

BIGSHOT MR. FU S WIFE IS SWEET AND WILD

Chapter 8

It's Enough to Admire Men

Qin Jianxi glanced at the old couple and handed the child in her arms over.

Although the child wouldn't let go, who was she? She let go of the child's hand without hurting him.

The child cried hard, but they were still his own grandparents. They were people he was familiar with, so he would be fine as long as they coaxed him a little.

Qin Jianxi didn't want to stay here any longer, so she prepared to leave.

The old man saw that she was about to leave and quickly called out to her, "Miss, please wait a moment."

Qin Jianxi looked at him.

"What's your name, Miss?" the old man asked hurriedly, "I'll have to thank you properly some other day."

Qin Jianxi's red lips parted slightly as she replied, "There's no need to thank me. Take care of your family. You won't be so lucky next time."

After saying this, she walked back to her original position, put on her shoes, and left. The onlookers saw that she was about to leave and automatically made way for her.

Just like that, Qin Jianxi walked away without any obstructions.

She wasn't worried about what would happen next. It wasn't her fault. The woman who had thrown the child down didn't jump this time, but she wouldn't be able to escape the punishment of the law.

She won't get away scot-free just because she was the child's biological mother.

As soon as she walked out, a honk sounded. Qin Jianxi looked over and saw a luxury car stop. The window rolled down, and a face that had definitely been favored by God was revealed.

Even Qin Jianxi's eyes were filled with amazement. He was really a top-grade man. He was really good-looking.

He had a perfectly chiseled face, exquisite facial features, and deep-set eyes that were very beautiful. When he looked at you, you would feel like you were his most beloved treasure. The sexiest part of him was his thin lips, which made people have the urge to kiss them.

A row of black lines floated across Qin Jianxi's heart. She was actually bewitched by a man she had just met.

"Qin Jianxi, get in the car," Fu Ge said to her lightly.

Qin Jianxi searched through the original owner's memories and realized that she didn't have any memories of this man. However, this man was really favored by God. No, it should be said that he was favored by the author. Not only did he give people an appearance that they couldn't pick on, but he also had a heavenly voice.

"Who are you?"

Fu Ge looked at her with deep eyes and said again, "Get in the car."

Qin Jianxi glanced at him and didn't hesitate. She opened the car door and got in. She wouldn't be at a disadvantage because she was confident that this man couldn't beat her.

Just in time anyway. She was tired. If she really couldn't take it, she was prepared to get a cab to go back.

Anyway, the handsome man was pleasing to the eye, so she didn't lose anything by getting into the car. She asked, "Can you send me home?"

Fu Ge's fingers tapped the steering wheel. He replied, "Fu Ge."

When Qin Jianxi heard this name, her hand that was putting on her seatbelt paused. This name was a little familiar, but she couldn't remember what role he played in the plot.

"You know me?"

"We have just met." Fu Ge didn't speak much, but his voice still made Qin Jianxi feel very comfortable.

"You were very impressive when you saved the child just now." Fu Ge started the car after he finished speaking. That scene earlier left him with such a deep impression that he would probably never forget it for the rest of his life. To think a person could actually jump down from the fourth floor and land perfectly.

He wondered if she was a special talent trained by some organization.

Qin Jianxi had already guessed it when he said that they had just met. She really didn't think that it would be such a coincidence to actually meet this hidden big boss here.

However, this person might have seen her before in the manor. Otherwise, he wouldn't have known her name.

"Thank you. Please send me back to the Qin family house."
