

Chapter 419 Help Him Find Her

"Ryan, Ryan?" Josie asked in confusion when she got no response from Ryan.

On the other end of the line, Ryan's face was even colder than the icy wind outside. He grabbed his phone and asked in a deep voice, "Did you go to her?"

Hearing this, Josie was stunned. His reaction was beyond her expectation.

Josie expected that Ryan would be mad when he learned that Wendy only approached him for money. She expected him to be angry with her. She didn't know why he asked that question. "Ryan..."

"Did you go to her?! Tell me!"

Hearing his tone, Josie became irritated. "Yes, I did! I went to see Wendy today! I am doing this for you! If it weren't for you, why would I waste my time with her?"

As Josie spoke, her voice gradually calmed down. "Ryan, I'm only doing this for your own good. Wendy is not a good woman. She isn't right for you."

"I know what kind of person she is."

"Ryan—"

"I'm busy. I have to go now. Bye!"

"Ryan!" There was still a lot that Josie wanted to say to her son, but he didn't give her a chance to finish. She had no choice but to hang up the phone.

Josie felt depressed.

Although Ryan had been indifferent to her and Anson all these years, he had never hung up the phone so impolitely.

Josie knew her son very well. She knew that he was mad at her.

"Yes! I heard it from Rosie. She is Wendy's cousin. This must be true!"

Anson remained silent.

"Anson, I'm not being oversensitive. Think about it. Not long after Wendy broke up with Brian, she hooked up with Bruce. And now, she is Ryan's girlfriend. Do you really think it is a coincidence?"

Anson remained silent.

"There is no such thing as a coincidence. I've always felt that Wendy only came back to take her revenge on Brian. After all, he hurt her so much before. Think about it carefully. What happened to those two who had hurt her before? Her father is in prison, and so is her stepmother. They will never be able to get ahead in life ever again. Eris has been banished from the entertainment industry, and Brian's reputation was ruined. It would be impossible for him to marry into a reputable family in Ywood in the future."

Anson's face became very grim.

"Think about it. She's just another woman, yet she was able to take down all these people. It's because she knows Ryan, and she knows that he'll have her back no matter what!"

Anson was suddenly enlightened. "So you think Wendy is only using Ryan?"

"Yes!"

Anson asked, "Well if that's the case, she should have left Ryan when she achieved her purpose."

Josie rolled her eyes and said, "You are so foolish! Our son is the CEO of Oliver Group. He is a rich and handsome man. Besides, she has his ear. Given his power and status, why would she leave him?"

Anson frowned. He felt that something was wrong, but he couldn't tell exactly what.

"There is another more important reason!"

"What?"

"Ryan has never been in love before. And now, he's under the spell of

someone so experienced like Wendy. If Wendy could keep up her act for the rest of her life, that's fine. What scares me is that she will just leave him in the future. If she leaves, it will be a fatal blow to Ryan."

This time, Anson quite agreed with her.

Ryan had been cold and distant since he was a child. There were only a few people in the world that he truly cared about.

In the past, he cared about Nellie very much. However, after his kidnapping, he pushed the woman out of his heart.

Now, it was clear that Wendy occupied such an important place in his life. If Wendy left him one day, it would be devastating for Ryan. It would be an even heavier blow than the kidnapping.

Anson asked Josie, "What do you want to do?"

"Ryan's feelings for her aren't that deep yet right now. I want to make my move while it's still early. I want to make her leave!"

Looking at her, Anson asked, "Isn't it the purpose of your meeting with her today? What did Wendy say?"

Josie got mad again at the mention of Wendy's name. She put the cup down on the table and said, "That shameless woman dared to show her true face to me today since she knew that Ryan wasn't around. She even dared to talk back to me when I scolded her. I asked her to leave our son. Guess what she said?"

Anson looked at her curiously, waiting for the answer.

Josie gritted her teeth and said, "In exchange for giving up custody of Ray and leaving Ryan, I prepared two checks. One was for forty million, while the other for one hundred million. When I offered them to her, she even pretended that she didn't care. She told me that after becoming Ryan's wife, she would be able to take half of his assets. Aside from that, she also told me that she would never give up custody of Ray. She told me that although Ray was an illegitimate child, he enjoyed the same rights as legitimate children. This meant that he could also inherit Ryan's properties in the future!"

The more Josie spoke, the angrier she became. She banged her palm on the table and went on, "This woman is very sly and ambitious. She even wants to go after Ryan's property. I have told you that this woman is after money, but none of you believed me. We can't allow this. We can't just sit here and watch her ruin our son's life and his future. We have to help Ryan."

"Help? How?"

"Over the years, Ryan has been looking for the girl who saved him years ago. Let's help him find her!"
