

BIGSHOT MR. FU S WIFE IS SWEET AND WILD

Chapter 4

He's the One Who's Not Good Enough for Me

Han Xu almost spat out blood.

He roared in humiliation, "Let me go. I'll call."

Qin Jianxi raised her beautiful chin. "Don't talk nonsense. Hurry up."

Han Xu trembled as he took out his phone and made a call. After a while, the other end picked up. He called out in a very aggrieved tone, "Grandpa..."

Before Han Xu could finish his sentence, Qin Jianxi snatched the phone away. Then, she moved her noble feet away to free Han Xu.

She glared at the person who was about to pounce on her and gave him a warning look. It instantly made Han Xu recall the image of him being stepped on and unable to move. His feet were nailed to the ground, and he could only glare at Qin Jianxi with resentment.

Qin Jianxi ignored him and spoke directly to the person on the other end of the phone. She said, "Old Master Han, it's Qin Jianxi. I'm calling to tell you that my engagement with your grandson, Han Xu, is over. We're not suitable for each other, we're not a good match."

On the other end, Old Master Han obviously didn't expect Qin Jianxi to say this.

He was stunned for a moment before he asked, "Xixi, did that brat Han Xu bully you? Did he force you to say this? Don't worry, as long as Grandpa is here, I won't let both of you break off the engagement..."

Qin Jianxi sighed, "Elder Han, he didn't force me to do this. I wanted to break off the engagement. It's not that I'm not good enough for him. He's not good enough for me. I hope that this engagement will end here. If... If you really feel guilty and want to repay me, then don't bind me to this marriage that he and I are unwilling to do. In fact, you can transfer me a million or eight hundred thousand yuan."

Her voice was crisp and clear, but it made everyone present confused.

Oh my god, she, she, she... What was she saying?

She, she, she... Did she know what she was saying? Was Qin Jianxi crazy?

The person on the other end of the phone was silent for a while. "Xixi, don't worry. If you need money, just tell Grandpa. Grandpa will transfer the money to you. As for marriage, this is not child's play. Don't worry, I will definitely make Han Xu marry you."

Qin Jianxi raised her eyebrows. This was interesting. What did this old man want to do? She had already said so much, but he still kept harping on the marriage.

"Elder Han, no matter what you think, I'm telling you very seriously now that my engagement with Han Xu will be called off. From today onwards, I have nothing to do with him and the Han family. That's it. I wish you good health. Goodbye."

After saying this, she hung up the phone.

Then, she threw the phone at Han Xu and told him, "Listen carefully, I've called off our engagement. In the future, you and this woman, don't ever come near me again. You're a pot and you're a lid. You're a perfect match. Don't go ruining other people."

She didn't care about their reaction and turned to leave.

Her words about breaking off the engagement were enunciated very clearly. Those present weren't deaf, and they all heard it clearly. Was she really breaking off the engagement?

However, she had no choice but to break off the engagement. Han Xu had been trampled under her feet just now. No man would marry her, let alone Han Xu, who didn't like Qin Jianxi.

Huang Mengyu was the most ecstatic. Han Xu and Qin Jianxi had called off their engagement, so she... She had a chance now.

"Big Brother Xu, it's all my fault today. If I didn't come... Xixi wouldn't have misunderstood."

"It's not your fault. That woman is sick. She wanted to cancel the engagement herself. She has nothing to do with me now. Don't mention her in front of me again."
