

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 275-279

Chapter 275: Accidentally Earned 80 Million, Everyone Worshipped Lin Fan

When Lin Fan was about to go to Yuehua Entertainment in the afternoon.

Yuehua Entertainment's screenwriters were already waiting for Lin Fan.

Apart from Yuehua Entertainment's screenwriters, there were also people from Perfect Entertainment, Huayi, Light Media, Banana Entertainment, Huanrui Media, and many other entertainment companies.

Lin Fan had finally written the scripts for the second season of Joy of Life and the third season of The Legend of Sword and Fairy.

News of Lin Fan's new scripts had already spread throughout the entertainment industry.

Almost all the agencies wanted to sign the rights to adapt Lin Fan's new scripts.

"When is Lin Fan coming? I already want to see how his scripts are going."

"Lin Fan's second season of Joy of Life and third season of The Legend of the Sword and Fairy are real classics, especially the first season of The Legend of the Sword and Fairy. I'm already crying."

"The first season of Joy of Life was pretty good too. It was the best TV show I've ever seen. It was incredible."

"I really want to see the second season of Joy of Life and the third season of The Legend of the Sword and Fairy. This time, no matter how much our company spends, we have to buy the rights to adapt the scripts for these two television dramas."

"Lin Fan's scripts are always so outstanding. Two consecutive television dramas have become popular. Coupled with this television drama, it might even become even more popular!"

The heads of many agencies were waiting here.

If others knew, they would probably be extremely shocked.

How could the heads of so many entertainment companies sit together usually?

Today, they were all going to fight for Lin Fan's two scripts.

If they could get them, these entertainment companies could make even more popular television dramas.

When Lin Fan walked into Yuehua Entertainment, the heads of many entertainment companies stood up and applauded and welcomed him.

Tian Zheng, the screenwriter of Yuehua Entertainment, was also full of anticipation.

"Hello, everyone. The two scripts I wrote have both reached the grand finale."

"And this time the rules are the same as before. I have the power to choose which stars will act in both scripts."

"Now, I will give the first three episodes of the script to the person in charge of each entertainment company. Then, you guys will start bidding. There are 46 episodes in the second season of Joy of Life. There are 37 episodes in the third season of the Legend of the Sword and Fairy. Each company will only have one chance to make a bid. The highest bidder will get the scripts."

When he was finished, he sat down.

These people were not bidding live.

They had to send their respective bids to Lin Fan after confirming it.

This was not an auction. It was equivalent to a silent auction.

Each company did not know how much the other companies were bidding, so they would bid as high as they could.

This was also a great opportunity for Lin Fan to earn money.

Many entertainment companies opened the scripts for Lin Fan's two television dramas.

There were many master screenwriters among them.

When these master screenwriters saw the scripts written by Lin Fan, without exception, they were all deeply engrossed.

Especially Teacher Tian Zheng of Yuehua Entertainment. He was even more amazed.

It took everyone an hour to read just three episodes of the scripts.

Every word, every character's expressions, demeanor, and actions.

Everyone was immersed in the plot.

Whether it was the plot of the second season of Joy of Life or the third season of The Legend of the Sword and Fairy, everyone was obsessed with it.

Images seemed to appear before them.

The struggle for power in Joy of Life, and the path of love.

The grand world view of the Legend of the Sword and Fairy, along with the moving stories and the full personas of the characters, had attracted every screenwriter.

After an hour,

Tian Zheng wanted more.

The key was... Lin Fan's scripts were even better now!

They were much better than the two scripts that Lin Fan had written previously.

“CEO Li, Lin Fan is really a god. I’ve read both of the scripts he wrote. He’s too amazing.”

“Although the scripts that Lin Fan wrote previously were good, they’re still not as exciting as the two scripts now.”

“Especially the second season of Joy of Life. The plot is even richer. The power struggle is even more exciting. And the characterization is a whole new level higher than in the first season of Joy of Life. In this, all the characters are truly elevated.”

“This is only the first three episodes of the script, but it’s already filled with so much information. CEO Li, I can guarantee that this drama will go viral!”

“There’s no need to talk about the third season of the Legend of Sword and Fairy. Whoever watches it will be engrossed. Once they are engrossed, they will watch it for at least an hour.” Tian Zheng gave Lin Fan an extremely high evaluation.

“Is he really that godly?” CEO Li asked. Although he knew that Lin Fan was very capable, even Tian Zheng, a master screenwriter, had praised him personally.

“CEO Li, just take a look and you’ll know what I mean.”

“Such a script is unheard of. I’ve never seen anything like it. The dramas produced from these two scripts will definitely be extremely popular.”

“Moreover, Lin Fan’s cast is too luxurious. Xia Wanqiu, Su Xiaoyu, Lin Kexin, Lin Jingjing, Xu Yang, what kind of scene will it be if these five celebrities act together?” Tian Zheng said.

CEO Li immediately made a decision. “We must get the adaptation rights of these two scripts at all costs!”

“How can Lin Fan be so awesome? Every time he writes a script, he has new breakthroughs. This time, we’ve seen what a real screenwriter is like.”

....

In addition to Yuehua Entertainment, there were many entertainment companies who shared the same opinion.

“This script... is really well written.”

“A script like this must be bought. We only have one chance to bid, so the offer must be high!”

“Lin Fan is indeed different. The scripts written by Lin Fan will always be so amazing.”

“Lin Fan is even the main lead. He has already created these two scripts beyond everyone’s imagination. Once they are filmed, the effect will definitely be very good!”

All the companies made their bids.

There was only one chance to make an offer. They had to be careful.

In the past, 300,000 yuan for an episode and 13.8 million yuan for the adaptation rights of a script were already astronomical prices.

But Lin Fan’s scripts were different.

Lin Fan’s first season of Joy of Life had set a historical record for number of times played in online platforms.

As for Lin Fan’s first season of the Legend of Sword and Fairy, it went viral online and became a classic. Moreover, its viewership ratings broke the historical record of nearly 30 years.

Today, Lin Fan wrote new scripts again and the entire entertainment industry was shaken!

Before long, the offers from the various companies were made.

“Boss, Perfect Entertainment offered 300,000 yuan per episode. Together, Perfect Entertainment is willing to pay 24.9 million yuan for these two scripts.”

“Boss, Jiaying Entertainment is willing to pay 450,000 yuan per episode. In total, it’s already 37.35 million yuan!”

“Oh my God, this company is offering a higher price. Huanrui Media has offered 600,000 yuan per episode. The two television dramas add up to 49.8 million yuan. It’s close to 50 million yuan...”

“Boss, Yuehua Entertainment’s bid is also out...”

“Yuehua Corporation offered 83 million yuan for the two scripts, which is equivalent to a million yuan per episode!” Lin Qianwei said to Lin Fan.

When Lin Fan heard this, his eyes lit up and his breathing quickened slightly.

Someone had offered this kind of price for the two scripts he wrote.

One million yuan per episode added up to 83 million yuan.

To be able to sell two scripts for such a price, it was almost 100 million!

If he could continue earning money like this, wouldn’t he be able to surpass Xia Wanqiu in the future?

In the end, Lin Fan chose to continue working with Yuehua Entertainment.

There was no other reason, Yuehua Entertainment simply offered him the most money.

83 million was enough to buy a villa!

In Yuehua Entertainment, everyone’s eyes widened when they heard about the money Lin Fan earned from two scripts.

Xu Yang and Lin Jingjing’s eyes were filled with disbelief.

Xia Wanqiu's beautiful eyes lit up as well. She immediately decided to work harder. Otherwise, she would be ridden by the scumbag sooner or later.

1

Su Xiaoyu bit her cucumber nonchalantly.

Lin Kexin had an expression full of admiration. Two scripts were worth more than 80 million yuan. Lin Fan was too amazing...

The other employees in the company looked amazed.

"Damn, 83 million. The two scripts written by Brother Fan are f*cking worth more money than I can earn in two lifetimes."

"Brother Fan is awesome. Two scripts are worth 83 million. Brother Fan, can I cozy up to you?"

"Who asked Brother Fan to write such good scripts? Every time a script is filmed, it will go viral online!"

"I don't know why, but I'm a little envious."

After signing the contract, 83 million yuan was transferred to Lin Fan's bank account!

Lin Fan's savings were already close to 500 million!

This was only the beginning. After the television series were filmed, he would earn even more money!

"Sigh, I'm still relatively poor now. I only have 500 million. I'll have to ride on my wife in the future." Lin Fan went in front of Xia Wanqiu and took out the message on his phone with a smile.

"Scum, I have 700 million in my bank account now. I'm clearly above you." Xia Wanqiu smiled brightly and looked at Lin Fan, her face red.

"Besides, my pay is higher than yours, and I earn more than you through endorsement fees and so on ~"

Xia Wanqiu said.

When Lin Fan heard this, he was immediately furious.

When had his cat made so much money already?

Who was he to admit defeat so easily?

For his family status after marriage, he would go all out!

Chapter 276: Lin Fan and Xia Wanqiu's Appearance Stunned Time
Huace Pictures.

When Huace Pictures received the 200 million yuan contract termination fee, Liu Xian laughed.

As the President of Huace Pictures, Liu Xian felt very good this time.

After Lin Fan's "The Legend of the Sword and Fairy" crushed Huace Pictures' "Star Garden", Liu Xian had been feeling unhappy.

"I feel really good this time. In order to help Lin Kexin terminate her contract, Lin Fan even transferred 200 million yuan to our company."

"From the looks of it, Lin Fan is just so-so," Liu Xian said.

"Damn it, I could have threatened Lin Kexin and made her spend a night with me, but Lin Fan actually chose to step in," Liu Xian said.

This had long become an unspoken rule in the entertainment industry. In the entertainment industry, it was usually relatively dirty.

A girl might not get bullied only if she had a background.

If a girl didn't have a background, just like Lin Kexin, a company could totally ban her during her prime phase of development.

“Isn’t it just Lin Kexin? So what if she’s beautiful? Does the company need people like her?”

“President Liu, it’s easy for our company to nurture a few more superstars,” said CEO Liu Yiyi of Huace Pictures.

“Send a message to Lin Fan. Just say that we feel really good now. What can someone our company doesn’t want do in Yuehua?” Liu Xian said.

“Oh right, take this 200 million to defame Lin Kexin, Su Xiaoyu, and Xia Wanqiu. I heard that these three people often stay in Lin Fan’s villa. There should be photos, right? If there aren’t any, just photoshop some.”

“Also, hire some keyboard warriors and haters to defame Xia Wanqiu, Su Xiaoyu, and Lin Kexin,” Liu Xian said.

“Alright.” Liu Yiyi nodded.

Many of the keyboard warriors sent by Huace Pictures began to defame Xia Wanqiu and Su Xiaoyu again. At the same time, some people went online to defame Lin Kexin.

At the same time, the official Weibo account of Huace Pictures released the news.

[Lin Kexin has breached her contract multiple times during her time in the company. After a unanimous decision, Lin Fan chose to help Lin Kexin pay 200 million yuan of her contract termination fee. Lin Kexin paid 100 million yuan of her contract termination fee herself and has officially terminated her contract with us.]

A Weibo post from Huace Pictures made the Internet explode.

Someone had taken a photo of Lin Kexin crying in front of Lin Fan.

Someone even took a photo of Lin Kexin going into Lin Fan’s house. As for what happened, no one knew.

Immediately, there were trending topics on Weibo.

And the top trending topics on Weibo were...

[Lin Fan Cheated]

[Lin Fan helped Lin Kexin pay her contract termination fee to cohabit with her.]

[The Love Between Lin Fan and Su Xiaoyu]

[Lin Fan is disgusting.]

....

A total of four trending topics rushed to the top of Weibo's trending topics list.

The comments below these four trending topics were already occupied by haters.

"Oh my God, Lin Fan really cheated?"

"Hahahaha, Xia Wanqiu has been cheated on!!"

"Stupid Lin Fan. So that's why he helped Lin Kexin pay her contract termination fee. How disgusting."

"Damn, Lin Fan and Su Xiaoyu are even in the same car. This is too f*cking magical. How many girls are Lin Fan dating at the same time?"

"I have to say, Su Xiaoyu and Lin Kexin are disgusting too. They clearly know that Lin Fan has a girlfriend, but they still went to look for him. However, Lin Fan isn't a good person either."

"Who would still watch Lin Fan's TV dramas? Whoever watches his TV dramas is a fool."

Many comments came like a torrent.

In an instant, Lin Fan's Weibo follower count dropped by a million.

Xia Wanqiu, Su Xiaoyu, and Lin Kexin's follower counts were also dropping.

Many onlookers who did not know the truth joined the battle after seeing those photos.

Of course, there were also some loyal fans of Lin Fan and Xia Wanqiu.

After the rumors and public opinion broke out, the president of Huace Pictures, Liu Xian, posted on Weibo.

"Did Lin Fan cheat because Xia Wanqiu is too ugly? I didn't expect Lin Fan to be such a person. I even said that I would help Lin Fan promote his new television dramas."

Under his Weibo post, everyone supported Liu Xian.

"Yes, Xia Wanqiu is so ugly."

"No way, no way. No one really thinks that Xia Wanqiu is innocent, right?"

"This is just a persona created by the entertainment industry. Why is Xia Wanqiu pretending to be innocent?"

"Hahahaha, the biggest news of the year. Xia Wanqiu was cheated on."

It was also because of Liu Xian's Weibo post that it became a trending topic again.

Liu Xian was openly mocking Xia Wanqiu.

In addition, Liu Xian also reposted the Weibo post about Lin Fan helping Lin Kexin pay her contract termination fee and added a sentence.

"Lin Kexin even went to Lin Fan's place to terminate her contract. Lin Fan was even willing to pay 200 million yuan of her contract termination fee. I feel really good now."

In the comments section of the Weibo post, the comments were all similar.

[I feel really good now.]

[Me too.]

[I feel so good.]

....

Faced with the overwhelming offensive on the Internet,

Lin Fan and Xia Wanqiu, who were eating barbecue by the beach, were stunned.

After seeing Liu Xian's Weibo post, Lin Fan's eyes turned cold.

Not only did he bully Lin Kexin and Su Xiaoyu, but he also bullied Xia Wanqiu.

Most importantly, he even said that Xia Wanqiu was ugly and that Xia Wanqiu had been cheated on.

How could Lin Fan not be angry when faced with such news?

As a very large entertainment company, Huace Pictures often played these tricks, which also made Lin Fan very unhappy.

"Meow, meow?" Xia Wanqiu looked at Lin Fan with her beautiful eyes and smiled.

"Don't be angry anymore. Let's take a selfie~" Xia Wanqiu said and made a cute gesture.

"Hmm?" Lin Fan looked at the cute girl beside him and smiled brightly. He gradually suppressed his emotions.

“Let’s post a selfie together and the rumors will collapse.” Xia Wanqiu smiled faintly and looked at Lin Fan.

“Okay.” Lin nodded.

“How about we pout together?” Xia Wanqiu pouted and looked at the camera. Her smile was very sweet and cute. This was how she often looked in front of Lin Fan.

Lin Fan did the same thing as Xia Wanqiu. Although it was embarrassing for a boy to do this, it became very sweet when he did it with his wife.

“It’s quite nice. Let’s take another photo.” Xia Wanqiu smiled sweetly.

“This time, hug me from behind ~” Xia Wanqiu smiled brightly. She held her phone and didn’t turn on her beauty filter.

Her looks and temperament were too good. She had no dead spots, and Lin Fan was also very handsome. The photos they took together were perfect.

“Hug you?” Lin Fan’s eyes lit up. What kind of dirty words were that?

In the past, he could only hug Xia Wanqiu when the atmosphere was right.

Today, his wife took the initiative to let Lin Fan hug her. Lin Fan felt completely different.

Lin Fan stood behind Xia Wanqiu and gently hugged her slender waist. The setting sun shone on Lin Fan and Xia Wanqiu’s faces.

The fragrance of Xia Wanqiu’s hair wafted over. Lin Fan gently hugged Xia Wanqiu in his arms.

Nothing in the world could be happier than this.

The sea breeze blew her long hair and skirt, and her fair and delicate neck. The innocent joy made Xia Wanqiu blush slightly. She smiled sweetly and revealed a blissful smile in Lin Fan’s arms.

The world was also frozen in this scene.

Faced with the methods of Huace Pictures, Liu Xian's series of taunts, and the rumors that filled the Internet,

there were no words in response to these rumors, only these two beautiful photographs.

Lin Fan was hugging Xia Wanqiu and this sweet scene seemed to stun time.

Chapter 277: Officially Declaring War!

Lin Fan and Xia Wanqiu both posted such a Weibo post at 5.32 PM.

There were two photos of Lin Fan and Xia Wanqiu on the Weibo posts.

The accompanying caption was also very simple, just a simple red heart.

Faced with so many rumors, this was Lin Fan and Xia Wanqiu's response.

After the two of them posted on Weibo, the rumors collapsed.

Under Lin Fan and Xia Wanqiu's Weibo posts, there were quickly hundreds, thousands, and tens of thousands of comments.

"I knew it. How could Lin Fan and Xia Wanqiu have broken up? It's all rumors!"

"Ahhh, these two photos of Lin Fan and Xia Wanqiu are so sweet. They're already a couple now. It doesn't matter even if they live together. What can others do?"

"Please pay more attention to Lin Fan and Xia Wanqiu's works. When will the second season of Joy of Life and the third season of The Legend of Sword and Fairy be released?"

"I love it. Lin Fan is still so handsome. Xia Wanqiu is also so beautiful."

“Let me give you a lesson. Su Xiaoyu and Lin Kexin are both artistes under Lin Fan. Although he hasn’t established an entertainment company yet, they have a good relationship with Lin Fan. Don’t misunderstand.”

....

By the sea.

Lin Fan held Xia Wanqiu’s hand and enjoyed the sea breeze.

Xia Wanqiu looked at Lin Fan and said softly, “Lin Fan, will you really like someone else like they said?”

Xia Wanqiu lowered her head, her beautiful eyes slightly red. She and Lin Fan had been deskmates from junior high to senior high.

She no longer simply liked Lin Fan. She relied on him.

Xia Wanqiu knew that she had a super beautiful younger sister, Su Xiaoyu.

Although their surnames were different, Su Xiaoyu was her younger sister.

Lin Kexin was also very beautiful. She was once the school belle of Beijing Film Academy and was very good-looking.

With so many beautiful girls around him, Xia Wanqiu’s worries were not unreasonable.

Lin Fan smiled and hugged Xia Wanqiu gently. He kissed her forehead and rubbed her head. “What are you thinking?”

“I don’t like anyone but you. It wasn’t easy for me to woo you. Of course I have to protect you. How happy I would be to marry you,” Lin Fan said.

“Yes ~”

“Then you have to work hard. You’ll be able to pass my father’s test in half a year,” Xia Wanqiu said with a smile. Her face was slightly red as she leaned into Lin Fan’s arms.

“Of course I will. I study Chinese chess every day now.” Lin Fan smiled.

Seeing that the atmosphere was right, Lin Fan hugged Xia Wanqiu and gently placed his hand on a certain part of her.

He was very very gentle. Lin Fan was afraid that Xia Wanqiu would notice it. Otherwise, he wouldn’t be able to get the red packet.

One second, two, three...

The moment he touched Xia Wanqiu’s clothes, Lin Fan counted the time in his heart.

Thirty seconds. As long as he could hold on for thirty seconds, he would be able to complete the mission and obtain the 300-million-yuan Tomson Riviera villa.

If he could not complete the mission, the punishment he would be given would be too harsh.

What made Lin Fan more excited was that Xia Wanqiu seemed to have fallen asleep in his arms.

Moreover, he only touched her clothes. Although there was still a light touch, Xia Wanqiu shouldn’t have noticed.

In that case, completing the mission should be easy.

Twenty seconds, twenty-one ...

At the twenty-seventh second, the frequency of Lin Fan’s breathing changed.

This was an important mission that concerned whether he could stand up in the future.

Then, Xia Wanqiu opened her eyes and held Lin Fan’s hands.

Her cheeks were pink as she looked at Lin Fan and pulled his hand off her shirt.

There were only three seconds left. It was broken.

Xia Wanqiu was not as angry as the first time.

“Bad man. No more touching.”

“When we get married, it’ll all be yours~” Xia Wanqiu said with a red face. She lay in Lin Fan’s arms and closed her eyes again.

Lin Fan said nothing. He looked up at the sky and sighed.

By the time they got married, he would be impotent for life.

This time, Lin Fan failed again.

This was life. Lin Fan could have forcefully held on for the last three seconds, but he didn’t.

He would not force Xia Wanqiu.

If she was willing, good. If she wasn’t, Lin Fan wouldn’t forcefully take the red packet.

Anyway, he still had a month. There was plenty of time.

Now that Xia Wanqiu was Lin Fan’s girlfriend, Lin Fan would not go against her wishes.

It was just that when he touched it a little just now, that feeling was as soft as a sponge and he felt very blissful when touching it.

After they got married, life would be so blissful.

Lin Fan was looking forward to it. He wasn't a saint. His wife was so beautiful, that it was impossible for him to have no thoughts at all.

But everything would have to wait until after they were married.

Lin Fan carried Xia Wanqiu back to her room and covered her with a blanket.

Then he went to the study again and began to learn Chinese chess.

It was not impossible to go from a newbie to a Chinese chess master in half a year.

After playing Chinese chess, Lin Fan opened Weibo and looked at the many comments.

Although they had dispelled the rumors, there were still many haters online arguing with each other.

There hadn't been any haters in a while, but now a bunch of them had suddenly appeared.

Apart from the fact that it had been done by Huace Pictures, there was no one else.

The President of Huace Pictures, Liu Xian, bullied Lin Kexin for being weak and even used her contract to deal with her.

After Lin Fan saw Lin Kexin's value, he decisively helped her pay 200 million yuan of her contract termination fee.

After that, Lin Fan signed Lin Kexin. To others, this was a stupid decision.

However, Lin Fan discovered Lin Kexin's commercial value. Her popularity and Lin Fan's television series were enough to make her even more popular. At that time, the profits she would create would far exceed 200 million.

After Liu Xian received the 200-million-yuan contract termination fee, he bragged on Weibo and even posted that he felt really good now.

There were even haters criticizing Su Xiaoyu online.

Su Xiaoyu and Lin Kexin were both celebrities under him. They were also Lin Fan's good friends.

The most hateful thing was that Huace Pictures had targeted Xia Wanqiu many times. Now, they were making a comeback and doing it again.

It was precisely because of Huace Pictures' domineering, arrogant, and unrestrained attacks that Lin Fan was truly angry.

They were all companies in the entertainment industry. It was very difficult for them to use external forces to destroy Huace Pictures. After all, Huace Pictures had no choice but to do so. They had a lot of resources in the entertainment industry.

Although Lin Fan had some fame in the entertainment industry, it was far inferior to a large company like Huace Pictures.

No one would offend a big shot like Huace Pictures for Lin Fan.

The only person who could help Lin Fan was himself.

Only by truly gaining a foothold in the entertainment industry would he not be afraid of anyone's attacks.

If he wanted to compete with Huace Pictures, he would have to do so through his works and his overall strength.

Lin Fan didn't care if people scolded him.

Lin Fan could tolerate people bullying Lin Kexin and Su Xiaoyu.

However... when Huace Pictures turned their gaze to Xia Wanqiu, Lin Fan couldn't tolerate it anymore.

To hell with Huace Pictures.

Huace Pictures had a market value of 10 billion yuan. It was a large company with many backers and even the support of many families. In fact, its market value was actually almost 100 billion yuan.

Even though Lin Fan had a strong background, he was in a different industry. LV and Chanel were global luxury brands, not to mention Alibaba, who had no connection to the entertainment industry.

It was almost impossible to crush Huace Pictures by normal means without getting hold of evidence against them.

And Lin Fan disdained using those abnormal business methods.

The entertainment industry was exactly what Lin Fan was good at.

Since Huace Pictures was so aggressive, Lin Fan would use his strength to conquer all the companies in the entertainment industry and finally defeat Huace Pictures completely!

From now on ...

Lin Fan had officially declared war on Huace Pictures!

Chapter 278: Why Can Lin Fan's Scripts Be So Good
Yuehua Entertainment.

Today was a very important day.

This was because he was going to pick the cast of the second season of "Joy of Life" today.

Huace Pictures had always been targeting Lin Fan and Xia Wanqiu. This made Lin Fan very unhappy.

The battle with Huace Pictures had begun.

Therefore, if he wanted to crush Huace Pictures, he had to use his works to do it.

And the original actors of the first season of “Joy of Life” were all here.

However, there were still some new characters that needed to be added, and the final decision of who would act as these characters was left to Lin Fan.

“Let me make a formal announcement about the characters in the second season of Joy of Life.”

“The male lead is me, and the female lead is Xia Wanqiu. The rest of the roles are no different from the first season. Everyone happens to be free. If we use this lineup to film the second season of ‘Joy of Life’, I believe we can definitely produce a better work.”

“Among them, there are a few new characters in the drama. I think only Lin Kexin can play one character, and the other female character is a little girl. Let Tang Xinran give it a try. The other characters are as follows...”

Lin Fan looked at Lin Kexin and Tang Xinran and smiled.

Needless to say, Lin Kexin was a big star with excellent acting skills.

Tang Xinran was a ten-year-old girl. She was cute, beautiful and a top student.

Lin Fan had saved this little girl in his car accident previously. In more than a month, she had already taught herself all the material for sixth-graders and had even gotten first place in her class.

It just so happened that there was a little girl role in the television drama “Joy of Life” which Lin Fan could not find a suitable actor for. He happened to think of Tang Xinran.

It wouldn’t affect her studies and she could even come and try acting.

When Tang Xinran heard this news, she was very happy. Lin Fan had saved her life, and he had even arranged for her to study in the best school. Of course she wanted to repay him.

After making all the arrangements, everyone was pleasantly surprised.

The lineup for the first season of Joy of Life was already very luxurious.

As for the lineup for the second season of Joy of Life, many capable actors had joined.

Most importantly, the superstar Lin Kexin also joined in. Apart from that, there was also a beautiful girl like Tang Xinran.

Tang Xinran was only ten years old, but she was recognized as a great beauty. Although she was still very young, many people had already fallen in love with her.

Xia Wanqiu, Su Xiaoyu, Lin Fan, and Lin Jingjing all liked this beautiful girl.

Xu Yang was especially envious. How could the heavens have such a beautiful and pure little girl and even made her Lin Fan's younger sister?

Assistant Director Lu Benkai looked at Lin Fan and asked, "Brother Fan, our cast this time is too luxurious. It's just that there's a small problem. Tang Xinran is indeed very beautiful, but the role she plays is more important. If she doesn't act well, the quality and standard of the entire television drama will fall."

Lu Benkai was not against Tang Xinran. Without any talent in acting, it was still difficult to act in such an important television drama.

If she did not act well, it would affect the reputation of the entire drama.

Lin Fan patted Tang Xinran's head and said, "For so long, I've hired acting teachers to help Ranran learn. Ranran's acting skills are very good now."

"Ranran, why don't you act for us? Let's assume that I'm your older brother. I shook your hand first, then I shook other girls' hands. Act out your emotional changes in this process." Lin Fan smiled.

Under the attention of many celebrities, Lin Fan started testing Tang Xinran.

There was no clear indication of whether she had to act happy or disappointed. Her lines could be set by herself, and everything was completely up to her. This was also the most difficult part. Tang Xinran had to understand what Lin Fan meant.

She started acting.

Lin Fan shook Tang Xinran's hand first. Tang Xinran looked happy and excited. She smiled sweetly and took the initiative to shake Lin Fan's hand.

When Lin Fan shook other girls' hands, everyone's eyes were focused on Tang Xinran.

Tang Xinran did not say anything. She did not cry or say anything. Her beautiful eyes looked at Lin Fan and the little girl, and the smile on her face disappeared.

Death stare.

She did not speak, but her performance was too penetrating.

She was only a ten-year-old girl, but she could act like a young lover.

One look, one expression, looking at Lin Fan.

Not to mention Lin Fan, no one else dared to hold another girl's hand in front of her anymore.

Tang Xinran's expression was perfect.

The key was that she was so beautiful, and her gaze was perfect as well.

After her performance, everyone exclaimed.

"Ranran's acting is too good. That expression of hers is really a death stare."

"I wouldn't be able to act out this effect either. It's too realistic."

"Ranran's acting skills are superb. She can act like this even without ever learning how to act?"

Under everyone's praise, Tang Xinran finally smiled and looked at Lin Fan. "It's all because Brother Lin Fan taught me well."

Xu Yang was speechless.

Lu Benkai was speechless.

It was fine if Lin Fan's acting skills were good, but even Tang Xinran's acting skills were so good after being taught by Lin Fan.

Xu Yang sighed. 'Damn it. If there's one god, it's Lin Fan.'

Lin Fan made the entire crew motivated to film, adding to the cohesion of the team.

And Lin Fan was the core of this team.

All the actors present, the producer, Liu Mou, the assistant director, Lu Benkai, the backstage production team leader, Xue Kexin, and CEO Li of Yuehua were all very impressed by Lin Fan.

With Lin Fan around, Yuehua Entertainment would be able to fight Huace Pictures head-on.

Moreover, they already knew that Lin Fan already had two artistes under him, Su Xiaoyu and Lin Kexin. The two girls' future development would definitely be very good.

Tang Xinran was a straight-A student. If she entered the entertainment industry, she would probably become a goddess that countless people liked.

Tang Xinran would definitely be an artiste under Lin Fan in the future. Coupled with Xia Wanqiu, Lin Fan already had so many artistes around him before he even established an entertainment company.

Every one of them could become a top celebrity.

"Alright, the roles have been decided. Everyone, get ready. The script discussion seminar will begin tomorrow. After the script discussion seminar is confirmed, we can start pulling in investors. After the

investors are confirmed, we can buy the corresponding clothes. After the venues are rented and technical staff are in place, we can officially start filming,” Lin Fan said.

Lin Fan had wanted to take a day off before starting the script discussion seminar the next day.

Unexpectedly, the many actors and the many scriptwriters of Yuehua Entertainment, including Teacher Tian Zheng, stood together.

Xia Wanqiu, Su Xiaoyu, Lin Kexin, Tang Xinran, Xu Yang, Lin Jingjing, and many other celebrities were looking at Lin Fan expectantly.

How could they wait until tomorrow? The script that Lin Fan had written was so exciting. Every story was so deeply rooted in the hearts of the people. When they finished filming the first season of Joy of Life, not to mention the audience, even these actors could not hold back.

They were eager to see the script for the second season of Joy of Life. Every actor took the opportunity to film this drama seriously.

Everyone looked at Lin Fan eagerly.

Who asked Lin Fan to write such a good script!

Chapter 279: This Is Lin Fan’s Creative Ability!

“Lin Fan, let’s look at the script today~~ I also want to see the script for the second season of Joy of Life~~” Xia Wanqiu looked at Lin Fan with her beautiful eyes.

“That’s right, Master. Let’s look at the script.” Su Xiaoyu nodded.

“Lin Fan, take out the script. Why are you waiting for tomorrow? I want to memorize the script today,” Xu Yang said.

A few other veteran actors looked at him.

In particular, the veteran actors who played the roles of Emperor Qing and Chen Pingping were filled with anticipation.

They had waited too long for this day.

Lin Fan had no choice but to hand over the script document to Lin Qianwei. After a few minutes, Lin Qianwei passed the printed script into everyone's hands.

"Everyone read the script for two hours. After that, we'll discuss it in detail," Lin Fan said, looking at everyone.

After everyone got the script, they immediately focused on it.

One hour ...

Two hours ...

Unknowingly, four hours had passed.

They were supposed to take two hours to read the script, but because the stories in the script were so exciting, they were deeply rooted in the hearts of everyone.

So much so that everyone here read with such fascination that they forgot the passage of time.

Even Tang Xinran was so fascinated by it.

After four and a half hours, Lin Fan poured a glass of water for Xia Wanqiu and Tang Xinran.

"Wanqiu, have some water," Lin Fan said with a smile.

"Thank you, Lin Fan. How can the script you wrote be so good? Every character in this script has been elevated. Be it the female lead, Lin Wan'er, the male lead, Fan Xian, or even a character like Fan Sizhe, they have all been elevated."

"This script is more than twice as exciting as the first season's script. The power struggle in the first season is far less intense than the second season," Xia Wanqiu said seriously.

She had a feeling that as long as this television drama was filmed, it would definitely become popular. There was no doubt about it.

Seeing Xia Wanqiu praise him like this, Lin Fan smiled brightly and did not disturb anyone else.

There were a total of forty-six episodes in the script. If one looked at their own scenes alone, two hours would be enough.

However, all the actors chose to read all the plots in this script.

Only by understanding the entire plot could they understand this script better.

While everyone read in fascination, some actors' eyes turned red. Others were already crying.

In the second season of Joy of Life, just reading the script and words were enough to make some actors cry.

The script Lin Fan had written—every plot, every detail, the power struggle in it, and the emotional changes in the characters—were all too well written.

Especially when the character Chen Pingping died for the main character, it touched countless actors to the point of tears.

Finally, after the perfect finale of the script, the actors gradually came back to their senses.

"I've finally finished reading the script. Is this the script of Joy of Life written by Lin Fan? The plot of the second season is far more exciting than the first season!"

"I'm completely in love with this script. It portrays every character too well. Lin Fan's grasp of the characters in the script is too perfect."

"Yes, the power struggle in this script is also very exciting. The battles between different people are very satisfying. If I have to find any problems in this script, I can't."

"Suddenly I remember. I haven't gone to the bathroom yet."

“Now that you mention it, I kind of feel like going to the bathroom too. Is it already dark? Didn’t we start reading the script at two in the afternoon?”

“Looks like we won’t be able to hold the script discussion seminar today. Lin Fan is indeed our company’s top scriptwriter. The script he wrote is unheard of and unprecedented.”

...

While everyone was smiling, some people went to the bathroom and walked together.

Lin Jingjing sat there with red eyes.

“Jingjing, let’s go and have dinner.” Xu Yang held her hand and said.

“Why are you crying?” Xu Yang asked. His heart ached. Ever since he wooed Lin Jingjing successfully, Xu Yang’s focus had only been on her.

“Xu Yang, Lin Fan’s script is really good.”

“Last time, I was already moved by ‘The Legend of Sword and Fairy’. This time, I’m still moved by the second season of ‘Joy of Life’. Lin Fan’s scripts and ability are far beyond my imagination,” Lin Jingjing said.

“The story he constructed is like a vast world that can make those who read the script obsessed. This is the script that Lin Fan wrote. I rarely see people with his kind of scriptwriting ability,” Lin Jingjing said.

Xu Yang did not feel any jealousy when he heard Lin Jingjing praise a man like this. Instead, he smiled.

“That’s right, Jingjing. Lin Fan’s ability to write scripts is top-notch. He can mobilize emotions and anticipation too well. Once this script is filmed, it will definitely be popular.” Xu Yang smiled.

Although he and Lin Fan were considered competitors in Yuehua Entertainment, Xu Yang did not care about these small matters.

Lin Fan was indeed very outstanding. Even if he was praised by his girlfriend, he would not be jealous. He would only agree.

In the entertainment industry, only Lin Fan could write such an outstanding script!

“Well, Xu Yang, let’s go eat.” Lin Jingjing smiled and stood up.

“Xiaoyu and Lin Kexin have become Lin Fan’s artistes, and Qiuqiu will definitely be Lin Fan’s artiste in the future, so I have an idea.” Lin Jingjing looked at Xu Yang.

“What idea?” Xu Yang smiled.

“Lin Fan is so outstanding. I think we can also sign under Lin Fan and become his artistes. Don’t you think he’s very awesome? His bearing and ability are not inferior to Yuehua Entertainment.” Lin Jingjing looked into Xu Yang’s eyes and said seriously.

After hearing that, Xu Yang pondered for a second.

He could tell how powerful Lin Fan’s future potential was.

Not only could Lin Fan write good scripts, but he could also film dramas well.

If he could become an artiste under Lin Fan, his future development would be immeasurable.

“Let’s not rush into this, Jingjing. We’ll talk about it in the future.”

“If Lin Fan can really develop so well in the future, it’ll be good to be his artiste.” Xu Yang smiled.

“Jingjing, we’ve been dating for so long and you’re so good-looking. Why don’t we not go home tonight?” Xu Yang smiled brightly and looked at the girl in his arms.

“Ah?” Lin Jingjing blushed as she looked at the man she liked, Xu Yang.

“Yes...” Lin Jing nodded shyly.

Seeing that Lin Jingjing had agreed, Xu Yang felt so happy he could fly.

He, Xu Yang, was finally going to become a man tonight!

Once, he had envied Lin Fan so much.

In the future, Lin Fan would be the one who envied him!
