

BIGSHOT MR. FU S WIFE IS SWEET AND WILD

Chapter 9

I'll Count It If I Can Choke One to Death

Fu Ge glanced at her but did not answer.

The car drove forward, exuding a noble aura.

He didn't understand why he had to come and pick her up. He had never picked up any woman in this car before, except her.

However, he realized that he found her very pleasing to the eye. It was rare for him to be curious about a girl, and it made him have the urge to explore and find out more about her.

This was a feeling he had never felt before, but he didn't reject this feeling at all.

On the way, Qin Jianxi didn't talk to him. Handsome guys... It was enough to just appreciate their looks. As for other things... Forget it, she was only 17.

The car drove for nearly half an hour before stopping in front of the Qin family's villa.

Qin Jianxi looked outside and knew that they had arrived.

She unbuckled her seat belt and said, "Thank you. Goodbye." After saying that, she opened the door and got out of the car.

Fu Ge glanced out of the window and drove away...

Qin Jianxi had only taken a few steps when she was stopped by someone. "Qin Jianxi, who sent you back just now?"

Qin Jianfei only saw a black luxury car. She didn't even see the license plate number clearly. This made her feel a little anxious. She didn't think that Han Xu was the one who sent Qin Jianxi back.

Qin Jianxi squinted her eyes and glanced at the girl in front of her. She knew who this person was. This was the original owner's younger sister who pretended to be pure and innocent. They were only one minute apart. To the outsiders, they claimed to be twins, but the person in front of her was actually an illegitimate daughter.

She retracted her gaze and said indifferently, "What does it have to do with you?!"

"You..." Qin Jianfei was shocked by her attitude. She was so angry that she wanted to scratch her face. "You are so arrogant today. I don't know if you will still be so arrogant later."

Qin Jianxi ignored her and walked straight in. As soon as she stepped into the living room, something flew toward her. When she looked at it, it was a teacup.

Qin Jianxi's lips curled into a cold smile and she raised her foot... The teacup was kicked back, and it just happened to brush past Qin Likun's ear. It smashed into the wall behind him, and after a loud sound, it shattered into pieces.

After the living room fell into a dead silence, Qin Likun exploded. He glared at Qin Jianxi with anger and berated, "Qin Jianxi, you dare to hit your father?"

Zhu Jing had also recovered from the shock just now. Her tone was a little accusatory as she said, "Xixi, you've gone a little too far. If your father didn't dodge in time, it would have hit his face."

Qin Jianxi raised her eyebrows. 'The villain was the one who complained first.'

She glanced at the two of them. One of them was a vicious father, while the other was a hypocritical stepmother. They were really a bunch of good-for-nothing people.

She retracted her gaze from the two of them and slowly said, "You're saying that I have gone a little too far? I saw something flying at me just now. If it wasn't for my quick reflexes, I'm afraid it would have hit my face."

She paused for a moment.

Then, she tilted her head and asked, "I also want to ask, why did you hit me just now? Are you trying to disfigure me?"

Zhu Jing choked and replied, "But... You could have just avoided it, why did you kick it back? Don't you know how dangerous that is?"

Qin Jianxi shrugged her shoulders and said calmly, "I'm sorry. This is a human's natural reaction to danger. You're lucky this time that you didn't get hurt. However, don't throw things at me again. After all, a human's luck isn't that good every time."
