

Chapter 1152: Made a Decision

Tang Luo suddenly realized that her situation now was really different from that of her previous life!

In her previous life, she had no friends, so naturally she had no support.

However, now, she had good friends!

Moreover, Mo Bonan was not the same as he was before.

You could say that this passionate Mo Bonan had never existed before!

One more thing...

After being reminded by Xia Xibei, she realized that there were quite a few things in her past life that seemed to have an explanation.

Back then, she had encountered quite a few strange things.

Due to these strange and unexplained things, it became increasingly difficult to communicate with Mo Bonan.

Mo Bonan had also encountered unexplained things.

/

After all kinds of misunderstandings, the two of them drifted apart.

So, there were unknown reasons for how they would become like that in their previous life!

Now, all of those things were going differently.

Her situation now was different from her previous life, so why should she worry about going back to the tragedy of her previous life again?

Of course, even if she did go back to the tragedy of her previous life, she wouldn't have to worry about it, because she had good friends like Xia Xibei backing her up!

Moreover, she had money herself! She couldn't be any worse than before!

Thinking of this, a relieved smile appeared on her face.

"Okay then, I'll give you a chance!" She looked at Mo Bonan. "If you can't do it right, I'll replace you!"

Seeing her bright smile, Mo Bonan's heart rejoiced.

The words that followed made the corners of his mouth twitch, but he calmed down.

“Don’t worry, I won’t let you have that chance!”

Looking at Tang Luo smiling so happily, he was also sincerely happy.

Tang Luo couldn’t help but blush looking at Mo Bonan’s smile.

Such an unfamiliar Mo Bonan was indeed irresistible.

“Would you like some water?” Mo Bonan asked and reached out to touch her forehead again, relieved that she was okay.

“I’m okay,” Tang Luo shook her head. “You can call Beibei in.”

Hearing Xia Xibei’s name, Mo Bonan’s face changed slightly.

However, he still stood up.

“Okay, I’ll call her in.”

Soon, Xia Xibei came in.

“Made up your mind?”

Her eyes went back and forth between them, revealing a fruitful smile.

Tang Luo was a little shy but nodded, “Yes, I’ve made a decision.”

“You really chose him?” Xia Xibei said, pointing at Mo Bonan.

The corners of Mo Bonan’s mouth twitched and his face darkened, but he didn’t say anything.

“Right,” Tang Luo nodded her head.

“Then, I’ll teach you a set of qi gong methods.”

“Is it hard?” Mo Bonan asked.

“No,” Xia Xibei shook her head. “It’s actually quite interesting!”

Her meaningful smile made Tang Luo blush slightly.

“Interesting?” Mo Bonan pondered for a moment. “Let’s start now then!”

“Let’s find out why first!” Tang Luo offered a different opinion.

She was curious to know what was wrong with her.

“You don’t have to worry so much, I’ve already asked someone to find the surveillance from last night.”

Xia Xibei had already started handling it when she was outside just now.

“Good,” Tang Luo nodded. “Make sure to find that person!”

Otherwise, she would stay uneasy. Who knew what else the other party would do?

“Do you need my help?” Mo Bonan hurriedly asked.

“You guys just cultivate and take care of yourselves.”

Looking at Tang Luo lying weak and powerless on the bed, Xia Xibei didn’t delay any longer.

“Come on, I’ll teach you guys.”
