

# THE MOST POWERFUL BODYGUARD

## Chapter 14: Ah! You Pervert

Yang Yan looked at the inexplicable woman who burst in, clutching his private parts with his hands, and screamed:

"Ah... you pervert!"

This scream immediately startled Zhou Hanyun awake from her sleep.

The beautiful CEO never imagined that one day she would be called a pervert.

And most annoyingly, in her own home.

Zhou Hanyun, despite having some flaws, had many good qualities.

One of her good qualities was being reasonable.

Seeing the fully naked Yang Yan, she quickly covered her eyes and said:

"Sorry, sorry! I thought it was Hanyu!"

Yang Yan grabbed a towel to cover his private parts, angrily said:

"No one's parts should be looked at randomly!"

"Sorry, I didn't see anything."

Zhou Hanyu apologized while hurriedly exited the bathroom.

"Sis... what happened?"

Zhou Hanyu, holding a set of clothes, looked at Zhou Hanyun with a strange expression.

Zhou Hanyun, whose face was already thin-skinned, didn't know how to answer, so she simply said to Zhou Hanyu:

"Why is he in our bathroom?"

"Wasn't it you who asked him to stay at our home?"

Zhou Hanyu retorted irritably.

"You... I... can't be bothered talking to you!"

Zhou Hanyun was at a loss for words and hurried into her room, slamming the door firmly shut.

As her sister's retreating figure disappeared, Zhou Hanyu's eyes twinkled, guessing more or less what had happened, she covered her mouth, laughing secretly.

When Zhou Hanyu threw the clothes to Yang Yan, and he finally emerged wearing them, he found the clothes embarrassingly small.

A T-shirt on Yang Yan looked like a shrunk fake product.

Though Yang Yan, cleaned up, still had a decent appearance.

But once the clothes went on, they completely ruined his demeanor.

"Oh dear, I don't have men's clothing at home, they're mine. I thought loose clothes could fit you. The pants are also my sweatpants..."

Zhou Hanyu explained, stifling her laughter while looking at Yang Yan with pants resembling cropped trousers.

"It's worse than my vest!"

Yang Yan mumbled.

"That vest was so filthy! Can it be worn?"

Zhou Hanyu immediately protested.

The vest was likely not originally that color, no one knew how long this fellow had worn it, causing it to turn such a grim black.

"Then what should I do, I can't go out dressed like this, can I?"

Yang Yan said helplessly.

Just when both Yang Yan and Zhou Hanyu were at a loss, Zhou Hanyun, who was initially outraged, suddenly opened the door again, holding out another set of clothes.

With an indifferent expression, she tossed the clothes at Yang Yan, her intention clear without words.

Unexpectedly, Yang Yan jumped swiftly, dodging the clothes nimbly, saying rapidly:

"Trying to attack me! Luckily, my reflexes are fast!"

The expressionless Zhou Hanyun, seeing this silly guy jump like a monkey, wearing Zhou Hanyu's clothes, finally couldn't hold back her laughter.

"Sis... Sorry, next time I won't make you worry."

The two sisters, with only each other to rely on, arguing was just for a brief moment.

Hearing her younger sister speak like this, Zhou Hanyun nodded in relief, showing a sweet smile and saying to her sister:

"I won't get angry with you anymore."

"Boss, be fair! You were the one who saw me, not the other way around, I haven't even asked for emotional damages, yet you intend to attack me!"

Just as the sisters were about to stage a touching family drama, Yang Yan spoiled the mood by saying.

This guy assumed he was justified, complaining mournfully to Zhou Hanyun.

"Fool, those are your clothes! Go put them on!"

Unable to bear it, Zhou Hanyun shouted at Yang Yan.

"Ah? Oh! If those were meant for me why throw them at me? Are you rich people always this unrefined? Sigh, the world is falling, human hearts are indeed unpredictable..."

Muttering to himself, Yang Yan, ignoring the sisters' stunned expressions, picked up the clothes from the ground and walked back into the bathroom.

"Sis, where did you find such an interesting gem? If past drivers were like this, I wouldn't have been bored all day."

Once Yang Yan entered the bathroom, Zhou Hanyu rushed eagerly to her sister's side to inquire.

"Hired..."

Feeling a little speechless, Zhou Hanyun replied with a vague answer.

She certainly couldn't tell her sister this gem was picked off the streets, could she?

And definitely not about the 'large reward for a son' advertisement.

"Sis, your choice is quite rare for once. But drivers like this might not pass grandfather's test, right?"

Zhou Hanyu expressed concern while stroking her chin.

"Grandfather agreed. And he even asked me to treat him well."

Zhou Hanyun said irritably.

"What? Even grandfather, that conservative man, agreed? That's incredible! Does this guy have such charm?"

Zhou Hanyu exclaimed in astonishment, glancing towards the bathroom.

Meanwhile, as they spoke, Yang Yan had already changed clothes and re-emerged.

The clothes given by Zhou Hanyun were a set of Armani casual wear.

This casual wear was clearly new, tags yet to be removed.

Yang Yan's physique was perfect, and after being cleaned, his features were sharp, exuding a rugged aura.

Overall, this guy brimmed with a wild masculine allure that had a strong impact on women.

As expected, the sisters were both staring fixedly.

"Boss, these clothes are too tight, not easy to move in!"

Suddenly, Yang Yan complained dismissively.

"As long as it's good-looking, who cares about moving! Wow, I didn't realize you're such a super handsome guy! You look stunning."

Being young, Zhang Hanyu excitedly approached Yang Yan, tugging at his collar, scrutinizing him closely.

Suddenly, Zhou Hanyun withdrew her gaze, turned, and headed towards her room.

As she walked, she said:

"Get to bed early, tomorrow you've got school, don't be late."

Zhou Hanyu couldn't fathom her sister's temperament, hearing her sister's words, she immediately said to Yang Yan:

"It's been exhausting today, go rest!"

Saying this, Zhou Hanyu also returned to her room.

Yang Yan glanced at the two disappearing sisters and quietly returned to the bathroom, beginning to wash his clothes vigorously.

Zhou Hanyu returned to her room, took out a notebook, opened the password lock with great importance, then lay on the bed, eagerly writing today's diary.

Meanwhile, Zhou Hanyun, as the elder sister, opened her laptop and began to search online for the keywords —

Horned Leopard.
