, they immediately sneered.

"Qin Churou doesn't dare to go against us anymore."

“Who says so? Right now, no one is protecting her. If she doesn’t leave, she’ll be waiting for everyone to laugh at her.”

Qin Churou returned to her class. She didn’t listen to a single word of the teacher’s lecture.

Time passed very quickly. There was only a little over a month left before the college entrance exam began.

And next week was the first joint exam in H City.

Qin Churou hadn’t studied much for almost a month.

She gritted her teeth and forced herself to immerse herself in her studies.

This time, she could not fail the exam. Otherwise, she did not know how those people would mock her. She wanted to get a good result and slap them in the face.

Qin Churou would not give up until she achieved her goal.

She was used to enduring, and she worked hard enough to achieve her goal.

Soon, Qin Churou was very focused on her studies.

In the end, she had not studied well for more than a month. In the end, Qin Sheng was still first, Su Yixiu was second, and Lu Ming was third.

And Qin Churou was ranked 20th.

Seeing Qin Churou’s results, the girls mocked Qin Churou even more.

Qin Churou was originally ashamed of her results. Hearing their discussions, Qin Churou couldn’t help but release the anger that she had endured for many days.

She couldn’t care less about maintaining her image anymore.

She pointed at the girls and sneered coldly, “You’re all pointing at me, but are your grades better than mine? Even though I’ve been away from school for so long, I still did better than you! You have no right to mock me..”

Chapter 372: Was Made Known To Everyone

One of the girls was ranked 19th in the entire class, just one place higher than Qin Churou.

At this moment, when she heard Qin Churou’s words, she laughed coldly. “What a coincidence. I did better than you. I’m ranked 19th.”

The surrounding students who were watching the commotion were all pointing at Qin Churou.

Qin Churou’s face turned pale. No one knew if she was embarrassed or angry.

That girl was still unwilling to let Qin Churou go. She stepped forward and gave Qin Churou a push.

“Qin Churou, today is different from the past. You are no longer that high and mighty campus belle who is being chased by people. Who are you looking down on?”

Qin Churou was so angry that her eyes were red. She clenched her fists tightly.

Her eyes were filled with tears.

In the past, with Qin Churou’s pitiful and aggrieved appearance, there would definitely be many students protecting her.

But now, in the eyes of those female students, they only felt that she was extremely hypocritical.

Some of the boys couldn’t help but feel their hearts ache and wanted to help Qin Churou. But when they went up, they thought of the comments of those people on the forum and the speculations about Qin Churou.

They stopped in their tracks.

Qin Churou bit her lower lip. Seeing that no one was helping her, her tears really fell.

Ever since she returned to school, Qin Churou felt like she was being targeted by the entire school.

She felt wronged. She clearly didn’t do anything, yet she was misunderstood and attacked by so many people.

Qin Churou didn’t want to stay in school for even a moment.

But now that the college entrance examination was about to arrive, she had to study hard. If Qin Hai knew that her results had become worse, Qin Hai would be angry with her.

According to Qin Sheng’s current results, she would probably be the top scorer in the country in the college entrance examination.

If she did badly in the exam, Qin Hai, who valued benefits the most, would probably not give her a good look.

Thinking of Qin Sheng...

A hint of confusion flashed across Qin Churou’s eyes. Qin Sheng had clearly been sold to Feng Shuo, so why was she still studying in H City High School?

Moreover, looking at Qin Sheng, she did not look like she had been sold. She seemed to be living a more comfortable life than in the Qin family.

Could there be something fishy about this?

Thinking of this, Qin Churou shook her head.

Qin Sheng’s appearance was indeed astonishingly beautiful, but even if she could bewitch Feng Shuo, there was no way to make Feng Shuo give up everything and take out a few hundred million to help her leave the Qin family.

A few hundred million was a huge sum of money for a company. Normally, they would not be able to take out so much money.

It was just that Feng Shuo's Feng Entertainment was bigger, so he could take out that amount of money.

Qin Churou had no choice but to admit that Qin Sheng was indeed amazing. She was able to make Feng Shuo spend several hundred million to buy her from the Qin family.

However, no matter what, Qin Sheng was chased out of the Qin family.

The Qin family only had one daughter. In the future, no one would be able to threaten her position.

Even so, Qin Churou could not forget the embarrassment Qin Sheng had given her.

She would not let go of Qin Sheng.

An idea slowly formed in Qin Churou's mind. The corners of her lips curled up into a malicious smile.

Wasn't Qin Sheng bought over by Feng Shuo?

Then she would make this matter known to everyone.

The matter of Qin Sheng being kept was fake, but it was true that Qin Sheng was bought by Feng Shuo to be his lover.

Although Feng Shuo only said that he wanted Qin Sheng, and he didn't say that he wanted Qin Sheng to be his lover...

But the members of the Qin family naturally knew that Feng Shuo took a fancy to Qin Sheng.

Otherwise, they really couldn't figure out what Feng Shuo wanted Qin Sheng for that was worth hundreds of millions of yuan.

Chapter 373: Bumped Into

On the first day Qin Churou returned to school, she was subjected to all kinds of criticism and ridicule.

On this day, Qin Churou didn't return to the Qin family directly. Instead, she went to the business street.

Lin Shuya and Qin Hai gave Qin Churou a lot of pocket money, 20,000 a month. In addition, Lin Shuya would give Qin Churou money from time to time, and she would also buy a lot of branded clothes for Qin Churou.

Qin Churou naturally did not lack money.

She first went to buy a set of clothes, then entered a gift shop.

Old Master Lu was also inside.

He picked up a doll and looked at it for a long time, then kept nodding.

Obviously, Old Master Lu was very satisfied with this doll.

The butler reminded Old Master Lu, "Master, Miss Sheng Sheng has already grown up."

Old Master Lu glared at the butler. "How can I not know? Do I need your reminder?"

The housekeeper touched his nose.

Didn't he?

If not for his reminder, his master would have definitely bought this doll.

Old Master Lu reluctantly put down the doll.

Before Lu Ming was born, Old Master Lu had prepared a lot of dolls. However, when he saw that the baby was a boy, his heart felt extremely stifled.

He had kept the doll room that he had carefully prepared.

He was waiting for Lu Ming's mother to give birth to a granddaughter for him. He did not expect that they would only have this son, Lu Ming, from the beginning to the end.

Fortunately, Fu Hanchuan was able to lure Qin Sheng back home for him.

Old Master Lu shifted his gaze to a very large doll.

It was a rabbit doll. After looking at it for a long time, Old Master Lu turned his head to ask the butler, "Is this a good match for Sheng Sheng?"

The butler: "..."

Could he say that it was not a match?

Qin Sheng had a very cold personality. This doll had a silly look on its face. It was not a match at all, alright?

However, when he met Old Master Lu's warning gaze, the butler could only bite the bullet and nod his head.

Old Master Lu was instantly satisfied. He waved his hand and said, "So be it. Wrap it up for me."

The butler could only pick up the doll that was even bigger than him.

Old Master Lu looked at the doll and nodded. "Not bad, not bad. Sheng Sheng will definitely like it."

Qin Churou had already noticed Old Master Lu the moment she entered. Previously, Qin Churou had wanted to acknowledge Old Master Lu as her teacher, so she naturally recognized him.

Qin Churou had been following Old Master Lu ever since she saw him.

Naturally, she had heard the two words Old Master Lu had been talking about — Sheng Sheng.

Qin churou immediately thought of Sheng, who had stolen her spot in the Youth Painting Competition, and even won the championship in the Youth Painting Competition.

Qin Churou bit her lower lip.

Her talent might not necessarily be inferior to Sheng's. Even Qi Wenshi praised her as a rare painting genius.

As long as she took Lu Zhongguo, the number one master in the painting world, as her teacher, her painting would definitely be better than Sheng's.

Qin Churou was very confident. She blamed herself for losing to Sheng because her teacher was not as good as Sheng's. She was even more determined to take Old Master Lu as her teacher.

He was famous in the art world. When he entered the entertainment industry in the future, he would bring a lot of help to her.

Qin Churou's goal was very clear. She wanted to become the best actress and accept everyone's flattery. Naturally, she needed to have good specialties and good academic results. This way, her road when acting would not be very difficult.

When Old Master Lu handed the doll to the butler, Qin Churou walked up.

She bowed politely.. "Hello, Old Master Lu."

Chapter 374: Acknowledge Old Master Lu As a Teacher

Old Master Lu was still thinking of picking out another gift for Qin Sheng.

Now that he was stopped by Qin Churou, Old Master Lu was a little unhappy.

His gaze fell on Qin Churou.

Although Qin Churou had undergone plastic surgery, he still recognized Qin Churou.

He smiled coldly in his heart. Wasn't this Qin Churou who had seized Qin Sheng's identity and wanted to participate in the competition by slandering Qin Sheng for using someone else's painting in the previous selection of the H City's Youth Painting Competition?

Old Master Lu was patient. He asked with a straight face, "What's the matter?"

Old Master Lu obviously didn't like Qin Churou.

Qin Churou's expression was a little stiff, but she quickly adjusted it.

She nodded and said, "Old Master Lu, I'm a fan of your paintings. I like your paintings very much."

Old Master Lu didn't give Qin Churou a good look. "You're Qi Wenshi's student. Last time, you even thought of going to the H City Painting Association to replace Sheng in the Youth Painting Competition?"

Qin Churou choked.

Her expression was very unnatural. It was obvious that Old Master Lu was trying to embarrass her.

Fortunately, Qin Churou could also act, so her expression returned to normal. "At that time, we were only questioning it. After all, it was really unbelievable that she could paint such an excellent painting at

such a young age. Painting is a very sacred thing. I naturally didn't want it to be tarnished. However, since Sheng is your student, it's not surprising that she could paint such a painting."

"Is that so?" Old Master Lu didn't let Qin Churou off. "At that time, you didn't have any evidence, so you accused her of cheating. Then, you forced them to let you participate in the Youth Painting Competition."

Qin Churou squeezed her hands and looked very embarrassed. "I'm sorry. I tried to stop my teacher, but he was a little stubborn."

Seeing that it was getting late, Old Master Lu didn't want to waste any more time with Qin Churou.

He said directly, "Tell me, why are you looking for me?"

Qin Churou saw that Old Master Lu was getting impatient. She had looked for Old Master Lu many times before, but she hadn't been able to get what she wanted.

Now that she had finally met him, she naturally wasn't willing to let Old Master Lu leave just like that.

She hurriedly said, "Old Master Lu, I've seen your paintings on the Internet and have always admired you..."

Old Master Lu interrupted impatiently, "Cut the crap."

"Old Master Lu." Qin Churou bowed. "I want to become your student."

Old Master Lu's gaze was like a torch. "What about Qi Wenshi? Do you not want him anymore?"

Qin Churou bit her lip and replied, "Old Master Lu, my teacher has a bad temper. Furthermore, he already has a student. It doesn't matter whether he has me or not."

Old Master Lu laughed mockingly. "Qi Wenshi and I are sworn enemies. Qi Wenshi is eager for me to die. I didn't expect his disciple to take the initiative to look for me and want to be my student. I wonder what he will think if he finds out?"

Qin Churou's expression was a little awkward. After being ridiculed by Old Master Lu, she couldn't wait to leave.

However, this was a rare opportunity to meet Old Master Lu. She didn't want to let it go.

Qin Churou just stood there and looked at Old Master Lu with stubborn eyes.

Old Master Lu sized Qin Churou up and said, "Qin Churou, you also know that this old man rarely takes in disciples. Up until now, I only have Sheng as my disciple. What qualifications do you have to be my disciple?"

When he said this, Old Master Lu's intention was very obvious.

As long as one was self-aware, they would know that Sheng's talent was extremely high.. Qin Churou was far from comparable.

At this time, she would leave on her own and not embarrass herself.

However, Qin Churou felt that she was better than Sheng. As for the previous tryout in H City, she lost to Sheng because Sheng had a good teacher.

Qin Churou was very confident. She felt that if she learned painting from Old Master Lu, she would not be worse than Sheng.

Qin Churou replied, "Old Master Lu, my talent in painting is very high, and I am also hardworking enough. If you let me be your student, I will definitely perform better than Sheng."

In order to become Old Master Lu's student, Qin Churou stepped on Sheng.

In Qin Churou's opinion, Old Master Lu also valued those who were confident and had higher talent.

If she said that, Old Master Lu would let her be his student.

Old Master Lu's face instantly turned cold. The Lu family all protected their children, and Old Master Lu was no exception.

Moreover, Old Master Lu loved Qin Sheng very much.

Since Qin Churou said that, Old Master Lu had made up his mind to teach Qin Churou a lesson.

At this moment, Old Master Lu looked at Qin Churou as if he was looking at a fool. "Do you think you have better talent than Sheng?"

Qin Churou nodded. "Yes."

She bowed again. "Old Master Lu, please, let me be your student. I will definitely perform well and bring glory to you."

Qin Churou was treating Old Master Lu as someone like Qi Wenshi.

Old Master Lu did not give Qin Churou a good look either. He said mercilessly, "Qin Churou, I have seen your paintings. To be honest, your talent in painting is not high. I'm really curious... Since when did Qi Wenshi have such bad taste?"

Qin Churou's face was extremely stiff.

Her face alternated between green and white, and she was very embarrassed.

Old Master Lu did not plan to let Qin Churou off just like that. "I'm not afraid to tell you, Qin Churou. Even if you've studied painting all your life, you still can't compare to Sheng's eighteen-year-old painting standards. You still have to be self-aware."

"Old Master Lu." Qin Churou was not willing to miss the opportunity to take Old Master Lu as her teacher. She said again, "Hard work can make up for talent. Old Master Lu, as long as I work hard enough, I will definitely be able to do it."

Old Master Lu sneered, "Qin Churou, don't think too highly of yourself. No matter how hard you work, you still can't compare to Sheng."

“Also, I only have one disciple in my life, Sheng. It’s better for you not to be wishful thinking. I really don’t like your talent. Also, a person like you doesn’t like others to be stronger than you and doesn’t know their own limits. I really look down on a student like you.”

At this moment, Qin Churou already knew that there was no hope for her to become Old Master Lu’s student.

She restrained the hatred in her eyes and said very politely, “Old Master Lu, I understand. I’m sorry to have disturbed you.”

After saying that, Qin Churou left. There were quite a number of people looking at her in this place just now.

Being ridiculed by Old Master Lu like this, Qin Churou really couldn’t stay any longer. She could only leave first.

Qin Churou did not dare to offend Old Master Lu. She was very clear that Old Master Lu was now the number one person in the painting world.

If she offended him, it would not be easy for her to walk on the path of painting in the future.

Qin Churou could only swallow her unwillingness.

In the end, she was still unconvinced. Her talent was definitely higher than Sheng’s.

In the future, her painting results would definitely be better than Sheng’s. She wanted to let Lu Zhongguo know who was qualified to be his disciple.

After Qin Churou left, Old Master Lu looked at the butler. “Have you recorded everything?”

Chapter 376: The Storm Rises Again

The butler was originally holding the rabbit doll, but he put it down and took out a phone.

The butler pressed the confirmation button and handed the phone to Old Master Lu. “It’s already taken. It’s here.”

Old Master Lu saw the video and narrowed his eyes.

On the video was the video of Qin Churou looking for him.

Old Master Lu smiled.

He could finally avenge Qin Sheng.

At first, Old Master Lu wanted to buy another gift for Qin Sheng.

But now that he was disturbed by Qin Churou, he was not in the mood to continue shopping.

He asked the butler to carry the rabbit doll and returned to the Lu Residence.

After returning, Old Master Lu asked the butler to check Qi Wenshi's phone number and sent the video to Qi Wenshi.

Old Master Lu felt that he was extremely smart.

Qi Wenshi was the most arrogant person. He and Old Master Lu were sworn enemies. If Qi Wenshi found out, Qin Churou would definitely be finished.

Over here, Qi Wenshi quickly received the video that Old Master Lu sent him.

Qi Wenshi had Old Master Lu's phone number, so he naturally knew who sent it.

Qi Wenshi originally wanted to ignore Old Master Lu's message, but he couldn't resist his curiosity, so he clicked on it in the end.

The first thing he saw was Qin Churou.

Qi Wenshi frowned.

Then, he saw that Qin Churou was very respectful to Old Master Lu.

Qi Wenshi stared at the phone screen with an unfriendly gaze.

When he saw that Qin Churou wanted to acknowledge Old Master Lu as her teacher, Qi Wenshi tightened his grip on the phone.

After he finished watching, Qi Wenshi exited the video.

He saw that Old Master Lu had sent another message, a very provocative message.

[Qi Wenshi, I didn't expect you to be such a failure. The disciple that you've taught for many years actually came to acknowledge me as their teacher. I'm also your sworn enemy. Qi Wenshi, if I were to accept this disciple of yours, how would you look? Of course, I don't dare to accept such a two-faced student.]

Qi Wenshi's face darkened.

He didn't expect Qin Churou to be so respectful to him on the surface, but think of becoming Lu Zhongguo's student.

Wasn't he being too nice to her?

When he was at the Painting Association in H City, he had already seen through Qin Churou's thoughts.

At that time, Lu Zhongguo was very displeased with her. Qi Wenshi originally thought that she would give up on this thought.

Unexpectedly, in the end, she still went up to him.

In order to become Lu Zhongguo's student, she did not hesitate to slander him.

She said that he had a bad temper. All these years, he had treated Qin Churou extremely well. He had done his best to teach her.

He had wasted so much effort on Qin Churou. As for her, she was unscrupulous!

Even so, Qi Wenshi was unwilling to chase Qin Churou away. He still hoped that Qin Churou would have some achievements in the future and help him win back his reputation.

Only, in the future, Qi Wenshi would not treat her as well as he used to.

— —

On the second day.

Another rumor spread in H City High School.

It was that Qin Sheng was kept by Feng Shuo, and this Feng Shuo had a girlfriend.

There was also a contract.

It clearly stated that Feng Shuo had given the Qin Corporation hundreds of millions of funds, and Qin Sheng had cut off all ties with Qin Hai, Lin Shuya, and everyone in the Qin family.

Only, Qin Churou did not dare to expose the names of the Qin Corporation, Qin Hai, and the others.

She bought the contract and then mosaiced everything related to the Qin family.

Chapter 377: The Storm Rises Again 2

This news was provided by Qin Churou to the Gossip Campus Lord. The Gossip Campus Lord posted it on the forum, including the photos.

For a time, the school forum was very lively.

The news of Qin Sheng having a sugar daddy was dug out again.

[This Qin Sheng is too disgusting. Seeing that her grades are so good, she doesn't seem like a person who will seduce men. I thought that the rumor about her having a sugar daddy was just a rumor. I didn't expect it to be true!]

[As expected, you can't judge a book by its cover. Qin Sheng has really changed my worldview. She's a person with top grades, she's so beautiful, and she's still fooling around with so many men. She's really despicable!]

[This photo is real. I've taken it to a professional to appraise it. It's not photoshopped.]

[Don't you guys think that Qin Sheng is very pitiful? She was sold to Feng Shuo as a lover. I looked around and found that Feng Shuo is already 35 years old. He's 17 years older than Qin Sheng.]

[The person above, hearing what you said, this Qin Sheng is really pitiful. She was sold.]

[Speaking of which, Qin Sheng actually has a company at home? Isn't she from the countryside?]

[The person above, no matter what, Qin Sheng is already a mistress. Becoming someone else's lover, there is no smoke without fire. If it wasn't for the fact that Qin Sheng was really in trouble, why would Qin Sheng be rumored to be a mistress the moment she came?]

When the people from Class 4 saw the news on the forum, they were furious.

All the students from Class 4 logged onto the forum to retort those trolls.

[F*ck, do you guys have brains? If our Sister Sheng is a mistress and becomes someone else's lover, can she still come to school to study?]

[All of you are copycats. Among you trolls, many of you were previously saying that you admire Sister Sheng. Now, because of a rumor, you are attacking Sister Sheng.]

Among them, Lu Ming's reply was the most powerful. His hand speed was fast, and he began to build up comment after comment.

Lin Feng and Huang Xiaoyan's speed was not slow either.

In the end, almost all the people from Class 4 were attacking those trolls.

The number of trolls was far more than the number of people from Class 4.

At first, those trolls still had some momentum, but they were pushed back by the people from Class 4.

In the end, they did not dare to show themselves.

Huang Xiaoyan put down her phone and snorted coldly. "You dare to compete with us in momentum? In school, Class 4 is the best. Why should we be afraid of you?"

Lin Feng also gave Huang Xiaoyan a thumbs up. "Huang Xiaoyan, you're really good."

Huang Xiaoyan clapped her hands and said proudly, "That's true."

Huang Xiaoyan and Qin Sheng had been together for a long time. She knew that Qin Sheng would not care about these rumors, so she was not worried that Qin Sheng would be affected.

However, seeing Qin Sheng being attacked like this, Huang Xiaoyan still felt uncomfortable, so she went down to the arena with the people from Class 4.

"Sheng Sheng." Huang Xiaoyan hugged Qin Sheng's arm. "These people are too hateful. Do you have a way to cure them?"

Ever since Qin Sheng helped to deal with Jiang Wangya last time, Huang Xiaoyan had felt that Qin Sheng was omnipotent. Nothing could stop her.

Qin Sheng put down the phone in her hand. She had just finished reading the Gossip Campus Lord's post about her.

Qin Sheng quickly came up with a countermeasure in her mind.

It was not difficult to solve this matter.

She wanted Qin Churou to take the initiative to deny this matter.

The corners of Qin Sheng's lips curled up slightly as she replied, "Xiaoyan, don't worry. This matter will be solved tomorrow."

Upon hearing this, Huang Xiaoyan was completely relieved.

Qin Sheng had already said so, so she would definitely be able to do it..

Chapter 378: Complained To Fu Hanchuan

Huang Xiaoyan's eyes sparkled. "Sheng Sheng, you're really too amazing. Is there anything you don't know?"

Qin Sheng shook her head and smiled.

Then, she picked up the medical books in her hands and started reading them.

She had asked Fu Hanchuan to help find these books for her. They were the books that she needed to learn as a first-year medical major at Imperial Capital University.

Qin Sheng still needed to expand her career when she was in university, so she didn't have much time to focus on her studies.

Therefore, she wanted to study these medical books in advance.

It was very difficult to major in medicine, and there were many things to remember. Fortunately, Qin Sheng's comprehension and memory were very strong, so these books were not difficult for her.

As long as she thought about it, she would be able to understand it. She would also think about it and make inferences from it.

Huang Xiaoyan looked at the textbook in Qin Sheng's hand. It was densely packed with words.

It was a picture of the human body. On it, there were all kinds of organs and so on. The words were all piled up together.

Huang Xiaoyan only felt a headache.

She touched her nose and averted her gaze.

She could not compare to Qin Sheng, this type of top student.

The others were still busy with the college entrance exam in a month or so.

But Qin Sheng was actually reading an extra-curricular book!

Even the homeroom teacher only told Qin Sheng to pay attention to her grades so that she would not fall behind and become second place. The rest would follow Qin Sheng.

It was really infuriating to compare people!

Huang Xiaoyan frowned and picked up the math book in her hand to study.

Fu Hanchuan did not have classes in the morning. He was busy with company matters at home and did not come to school.

Lu Ming did not dare to delay when Qin Sheng was in trouble. He quickly told Fu Hanchuan.

"Okay, I'll be there right away."

After Fu Hanchuan found out, he immediately put down his work and rushed to H City High School.

When Fu Hanchuan arrived, it was already noon. The students of Class 1 had just finished school.

Qin Churou went to the cafeteria alone.

On the way, she coincidentally bumped into Fu Hanchuan who was looking for Qin Sheng.

Qin Churou hadn't seen Fu Hanchuan for a long time. At this moment, she was delighted and quickly walked up to stop Fu Hanchuan.

Qin Churou was an arm's length away from Fu Hanchuan, but Fu Hanchuan still frowned and took a few steps back.

Qin Churou naturally saw that Fu Hanchuan did not like her.

Her expression froze, and she bit her lower lip, feeling wronged.

Qin Churou had hit quite a few walls with Fu Hanchuan.

However, Qin Churou could not stand Fu Hanchuan treating Qin Sheng well, and she also felt that Fu Hanchuan was one of the few people who could match her.

Qin Churou had a sense of confidence towards Fu Hanchuan.

She felt that as long as Fu Hanchuan wasn't mesmerized by Qin Sheng, he would be able to see her.

At this moment, Qin Churou had already spread the news that Qin Sheng had been sold to Feng Shuo as a lover. Fu Hanchuan would no longer protect Qin Sheng.

Now that she saw Fu Hanchuan, she couldn't wait to tell Fu Hanchuan about this matter.

Qin Churou's expression became natural. "Teacher Fu, I have something to tell you. It's about Qin Sheng."

Fu Hanchuan's eyes narrowed dangerously.

When Qin Churou saw that Fu Hanchuan was interested in her words, she was delighted.

"Teacher Fu, did you see the post about Qin Sheng on the forum?"

At this moment, there were already a few people sizing them up.

Qin Churou didn't dare to call Qin Sheng 'Sister'. If she did, and they had the same surname, it would be easy for people to think that they were sisters.

It would also be easy to think that the company that traded Qin Sheng to Feng Shuo was the Qin Corporation.

In this way, the reputation of Qin Corporation would be greatly damaged.

Qin Hai alone would not let her off..

Chapter 379: Qin Churou Was Embarrassed

"No." Fu Hanchuan only replied with this one word.

Qin Churou couldn't wait to tell Fu Hanchuan about Qin Sheng, but this wasn't the right place.

She looked around. "Teacher Fu, there are many people here. Let's go to a place with fewer people to talk."

Fu Hanchuan refused. "It's fine here."

Seeing Fu Hanchuan's firm attitude, Qin Churou could only open her mouth. "Teacher Fu, there's a post from the Campus Gossip Lord saying that Qin Sheng was sold to Feng Shuo, the CEO of Feng Entertainment, to be his lover. It's true, there's a picture."

Fu Hanchuan's eyes locked onto Qin Churou, his gaze deep.

Qin Churou's heart raced.

Her face turned red.

"Teacher Fu, Qin Sheng has been sold to Feng Shuo as his lover for a few days. Although she didn't do it willingly, her body is still dirty and her reputation is bad."

Qin Churou waited for a long time, but Fu Hanchuan didn't speak.

Qin Churou couldn't figure out Fu Hanchuan's thoughts.

After a long while, Fu Hanchuan sneered. "The person that I, Fu Hanchuan, protects needs to be sold?"

Qin Churou's face was a little stiff.

Fu Hanchuan cared a lot about Qin Sheng, and Fu Hanchuan's car was worth tens of millions.

Fu Hanchuan would definitely be able to take out these hundreds of millions.

Thinking of this, Qin Churou felt that this matter was more and more strange.

Could it be that Qin Sheng left the Qin family and set up a trap?

Thinking of this, Qin Churou didn't want to believe it.

Qin Sheng would not have such ability.

Qin Churou was unwilling to let go of this rare opportunity. She said again, "Teacher Fu, I'm not lying. The photo on the forum is real."

"This classmate, you don't have to emphasize that photo to me again and again."

Fu Hanchuan said mercilessly, "As a third-year student, it's better for you to focus on your studies. Don't be jealous and talk about others all day long. Qin Churou, this hypocritical face of yours is very disgusting. You have taken over someone else's identity. Sheng Sheng did not argue with you, but you have provoked her again and again."

Fu Hanchuan rarely said so much to Qin Churou.

However, Qin Churou couldn't be happy at all. Her face was pale.

Qin Churou couldn't understand why Fu Hanchuan would protect Qin Sheng so much!

Even after knowing that Qin Sheng had been sold to another man, he wasn't angry.

At this time, there were many students around. They were all watching the show. Fu Hanchuan's voice wasn't soft either, so they naturally heard Fu Hanchuan's words.

Immediately, they started pointing at Qin Churou.

"This Qin Churou is too cheap. Teacher Fu clearly didn't want to talk to her, but she insisted on talking to him. With her plastic surgery face and that white lotus style, how could Teacher Fu look at her? As expected, a sl*t is a sl*t. She doesn't know her own limits."

"Qin Churou thought that after she belittled Qin Sheng, Teacher Fu would look at her. Hahaha, I almost died laughing."

Many girls in the school had a good impression of Fu Hanchuan. Fu Hanchuan was extremely handsome, his family was rich, and he was young.

There were naturally many girls who liked Fu Hanchuan, but they did not dare to get close to Fu Hanchuan.

Now that they saw Qin Churou talking to Fu Hanchuan, they could not help but mock her.

Qin Chu's face alternated between green and white. It was unknown whether she was cultivating or angry.

Qin Churou couldn't stay here any longer. With red eyes, she said, "Teacher Fu, I'm only telling you a fact. If you don't want to believe it, then forget it."

Qin Churou didn't stay any longer and ran away.

Chapter 380: Opened a Side Account

Fu Hanchuan glanced at the surrounding students one by one and said in a deep voice, "I'm protecting Sheng Sheng. As long as she wants it, I'll give it to her."

After saying that, Fu Hanchuan went to look for Qin Sheng.

Once Fu Hanchuan left, the surrounding students began to discuss again.

They also began to doubt the authenticity of the Campus Gossip Lord's post on the Forum.

"Teacher Fu was able to enter H City High School midway to become a teacher. With that temperament and that outfit, it's obvious that he's not from a small background. Teacher Fu is very concerned about Qin Sheng, so is there a need for Qin Sheng to be another man's lover?"

"That's right. A few hundred million shouldn't be a problem for Teacher Fu. So, does Qin Sheng need to be sold to someone else?"

However, some people still stubbornly believed that it was true. After all, there was evidence.

They argued back.

“That photo can’t be fake. It was appraised by a professional. There’s no trace of it being photoshopped.”

The others didn’t agree or refute.

It was better to remain silent.

After all, Qin Sheng was very mysterious. Anyone who doubted her would be slapped in the face in the end.

Even Liang Hua, who had been targeting Qin Sheng, couldn’t do anything to Qin Sheng. In the end, Liang Hua was kicked out of H City High School and had her teaching license revoked.

These students did not dare to speak for the time being.

Fu Hanchuan’s words also reached the ears of the other students.

Many people silently deleted the comments on the forum that were slandering Qin Sheng.

There were also some people who started to defend Qin Sheng.

Qin Churou had been paying attention to the forum. She saw that because of Fu Hanchuan’s words, the direction of the discussion had changed.

Qin Churou was so angry that her whole body was trembling. It was Fu Hanchuan who had embarrassed her. However, Qin Churou did not blame Fu Hanchuan.

She blamed Qin Sheng for Fu Hanchuan’s attitude toward her.

Qin Sheng must have played some tricks to make Fu Hanchuan be loyal to her. Otherwise, it was too strange if Fu Hanchuan did not have any doubts even after such a thing had happened and the evidence was conclusive.

Qin Churou hated herself for not knowing Fu Hanchuan earlier.

If she had known Fu Hanchuan before Qin Sheng, Fu Hanchuan would have been her boyfriend. He would have treated her better than Qin Sheng.

Qin Churou was very confident.

As long as it was the man she wanted, she would definitely be able to get him.

Qin Churou gripped her phone tightly. Her eyes were fixed on some posts on the forums that clarified for Qin Sheng. She took out her registered side account and started to retort one by one.

“This tone of protecting Qin Sheng, are you Qin Sheng’s account?”

“You’re protecting a shameless b*tch. Looks like you like this kind of b*tch. B*stards and b*stards, you’re a good match!”

“F*ck, you’re also one of Qin Sheng’s boyfriends? Looks like this Qin Sheng’s charm isn’t small. How many boys does she have in school? She’s really a b*tch!”

“I hope your girlfriend didn’t become another man’s lover and turn around and cheat on you.”

“Could it be that you’re the same as Qin Sheng and like having several men?”

Qin Churou thought that since she had registered an alternate account, no one would know about it, so she spoke without restraint.

She vented all the anger she had accumulated over the past few days on the people who were defending Qin Sheng.

She had cursed out all sorts of profanities.

Qin Churou had naturally been attacked by many people.

Qin Churou might usually endure it, but this was the internet. No one knew that this alternate account belonged to her.. Qin Churou had unscrupulously retorted back.
