

Chapter 353 Plotting Again

Jason’s expression changed when he heard Xavier’s words. Ask Leonardo Reynolds? Who would dare to do that?

Leonardo Reynolds would eat him alive if he dared to show up in front of him.

Although he was eager to know this woman’s identity, he was not stupid enough to put his hand in lion’s mouth.

Dejected, Jason could only nod at Xavier and turn around to go away.

Xavier waited until he could not see Jason’s figure anymore. He then turned to the on-duty staff. “Did Jason come here before?”

He had to know what was going on or Ryan would get furious if anything go wrong.

“No, Mr. Xavier.” The on-duty staff shook their heads and asked somewhat hesitatingly. “Is the lady still not willing to eat anything?”

Their tone was a little shaky, indicating that they were scared. Previously, they had heard the President say that if anything happened to this lady, they would not have their heads to look at her.

They all knew about Mr. Reynolds temper. And this lady was also very stubborn and was not willing to eat anything. They did not know what to do.

Xavier ignored their question and said, “The food has already turned cold. Go bring something fresh and nutritious for the lady. And you guys must keep watch and not make any mistakes. If anyone comes here, inform me immediately.”

After Xavier ordered expressionlessly, he turned around and glanced inside the room one last time. Seeing Elena still sitting silently, he sighed and left.

When he came to Ryan’s office and pushed open the door, he saw Ryan leaning on the chair with his eyes closed.

Xavier sighed in relief. It was a good thing that Ryan was willing to take some rest.

During this period of time, Ryan had never slept properly. He must be very tired.

Xavier did not want to disturb the man’s rest and wanted to leave the office silently. Just as he lifted his leg, however, the man suddenly opened his eyes.

Ryan’s eyes were bloodshot and his gaze was unfocused. He looked at Xavier gloomily.

Xavier was scared by his look and could not help but call out, “Mr. Monor?”

Ryan came back to his senses and realized that he had fallen asleep in his office. He asked coldly, “What’s wrong?”

Xavier reported. “Mr. Monor, I saw Jason in front of Madam’s room today.”

“Who is Jason?” Ryan stretched his neck which was a little sore now as he said.

“The security chief of the headquarters.”

Ryan suddenly paused. His eyes turned dark. “What was he doing there?”

“He was asking about Madam.” As Xavier said, he looked at Ryan’s face. Seeing the man’s dark expression, he added hesitantly, “And there are some rumors about Madam’s identity.”

Ryan was silent for a moment, before he sneered heavily. Xavier quickly lowered his head and was prepared for the scolding.

However, to his surprise, the anticipated scolding didn’t come. Xavier could not help but raise his head and saw Ryan looking at him calmly.

Xavier knew that the calmer Ryan behaved, the angrier he was. He broke out in a cold sweat.

After a long while, the man finally opened his thin lips, “Fire them.”

“Huh?” Xavier could not catch for a moment.

“I said fire whoever is spreading rumors. I pay them to work, not to gossip about my personal life.” Ryan said coldly. The thing he had the most was gossiping.

“Yes, Mr. Monor.” Xavier nodded.

“Did you find out about Spencer’s private island?” Ryan’s voice was somewhat cold.

Xavier did not expect Ryan to ask this suddenly. He was stunned for a moment before he hurriedly said, “Yes, we found it. It’s in Northern Europe, near Sweden. But there are many private islands in that area. So I need sometime to find the exact location.”

Ryan tapped on the desk silently. His whole body was emitting a bone-chilling coldness. “We need to find out as soon as possible. The twins are still there. I can’t take any risks regarding my children’s safety.”

Elena was already by his side, but as long as he did not bring his children here and ensure that they were safe and sound, Ryan could not sit still.

Ryan did not believe Spencer. He did not know when Spencer would drag the twins out to threaten him.

Although on the surface, Spencer ‘helped’ Elena escape, Ryan knew that Spencer’s main motive was to fight against him.

Elena and the twins were Ryan’s weak point, therefore, Spencer wanted to attack Ryan’s weakness to defeat him.

However, Ryan would never let Spencer succeed in his scheme!

Xavier was silent. On one side, Ryan wanted to bring the twins back, on the other side, Elena wanted to escape from Ryan’s side.

Suddenly, he felt a little guilty. Previously, he could not see Elena’s miserable situation and told her about the staff change timing. Xavier did not know if Elena would run away when the time came.

“What about Spencer? What is he doing nowadays?” Ryan had to make sure that Spencer wasn’t eyeing Elena again otherwise he would absolutely not let go of the Foster family this time.

Xavier said, “He has been staying in the Foster family nowadays. Our men haven’t noticed anything suspicious yet.”

Hearing this, Ryan’s eyes narrowed. It was strange for Spencer to keep calm until now. It meant that he was plotting something again.

Ryan’s face was gloomy. He ordered coldly, “Keep a close eye on Spencer. And also, on his brother. I do not want any mistake to happen again.”

“Yes, Mr. Monor.” Xavier took the order and went out of the office.

Ryan leaned back on his chair and his eyes narrowed. He had to resolve his issues with Elena as soon as possible. Before that, he had to bring his children first.

He would not let anyone destroy his family!
