

Chapter 1251: There Is A Story Here

When they returned home, it was almost twelve o'clock.

At home, Qiao Yanjue was still waiting for them to come back.

With Xia Xibei's strength, nothing would happen. Even if something did happen, she could still take care of it. Besides, she did favors for both Ling Xiao and Qi Zhi'an, so nothing should happen.

However, Qiao Yanjue still couldn't help but worry.

The Qi family was different from their family; the Qi family had too many people.

When there were too many people, it was easy to get into trouble.

He couldn't sleep until he saw Xia Xibei.

After waiting for a long time, he finally heard them come back.

Qiao Yanjue showed a bright smile, which quickly disappeared.

"What's wrong? Why does your face look so weird?" He immediately rushed up. "What happened?"

Xia Xibei's face didn't look too good. Her expression was serious, her eyes were downcast, and there was no cheerfulness at all.

Qiao Yanjue looked at his mother again, who also looked bewildered, like she was sleepwalking.

What was this?

Liu Yiqin sighed, "Let Beibei explain this to you. I can't figure it out either."

She was still dizzy, as too many things had happened tonight, and she still hadn't come back to her senses yet.

After all, this was Xia Xibei's private business, and she couldn't interfere too much.

"Hmm?" Qiao Yanjue immediately looked at Xia Xibei, wanting to check her for anything wrong. "What's going on?"

Xia Xibei lifted her head to look at him, "Something happened."

"What is it?"

"I... I may not be my mother's daughter."

This statement made Qiao Yanjue freeze. What did she mean, not her mother's daughter?

He was not stupid at all, but he didn't understand Xia Xibei's meaning.

However, he did not rush to continue asking questions. He pulled Xia Xibei to the sofa to sit down, let her calm down a bit, and only then continued to ask for information.

Liu Yiqin, on the other hand, went back to her room in a trance.

After a while, Xia Xibei finally fully recovered and opened her mouth to explain the whole thing.

Qiao Yanjue's expression also changed with her explanation.

By the end, he was dumbfounded.

"So... You're a child of the Qi family?!"

Qiao Yanjue was stunned. What was all this?!

She went to a party and ended up finding out that there was something wrong with her paternity?

Qiao Yanjue knew that Xia Xibei's life was bumpy, but never thought that it could be this bumpy!

"I should be," Xia Xibei nodded. "They said it with conviction, so I don't think they would lie to me about such things."

Besides, the Qi family didn't need to lie to her.

Although her talent and strength were strong, the Qi family was a large family, much stronger than her alone.

"So, do you know who your real parents are yet?"

"Not sure," Xia Xibei shook her head. "They are ready to do the paternity test. After the test, we should know."

"And what do you think?"

"I think... There's a story here."

Xia Xibei rubbed her forehead, a little tired.

Although she had strong willpower, this kind of thing was too complicated, and she was also tired.

"There's a story?" Qiao Yanjue was surprised. "What are you thinking?"

Xia Xibei recounted the story from tonight, “They said Ling Xiao is my mother, but Ling Xiao hasn’t shown up for so many years, even when I’ve had such a miserable time by myself. However, as soon as I arrived at Qi’s house tonight, she sent a message telling Qi Zhiqiang to be nice to me... Hah!”

Even if she was a three-year-old child, she wouldn’t believe such nonsense!

Chapter 1252: Can’t Get it Wrong Again

Xia Xibei was doubtful about Ling Juan’s approach.

With Ling Juan’s character, how could she have swapped her own child with Chang Qianzi’s?

If she had wanted to switch, she would have swapped her child with Ling Xiao’s child instead!

That should be the way it worked!

Xia Xibei stiffened as the thought occurred to her.

“What’s wrong?” Qiao Yanjue got even more worried.

His heart was aching.

The girl he treated with all his love and affection turned out to have such a complicated life.

What kind of mother was that? That was simply too much!

She was a mother, and it was simply too much!

Xia Xibei hesitated for a moment, but still voiced her speculation.

“Does that make sense to you?”

Qiao Yanjue was surprised too, but after pondering about it for a while, he nodded approvingly. “It’s really quite reasonable!”

If Ling Juan had really liked competing with her like Ling Xiao said, how would she admit defeat so quickly after giving birth to the child?

“Besides, didn’t they give birth in the same hospital? There’s a lot of room for manipulation there!”

Qiao Yanjue’s brows were locked in a frown, and his face was serious, “That’s what I think too.”

Xia Xibei rubbed her forehead, “Anyway, I don’t believe that Ling Juan and Qi Zhiqiang are my parents. They are no match for my excellent genetics!”

She wouldn't even want to admit it!

Her words made Qiao Yanjue laugh, "Right! There's no way ordinary people like those two could give birth to a child as outstanding as you are!"

Xia Xibei tossed her hair proudly, "I can't help it, that's just how great I am!"

Qiao Yanjue laughed and patted her head, "Right! That's just how great my girl is!"

The two of them laughed and bantered for a while, till the heaviness of the topic went away.

Qiao Yanjue finally hid his smile, and said in a serious tone, "No matter what, we have to get to the bottom of this."

"Right," Xia Xibei nodded. "I've already missed it once, I can't get it wrong again."

Previously, she didn't think much when Bai Meixue told Xia Xibei that she was the child of Xia Jun and Chang Qianzhi, as Chang Qianzi was good to her, so she didn't get a DNA paternity test done.

Now that she thought about it, there were lots of unanswered questions.

Why would Bai Meixue tell the truth all of sudden?

Besides, how did Xia Qinghan get better after she told the truth?

Bai Meixue had said that it was because of her sins that Xia Qinghan went into a coma, and that she wanted to turn over a new leaf for her to get better.

She could deceive everyone with that pretext, but not Xia Xibei.

Xia Xibei knew in her heart that Xia Qinghan was poisoned with a special curse!

It was a unique poison, unlike all the other common poisons or curses.

So how did Xia Qinghan actually get away with the poison?

She didn't pay close attention before, but now that she thought about it, there were lots of things that could not be explained in there.

"Yes, we must find out this time!" Qiao Yanjue also nodded. "We can't get it wrong again."

At this point, it was certain that Xia Xibei was the Qi family's child.

However, they were yet to carefully investigate who her actual biological parents were.

"Who do you think... Are your parents?" Qiao Yanjue asked.

"I have no idea," Xia Xibei shook her head. "We'll have to find out for sure."

Things were so confusing that she didn't dare jump to conclusions without investigating.

"Let's wait for the results for now."

"What if there's something wrong with the... Results?" Qiao Yanjue asked, out of nowhere.

Xia Xibei froze for a moment, then lowered her gaze, "It's alright, we can get it checked ourselves!"

That wasn't impossible.

With the initiative in their hands, who could guarantee the authenticity of the results?

Chapter 1253: Where's Her Daughter?

No matter how the final results turned out to be, they would have to verify it for themselves.

Time and time again, these changes and insider information had worn them out.

However, now there was one more problem.

“If I’m not mom’s daughter, then... Where did her daughter go?”

Xia Xibei turned solemn at the mention of the matter.

“Umm...”

Qiao Yanjue was kind of helpless too.

She was right! Where was Chang Qianzi’s own daughter then?

That was a big question.

Chang Qianzi had been very good to Xia Xibei. She cared about her and took care of her, trying hard to make up for the mistakes she had made.

However, it turned out that Xia Xibei wasn’t even her daughter.

If Chang Qianzi knew that Xia Xibei wasn’t her daughter, imagine how upset she would be!

“She wouldn’t be with Ling Juan, would she?” Qiao Yanjue said.

“I don’t think so.” Xia Xibei thought about it and shook her head with a resolute look in her eyes, “Although I don’t know Ling Juan, someone like her wouldn’t have been so kind as to raise a child that wasn’t her own.”

Having said that, Xia Xibei got even more concerned.

Where did the child go, then?

“We have to find out,” she said in a solemn manner.

Qiao Yanjue nodded.

In the present situation, they couldn’t tell Chang Qianzi about it directly.

Although Chang Qianzi was sad before, she had found her “real” daughter. That was how she recovered from the sadness in just a few days’ time.

However, if Xia Xibei told her forthrightly that she wasn’t her real daughter, and no one even knew if her daughter was dead or alive...

Chang Qianzi would have a massive meltdown, wouldn’t she?

Therefore, in order to preserve Chang Qianzi's sanity, they should keep it a secret until they found her daughter.

"How should we find out though?" Xia Xibei was somewhat at a loss.

"Let's start from eighteen years ago."

Qiao Yanjue stroked her head and soothed her gently, "You don't have to think about it too much. Let's take our time, we'll find her in the end."

"Okay," Xia Xibei leaned into his arms and sighed.

"I'll have someone look into it."

"Alright, I'll get someone from my side to find out too."

The two of them quickly made a decision.

"Get some rest for now, you must be exhausted today," Qiao Yanjue said as he caressed Xia Xibei's face, his heart aching for her.

She was usually full of energy, but she was visibly weary today.

“Mmm,” Xia Xibei nodded.

In fact, she felt more mentally exhausted than physically tired.

Just after waking up the next morning, Pan Yan called.

“There’s an interview at 11 o’clock at the TV station in the capital, you’re expected to be there.”

“It’s in the capital?”

“Yes, they contacted me out of the blue, and you happened to be around, so I accepted the invitation,” Pan Yan yawned. “Just take care of it, it should be fine.”

“Alright.”

Xia Xibei got up, washed, then tidied herself up before going downstairs.

Everyone was waiting already.

Seeing her come down, Wan Yunfei and the others wanted to make a couple of mocking remarks, but Liu Yiqin stopped them.

“Come over here, Bei. Time for breakfast.”

"Sure," Xia Xibei flashed her a bright smile.

Liu Yiqin's heart ached even more for her.

This young lady must not have slept well last night!

Indeed, who could have stayed indifferent after things like that happened?

The old man looked at his wife, and then at Xia Xibei. He wanted to say something, but kept his mouth shut in the end.

Everyone finished their breakfast in silence. Before leaving, Xia Xibei gave the pill to the old man.

He beamed like a beacon.

After that, Qiao Yanjue sent Xia Xibei to the venue of the interview.

Xia Xibei ran into Zhuang Xiao'ai there, whom she had met previously.

Chapter 1254: Took It Out On Her

Xia Xibei remembered Zhuang Xiao'ai quite well, and she couldn't help but be curious when she saw her there.

“Zhuang Xiao’ai?”

Hearing her name called, Zhuang Xiao’ai immediately looked up.

She was instantly stunned at the sight of Xia Xibei.

“Sister Bei?! How come you’re here?”

Xia Xibei walked over. Seeing the things in her hands, she frowned and asked, “Aren’t you Cheng Yingni’s assistant?”

Zhuang Xiao’ai seemed uneasy at the mention of the matter.

“I...” She hesitated for a while before telling her, “I’m no longer her assistant.”

“Huh?” Xia Xibei was surprised.

It hadn’t even been more than two days, and she was no longer her assistant?

Thinking of Cheng Yingni’s injury, it dawned on Xia Xibei.

“She took it out on you?”

Even back when Zhuang Xiao'ai was with her, Cheng Yingni had looked very displeased.

After that, Cheng Yingni broke her leg and was still lying in the hospital even now, so she must be in a really bad mood.

It was only her nature to vent her anger out on someone when she was upset.

Zhuang Xiao'ai was her assistant, so she naturally became the most convenient person to bear the brunt of that anger.

Xia Xibei's guess put a horrified look on Zhuang Xiao'ai's face, and she shook her head repeatedly, “No!”

“No?” Xia Xibei raised her brows. “Why are you not her assistant anymore, then?”

“Umm...” Zhuang Xiaoi stiffened, and a long moment later, she admitted reluctantly, “Well then, that was the reason indeed, but please don't take it personally. She has disliked me for a long time!”

She kept explaining to Xia Xibei, afraid that she would take it personally.

Looking at how nervous she was, Xia Xibei laughed, “I know, that's because she didn't like me either.”

Zhuang Xiao'ai quickly looked up at her, and blushed when she saw the smile on her face.

"You..."

"What are you doing here now?"

"I... I'm working part-time here to make some money," Zhuang Xiao'ai replied honestly.

"Working part-time?"

"Yeah, I've met the people here before. They have an event here today, don't they? So I came to help out."

Zhuang Xiao'ai explained, looking all vigorous. It made Xia Xibei feel a lot better.

"You're doing a temporary job?"

"Right. I'm here to help out today."

"What about afterwards?"

"Afterwards?" She froze. "I'll go look for another job, of course! Don't worry, I'm very capable!" she said as she patted her own chest.

Looking at how the pint-sized young lady was posing, Xia Xibei couldn't help but laugh.

"You can do anything?"

"Umm..."

Zhuang Xiao'ai's gaze wandered for a moment. "Perhaps not so much physical work... But I'm good at other things! If I can't get a job, I'll open a stall and sell breakfast at the roadside! My cooking is great!"

"How about this? You can find me."

Zhuang Xiao'ai froze, "What did you say?"

What did she mean by that?

"I'm short of staff, so you can come over and help out."

"Really?!" Zhuang Xiao'ai was overjoyed. "Are you being serious?!"

"Of course I am," Xia Xibei nodded. "Do you think I've got nothing better to do besides joke with you?"

“Of course not!” she quickly shook her head, “But... What do you want me to do?”

“We’ll see when the time comes. Anyway, aren’t you looking for a job?”

She nodded, “Yes I am...”

Xia Xibei wouldn’t sell her out, she supposed.

“I’ll leave you a number, just give him a call afterwards. He’s my agent, you can call him Pan.”

“Sure!” Zhuang Xiao’ai’s cheeks were flushed with excitement.

Chapter 1255: Unexpected Luck

After sending Xia Xibei away, Zhuang Xiao’ai stood still for a while.

When the others finally woke her up with envy and jealousy, she almost couldn’t stop herself from jumping!

What an incredible day!

She didn’t even expect to meet Xia Xibei here.

What she had least expected was that Xia Xibei would offer her a job!

The faces around her were full of envy.

“How lucky you are! It was Cheng Yingni before, and now it’s Xia Xibei. You keep working for famous people!”

Zhuang Xiao’ai quickly gave a nervous smile, “The fame is theirs, not mine. I’m nothing but an assistant running errands for them, it’s not very different. I’m not a celebrity anyway!”

Everyone nodded at her words.

Her looks were fine, but she couldn’t sing nor act. There was no way she could be a celebrity!

Even if she took care of the famous celebrities, she still wouldn’t be one of them at the end of the day!

Even if one had the intention to promote her, they couldn’t!

That thought was like a comfort to everyone.

Just a while ago, watching Xia Xibei taking the initiative to talk to Zhuang Xiao’ai had made them very unhappy.

However, now it seemed that she wasn’t very special after all.

It wasn't something they should take personally.

"Well, I still have to work, they're waiting over there!" Zhuang Xiao'ai smiled at everyone, then carried her tools and ran away.

Only then did the small crowd disperse.

Only after everyone left and she was no longer the center of attention, Zhuang Xiao'ai heaved a sigh of relief, feeling even more delighted.

She really didn't expect to work under Xia Xibei after being kicked out by Cheng Yingni!

What unexpected luck she had!

As she thought of Cheng Yingni's tyranny, Zhuang Xiao'ai couldn't help but shiver a little. She really was kind of traumatized!

Xia Xibei was right, in fact. It was partly because of her that Cheng Yingni had kicked her out.

At the New Year's Eve concert, Zhuang Xiao'ai had gotten on Cheng Yingni's nerves because of her interaction with Xia Xibei.

After that, Cheng Yingni fell on stage and got injured, which did nothing but fuel her rage.

As her assistant, Zhuang Xiao'ai naturally became her punching bag.

As far as Cheng Yingni was concerned, it was Zhuang Xiao'ai who told Xia Xibei about the plan, so Xia Xibei managed to avoid the trap and set her up for it instead!

That was extremely ridiculous.

Forget about the fact that Zhuang Xiao'ai didn't even know about what Cheng Yingni had wanted to do, how would she be able to tell Xia Xibei about it?

And she said that Xia Xibei set a trap for her afterward? That was even more absurd!

The TV personnel had searched the entire stage, and there was absolutely nothing wrong with the area where she had fallen.

There wasn't even a drop of water where she fell. It was clear that no one had set any traps for her!

Therefore, it was extremely ridiculous of her to put all the blame on Zhuang Xiao'ai and Xia Xibei!

However, who could justify it?

Who would dare to go against Her Highness, Cheng Yingni?

Every single word she spoke was right, and how dare anyone else say otherwise?

Zhuang Xiao'ai was nothing more than an assistant. She had only been with Cheng Yingni for a couple of months, and hence was totally negligible.

So Cheng Yingni kicked Zhuang Xiao'ai out.

Despite her reluctance and anger, Zhuang Xiao'ai had no choice but to leave.

However, she had no income after getting fired.

Her grandmother's health was deteriorating. If she didn't have money, how was she going to afford her grandmother's treatment?

Therefore, Zhuang Xiao'ai was left with no choice but to work part-time here.

Nevertheless, she didn't expect to meet Xia Xibei here, who offered her a new opportunity!

Zhuang Xiao'ai was overjoyed as she thought of it.

Xia Xibei wouldn't be stingy with her pay, she supposed.

Chapter 1256: 999 Blue Hydrangeas

After giving the contact information to Zhuang Xiao'ai, Xia Xibei went in for the interview.

The interview went well, and was done in two hours.

Just as she was about to leave, there was a sudden noise from outside.

"Wow! That's awesome!"

"There are so many!"

"Filthy rich!"

The stunned remarks that rose outside roused Xia Xibei's curiosity.

What was going on out there?

Very soon, someone came back from the outside with a face full of excitement.

"Someone sent 999 blue hydrangeas downstairs!"

999 blue hydrangeas?

Everyone drew a sharp breath.

No way! Which generous tycoon was that?!

Although this was a TV station and celebrities often came in and out, no one had done anything that dramatic before!

“Whom are they for?”

Everyone was curious.

99 blue hydrangeas were eye-catching enough, let alone 999!

It was like something straight out of a romance film!

“No idea,” the man shook his head, “Perhaps they’re for... Madam Fang?”

Madam Fang was the head of their department. She was good-looking with a tough personality.

She had lots of suitors.

However, this was the first time someone sent so many flowers.

"I've got to go," Xia Xibei smiled at them.

Several people woke up from the gossip, "Let's walk you out."

Xia Xibei shook her head. "No need for that, I'll manage on my own."

The interview today had a rather odd timing, so she came by herself.

Pan Yan wasn't with her, and neither was her assistant.

It didn't matter anyway. She was used to being independent, and having people around made her more uneasy, in fact.

Moreover, going out by herself would often draw much less attention than if she had a bunch of people around her.

She put on her hat and wrapped a scarf around her face, "I gotta go."

"Huh? Oh, okay."

The others were surprised to see her looking all comfortable in that outfit.

She was such a free spirit!

A while ago, everyone was stunned when they saw Xia Xibei coming over for an interview by herself!

She was a big shot!

It was unheard of for a celebrity of her popularity to come over all by themselves!

When other celebrities came over, they were all surrounded in a tight circle, as though they were presidents.

However, she came all by herself! That was some independence they hadn't seen before!

Even if she came by herself though, no one dared to belittle her.

She was the most popular of the young, female celebrities these days, so who would dare belittle her?

Celebrities like her were rare indeed.

People had started thinking about what they were going to comment online after this.

It was the first time they met a celebrity with such a unique character like hers.

After waving to them, Xia Xibei headed outside by herself.

However, she almost jumped just as she reached the hall downstairs.

The hall was humongous, covering a total area of several hundred square meters, and there were lots of blue hydrangeas placed at the center of the hall.

A large area full of them looked particularly impactful and attention-commanding.

The blue hydrangeas were surrounded by numerous bystanders, all of them looking extremely excited.

After all, this was the very first time they had seen so many blue hydrangeas!

It was a lot of money!

The delivery person had told them that there would be 999 flowers, so they hadn't finished moving them for now.

They felt their breath being taken away as more and more blue hydrangeas were sent in.

After finally setting down all the flowers, a dashing man walked in.

Their excitement only grew after recognising who the man was.

He was such a heartthrob!

He should be the one who had sent all these blue hydrangeas.

He was tall, wealthy, and handsome! The knight in shining armor!

“Excuse me, where is Xia Xibei?”

With all eyes pinned on him, the man finally spoke.

Everyone fell silent.

The flowers were for Xia Xibei?

Chapter 1257: Courting In Public

Just as she was about to leave, Xia Xibei stopped dead in her tracks.

The others got excited too.

The man was here for Xia Xibei?

This was such a generous gift!

They had heard of handsome ballers lavishing expensive gifts to win the hearts of female stars, but everyone thought that it only happened in TV shows.

No one had expected to witness it in real life!

Everyone swooned at the sight of the numerous blue hydrangeas all over the floor.

If they were the ones to receive so many blue hydrangeas, they would pass out from the excitement, wouldn't they?

The calm look of the man showed that this was nothing more than a trivial matter to him.

Many girls were so excited that they were blushing terribly.

However, it was only natural for Xia Xibei to receive so many flowers. She was a superstar and a beauty!

Previously, her fans also showered her with gifts to show their support.

They were just wondering how Xia Xibei would feel, as the man seemed to have an intention to court her instead of showing mere support.

Some of them couldn't wait to take Xia Xibei here immediately, so she could feel how passionate the man was.

Xia Xibei, who had herself wrapped in clothes, revealing only her eyes, was stunned for a second, before fishing out a pair of glasses and putting them on.

She then pulled her cap lower down, concealing her face even more.

Then, she carefully moved behind the pillar next to her, and bent her straight back, looking like a whole different person.

At that moment, she was glad that she didn't bring Pan Yan and her assistant along. Otherwise, the squad would draw attention easily.

She could finally spare some attention to look at the man after she was done with her disguise.

The man was quite good-looking. He was dressed in expensive, branded clothes, looking all sophisticated.

She didn't know him, though.

Besides, she hated things like this.

As far as she was concerned, courting in public like that, especially when the two parties weren't close, was a form of humiliation!

If you liked someone for real, you could send gifts in private and court them without others knowing.

Showing off like this served no purpose besides creating rumors for people to gossip about.

She wasn't impressed in the least.

On the contrary, she despised it.

Xia Xibei's expression only turned colder as she saw how confident the man was.

Not knowing that the main character was sneaking away behind them, someone in the crowd said, "Isn't Xia Xibei being interviewed upstairs? Let's get her to come down!"

"Yes! How romantic!" The little girls had their hands over their hearts, looking mesmerized. How they wished they were the female lead of this romance!

Romantic?

Xia Xibei gave a silent cold snort.

It might seem romantic at first glance, but on second thought, it was nothing but creepy.

If it was coerced this time, what about the next time?

No matter what, she certainly did not find it romantic at all.

“But the guys up there said that she has left.”

“Left?!” Everyone was stunned. “No way! Where did she go from?”

Everyone was standing guard right here, and no one saw Xia Xibei. Where on earth did she go?

They couldn’t help but exchange glances.

The man heard them too, and his face quickly fell.

“She left?”

Just as he spoke, the girls’ eyes lit up.

His voice was melodious!

So not only was he good-looking, he was rich and he had a good voice too!

What a perfect man!

It was such a pity that he already had a crush.

“Yes, she left just a while ago.”

The man’s smile had disappeared by then, and his lips moved.

No one heard him, but Xia Xibei did, and she heard him very clearly.

The man muttered, “I told them to stop her!”

Chapter 1258: Something Went Wrong

These words made Xia Xibei’s heart skip a beat.

Who the hell was this man and, moreover, why did he have the staff delay her and not let her go?

While she was puzzled, her phone suddenly vibrated.

She was interviewing just now, so she had set her phone to vibrate.

Therefore, the commotion here did not attract the attention of others.

A staffer's voice came from the other end of the phone, "Miss Xia, where are you now? We have some problems here, can you please come back for a while?"

If it was before, Xia Xibei would have thought something had happened.

She whispered, "Sorry, I'm in the car now, and I'm going to the airport soon. Is there a problem? Is it troublesome?"

"Uh...." The staffer on the other end was helpless. "It's just..."

"I have something going on right now. If there are any questions or answers that are not clear, you can contact my agent to find a new time and we will talk."

"Okay..."

After hanging up the phone, Xia Xibei's eyes were slightly cold as she looked at the man, curious as to who he really was.

It was only now that Xia Xibei had time to sort out the whole thing.

Early this morning, she received a call from Pan Yan and received this job.

Since the job was unplanned, neither Pan Yan nor her assistant were with her.

Now that she thought about it, the situation was not quite right.

Before this, she had already discussed with Pan Yan that she would be off for a couple of days.

Why was there suddenly more work today?

Also, looking at the staffer's reaction just now, it showed that they were prepared.

They wanted her to stay here and accept this man's confession of love.

It was just a pity that there was a mistake somehow and it didn't work out, which was why they let her leave so early.

Xia Xibei looked around again and everyone's hands were holding their phones, but there was no movement.

After all, this was a television station, you could not just shoot. Even if you did, you couldn't put it online.

However, Xia Xibei looked more carefully, and in the corner, there were two waiting reporters.

There were usually reporters in the TV station. After all, they also had to broadcast the news.

However, these two reporters were obviously not employees of the TV station.

Xia Xibei sneered.

What was there not to understand now?

This operation was targeted at her.

She was just curious, who was this man, who was able to do this kind of thing in the TV station?

Usually, ordinary people were not allowed to enter this place freely, but this man was able to bring so many flowers into the place!

If there was nothing fishy here, she would be too stupid.

The man took out his phone and sent something out with a stern face. Soon, there was a reply.

Looking at the phone's reply, his face became even more upset.

However, by the time he looked up, his expression was back to normal.

“Since she’s not here, these flowers are for you all!”

The man’s words made everyone draw in a breath.

“You’re giving them to us?”

“Right,” the man said while smiling like a gentleman. “These are for you guys, beautiful flowers for beautiful girls.”

This statement made many girls blush.

Of course, there were also many girls who took a few steps backwards, with a wary face.

This kind of man was not simple.

Then the man walked away, leaving a floor full of blue hydrangeas.

Look at his sprightly departure, he didn’t seem to care about these blue hydrangeas at all.

Everyone was talking while picking flowers.

He said it was for them, so they might as well take the flowers. The flowers could be used for a foot bath, and they could also help out the cleaning ladies!

Xia Xibei watched the man as he left and followed him.

Chapter 1259: Introducing You To Friends

Xia Xibei followed the man and soon tracked him to a vehicle outside.

The vehicle was a very tawdry purple sports car, with a low chassis and open-top.

On a cold day like today, this convertible car may look flirty, but would freeze anyone sitting inside.

The man sat in the car but did not rush to leave. He took out his cell phone, dialed a number, and then complained to the person on the other end.

“It’s bull! I didn’t see her at all!”

The person on the other end replied with something as the man grunted, “I haven’t even seen her, what do you think I can do?”

“Okay, okay, you help me make an appointment with her. I’m going over there now.”

"If you're my brother, hurry up and help! Didn't you say before that it's no problem?"

There was likely a promise made over the phone as the man nodded with satisfaction, "Okay, I'm going over there now! Wait for me!"

Just as the man drove away, Xia Xibei's phone vibrated again.

She took out her phone and saw that it was an unfamiliar caller.

She was silent for a moment, but picked it up.

"Beibei?" A warm male voice came from the other end. "Are you free today? Come hang out with us!"

Xia Xibei's eyes slightly narrowed, her expression cold and solemn, "Who are you?"

The voice on the other end stiffened with a little irritation, "You do not know who I am?"

Xia Xibei hung up the phone.

Of course, it was not that she didn't recognize the voice on the other end.

It was Qi Xiangyuan.

It was the man who was currently suspected to be her older brother.

However, why was Qi Xiangyuan acting so familiar with her ? Did he really think that they were in a very good relationship?

Besides, just a dozen hours ago, they had fought!

Xia Xibei just didn't understand it. How could someone be so cheeky, treating everything as if it never happened?

Soon, the phone vibrated again. It was still Qi Xiangyuan.

Xia Xibei smiled, waited for a while, and then picked up.

The other end had learned a lesson. The man sounded more subdued.

"I am Qi Xiangyuan, your older brother!"

Xia Xibei curled the corner of her mouth, "Qi Xiangyuan?"

"Yes! We... Dealt with each other last night!"

Xia Xibei almost did not laugh out loud. They didn't have dealings, they had a fight!

However, she did not say it, but asked, "What do you need?"

"Are you free today? Come out and see me!"

"See you?"

"Yes! I'll introduce you to some friends!"

Once these words came out, Xia Xibei immediately understood.

The person the man was talking to just now was Qi Xiangyuan.

"No need," she shook her head. "I don't need it."

"How can you not need it?!" Qi Xiangyuan's voice on the other end suddenly rose in volume. "You are a Qi family member, you have to know people, right?!"

"Sorry, the situation is not certain yet. I'm not a Qi family member yet."

“How are you not sure?” Qi Xiangyuan insisted, “You are clearly part of our Qi family! Don’t worry! As long as you come back, we will all be very nice to you!”

With such enthusiasm, Xia Xibei couldn’t help but smile, “Is that so?”

“Of course!” He heavily affirmed, “See, I’m introducing you to other friends now, right? Come on, I have a lot of friends to introduce to you here!”

“Where?”

“At Yanyun Pavillion!”

“Which location?”

“Taishan Suite.”

Qi Xiangyuan thought she was coming over and was happy.

“I’ll send someone over to pick you up!”

“No need. I won’t go over before the results are out. Thank you for your kindness.”

Without waiting for the other side to become upset, Xia Xibei hung up the phone.

Qi Xiangyuan looked at the hung-up phone and was stunned.

She actually refused? Then what did she ask the address for?!

Chapter 1260: Helping Hands

Qi Xiangyuan's face was grim as he hung up the phone.

"What's wrong? When is she coming?" a young man next to him asked.

"Forget it!" Qi Xiangyuan was furious. "She said she's not coming!"

"Not coming?" The man was shocked. "Did you tell her about the situation here? How can she not come?!"

"Of course I did!" Qi Xiangyuan's face became even more ugly. "I told her I'll introduce her to a few friends, and help her understand the Qi family situation."

"Then how come she refused?" The man was even more incredulous, "Could it be that she doesn't care?"

"Who knows?"

“She obviously asked for my address! Then she turned around and said she wasn’t coming!”

“Ah-Yuan, I guess your sister is a bit temperamental!” the man joked.

“More than a little temper,” Qi Xiangyuan coldly snorted. “Yesterday I was almost killed by her!”

“Wow! So fierce!” the man marveled.

After blurting it out, Qi Xiangyuan realized that he had said too much. He hurried to change the subject. “Oh, don’t talk about these things. Let’s move on.”

However, the man was not willing to change the subject. “No! Just talk about her! I did not expect that you would have a sister like this, and she’s so pretty!”

Speaking of which, Qi Xiangyuan was also a bit proud.

Although Xia Xibei was not his full-sister, she was very beautiful and it was flattering to take her out.

Moreover, Xia Xibei had not yet returned to the Qi family, and her status was still ordinary. She was not so proud in front of him like Qi Xin, so his mood was still quite good.

He and Qi Xin had a good relationship, but it was a bit competitive because of the relationship between their parents.

Now, having such a beautiful sister was a pretty strong boost for him.

“I didn’t expect that my dad would be hiding a daughter!” Qi Xiangyuan sighed, “When my mom found out last night, she almost tore the house down!”

“Wow! She’s quite a fierce mom, huh?”

Qi Xiangyuan rolled his eyes but did not scold him, although he was still feeling shaky.

“My mother had said before that my dad can play around, but he couldn’t bring back any children. When a daughter suddenly appeared, my mother almost died of anger!”

The man looked sympathetic, but was also nonchalant, “Oh, women! They are so petty! Even if there are a few more children, it won’t affect your status, so what’s there to worry about?”

“I feel the same way.” Qi Xiangyuan shrugged, “Anyway, I am a guy, she is a girl. No matter what, it will not affect my status. On the contrary, she could help me!”

This was Qi Xiangyuan’s consideration.

Although this sister of his, Xia Xibei, appeared very suddenly, when he thought about it, it was not a bad thing.

Anyway, Xia Xibei was a girl. When the time came, she could help with her marriage and be quite useful.

Then, he could also gain more help.

However, now it seemed that this girl was not very obedient!

“Yinglei will come over later. Weren’t you going to introduce your sister to him? Now that she isn’t coming, what are you gonna do?”

Qi Xiangyuan shrugged, “It’s not a big deal to be stood up. Besides, she is a beautiful girl, so naturally she is arrogant. You have to spend more time and effort to get someone like her.”

“I heard that he gave her 999 blue hydrangeas today,” the man said while stifling a laugh.

“Anyway, it’s not a big deal for him.” Qi Xiangyuan looked unconcerned, “When he comes over, I’ll just explain it to him.”
