Chapter 48

Is the Honored Guest Paige?

“I miss you. Also, the top three competitors of this year’s piano competition are selected by them. They said this year’s works were not up to much. I will send it to you.”

“OK.”

Paige was also one of the top judges, but she rarely participated in the selection. The people below were responsible for it. There was a piano competition in America every year, but fewer people participated this year. They all went abroad to participate in international competitions.

“The first place got the first place mainly because of the fame of his family. His other works are average. For the second place, it was a pity. The first half of the show was ordinary, and the latter part was a little bad, The climax part was not bad, but it felt that there were too many things added! It was superfluous! The third place, well, it was OK to not say it...”

“OK, I will listen.”

Although Paige did not participate in the selection, she had to listen to it and know what stage it was on and what talents there were this year.

When she opened the audio sent by Larry, she found Patricia’s name on it.

Did Patricia take first place?

The tune sounded really ordinary.

The second place was, well, Abbigail.

This tune sounded so familiar.

The corners of Paige’s lips curled into a sneer. She turned off the computer and stopped listening.

On the other side.

Tyrell was sitting in the first-floor lounge of Pai Group, looking straight in the direction of the elevator.

He waited from morning until noon, and Rylan still hadn’t appeared. Tyrell endured his hunger and kept waiting.

He had been waiting too long. He was so hungry.

No one invited him upstairs, and not even poured him a cup of water!

He finally went to the front desk and carefully put on a smile. “Excuse me, can I know if Mr. Wager has finished his meeting?”

From morning until now. It was impossible for a meeting to last so long!

“Sorry, Mr. Wager is busy. You can come here another day!”

The receptionist was not as enthusiastic as before. She was indifferent.

Tyrell asked politely. “Can you make an exception? Please ask me. I have been waiting since morning.”

“Mr. Wager is really busy.”

As soon as the receptionist finished speaking, she saw Rylan walk out of the elevator. She hurriedly stood up and nodded respectfully with the other colleagues. “Hello, Mr. Wager!”

“Mr. Wager, it’s me... Tyrell finally saw the familiar figure and could not wait to get closer.

But Abel reached out to stop him. “Sorry, Mr. Wager has a very important appointment to attend.”

“Give me three minutes. I want to talk to Mr. Wager.” Tyrell tried to get closer.

“Sorry, Mr. Wager is really in a hurry.”

“Mr. Lawton, can you tell me why Mr. Wager stops working with us?”

Tyrell couldn’t care so much even with so many people absent. He quietly stuffed to Abel’s hand the bank card that had been planned to give to Paige.

“Mr. Tate, you must not do this!”

Abel hurriedly pushed the card to him,

Tyrell insisted on stuffing the card into Abel’s hand.

As a result, the card fell to the ground. Many people saw it.

“Mr. Tate, you are openly bribing me. You will make me lose my job!”

Abel was furious.

“Mr. Lawton.

Abel hurriedly shook off Tyrell’s hand and followed Rylan, as if Abel could not wait to cut ties with Tyrell.

“Mr. Lawton, wait for me. Tyrell could not care about his sorry state. He picked up the card on the ground and chased after them. Seeing them get in the car, Tyrell hurriedly stopped a taxi. “Follow the car in front.”

In the private room of No. 9 Restaurant.

Paige had been waiting there for a long time. Seeing Rylan in a formal suit, Paige could not help but joke, “Now you are more and more like a president.”

“Ms. Tate, you are making fun of me again.”

After Rylan entered the room, he put the reports aside and took out the greeting gift first. “These are the tea leaves from a one-thousand-year-old ancient tree in the East. It is specially taken for you.”

“You are talking like I’m old!”

“Let’s eat first.” Paige took the gift.

Tyrell finally arrived at No. 9 Restaurant. After asking around, he found out that Rylan went to the private room on the second floor. As soon as he went up, he saw Abel guarding the door of the first private room.

Abel also saw him. He did not expect Tyrell would be so stubborn. Abel’s first reaction was that Tyrell wanted to break into the private room, so Abel immediately stood in front of the door to stop him.

“Mr. Lawton!”

Tyrell went in front of him with an ingratiating smile. “You misunderstood. I didn’t intend to go in. I just wanted to wait for Mr.

Wager to finish talking and meet me. I have something to say to him.”

“Mr. Wager has nothing to say.”

“How could that be?”

“We cooperated so well in the past!” Tyrell kept smiling.

Abel snorted.

If not for Ms. Tate, who would work with a small company like yours?

Moreover, the previous cooperation was not pleasant!

“Abel, can you tell me the background of the person Mr. Wager is meeting with?”

Tyrell said with a flattering smile.

But Abel said coldly. “No.”

“Mr. Lawton.

Tyrell still wanted to say something, but he was interrupted by Abel coldly. “Mr. Wager won’t see you. Mr. Tate, please go back!”

Tyrell didn’t get angry. He just stood at the door and waited. After a while, the waiter went in to serve the dishes. Tyrell poked his head out to see the situation inside. Although Abel tried his best to block it, the sharp-eyed Tyrell still saw a familiar figure!

Paige?

Why was she inside?

Was she the person that Rylan was in a hurry to meet?

How was that possible?

After a while, the waiter went in to serve the dishes again. Tyrell looked carefully and saw that the person was indeed Paige!

The key was that the always serious and indifferent Rylan was actually respectful of Paige.

How is that possible?

“That, that. Isn’t that Paige?”

After the door of the private room was closed, Tyrell looked at Abel in shock, but Abel was already used to it and ignored his words.

Tyrell was shocked. He remembered that the company cooperation was interrupted for no reason by people, and one of them was Rylan.

Was this matter related to Paige?

What was the relationship between Paige and Rylan?

He suddenly realized something. Paige, Pai Group.

Were Paige and Pai Group related?

Tyrell breathed violently. He could not believe this guess at all. No, that was impossible. How could Paige have such great abilities?

The fact must be that they happened to have similar names.

But just now, Rylan was indeed very polite to Paige, as if he was trying to please her.

The more Tyrell thought about it, the more he felt that something was wrong. After waiting outside the box for a long time, he found that Abel suddenly left.

He rushed forward and twisted the door handle!

The people inside had already finished eating and left through another passage.

He did not expect that there would be another passage in this box!

He had to ask Paige and find out what was going on!
