

# BIGSHOT MR. FU S WIFE IS SWEET AND WILD

## Chapter 7

Let's See How Capable She Is

Qin Jianxi tore off her skirt with force. Thanks to the ordinary quality of the fabric, she tore off the long skirt without any effort.

Then, she kicked off the high heels with one foot each and climbed up with both hands holding the pipe...

Her movements were particularly agile, and it didn't take long for her to climb one floor.

Of course, her behavior quickly attracted the attention of the onlookers.

"My god, what is this young woman doing? She's climbing so fast."

"Damn, is this Spiderman or Iron Man? Or a Special Agent?"

"Mother! Is there something wrong with my eyes? She, she, she also climbed up to the second floor... F\*ck, it's the third floor now."

"She's so cool. My god, who is this? I really want to marry her..."

"Good luck..."

"I'm so nervous. I hope she doesn't fall!"

"Fourth... It's the fourth floor now, she must be a female SWAT officer."

Some people even took out their mobile phones to film her...

However, when Qin Jianxi climbed to the fourth floor, she heard a cry of surprise from the people below before she could even catch her breath.

Before she could look up, a black shadow suddenly fell in front of her. She focused her eyes and saw that it was clearly a child.

Without much time to think, she jumped down. When she reached the third floor at an absolutely fast speed, she finally caught the child. She reached out and pulled the child into her arms...

The moment she jumped down, Fu Ge, who had rushed over, saw her. His pupils shrank. As the crowd exclaimed, he pushed through the crowd and saw Qin Jianxi landing safely.

Thinking about how she had jumped down from that height and was still safe and sound, he felt a little stunned. Was... was she really a human? This wasn't something a human could do!

His noble, indifferent, and exquisite facade cracked a little. It seemed that Qin Jianxi of the Qin family was really... an amazing person.

Qin Jianxi lowered her head to look at the child in her arms. He was quite good-looking, but his face was covered in tears and snot. A lot of it even rubbed against her body. She suddenly felt uncomfortable.

Oh my god, who can save her?

"Young... Young lady, you... Are you alright?" An old lady walked closer and asked in a low voice.

Qin Jianxi looked at her and complained in silence. 'Do I look fine?'

She, she, she was a little mysophobic! The little brat was repaying kindness with ingratitude, and she was covered in snot and tears.

One of them spoke up, and the others immediately gathered around. They surrounded Qin Jianxi so tightly that not even a drop of water could escape from the encirclement.

Everyone was saying words of concern and praise one after another, causing Qin Jianxi's head to buzz. It was as if she was surrounded by ten thousand bees.

However, no one wanted to take the child from her.

Speaking of which, this child was also strange. She didn't know if he was scared silly or what, but he didn't cry when Qin Jianxi carried him. He only clutched Qin Jianxi's clothes tightly.

Perhaps it was because he was uncomfortable being surrounded by so many people, but the child's face snuggled into Qin Jianxi's arms.

Qin Jianxi's face immediately turned dark. Just as she was about to shout, an old couple emerged from the crowd.

"My grandson..." The old lady cried and wanted to come over to hug him.

However, the child didn't show her any respect and hid in Qin Jianxi's arms. When the old lady hugged him, he started crying.

Perhaps in the child's subconscious mind, Qin Jianxi was the safest person, so he developed a sense of closeness to her.

Qin Jianxi's head hurt even more. She growled, "Stop crying. Who are you to him?"

"Miss, I'm little treasure's grandmother. Thank you so much for saving our little treasure," the old lady said as she wiped her tears.

The old man beside her also said, "I'm the little treasure's grandfather. Miss, you're our family's benefactor. Thank you for saving my grandson."
