

## Chapter 1201: Caught

Qiao Yanjue was so angry by the sudden appearance of the firecracker that his face darkened.

He got out of the car and rushed towards the fleeing figure.

He was fast, so even though he was some distance away from the other person, he quickly drew closer.

By the time Xia Xibei got out of the car, he already had the guy in his grasp.

“Let go of me!”

Xia Xibei looked over and saw that it was a young man who was a year or two younger than her, and he was struggling with a panicked look on his face.

Qiao Yanjue grabbed the guy’s arm and placed it behind his back. The guy struggled in vain, like a turtle, but was unable to break free.

When Qiao Haoxing was caught, he panicked, and he was even more shocked.

He had run so fast, so why was he still caught?

Just how fast did Qiao Yanjue move?!

Moreover, he also found that Qiao Yanjue was even more terrifying and stronger than before, and he couldn't break free from his grip at all.

"Let go?"

The corner of Qiao Yanjue's mouth turned up and his eyes were cold. His foot lifted up to kick and Qiao Haoxing almost fell to his knees.

"Ahh! It hurts! It hurts! It hurts!"

When both of Qiao Haoxing's hands were being pulled, his eyes were tearing up.

Qiao Yanjue's strength was too much!

Qiao Haoxing had been a martial arts practitioner since childhood, but in front of Qiao Yanjue, he had no strength to fight back!

Qiao Yanjue clearly wasn't this strong before!

Qiao Yanjue grabbed him and didn't let go, asking in a cold voice, "Who told you to make trouble?"

“Who- Who made trouble?!” Qiao Haoxing became even more anxious and defended himself, “I- I was just passing by!”

“Is that so?” Qiao Yanjue grabbed his right hand, which still smelled of sulfur. “Is this what you mean by passing by?”

When Qiao Yanjue’s hand moved, Qiao Haoxing couldn’t help but fall forward.

“Let go of me, or I’ll tell my dad!”

Qiao Haoxing, Qiao Weiming’s son, was only sixteen years old and still in middle school.

His relationship with Qiao Haoming was quite good. After all, they were cousins.

However, he hated Qiao Yanjue. Although Qiao Yanjue was his younger uncle, their relationship was that of sworn enemies.

When Qiao Weiyue went to jail earlier, Qiao Haoxing was stunned!

The eldest uncle was actually caught!

What was even scarier was that the family didn’t help him get out!

This was all because of Qiao Yanjue!

He got even more disgusted with Qiao Yanjue, which was why he threw firecrackers when he came back.

Qiao Haoxing wanted to do something else, but thinking of the consequences, he gave in and didn't dare to make too much of a scene.

He didn't expect that he wouldn't be able to escape at all!

"No need for you to tell them, I will talk to them first!" Qiao Yanjue's expression was cold. "I also want to ask them what on earth did they teach their children!"

"Let go of me!"

Qiao Haoxing continued to struggle until he was dragged in front of Xia Xibei, and he couldn't help but freeze.

"You..."

His eyes were wide, he was seeing things, right?!

Was this Xia Xibei?! Was this his goddess?!

“Sister Bei?!” he shouted in amazement, even though he was caught by Qiao Yanjue.

Xia Xibei was so beautiful!

However, why did Xia Xibei appear at his house? What did she come for?

Qiao Haoxing was dumbfounded.

Qiao Yanjue looked at with a grim expression, and his grip was so harsh that Qiao Haoxing almost fell to his knees.

“Ow, ow, ow! Let go!”

Qiao Haoxing was about to cry! This was too painful!

“What are you staring at?”

Qiao Yanjue’s expression was cold.

“Let go of me- Argh!”

Qiao Haoxing could only scream like crazy.

It hurt too damn much!

Qiao Yanjue was trying to kill him!

The sound here attracted people not too far away, and the two people rushed over.

### **Chapter 1202: What's Not Appropriate**

“What are you doing?”

Qiao Weiming was the first one to run over. He was stunned to see his son pinned to the ground by Qiao Yanjue.

“Why did you make trouble as soon as you came back?”

Qiao Weiming's wife also screamed, “Let go of Haoxing!”

Qiao Haoxing's arm was about to break!

“Little brother, you haven't come back for too long. It's not appropriate to make such a mess as soon as you come back, right?” Qiao Weiming asked with a sullen face.

“Inappropriate?” Qiao Yanjue stopped Qiao Haoxing’s movement with one hand, then looked back at them. “Do you know what he did?”

“He’s just a child, what can he do?!” Qiao Weiming’s wife, Yang Shengyan, asked immediately.

Qiao Yanjue couldn’t help but laugh. It was this kind of thinking that spoiled Qiao Haoxing to the point of lawlessness.

“He almost caused a car accident!” Qiao Yanjue said in a cold voice.

“A car accident?” They all froze. “What kind of car accident?”

“He just threw a firecracker at our car and almost caused an accident!”

“It was a close call,” Yang Shengyan immediately said, “But you’re fine, aren’t you?”

These words shocked Xia Xibei.

They really said these exculpatory words without thinking!!

Qiao Yanjue sneered, “Yes, I am still fine. So, isn’t he also fine now? What do you have to worry about? I didn’t beat him to death.”

“You!”

Yang Shengyan’s face went ashen.

“Okay, stop it!” Qiao Weiming immediately glared at his wife, then looked at Qiao Yanjue, saying pleasantly, “He just has a child’s temper, that’s why he made such a mess. Don’t bother with him! I will teach him well!”

Qiao Haoxing was about to cry out. How come Qiao Yanjue was still unwilling to let go of him?

He felt like his arm was going to break!

When did Qiao Yanjue gain such terrible strength?!

Qiao Weiming’s words made Qiao Yanjue’s face look slightly better, but he still said in a cold voice, “If he is out there making such things happen, do you guys still have to wipe his ass?”

Yang Shengyan muttered under her breath, “It’s not like it’s a big deal.”

“Yeah, it’s not a big deal. When it’s a big deal, don’t come back and cry!”

Qiao Yanjue gave her a cold look, “You spoiled the child, so you’re responsible for the outcome! Don’t come back and drag the Qiao family down!”

These words made Yang Shengyan's face darken. Was he trying to throw them out?

This was his Qiao family, so it wasn't their Qiao family anymore?

"Little brother, that... It doesn't seem right, does it?"

Qiao Weiming's face also looked a little ugly.

"What's not right?" Qiao Yanjue faintly swept him a glance. "I think there is no problem. Tell me what's wrong? Or do you want to spoil the child, then make a big deal, and finally make the family wipe his ass? Will you drag the whole Qiao family down with you?"

These words made the couple's faces even more gloomy.

Did he have to raise the matter to such a high level? This was a little too much, right?!

"Ouch! Ouch! Ouch!"

Qiao Haoxing was going crazy! Why were they still continuing to chat?!

"Let go of him first," Xia Xibei finally spoke up.

As soon as she spoke, Qiao Yanjue decisively let go of Qiao Haoxing.

The couple also finally noticed her presence.

When they saw her clearly, they were stunned.

Wasn't this the famous starlet? Why did she come here?

What was her relationship with Qiao Yanjue?

Yang Shengyan was the first to react and immediately frowned at Qiao Yanjue, "Fourth brother, this can't be your girlfriend, right?"

### **Chapter 1203: A Wise Wife Keeps the Husband Safe**

Yang Shengyan had heard before that Qiao Yanjue was going to bring his girlfriend to meet the family this New Year's.

They would usually gather for meals this holiday. The first time they heard that Qiao Yanjue was going to bring his girlfriend back, everyone was curious.

Yang Shengyan was especially curious.

Yang Shengyan had wanted to introduce a girlfriend to Qiao Yanjue before. If she and Qiao Yanjue got close, they would have a better chance of winning in the Qiao family.

However, Qiao Yanjue rejected all the candidates and did not care for them at all.

Moreover, Qiao Yanjue's way of rejection was particularly ferocious, and those girls were all scared away by his cold face.

Even if those girls were introduced by Yang Shengyan, he did not give them any grace.

So, Yang Shengyan was very annoyed.

Now he had suddenly brought back a girlfriend! Wasn't it a slap in her face?

When she recognized Xia Xibei's identity, she became even more upset.

The girls she had introduced to Qiao Yanjue before were all daughters of decent families, all rich and pampered girls.

Although they were not as good-looking as Xia Xibei, they were not bad.

Besides, when you compared their overall conditions, Xia Xibei simply could not compare with the others!

She was a little starlet! Who knew if she was decent or not?!

In this situation, Qiao Yanjue actually chose Xia Xibei. What did this mean?

Qiao Yanjue grabbed Xia Xibei's waist and said with raised eyebrows, "Yes, she is my girlfriend."

Before Xia Xibei could greet them, she heard Yang Shengyan say, "Fourth brother, you should improve your taste."

These words made both Qiao Yanjue's and Xia Xibei's faces sink.

As if she did not see their dark faces, she continued, "Nowadays, young women like to climb everywhere, always thinking of a shortcut to the top! Although they are good-looking, who knows what they are really like? Do you think so..."

The expression on Qiao Yanjue's face had disappeared.

"Second sister-in-law, didn't you brush your teeth today?"

"Of course I did!" Yang Shengyan subconsciously replied, then reacted to what he meant, and her face stiffened. "What are you talking about?"

"I think you didn't brush your teeth today. Otherwise, why would you say such foul-smelling words?"

Qiao Yanjue also waved his hand and pulled Xia Xibei back another step, as if she really had bad breath.

“Qiao Yanjue!”

Yang Shengyan was exasperated by his reaction.

“Second sister-in-law.”

Qiao Yanjue glanced at her with cold eyes and she froze.

“I respect that you are a few years older than me, but that is no reason for you to speak out of turn!” Qiao Yanjue’s expression was cold. “Beibei is my girlfriend, and I know her better than you. Besides, if we were to really compare, you’re not as good as her.”

“Fourth brother!”

Qiao Weiming also reacted and looked at Qiao Yanjue disapprovingly, “That’s not right, she’s your second sister-in-law!”

“So what?” Qiao Yanjue also looked at him with a warning in his eyes. “She is my second sister-in-law, but not my wife.”

He curled the corner of his mouth, “Second brother, I’m not trying to lecture you, but second sister-in-law really should be taught a lesson. When the wife is wise, the husband is safe. Why do I feel that you will soon be like big brother?”

These words made the couple's faces darken.

They could certainly hear what he meant!

Same as Qiao Weiyue... Didn't that mean that something was going to happen to Qiao Weiming too?!

Moreover, would this be caused by her?

This was simply too much to say!

"Mom! How can you say such things?!" Qiao Haoxing looked at them disapprovingly. "Sister Bei is great!"

Yang Shengyan was so angry that she could have vomited blood!

This stupid kid!

#### **Chapter 1204: How Is She Not a Match**

Yang Shengyan didn't expect that her own son would jump out to refute her. He was making her so angry!

She couldn't help but reach out and slap Qiao Haoxing, "What are you talking about, you child?!"

Qiao Haoxing was not going to stay to be hit, so he dodged while saying, "I'm telling the truth! You have no idea. She is so good at studying, and super powerful-"

Looking at Qiao Haoxing speaking for her, Xia Xibei was also shocked.

He was a little fan boy!

It was just a pity that he exasperated Yang Shengyan when he behaved like this.

Yang Shengyan felt that she had lost face.

This stupid son of hers was defending Xia Xibei!

"Second brother, I think it's time for you to manage your family properly. Otherwise..."

Qiao Yanjue's eyes flicked over to Yang Shengyan and Qiao Haoxing for a moment, showing a sarcastic smile.

Qiao Weiming was so angered by these words that his chest hurt and he yelled, "Stop it!"

When he spoke up, the two stopped.

Qiao Haoxing hurriedly ran to the side to avoid being beaten by his mother.

“Aye, what’s with all the hustle and bustle?” a shrill voice rang out.

They turned to look.

Three people came out from the house.

One of them, who Xia Xibei was quite familiar with, was Qiao Haoming, who had disappeared for some time.

Since Qiao Weiyue had gone to prison, Qiao Haoming had not appeared in front of her.

Xia Xibei was curious, was the drug Qiao Haoming took resolved?

Looking at his gloomy face, however, she already had an answer.

If it was her, even if he suffered a little, it could still be resolved.

However, she did not believe that others had such ability.

This was Qiao Haoming's own mess, so she'd let him swallow the bitter fruit.

Although he couldn't react to girls now, there were men in this world!

In response to Xia Xibei's sarcastic gaze, Qiao Haoming's eyes became even more depressed, with his overly long bangs covering his eyebrows and looking gloomy.

Beside Qiao Haoming was a teenage girl, who looked a bit similar to him. She should be his sister.

In front of the two was a beautiful middle-aged woman.

This should be Wan Yunfei, Qiao Weiyue's wife.

Perhaps due to the impact of Qiao Weiyue's crisis, Wan Yunfei's expression was as gloomy as Qiao Haoming, which made one uncomfortable.

She was good-looking, but the cold vibe that lingered around her made people afraid to approach her.

She walked over with her two children and said pointedly, "Is the new year so wonderful?"

"Sister-in-law," Yang Shengyan shouted, "Fourth brother has brought his girlfriend back."

“Girlfriend?” Wan Yunfei’s gloomy eyes looked at Xia Xibei and sneered, “Fourth brother is also at the age of finding a girlfriend!”

“Yeah,” Qiao Yanjue nodded. “Time flies, sister-in-law. You’re already at the rank of a grandmother. When will you let Haoming bring back a girlfriend too?”

These words made both mother and son’s faces look even harder.

Qiao Haoming, in particular, wanted to kill Qiao Yanjue.

He didn’t believe that Qiao Yanjue didn’t know what had happened to him!

“Haoming is not in a hurry, he already has a fiancée. It’s just that, fourth brother, the girlfriend you found doesn’t seem to be too good! Don’t forget that you are the future heir of our Qiao family!”

Wan Yunfei’s sharp words made Qiao Yanjue smile, “How come? My elder sister-in-law and second sister-in-law, you have joined our Qiao family with such conditions, and Beibei is much better than you, so how come she can’t match with me?”

#### **Chapter 1205: She’s the Real Daughter**

As soon as these words came out, Wan Yunfei and Yang Shengyan’s faces turned completely black.

“Oh? Is that so? She’s so excellent!”

Wan Yunfei chuckled, “Whose daughter is this young lady?”

Wan Yunfei also recognised Xia Xibei. She was that young celebrity, wasn’t she?!

From Qiao Yanjue’s response, it seemed that he cared about her a lot.

She just didn’t know what was so good about her that Qiao Yanjue would treat her seriously as his girlfriend!

Qiao Yanjue never had any girlfriends before, and he had turned down every girl from those prestigious families.

Everyone was guessing that he might have been gay back then.

If he hadn’t been equally indifferent toward guys, they would have thought he really was gay.

It was such a surprise that he had found himself a girlfriend!

Sure enough, what surprised people even more was the fact that he sent Qiao Weiyue to prison!

As she thought of how her husband was suffering in prison, yet Qiao Yanjue was living an easy, happy life, Wan Yunfei felt so awful that her face turned completely dark.

"I forgot to introduce her," Qiao Yanjue pulled Xia Xibei to his side. "She's Xia Xibei, the real daughter of Xia Jun and Aunt Chang."

"That's impossible!" Wan Yunfei shook her head immediately. "Who are you kidding with! Xia Qinghan is their real daughter!"

She didn't know much about those things.

All she knew was that Xia Qinghan went overseas all of a sudden, without telling her the actual reason.

She paid even less attention to matters of the Xia family.

After that, when Qiao Weiyue and her big brother went to prison, she didn't even have time to think about other things.

Qiao Haoming never mentioned it to her either, so she was sort of left in the dark.

When Qiao Yanjue brought it up all of a sudden, she instantly thought that it was untrue!

"Isn't Qinghan the daughter of Xia Jun and Chang Qianzi?" Yang Shengyan also queried.

Xia Qinghan also went to the Qiao's place to visit Wan Yunfei in the past. She was also close with Qiao Haoming's younger sister, Qiao Feifei, so Yang Shengyan used to see her often.

Xia Qinghan must be Xia Jun's real daughter. She was even engaged to Qiao Haoming!

From where did this "real daughter" appear without any warning?

"Xia Qinghan isn't Aunt Chang's real daughter, but she's Xia Jun's daughter indeed, so Xia Qinghan can carry on with her marriage with Haoming." Qiao Yanjue stated those mind-blowing facts without much emotion. "The assets of the Xia family have been handed over to Xia Qingxun now. Besides, Xia Jun and Aunt Chang have divorced."

The information was so unexpected that it left everyone stunned.

Why did such frightening things happen in just a few months?

"You must be kidding, right?"

Qiao Weiming was also unconvinced.

"Of course I'm not," Qiao Yanjue shook his head and went on, "Bei is the Xia family's daughter. In terms of background, isn't she at a higher position compared to my sisters-in-law?"

When Wan Yunfei and Yang Shengyan were married into this family, the Qiaos weren't yet wealthy, so their family backgrounds weren't exactly notable.

In other words, if not for the help provided by the Qiaos, their families would have been inferior to the Xias.

“Besides, Bei makes her own money. Her assets aren’t any less than mine.”

In a calm, casual tone, Qiao Yanjue dropped another bomb.

It left everyone giddy, just as expected.

“What did you just say?”

What did he mean by assets no lesser than his?

Qiao Yanjue was the heir of the Qiao family!

“You mean she’s rich?”

Qiao Yanjue didn’t want to discuss the matter further, “I brought her here today to see my parents anyway. Alright now, we’ll excuse ourselves.”

After that, he led Xia Xibei into the house.

## **Chapter 1206: Good Fantasy**

Looking at the backs of the exiting couple, several people looked at each other, their eyes a bit gloomy.

It didn't matter, they wouldn't be able to laugh when they met his parents!

The old man was not too happy about this matter!

Thinking of this, they also wanted to see the show, so they immediately followed.

In the hall, the old man and Liu Yiqin mumbled, "What kind of girlfriend do you think the youngest will bring back? Will it be those..."

Liu Yiqin rolled her eyes, "You think too much. Do you think, with his character, he will just find any girl?"

The old man nodded, "That is true, but the problem is... Who knows if he will suddenly lose his mind!"

"Pfft!" Liu Yiqin spat at him. "Only you will lose your mind, not my son!"

Liu Yiqin had a lot of confidence in Qiao Yanjue.

This child of hers had always had his own ideas since he was young, and no one else could change his mind.

The most important thing was that he had been picky since he was a child! Especially picky!

With his pickiness, how could he just find a random person?

If that were true, it would be better to accept the people they introduced before.

Liu Yiqin knew her son well, so she believed Qiao Yanjue would bring back a good girl.

Of course, this was Qiao Yanjue's own love life, and she, as a mother, could only cheer from the sidelines.

Liu Yiqin had always been very open-minded. After all, the children's life was their own. They could not interfere.

The old man, however, was not very relaxed.

He was very curious about what kind of girl Qiao Yanjue would bring back.

If he brought back a girl with all kinds of problems, should he also accept her?

He had high hopes for Qiao Yanjue, who had inherited all their good qualities.

That was why he had more hope for him.

If Qiao Yanjue brought back a bad girlfriend, then he would be too disappointed!

Thinking of this, he couldn't help but look at Liu Yiqin, "Aren't you quite close to Ling Xiao? Have her introduce a girlfriend to the youngest!"

Liu Yiqin instantly rolled her eyes and laughed, "That's a good fantasy!"

Ling Xiao was a member of the Qi family, and her status was different from theirs.

Liu Yiqin and Ling Xiao's relationship was indeed good. However, they never talked about these things. After all, everyone knew that they would not have contact in this regard.

The Qi family's girls would only marry into those families.

Their Qiao family was good, but it was a different world from the Qi family.

Besides, she didn't want Qiao Yanjue to marry the Qi family's daughter. How troublesome it would be!

Sometimes, the two sides would not be happy if the gap between the families was too big.

The old man had a helpless and yearning face, and he did think quite beautifully.

Who didn't want to be better?

However, under the gaze of his wife, he could only put these thoughts away.

The two of them were sitting inside when they heard the sound of footsteps coming from outside.

Liu Yiqin immediately stood up.

When she got a good look at the visitor, she froze.

The girl's familiar face stunned her.

Wasn't this... The same little girl who saved her and Ling Xiao last time!

Looking at the girl and Qiao Yanjue's intimate demeanor, Liu Yiqin was dumbfounded.

This... She was the girlfriend Qiao Yanjue brought back?!

The old man just got a good look at Xia Xibei's appearance when he saw his wife walking over quickly and taking Xia Xibei's hand.

The old man was dumbfounded.

When did his wife become so enthusiastic?

What the- Couldn't she be more reserved?!

### **Chapter 1207: Regret Not Seeing Earlier**

Qiao Yanjue came in with Xia Xibei. After seeing his parents, he just wanted to walk over and introduce them, but then he saw his mother walking over with great urgency!

Qiao Yanjue smiled in his heart.

His mother hadn't seen him for too long, so she missed him.

Although he had grown up, he was still very receptive to his mother's concern.

He let go of the hand that was pulling Xia Xibei and wanted to welcome her when he saw his mother rushing to the front with quick steps and then...

She grabbed Xia Xibei's hand!

Liu Yiqin grabbed Xia Xibei's hand and asked eagerly. "You're the girl who saved me last time, right?"

Xia Xibei was stunned.

Of course she recognized Liu Yiqin. After all, the situation was so special.

Only, she didn't expect that Liu Yiqin was Qiao Yanjue's mother, Liu Manhong's older sister!

"Yes, I..."

"Aiya, we can finally meet again!" Liu Yiqin's smile was incomparably bright. "Ever since we parted last time, I've been eager to find you again!"

"Mom, you guys know each other?" Qiao Yanjue couldn't help but interrupt their conversation.

"Yes, she's the girl who saved me last time!" Liu Yiqin immediately nodded her head.

"She's the one who saved you?" Qiao Yanjue was also surprised.

A few months ago, Liu Yiqin said she almost got into a car accident and was saved by a girl.

However, they didn't know the identity of that girl, and it seemed that she was not from the imperial capital.

He just didn't expect that they were talking about Xia Xibei!

"If she saved you, how come you don't know who she was?"

Qiao Yanjue was curious.

"She didn't leave her contact information!"

At that time, Xia Xibei left so fast that she couldn't leave her phone number. After that, they couldn't find her either. After all, the country was so big!

"But she's a star!" Qiao Yanjue held his forehead.

"Star?!" Liu Yiqin was stunned. "You're a star?"

Xia Xibei nodded with a red face, "Yes, I'm a star."

"Have you ever done commercials?"

"I've done a few commercials."

“Oops! Too bad!” Liu Yiqin slapped her thigh, “I usually don’t like watching TV, so I haven’t even seen you!”

Liu Yiqin didn’t like to watch TV and movies. She liked to read and listen to music, and she liked to tend to plants at home.

Occasionally, she would go to the theater to listen to opera.

Even when she did watch the news, she watched social news and not entertainment news at all.

So, she hadn’t seen Xia Xibei on TV.

Since the last incident, she had gone out even less and had not gone to the mall.

So, she hadn’t seen any Xia Xibei ads or posters either!

Only now did she realize that the life-saving person she had been trying to find was so famous!

“It’s too bad!” Liu Yiqin said regretfully, “If I had watched more TV, I would have seen you sooner!”

Ling Xiao was in a similar situation to her, rarely paying attention to entertainment, so naturally she couldn’t recognize Xia Xibei either.

If they had paid more attention to those news, wouldn't they have found Xia Xibei long ago?

Liu Yiqin smiled again, "But it's okay, you've come to my door again!"

Xia Xibei didn't know what to say.

Liu Yiqin slapped her mouth, "I said the wrong thing. It's so good to see you! Come on, sit down! Let's sit down and talk!"

Without waiting for Qiao Yanjue's reaction, she pulled Xia Xibei to the sofa and made her sit down.

This scene confused everyone.

The few people who came behind her to watch the show were even more petrified.

When did the two of them have this kind of connection?

#### **Chapter 1208: Shameless Old Men**

The old man, Qiao Zhengyuan, also came over and looked at Xia Xibei with a shocked face.

"She saved you last time?"

“Yes!” Liu Yiqin nodded her head, overjoyed. “She was the one who saved me and Ling Xiao.”

If it wasn’t for Xia Xibei, they would have been seriously injured that time.

Qiao Zhengyuan’s face was a bit complicated. This was too much of a coincidence, right?

Liu Yiqin didn’t even care about her husband’s expression and looked at Xia Xibei, “Did you go on to become a star after that?”

“Yes.”

“How are you now? You’re doing well, right?”

“Not bad.”

“That’s good. If I had known you were a star, I would have helped you find resources!” Liu Yiqin sighed.

Xia Xibei smiled and shook her head, “I already have a lot of work.”

“It’s okay, whatever you want to do in the future, just tell Auntie. Auntie will help you!” Liu Yiqin said with a pat on her chest.

“Okay. Thank you, Auntie.”

Looking at the two of them talking so happily, Qiao Yanjue and Qiao Zhengyuan looked at each other.

It felt like they had been abandoned!

“Mom,” Qiao Yanjue walked over. “Don’t scare her!”

As soon as Qiao Yanjue appeared, Liu Yiqin reacted.

This was her son’s girlfriend!

She looked at Xia Xibei, looked her up and down, and then seriously asked, “Tell Auntie, how old are you?”

“Eighteen.”

“Only eighteen?!” Liu Yiqin drew in a breath, then her face changed and she glared fiercely at Qiao Yanjue. “Tell me, did you force her to be with you?!”

She had a pained face.

If her own son forced the girl, that was too much!

Qiao Yanjue's face turned serious, "Mom, what are you talking about? What do you mean by forcing her?!"

Liu Yiqin ignored him and looked at Xia Xibei again, "Tell your Auntie, did he force you? Tell me honestly, don't be afraid!"

The corners of Xia Xibei's mouth twitched and she hurriedly shook her head, "No, he didn't force me! We really like each other!"

Qiao Yanjue also hurriedly nodded, "Yes, we truly love each other!"

Liu Yiqin shook her head and sighed. "Don't lie to your Aunt, this kid has never been a good person since he was a child!"

Qiao Yanjue asked anxiously, "How am I not a good person?"

He was so wronged!

"If you were a good person, why would you harm this girl?! She is several years younger than you! Shame on you!"

Several years younger...

Qiao Yanjue couldn't help but look at his own father.

He remembered that his father and mother were more than ten years apart!

His reaction made Liu Yiqin even angrier, who turned around and glared angrily at her husband as she spoke, "You're just the same as your father! Only learning bad things! You're just ruining girls! Did they offend you?"

Qiao Zhengyuan and Qiao Yanjue were left speechless.

Her words were so resentful!

Xia Xibei hurriedly took Liu Yiqin's hand and said soothingly, "Auntie, don't be anxious. Although we are a few years apart, our relationship is real. Brother Jue is very good to me."

Liu Yiqin patted Xia Xibei's hand lovingly, "Oh, you are just so trusting. Don't worry! If you have any problems, tell Auntie, auntie will back you up! These old men are shameless!"

Old man Qiao Zhengyuan and old man Qiao Yanjue continued to stare, confused.

The group of people following up behind them were even more dumbfounded.

Once this Xia Xibei appeared, Liu Yiqin did not even want her husband and son anymore!

What kind of magic did Xia Xibei have?!

It was just a life-saving favor, was it so important? Did she have to be so crazy?

### **Chapter 1209: Meet and Greet**

Liu Yiqin's answer: It was super important!

This was a life-saving gift!

If the grace of saving a life was not important, then what else was important?

Liu Yiqin looked at Xia Xibei and became even more satisfied.

This girl made her feel close to her right away, but she didn't expect that after a few months, she would become her son's girlfriend!

If she had known that Qiao Yanjue liked Xia Xibei, she would have asked Qiao Yanjue to bring Xia Xibei back earlier!

There would be no wasting time!

"C'mon, drink some water!" Liu Yiqin poured water for Xia Xibei. "You are probably thirsty. Come and drink water."

“Auntie, you’re too polite!” Xia Xibei was flattered.

Liu Yiqin was too enthusiastic.

“Not polite!” Liu Yiqin waved her hand, handing the cup of water to Xia Xibei’s hand, smiling. “By the way, let’s have dinner together tonight, alright? I’ve already asked someone to prepare dinner.”

Before this, she had already put in a lot of effort.

Although she did not know it was Xia Xibei, it was her son’s girlfriend, so she was still very attentive.

Now that she knew that Xia Xibei was her son’s girlfriend, she cared even more.

“Old Qiao, tell the kitchen to hurry up!”

“Me?”

Qiao Zhengyuan pointed at his nose, his face full of confusion.

This wife of his was too much!

“Hurry up!”

Liu Yiqin glared at him, then turned back to Xia Xibei and smiled, “By the way, what do you want to eat? Auntie will have someone prepare it for you!”

“Mom, don’t be in too much of a hurry. You’re scaring Beibei!”

Qiao Yanjue couldn’t stand it anymore and stepped forward to interrupt.

“You child!” Liu Yiqin rolled her eyes at him. “Why didn’t you tell me what Beibei liked to eat earlier? If you had said it earlier, I would have prepared it long ago!”

Qiao Yanjue was scolded, helpless to the extreme.

Xia Xibei hurriedly pulled Liu Yiqin’s hand, “Auntie, don’t worry. I’m not picky, anything is fine.”

Her words made Liu Yiqin no longer pay attention to Qiao Yanjue. She patted her hand, “Okay, just tell Auntie what you want to eat!”

The others looked at such an enthusiastic side of Liu Yiqin and looked at each other in disbelief.

Although Liu Yiqin was not their biological mother, she had extraordinary means.

Otherwise, she could not have held onto Qiao Zhengyuan and brought so many benefits to Qiao Yanjue.

The others didn't like Liu Yiqin very much, but they had to admit that she was a woman of ability.

Before this, Liu Yiqin was peaceful with them at best, definitely not so warm.

No matter who she saw, she was always polite and subdued.

It was really rare to see such an overzealous side like this.

They thought they would see a good show, but who would have thought that, while there was a good show, it was not what they had in mind!

Originally they thought the old man would be stern to Xia Xibei, but now, the old man wouldn't dare to do so!

Liu Yiqin was simply treating Xia Xibei as her own daughter!

As for Qiao Yanjue, her own son, in contrast it looked like he was adopted.

They looked at each other, a little reluctantly, but could only suppress the anger in their hearts.

Qiao Haoming looked at this harmonious scene, and his eyes became even more gloomy.

He lowered his head and pushed down the hatred in his eyes.

Xia Xibei also finally snapped out of Liu Yiqin's enthusiasm, "Auntie, I've prepared a gift for you."

"Aiya, there's no need!" Liu Yiqin slapped her thigh. "Why did you get a gift for me? Auntie should give you a gift!"

### **Chapter 1210: Giving a Pill**

Liu Yiqin reached into her pocket and pulled out a small flat box.

She handed the box to Xia Xibei, "Here, this is a gift from auntie!"

Xia Xibei took it, opened it, and froze.

Inside was a very beautiful jade bangle. Based on its color and translucency, it was worth at least seven figures!

This was prepared by Liu Yiqin before she knew her identity!

Sure enough, she was wealthy and generous!

“Auntie...”

“This is a first-meeting gift, please don’t refuse it!”

Xia Xibei smiled and said graciously, “Good, then I’ll accept it.”

“That’s right!”

Liu Yiqin’s smile got even wider, and she was very satisfied with her.

No pretentiousness and no casual politeness! What a good kid she was!

Xia Xibei also took out a bottle, “Auntie, this is from me to you.”

Liu Yiqin took the bottle with a big smile. “Thank you so much! I like it very much!”

The corners of the others’ mouths twitched.

This was just an ordinary bottle, there should be something inside.

She didn’t even look inside and just said she liked it...

Xia Xibei was amused by Liu Yiqin, “Auntie, here is a pill I made myself. It is good for your health.”

“You made it yourself?” This statement shocked Liu Yiqin. “You are that good?!”

“Made it yourself?” Wan Yunfei on the side coldly snorted with a mocking face. “You didn’t just take some flour and make something by yourself and give it away, did you? So this is what people do now?!”

How old was Xia Xibei? She made a pill and gave it to others?! Wasn’t she afraid that it would kill people?

Wan Yunfei’s thoughts were also the thoughts of others.

Xia Xibei was only 18 years old, how powerful could she be?

How dare she give these things away?!

She was relying on the fact that Liu Yiqin liked her. That was why she was fooling around like this, right?

Hearing their sarcasm, Liu Yiqin glanced back at them with a warning in her eyes.

They were silenced in unison.

Liu Yiqin's status in the family was not low. Even if they were not happy with her, they did not dare to go too far.

After Liu Yiqin warned them, she turned around and smiled at the bottle, "Auntie just likes your heart!"

Xia Xibei laughed, "Auntie, you'll know how good this works when you take it!"

The others' ridicule didn't affect her. She didn't even care about their contempt.

Of course, she didn't need to pay attention to them either. She only cared if the recipient liked it.

"Mom, Beibei is very good," Qiao Yanjue also spoke up. "The pills are very effective!"

"Is that so?"

Liu Yiqin was surprised, then opened the bottle.

Just after opening the bottle, a fresh smell came out.

Her face suddenly changed slightly. The smell made her feel refreshed!

She took out the pill inside.

It was a green pill, the size of a peanut, and it looked very beautiful and lovely.

When seeing the pill, Liu Yiqin could not help but swallow. It seemed very appetizing!

The others looked at this pill and couldn't help but snort to themselves.

There was actually only one pill here!

This was too stingy, right?!

However, they did not say it, but only sneered in their hearts.

If Liu Yiqin and Xia Xibei liked to play this kind of mushy scene, they could just watch the show from the sidelines.

Under the watchful eyes of everyone, Liu Yiqin directly stuffed the pill into her mouth.

“Auntie!”

“Grandma!”

“Ah-Qin!”

Everyone was stunned. She really dared to take it!
