Martin had always been well informed. He should have heard the news that the Lusk family's daughter was someone

And Patricia was just an adopted daughter.

Martin thought that she was going to talk about the engagement that year. He nodded and patiently listened to her.

Seeing that Martin seemed to have something to say, Danica spoke first, "Martin, this happened a little too suddenly I haven't

had the time to tell you. Actually, this matter has to start from that year...

Danica told him about the fire at the health center. "We just found Paige these two days. We haven't announced her identity to the public yet. Paige's grandparents don't know about this. We didn't mean to hide it from you and the Stowe family."

Rhys was speechless too.

Rhys looked at Danica and then at Martin. What was going on? Martin's fiancée was not Patricia, but another girl.

Martin was speechless.

Then Martin was definitely going to cancel it.

Martin did not even want Patricia, who was such a well-educated lady, let alone a girl who came from a small place. Patricia had all kinds of talents and she was a first-class socialite in Chicago too, the kind that everyone praised.

Danica knew that at this point, she could no longer hide it. She said, "Bonnie, go and let Paige down."

Martin's eyes became deeper as if he was thinking about something. Paige had just finished bathing, and when she heard that her mother was calling her, she went downstairs without

But this girl...

Was it her?

Martin raised the corners of his eyes, his deep eyes carrying a bit of inquiry.

Why did this man come to her house?

Was she the daughter that the Lusk family had just found?

Danica introduced Paige to Martin.

Rhys also came to a realization. "So Ms. Tate is your daughter."

"This is our real daughter we just found, Paige."

Patricia hid on the second floor to eavesdrop. She originally thought that Martin came to find her because of Killian! Unexpectedly, he came here for Paige!

Why did she want to take everything that belonged to her?

light. "I heard that my fiancée had just returned to this house and brought some gifts to take a look."

You changed your decision too quickly!

Rhys stared at Martin in disbelief.

"So Mr. Stowe came here today because..."

How did it change? Could it be that you changed your mind because you were engaged to Ms. Tate?

Mr Stowe, didn't you come to break off the engagement?

knew that Martin was reliable, capable, and responsible.

Not to mention anything else, just his appearance, wealth, and ability proved that he was the best, and no one could be compared to him.. If her daughter could marry him... the rest of her life would be happy, and they did not need to worry about her. Paige never thought that Martin was her fiancé...

Although it was rumored that Martin was cold-blooded, ruthless, and cr*el, after getting along with him over the years, Danica

Was she the real daughter of the Lusk family? When Paige just went downstairs, she saw Martin on the sofa. He had a handsome and enchanting face. There was a slight light in his eyes. There seemed to be a faint smile on the corner of his mo*th. "M*m, are you looking for me?" Paige looked puzzled. "Come, Paige. Come to m*m." Bank a took her daughter's hand and sat down. She said gently. "Let me mitroduce you. This is Martin. Many years ago, you and he were engaged. Martin is your fiance Paige had many questions. What' Fiance What era was it now? Engagement?

Martin's eyes were a little gentle. It turned out to be her. He only knew that her name was Paige before, but he didn't expect that her surname should be Lusk

No wonder she dared to go against public opinion in the hospital to save Martin's grandfather and even dared to kick Denise to

Why did she return to this home?

Martin looked at the girl's bright and clear eyes, his thin lips slightly pursed, and his eyes revealed a breathtaking

Her nails sank deep into her palms and Patricia was a little angry. Why did Paige appear?

Paige looked at the man in front of her and did not understand what he meant.
