

THE MOST POWERFUL BODYGUARD

Chapter 17: Are You Stupid? If You Can't Pay, Hurry Up and Run!

Wu Dabiao didn't expect Yang Yan to suddenly attack with such speed and force.

With this speed and power, it wouldn't have mattered even if he noticed.

Bang!

He felt as if his body was hit by a speeding car, harshly thrown out, directly landing in Master Ma's arms.

Yang Yan's kick was extremely powerful.

Ma Qi was caught off guard, directly flipped to the ground by Wu Dabiao's weight of over two hundred pounds.

"Luckily, I reacted quickly. Damn it, he even dared to call for backup!"

After landing, Yang Yan said to Zhou Hanyun as if seeking credit.

Zhou Hanyun was amused and helpless.

It was obvious that the newcomer was here to stop Wu Dabiao, yet Yang Yan took the opportunity to ambush him after Wu Dabiao stopped, knocking him down immediately.

"Damn it, get up, get up! You're crushing me!"

The originally elegant Master Ma shouted out like a pig being slaughtered.

Meanwhile, three or four men in black suits rushed in from outside and hurriedly moved Wu Dabiao away, helping Ma Qi up.

"Hanyun, what do you mean? I'm here to help you!"

After being helped up, Ma Qi was clearly quite angry.

But he suppressed his anger, using a very aggrieved tone to speak to Zhou Hanyun.

Zhou Hanyun was immediately in a dilemma, hesitating on how to explain.

Even though Ma Qi was behind the loan shark incident, the two families hadn't completely fallen out.

"Shameless! You despicable rogue, you and Wu Dabiao are birds of a feather, and you still pretend to be a good person here!"

Yang Yan, who was previously pleased with himself, now raised an eyebrow and angrily pointed at Ma Qi's face to curse him.

A flash of malice crossed Ma Qi's eyes, but he quickly restrained it, putting on a gentle expression and explained:

"This brother must have some misunderstanding with me, I'm here to protect Hanyun. When I heard something happened here, I rushed over. Thanks to you protecting the sisters, or else..."

"Shut up!" Yang Yan interrupted him, continuing to scold him fiercely, "You're a liar! A complete liar! You were standing outside for twenty, thirty minutes claiming you rushed over! Hmph, do you take me for a three-year-old?"

"Don't think I don't know that when Wu Dabiao came in, you were outside. There are surveillance cameras in the hallway! You're spouting nonsense with that dumb look, without even investigating properly. What an idiot!"

This time, Yang Yan moved closer and closer to Ma Qi, droplets of spit constantly sprayed onto Master Ma's face.

Ma Qi, who initially wanted to explain and find a reason to persuade Zhou Hanyun, had his lies exposed loudly by Yang Yan and was immediately embarrassed, not knowing what to say.

"Master Ma's kind intention is appreciated, but the Zhou family can still afford this debt. No need for Master Ma to worry."

Upon hearing Yang Yan's words, Zhou Hanyun instantly understood.

Today, Ma Qi came because he knew the Zhou family couldn't pay, so he sent people to force first, then he would appear to gain leverage.

The leverage Ma Qi wanted was Zhou Hanyun herself.

As one of the top beauties in the city's elite circle, many people wanted to pursue Zhou Hanyun, not just Master Ma.

Now that the Zhou family was in trouble, it was a great opportunity for these people.

Any conceivable means would be used by those eager to get Zhou Hanyun.

"Zhou Hanyun, now you still want to manipulate the price? Haha! What a joke."

Having been tormented by Yang Yan and further provoked by Zhou Hanyun's attitude, Ma Qi decided to abandon all pretenses.

"You!"

Zhou Hanyun could only snort coldly, biting her lip and stopped speaking.

"It's just twenty million, right? I'll pay for them! I can't stand people like you."

Yang Yan stood up at this time, patting his chest and said.

Ma Qi's expression froze, scrutinizing Yang Yan suspiciously.

He obviously didn't expect someone to pay for these sisters at such a moment.

This was twenty million, after all.

In the Zhou family's prime, even two hundred million wasn't a large sum.

But for ordinary people, just twenty million is astronomical.

Now, Yang Yan was dressed differently, and the temperament honed from long military training made him stand out.

For a moment, he really seemed to have intimidated Ma Qi.

"Come here tomorrow around this time to get the money. Now get lost!"

Seeing Ma Qi remain silent, Yang Yan boldly pointed to the ground, firmly said.

"Dabiao, let's go!"

Ma Qi's expression changed several times, snorted coldly, and called for Wu Dabiao, who had already gotten up, to retreat.

As he reached the door, the unwilling Ma Qi turned around and said venomously to Zhou Hanyun:

"Zhou Hanyun, I'll wait for one day. In this time, consider it well! If you can't produce the money then... hmph! You know the consequences."

Zhou Hanyun's heart was in turmoil, biting her lip tightly without speaking.

Yang Yan impatiently waved his hand, as if shooing flies, and said to Ma Qi:

"Don't worry, when you come tomorrow, there'll definitely be money. It's just twenty million, no big deal! Now, get as far away as you can."

Once Ma Qi's group left, Zhou Hanyun quickly ran over to Yang Yan and asked:

"Hey! You're really paying our family's debt? You're not fooling him, right?"

As she spoke, she looked Yang Yan up and down, as if wanting to reacquaint herself with him.

Seeing her sister ask that, Zhou Hanyu's gaze also showed the same questioning look.

Obviously, he didn't think Yang Yan could help pay this huge debt.

Yang Yan had already run to the balcony, shouting as he ran:

"That's twenty million, now I can't even produce two hundred. So, hurry up and pack things to run away! Yeah! I say if you can't pay such a debt, run away quickly! That was a delay tactic earlier! A day is enough time to escape."

While speaking, Yang Yan was also packing his grass-green vest he washed last night.

The Zhou family's sisters were completely dumbfounded, both staring at Yang Yan in shock.

For a moment, they didn't know what to say.

"You... hmph!"

Zhou Hanyu was the first to regain composure, pointing at Yang Yan with a twisted expression.

But in a rush of anger, she didn't know what to say.

"Hey! Hanyu, forget it; this is our Zhou family's matter, it's not related to him."

She hadn't finished speaking when Zhou Hanyun sighed.

She gave Yang Yan a somewhat troubled look and continued:

"The Zhou family is such a big target, and under surveillance, escaping is impossible. Besides, my grandpa and the Zhou family's roots are here, it's unacceptable to run away for twenty million."

Zhou Hanyun indeed deserved to be a heroine accustomed to the business world's storms, she remained calm in this crisis.

Upon hearing this, Yang Yan immediately stopped and froze on the spot.
