Chapter 171: Next Move

Feng Shen seriously observed Tang Xiao's clone, who was fighting several beasts at once a little way ahead.

Feng Shen wasn't surprised by Tang Xiao's clone's combat abilities, as everyone close to the Tang Clan knew that he had trained under Tantai Lingyan since he was five years old.

For twelve years, Tantai Lingyan taught Tang Xiao various types of martial arts and weapons, and she also often sparred with him in the past. Moreover, he also spent seven years in prison, and his prison situation was never favorable. Therefore, his combat abilities were above average, even though he became a cultivator too late.

"That old woman has created a little monster! In just nine days, he was able to fully control his fire element, and he was able to use his wind element properly even though I only showed him once. His combat abilities and accuracy were good, surpassing cultivators at that level. Even so, he had to continue honing his fighting skills while increasing his cultivation; otherwise, he would never be able to defeat Long Yin." Feng Shen raised an eyebrow when Tang Xiao's clone's sword turned into a dagger. "What kind of weapon is that? Sigh! His weapon is truly unusual, but he shouldn't have used it in public. If others found out about it, they would flock to him to seize it."

In just ten minutes, Tang Xiao's clone had already killed dozens of beasts. Every time he killed a beast, he checked its head because Xiao Ai told him that beasts at the Xiantian Level should have produced a beast core.

Unfortunately, not all beasts produced beast cores by the time they broke through to the Xiantian Level, and many of them produced them too late. Of all the beasts he had killed, Tang Xiao's clone only found three low-grade beast cores.

Tang Xiao's clone tried to go to a deeper area of the forest, where more beasts at the Xiantian Level gathered. With the help of Xiao Ai and his true eyes, he could easily avoid beasts that were stronger than him.

Even though he was confident in Tang Xiao's clone's combat abilities, Feng Shen still followed his clone to protect him from unexpected situations. "His instincts are quite sharp, huh? He immediately went to another area as soon as he sensed the movement of a King-Level beast. Since I have nothing else to do right now, I'll follow him for a few days, and I'll leave him in this forest when he's ready to hunt on his own."

While his clone was busy training in the forest, Tang Xiao cultivated in the car while waiting for Ouyang Qing, who was hanging out with her friends at a cafe. 'It's been a week since Meng Wuya's death, so it's time for me to move again, and my next targets will be Yang Kang and Shen Qingxue.'

[Master, the police have declared Yao Wenhua and Meng Huo as Meng Wuya's murderers because of their fingerprints on both knives. Their sex videos made their sentence even heavier—the death penalty.]

'If they didn't dare sentence Yao Wenhua and Meng Huo to death, I would have killed them myself.' Tang Xiao then asked Xiao Ai. 'Has Grandpa Wei returned to this country?'

[Master, Zhao Wei will arrive in this country this afternoon, and I have arranged an appointment for you to meet him tomorrow. Meanwhile, Ouyang Hong's plane will depart tonight, and he will arrive in this country tomorrow at midnight if there are no delays. You only have two days left to advance your plans for Yi An, or you will have a hard time progressing once he returns home.]

Tang Xiao pondered for some time. 'In that case, you must do something to delay Ouyang Hong's flight, Xiao Ai. Oh! Don't forget to send his videos with those women to Yi An because it will make my plans smoother.'

[Consider it done, Master.]

Tang Xiao was pleased, as Xiao Ai always acted deftly, which was very helpful to him and Tang Yin. 'Has Zhao Teng decided to meet Yin'er?'

[Haha! Master, that old man's pride is too high, so he hasn't decided to see my mistress, even though all his friends have refused to help him. Lin Yanxiu repeatedly persuaded him to meet her, but he continued to be stubborn.]

'Heh!' Tang Xiao snorted. 'That old bastard has no choice but to see Yin'er, and I want to see his expression when he begs her.'

[Master, are you still not going to make a move against Luo Qinlin and Lin Yan?]

Tang Xiao stopped his cultivation, opened his eyes, and looked toward the cafe. 'I will get rid of Luo Qinlin soon, and I will make a move against Lin Yan after.'

After he waited for some time, Tang Xiao saw the four women walking out of the cafe. He saw that Luo Qinlin wanted to approach him, but Ouyang Qing stopped her before hurriedly running towards the car, confusing her and Lin Yan.

Unlike Luo Qilin and Lin Yan, Jessica did not feel strange about Ouyang Qing's attitude, as she was not the real Jessica but an artificial doll.

"Tch! Earlier, that slut kept asking me why you had never contacted her, and she wanted to meet you to seduce you into sleeping with her." Ouyang Qing grumbled as soon as she got into the front passenger seat.

Tang Xiao pulled Ouyang Qing closer and gave her a brief, soft kiss. "You don't have to be angry because of Luo Qinlin, okay? I already said I'll never meet her, so you should forget about this matter."

"Uhm." Ouyang Qing nodded with a smile. "Has my mother asked you to pick her up?"

"Not yet." Tang Xiao immediately drove the car to leave the cafe parking area. "So, where are we going now? Do you want to go home straight away?"

Ouyang Qing leaned against the passenger seat in thought. "We've been to many places in the past week, and I don't know of any other interesting places. Do you know any interesting places for us to spend time together?"

"I haven't lived in this city for a long time myself, so I don't know much about the interesting places here." Tang Xiao suddenly had an idea. "How about we go to the cinema now? I heard there's a new movie out, and I'm curious about the story."

Ouyang Qing turned to Tang Xiao. "What kind of movie? I don't like horror movies, so—"

"A drama movie."

"It's fine if it's a drama movie."

.

.

.

Sometime later, they were sitting side by side in the cinema, and Tang Xiao deliberately chose the back seats for them. As usual, Xiao Ai helped him by hijacking the CCTV cameras inside the building, so he could enjoy his time with Ouyang Qing without anyone else knowing.

Although he invited Ouyang Qing to see the movie, Tang Xiao wasn't really into dramas, or rather, he lacked interest in any movie. After all, he spent his childhood in training with Tantai Lingyan, and he also spent his teenage years in prison.

In contrast, Ouyang Qing loved drama movies, and she sobbed during the sad scenes when the male character betrayed the female lead, as it reminded her of Wen Tian's betrayal.

Ouyang Qing hugged Tang Xiao's arm tightly and continued to sob, but the sad scenes didn't last long. The situation turned around when the female lead met the male lead, and the story progressed to them falling in love with each other.

To their surprise, the film showed a censored sex scene between the male and female leads. Ouyang Qing looked at Tang Xiao when she felt his hand on her breasts, but she didn't stop him and instead enjoyed his gentle squeeze. "Mhmm..."

When Tang Xiao's hand went inside her shirt and lifted her bra to squeeze her breasts directly, Ouyang Qing rubbed his dick from outside his trousers. Her heart was pounding because they were in a public place, and she knew there were CCTV cameras in the building.

Before lowering Tang Xiao's trousers and releasing his erect dick from its cage, Ouyang Qing glanced to the left and right. She bent over his lower body, licked his dick, and gave him a blowjob. 'Ugh! I've become even crazier since I started a relationship with him! We're in a public place, but I really can't wait to enjoy his dick.'

In such a position, Tang Xiao found it difficult to stimulate Ouyang Qing's breasts. He moved his hand inside her skirt to stimulate her pussy, which was already starting to get wet.

In the end, Ouyang Qing didn't enjoy the storyline of the movie and enjoyed Tang Xiao's dick, and she gave him a blowjob until he ejaculated in her mouth.

Tang Xiao decided to use his pleasure touch technique on Ouyang Qing's pussy, which caused her to have a quite powerful orgasm.

After they were satisfied, Tang Xiao and Ouyang Qing left the room without waiting for the movie to finish, and they left the cinema afterward.

On the way home, Su Rou contacted Tang Xiao and asked him to pick her and Yi An up at the meeting place, so he hurriedly drove there to pick them up.

.

.

In the car, Su Rou and Ouyang Qing were confused by Yi An's attitude, and they saw tears dripping from both of her eyes.

Unlike them, Tang Xiao naturally knew the reason behind Yi An's tears, causing a faint, evil smile to appear on his face.

Chapter 172: Yi An Heartbroken

As soon as they arrived at the Ouyang House, Yi An hurriedly got out of the car and ran into the main building crying, followed by Ouyang Qing, who was confused and panicked by her mother's behavior.

"Have you done anything to her?" Su Rou asked.

"Just say she obtained some recordings of her husband's affairs with several women abroad, and one of them was her best friend." Su Rou stared at Tang Xiao in shock, but she remembered that he had her sex tape with Ouyang Hong and another man. "Her husband will return tomorrow at midnight, so you should prepare yourself, and you must control those two men for me."

"Haha." Su Rou laughed softly. "I've been waiting for that day for so long, and I will completely control them using your liquid."

"Go inside now and take care of Ouyang Ming."

"Yeah."

Su Rou hurriedly entered the main building, but she saw Yi An run out again in a hurry while shouting something at her.

"Mom!"

"Don't follow me, Qing'er!" Yi An slapped Ouyang Qing's hand away. "I want to be alone for now to calm down, and I'll explain everything after I get back, so I hope you understand my feelings."

"But—"

"No buts!" Yi An hurriedly ran to the car, got in, and asked Tang Xiao to take her away.

Ouyang Qing couldn't help but sigh as she watched the car leave the house. "I'm sure my mother's sadness has something to do with my father, and he must be having an affair out there!"

Ouyang Qing immediately contacted Hao Lin, who had been released from prison a few days ago. She asked her to hijack Yi An's smartphone and email.

Ouyang Qing then walked into the house while sending a message to Tang Xiao, but she frowned when she saw Su Rou enter her brother's bedroom, and she sneakily went there to check on them.

Ouyang Qing was shocked the moment she opened the door a little, as Su Rou and Ouyang Ming kissed hotly while undressing each other. 'Tch! He's no different from our father! They even dared to do such a thing inside the house! I'll tell our parents about their relationship later!'

Ouyang Qing closed the door and ran to her bedroom, and she immediately went to the bathroom to clean herself because Tang Xiao made her orgasm a lot in the cinema.

.
.br/>.

Meanwhile, Tang Xiao had taken Yi An to a luxury hotel, but he didn't go in with her to avoid people's eyes. Instead, he parked the car in the parking lot first before going to the room he booked through the void.

When he arrived in front of the room, Yi An hurriedly pulled Tang Xiao inside. She hugged his neck, kissed him in a passionate manner, and took off his clothes.

Tang Xiao was thrilled in his heart and returned Yi An's kiss while removing all the fabric covering her body, leaving both of them naked. He slowly led her to the sofa, where he sat her down and made her lean against the back.

When Tang Xiao's hands started playing with her breasts and nipples, Yi An reached down to his dick, squeezing and jerking it.

Due to her sadness and their hot, passionate kiss, Yi An has difficulty breathing, forcing Tang Xiao to stop their kiss. However, her hand kept moving on his shaft, jerking it a bit faster.

Tang Xiao gently wiped Yi An's tears and then asked her a question. "What happened? Why did you suddenly become this sad?"

"I—" Yi An didn't continue speaking and took her laptop from the bag. After it turned on, she immediately opened her email and showed Tang Xiao several recordings of Ouyang Hong having sex with several different women. "I don't know the identity of the sender, and I don't know the purpose of that person sending them to me. However, all of these videos proved that he didn't just cheat on me with one woman, but he cheated on me with many women. What disappointed me the most was that one of the women was one of my best friends, Gong Qingyan."

"Gong Qingyan?"

"Yes." Yi An nodded to Tang Xiao as tears began to flow from her eyes again. "Gong Qingyan has been my friend since high school, and we went to the same college in the past, so we were very close. However, I never expected her to have an affair with my husband, and I was never aware of their relationship."

After putting the laptop on the table, Tang Xiao sat beside Yi An, who immediately hugged him tightly and cried again. He initially didn't use such a method, but she continued to hesitate to go any further with him, and Ouyang Hong would be back soon, so he decided to ask Xiao Ai to send those recordings to her.

Tang Xiao hugged Yi An while stroking her head and back. "I know you're sad, but you have to stay strong for you and your children. I don't know if I can help you, but I will always be by your side when you need me."

"You and Xing Xing are an odd couple, but you two are luckier than me." Yi An looked up slightly at Tang Xiao. "She didn't forbid you from looking for other women, and you didn't hide our relationship from her either."

"You're right, we are indeed an odd couple." Tang Xiao nodded at Yi An. "She's been so good to me, and she's willing to share me with other women, so I don't have the heart to hide our relationship from her."

Yi An hugged Tang Xiao's neck and shifted onto his lap. "Please take me to the bathroom first; I've had a meeting since morning and my body is all sticky now."

"Alright."

.

.

.

Soon, they were standing under the shower, with Yi An's back leaning against Tang Xiao's chest. Since he was taller than her, she was forced to stand on tiptoe a little while

holding onto his neck. The warm water quickly soaked their bodies, and he kissed her from behind, with his hands kneading her breasts and pinching her nipples.

Yi An spread her legs a little and let Tang Xiao's erect dick slip between her thighs. She pressed her legs together to clamp his dick, and her left hand reached it while gently rubbing his glans, especially the small slit above it.

"Mhmm..." Yi An incoherently moaned as she swayed when Tang Xiao moved his dick, rubbing her pussy with it. While stimulating her breasts with one hand, he moved his other hand to her pussy, and he gently caressed it. "Mhmm..."

Tang Xiao stopped their kissing and started licking Yi An's ears, and he occasionally nibbled her earlobe. "Mhmm... Xiao'er..."

"What do you want me to do, my dear Yi'er?" Tang Xiao softly whispered.

Yi An immediately turned to face Tang Xiao, placed his dick between her inner thighs again, and wrapped her arms around his neck. "Will you never hurt my feelings like my husband?"

"Yi'er, you are a kind woman, and you deserve the best, so I will never hurt your feelings." Tang Xiao caressed Yi An's cheek.

"You're such a sweet talker, you know?" Yi An stood on tiptoe again and pressed their foreheads together. "Since I've been spending time with you, my life has become more beautiful and colorful, and it's getting harder for me to leave you. I'm constantly thinking about you and eager to spend the night with you, even when I'm meeting with those people."

Tang Xiao smiled at that. "Yi'er, whenever you need me, you can contact me, and I will always be there for you. No matter how deep the sadness is in your heart, I will help you get rid of it, and I will replace it with happiness."

"Haha." Yi An laughed and sobbed at the same time. "In my life, I've never had any interest in a man my age, let alone a man younger than me. Yet, I'm with you now, and I love you so much. Honestly, I still feel strange about this feeling, but I really don't want to lose you."

Tang Xiao briefly kissed Yi An's lips. "You don't have to worry about that, okay? I promise you, you'll never lose me, and I'll always be there for you."

"Uhm." Yi An kneeled on the floor and held Tang Xiao's dick. "Let me satisfy you first, okay? I know you're never truly satisfied whenever we're intimate, so I'll do everything to satisfy you tonight."

Tang Xiao nodded at Yi An. "Alright, I'll follow your wishes tonight."

Yi An smiled in response and initiated their sexual activities by giving Tang Xiao a titjob. "Do you like it when I do this for you, Xiao'er?"

"I do." Tang Xiao stroked Yi An's head. "I like everything about you, Yi'er."

Yi An pressed her breasts together, clamped Tang Xiao's dick tighter, and moved them faster. "Xiao'er, I want something from you."

"Tell me."

"I'm embarrassed."

"Hmm?" Tang Xiao momentarily raised an eyebrow. "Do you want me to give you a cumshot on your face?"

"Uhm."

"Haha." Tang Xiao softly laughed, making Yi An really embarrassed. "In that case, you have to try harder to make me cum."

Yi An's face turned bright red at the thought, and she sped up her actions in giving Tang Xiao a titjob. 'How long should I do this? He usually ejaculates after I suck his dick for long enough.'

Chapter 173: Yi An First Time**

Tang Xiao smiled in amusement, as he could tell Yi An's thoughts from her expression; he gently stroked her head and spoke to her. "Yi'er, I still can't believe that you have such a side, and it's entirely different from your usual self."

"Haha." Yi An softly laughed, bopping her breasts up and down with Tang Xiao's shaft in her cleavage. "No one, including my husband, has ever seen this side of me before. Since marrying him, my life has been like a cage, and I've never been able to be my true self. On the contrary, I feel like a free bird when I'm with you, and I don't need to pretend to be someone else in front of you."

Tang Xiao nodded at Yi An. "It's okay; you can be yourself with me, Yi'er. Show me another side of you that I don't know yet so I can get to know you better."

"I'm glad that you want to get to know me better, Xiao'er."

"Yi'er, you are my lover, and I want to get to know you better so I can treat you even better." The way Tang Xiao referred to her as his lover divided Yi An's feelings and mind, especially since they both had their partners. Even though Ouyang Hong had

cheated on her, she was still his wife, and the young man in front of her was Xing Xing's husband. "Don't think too much about it, okay? Let's enjoy our time together and let time tell everything."

Yi An inwardly sighed and nodded to Tang Xiao, and she accelerated her breasts' movement while clamping his shaft between them tighter.

A few minutes later, Yi An was overjoyed when Tang Xiao's dick throbbed hard in her cleavage. She looked up at him while continuing to give him a titjob, waiting for him to ejaculate.

Tang Xiao could have held back his ejaculation if he wanted to, but he wanted to fulfill Yi An's previous request. He turned off the shower just before he ejaculated, spraying a large amount of his cum onto her face, hair, and body.

Yi An didn't bother to clean up Tang Xiao's cum; instead, she inserted his dick as deep as possible into her mouth. Her head moved back and forth while giving him a fast and intense blowjob, her hand jerked his shaft outside her mouth, and her tongue moved in circles, licking all over his glans and enjoying the remains of his cum.

****Slurp... Slurp... Slurp...****

"Ugh!"

Hearing Tang Xiao's moan, Yi An looked up at him and winked at him. 'He just ejaculated, but his dick is still hard.'

"Your blowjob is truly pleasurable, and I want to continue enjoying it, Yi'er." Tang Xiao rubbed Yi An's head.

Yi An sped up her actions and strengthened her suction on Tang Xiao's dick, causing her cheeks to dip inward. She reached down to her lower body, rubbed her pussy, and fingered it.

****Slurp... Slurp... Slurp...****

Yi An's blowjob and her action of fingering her pussy made Tang Xiao horny, and he was eager to go further with her. He held her head and spoke to her. "Yi'er, I'm going to ejaculate again."

'Eh?' Yi An looked at Tang Xiao in surprise, but his cum immediately flowed into her throat. She kept moving her head, sucked his dick, and enjoyed his warm cum. 'What happened? It's unusual for him to ejaculate this quickly, let alone twice in such a short time.'

****Splash... Splash...****

Tang Xiao turned on the shower again and let the warm water wash his cum from Yi An's face, hair and body.

Yi An immediately stood up after she released Tang Xiao's dick from her mouth, and she used the water from the shower to clean the remaining cum from her mouth.

Yi An wanted to say something, but Tang Xiao had already hugged and sealed her mouth, and his tongue immediately slipped into her mouth, searching for hers.

Although she was surprised by Tang Xiao's aggressiveness, Yi An enjoyed it, and she embraced his neck and kissed him back. She stuck out her tongue and hooked it with his, and they pulled each other into each other's mouths, taking turns sucking each other's tongue.

Tang Xiao grabbed Yi An's buttocks, roughly squeezed them, and placed his dick between her inner thighs. She incoherently moaned and squirmed as he began to move his erect dick, rubbing it against her soaked pussy and further arousing her.

"Mhmm..." As she enjoyed the rubbing between their genitals, Yi An gave Tang Xiao a deeper kiss and rubbed her breasts against his muscular chest. Her hardened, thick nipples became even harder as they continuously rubbed against his skin, causing her sexual fluid to flow freely from her pussy. "Mhmm..."

Tang Xiao led Yi An to the sink and sat her on it. He broke off their kiss and began to stimulate other parts of her body, starting with her ears, neck, and chest.

When Tang Xiao began playing with her breasts, Yi An leaned back slightly and used both hands to support her body. Her eyes repeatedly opened and closed, and her tongue stuck out to lick her lips, followed by moans that became more and more erotic as she became more and more aroused.

"Mhmm... Xiao'er..." Yi An repeatedly swayed above the sink when Tang Xiao sucked and licked her nipples, kneading her twin mounds with rough and wide palms as if he were kneading soft dough. "Ahh... Xiao'er... Mhmm... you make me horny... Ahh... my mind goes blank."

A while later, Tang Xiao moved downward while his tongue explored every inch of the front of Yi An's body. When his face reached her pussy, he lifted and bent her legs over the sink, and he quickly played with her pussy.

"Ahh..." Yi An moaned louder as her pussy became more sensitive due to her high arousal. "Ahh... Xiao'er..."

Tang Xiao thoroughly enjoyed himself giving Yi An oral sex. His tongue nimbly moved on her pussy, licking the outside and inside, occasionally thrusting his tongue inside.

"Ahh..." Yi An strongly jerked when Tang Xiao's tongue licked and pressed her clitoris, and he sucked her most sensitive part. "Ahh... Xiao'er... Mhmm... I'm going to orgasm."

Yi An used one hand to hold Tang Xiao's head, her body convulsed wildly on the sink table, and her pussy squirted a lot of her sexual fluid.

"Ahh... I'm cumming, Xiao'er!" Tang Xiao swiftly licked and sucked every drop of Yi An's sexual fluid until her orgasm stopped, leaving her slumped on his shoulder. "Hah... Hah... the way you stimulate me is too good, and I can never last long whenever you stimulate me like that."

Tang Xiao hugged Yi An and kissed her forehead. "I always couldn't wait to enjoy your liquid, so I stimulated you so intensely."

"Naughty boy." Yi An said with a smile. "Even though I always orgasm too soon, I always enjoy it, and I always crave more."

Tang Xiao put Yi An down from the sink counter and turned her to face the mirror. "You just had an orgasm, but your expression is still lewd, and I like seeing you like this."

"Hmm?" Yi An looked at her reflection in the mirror and smiled broadly. "I guess I'm lewd, but I became like this because of you."

Tang Xiao made Yi An bend forward, hugged her from behind, and stimulated her chest again. He spread her legs to the side and rubbed his glans against her pussy. "Yi'er."

"Xiao'er, I—" Yi An looked at Tang Xiao through the mirror as she realized his wish, but it left her in a dilemma.

Tang Xiao also looked at Yi An through the mirror. "Please let me insert it, okay? I will give you the best, and you will enjoy your life again like in the past."

Yi An opened her mouth, but not a word came out of it, as she was confused about whether she should allow Tang Xiao to insert his dick into her pussy or not. Moreover, they didn't have condoms, and she was reluctant to have unprotected sex with him.

Seeing Yi An continue to hesitate, Tang Xiao squeezed her breast a bit roughly and rubbed her nipple. His other hand moved to her lower body and rubbed her pussy, causing her lust to soar again. "Ahhh... insert it... Ahh... insert your dick and fuck me."

"As you wish, Yi'er." Since Yi An had already given birth to two children, and her pussy was already completely wet, Tang Xiao thrust his dick into her pussy with one thrust.

"Ahhh..." Yi An's head tilted upward, her tongue stuck out, and her body jerked repeatedly by her sudden orgasm. "Ahh... move it... Ahh... move your dick now."

Tang Xiao pulled Yi An back slightly and leaned forward, forcing her to hold onto the side of the sink counter. He grabbed her buttocks and started pounding her pussy.

****Pah... Pah... Pah...****

"Ahh... Xiao'er... Ahh... so deep... Ahh... your dick is penetrating me deeply." Yi An moaned louder as her body moved back and forth in rhythm with Tang Xiao's thrusting, causing her breasts to sway wildly beneath him. "Ahh... I have missed the feeling of a dick thrusting inside me for a long time." Ahh..."

"Yi'er, my dick loves your pussy so much, and I can't stop pounding it."

"Ahh... me too... Ahh... I love your dick so much."

"Do you want me to fuck you faster?"

"Ahh... Yes... Mhmm... Fuck me faster."

"Alright."

****Pah... Pah... Pah...****

- To Be Continued -

Chapter 174: Tang Xiao's Offer

****Pah... Pah... Pah...****

"Ahh... I'm cumming again, Xiao'er."

Tang Xiao supported Yi An by holding her waist as her body convulsed violently from her orgasm; he then pushed his dick until the glans touched her uterus and released a large amount of cum, filling her womb.

Yi An was shocked by that. "Ahh... why did you ejaculate inside me, Xiao'er? What if—"

"Don't worry, okay?" Tang Xiao stopped Yi An. "If you are really pregnant with my child, I will snatch you away from your husband, and I will be responsible for you."

"But—"

Tang Xiao shook his head at Yi An. "Your husband may have an extraordinary status, but I will never fear him for your sake. You are a kind woman, and I want you by my side. Whatever happens, I will fight to get you, and I will always protect you."

"Do... do you really want me, Xiao'er?" Yi An asked in a voice trembling with excitement.

"I do." Tang Xiao lifted Yi An, leaned her against his chest, and kissed her. "I don't care even if you have two children; I love you, and I want you to accompany me."

"Xiao'er." Tears fell from Yi An's eyes, but Tang Xiao immediately wiped them away. "Thank you, I—"

"Shh." Tang Xiao stopped Yi An again before lifting her legs, prompting her to hug his neck for support. "Don't thank me, okay? I sincerely want you, and I know you want me too."

Yi An nodded slightly. "I do want you, but I'm afraid that if my husband finds out about our relationship, he will order his subordinates to hurt or even kill you."

"Alright, we don't need to talk about your husband, okay? I've already told you that I'm not afraid of him, so please believe me." Yi An stared at Tang Xiao in confusion, puzzled by his confidence in confronting Ouyang Hong. "Do you want to continue now?"

Yi An's smile blossomed and nodded slightly. "Let's do it in the bathtub, but I'll be on top."

"Sure."

"Ahh... Xiao'er... Ahh... put me down first..." Tang Xiao immediately took her into the bathtub; he lay down and leaned against the front with Yi An on top of him. She turned to face him, held on to his shoulders, and moved her body.

"Ugh." Tang Xiao grabbed Yi An's breasts, massaged her twin mounds, and clamped her nipples between his fingers. "Ugh! Your pussy is getting tighter and clamping down on my dick tightly, Yi'er."

"Ahh... Xiao'er, my inside is full of your dick... Mhmm... it keeps rubbing my inside." Yi An moved her body a bit faster, causing the water in the bathtub to continue splashing out. "Mhmm... your dick makes me feel so good... Ahh... I will never get enough of this pleasure."

They had sex in the bathtub until they reached their orgasms again, and Tang Xiao once again ejaculated inside Yi An's womb, filling her with his hot load. However, they were still not satisfied with that, and he took her out of the bathtub before having sex with her in a standing position, making her moans continue to echo in the bathroom.

After they reached their orgasms again, Tang Xiao took Yi An back to the bedroom and continued their sexual activities. They did it on the sofa, in front of the dresser, and on the bed for a few hours, until both of them orgasmed repeatedly.

Tang Xiao was already lying on the bed while Yi An lay prone on top of him, with his dick still embedded in her pussy. "Hah... Hah... I'm completely exhausted now, Xiao'er. This was the best sex experience of my life, and you made me orgasm so many times that I lost count."

"Haha." Tang Xiao laughed and squeezed Yi An's buttocks. "I'm glad you enjoyed our sex, Yi'er. However, this is just the beginning, and we still have a long time ahead to enjoy our relationship."

Yi An propped her chin on both hands, looking at Tang Xiao with a beautiful smile. "Xing'er told me before that you often had sex with her all night long, and she was overwhelmed to serve you. At first, I didn't believe her, but I have experienced your prowess in sex myself. Even your dick is still erect inside me now, even though you've ejaculated many times before, and my womb feels full of your cum."

"Do you want to do it all night?" Tang Xiao teased Yi An.

Yi An shook her head in refusal, afraid she wouldn't be able to wake up tomorrow morning. She suddenly realized something unusual and spoke to Tang Xiao. "I feel strange about my condition, Xiao'er. I don't understand how I suddenly became this strong because I usually become very tired after two or three orgasms, but I don't feel tired yet, even though I orgasmed multiple times today."

"Isn't this good? If you are this strong, you will be fully satisfied from our sex session." Yi An did not dismiss Tang Xiao, but she still felt confused about her condition. "Alright, don't think too much about it, okay?"

****Ring... Ring...****

The sound of an incoming phone call startled both of them; Tang Xiao took Yi An's smartphone and handed it to her. "Your daughter called you."

Yi An sighed softly and answered Ouyang Ying's call, while Tang Xiao playfully teased her by slowly moving his dick. She covered her mouth and glared at him, afraid that her daughter would hear her moans. "Why did you call me, Qing'er?"

[Where are you now, Mom? Have you calmed down? How about I follow you there?]

'Mhmm...' Yi An narrowed her eyes at Tang Xiao, who responded to her by thrusting his dick. "I am currently at the hotel and feeling calmer now, so you don't need to follow me here; I will be home tomorrow morning."

[But Mom—]

"It's okay; you don't need to worry about me; I will definitely be back tomorrow morning."

[Where is Feng Xiao now?]

"Feng Xiao is in front of my room now." Ouyang Qing was surprised to hear that from Yi An. "If you need him, I'll ask him to go home now."

[I'm not going anywhere, so let Feng Xiao wait outside to protect you. Alright, I'll hang up now, and you should get some rest.]

"Yes." Yi An ended their call and tossed her smartphone aside. "Naughty Xiao'er! What if my daughter heard my moans? She'll follow us here straight away, and she'll find out about our relationship."

"Haha." Tang Xiao swiftly reversed their positions and lifted Yi An's legs high. "I'm sorry, okay? I won't do it again, but I want to continue now."

Yi An put her arm around Tang Xiao's neck, pulled him closer, and kissed him. She began to enjoy the pleasure again as he moved his dick, pounding her pussy at a rapid pace.

.
. .
.

A while later, they stopped having sex again after they reached their umpteenth orgasm. This time, Yi An was truly exhausted, and she lay sideways, hugging Tang Xiao. "I'm dead tired now, and I'll pass out if you fuck me again."

"Let's rest then." Tang Xiao then asked Yi An. "Do you want revenge on all the women your husband cheated with, Yi'er?"

"Eh?" Yi An looked at Tang Xiao with surprise. "What can you do about them? All of them are women with high status, including Gong Qingyan."

"I can't do anything about them, but I have an acquaintance who can help you get revenge on them." Tang Xiao looked at Yi An and caressed her cheek. "Honestly, I hate

traitors the most, especially if they are our close friends. If you like, I can ask him for help, and I'm sure he can force Gong Qingyan to come and beg you."

Yi An seriously considered Tang Xiao's offer. She didn't care much for the other women, but Gong Qingyan was her best friend. However, her best friend stabbed her in the back by having an affair with Ouyang Hong behind her back, completely disappointing her. "Who is your friend? Can he really do that?"

"My friend works for the government, so I believe he can do it. If you really want it, I'll meet him tomorrow and ask if he can help." Yi An thought about it for quite a while before deciding to accept Tang Xiao's offer. "Alright, you should sleep now, and I will meet my friend tomorrow morning."

"Yeah." Yi An closed her eyes and snuggled closer to Tang Xiao.

'Xiao Ai.'

[Master, I have prepared all the information about Gong Qingyan, including all her secrets.] Tang Xiao was stunned by that. [Haha! My main chip is in your mind, and I'm pretty familiar with your character now. I was sure you would help Yi An, so I immediately prepared everything.]

'Show everything to me, Xiao Ai. Also, arrange everything so that Gong Qingyan comes to see Yi An and beg her.'

[I'll do it now, Master.]

Tang Xiao immediately read many things about Gong Qingyan on the blue screen before his eyes. 'Her husband is Dong Wutian, huh? The Dong Clan was one of the four Cardinal Families, and their base was in the east. She has a handsome and rich husband, but she acts like a slut.'

Tang Xiao closed the screen and looked at Yi An, who was already sleeping very soundly. He immediately took her into the ark, and he asked Xiao Ai to strengthen her body, especially since she was an ordinary human.

Chapter 175: Act Against Luo Qinlin

At the Lotus Marsh, Tang Xiao's clone decided to stop hunting beasts because he had killed too many since morning, and he made a campfire to warm himself.

Feng Shen immediately appeared before Tang Xiao's clone and sat down in front of him. "Your harsh training with Tantai Lingyan wasn't in vain, kid. Today is your first day hunting beasts, but you're no different from those skilled hunters."

"Haha." Tang Xiao's clone laughed at that. "Senior, you know my master's character, right? If I slack off while training with her, she will definitely kick my ass and punish me. Moreover, I must avenge the deaths of my parents, so I can't waste my time, and I must train harder than anyone else to catch up with them."

Feng Shen nodded in response. "Tantai Lingyan may not be as strong as Long Yin or Wang Fuxi, but she is the best when it comes to training, and she is the most persistent and hard-working woman I have ever met."

"How old are Long Yin and the Long Clan, Senior?"

"All first-grade clans have existed for thousands of years, including my Feng Clan." Feng Shen's answer shocked and confused Tang Xiao's clone. "Long Yin is already a thousand years old or more, and there are several others who are older than him in the Long Clan. However, he is the best talent in his clan, and no one can match him."

Tang Xiao's clan released a soft sigh. "Who is the best talent in the Feng Clan?"

"Hahaha." Feng Shen laughed at that. "There are many talents in my Feng Clan, but we still can't match Long Yin. Being the youngest member of our clan to reach the Emperor Realm, Yao'er is our greatest talent. She should be able to cultivate faster, but she is too busy taking care of ordinary human affairs, causing her cultivation to slow down."

"Feng Yao, huh?"

Feng Shen nodded slightly. "If you want to become stronger faster, you should forget about your affairs in the outside world and focus on your cultivation."

"Sigh." Tang Xiao's clone released a soft sigh. "I still have some enemies in the outside world, and they are the people involved in the destruction of my family. I will never be at ease until I can get rid of them, so I will get rid of them first, and I will fully focus on my cultivation after that."

Since he already knew everything about that day's events, Feng Shen could naturally understand Tang Xiao's clone's feelings. "In that case, you should get rid of them as quickly as possible, or you'll just be wasting your time if you drag it out too long. With your current strength and abilities, I'm sure it won't be difficult for you to get rid of them because they are just ordinary humans, but you should never touch the Ouyang Family before you reach Long Yin's level."

"You're right, senior." Tang Xiao's clone immediately thought of a plan for someone. 'Xiao Ai, do everything according to my plan; I'm going to make a move on Luo Qinlin now.'

[Master, you can make a move on Luo Qinlin whenever you're ready.]

'That's good.' Tang Xiao's clone then asked Feng Shen many questions, which he gladly answered.

.
. .
.

After he took several items in the treasury vault, Tang Xiao brought Yi An back to the hotel room. He laid her on the bed before leaving the hotel, and he contacted Luo Qinlin to meet him somewhere else.

Sometime later, Luo Qinlin arrived in front of Tang Xiao, looking excited after waiting for him to contact her for several days. "Hehe! I'm glad you finally met me, Feng Xiao. Was Ouyang Qing trying to stop you from meeting me?"

"She should be sleeping soundly."

"Hmm?" Luo Qinlin looked at Tang Xiao, tapping her chin lightly. "Do you have that close relationship with Ouyang Qing? I always feel that her attitude towards you is quite strange, and she looks like a lover who is afraid of her boyfriend being snatched by another woman."

"Ouyang Qing is my girlfriend now." Tang Xiao's blatant revelation shocked Luo Qinlin. "We're not here to talk about her, right?"

"Haha." Luo Qinlin hugged Tang Xiao's arm. "How about we go to my house now? We can have fun without interruption there."

"Alright."

.
. .
.

Sometime later, they arrived in front of a small house, and Luo Qinlin led him inside. However, Tang Xiao was stunned to see various types of sex toys in the house. 'This woman is surely insane!' "Do you like this kind of sexual activity, miss?"

"Hehehe." Luo Qinlin faced Tang Xiao and rubbed the bulge on his trousers. "Can Xing Xing satisfy you, Feng Xiao? I heard from Ouyang Qing that you married her some time ago, but she is an inexperienced woman compared to me. If you were satisfied with her, you wouldn't cheat on her, right?"

Tang Xiao shook his head at Luo Qinlin, brushing her hand away. "You're wrong if you say I cheated on Xing'er, Miss. In fact, she knows about my relationship with Ouyang Qing, and she has no objections to our relationship."

"Huh?" Luo Qinlin blinked a few times in disbelief. "Does Xing Xing really allow you to have a relationship with Ouyang Qing?"

"I don't need to lie to you, right?" Tang Xiao responded with a shake of his head. "Alright, let's stop talking about them."

Luo Qinlin nodded slightly. "Would you like to take a bath with me? I just got back when you called, so I rushed over to see you."

"No." Tang Xiao declined, pointing to the sex toys. "I haven't seen them before, so you can take a bath first, and I'll take a look at them."

Luo Qinlin pursed her lips, but she said nothing and walked to the bathroom, removing her clothes on the way.

'What a shameless woman!' Tang Xiao then spoke to the Ai. 'Xiao Ai, have you sent a message to those men and forced them to come here? What about their wives?'

[I've done everything according to your orders, and those men are already on their way to the house by now, with their wives are following behind them secretly.] Tang Xiao was completely satisfied hearing that. [Master, I thought you would punish Luo Qinlin yourself, but you suddenly decided like this.]

Tang Xiao walked toward those sex toys, taking one of them. 'Xiao Ai, I'm not interested in touching a prostitute like her. I want to kill her, but I won't do it now, and I want her to feel the anger of the women whose husbands cheated on them with her first.'

[Master, these sex tools are useless, and you can find some much better ones in the treasury vault.]

Tang Xiao furrowed his brows. 'Was your late old master a masochist? Why would he keep sex tools?'

'Master, my old master is the future you, okay?' Xiao Ai almost laughed out loud hearing that. [Master, my old master never used them himself, and he created them for sale. Back then, he needed a lot of money to buy precious herbs, and he thought that sex tools would be very popular because many cultivators out there were masochists. Therefore, he created and sold them, and he made a lot of money from them.]

Tang Xiao felt strange hearing that, but those sex tools gave him a good idea. 'If I think about it, Jessica has masochistic tendencies, and she might like them.'

[Haha! Isn't Jessica a masochist, Master? The next time you have sex with her, you must try those sex tools in the treasure vault with her, and I'm sure she'll really enjoy them.]

'Yeah.' Xiao Ai then displayed the location of those men and their wives on the blue screen. 'Most of them are already close to this house, so I'll start now.'

Tang Xiao hurriedly took out several colorful candles, lit them, and placed them in several spots. In a few moments, the entire room of the house was filled with transparent smoke that aroused the lust of living beings. 'Let the game begin.'

Sometime later, Luo Qinlin walked out of the bathroom without covering her body. She was a little surprised when she saw the candles, and she smelled their scent, which made her body heat up quickly.

'Did Feng Xiao light them? I don't remember having those candles, and I didn't see him carrying any earlier.' Luo Qinlin immediately approached Tang Xiao. "Feng Xiao, where did—"

"Shh." Tang Xiao pressed his index finger against Luo Qinlin's lips. "No need to ask many questions and let's enjoy the night."

Luo Qinlin was overjoyed in her heart, but Tang Xiao suddenly covered her eyes with a blindfold, causing her heart to pound wildly. She wanted to say something to him, but an intense pleasure electrified her body, causing her to moan and wriggle. "Mhmm..."

"Do you like the sensation, Miss?"

"Ahh... I like it... Mhmm... I've never felt this way before... Ahh... You only touched me, but my lust instantly aroused."

"That's good." Tang Xiao carried Luo Qinlin to the bed, laid her down, and cuffed her hands to the side. Her expression became increasingly lewd as he continued to use the pleasurable touch on her, her body rose and fell, and her sexual fluids flowed from her pussy.

"Ahh... Feng Xiao... Mhmm... Stop touching me and fuck me now."

Tang Xiao's lips curled up into an evil smile. 'Do you think a prostitute like you is worthy of me?'

- To Be Continued -

Chapter 176: Killing Luo Qinlin

"Ahh..." Luo Qinlin moaned louder as her body jerked up and down, especially after Tang Xiao shoved a large vibrator into her pussy. "Ahh... Why... Ahh... I want your dick, not a vibrator."

"Ahh..." Luo Qinlin became increasingly wild as the large vibrator began to vibrate vigorously. "Ahh... it's too much..."

Tang Xiao took a dildo from the shelf before inserting it into Luo Qinlin's ass.

"Ahh..." Luo Qinlin's body arched upward as she convulsed uncontrollably.

Tang Xiao put his face closer to Luo Qinlin's ear. "Do you remember what you did to me seven years ago?"

"Ahh... what do you mean by that?"

"Since you forgot what happened seven years ago, I'll refresh your memory." Tang Xiao whispered a few things into Luo Qinlin's ear. "That night, you violated me while I was unconscious, remember?"

Despite her high arousal, Luo Qinlin could hear Tang Xiao's words clearly, and she was completely shocked after learning the truth. "Ahh... You... Ahh... Tang Xiao..."

"For your information, I killed Yu Xiaoling, and Jessica has also fallen into my hands." Tang Xiao then gagged Luo Qinlin's mouth with a gag ball, tying the belt behind her head, frightening her. "I can't do anything to Ouyang Qing now, but she is in my control, and I just need to wait for the right time to destroy her. As for Lin Yan, her turn will come in time."

'Ahh... shit... Ahh... I didn't expect this bastard to be Tang Xiao.'

"Soon, you will suffer the results of your crimes against me and several others, including your actions in blackmailing those men." Tang Xiao's words shocked Luo Qinlin again, and she finally realized that he was the one who spread her sex videos with those men to the public. "Did you just realize? I intentionally spread your sex videos as a little lesson for you, but you're lucky because one of those men helped you straighten things out."

Luo Qinlin started to calm down when Tang Xiao pulled out the vibrator and the dildo from her two holes, but she was frightened to death because of her situation. 'Shit! What does he plan to do to me? Is he going to kill me like he killed Yu Xiaoling?'

"You're right, I will kill you, but I won't let you die that easily." Upon hearing Tang Xiao's words, Luo Qinlin trembled in fear and broke out in a cold sweat. "For now, I'll wait for some guests to arrive first, and you will meet King Yama after they all arrive."

'Fuck! Shit! Bastard!' Luo Qinlin was truly terrified at the thought of those men huddled in her house.

Tang Xiao suddenly heard two cars arrive in front of the house, and he immediately opened the blindfold covering Luo Qinlin's eyes before hiding.

Soon, two men entered the house, searched for Luo Qinlin, and found her tied to the bed naked. 'Shit! How did Tang Xiao force them to come here?'

"Is this bitch blackmailing you too?" The first man asked, looking at the terrified Luo Qinlin.

"Yes." The second man nodded in response. "I don't know how she ended up like this, but I think one of her victims did this to her. Hey, do you smell any weird scents?"

"This scent and her naked body are making me horny." The first man licked his lips. "How about we have some fun with her together?"

The two men hurriedly took off their clothes before climbing into bed, and one of them removed the ball gag from Luo Qinlin's mouth. "Ahh! Why did you two come here?"

"Weren't you the one who asked us to come?" the second man asked with a frown.

The first man told him straight away. "You messaged me and threatened to send our sex video to my wife if I didn't give you money."

"I... I never did that!" Luo Qinlin immediately denied. "Someone... someone hijacked my smartphone!"

"Do you think we are fools?" The first man clutched Luo Qinlin's cheeks. "Since—"

Both men turned toward the bedroom door, and three other men walked in with furious expressions a few moments later. "So, this bitch is also blackmailing you all?"

"Yes." They nodded to the second man, and they hurriedly took off their clothes. "Since this bitch dared to threaten and blackmail us, we have to teach her a lesson one last time so she won't dare mess with us again in the future."

"No!" Luo Qinlin shouted in fear. "No! Don't do this to me! If you dare do this to me, I will send those videos to all your wives!"

"Hahaha!" All the men laughed at that. "Do you think you still have a chance for that? Since you have three holes, you can serve three of us at once, right?"

"No... Don't do this! You guys will kill me!" Luo Qinlin was truly terrified at the thought of three men fucking her three holes at the same time. "Please release me first! I'll serve all of you until you're satisfied, and you don't need to pay me."

None of them cared about Luo Qinlin's pleas, and they immediately got into position to enjoy themselves with her. However, Tang Xiao immediately moved to restrain them, preventing them from moving.

At first, Tang Xiao wanted to let those men forcefully violate Luo Qinlin like she did to him seven years ago. However, Tang Yin, Xing Xing, and Mu Qingge suddenly spoke to him through Xiao Ai's main chip in his brain, begging him not to do such a thing.

Due to their persuasion, Tang Xiao abandoned his plan and decided to restrict the movements of all those men, waiting for their wives to arrive at the house.

The five men looked confused, as their bodies wouldn't move, no matter how hard they tried. On the other hand, Luo Qinlin felt both relieved and confused by their situation, and she tried to look around the room for Tang Xiao. 'Fuck! What exactly does that bastard want? How did he make them immobile like this?'

Shortly after, they all heard several other cars stop outside the house, and they assumed they were other victims of Luo Qinlin. However, their expressions turned to fear and shock as five women, none other than their wives, furiously entered the room. 'Shit! We're dead!'

Luo Qinlin's face turned even paler once she recognized the identities of the five women. 'Fuck! That bastard Tang Xiao deliberately trapped me in a situation like this!'

The five women said nothing to their husbands; instead, they took their smartphones and took a few photos of them. Tang Xiao immediately released the five men from his restrictions, allowing them to move freely again.

"Wife, I—"

"Shut up! We'll divorce you all tomorrow!" The five women snapped at their respective husbands before looking at the helpless Luo Qinlin. "Since this bitch has ruined our marriage, we must teach her the most painful lesson."

"Yes." The five women took some of those sex tools, such as a whip and several others. They gathered on both sides of the bed while glaring viciously at Luo Qinlin. "You bitch! You made the wrong choice by ruining our marriage!"

"No... Don't... Ahh!"

The five women didn't give Luo Qinlin a chance to plead, and they beat her as hard as they could to vent their anger, causing their husbands to cower in fear.

All of them hurriedly took their clothes and ran away from the house, and their wives did not stop them because they were more focused on pouring out their anger on Luo Qinlin.

For a few minutes, Luo Qinlin's screams of pain continued to echo in the room, mixed with her pleas, but the five women ignored her and continued beating her.

Once Luo Qinlin was completely incapacitated and her body covered in blood, the five women immediately stopped their actions and hurriedly left the house.

Tang Xiao immediately reappeared there and looked at Luo Qinlin, whose consciousness was as thin as a string. He grabbed her hair and looked at her with disdain. "You're lucky, you know? If my big sister and Xing Xing hadn't begged me not to do it, I would have let those five men forcefully violate you like what you did to me seven years ago."

"Kill me! You have ruined my life."

"Haha." Tang Xiao laughed at that. "Did you forget how you all ruined my life? You guys framed me by forcefully violating you all, and I spent seven years in prison because of your false testimony. Even before my two days of freedom, Ouyang Qing sent her father subordinates to kill me in prison. Fortunately, I survived death, and I can take revenge on you. Don't worry, you won't be lonely because Lin Yan will catch up with you soon."

After saying that, Tang Xiao cut a small gap into the void, shocking Luo Qinlin. He threw her into the void before she could ask him, causing her to slowly die from breathing difficulties. He cleaned her room, threw her personal belongings into the void, and tidied it again.

Sometime later, Tang Xiao had returned to the hotel room and was lying beside Yi An, who was still fast asleep.

.
.br/>.

Early in the morning, Tang Xiao opened his eyes as he felt suction on his dick, finding Yi An giving him a blowjob. He pulled her up, pinned her beneath him, and had sex with her for a few rounds.

After they were satisfied, Tang Xiao brought Yi An back to the Ouyang House.

- To Be Continued -

Chapter 177: Yi An - Ouyang Qing

"Mom, did your sadness have anything to do with my father?" Ouyang Qing asked, sitting by Yi An's side.

Yi An took out her laptop before turning it on, and she showed Ouyang Qing several videos, which displayed Ouyang Hong having sex with several women.

Ouyang Qing was utterly shocked. "Where did you get these sex videos, Mom?"

"I don't know the identity of the sender, but I suspect that person is one of your father's enemies." Yi An's answer did not surprise Ouyang Qing, as she knew that Ouyang Hong did have many enemies out there, but they had never attacked him before because of his status. "From their conversations, I am sure he was the one who recorded their sexual activities, and he certainly never expected that their videos would leak out and fall into my hands."

"I also think my father recorded their activities, and he did so with the consent of all those women." Yi An showed Ouyang Qing another video, further shocking her. "Isn't she your best friend? Why would she betray you by having an affair with my father?"

Yi An could only shake her head. "She is indeed Gong Qingyan, and she's in that city right now, but I don't know how long they've been together."

"All these years, I always thought your relationship was harmonious, but I never thought my father would cheat on you with several women at once." Yi An smiled bitterly because she always kept all her problems to herself, so her daughter knew nothing about her marital situation. Ouyang Qing turned off all the videos and hugged her. "Are you going to divorce my father after this incident?"

Yi An hugged Ouyang Qing back. "Do you think I can do that, Qing'er? Have you forgotten your father's character? If I file for divorce, he will definitely beat me up, and he will also destroy my Yi family. I know you love me, but you must refrain from interfering in our matters."

"Sigh." Ouyang Qing sighed heavily and hugged Yi An tighter. "Then, what should I do? How can I remain silent and pretend I don't know anything about this matter?"

"Yes." Ouyang Qing looked at Yi An with a frown. "Please promise me not to interfere in our matters, Qing'er. We've been married for years, so I know your father's character by heart. You are our daughter, but he will still punish you if you interfere in our matters. You will suffer if that happens, so I want you to keep quiet and pretend you don't know about our problems."

"But—"

"No buts, okay?" Yi An released Ouyang Qing from her embrace and cupped her face. "I don't know how, but I will never give up, and I will definitely find a solution to end this problem. If I can get away from your father, I will take you and Ming'er with me, and the three of us will live happily together."

Ouyang Qing sighed helplessly. "Mom, if you need my help, you have to tell me directly, okay? I may not be able to help you fight my father, but I can help you with other things."

"I know." Yi An nodded with a smile. "If I need your help with anything else, I will definitely tell you straight away. By the way, I want to rest again because I didn't sleep well last night, and please tell Su Rou to contact some people and reschedule all my meetings for today and tomorrow."

Ouyang Qing wanted to tell Yi An about Ouyang Ming and Su Rou's relationship, but she quickly swallowed her words back because her mother would be disappointed again if she found out about their relationship. "Alright, I'll go now, and I'll tell her about your request."

After Ouyang Qing left, Yi An hurriedly changed clothes before lying down on her bed. She closed her eyes, but a broad, satisfied smile spread across her face, recalling her sexual activities with Tang Xiao last night. 'I went completely crazy last night, but I wholeheartedly enjoyed our sex, and he made me orgasm multiple times. Unfortunately, my husband will arrive tomorrow at midnight, and we won't be able to spend much time together after he returns.'

.

.

.

After informing Su Rou about Yi An's request to reschedule her meetings for today and tomorrow, Ouyang Qing hurriedly returned to her room and contacted Hao Lin. "What did you find in my mother's email and smartphone?"

[I couldn't find anything on her smartphone, but I found a lot of videos of your father's affair with several women in her email. To confirm everything, I hijacked your father's smartphone and laptop, and he saved all the videos. As for the identity of the person who sent them to your mother, I couldn't find anything about that person as if that person never existed, and I think that person is much more expert than I am in this field.]

"I don't care how; you must find out the identity of the sender, and you must tell me immediately once you find the person." Ouyang Qing ended their call and took

something from the drawer before hurriedly leaving her room, and she went to Tang Xiao's room after.

.
. .
.

As soon as she entered Tang Xiao's room, Ouyang Qing immediately jumped up to hug him and kiss him. "I wanted to have fun with you last night, but I couldn't possibly leave my mother alone when she was sad like that, so I had to let you wait for her."

'I enjoyed my night with your mother, you know?' Tang immediately put Ouyang Qing on the bed and pinned her beneath him. "Why are you so impatient? We still have lots of time to have fun, right?"

"Uhm." Ouyang Qing put her arm around Tang Xiao's neck. "Did someone come to see my mother at the hotel last night?"

Tang Xiao shook his head slightly. "I stood guard outside your mother's room last night, and I didn't see anyone come to see her. Even if someone did, I wouldn't let anyone disturb her."

"Hehe." Ouyang Qing giggled at that. "You're not only my mother's chauffeur, but you're also her bodyguard now. If people see you protecting her, I'm sure no one will dare to bother her, especially with your strong and muscular body. Unfortunately, my father will be home tomorrow at midnight, and he won't like it if other men get too close to my mother."

"Isn't your father weird?" Tang Xiao asked, pretending to be confused. "After all, I'm your mother's chauffeur, so I always have to be near her in case she has urgent business."

Ouyang Qing released a sigh. "What can I say? My father was always like that, and he fired the previous chauffeur because he felt that person was too close to my mother. Therefore, you must not talk much to my mother after my father comes home, and you have to pretend that you don't know anything if something goes wrong, or he will fire you."

"Would you be sad if your father laid me off?"

Ouyang Qing pursed her lips as she cupped Tang Xiao's cheeks. "Even though our relationship is like this, and you are Xing Xing's husband, I certainly don't want to lose you. If you work somewhere else, you definitely won't have much time for me, and it will be difficult for me to meet you, let alone have fun with you."

"Haha." Tang Xiao laughed softly and kissed Ouyang Qing. "Don't worry, okay? I'll be careful so your father won't terminate my employment, so we can stay together, and we will have fun together every day like usual."

"Hahaha." Ouyang Qing then asked Tang Xiao. "Are you going home to accompany Xing Xing tonight?"

Tang Xiao nodded at Ouyang Qing. "I was waiting for your mother last night, so I couldn't accompany Xing'er. Therefore, I plan to go home tonight, but I'll come back to accompany you later."

'Should I force him to divorce Xing Xing? If he divorces her, I can have him completely, and I won't have to worry about him leaving me.' Ouyang Qing felt intense jealousy well up in her heart, which prevented her from going any further with Tang Xiao. "How about we have some fun now? My mother is sad, and I'm sure she'll sleep for a very long time, so I don't have to worry about her finding out about our relationship."

"Sure."

In a few moments, they were completely naked, and Ouyang Qing's moans quickly echoed throughout the room as Tang Xiao stimulated all the sensitive areas of her body, especially her two private parts.

Unlike all the other days they had spent together, Ouyang Qing was much more aroused this time, and she was eager to give Tang Xiao a blowjob. However, he refused her offer and chose to satisfy her instead, wanting to make up for the previous day.

Tang Xiao thoroughly enjoyed playing with Ouyang Qing's body, especially her breasts and pussy. Her mouth continued to release erotic moans, her body drowned in the endless sexual pleasure that coursed through her, and her mind soared into sexual paradise.

Ouyang Qing finally reached her first orgasm due to the intense oral sex that Tang Xiao gave her, and she squirted a lot of her sexual fluid, wetting his face and the bed.

Tang Xiao spread Ouyang Qing's legs and positioned himself on top of her, rubbing his dick against her wet and sensitive pussy. "Qing'er, can I insert it now?"

- To Be Continued -

Chapter 178: Ouyang Qing's Idea*

"I'm sorry, but I'm not ready to give you my virginity yet." Tang Xiao put on a disappointed look after Ouyang Qing rejected him. She cupped his face and looked at him with a blush. "Honestly, I've been tempted to have sex with you, but I'm not ready to

do it because you're married. It's not that I don't believe in you, but I'm afraid you'll leave me after you take my virginity, so I hope you can understand me."

"Alright." Tang Xiao rolled down to Ouyang Qing's side. 'Sigh! This bitch is more difficult than her mother! I can use my pleasure touch to force her, but it's not interesting at all. If she voluntarily surrenders herself to me, she will suffer much more if she finds out the truth in the future.'

'Does he want to have sex with me so badly? Should I do it with him using Luo Qinlin and Lin Yan's idea? I want to have sex with him, but I'm afraid that he'll leave me after he gets my virginity.' Ouyang Qing stole a glance at Tang Xiao before lying on top of him. "How... how about we do it another way?"

'Damn! It must have been Luo Qinlin who taught her about anal sex.' Tang Xiao pretended to be confused. "What do you mean by using another way?"

"Ugh! Do you really not know what I mean? You're a married man, so I'm sure you know about that." Tang Xiao shook his head at Ouyang Qing, maintaining his confused look. "Luo Qinlin and Lin Yan often talked about their sexual experiences with their partners in the past, including that. I thought it was too weird and disgusting, as they said that they often did it with their partners through their asses."

Tang Xiao was amused by Ouyang Qing's expression when she said that. "Do you really want to try that with me?"

"They... they told me that it wasn't much different from real sex." Ouyang Qing stuttered as she was embarrassed to say it. "I... I want to have sex with you, but... but I'm not ready to give you my virginity. Therefore... I want to try doing that with you."

"Are you sure about that? How are we going to do it?" Tang Xiao grabbed Ouyang Qing's buttocks and kneaded them like dough.

"Wait a minute." Tang Xiao was momentarily stunned to see Ouyang Qing take out a condom from one of her short pockets. "Don't... don't look at me like that! You... you embarrass me!"

Tang Xiao took the condom and questioned Ouyang Qing. "Where did you get this? There's no way you went to the convenience store to buy it, right?"

"No." Ouyang Qing shook her head embarrassedly. "Actually, Lin Yan gave it to me when I stayed at her house last time, and I've kept it ever since."

"Why did Lin Yan give you a condom?" Tang Xiao curiously asked.

"Haha." Ouyang Qing laughed awkwardly. "When I was sleeping with her, she heard me calling your name in my sleep and asked you to stimulate me. I denied it, but she

recorded me because I was delirious for quite a while, and I was also touching myself at that time. Therefore, I told her about our relationship, and she gave me this condom in case I wanted to have sex with you."

Tang Xiao nodded in understanding. "Lin Yan wasn't wrong to give you a condom, and you should use one if you have sex, especially since you're not married yet. Since you deliberately brought this condom this time, doesn't that mean you're ready to have sex with me?"

"No! I would rather not have sex with a married man like you! Instead, I want to try that with you." Ouyang Qing took the condom from Tang Xiao, and she shifted to sit between her legs before opening the packaging. She took the condom, placed it on his glans, and rolled it down. "Fortunately, Lin Yan already taught me how to properly attach it to a dick."

"At first, I thought Luo Qinlin taught you about this because she was no different from a slut; instead, Lin Yan taught you all this." Tang Xiao glanced down at his partially covered dick. "What else did Ling Yan teach you?"

"Don't ask too many questions, okay? I'm embarrassed to explain everything." Ouyang Qing squatted over Tang Xiao's lower body, rubbed his dick against her wet pussy, and used her sexual fluid to lubricate the condom. Once it was wet, she rubbed her glans against her ass, but she was hesitant to insert it because Lin Yan told her that it would be painful the first time she did it. "Feng Xiao."

Tang Xiao smiled as he grabbed Ouyang Qing's breasts; he massaged her soft mounds and teased her erect nipples, arousing her again. Additionally, he channeled his qi into her body, as he naturally knew that their first anal sex would be painful for her. "Are you really sure you want to do this? Why don't you lie down on the bed and let me take control?"

"Uhm." Ouyang Qing inhaled and exhaled a few times, preparing herself for the pain. "Luo Yan told me that I should be on top when I do it for the first time, allowing me to control the depth and pain."

"Alright, you can do it, but you have to do it slowly."

"Yeah." Ouyang Qing's heart pounded as she began to lower her body, pressing Tang Xiao's glans against her ass and slowly parting her virgin ass. "Mhmm..." 'His glans is slowly going in, but I don't feel the slightest pain.'

'Dang! Her ass is really tight!' Tang Xiao kept playing with Ouyang Qing's breasts and nipples to increase her arousal. "Do you feel pain, Qing'er?"

"No." Ouyang Qing shook her head as she kept lowering her body, but she stopped when her ass swallowed Tang Xiao's glans, giving her a slightly full feeling in the back

of her body. "I feel weird, Feng Xiao. Lin Yan told me that the pain was excruciating the first time, but I didn't feel any pain; instead, I felt pleasure and comfortable."

'Tch! If I didn't use my qi, you would have screamed in pain from the start.' Tang Xiao inwardly grumbled, but he enjoyed it so much as his dick moved deeper and deeper into Ouyang Qing's ass. "Did you enjoy it?"

"Uhm." Ouyang Qing pressed her palms against Tang Xiao's chest for support, as her legs began to tremble with pleasure. "Mhmm... Feng Xiao... your dick keeps entering my ass... Ahh... it feels so good."

Tang Xiao roughly squeezed Ouyang Qing's breasts, making her yelp in surprise and pleasure. "Real sex is much more pleasurable than this, you know?"

"Mhmm... I know... Mhmm... I'll have sex with you when I'm fully ready." Even though she didn't feel any pain, Ouyang Qing stopped again when half of Tang Xiao's dick was already buried in her ass. She looked down at the part of his shaft that was still outside her body. "I feel like my body is full, but your dick is still half out."

"Qing'er." Ouyang Qing looked at Tang Xiao, but he suddenly pulled her to him. He kissed her and thrust his cock into her pussy.

"Mhmm..." Ouyang Qing was shocked by Tang Xiao's sudden actions, but her body squirmed wildly inside his embrace. 'Ugh! Why did he do that?'

Tang Xiao swiftly reversed their position, pinned Ouyang Qing beneath him, and pounded her ass.

"Mhmm..." The pleasure from Tang Xiao's dick quickly coursed through Ouyang Qing's body as it rubbed against the inner walls of her ass, filling her mind with intense ecstasy. "Mhmm..." 'Ahh... Oh, gosh! He pounded me too fast! Ahh... this sensation is too overwhelming!'

Ouyang Qing chose to surrender to the pleasure, and she hugged Tang Xiao's neck while wrapping her legs around his waist, enjoying the movement of his hot, thick dick inside her ass. The sound of his sacs slapping against her reddish-white buttocks grew louder, with a rhythmic slap-slap-slap.

"Ahh... Feng Xiao... Ahh... Your dick keeps pounding my ass... Ahh... It feels incredible..." Ouyang Qing moaned louder when Tang Xiao released her mouth, but he lifted her legs up and pressed them together while continuing to pound her ass. "Ahh... so good... Mhmm... so full..."

A while later, Tang Xiao laid Ouyang Qing on her side with her left leg straight up. He held her leg with one hand, and his other hand rubbed her soaked pussy, along with the movement of his dick on her ass.

"Ahh... faster... Ahh... Feng Xiao." Ouyang Qing's eyes kept opening and closing as she moaned louder and louder; she massaged her breasts while occasionally twisting her small, sensitive nipples. "Ahh... No... Ahh... faster... Ahh... I'm cumming soon."

A few moments later, Ouyang Qing's body convulsed violently as her pussy squirted a lot of her sexual fluids, and she bit the pillow to stifle her moan, afraid that others would hear her. 'Mhmm... this orgasm is much stronger than when we were normally intimate.'

While Ouyang Qing was still enjoying her orgasm, Tang Xiao made her lie on her stomach while lifting her lower body up. He pounded her ass in a doggy-style position, causing her big, round breasts to keep swaying beneath her.

As he pounded Ouyang Qing's ass, Tang Xiao leaned forward and fondled her breasts with one hand. He rubbed her pussy, which was still squirting her sexual fluid, with the other hand.

Chapter 179: Ouyang Qing's Virginity**

"Ahh... I'm cumming again." Ouyang Qing collapsed forward, gasping for air as her orgasm came to an end. She looked at Tang Xiao behind her, realizing that he hadn't orgasmed yet.

Tang Xiao smiled at Ouyang Qing, pulled his cock out of her ass, and flipped her to lie on her back. He spread her legs, leaned forward with his hands on her armpits, and teased her by rubbing his cock against her soaked pussy.

"Ahh..." Ouyang Qing moaned again as her pussy was still sensitive from her previous orgasm. Her lust that had just subsided a little flared up again, making her mind blank. "Ahh... Feng Xiao..."

"Qing'er, your moans are sensual and seductive, and I like your expression." Tang Xiao looked at Ouyang Qing with a gentle and loving gaze, slowly corrupting her mind with the pleasure from the rubbing between their genitals.

"Ahh..." Ouyang Qing moaned louder and her heartbeat quickened, with Tang Xiao's cock rubbing her pussy. "Ahh... this pleasure is so good, Feng Xiao... Ahh... rub your cock faster."

Tang Xiao moved to Ouyang Qing's ear, licked it, nibbled it, and whispered to her. "Qing'er, did you enjoy our first anal sex?"

"Ahh... I did... Mhmm... I enjoyed it so much." As she kept squirming and moaning, Ouyang Qing lifted her legs and wrapped them around Tang Xiao's waist. "Ahh... you're driving me crazy, Feng Xiao."

"Do you want to experience the pleasure of real sex, Qing'er?" Tang Xiao whispered into Ouyang Qing's ear again while licking it. "If you want to experience it, I'll insert my cock now."

After experiencing the pleasure of anal sex, Ouyang Qing was tempted to feel the pleasure of real sex. Additionally, her best friends often told her that real sex was genuinely pleasurable, and after watching porn several times, she came to understand that this was indeed the case.

Ouyang Qing wanted to have real sex with Tang Xiao, but his status as Xing Xing's husband became a stumbling block in her heart.

After all, Ouyang Qing was a virgin and came from a prominent family, and Tang Xiao was her mother's chauffeur, so the difference in their status was too big.

Additionally, Xing Xing was a poor woman in Ouyang Qing's eyes, but she was Tang Xiao's official wife. If she surrendered herself to him, she would become his second woman, which her high self-esteem could not accept.

Seeing the doubt mixed with curiosity and lust in Ouyang Qing's expression, Tang Xiao's hand began to stimulate her chest, with his cock continuously rubbing her increasingly wet pussy. He licked her ear and nibbled her earlobe, whispering a few things to convince her.

"Ahh... so good... Mhmm... so comfortable..."

Tang Xiao's teasing and stimulation caused Ouyang Qing's mind to float even more into sexual bliss. She moaned louder, and her body swayed wilder beneath him. "How about it, Qing'er? Do you want to do it with me now?"

"Ahh... are you really not going to dump me after we do it?"

"I will never dump you, Qing'er," Tang Xiao whispered softly and blew into Ouyang Qing's ear. "If you like, we can have a threesome with Xing'er, and you'll definitely enjoy it."

"Ahh... let's do it... Mhmm... insert your cock now." Ouyang Qing immediately put her arms around Tang Xiao's neck, closed her eyes, and kissed him, waiting for his cock to penetrate her virgin pussy. 'Mhmm... I don't know anymore... Mhmm... I want to have sex for real with him.'

Ouyang Qing's body couldn't help but stiffen due to the sudden foreign sensation as Tang Xiao's glans began to separate her labia. She grimaced a little, and she accidentally bit her tongue as the pain swept through her body.

Tang Xiao immediately used his qi to help Ouyang Qing overcome the pain, and he stimulated her chest more intensely, especially her hard, sensitive cherries.

"Mhmm..." Muffled groans continued to be heard from Ouyang Qing's sealed mouth, and her lower body rose and fell slightly as Tang Xiao's glans began to enter her. Soon, his glans sank inside her, her labia and the tender flesh inside tightly wrapped around his thick glans. "Mhmm..." 'Ahh... I can't believe I'm doing this with him, but he's already penetrated me a little. Mhmm... it hurts a bit, but it also feels good.'

Tang Xiao was not in a hurry to insert his cock; instead, he pushed it slowly and pulled it back again, but sexual pleasure flooded Ouyang Qing's body as it intensely rubbed her inner walls.

Tang Xiao felt that Ouyang Qing's pussy was sucking his cock, and every time he was about to pull it out to then go deeper, her pussy would tightly wrap around his cock to not let it out. 'This bitch's pussy is incredibly tight, and it sucks my cock more the more she gets horny.'

"Mhmm..." Ouyang Qing's reaction was even stronger, as she had never had sex before, and Tang Xiao's cock gave her immense pleasure. Her body craved his cock, and she wanted him to penetrate her deeper, as she no longer felt the pain but pleasure. "Mhmm..." 'Ahh... his cock is getting deeper inside me.'

As she enjoyed the movement of Tang Xiao's cock inside her, Ouyang Qing reached her orgasm again, and her sexual fluids caused her inside to become even more slippery, allowing his cock to enter more smoothly.

As time passed, Tang Xiao's cock had already reached Ouyang Qing's final barrier. He parted their lips and lifted her slightly, allowing her to see his cock inside her pussy. "Qing'er, you'll be mine once I push it in."

Ouyang Qing did not respond to Tang Xiao, and her gaze was solely focused on their genitals. She was a virgin now, but she would lose her virginity once he pushed his cock in. She felt excitement and dilemma at the same time, but they were halfway there, and she enjoyed the pleasure until his cock reached that position.

"We're just one step away, but if you decide to back out, I'll pull my cock out."

Ouyang Qing looked up at Tang Xiao and shook her head at him. "I still feel strange about our relationship, but our situation now is no different than me being your woman, even though you haven't taken my virginity yet. You're not the first man in my heart, but you're the first man I've done this with, and I hope you'll keep your promise to never leave me."

"Qing'er, I will never leave you, and I will give you happiness every day." Tang Xiao rubbed Ouyang Qing's cheek. "Do you want to lay down? or do you want to watch me take your virginity?"

Ouyang Qing grabbed Tang Xiao's shoulders to support her body, and she looked at their genitals as her heart pounded wildly. "Lin Yan and Luo Qinlin said that losing your virginity is very painful, and I might not be able to handle the pain. However, this day only comes once in a lifetime, so I want to see you take my virginity."

'Xiao Ai, start my plans for Lin Yan, and I will get rid of her soon.'

[Done! By the way, you have an appointment with Zhao Wei this afternoon, Master.]

'Alright.' Tang Xiao then spoke to Ouyang Qing. "I'll push it in now, okay?"

"Yes." Ouyang Qing nodded, looking at Tang Xiao's cock with fear and anticipation.

"Arg! It freaking hurts!" Ouyang Qing's head tilted upward as she let out a painful scream, and her body trembled between pain and delight, with tears flowing from the corners of her eyes. "Ahh! This pain is much more painful than Lin Yan and Luo Qinlin said before!"

Fortunately, Tang Xiao had already enveloped the room with his void element; otherwise, people would have heard Ouyang Qing's loud scream. He began to channel his qi into her body, slowly eliminating the pain that plagued his body. "Are you still in pain now?"

"Hmm?" Ouyang Qing looked at Tang Xiao again. "This is weird! The pain was so excruciating before, but I feel like my body is getting better now, and the pain is fading quickly."

"Isn't that great?" Tang Xiao fondled Ouyang Qing's breasts. "We are connected to each other now."

"Uhm." Ouyang Qing nodded, looking at their genitals. "I can feel your cock filling my body, and it's pressing against my cervix. I—Ahhh..."

Tang Xiao lifted Ouyang Qing's body slightly, allowing his cock to slide halfway out of her. She was momentarily stunned when she saw the blood on the condom, which was her virgin blood. "You've graduated and become a real woman now, Qing'er."

"Yeah." Ouyang Qing buried her face in Tang Xiao's chest. 'Sigh! Back then, I was eager to have sex with Wen Tian, but he kept rejecting me for years. However, I've lost my virginity now, but I never imagined that I would give it to a chauffeur, let alone a married one.'

Since Ouyang Qing no longer felt pain, Tang Xiao pulled her to sit on his lap, causing his cock to penetrate her deeply again.

"Ahh..." Ouyang Qing looked up immediately. "If you move now, I'll have another orgasm, and I'll be exhausted because you made me have three orgasms already."

"I know, I'm not in a hurry, so you can calm yourself down first." Tang Xiao's reply relieved Ouyang Qing. 'Yi An and this bitch are in my hands now, so I just need to wait for Ouyang Hong to return, and Su Rou will take care of him for me.'

Chapter 180: Meet Zhao Wei

Once she was ready, Ouyang Qing held onto Tang Xiao's shoulders, with her body slowly moving up before going down again. "Ahh... your cock is filling me up and rubbing my inside... Mhmm... having real sex feels amazing."

"Told you, right?" Tang Xiao kneaded Ouyang Qing's breasts while rubbing her erect nipples, stirring her lust once again. "Qing'er, your pussy is wet and tight; it's sucking and clamping down on my cock so hard."

"Ahh... do you like my pussy?"

"I like it."

"Mhmm... I... Ahh... I like your cock." Ouyang Qing let out a pleasurable moan as her body couldn't stop moving up and down; she wanted more and more pleasure. She gradually increased the speed of her movements, relishing the sensation of Tang Xiao's cock thrusting in and out of her pussy. "Mhmm... this pleasure is so good... Ahh... your cock keeps poking my cervix."

'This bitch can be this perverted; she seems to have wanted a cock inside her for a long time.' Tang Xiao grabbed Ouyang Qing's waist with one hand, devoured one of her breasts, and stimulated another with his other hand.

"Ahh... don't... Ahh... don't suck my nipple too hard." Despite this, Ouyang Qing did not stop Tang Xiao; instead, her body moved faster and faster, creating repeated clapping and squelching sounds every time their lower bodies clapped against each other. "Ahh... harder... Mhmm... lick harder."

Ouyang Qing's face was completely lewd, and her gaze was filled with lust. Her small, thick lips kept opening and closing, with her tongue occasionally sticking out, releasing continuous sensual moans.

Ouyang Qing reached her orgasm again, but strangely, she didn't feel the slightest fatigue, and she was getting excited to move her body. She pressed Tang Xiao's head to her breasts, licked his ear, and whispered something he didn't expect. "Ahh... Daddy... Ahh... Your cock makes me orgasm... Ahh... I like how your big cock is pounding my pussy."

Tang Xiao laid Ouyang Qing on the bed and lifted her legs upwards. She looked at him with a lewd and flirtatious gaze, licking her lips to tease him.

"Ahh... Daddy..." Ouyang Qing released a loud moan as soon as Tang Xiao's cock pumped her pussy. "Ahh... Daddy... Ahh... Your cock keeps poking my pussy."

Tang Xiao had been intimate with Ouyang Qing many times, but he had never seen her so wild and lewd before, and her behavior when she was fully aroused surprised him.

Tang Xiao no longer restrained himself and began to fuck Ouyang Qing vigorously. He occasionally pulled his cock out of her pussy before thrusting it back in, which caused her body to tremble and arch with pleasure.

Ouyang Qing's tight pussy relentlessly sucked and clamped his cock. Her inner walls were soaked with her sexual fluids, which continuously lubricated his condom-covered cock and allowed it to move smoothly inside her.

"Ahh... Too deep... Ahh... Your cock is penetrating me so deep."

Tang Xiao placed Ouyang Qing's legs on his shoulders, letting them hang behind him. He lifted her buttocks a little, thrust his cock faster, and rubbed her small clitoris.

"Ahh... Daddy... Ahh..." Ouyang Qing's eyes were closed tightly, but her mouth didn't stop releasing moans, combined with her tongue that kept sticking out. She massaged her breasts and twirled her nipples; her body rose and fell on the bed. "Ahh... Daddy... Ahh... I'm cumming again."

Hearing that, Tang Xiao thrust his cock as deep as possible, reaching Ouyang Qing's cervix. Both of them trembled as their sexual fluids gushed out at the same time, but he wasn't satisfied with that because his cock was wrapped in a condom.

"Mhmm... Daddy..." Ouyang Qing called out softly, looking at Tang Xiao. Despite having just orgasmed, the aftereffect of her orgasm still intoxicated her mind and blurred her eyes with lust. "Mhmm... Daddy... why did you pull your cock out?"

Tang Xiao removed the condom from his cock, showing it to Ouyang Qing. "It's full, so I have to take it off."

"Mhmm..." Ouyang Qing moaned again when Tang Xiao's glans rubbed her wet, sensitive pussy. "Mhmm... Daddy, please insert your cock again; I still want to feel it inside my body."

'This bitch has lost her sanity because of her lust! Even Ying'er and Xing'er have better control than her, even though all three of them were virgins before.' Tang Xiao lowered Ouyang Qing's legs from his shoulders, spread them to the sides, and leaned in front of her. "Do you want me to penetrate your pussy again, Qing'er?"

"Mhnn... please stop teasing me and insert your cock." Ouyang Qing pitifully and lustfully begged Tang Xiao as her body wriggled in delight, but he kept teasing her by rubbing his glans to her pussy. "Mhmm... Daddy, please fuck me."

"Sure."

"Ahh!" Ouyang Qing moaned louder and her body arched slightly as Tang Xiao thrust his cock into her pussy, filling her to the end. She wrapped her legs around him as if she didn't want him to pull his cock out again. "Ahh... Daddy... Ahh... Your big cock is pounding my pussy again."

As he moved his cock, Tang Xiao sealed Ouyang Qing's mouth and gave her a hot, passionate kiss. Unlike before, he was much more eager to fuck her, especially since he was no longer wearing a condom.

In the end, Tang Xiao had sex with Ouyang Qing until she reached several more orgasms, and he ejaculated inside her once, filling her womb with his hot load.

Tang Xiao hurriedly cleaned Ouyang Qing's body, helped her dress, and took her back to her room. After that, he contacted Yi An, but she did not answer his call, so he left her a message saying that he went out to meet Xing Xing.

.
.br/>.

Sometime later, Tang Xiao arrived at a simple old house, and he hurried inside to meet the old man, who was relaxing and reading a newspaper on the porch.

"Grandpa Wei."

Hearing that, Zhao Wei hurriedly threw the newspaper aside and ran over to Tang Xiao. He grabbed his shoulders and seriously observed him before hugging him for a moment. "I'm relieved that you're still alive, Xiao'er. You are Tang Ye and Zhao Jing's hope; they will definitely be sad if you follow them into the afterlife too early."

"Haha." Tang Xiao embraced Zhao Wei's shoulders and led him into the garden. "I'm lucky and grateful to be alive, Grandpa Wei. If someone hadn't saved me that day, I would have been with my parents in the afterlife. How are you? Is everything okay?"

"Hahaha!" Zhao Wei laughed at that. "This old bone is still strong, and I can still run several kilometers with this old body. I don't have any problems with my affairs, but your grandfather is panicking right now, and I think his situation has something to do with you and Yin'er."

Tang Xiao nodded to Zhao Wei. "You're right, Grandpa Wei. We put that old bastard in such a situation, and 55% of his company shares belong to Big Sis Yin now. We won't stop before he comes to us and begs us to save him, just like what he did to our late father in the past."

"Sigh." Zhao Wei released a heavy sigh. "Your grandfather was the stupidest father, and his stupidity caused the death of your parents."

Tang Xiao took a deep breath to calm himself because his blood boiled every time he remembered the death of his parents. "Let's not talk about the past, Grandpa Wei. Some of them are dead now, and Meng Wuya is my latest victim. However, I won't stop here, and I will destroy the Yang and Shen Families soon."

"I've heard the news of Meng Wuya's death, and I already suspected that you were the real mastermind." Tang Xiao turned to Zhao Wei with a smile. "I don't know how you managed to frame Yao Wenhua and Meng Huo into such a relationship or how you made them become his killers, but they're definitely going to die soon."

"I used a little trick to frame them both." Zhao Wei could only shake his head listening to Tang Xiao's answer. "Yao Wenhua was there that night, and she encouraged them to carry out their heinous actions. As for Meng Huo, the fruit never fell far from the tree, and he tried to do something like that to Big Sis Yin seven years ago."

"So, which family are you targeting next?"

"The Yang Family first, and the Shen Family next."

"Have you started your plans against Yang Kang?"

Tang Xiao nodded to Zhao Wei. "Grandpa Wei, all the important information about Yang Kang and his connections is already in my hands, and I will definitely act cautiously. Moreover, they still don't know that I'm alive, so you don't need to worry about me. After I get rid of the Shen Clan, I will stop seeking revenge and focus on other things."

"What about Ouyang Hong?"

"Haha." Tang Xiao softly laughed. "Ouyang Hong has been away for too long, and he is too busy having fun with his mistresses abroad, so he is still unaware of the situation at the Ouyang House."

"You mean?"

"Yi An and Ouyang Qing have already fallen into my hands, and someone is helping me control Ouyang Ming." Tang Xiao smirked slightly. "Ouyang Hong will return tomorrow at midnight, but the situation will not be the same. Unfortunately, I haven't been able to kill him yet, and I will have to wait some time before I can get rid of him."

- To Be Continued -
