Chapter 90 How Can Xia Wanqiu Be So Beautiful

After completing the accompaniment music for the entire television series, Lin Jingjing's impression of Lin Fan completely changed. "Lin Fan, drink some water."

"You're really amazing. Your musical talent is so strong. Do you sing very well too?" Lin Jingjing looked at Lin Fan and handed him a bottle of mineral water.

"It's alright. It's just so-so." Lin Fan smiled and took the bottle of water. He had been busy for the past half a month.

"You only know how to be humble. No wonder Qiuqiu likes you so much. In the future, when I hold a concert, you have to come ~" Lin Jingjing looked at Lin Fan and smiled.

"Even if you don't come, I'll still invite you. I'll also invite Xiaoyu and Qiuqiu. No matter what, you have to support me." Lin Jingjing smiled at Lin Fan.

"Alright, invite me then." Lin Fan smiled.

Master Mei Lan and Xue Kexin were sitting together.

The two of them felt like they had nothing to live for anymore.

One was a master in the music industry, Mei Lan.

One was the head of the post-production team, Xue Kexin.

The two of them were very good in their respective fields but ever since Lin Fan came, it seemed like things had nothing to do with them anymore. Instead, they had to learn from the side. At most, they could give suggestions.

When they went to make suggestions, Lin Fan could always find a better point that made the two of them exclaim.

"Sigh, what a pity. If Lin Fan took the path of music, he would definitely be famous," Mei Lan said.

Xue Kexin nodded and said, "If Lin Fan were to specialize in post-production, who knows how many outstanding television dramas and films would be released to change the country's situation in the television industry. Now, other than handsome hunks and divine dramas, there aren't many other outstanding works on television."

The two of them had the same feeling. How could Lin Fan be so outstanding... In two different fields, Lin Fan was a one in a million talent.

“No, I have to think of a way to get Lin Fan to make music. This kind of talent can’t be erased,” Mei Lan said.

Xue Kexin shook her head. “Master Mei Lan, I think there’s no need. Lin Fan doesn’t lack money... and Lin Fan might be richer than all of us.”

Mei Lan was surprised. “Ah? Isn’t he still a newcomer in the entertainment industry?”

Xue Kexin shook her head again and said, “Master Mei Lan, Lin Fan isn’t an ordinary person... His family is very rich. Lin Fan has sports cars worth hundreds of millions and a Lake Heart Villa in Blue Wave Bay. Lin Fan is also a major shareholder of a five-star hotel. He even has the property rights of the technology building worth billions. I’m afraid Lin Fan’s personal assets are no less than tens of billions.”

Mei Lan gasped when she heard that it was worth tens of billions.

Was this... Lin Fan?

If she wasn’t wrong, Lin Fan was only in his twenties. He was still very young.

With such strong abilities and so much money, Lin Fan’s future development would be immeasurable.

“Assets worth tens of billions, Lin Fan is really not ordinary. I suddenly feel a little envious of Lin Fan. I’ve worked for so many years but I’ve only earned more than ten million. But Lin Fan has tens of billions...” Mei Lan said enviously. “Yes.” Xue Kexin nodded. Actually, she wanted to woo Lin Fan a little.

She was afraid that Lin Fan wouldn’t agree and would think that she was a gold digger.

But Lin Fan was so handsome and charming. She couldn’t resist him at all and was too embarrassed to say anything. After all, the girls beside Lin Fan were Xia Wanqiu, Su Xiaoyu, and Lin Jingjing. All of them were beautiful women. Compared to these celebrities, she didn’t have any advantage.

“Lin Fan, I also want to acknowledge you as my master...” Lin Jingjing looked at Lin Fan quietly and blinked her eyes.

“Move aside. I’m not taking in a disciple. You’re so pretty and you’re also calling me master like Xiaoyu. If word gets out, people will think that I’ve done something bad to you guys.” Lin Fan smiled.

It had to be said that Lin Jingjing was also very pretty and her voice was quite nice. However, Lin Fan still had to keep a distance from Lin Jingjing

If the cat were to find out, he would be in big trouble.

“Hmph, Lin Fan, let’s take a picture together then.” Lin Jingjing picked up her camera and looked at Lin Fan. Unknowingly, her attitude towards Lin Fan had changed. After all, Lin Fan was too outstanding.

“Move aside, I’m busy,” said Lin Fan.

“Why won’t you take a photo with me? You’re so petty. I’m going to tell Qiuqiu,” Lin Jingjing said.

“Speaking of her, it’s been a long time since I last spoke to my little piggy.” Lin Fan smiled. He hadn’t seen Xia Wanqiu for more than half a month.

INIO

He missed her after not seeing her for half a month.

Although there were many girls here, and many of them were pretty, Lin Fan wasn’t interested.

These girls’ figures were not as pretty as Xia Wanqiu’s. The key was that they were not as cute as Xia Wanqiu.

Xia Wanqiu was usually very busy. She had to take on endorsements, shoot advertisements, and even film the variety show “Keep Running”.

Lin Fan was also going to be in the last episode of Keep Running. He wanted to give Xia Wanqiu a surprise on her birthday.

As for Lin Jingjing saying that Xia Wanqiu liked him so much, Lin Fan didn’t believe that such a detestable woman would like him. Opening WeChat, Lin Fan looked at his chat history with Xia Wanqiu. It was still stuck at half a month ago. Xia Wanqiu hadn’t sent him any WeChat messages for more than half a month. This made Lin Fan very angry.

Lin Fan had been busy with the post-production work for Joy of Life for half a month, so he didn’t have time to send Xia Wanqiu a message. Xia Wanqiu didn’t send Lin Fan a message either.

At the thought of this, Lin Fan got even angrier.

“Come, Jingjing, let’s take a picture together,” said Lin Fan.

“Sure.” Lin Jingjing smiled and took a photo with Lin Fan.

Then, Lin Jingjing sent this photo to Xia Wanqiu. She looked very aggrieved, indicating that Lin Fan took advantage of her absence to take photos with other girls.

Lin Fan was on the first level, and Xia Wanqiu was on the second level. She had wanted Lin Jingjing to look for Lin Fan for a long time.

After all, Lin Fan had been busy with the post-production for the past half a month. It was just that Lin Fan’s musical talent had stunned Lin Jingjing.

Although Lin Jingjing had a good impression of Lin Fan, she would keep her distance from Lin Fan. She took the initiative to ask Lin Fan for a photo with her because of Xia Wanqiu.

For some reason, Lin Fan felt a little guilty after taking a photo with Lin Jingjing.

He seemed to have fallen for Lin Jingjing’s trap.

Lin Fan knew that Lin Jingjing was close to Xu Yang usually. The person she liked was definitely not him.

She took the initiative to find him for a photo. Maybe... Lin Jingjing was a spy sent by Xia Wanqiu.

Lin Fan felt a chill down his spine.

He even took the initiative to take a photo with Lin Jingjing. If Xia Wanqiu found out, Lin Fan felt a cold sensation somewhere in his body, as if it was going to break.

Instead of waiting for death, it was better to confess to the cat.

Lin Fan immediately tried to video call Xia Wanqiu.

When the video call connected, Lin Fan saw her breathtakingly beautiful face. Xia Wanqiu was wearing a long dress and standing by the sea. She had light makeup on and had an outstanding aura, like a true fairy. Seeing such a beautiful Xia Wanqiu, Lin Fan felt a little guilty.

He already had such a beautiful and cute cat, how could he take a photo with other girls because of anger?

Lin Fan felt as though his heart was about to melt.

After not seeing her for half a month, Lin Fan couldn't help but smile when he saw Xia Wanqiu again.

"Dumbo, what are you laughing at?" Xia Wanqiu looked at Lin Fan and smiled sweetly. She had a face that could topple cities and cities. Her smile was much more beautiful than those photos on the Internet.

Seeing Lin Fan's strong desire to survive, Xia Wanqiu wasn't angry anymore.

Who asked Lin Fan to be so handsome? She reluctantly forgave him!

Chapter 91 Confession, Xu Yang's Decision

Lin Fan: "I'm helping to look at the post-production work. I happened to meet Jingjing and we took a photo together just now."

(Xia Wanqiu winked at Lin Fan and made a cute gesture. "I know, I'm not angry.")

[Xia Wanqiu: "Meow, meow – Where is she?"] Lin Fan: "Heh, it's good that you're not angry. Are you wearing a dress by the sea?"

(Xia Wanqiu: "I'm filming an endorsement and some advertisements. I'm also recording a show here.")

Lin Fan: "You're not allowed to wear dresses by the sea."

[Xia Wanqiu's pretty face turned red. "Don't worry, I won't have a wardrobe malfunction. Even if I do have a wardrobe malfunction, I'm still wearing safety shorts."]

Lin Fan: "That won't do either."

[Xia Wanqiu: "Hmph, fierce."]

(Xia Wanqiu: "I can finish filming today. I won't wear it anymore in the future.")

Lin Fan: "I know. I've been very busy for the past two weeks and haven't contacted you."

(Xia Wanqiu: "Aren't we in contact now? I'm busy too.")

Lin Fan: "Did you sleep well?"

(Xia Wanqiu: "No.")

Lin Fan: "Then... why don't you sleep at my house tonight?" (Xia Wanqiu: "Get lost, smelly Lin Fan. I'm angry!")

Su Xiaoyu: "Ahwooh? Master, I haven't seen you for so many days. I miss you so much."

[Xia Wanqiu: "Fierce!"]

Su Xiaoyu: "Not any more, not any more. Hehe, I haven't seen Master for so many days. The dog is starving."

Lin Fan: "Two little foodies."

[Xia Wanqiu: "I'll get going first. Remember to look for me tonight -"] After hanging up, Lin Fan's eyes lit up. Look for her tonight?

In other words, she agreed?

There were always hidden meanings in a girl's words. Lin Fan could tell.

Xia Wanqiu agreed to sleep at his house tonight.

Of course, he wouldn't do anything too out of line when he slept. It was mainly because he could chat with Xia Wanqiu, lie on the sofa together to watch television, and watch movies with her.

If he made delicious food for Xia Wanqiu, as long as Su Xiaoyu did not come to cause trouble, they could still be alone.

Such a life was really wonderful.

Although it was summer, Lin Fan's Lake Heart Villa had air conditioners and it wouldn't be very hot. He could even see Xia Wanqiu wearing a short skirt.

Lin Fan wasn't a saint and liked to look at Xia Wanqiu's long legs. After working for so long, he had to relax.

When Lin Jingjing walked over and saw Lin Fan, she couldn't help but smile.

He was obviously in love.

"Lin Fan, when are you going to officially announce your relationship with Qiuqiu?" Lin Jingjing asked curiously.

"Announce what?" Lin Fan asked curiously.

"It's... that kind of relationship. Get together, get together ~" Lin Jingjing said.

Lin Fan shook his head. "Wanqiu and I don't have that kind of relationship. We haven't even been in a relationship. How can I officially announce it?"

"Tsk," Lin Jingjing said. In the eyes of outsiders, Lin Fan and Xia Wanqiu's relationship was already very good.

They fooled around with each other in the production team, ate ice cream together, read scripts together, acted in relationship scenes together, and even filmed a kissing scene together.

The exchange of glances and the way they touched each other made people feel that they were a match made in heaven. Lin Fan and Xia Wanqiu were actually childhood sweethearts who had grown up together. Their relationship was very good and the two of them didn't keep many secrets from each other.

In the production team, Director Lu Benkai, Producer Liu Mou, and some of the staff were not fools.

Lin Fan's popularity in the film crew was too good, so no one exposed the videos of Lin Fan and Xia Wanqiu interacting.

Furthermore, Lin Fan and Xia Wanqiu were together to act. Even if the photos were exposed, it could be explained.

However, anyone with discerning eyes could tell that Lin Fan and Xia Wanqiu's relationship wasn't as simple as it seemed on the surface.

Xia Wanqiu was only so cute in front of Lin Fan. Just this alone made many male actors flinch.

Coupled with Lin Fan's looks, none of those male actors could fight.

All the handsome hunks were crushed into pieces in front of Lin Fan.

Even Xu Yang did not want to stand beside Lin Fan for too long. Otherwise, it would be a bit of an emotional blow to him.

“Oh right, Lin Fan, I heard that Xu Yang is going to visit Xia Wanqiu today,” Lin Jingjing said.

After saying that, Lin Fan opened his eyes.

Damn Xu Yang, you went to visit my cat while I was gone?

Dream on.

Lin Fan immediately left the place.

Of course, Lin Fan trusted Xia Wanqiu a lot, but he was naturally unwilling for Xu Yang to visit her.

When Lin Fan reached home, the first thing he did was go to the garage and drive out his sports car that was worth hundreds of millions, the Bugatti La Voiture Noire.

Before getting into the car, Lin Fan saw a small red flower on the grass beside him.

This flower was not big, only about two fingers long, but it was very pretty. Without having time to prepare any gifts, Lin Fan drove the Bugatti and took the flower. Then he went to the mall and drove towards Xia Wanqiu’s workplace.

If Xu Yang could visit, he could visit too, and he could give Xia Wanqiu a surprise.

On the other side.

Xu Yang, who was driving a Maybach, had a bouquet of flowers on the passenger seat.

He knew that Lin Fan was busy, so he decided to seize this opportunity to visit Xia Wanqiu.

Xu Yang said that he wanted to compete fairly with Lin Fan. Although he had been attacked a few times, he was an unkillable cockroach.

If he gave up on the girl he liked so easily, it would be too cowardly.

Xu Yang decided to visit Xia Wanqiu today. If he had the chance, he would confess to her.

Perhaps Lin Fan and Xia Wanqiu’s relationship was only as good as it seemed on the surface.

Xu Yang felt that he still had a chance.

If he didn’t try, how would he know if it would work?

When Xu Yang arrived at Xia Wanqiu’s workplace, he immediately attracted a lot of attention.

Xu Yang was still Yuehua’s number one male artiste, his status had not been shaken. If one wanted to take his place as Yuehua’s number-one male artiste, they had to bring out the corresponding works.

Although Lin Fan had a good relationship with people, Lin Fan's reputation hadn't been known to the public yet.

When Xu Yang arrived, he saw Xia Wanqiu working. She was so beautiful that he could not help but be stunned.

Xu Yang made up his mind. He could not give up! This was his last hope. When Xia Wanqiu rested, there were not many people around. Xu Yang picked up the bouquet and walked towards Xia Wanqiu warmly.

Many people were shocked when they saw this.

Was Xu Yang... going to confess to Xia Wanqiu?

This was in front of so many people. If anything happened, it would be posted online. "Wanqiu, you must be tired from work." Xu Yang walked forward, held the bouquet of flowers, and looked at Xia Wanqiu.

Xia Wanqiu looked up. When she saw the flowers in Xu Yang's hand, she did not take them.

However, it was not good to make Xu Yang feel too awkward in public. After all, they were all from the same company.

At that moment, Lin Fan drove over.

Seeing Lin Fan's Bugatti, Xia Wanqiu's eyes lit up... Lin Fan, this blockhead. Why did he only come now?!

Even if there were rumors, she only wanted to have rumors with Lin Fan.

Although Lin Fan was here, she had to give Xu Yang a response.

Otherwise, Xu Yang would be very embarrassed, and this scene would be on the news. It might cause a war between the fans of the two of them.

Xia Wanqiu smiled politely and said, "It's alright. Thank you. Leave the flowers over there."

Xu Yang did not feel too embarrassed.

For some reason, Xu Yang felt empty. He originally wanted Xia Wanqiu to take his flowers so that he could confess to her.

But now... Xia Wanqiu did not even give him this chance!

Chapter 92 Xu Yang: How Can You Stuff Me With Dog Food Like This?

Xu Yang wanted to say something but when he saw Lin Fan, he subconsciously made way for him.

This was not his home ground.

Su Xiaoyu's eyes lit up when she saw so many flowers.

"Xu Yang, you're here to see us." Su Xiaoyu looked at the flowers and giggled.

"Yes, you must be tired after filming." Xu Yang saw Su Xiaoyu. His heart was still a little empty, but he did not express it.

"It's alright. Eh, Master is here too." When Su Xiaoyu saw Lin Fan, she didn't walk up first because she could tell that Lin Fan had been looking at Xia Wanqiu.

Xia Wanqiu was also looking at Lin Fan.

Their eyes met. However, Lin Fan couldn't just go up to her. Otherwise, he would definitely be on Weibo's trending page the next day.

Shocking. Lin Fan and Xu Yang both like Xia Wanqiu. Xia Wanqiu's choice was...

Lin Fan first saw the director of Keep Running, Lin Hong

"Hello, Director Lin." Lin Fan walked forward and smiled as he shook hands with Lin Hong.

"Lin Fan?" Lin Hong took the initiative to shake hands with Lin Fan and smiled warmly. Keep Running was a large-scale variety show that had extremely high viewership.

It just so happened that Lin Fan was the guest invited for the final episode. Furthermore, that day was Xia Wanqiu's birthday.

Other people didn't know about Lin Fan and Xia Wanqiu's relationship, but Lin Hong did.

No matter what, Lin Fan and Xia Wanqiu were high school friends. Now, they were colleagues in the same company and the male and female leads of the television series Joy of Life.

"I'm here to see Wangiu and Xiaoyu," Lin Fan said with a smile.

"Sure, but you can't come empty-handed. I heard that the feasts you make are especially delicious. Director Lu exclaims over you repeatedly. You have to make us a feast." Lin Hong laughed.

Of course, he knew that Lin Fan was here to see Xia Wanqiu, but he had to find a reason to do so.

For example, it could be because of work. Everyone knew that and they wouldn't say it so directly.

"Haha, sure," Lin Fan said with a smile. Lin Hong and these big directors had helped him before. Lin Fan was very grateful to be able to give Xia Wanqiu a surprise on her birthday.

After chatting with Lin Hong, Lin Fan walked towards Xia Wanqiu.

Looking at the girl in front of him, Lin Fan smiled brightly. How could Xia Wangiu be so beautiful?

She was really a fairy given to him by the heavens. He couldn't let others take away such a chance. Otherwise, he would feel terrible and regretful for the rest of his life.

Walking in front of Xia Wanqiu, Lin Fan took out a small red flower from somewhere.

This flower could not be compared to the flowers Xu Yang bought.

Lin Fan casually plucked a small flower. Although it was beautiful, Xu Yang had bought flowers from an actual florist. There was still a difference.

Other than the flower, Lin Fan also bought a hat.

"It's very hot outside in the summer. Remember to wear this hat so that you won't feel very uncomfortable under the sun." Lin Fan smiled and looked at the girl in front of him.

"Mm, okay." Xia Wanqiu took the hat and put it on her head.

A beautiful girl was beautiful no matter what she wore. Xia Wanqiu was still so beautiful even when wearing this hat, attracting the attention of others.

Even street goods looked so different on her.

"Also, this flower is for you too. I think it's quite pretty." Lin Fan held the flower that looked like it was about to wilt.

"It's not expensive... but it really looks good when it's not wilting," Lin Fan said. He had only driven for an hour or so, but the flower was wilting. Wilting flowers weren't pretty. "Forget it. Maybe I should throw it away." "No." Xia Wanqiu shook her head and took the flower with both hands.

"If you think it's pretty, I think it's pretty too ~" Xia Wanqiu held the flower and stuck it into her hair. Although the flower was wilted, her heart was warm.

"Also, I like it a lot. I can't throw it away." Xia Wanqiu's smile was enchanting. She looked at Lin Fan and her cheeks were slightly red.

Lin Fan, this blockhead, still knew how to send her flowers.

Although this flower was not pretty, it was enough that she liked it.

Xu Yang watched everything silently.

He then looked at the bouquet of flowers on the ground and felt that even he seemed to have wilted.

Xu Yang felt his heart shatter.

In front of Xia Wanqiu, he and Lin Fan would always have been treated differently. The flowers Xu Yang sent were very expensive. Xia Wanqiu could take them, but she did not choose to. She just let Xu Yang put them aside.

The flower Lin Fan gave her had already wilted. He wanted to throw it away but Xia Wanqiu said that she liked it very much.

Moreover, Xu Yang felt that he had lost in terms of taking care of Xia Wanqiu.

The hat Lin Fan gave really took into account that Xia Wanqiu would be exposed to the sun when she was recording a show outside.

Xu Yang understood that he was being fed dog food again.

After this incident, Xu Yang's mentality silently changed.

It was time for him to give up.

Since Xia Wanqiu did not like him, he would give up too.

When Lin Fan and Xia Wanqiu were together, Xia Wanqiu looked very happy.

The two of them were very sweet.

Xu Yang could only watch from afar.

It was enough that the person he liked was

happy.

He would silently give his blessings from afar.

He could not give Xia Wanqiu so much happiness.

In this world, there was only one person who could do it, and that was Lin Fan.

After taking a deep breath, Xu Yang made an important decision.

If a relationship was not suitable for him, there was no need to persist.

But reality was always so cruel.

Although he was very outstanding and had a girl he liked very much, he could only look at her back view forever.

The boy who would live with her, eat with her, sleep with her, kiss her, have children with her, start a family with her, and had a future with her was Lin Fan, not him.

It was not because Xu Yang was not outstanding enough, but because the timing of his appearance was wrong.

Xu Yang silently took a sip of mineral water. For some reason, when there was no one around, tears fell uncontrollably.

It was said that a man would not cry easily. This tear was also a farewell to his past self.

From then on, he left this competition fair and square, wishing Lin Fan and Xia Wanqiu happiness.

He also had a brand new life. He could act and meet other girls.

When Xu Yang stood up, he found a girl standing in front of him.

This girl was Lin Jingjing.

Lin Jingjing knew that Xu Yang and Lin Fan had come to visit Xia Wanqiu and had already expected this outcome.

Lin Jingjing looked at Xu Yang. Her heart ached. She was very smart and did not say anything

“It’s windy here. Did you get sand in your eye? Wipe it.” Lin Jingjing squatted down and handed Xu Yang a tissue.

“Yes, the wind is strong by the sea. I’m fine now.” Xu Yang stood up and looked at the girl in front of him. He couldn’t help but be touched.

Lin Jingjing didn’t want him to lose face, so she said that on purpose.

If he was not wrong, Xu Yang knew that Lin Jingjing was still busy with doing voiceovers for Joy of Life today, but she had appeared here.

Xu Yang thought of something Lin Fan said.

Sometimes, cherishing the person in front of you was the most precious thing.

So, Lin Fan had already understood everything.

After taking the tissue from Lin Jingjing, Xu Yang took a deep breath.

From now on, he would be a brand-new Xu Yang!

Chapter 93 Men Who Can Cook Are The Hunkiest

Xu Yang smiled confidently.

A confident man was the most charming.

Not far away, Lin Fan and Xia Wanqiu were sitting together.

“Meow, meow ~”

“Lin Fan, I’m going to busy myself with work first. I’ll come back to accompany you later.” Xia Wanqiu looked at Lin Fan and made a cute gesture. She was a little apologetic.

Lin Fan came here to accompany her but she had no choice but to work.

“It’s fine. I can enjoy the sea breeze while I’m here.” Lin Fan smiled and said.

The corners of Xia Wanqiu’s lips curled up slightly. Accompanied by the staff, she walked to the beach.

She had to shoot advertisements and endorsements.

Xia Wanqiu walked by the sea. She was barefooted and had a sweet smile on her face. Her long black hair fluttered in the wind, exuding the vitality of youth. She also had a perfect figure, and a moving temperament. Every sweet smile could attract everyone’s attention.

She walked step by step along the beach, kicking the waves. The breeze blew, fluttering her long dress, revealing her snow-white slender legs.

As she walked along the beach, she smiled at the camera. She was happy, joyful, and blissful like a true fairy.

Many photographers were stunned. They looked at the woman in front of them and were shocked.

Such a beauty revealing such a beautiful smile attracted everyone present.

The photographers took photos of Xia Wanqiu from every angle.

She was pure and beautiful like a true fairy, able to attract everyone’s attention.

“Sister Wanqiu is really pretty.” Su Xiaoyu sighed.

“When can my figure be as good as Sister Wanqiu’s? Her breasts are so big, and her figure is so beautiful. Also, her long legs are amazing.” Su Xiaoyu held her cheeks with her hands and looked at Xia Wanqiu, then at her ordinary chest. There was no way to compare. “Come on, Xiaoyu. Isn’t your figure good? Other than Qiuqiu, no one else in Yuehua can compare to you. I don’t know how many people envy your figure.” Lin Jingjing complained at the side.

Girls did not have flat chests. Although Su Xiaoyu’s breasts were not big, they had actually developed quite well.

Most importantly, Su Xiaoyu was still single. If she wasn’t single, her figure might be even better.

On the other side, Lin Fan and Xu Yang sat together.

Xu Yang looked at Lin Fan and said, “Lin Fan, in the future, I’ll withdraw from your relationship with Xia Wanqiu. I won’t fight with you anymore.”

Lin Fan smiled and patted Xu Yang on the shoulder. "Have you thought things through?"

Xu Yang said, "How can I not think things through? Damn, I eat your dog food every day. You have to compensate me well. At least treat me to a big meal. Arrange for abalones, lobsters, and bird's nest and also good wine and dishes. I'll definitely make you spend a lot of money."

Lin Fan smiled and said, "Abalone, lobster, and bird's nest aren't very expensive. One meal can only cost a few hundred thousand dollars. How expensive can it be?"

Xu Yang: "..."

Xu Yang's mentality collapsed.

He remembered that Lin Fan was also a rich and handsome man. His family fortune was dozens of times more than his.

Lin Fan was a real rich man. His assets alone were probably worth tens of billions. Even Xu Yang, a big star, was not as rich as Lin Fan.

Lin Fan looked at Xu Yang and said seriously, "Brother, it's a good thing to give up. I think Jingjing is pretty good. She suits you very well."

Xu Yang laughed. "Lin Fan, stop it. I just suffered a blow from love. If you let me find Jingjing again, do I look that scummy?"

Lin Fan looked at Xia Wanqiu again and smiled brightly. "Xu Yang, next time I write a new script, you'll be the main lead. That drama will definitely be popular." Lin Fan actually had three or four scripts on hand. As long as he modified them slightly, he could sell them for a high price again.

A good script was very important to an actor.

"What about you?" Xu Yang asked.

"I can just be a director. If I were to act as a supporting character in a television drama, wouldn't the attention of the audience be on me?" Lin Fan teased.

"F*ck!" Xu Yang sighed helplessly. Lin Fan was telling the truth. With Lin Fan's acting skills and his handsomeness, he might really attract the attention of the audience.

After Xu Yang said his true thoughts, he felt much better.

At night, Xia Wanqiu and Su Xiaoyu finished their work.

The crew was buzzing with activity. Everyone was busy.

Xu Yang and Lin Jingjing walked together and chatted with everyone.

It had to be said that Xu Yang's popularity was not bad.

Needless to say, Su Xiaoyu had always been by Lin Jingjing's side, eating all sorts of food.

Sometimes it was apples, sometimes bananas. Who asked her to be a foodie? She would get fat if she ate anything else. She could only eat fruits and vegetables.

Lin Fan and Xia Wanqiu were together, looking at the moon leisurely.

Such a peaceful life was not bad.

At that moment, Director Lin Hong looked at Lin Fan and said with a smile, "Everyone, let's have a barbecue tonight and a feast! It's said that Lin Fan is a master chef and the barbecue and feast he makes are all delicious. Tonight, there are lamb skewers, pork skewers, mushrooms, flat mushrooms, steak, chicken chop, roasted potatoes, roasted chicken wings, roasted eggplants, and roasted leeks. We also prepared cumin and chili powder. They're all delicious."

"Let Lin Fan help everyone barbecue. No matter what, everyone will have enough tonight." Lin Hong smiled and then all sorts of ingredients were served.

Su Xiaoyu and Xia Wanqiu's eyes lit up.

They could eat barbecue!

And it would be a barbecue Lin Fan prepared. Most importantly, the name of each barbecue sounded very fragrant.

Roast lamb, pork, chicken wings, potatoes, eggplants... every one of them sounded so delicious. Lin Fan placed a metal rack on a charcoal fire and placed all sorts of skewers that had already been prepared on it. He then sprinkled some oil on the mushrooms, enoki mushrooms, and ham before roasting them. Finally, he sprinkled cumin and chili powder on them. In the end, he ate them with a slightly spicy texture and fresh meat, leaving a rich aftertaste.

Coupled with Lin Fan's top-notch cooking skills, the barbecue he made was simply delicious.

When Lin Fan was cooking the barbecue seriously, he attracted a lot of attention. Some pretty ladies looked at Lin Fan and felt a little infatuated.

"Wow, Brother Lin Fan is actually so handsome."

"Lin Fan is the screenwriter and male lead of Joy of Life. I wonder how his acting is. Anyway, he's super handsome!"

"It's worth it to be able to eat the skewers Chef Lin gave us!"

"Why does it smell so good? I want to eat it. What should I do?"

"We're so lucky to have such a handsome chef cook dinner for us. I wonder when Lin Fan will be able to come to Keep Running to film with

Us.”

The people recording Keep Running were all celebrities.

Only the director, producers, and some celebrities could eat Lin Fan’s feast. As there were too many people, he definitely couldn’t take care of all of them.

Without exception, the surrounding celebrities liked Lin Fan a lot.

There was no need to talk about Lin Fan’s looks.

Just from the way Lin Fan was cooking the barbecue, he had already charmed many girls here.

A man who could cook was the most handsome!

Chapter 94 Can I Borrow Your Hand To Hold?

After Lin Fan finished cooking the delicious skewers, everyone couldn’t help but exclaim.

Just the smell alone was enough to make them impatient.

Then... they started eating!

After taking the first bite, Director Lin Hong’s eyes widened.

He quickly finished the lamb skewer.

“It’s really amazing! Holy shit, this is the first time I’ve seen such delicious lamb skewers. Can someone roast lamb skewers to be so delicious?” Lin Hong picked up another skewer.

The others were also filled with surprise, as if they had discovered a new continent.

Even a barbecue felt like a feast.

“This is amazing. This shiitake mushroom tastes really good. If I add some chili powder, nothing can compare to this shiitake mushroom skewer.”

“Looking at this chicken steak, the feeling it gives off is different from usual. I feel that it’s even better than what a chef cooks.”

“Lin Fan, where’s that small restaurant you open? I have to go there to eat such a delicious feast.”

Many celebrities present praised him.

There was no other way about it. Lin Fan’s feast was simply way too attractive. Only Xu Yang, Lin Jingjing, Su Xiaoyu, and Xia Wanqiu were used to it. The four of them ate the barbecue silently. Although they might get fat, they couldn’t help but eat it.

After the barbecue, a few celebrities stood in front of Lin Fan and shook his hand.

“Lin Fan, I’m Li Tiantian. I’m also an actor. If you have a script next time, you have to inform me. I also want to act in scripts you write.”

“Hello, Lin Fan. I’m Wang Linyun. I usually like to act. I heard that the script you wrote is very good and you sold it for a sky-high price of 400,000 dollars per episode. Now, we’re just waiting for Joy of Life to air. I heard that you’re the male lead. I’m really looking forward to it.”

“Hello, Lin Fan. Just call me Tuan Tuan. I’m a livestreamer. If you have a chance, can you come live-stream with me once? Just once will

do.”

“Hello, Lin Fan. I’m Liu Yu, a producer. If there’s a chance in the future, let’s work together more often.” Many people surrounded Lin Fan. They all knew of Lin Fan’s status in Yuehua.

After all, Lin Fan was a top screenwriter and he was even the male lead of Joy of Life.

Putting aside whether this drama would become popular or not, just based on how much Yuehua valued Lin Fan, it was enough for these celebrities to become friends with Lin Fan.

In the entertainment industry, it might not be useful to make a friend, but it was better than having an enemy.

Furthermore, Lin Fan was very handsome. Handsome people would usually develop well in the entertainment industry.

These celebrities were all very smart and they immediately tried to pull strings with Lin Fan.

As for the livestreamer Tuan Tuan, who wanted to invite Lin Fan to do a livestream with her, Lin Fan shook his head. He didn’t have any intention of doing a livestream yet.

If he really wanted to do a livestream, Lin Fan would do it himself. The money the audience gave him would also be in his account.

After dinner, Lin Fan and Xia Wanqiu walked along the beach. The beach was still lively. There were many people. The cold moonlight was reflected on the sea and the waves crashed. Xia Wanqiu could not help but feel cold.

“In the future, when you go out, prepare more clothes, understand?” Lin Fan smiled and took off his jacket, draping it over Xia Wanqiu.

Xia Wanqiu raised her beautiful eyes and looked at Lin Fan. She nodded gently. “I know, Lin Fan. You’re different from before. You’ve become fiercer now, even fiercer than a cat.”

“Am I that fierce?” Lin Fan smiled.

“Yes! Very fierce.” Xia Wanqiu made a fierce gesture.

“How’s the post-production going these few days?” Xia Wanqiu asked. Lin Fan had basically been busy with the post-production work for the past two weeks. “It’s alright. We just have to wait for the release of Joy of Life. The overall editing and music accompaniment were done very well. Coupled with the outstanding acting skills of the male lead...” Lin Fan smiled.

Xia Wanqiu glared at Lin Fan. “Hmph, narcissist. However, you’ve still worked hard. Post-production is very complicated. Have you slept well these few days?”

Lin Fan shook his head. “No. Basically, I work from seven in the morning to eleven at night. It doesn’t matter if I sleep or not. The most important thing is to get this television series done. This is the first television drama that the two of us have filmed and it’s also the first relationship scene. It doesn’t matter if I’m famous or not. What’s important is that you can become popular. That way, no one will dare to bully you in the future.”

“If there are any investors who want to sleep with you in the future, I won’t let them off,” said Lin Fan. He could have been a God-level nouveau riche quietly and just collected rent. But for Xia Wanqiu, he took the initiative to enter the entertainment industry.

From writing the script, to directing the filming, to acting out the script, to post-production and dubbing, Lin Fan was very seriously in charge of this television drama.

It was because he wanted this television drama to become popular and increase Xia Wanqiu’s popularity.

Only then could she stand firmly in the entertainment industry. Those investors would not dare to try to sleep with her casually, much less bully her.

Xia Wanqiu looked at Lin Fan with her beautiful eyes. Her face was slightly red as she said seriously, “Lin Fan, thank you. In the entertainment industry, no one will bully me in the future.”

“I will also study acting skills more and perform better works.” Xia Wanqiu smiled sweetly. The breeze blew through her long hair, it was so moving.

“What are you thanking me for? We’ve been deskmates for so many years. I really miss the days when we were deskmates,” said Lin Fan. He missed his old life.

If he had not entered the entertainment industry now, it would be very difficult to see Xia Wanqiu.

However, it was alright. With him around, no one could bully Xia Wanqiu.

He would become more capable in the entertainment industry and protect his cat. “Lin Fan, I heard from Jingjing that you have great musical talent. Can you sing a song for me?” Xia Wanqiu turned to look at Lin Fan and asked.

“Mmm, I’ll sing you the theme song for Joy of Life. It’s called ‘A Will Forever’,” said Lin Fan.

Lin Fan started singing the theme song. His voice was melodious and filled with emotions, like the snowflakes in winter, quiet and ethereal. It floated in the air, but it was also like the water at the bottom of an abyss. It was calm and mellow, making one feel at ease.

Lin Fan had the skills of a god of singing. His voice was originally very nice to listen to. Coupled with such a nice singing, Xia Wanqiu couldn't help but be a little infatuated.

The lyrics of this theme song were also very artistic, making people gradually lose themselves in it.

[Have you heard of the Snow Mountain Cliff?]

[It made people lost in a reverie] [Legend has it that there is a treasure on it]

(But it also hides a bottomless abyss.]

After the song ended, Xia Wanqiu opened her eyes and applauded.

So Lin Fan's singing was so good too... Lin Fan looked at the girl standing beside him, Xia Wanqiu.

After all these years, she was still like in high school. If he sang, she would clap.

It had been seven years since he graduated from high school, but the person beside him was still her.

Looking at Xia Wanqiu by his side, Lin Fan couldn't help but have many memories surge into his mind.

When he opened a small restaurant and no one patronized it, she would always secretly come to the restaurant to encourage him. Whether he was poor or rich, Xia Wangiu had always been by his side and that had never changed.

The girl in front of him would be happy for him, blush for him, and be angry for him.

She would video call him, act coquettishly in front of him, act in front of him, and act cute in front of him.

For him, she had never acted in a kissing scene before. She was even unwilling to act in a relationship scene with others.

With such a good girl by his side, Lin Fan's mind seemed to explode.

A cold wind blew over. Lin Fan stopped in his tracks and extended his hand to Xia Wangiu.

"It's a little cold. Can I borrow your hand to hold?"
