

Billionaire's match novel

Chapter 10 When it came to connections and resources , Khloe was undeniably formidable . Stanley had no desire to make an enemy of her . But Alicia's attitude was becoming unbearable . His temper finally snapped , and he went so far as to praise Khloe outright , even admitting he envied Trey for having such a capable wife . That single comment shattered Alicia's composure . In a blind rage , she smashed his game console and every one of his treasured game discs to pieces . 1 " Why must you make things worse ? A man has his pride .

There was no need to pick a fight with Stanley over Khloe , " Stella scolded , frowning as she patted her daughter's hand . She was torn between pity for her child and fury at the situation .. That Khloe ! It was bad enough she was a drain on the Fox family , but now she was stirring up trouble - she was nothing but a curse . " She's bewitched him ! I bet they're having an affair ! I won stand for this . I'm going to confront her myself ! " The more Alicia thought about it , the angrier she became . She shot to her feet , but her vision swam , and she collapsed on the spot . " Alicia ! " ...

That evening , Trey had just finished dinner with Angela when his mother called , ordering him to come to Alicia's house immediately . Seeing his frown , Angela's heart sank . " Trey , what's wrong " I'm not sure . It sounds like Alicia fainted . My mother was very insistent . " His mother rarely used that tone with him . Worried it was serious , Trey dropped Angela and little Pete off at their door and rushed over . The moment he stepped inside , he was met with the sound of

Alicia's sobs . " Mom , Alicia - what happened ? " He hurried into the room his brow furrowed in concern .

A wave of relief washed over him when he saw her lying safely in bed . The family doctor had just finished his examination . He explained that Alicia's fainting spell was due to low blood sugar , made worse by extreme emotional distress . After prescribing some supplements , he took his leave . Once the servants were gone and the door closed , Stella finally recounted the day's events . Of course , in her version , Khloe's actions were twisted into deliberate insults against her and a calculated attempt to destroy Alicia's marriage . " That girl is doing it on purpose !

Allowing her to marry you was an act of charity from this family , and she shows no gratitude . Now she has the nerve to put on airs in front of me and Alicia ! " An ill - matched marriage was always a burden . But a woman who thrives on chaos like she does ? I've never seen anything like it . It's truly opened my eyes ! " Trey struggled to believe it . " Mom , there must be some misunderstanding . I know Khloe . She isn't that kind of person . " " You know her ? What do you really know about her ? " 1/2 +25 Bonus At that , Alicia stopped crying and snapped , her voice sharp as a blade .

" People wear masks ! You only see the face she shows you ! Underneath , she's venomous , only pretending to be gentle and kind ! " " Alicia , calm down , " Trey said gently . " Khloe has always treated you well . Maybe something happened today that put her in a bad mood . " He found himself instinctively defending her . He couldn't picture Khloe deliberately bullying his mother , much less targeting Alicia . In his mind , Khloe was soft - hearted and kind , always respectful to his family .

For his sake , she had endured the Fox family's harshest , most unreasonable demands - never talking back , never asking for fairness . In the end , she was always the one who suffered in silence .
