

Bigshot 651

Chapter 651: Could Make It Bankrupt At Any Time

He sighed, "This is my life's work. I don't want him to disappear like this. Moreover, Hanchuan, if the Fu Corporation falls, if anything happens to you in the future, we won't be able to support you."

Hearing this, the corner of Fu Hanchuan's lips curled into a mocking smile.

Old Master Fu didn't notice Fu Hanchuan's expression.

"If you are bullied, the Fu Corporation will help you out. Although you are now a manager of the HD Group, businessmen value profits the most. No matter how good the HD Group is to you, how can they be like a family member who is sincere?"

Hearing this, Fu Hanchuan did not want to listen anymore.

He sneered, "Some family members are really not as good as outsiders. At least outsiders won't try to squeeze out your value."

Old Master Fu said unhappily, "Hanchuan, how can you say that?"

Fu Hanchuan sneered in a low voice, "Grandfather, don't say that you're so good. In my opinion, you're a scumbag even more shameless than Fu Hongyi."

Old Master Fu's face was stiff.

"Fu Hongyi is openly shameless, and you, on the surface, are doing all kinds of things for my good, but behind the scenes, you want to use me in all kinds of ways."

After hearing Fu Hanchuan's words, Old Master Fu's face completely darkened.

He suppressed the anger in his heart. "You are my biological grandson. How could I treat you like this? Hanchuan, did you misunderstand something?"

Fu Hanchuan's expression was cold. "Six months ago, you wanted me to work in the company and work like a slave. This time, you want me to help you find a collaboration. Is there such a good thing in the world?"

Old Master Fu said in a deep voice, "I'm your grandfather, and you're a member of the Fu family. You have this obligation!"

Qin Sheng sneered. "You've already cut off your relationship with Brother Fu. How can he still be a member of the Fu family?"

Old Master Fu had never been kind to Qin Sheng. Now, hearing Qin Sheng's words, he glared at Qin Sheng. "How can an outsider like you interfere in the affairs of our Fu family?"

Fu Hanchuan's eyes were cold.

He could tolerate being slandered, but Old Master Fu should not have directed his anger at Qin Sheng.

"Sheng Sheng and I are both outsiders. I have no obligation to help you."

Fu Hanchuan even deliberately looked at Fu Hongyi. "Not only are we not family, but we can also be considered enemies."

Fu Hanchuan's gaze made a chill rise from the soles of his feet.

Fu Hongyi said unhappily, "Fu Hanchuan, how can you say that? If it weren't for me, would you have appeared in this world?"

Fu Hanchuan ignored Fu Hongyi's words.

He looked at Old Master Fu and said, "I've already repaid your kindness three years ago. Now, the life and death of your Fu family has nothing to do with me. I won't help you with this project."

Old Master Fu was trembling with anger.

"Fu Hanchuan, why can't we find a partner company? It's all because of you!!"

Fu Hanchuan smiled and said, "I've warned you before. Sheng Sheng is my bottom line. You can't mess with it. That was just a warning to you. Now that you've messed with it again, you'll never find a partner company for this project."

Old Master Fu's face alternated between green and white. It was a wonderful scene.

So when he asked Fu Hanchuan to come back, he didn't help the Fu Corporation and asked him to deal with the Fu Corporation?

"Also," Fu Hanchuan narrowed his eyes and said with a smile, "Since I can help the Fu Corporation back then, I can make it bankrupt at any time."

"You, you..."

Old Master Fu stood up from his seat.

He pointed at Fu Hanchuan, but couldn't say a word.

Chapter 652: Qin Sheng Had An Affair With Another Man

Fu Hongyi's expression was extremely ugly. It was obvious that Fu Hanchuan did not put him in his eyes.

He was Fu Hanchuan's biological father!

Fu Hongyi said, "Fu Hanchuan, I really regret letting your mother give birth to you! As expected, the son she gave birth to isn't anything good either."

Fu Hanchuan's eyes were ice-cold.

He glanced at Fu Hongyi and said, "Fu Hongyi, I will send you and Zhou Sihui to prison one day."

Fu Hongyi panicked.

Then, he thought of something and straightened his back.

"Fu Hanchuan, I don't know what you're talking about."

Fu Hanchuan didn't expose him.

He turned his head and looked at Qin Sheng. His originally cold expression had visibly softened.

He said in a low voice, "Sheng Sheng, let's go."

The two of them stood up and walked towards the door.

Old Master Fu fell onto the sofa. He was so angry at Fu Hanchuan that his chest heaved up and down vigorously.

Knowing that Fu Hanchuan would not help them, Old Master Fu did not stop Fu Hanchuan.

Fu Shihan came down from upstairs and happened to bump into Fu Hanchuan.

She was delighted and ran in front of Fu Hanchuan.

"Brother Hanchuan, you're back."

Fu Hanchuan didn't respond to her. Fu Shihan was obviously used to it. She continued, "You're back. Why don't you stay for dinner? Brother Hanchuan, why don't you have dinner before you leave?"

Fu Hanchuan still ignored her.

Fu Shihui glared at Qin Sheng and cursed the vixen in her heart.

However, she didn't dare to say anything bad about Qin Sheng in front of Fu Hanchuan.

She said excitedly, "Brother Hanchuan, I got into the Capital Film and Television University."

Fu Shihan was waiting for Fu Hanchuan's praise.

Who knew that Fu Hanchuan did not even look at Fu Shihan?

He lowered his eyes and looked at Qin Sheng. His eyes were filled with pride.

Qin Sheng was very confused. "Brother Fu, what's wrong?"

Fu Hanchuan only laughed softly.

Fu Shihan saw that Fu Hanchuan was still ignoring her, so she was unhappy. She stomped her feet and said, "Brother Hanchuan, aren't you going to say something?"

Fu Hanchuan finally opened his mouth and said, "Capital Film and Television University?"

Fu Shihan nodded with a face full of anticipation.

Her heart was filled with joy. Fu Hanchuan would definitely praise her.

Fu Hanchuan glanced at Fu Shihan and said, "Sheng Sheng, the top scorer in the college entrance examination, with a perfect score, is going to Imperial Capital University."

His tone was full of pride.

Fu Shihan: "..."

Her smile froze on her face.

Fu Hanchuan did not show any mercy. "Your results are very poor."

Hearing that, Qin Sheng could not help but laugh.

Fu Shihan could not control herself anymore, and her eyes turned red.

"Brother Hanchuan, I'm your sister. How can you say that about me?"

Fu Shihan stubbornly treated Fu Hanchuan as her brother, even though Fu Hanchuan had never admitted it.

She suddenly pointed at Qin Sheng and said, "Brother Hanchuan, did you know? Last time at the clothing store, the CEO of HD Group gave Qin Sheng the clothes he designed. There must be something going on between them. Brother Hanchuan, don't be fooled by her."

Fu Hanchuan sneered and didn't want to bother with Fu Shihan anymore.

He and Qin Sheng interlocked their fingers and left the Fu Residence together.

Fu Shihan wanted to chase after them but was stopped by Fu Hongyi. "Han'er, come back!"

Fu Shihan didn't dare to disobey Fu Hongyi.

She could only look at their backs with hatred.

She clenched her fists.

It must be Qin Sheng. If it weren't for Qin Sheng, Fu Hanchuan wouldn't treat her like this!

As expected, she was a vixen who had charmed her Brother Hanchuan.

He didn't even blame her for the affair!

Fu Shihan returned to the living room.

Old Master Fu was so angry with Fu Hanchuan that his heart was swelling and hurting. He had just taken the medicine and recovered.

Chapter 653: Was Determined To Win Over Ye Yutong

Fu Hongyi frowned and said, "Han'er, Fu Hanchuan is not a member of the Fu family. You don't have to call him brother."

Fu Shihan bit her lip and did not say anything.

Old Master Fu was obviously furious. He nodded and said, "That's right. A person like Fu Hanchuan is not worthy to be my grandson."

Fu Shihan retorted softly, "Grandfather, Brother Hanchuan was merely bewitched by that vixen. He will understand in the future."

Old Master Fu remembered that no company was willing to work with them on that project because Fu Hanchuan stood up for Qin Sheng.

His eyes were very cold. "As expected of a vixen."

Old Master Fu had made up his mind that he could not let Qin Sheng marry Fu Hanchuan.

The Fu family already had a Zhou Sihui. He did not want a second Zhou Sihui to appear.

Although Qin Sheng's results and abilities were excellent, Old Master Fu still steeled his mind.

The stronger her abilities were, the more Old Master F was worried that he would not be able to control her and would let Qin Sheng take over the company.

Fu Shihan sat beside Old Master Fu, hugged his arm, and said coquettishly, "So, Grandfather, you can't let Brother Hanchuan be with that vixen."

Old Master Fu patted Fu Shihan's hand. "Grandfather is old and doesn't have much energy to deal with this matter. This still requires Yutong to work hard."

Fu Mingxu, who had just returned from outside, heard Old Master Fu's words, and his eyes flashed.

He changed into his slippers and walked in.

"Grandfather."

Old Master Fu nodded and said with a sigh, "Yutong is so outstanding. It's such a pity to be paired with Hanchuan. How good would it be if she could be together with Mingxu?"

He sighed. "It's a pity that she has her heart set on Fu Hanchuan."

"Grandfather, I can understand why Yutong likes Brother Hanchuan. After all, Brother Hanchuan is very outstanding." Fu Mingxu smiled warmly.

Old Master Fu sneered. "No matter how outstanding he is, he can't help our Fu Corporation in any way!"

Fu Hongyi said from the side, "Dad, Mingxu has graduated this year. If you have time, why don't you ask Mingxu to help the company and train him? That way, Mingxu's ability will definitely not be weaker than Fu Hanchuan's."

Old Master F frowned and rejected Fu Hongyi's suggestion. "We'll talk about this in the future."

Fu Mingxu was very understanding. "Grandfather is in good health and has the energy to handle the company's matters. He doesn't need my help. Besides, doesn't the company have Dad?"

Old Master F nodded in satisfaction.

Fu Mingxu's words were very in line with his thoughts.

He rarely said, "Mingxu, you don't have to worry. Sooner or later, this company will be handed over to you. As for Fu Hanchuan..."

Old Master Fu snorted coldly. "He can forget about getting a share of the Fu family's assets."

Fu Mingxu lowered his head, his eyes full of pride.

Fu Shihan poured a cup of tea for Old Master Fu. "Grandfather, don't worry. I will definitely manage the company well."

She had listened to Fu Mingxu's words.

When Fu Hanchuan was down and out and had something to ask of them, Fu Hanchuan would definitely treat her as his younger sister.

Therefore, the shares of the Fu family could not fall into Fu Hanchuan's hands.

Old Master F took the tea. He felt that Fu Shihan was extremely considerate.

He thought of something and reminded, "Fu Hanchuan has been bewitched by Qin Sheng. She is going to study at Imperial Capital University. Fu Hanchuan should follow her. Han'er, in the capital, you have to help Yutong and Hanchuan get closer."

Fu Shihan nodded obediently. "Grandfather, I will definitely do that."

"That's good." Old Master Fu Drank the tea.

Fu Mingxu, who was sitting at the side, pinched his fingers. There was a look of determination in his eyes.

Chapter 654: Destroying the Two of Them

On the other side, Fu Hanchuan and Qin Sheng left the villa. Qin Sheng's eyes were filled with obvious worry.

Fu Hanchuan enjoyed the way Qin Sheng cared for him, but he couldn't bear to let Qin Sheng worry.

He said in a low voice, "Sheng Sheng, don't worry. I'm already used to this. I don't have any feelings for the Fu family. To me, they're just some outsiders."

Qin Sheng frowned. "Brother Fu, we're the same type of people. We don't have the love of our parents."

1

Fu Hanchuan rubbed Qin Sheng's fluffy hair.

"Yes, doesn't Sheng Sheng not care about Lin Shuya and Qin Hai as well? I feel the same way as you."

Fu Hanchuan talked about his childhood. "Fu Hongyi and Zhou Sihui might have drugged my mother."

Qin Sheng was very surprised. "This?"

Fu Hanchuan said sarcastically, "All these years, I've been looking for evidence. Unfortunately, they've been very secretive and it's been too long, so it's very difficult to find."

Qin Sheng held Fu Hanchuan's hand. "Brother Fu, we'll definitely find it."

Fu Hanchuan smiled. "We'll definitely find it."

Even if they didn't find it, it wouldn't matter.

Fu Hanchuan had previously thought that the reason he lived in this world was because of Mother Fu.

But now, with Qin Sheng, he had something to care about.

Fu Hanchuan hugged Qin Sheng in his arms, his face buried in Qin Sheng's neck.

His voice was very low. "Sheng Sheng, promise me that you won't leave me in the future."

1

Fu Hanchuan could still feel the pain of him guarding Qin Sheng in his dreams.

His heart ached at the thought of Qin Sheng leaving him.

Qin Sheng clenched her fists and hugged Fu Hanchuan tightly. "Brother Fu, I won't leave you, ever."

The two of them hugged for a long while before Fu Hanchuan finally calmed down.

Fu Hanchuan was worried about gains and losses.

Although he knew that Qin Sheng was a person who kept her word and would not leave him easily, he could not help but be afraid. After all, everything in his dream was real.

Fu Hanchuan kept feeling that all of this was very unreal.

—

One week before the start of the semester at Imperial Capital University.

HD Group had successfully moved to Imperial City because there were many things to do, so Fu Hanchuan had to go there earlier.

Shengshi Technology had also moved there, so Qin Sheng also needed to be busy.

So, the two of them were going to Imperial City together.

Before they left, they went to the Lu Residence to say goodbye.

Old Master Lu held Qin Sheng's hand and said reluctantly, "Sheng Sheng, when you go to the Imperial Capital, remember to think of your Grandfather Lu. Grandfather Lu can't accompany you there."

As he said this, he glared at Fu Hanchuan.

Fu Hanchuan rubbed the space between his brows and felt a headache. "Grandfather, your body needs to stay in H City."

Old Master Lu said unwillingly, "I've already said that I'm fine."

Then, he narrowed his eyes and looked at Fu Hanchuan suspiciously. "Hanchuan, tell me, are you afraid that I'll ruin your and Sheng Sheng's private life, so you won't let me go over?"

Fu Hanchuan indeed had such thoughts.

1

After all, back in H City, he had used all sorts of reasons to stop him from being with Qin Sheng.

Of course, he couldn't let Old Master Lu know about this.

Fu Hanchuan brought Qin Sheng out. "Grandfather, Sheng Sheng is also worried about your health. Didn't she ask some experts to come over and take a look at your body some time ago?"

Hearing Fu Hanchuan's words, Old Master Lu's entire being fell silent.

He didn't want to see Fu Hanchuan again.

He let go of Qin Sheng's hand and waved his hand in disgust. "It's getting late. You guys can go."

Chapter 655: Took Away the Scholarship

At this moment, Lu Ming ran over and asked, "Brother, do you have a house outside?"

Fu Hanchuan did not hide it. "Yes."

Lu Ming rubbed his hands and asked with anticipation, "Then Brother, there are so many rooms, and they are empty anyway. Let me stay there too."

Lu Ming thought that living with Fu Hanchuan could help him earn a living. This way, he could save a lot of living expenses.

He had a total of 600,000 yuan in his hands from the school, the city, and the province.

This was a huge sum for Lu Ming, but he was afraid that something unexpected would happen and that it would not be enough for his four years of expenses.

So, he would save as much as he could.

He did not want to work outside. He only wanted to muddle along and wait for death.

Fu Hanchuan rejected him without hesitation. "Live in the school."

Lu Ming: "..."

As expected, he shouldn't have held out hope for this.

Fu Hanchuan added, "Or you can pay the rent, 20,000 a month."

Lu Ming: "..."

After a long while, he finally said, "There's no need. The accommodations at the school are very good and convenient. There's no need to stay outside."

On the surface, Lu Ming didn't dare to say anything.

But in his heart, he was cursing Fu Hanchuan for being evil.

He was even trying to scam his biological brother's money.

He asked again, "Then Sister-in-law, ahem, where is Sheng Sheng going to live?"

Qin Sheng replied, "Sometimes, I will live with Brother Fu. I will also go to the dormitory on campus."

Imperial Capital University had said that they would arrange a separate dormitory for Qin Sheng.

However, Qin Sheng knew that the dormitory of Imperial Capital University was rather tight. She had received a 10 million yuan bonus from Imperial Capital University, so Qin Sheng very kindly rejected the separate dormitory that Imperial Capital University had arranged for her.

She rarely returned to the dormitory.

Fu Hanchuan raised his hand to look at his watch and said, "There's not much time now. Let's go to the airport."

Qin Sheng gave Old Master Lu a hug. "Grandpa Lu, I'll come back to visit you often."

Old Master Lu's eyes reddened. "Okay, Sheng Sheng. Remember to protect your body when you're outside."

Not long after, Qin Sheng and Fu Hanchuan left.

Lu Ming had been holding it in for a long time. As soon as they left, he couldn't help but complain, "Grandpa, let me tell you. Brother must be worried that we'll disturb his and Sister-in-law's private time, so he rejected us."

Old Master Lu glanced at him in disdain.

"Lu Ming, don't think that I don't know what you're thinking. Didn't you want to go over and eat and drink?"

He was hit in the head.

Lu Ming's face was very red. He retorted indignantly, "Grandpa, it's all because you're so stingy. If I had the living expenses, I wouldn't have to go over and freeloader."

Old Master Lu said, "I think that your bonus should be 600,000 yuan."

Lu Ming was very surprised. "Grandpa, how did you know?"

Old Master Lu snorted coldly. "How can you hide such a small matter from me?"

This was also the reason why he had said that he would not give Lu Ming any living expenses.

The Ministry of Education naturally would not mistreat Lu Ming, who was ranked 11th in the country.

If he could save some money, that money would be enough for Lu Ming to last for four years.

Old Master Lu knew Lu Ming's character very well. If he had money, Lu Ming would not be able to control his hands and would go on all sorts of wild adventures.

Old Master Lu did not want Lu Ming to be like the other young masters of the wealthy families who spent money all day without restraint.

Therefore, Old Master Lu gave Lu Ming a very small amount of pocket money.

Left and right, Lu Ming's food and clothing expenses were all paid by the Lu family.

As long as Lu Ming saved a little, a thousand a month's pocket money for high school was enough.

Lu Ming naturally did not know Old Master Lu's good intentions.

At this moment, his face was full of vigilance as he covered his pocket. "Grandpa, don't tell me you want to take away all my bonus?"

Chapter 656: Lu Ming: Run Away From Home

The more he thought about it, the more he felt that Old Master Lu would do this.

He said angrily, "Grandpa, this money is mine. You can't take it. Otherwise, I'll run away from home."

1

Old Master Lu: "..."

He rubbed his aching glabella.

Then he raised his walking stick and hit Lu Ming's calf. "How can I take a fancy to that little bit of money of yours?"

Lu Ming was relieved.

However, he whispered, "You can't say that. After all, your painting is worth hundreds of millions. You're so stingy with me that you can't even give me some pocket money."

After hearing Lu Ming's words, Old Master Lu used his walking stick again.

"Brat, are you itching for a beating?"

Lu Ming cried out and then cleverly ran far away. Old Master Lu couldn't hit him anymore.

"I'm busy."

Lu Ming didn't want to stay with Old Master Lu for the time being. Every time they didn't get along, he would get beaten up.

Fortunately, his skin was rough and his flesh was thick. Otherwise, how many scars would he have left on his body?

Old Master Lu snorted coldly and then poured himself a cup of tea. He sipped it carefully.

—

The plane was very fast.

Moreover, H City was not very far from the capital.

They arrived in three hours.

As soon as they got off the plane, Assistant Lin came up to greet them. He said respectfully, "President."

"Okay."

Fu Hanchuan handed his luggage to Assistant Lin while he took the things from Qin Sheng.

“Sheng Sheng, let me do it,” Fu Hanchuan said in a deep and pleasant voice.

“Okay.”

The two of them were now lovers. Qin Sheng did not hesitate and directly handed the luggage in her hand to Fu Hanchuan.

The backpack on her back was very light.

Fu Hanchuan didn't help her carry it.

“Have you found a house?” Fu Hanchuan asked.

Assistant Lin nodded. “Yes, it's near Imperial Capital University. Our company's location is only twenty minutes away from Imperial Capital University. The decoration inside has been done according to your instructions, President.”

“Okay.”

Assistant Lin drove Fu Hanchuan and Qin Sheng to the villa.

This villa was also very big, and it was located in the wealthy district.

Without 100 million yuan, it couldn't be bought.

Qin Sheng walked into the villa and was very surprised to see the decorations inside.

Fu Hanchuan took the initiative to explain, “The decorations are the same, so you can get used to it faster.”

Of course, this house wasn't as big as H City, but the decorations of the villa were the same.

Assistant Lin had already sent people to clean the villa in advance, so there was no need to tidy it up now.

The dishes in the kitchen were also ready.

Fu Hanchuan looked at the time. It was already 4 o'clock in the afternoon.

He put Qin Sheng and his suitcase upstairs and went into the kitchen.

“Sheng Sheng, I need to go to the company tonight. I will be back at 9 o'clock.”

Fu Hanchuan peeled two prawns and placed them in Qin Sheng's bowl.

“Okay.” Qin Sheng nodded. “I can do it alone.”

After dinner, Fu Hanchuan left the villa.

Qin Sheng logged into Black Emperor.

This time, it was rare that Fu Hanchuan did not follow her.

With Fu Hanchuan's intentional push, everyone in Black Emperor knew about the relationship between Qin Sheng and Fu Hanchuan.

However, they didn't know if Qin Sheng was a man or a woman.

They knew that C must be a man, so QS was most likely a woman.

But how could a woman be so good at hacking?

They were very suspicious.

Black Emperor had been quarreling nonstop about whether Qin Sheng was a man or a woman.

They were even divided into two factions because of this matter.

Chapter 657: QS Is a Woman!

Many of them had come to ask about Qin Sheng's identity, but neither Qin Sheng nor Fu Hanchuan had told them.

They were really curious.

Although there was basically no result, they could not help but ask.

At this moment, Qin Sheng was online.

The hackers waited for a while, but Fu Hanchuan was not online.

Therefore, they mustered their courage and asked again, [QS, can you tell us your gender so that we can give up?]

[Yes, yes, yes, QS, you see it too. Every time you come online, we will come over and ask. If we ask too many questions, you will also feel annoyed, right? Why don't you tell us? It will save you a lot of trouble.]

[QS, there's nothing to hide about gender. If you tell us, you won't lose a layer of skin, don't you think so?]

Qin Sheng leaned against the back of her chair and saw the dialog boxes that popped up on the computer screen.

Her fingertips tapped lightly on the table.

Her red lips parted slightly. "Tell?"

Lu Ming was also online.

He was secretly peeping at the screen and didn't say anything.

He was praying in his heart that QS had to be a man.

Although Fu Hanchuan had led everyone to say that he and Qin Sheng were a couple, and QS was the initials of Qin Sheng's name, the fact that Qin Sheng was QS basically did not go away.

Lu Ming could not help but feel a sense of hope.

QS had such technology. Could it be that Qin Sheng was a girl? No way...

Lu Ming was lying to himself.

After waiting for a long time for Qin Sheng's answer, the hackers could not help but continue asking.

They could not help it, they were too curious.

This time, they did not have any hope that Qin Sheng would tell them.

As far as they knew...

Suddenly, a message popped up on the computer...

[QS: Woman]

Qin Sheng's reply was the same font size as the other hackers.

However, the word 'Q' and 'S' were written in capital red, which was very eye-catching.

The originally lively world instantly quieted down.

It was as if a pause button had been pressed.

There wasn't a single message after a long time.

After a long while...

[F*ck!]

[F*ck!!]

[F*ck!!!]

One by one, they started to type 'f*ck'.

It was very neat and very fast.

They were really shocked. QS was really a girl.

"F*ck!"

In the Lu family, Lu Ming sat in front of the computer and could not help but curse.

QS was really a girl?

In that case, QS must be Qin Sheng.

With his brother's character, other than Qin Sheng, he would never get close to other girls.

"This is too perverted. Do you want me to live?"

Lu Ming leaned back in his chair with a look of despair on his face. He raised his head and looked at the white ceiling.

Qin Sheng was really a pervert!

Her good grades and the top scorer with full marks were already perverse enough.

She, she was actually QS!

A pervert that could even compare to his brother.

Ordinary people like them really had no way of surviving.

The key was that Qin Sheng was a girl?!

In terms of hacking skills, shouldn't the average guy be more outstanding? Qin Sheng was actually able to easily insta-kill him.

Lu Ming felt like he was autistic.

He didn't want to look at Black Emperor's matters anymore, but he didn't turn off his computer.

On Black Emperor's discussion forum.

A series of 'f*ck' comments had already reached 9999+.

After a few minutes, they finally calmed down a little.

One by one, they could not help but speak up and ask Qin Sheng.

[QS, are you sure you're a woman? Are you trying to shake us up?]

[F*ck, this is so exciting. QS, tell me, how did you hook up with C? Or did you guys know each other from the start?]

Chapter 658: Domestic Abuse

[QS, Tell Me, why would a girl like you be so arrogant? Aren't girls supposed to be gentle, weak, and well-behaved little sisters? "Why did everything change the moment I came to you? You just came here, so I really want to f*cking drag you out and beat you up. I'm so angry.]

[The one upstairs, although QS said she's a girl, I still don't believe it. I suspect that she's playing with us.]

Many people did not believe Qin Sheng's words.

There was no other reason. The main reason was that Qin Sheng's performance on the internet was really not like a girl.

Not only was her hacking skills good, she was also so arrogant.

This was definitely the performance of a burly man.

Could she be a delicate little sister?

Those hackers all fell into doubt.

Some hackers questioned.

[I really suspect that QS is joking with us. I can't believe what QS says. If QS can post a photo, I can barely believe it.]

[Right, post a photo.]

[QS, how old are you?]

[...]

Messages popped up one after another. Qin Sheng quickly scanned through them but did not answer. She went to the trial ground alone to hack the system.

After Qin Sheng had conquered one, without Fu Hanchuan around, Qin Sheng felt bored and went offline immediately.

Qin Sheng's hacker logo darkened.

Those hackers also knew that Qin Sheng would not answer their questions, so they turned to ask Lu Ming.

[Handsome, are you sure you still want to hide it from us? Are we still friends?]

[Handsome, how old is she? Is she pretty? Is she a girl?]

At this moment, Lu Ming had already calmed down a little.

He just happened to see these hackers sending him messages.

Lu Ming thought for a moment, then replied to some of their messages, [Female, around 20 years old, looks like a goddess?]

When those hackers saw this reply, they were stunned for a moment, then they quickly flooded the screen.

[Really? She's so young? And a goddess? Handsome, it's not fun to lie to people.]

[QS is a goddess? Ahem, I can't believe it. With her arrogance, if she's a woman, she's definitely a tigress.]

[Handsome, I know you like to joke. You must be joking with us.]

[...]

Lu Ming saw that everyone was questioning him and was unhappy.

Was he so unconvincing?

His fingers quickly tapped on the keyboard.

He typed a row of words and sent it out, [Believe it or not, if you don't believe it, then forget it.]

After sending it, he went offline.

Lu Ming had been unable to digest the fact that Qin Sheng was QS.

Previously, he had carried some hope with him.

But after Qin Sheng personally said that she was a woman, this fantasy was completely shattered.

Qin Sheng was a girl. It really f*cking hurt.

She was crushing him everywhere.

Lu Ming felt that not having depression, he was already extremely strong in his heart.

After hearing what Lu Ming said, most of the hackers in Black Emperor had confirmed that Qin Sheng was a woman.

As for what Lu Ming said, they didn't believe that Qin Sheng was around 20 years old.

A woman, who was only around 20 years old, could beat up so many of their hackers? She was even ranked first on par with C. What a joke?

As for the goddess...

They were even more disdainful.

QS was so vile and arrogant. No matter how beautiful she was, she could not be considered a goddess.

However, many people were still very curious about Qin Sheng's appearance.

They specifically discussed it on the QS Discussion Forum.

[After hearing what the Handsome said, I'm actually quite curious about QS's appearance.]

[+1 above, I also want to see the photos of QS. There are too few girls among us hackers. Suddenly, a girl sneaks in. Cough, cough, I'm really curious. I don't have any other thoughts. I swear, I'm just curious.]

[The two brothers above, your tastes are really heavy. If you marry QS, I'm afraid you'll be subjected to domestic violence.]

[...]

Chapter 659: Stepping Into the Entertainment Industry

They had a heated discussion.

Today, they had learned from Qin Sheng that she was a woman. Although they had made this guess before, they couldn't help but be shocked.

A girl could actually be so good at hacking?

Those hackers who had competed with Qin Sheng had been dealt a terrible blow.

Losing to Qin Sheng was humiliating. It was too humiliating!

As for Lu Ming, he had not been on Black Emperor for a week.

Qin Sheng did not know that because she had simply admitted her gender, she had caused a huge commotion on Black Emperor. For three days in a row, they had been discussing this matter.

—

The next day.

Qin Sheng went to the company.

She stood downstairs and looked up at the tall building in front of her. This building had twelve floors.

She had spent seven hundred million to buy it.

This area was located in the center of the Imperial Capital and had an extremely good location.

The name hadn't been hung up yet.

However, the company's equipment and interior decorations had already been arranged.

Many people were curious as to who was so rich and powerful to buy such a large company in one go.

Many people were waiting, but who knew that the people who came to the company were all unfamiliar faces.

They didn't know each other.

Thus, there were all kinds of guesses about Shengshi Technology.

More guesses were about which famous brand's headquarters had entered the capital.

Hong Yuan had also heard of these guesses, but he didn't respond.

He had also learned some of Qin Sheng's personality.

Keeping a low profile and not making a fuss would save a lot of trouble.

On this day, Qin Sheng came to the company.

Hong Yuan knew that Qin Sheng would come over, so he had been waiting for her at the entrance of the company.

When he saw Qin Sheng, he went up to her.

"Boss."

"En." Qin Sheng nodded lightly. She asked, "Have you arranged everything for the company?"

Hong Yuan answered, "Everything has been arranged, but the company's signboard hasn't been sent over."

"No problem." Qin Sheng thought for a moment before asking, "Uncle Hong, you can arrange for the recruitment of the employees now."

Hong Yuan agreed.

Suddenly, he frowned and said, "Boss, what plans do you have for such a big company?"

When he first arrived at the company, he was really shocked.

He even thought that he had made a mistake.

What did Qin Sheng say back then?

It was just a small company?

How could it be considered a small company?

Qin Sheng's fingertips lightly tapped on the table. When she heard this, her lips curled up. "Gaming, entertainment, real estate."

"What?"

Hong Yuan did not react.

Qin Sheng raised her eyebrows and did not answer.

A minute later, Hong Yuan finally understood what Qin Sheng meant. He coughed a few times consecutively. If he had been drinking water, he would definitely have spat it out.

His face was red from holding it in. "Boss, it's not enough that you're involved in gaming and real estate? Are you still planning to step into the entertainment industry?"

It was not that there were no other companies that spanned across many fields.

However, no other company would be like Qin Sheng, who had opened gaming and real estate companies in less than half a year.

Now, she actually wanted to open an entertainment company?

Qin Sheng glanced at him. "Is there a problem?"

"No, there's no problem."

Hong Yuan quickly shook his head.

He did not dare to question Qin Sheng. Otherwise, he would definitely be slapped in the face.

For a pervert like Qin Sheng, opening an entertainment company would definitely not be a problem.

Now that Shengshi Technology had released a blockbuster game, it had become a hot and thorny gaming company.

Shenghua Real Estate wasn't doing as well as Shengshi Technology, but it was not that bad either.

Chapter 660: Was Destined Not To Belong To You

Hong Yuan felt that as long as Qin Sheng stepped into the field, Qin Sheng's company would definitely become one of the best.

Qin Sheng narrowed her eyes. "Uncle Hong, you can take a look at which company you can buy recently. If there isn't a suitable one, we will create it ourselves."

Hong Yuan listened to Qin Sheng's words and nodded. "Okay."

Su Yixiu just happened to walk into the office.

"General Manager."

He was stunned when he saw Qin Sheng. Then, he lowered his head and shouted, "Sheng Sheng."

Qin Sheng nodded.

She looked at Hong Yuan. "Uncle Hong, after the entertainment company is established, I'm prepared to let Yixiu temporarily become the general manager of the entertainment company."

Hong Yuan nodded. "No problem."

Su Yixiu had followed Hong Yuan for nearly three months and had learned a lot.

He was also an extremely talented person and knew how to draw inferences from one example.

It would not be a problem to hand over the entertainment company to Su Yixiu.

Su Yixiu was stunned. He did not expect Qin Sheng to hand over such an important task to him.

He quickly rejected, "I'm worried that it will be very difficult to manage the company well. Moreover, will I not have enough time to take care of the company?"

Qin Sheng smiled. "It's alright. This entertainment company is just starting out, so there's not much to do. Uncle Hong will also help."

Hong Yuan also advised, "Yixiu, with your talent and ability, you don't have to worry."

Hearing what they said, Su Yixiu could only agree. "I'll work hard."

"Okay." Qin Sheng nodded. "Yixiu, you can go and learn about the entertainment industry. If there's anything you don't understand, you can let Uncle Hong teach you."

Upon hearing this, Hong Yuan's gaze fell on Qin Sheng with resentment.

Look at what she said.

She wanted to be a hands-off manager again and push the work onto him again.

Hong Yuan added faintly, "Boss is more capable than me. You can look for her too. Besides, you're both at Imperial Capital University. It's convenient too."

Qin Sheng: "..."

She rubbed the space between her eyebrows. It was a headache.

She said helplessly, "If you have any problems, you can look for me."

Su Yixiu was a quiet person. If he did not understand a problem, he would think of ways to find information to solve it. If he really did not know how to deal with it, he would come back to ask for advice, unlike Hong Yuan and Yu Bei, who kept looking for her.

Therefore, Qin Sheng agreed to let Su Yixiu look for her.

Su Yixiu agreed.

Qin Sheng raised her hand and looked at the watch that Fu Hanchuan had given her. It was already 12 o'clock.

Fu Hanchuan had already arrived at the office and was waiting for her.

Hence, she nodded. "I'll be going back first."

Finally, she reminded, "Yixiu, school is the most important thing. If you can't handle it, I can send some people over to help you."

After saying that, Qin Sheng left.

Downstairs, Qin Sheng came out of the company. Fu Hanchuan, who was leaning against the car, walked over. The two of them were very close, as if they were talking about something.

Their actions were intimate.

Finally, Fu Hanchuan opened the car door and very gentlemanly escorted Qin Sheng to the front passenger seat.

He went around to the other side and sat in the driver's seat.

The car drove away.

This scene fell into the eyes of Su Yixiu, who was standing in front of the French window. A hint of loneliness flashed across his eyes.

Hong Yuan noticed Su Yixiu's strange behavior.

When he walked to the window, he saw Qin Sheng and Fu Hanchuan.

So, what was Su Yixiu doing?

He frowned and looked at Su Yixiu with a complicated expression.

Sure enough, it was just as he had thought.

Su Yixiu liked Qin Sheng.

Su Yixiu had followed Hong Yuan for so long. He also treated Su Yixiu as his younger brother.

He sighed and said, "Yixiu, some people are destined not to belong to you."
