Chapter 691: Zhao Xiang Embarrassed

Shen Jiayue hesitated for a moment before saying, "I'll go over and take a look."

"Go."

Hence, Shen Jiayue suppressed the fear in her heart and went behind Qin Sheng.

She thought of how she had been taught a lesson by Qin Sheng just now, and her legs were trembling.

She only looked at it for less than ten seconds.

Shen Jiayue then returned to Zhao Xiang's side. "Xiang Xiang, Qin Sheng wrote a speech script, and it was really her who's going to speak."

Zhao Xiang was very unwilling.

It didn't matter who it was, but Qin Sheng had to be the freshmen representative!

Wasn't this stepping on her face?

Shen Jiayue rolled her eyes and quickly thought of a countermeasure.

Since Qin Sheng dared to do this, then don't blame her.

Shen Jiayue lowered her voice. "Xiang Xiang, this time, the freshmen representative will only be you. You write the speech first. When the time comes, I will help you steal Qin Sheng's speech. She will definitely not be able to speak. The school will not be able to find anyone else to replace her. They will definitely let you go on stage."

Zhao Xiang was delighted.

If she could succeed, she would be the one speaking.

Even if Shen Jiayue was discovered, it would have nothing to do with her.

Zhao Xiang smiled. "Jiayue, if it can be done, I will definitely not mistreat you."

"Thank you, Xiang Xiang."

Shen Jiayue suggested again, "Xiang Xiang, you should hurry and write it now. You need to write a manuscript with more than 3,000 words."

Zhao Xiang was very worried. "Can it really be done?"

She thought of another possibility. If the matter was exposed, the school might find her.

Shen Jiayue patted her chest and promised, "Don't worry, it will be done."

She was very confident.

She had done this before.

Zhao Xiang heaved a sigh of relief.

On the other side, Qin Sheng noticed Shen Jiayue standing behind her and reading her manuscript.

She didn't have much of a reaction.

She focused on writing the manuscript.

In less than twenty minutes, she had written 3,000 words.

It was exactly 3,000 words, not a single word more, not a single word less.

Qin Sheng took out the USB and imported the speech into the USB. Before the freshmen assembly started, she could go and print a few pages.

As for what Shen Jiayue said, that she would steal Qin Sheng's manuscript, Qin Sheng did not know.

Of course, even if she knew, she would not care.

After all, her memory was very good. As long as she read it once, those things could be completely memorized in her mind, not to mention the things that she had personally written once.

So, even if she did not have a paper with her speech on stage, she did not have to worry too much.

Zhao Xiang listened to Shen Jiayue's words.

She did not sleep for an entire afternoon. She wrote for an entire hour and a half before she was done.

When she went to class, she was already five minutes late.

The professor had already arrived at the podium.

He was very strict. He could not stand people who were late, left early, and skipped class.

At this moment, Zhao Xiang was late.

The professor asked Zhao Xiang to get up and answer a question.

This knowledge point was still very new and had not been taught before.

Zhao Xiang stood on the spot, stammering, and could not answer.

The professor frowned, waved his hand, and made Zhao Xiang sit down.

"Since it's your first time, I'll let it go this time. You can't be late next time. Also, go down and write a 1,000-word self-criticism letter. Send it to my email tomorrow."

"Yes."

Zhao Xiang's face turned red. In the class, she was the first student to be criticized.

She could feel the mocking gazes of the students in the class.

She was very unwilling.

Wasn't it just being late one time?

Did he have to embarrass her in front of so many people?

The professor's gaze fell on Qin Sheng again. "Student Qin Sheng, you answer this question."

Zhao Xiang immediately looked at Qin Sheng.

Her eyes were filled with unconcealable schadenfreude.

Chapter 692: The Dazzling Qin Sheng

The professor's question was newly taught. She was certain that she had not learned this knowledge yet.

Even she could not answer the question, let alone Qin Sheng.

Qin Sheng frowned and thought for a long time.

She could not figure out what the professor had asked.

Just now, uh, she was distracted again.

Seeing that Qin Sheng did not answer, the professor asked again, "Student Qin Sheng, you don't know the answer either?"

Qin Sheng blinked. "Can you say it again?"

The professor frowned. Not listening to the lecture?

He repeated the question. If Qin Sheng couldn't answer it, he was ready to teach her a lesson.

No matter how powerful a top scorer in the college entrance examination was...

If she didn't listen to the lecture, her grades would fall, not to mention her research results.

Zhao Xiang's eyes revealed some mockery.

She was just waiting for Qin Sheng to make a fool of herself.

Qin Sheng only frowned and thought for a few seconds before answering, "The internal organs of the human body..."

Qin Sheng's voice was extremely pleasant to the ears.

It was cold, but there was also a hint of laziness.

It was very easy to get lost in it.

Listening to her talk was a form of enjoyment.

Qin Sheng's voice was neither slow nor fast, and it was clear and organized.

It was obvious that Qin Sheng understood the content of this part very well.

The professor's tightly furrowed brows also gradually relaxed.

Qin Sheng was indeed worthy of being the top scorer in the college entrance examination!

Zhao Xiang saw the professor's reaction. She knew that Qin Sheng's answer was correct.

She bit her lip and was very unwilling.

Why was Qin Sheng able to answer?

Qin Sheng's answer lasted for seven minutes.

The professor waved his hand and let Qin Sheng sit down.

He couldn't help but ask, "Student Qin Sheng, did you read this part in advance? Do you usually read some extra-curricular books?"

The knowledge Qin Sheng answered not only contained the knowledge in the textbooks.

It also included a lot of extra-curricular content.

It was extremely professional and also connected to reality.

Even the professor himself had to admit that his answer was far inferior to Qin Sheng's.

No wonder she could become the top scorer in the college entrance examination, and the only top scorer with full marks ever since the college entrance examination was launched.

Qin Sheng nodded and did not hide anything. "I've read some."

The professor nodded in appreciation. "It's a good habit to prepare in advance. I hope all of you can do it. If you want to do this in high school, it's also necessary for the university. This way, it'll be easier for all of you to understand."

Of course, the professor did not know that Qin Sheng had almost finished reading all the medical books in the four years of university.

Otherwise, he would have been even more surprised.

In the end, the professor could not help but add, "Student Qin Sheng, even if you've learned this part in advance, you still have to listen to the lecture, understand?"

Qin Sheng agreed. "Okay."

She looked very obedient.

However, it was not certain whether she would do it or not. This was because when she listened to the lectures in high school, she would often be distracted.

Although Qin Sheng agreed, the professor could not help but look at Qin Sheng.

He had a feeling that Qin Sheng was just giving him a perfunctory answer.

Next time, she would still not listen to the lecture.

The professor shook off this thought and asked the students below, "You have all heard the content of Student Qin Sheng's answer. Do you have any questions?"

Those who could get into a top university like Imperial Capital University had a strong thirst for knowledge and good learning ability.

As soon as the professor finished speaking, three students raised their hands.

The professor answered them one by one.

Zhao Xiang's mind was not on the classroom. She looked at Qin Sheng from time to time.

She was lectured by the professor in front of so many students.

But Qin Sheng was fine?

Zhao Xiang's heart was filled with unwillingness.

Her exam results this semester must be better than Qin Sheng's!

Chapter 693: Speech Script Stolen

At night, in the school auditorium, many students had already taken their designated seats.

Qin Sheng was backstage.

The person-in-charge was lecturing Qin Sheng about things to take note of.

"Student Qin Sheng, after the principal comes down, you can go up and give a speech. Go up from this side and come down from the other side. Don't be nervous..."

Qin Sheng listened in.

This was Qin Sheng's first time on stage. The person-in-charge was worried that something might go wrong. After all, this year's freshmen assembly was going to be reported on television.

The person in charge spoke for 15 minutes.

He repeatedly emphasized one thing.

Qin Sheng dug her ears. She regretted not rejecting the principal back then.

She had to write his speech and listen to this lecture. She still had to go on stage later.

This would take at least forty minutes.

The person-in-charge spoke until his mouth was dry. He looked at the time and saw that it was almost time. He finally let Qin Sheng go. "Student Qin Sheng, remember what I said. I'll be busy now."

"Okay."

Qin Sheng let out a breath. It was finally over.

What she was most afraid of was people giving her long speeches.

Qin Sheng returned to her original position and wanted to get her speech script.

Suddenly, she frowned.

She looked around but did not find anything.

At this moment, Shen Jiayue and Zhao Xiang came over.

Shen Jiayue crossed her arms across her chest. "Qin Sheng, can you show me your speech script? You are the top scorer in the college entrance examination. You must have written very well."

Qin Sheng looked at her deeply.

She curled her lips in ridicule.

Without even thinking, she already knew who did this.

The speech script had just been lost, and Shen Jiayue and the others had come to ask her for it. What a coincidence.

Speaking of which, she had not offended too many people in school.

Shen Jiayue and Zhao Xiang were one of the few people.

Seeing that Qin Sheng did not answer, Shen Jiayue raised her voice, looking surprised. "Student Qin Sheng, you didn't give it to me. Could it be that you lost your speech script?"

At today's freshmen assembly, the school had prepared some skits, singing, dancing, and other entertainment programs.

At this moment, there were also many students preparing backstage.

The commotion over here was very big, and they all looked over.

Qin Sheng curled her lips. "I lost it."

A look of success flashed across Shen Jiayue's eyes.

She said loudly, "How can you lose it? Today's freshmen assembly is very important, and many reporters are coming over. If anything happens to you, you will lose the face of Imperial Capital University!"

When he heard that, the person-in-charge ran over.

He was very anxious. "What do you mean you lost it?"

Shen Jiayue sneered. "She lost her speech script."

The person-in-charge frowned and looked at Qin Sheng. "Student Qin Sheng, did you really lose it?"

Shen Jiayue said from the side, "How could it be fake? Teacher, Student Qin Sheng even lost her speech script. She is not taking this assembly seriously at all."

She looked at Qin Sheng and was very pleased with herself.

Then she sneered and said, "If Qin Sheng doesn't get her hands on it, without a speech script, she will definitely make a fool of herself. Teacher, I heard that there will be many reporters coming over today. If she makes a fool of herself, she will lose the face of Imperial Capital University."

The person-in-charge could not help but feel resentful toward Qin Sheng.

He had already warned Qin Sheng many times.

He did not expect that there would still be a mistake.

His expression was ugly. "Can you still print out the draft?"

Before Qin Sheng could answer, Shen Jiayue spoke first, "Teacher, even if we go to print it now, it's too late. The principal has already gone on stage. There's only about thirteen minutes left."

The person-in-charge was very anxious.

There was no time left. If there was a last-minute replacement, it would be too late.

Chapter 694: Was Personally Invited By the Principal

Shen Jiayue suggested, "Teacher, you can let Xiang Xiang go up. She's ranked 18th in the college entrance examination and has a good image. Xiang Xiang will definitely be able to do it."

As she said that, she looked at Qin Sheng proudly.

Dare to teach her a lesson?

Then she would let Qin Sheng lose the opportunity to speak and also make this teacher hate Qin Sheng.

Shen Jiayue's calculations rang out.

The person-in-charge frowned and sized up Zhao Xiang. "Can you do it? Do you have a speech script?"

If she really couldn't do it, then this girl would have to be the one to do it.

There couldn't be any mistakes in this freshmen assembly.

Zhao Xiang answered very respectfully, "Teacher, I had nothing to do previously and wrote a speech script. I didn't expect it to come in handy today."

The person-in-charge of the assembly asked, "Did you print it out, or do you remember the contents?"

Zhao Xiang naturally couldn't remember it.

She rushed out at noon today and was late because of this matter. She almost didn't have time to write it, let alone memorize it.

Hence, she replied, "I brought it over. I casually stuffed it into my bag today. I thought I would bring it home after the assembly."

The person in charge heaved a sigh of relief. "Alright, you can go up later."

Zhao Xiang was excited. She looked at Qin Sheng proudly.

Qin Sheng had been standing at the side the entire time and did not interrupt the conversation.

She looked at the conversation between them and the person-in-charge mockingly.

"Heh." Qin Sheng sneered.

Shen Jiayue said mockingly, "Qin Sheng, what are you laughing at? Are you unhappy that Xiang Xiang took away your chance to shine?"

She sized Qin Sheng up.

She thought that Qin Sheng was reluctant not to go up on stage and become a freshmen representative, but her face was full of success.

"If you didn't lose the speech script, Xiang Xiang wouldn't be here. You were careless. Who can you blame?"

"You know who lost the speech script, Shen Jiayue."

Qin Sheng didn't waste her breath in front of Shen Jiayue.

She turned to the person-in-charge.

"Teacher, are you sure you want Zhao Xiang to speak on stage?"

The person-in-charge's brows were tightly knitted together. "Student Qin Sheng, just like what this student just said, you lost your speech. Without your speech, it's easy to make mistakes on stage. I've said before, there can't be any accidents."

The person-in-charge was a little impatient with Qin Sheng.

"Student Qin Sheng, this student has a speech script, so let her do it. After all, you lost your speech script, so don't blame me for replacing her."

Obviously, the person-in-charge was blaming Qin Sheng for losing her speech script.

"But..." Qin Sheng curled her lips into a smile. "As far as I know, many of those reporters are coming for me."

The person-in-charge's face froze for a moment. They were indeed coming for Qin Sheng.

There weren't so many reporters at the previous year's freshmen assembly.

Hearing this, Shen Jiayue sneered coldly at her from the side. "Come for you? Qin Sheng, who are you to have so many reporters specially come for you? Don't be too narcissistic."

Qin Sheng glanced at Shen Jiayue.

It was very mocking.

She didn't explain. As long as the person-in-charge could understand her words, that was enough.

Qin Sheng continued, "Moreover, I was personally invited by the principal. Are you sure you want to go against the principal's wishes and change the freshmen representative at the last minute?"

The person-in-charge's expression changed again and again.

He was the one who was anxious earlier and did not consider these aspects.

The freshmen representative indeed could not be changed at will...

Zhao Xiang noticed the person-in-charge's expression.

She clenched her fists.

Could it be that the person-in-charge was moved by Qin Sheng's words?

Chapter 695: Drove Them Away

Zhao Xiang was very nervous. Her palms were sweating profusely.

Seeing that the person-in-charge was hesitating, Shen Jiayue quickly said, "Teacher, are you really going to let Qin Sheng go on stage? Don't forget that Qin Sheng lost her script. When she goes on stage, there will definitely be an accident."

Shen Jiayue's voice was very sharp.

At this moment, the person-in-charge could barely think.

When he heard Shen Jiayue's words, he glared at Shen Jiayue. "Shut up!"

Shen Jiayue did not expect the person-in-charge to have such a reaction. After all, she was a little afraid of the teacher. Her head shrunk and she did not dare to speak.

The person-in-charge turned to Qin Sheng again and asked, "Student Qin Sheng, what do you think?"

Qin Sheng smiled. "I'll go."

Zhao Xiang was unwilling to let the opportunity that she had obtained with great difficulty disappear just like that.

She gritted her teeth and said, "Qin Sheng, aren't you afraid that something will happen to you? If you go on stage, you will embarrass Imperial Capital University."

The person-in-charge also frowned. He reminded her, "Student Qin Sheng, your speech script has been lost."

Qin Sheng said nonchalantly, "I know."

Her voice paused for a moment before she looked at Zhao Xiang. "However, you don't have to have a speech script before you can go on stage."

The person-in-charge frowned even more. "What do you mean?"

"I've already memorized the content of the speech."

As soon as she said this, Shen Jiayue immediately said, "Qin Sheng, who are you lying to? You wrote this speech in the afternoon. After you finished it, you went to sleep. You've been in class all afternoon. Can you recite the speech?"

Shen Jiayue thought that Qin Sheng was lying.

Qin Sheng curled her lips. "Just because you can't do it, doesn't mean that others can't do it. Don't forget, I'm the top scorer in the college entrance examination."

Shen Jiayue sneered. "You just happened to get the top scorer in the college entrance examination. What's there to be proud of? Moreover, the time you saw that speech was only when you were writing it. Can you still recite it while writing? Even if you're lying, you can't even draft it!"

Qin Sheng did not bother with Shen Jiayue anymore. She looked at the person-in-charge and waited for his answer.

The person-in-charge looked at the time. There were only two minutes left before the principal finished his speech. It was the freshmen representative's turn to go on stage.

Time was tight.

He wiped the sweat off his forehead. "Student Qin Sheng, are you sure there won't be any mistakes?"

Qin Sheng's eyes were filled with confidence. She smiled. "I'm sure."

"But, this..."

The person-in-charge was still hesitating.

Shen Jiayue's words were not unreasonable. Qin Sheng did not have much time on the manuscript.

No matter how good she was, it was impossible for her to memorize the manuscript.

But now that there was not much time left, he could not hesitate any longer.

Qin Sheng spoke again, "If anything goes wrong, I will take responsibility for everything. How about that?"

The person-in-charge met Qin Sheng's eyes. The confidence in the young girl's eyes made him believe Qin Sheng's words.

He gritted his teeth. "Alright, you go on stage."

Shen Jiayue raised her voice. "Teacher, how can you agree to let Qin Sheng give a speech just because of a few words?"

The person-in-charge was impatient. "None of you are the performers today, nor are you volunteers. Why did you come backstage instead of sitting on the stage?"

Shen Jiayue wanted to explain. "Teacher, we are..."

Before she could finish her sentence, the person-in-charge interrupted her. "Why aren't you leaving? Are you waiting for me to register your names?"

Shen Jiayue did not dare to go against the person-in-charge anymore.

She pulled Zhao Xiang's hand. "Xiang Xiang, let's go."

Zhao Xiang watched helplessly as the freshmen representative slipped away just like that. She felt very uncomfortable.

She was also very unwilling.

She glared at Qin Sheng. However, with the person-in-charge here, she did not dare to say anything. She left the backstage with Shen Jiayue.

Chapter 696: Fu Hanchuan's Appearance

Zhao Xiang was silent the entire time, her expression ugly.

Shen Jiayue comforted her, "Xiang Xiang, doesn't Qin Sheng like to show off? She said that she won't make any mistakes, so we'll just wait for a good show. We'll see how she ends up later."

Shen Jiayue thought that Qin Sheng would definitely make some mistakes on the stage.

She didn't believe that Qin Sheng could completely memorize the script in less than half an hour.

Zhao Xiang glanced at Shen Jiayue but did not say anything.

She thought the same.

But she was not sure if Qin Sheng would really make a fool of herself.

After all, Qin Sheng had written the speech in less than ten minutes. Even if she did not memorize the speech, she could still improvise on the spot.

Zhao Xiang had a bad feeling in her heart.

Shen Jiayue was very confident. "Xiang Xiang, that person-in-charge will definitely regret letting Qin Sheng go on stage."

"Qin Sheng said that those reporters came to participate in the freshmen assembly because of her. Bah, does she really think she has such a big face?"

As she spoke, the host's voice sounded.

"Next, let's welcome our freshman representative, Qin Sheng, to the stage. Student Qin Sheng is this year's top scorer in the college entrance examination, and the first top scorer in history to get a perfect score. She has a sweet voice and is almost flawless. She has even been elected as our school's campus belle. Let's give a warm welcome to Student Qin Sheng."

Imperial Capital University's freshmen assembly was held in the form of a gala.

After the school leaders and various representatives gave speeches, it was time for all kinds of entertainment programs.

There was a burst of warm applause from below.

Many people's eyes were looking at the observation platform, waiting for Qin Sheng to appear.

After the discussion about Qin Sheng on the forums and the selection of the campus belle on Weibo these few days, most of the students of Imperial Capital University knew about Qin Sheng. They were very curious about Qin Sheng.

They also wanted to meet Qin Sheng.

At this moment, Qin Sheng appeared. Their eyes followed the movement of Qin Sheng's figure.

They were very far away, but they could still see Qin Sheng's figure and appearance.

Many students could not help but be stunned.

It was not that they had never seen a beauty before. Ye Yutong could be considered to be a very beautiful woman, but she was far from being as stunning as Qin Sheng.

Moreover, Qin Sheng was the kind of beauty that would amaze people at first glance and become more and more attractive later on.

Qin Sheng had already arrived on the stage. The spotlight shone on her body, and the surroundings were dark.

Everyone's gaze fell on the young girl standing in the middle of the stage.

There were some jealous and hateful gazes among them, but not many. It was Zhao Xiang, Shen Jiayue, and He Manyun.

As for Ye Yutong, she did not participate.

After all, this was the freshmen assembly.

Ye Yutong did not have a performance program, so she was naturally not present.

He Manyun's eyes were fixed on Qin Sheng.

Qin Sheng was actually standing on the stage. She was so eye-catching.

Who was the freshmen representative? It had to be Qin Sheng!

As for Shen Jiayue, other than jealousy and hatred in her eyes, there was also a strong sense of schadenfreude.

She was waiting, waiting for Qin Sheng to make a fool of herself.

Fu Hanchuan had unknowingly arrived below the stage. He stood very far back and looked at the dazzling young girl on the stage from afar.

The corners of his lips curled up.

His eyes were filled with gentleness and doting.

Qin Sheng stood on the stage.

Her indifferent gaze quickly swept across the stage.

Suddenly, her gaze paused.

Qin Sheng had seen Fu Hanchuan.

A smile flashed across her eyes, and she withdrew her thoughts.

She began her speech.

Chapter 697: Filled With Disbelief

“Hello, everyone. My name is Qin Sheng. I’m a freshmen at Imperial Capital University...”

Qin Sheng’s voice was very slow. She did not pay as much attention to the cadence of the other speakers.

The content of the speech was very official.

However, her voice was like a clear spring that slowly flowed into one’s heart.

It made people unconsciously sink into her voice.

The entire venue was very quiet, and no one was absent-minded or dozing off.

Qin Sheng did not bring her speech script. Before this, she had only read the contents of the script once, but she still memorized every word.

At this moment, she had already spoken for four minutes without making a single mistake.

A flash landed on Qin Sheng.

The reporters urged the cameraman, “Record it well.”

One of the reporters could not help but sigh.

“I didn’t expect such a talented young lady to appear. Not only does she have strong learning abilities, she is also so beautiful. Her voice is also pleasant to the ears, as if she is blessed by God.”

The cameraman could not help but nod.

That was indeed the case.

He had been in the photography and video industry for more than ten years. This was the first time he had seen such a beautiful and elegant young lady like Qin Sheng.

Even he was stunned by her beauty.

The person-in-charge’s heart slowly relaxed.

Qin Sheng’s speech was perfect.

Without the speech script in hand, it added more color to the speech.

He was glad that he did not replace her with Zhao Xiang.

After the speech ended, it took eight minutes.

Qin Sheng bowed and left the stage.

There was another round of warm applause.

There were no mistakes in Qin Sheng’s speech this time. Shen Jiayue and Zhao Xiang were the most disappointed.

Zhao Xiang sat in her seat.

She bit her lip.

Qin Sheng!

Shen Jiayue grabbed Zhao Xiang's arm in disbelief. "What's going on? Why didn't anything go wrong with Qin Sheng? Xiang Xiang, could she have memorized the script behind our backs?"

As she said this, Shen Jiayue denied her own thoughts.

"That's not possible, right? Qin Sheng has two classes in the afternoon. How would she have time to memorize the script?"

Shen Jiayue could not understand the whole process.

Why was Qin Sheng acting so calm on stage?

Zhao Xiang glared at Shen Jiayue. "Shut up!!"

Her mind was in a mess, and Shen Jiayue kept talking in her ear, causing Zhao Xiang to be very frustrated.

Shen Jiayue had promised that she would let her go on stage to give a speech.

What happened in the end?

Not only did Qin Sheng go on stage, but she also had a good time.

If it weren't for Shen Jiayue's incompetence, would Qin Sheng have had the chance to be the freshmen representative?

She should be the one standing in the limelight today!!

1

Zhao Xiang blamed this on Shen Jiayue.

Shen Jiayue was very good at reading people's expressions. Now that she saw Zhao Xiang's expression, she shut up.

She could find another opportunity to chat with Zhao Xiang in the future.

Zhao Xiang's family was from a wealthy family. Although she was arrogant and had the temperament of a young lady, and she would often order Shen Jiayue around, Shen Jiayue was still Zhao Xiang's follower.

She was not willing to let go of the opportunity to curry favor with a wealthy family.

After Qin Sheng left the stage, Zhao Xiang also left her seat and went out to relax.

After Qin Sheng sent Fu Hanchuan a message, she went straight to look for him.

Fu Hanchuan was waiting for Qin Sheng outside the auditorium.

“Brother Fu, aren’t you busy with work? Why did you come to school tonight?” Qin Sheng asked in confusion.

Fu Hanchuan took out a handkerchief and wiped the sweat off Qin Sheng’s forehead.

Chapter 698: Appeared Behind Him

He did not throw the handkerchief away.

Instead, he casually put it into his pocket.

“I’m done.”

If Assistant Lin heard Fu Hanchuan’s words, he would probably roll his eyes.

Who left the company’s executives before the meeting was over?

He only left one word, “Change!”

Previously, Fu Hanchuan would provide some suggestions to the executives so that they would have some ideas.

But this time, Fu Hanchuan did not suggest anything that needed to be improved.

The higher-ups were all very confused.

Change?

Change where?

This project was the result of the team’s nearly ten days of hard work. They had checked it countless times. If they could find any problems, they would have changed it long ago.

Now that Fu Hanchuan said this, they could only bite the bullet and accept it.

This time, Fu Hanchuan was acting strangely. These higher-ups thought that the company had something important to do.

What they didn’t know was that Fu Hanchuan had abandoned them just to come over and watch Qin Sheng’s speech.

On the other side, Fu Hanchuan lowered his head slightly and looked at Qin Sheng who was on his chest. He said in a low voice, “Sheng Sheng, your speech was very good.”

“En.” Qin Sheng lowered his eyes and replied very softly.

Fu Hanchuan looked at the time. It was already 8 o’clock.

“Sheng Sheng, when will it end?”

Qin Sheng replied, “It will end at 10 o’clock. The senior students are speaking now. It should be some entertainment programs later.”

Fu Hanchuan did not want Qin Sheng to miss such an important day.

He said softly, "Sheng Sheng, you go back first. I still have something to do later. After the party ends, I will come and pick you up."

Hearing the word 'home', Qin Sheng's heart trembled.

In her previous life, she had never had a home. But in this life, Fu Hanchuan had given her a home.

Qin Sheng's eyes were a little moist.

She could not help but hug Fu Hanchuan's waist.

She buried her face in Fu Hanchuan's chest and listened to his strong heartbeat.

Even her voice was trembling.

"Okay, Brother Fu, come and pick me up later."

Zhao Xiang came out and saw this scene from afar.

She frowned.

Why did that girl's back look like Qin Sheng's and her clothes look similar?

Zhao Xiang walked over.

She hid behind a tree and looked at them.

Fu Hanchuan let go of Qin Sheng and rubbed her hair. "Sheng Sheng, you can go in first."

Qin Sheng nodded. "Okay."

The two of them bid farewell.

The moment Qin Sheng turned around, Zhao Xiang recognized her.

As expected, it was Qin Sheng!

Zhao Xiang frowned. Could it be that this man was the one who kept Qin Sheng?

The brands Qin Sheng used were all given to her by this man?

Her gaze landed on the car.

She heaved a sigh of relief.

It was only a car worth a few million. It seemed that the man who kept Qin Sheng was not as rich as she had imagined.

Fu Hanchuan also left when he saw Qin Sheng's figure disappear.

Zhao Xiang was about to leave when Qin Sheng appeared behind her.

Her heart skipped a beat. She was afraid.

Zhao Xiang patted her chest when she saw Qin Sheng.

She frowned and said, "Qin Sheng, why are you here scaring people?"

Qin Sheng sneered, "Zhao Xiang, is it fun to hide here and peek?"

When Qin Sheng went back, she saw Zhao Xiang's shadow hiding behind a tree.

In order not to worry Fu Hanchuan, she did not come over directly to drag Zhao Xiang out. Instead, she waited for Fu Hanchuan to leave before turning back.

Qin Sheng was right. Zhao Xiang panicked for a moment.

Chapter 699: Drove Them Away

But soon, she puffed out her chest and said, "Qin Sheng, this is not your place. It's none of your business."

"Really?" Qin Sheng's eyes were cold. "But if you dare to do anything, don't blame me."

Zhao Xiang was disdainful. "Do I have to do anything to you? Qin Sheng, don't overestimate yourself."

Qin Sheng raised her eyebrows and teased, "My script was lost. Wasn't it you and Shen Jiayue who did it?"

Zhao Xiang choked.

She looked at Qin Sheng with vigilance.

How did Qin Sheng know?

Wasn't Shen Jiayue very secretive?

Qin Sheng took the initiative to explain, "The script was just lost, and you and Shen Jiayue came over. And you just happened to prepare a script and brought it there. What a coincidence?"

Her voice was very cold and her gaze seemed to penetrate Zhao Xiang's heart.

Zhao Xiang kept feeling as if her entire body had been peeled open, completely exposed in front of Qin Sheng.

Her body was even very cold.

She could not help but wrap herself in her clothes.

Qin Sheng continued, "In this school, other than you and Zhao Xiang, I'm afraid that very few people would find me so unpleasant."

As for Ye Yutong, Qin Sheng did not say it out loud.

Zhao Xiang adjusted her mood.

She denied, "It has nothing to do with me. It was all done by Shen Jiayue."

Qin Sheng's tone was mocking, "I wonder, what will Shen Jiayue do when she hears your words?"

“Shen Jiayue, heh.” Zhao Xiang sneered and said disdainfully, “What do her thoughts have to do with me? Qin Sheng, don’t put your thoughts on me. She’s not qualified, and she’s not even worthy.”

Zhao Xiang looked down on Shen Jiayue.

Shen Jiayue was just a dog that was trying to curry favor with her.

Since she was young, there were many people who wanted to curry favor with her. She didn’t need to care about the thoughts of a dog.

Zhao Xiang changed the topic and looked at Fu Hanchuan’s position.

Then she looked at Qin Sheng as if she was looking at a very dirty thing. “Qin Sheng, you are indeed kept as a mistress.”

Qin Sheng lowered her head, and the corners of her lips curled up into a very mocking smile.

A sugar daddy?

This, how many times had she heard this? It had been spread around H City High School. Now, at Imperial Capital University, there were people who would also think this way.

Qin Sheng did not explain, but only looked at Zhao Xiang with a very mocking expression.

Zhao Xiang was insisting that Qin Sheng had a sugar daddy. “Qin Sheng, you are too loose. This man is handsome, but he doesn’t have money. I think that he won’t be able to keep you for long.”

“Qin Sheng, you’re willing to have a sugar daddy. You must be very short of money. My Zhao family is a wealthy family in the capital. My monthly allowance is several million. If you were to be my follower like Shen Jiayue, I can give you some money.”

Qin Sheng took out her phone. “It’s a pity that I don’t like your money. Moreover, are you so sure that we’re not boyfriend and girlfriend?”

“You’re from a poor family. How could he like you? What a joke!”

The people in Zhao Xiang’s family had instilled in her that she needed to find a husband of equal status in the future.

She usually looked down on those who were not as rich as the Zhao family because her family was from a wealthy family.

Qin Sheng did not want to waste any more words with her.

She walked closer to Zhao Xiang and lowered her voice. “Zhao Xiang, you’d better not provoke me. To be honest, my temper is not good. If someone bullies me, I’ll pay them back tenfold.”

A chill suddenly rose in Zhao Xiang’s body.

She forgot to react for a moment.

Qin Sheng turned around and was about to leave when Zhao Xiang’s angry voice came from behind. “Qin Sheng, I will definitely tell my dad that you can’t stay in Imperial Capital University anymore!”

Chapter 700: Likes Su Yixiu

Ever since Zhao Xiang was young, Qin Sheng was the first person who dared to say such things to her.

Even her parents would not say anything harsh to her.

What right did Qin Sheng have?

Qin Sheng's footsteps did not stop. "Up to you."

She was thinking that if that shareholder threatened to withdraw their capital from Imperial Capital University, then, she could let Fu Hanchuan take over. Right now, she did not have much capital on hand, but Fu Hanchuan did.

Fu Hanchuan might be able to invest in Imperial Capital University.

Not long after Qin Sheng returned to the auditorium, Zhao Xiang also returned.

Zhao Xiang sat back in her seat, her face very dark.

Shen Jiayue frowned and asked, "Xiang Xiang, what happened?"

"Nothing."

Zhao Xiang was full of anger. They were performing a dance on the stage, and she wasn't in the mood to watch.

She leaned back in the chair with her eyes closed.

Fu Hanchuan's figure appeared in her mind.

Zhao Xiang opened her eyes.

It was too easy for her to let Qin Sheng leave Imperial Capital University. Maybe she could get that man to abandon her and chase Qin Sheng out.

This would definitely be a huge blow to Qin Sheng.

She was rich and beautiful. That man would definitely abandon Qin Sheng for her.

The Zhao family was considered a wealthy family in Imperial City, and she was the only daughter of the Zhao family.

She didn't believe that that man wouldn't be moved.

Of course, Zhao Xiang didn't really like Fu Hanchuan, nor did she look down on him. After all, she saw that Fu Hanchuan was sitting in a car worth four to five million yuan, so she felt that Fu Hanchuan wasn't very rich.

For someone like Fu Hanchuan, it was okay to be a lover.

For a husband, Zhao Xiang didn't like him.

At 10 pm, the freshmen assembly ended and the audience began to leave.

Qin Sheng walked in front. She looked down at her phone from time to time, and Shen Jiayue caught up with her.

“Qin Sheng.”

When Qin Sheng heard this, she stopped in her tracks and said indifferently, “What’s the matter?”

Shen Jiayue gritted her teeth and asked, “Qin Sheng, when did you memorize the speech?”

There was a questioning tone in her voice.

Qin Sheng turned off her phone. “I didn’t memorize it.”

Shen Jiayue’s expression was very ugly. “Qin Sheng, are you kidding me? If you didn’t memorize it, how did you not make any mistakes on stage?”

Qin Sheng smiled faintly. “Because I’m a genius. I only need to read it once to remember it.”

Shen Jiayue’s face stiffened. “Qin Sheng, you’re calling me stupid!”

Qin Sheng didn’t say anything, but the meaning on her face was obvious.

Shen Jiayue was so angry that her entire body trembled.

She wanted to continue saying something, but Su Yixiu just happened to pass by. He greeted her, “Sheng Sheng.”

Qin Sheng nodded. “Yixiu.”

Shen Jiayue also hurriedly greeted Su Yixiu. “Student Su Yixiu, hello.”

Two blushes appeared on her face.

At noon today, she had accidentally dropped her textbook. Su Yixiu had helped her pick it up.

The first time she saw Su Yixiu, she had fallen in love with him.

Su Yixiu did not respond to Shen Jiayue. He asked Qin Sheng, “Are you going back to the dormitory?”

“To the house outside,” Qin Sheng answered.

Su Yixiu frowned. “It’s so late. It’s not safe to be alone. Do you want me to send you back?”

Qin Sheng refused. “Brother Fu came to pick me up.”

Su Yixiu’s expression was a little stiff. He quickly composed himself. “Okay.”

Seeing that it was getting late, Qin Sheng did not stay any longer. She bade farewell to Su Yixiu and left.

Su Yixiu looked at Qin Sheng’s departing figure with a lonely gaze.

Shen Jiayue bit her lip. She did not expect Qin Sheng to know Su Yixiu.

She tidied up her clothes and came in front of Su Yixiu. “Student Su Yixiu, I’m the one who dropped my textbook at noon today. You helped me pick it up. I haven’t had time to thank you.”
