

Chapter 1401: What Are You Trying to Do

The President was a chubby middle-aged man. He stared at Lu Ning's pretty little face and then looked down at her graceful figure. He almost pounced on her. Then, the President whispered a few words to Yin Zhihan.

Then, Yin Zhihan also looked at her. His cold, sleepy eyes seemed to fall on her fair and tender thighs.

Lu Ning felt as if she was sitting on pins and needles. The lecherous gaze of the President made her want to vomit. She had met many people like this before, and their hearts were burning with lust.

She also hated Yin Zhihan's gaze. Although he didn't show it clearly, he and the fat President were birds of a feather. He only knew how to play with women.

..

After the meeting ended, Lu Ning returned to her room.

In the corridor, a colleague called out to her, "Lu Ning."

"Little Hui, what's the matter?" Lu Ning looked back.

Little Hui sneakily ran to Lu Ning's side and whispered, "Lu Ning, I'm standing next to President Jin today. Do you know what President Jin said to President?"

Lu Ning frowned. "What they said has nothing to do with me. I'm not interested."

"Lu Ning, what has nothing to do with you? President Jin and the President are talking about you."

Lu Ning did not speak.

"When you went in today, President Jin's eyes lit up. He said that the President was really ungrateful. He had such a beautiful woman under him but kept it a secret. Then, President Jin even asked the President to guess if you were a virgin."

Lu Ning's small hands by her side clenched into fists. She remembered Yin Zhihan's gaze. He was probably trying to see if her legs could close.

It was said that innocent girls could close their legs, but they could not do so when they had a man. Rich men liked to observe this when they looked at women.

Lu Ning recognized this point. Back then, when Yin Zhihan touched her, she felt a foreign object between her legs. It was very uncomfortable, and it was strange when she walked.

"What did the President say?" Lu Ning asked.

“The President asked President Jin to say first. President Jin said that your legs couldn’t be closed, so it shouldn’t be a virgin. Later, the President just smiled and didn’t say anything. President Jin said that the President acquiesced.”

Lu Ning sneered in her heart. These stupid men were really smart, but they were mistaken. Today was her cycle. With a sanitary pad, her walking would definitely be different.

“Lu Ning, let me tell you something. You have to be careful. President Jin has already asked the President for you. He said that as long as you are willing to accompany him for one night, the business will be done...”

“What?” Lu Ning’s expression changed drastically. “Who do they think they are? We are paid to do proper work. Why should they want me to sell my body?”

“Shh!” Xiao Hui pulled Lu Ning, “Lu Ning, you’ve only been here for a short time. In the past, President Jin also took a fancy TO a beauty from President. Later, this beauty fell into President Jin’s bed. This kind of thing has happened before. President Jin has many tricks up his sleeve. Be careful that you don’t fall into his bed the moment you wake up.”

Lu Ning sucked in a breath of cold air. She knew about the unspoken rules and dirty tricks in the workplace, but she didn’t expect that it would be the same in TO.

She suddenly thought of a crucial question. Why did Yin Zhihan ask her to come on a business trip?

She had indeed participated in this project, but she wasn’t the main character. She was a dispensable type. Why did Yin Zhihan pick her personally?

Could it be that Yin Zhihan had already made plans to send her to that President Jin’s bed?

She would rather die than submit to him. However, she had experienced Yin Zhihan’s methods before. He had done that incident with Xiao Chun without anyone knowing. She was really afraid that she would be on President Jin’s bed the moment she opened her eyes.

Lu Ning felt that she was surrounded by danger. She was afraid.

..

When she returned to her room, Lu Ning couldn’t sit still. At this moment, a series of melodious ringtones rang. It was a call from her.

She took out her phone and looked at it. It was an unknown number.

“Hello, who is this?”

“Hello, it’s me.” A familiar, low voice entered her ears. It was Yin Zhihan.

How did he have her number?

Lu Ning felt that she was stupid. She had filled in the entry file. As a big President, it was not strange for him to know her number.

“What’s the matter?” Lu Ning asked stiffly.

“Oh, the documents for the meeting are in your hands, right? Send them to my room now, Room 602.”

Yin Zhihan hung up the phone.

Lu Ning listened to the busy tone and her face turned pale. She quickly thought, why did he ask her to go to his room? Could it be that room 602 was that President Jin’s room?

Did he lie to her?

Guessing was useless here. Lu Ning decided to go, but she had to bring a weapon. Lu Ning took out a sharp knife and hid it on her body.

..

In Room 602, Lu Ning knocked on the door.

There was no sound inside.

Lu Ning knocked again, but there was still no sound.

Lu Ning put on the doorknob, but the door was not locked. It opened automatically, and Lu Ning walked in with her slender legs.

There was a gentle light in the room, which was not dazzling. Lu Ning looked around, but there was no one. This kind of silence was quite strange and dangerous to Lu Ning. She was afraid that someone would rush out from behind and hug her.

“President, President...”

She called out twice, and then she heard footsteps behind her. Someone was approaching her.

“Don’t come over!” Lu Ning quickly turned around and stabbed the person with a sharp knife.

However, she did not manage to stab him because her slender wrist was held by a large palm. Yin Zhihan’s handsome face appeared in her line of sight. His gaze was very heavy. He was probably angry.

“Where did you get the knife?”

Lu Ning bravely met his narrow eyes. “It’s for self-defense!”

“Self-defense?” The corners of Yin Zhihan’s lips curled up as he sneered.

Lu Ning really hated this look of his. He was so high and mighty as if he had her in his palm. “Yin Zhihan, stop pretending. I already know.”

Yin Zhihan’s gaze was as sharp as an eagle hovering in the night sky. “Say, what do you know?”

“President Jin wants me to accompany him. Are you planning to send me to his bed? It’s not your first time doing something like this anyway. Sending your female employee to your business partner’s bed should be a piece of cake for you. I really didn’t expect you to be such an unscrupulous person.”

Yin Zhihan listened quietly for a moment, then his lips curled up into a smile.

“What are you laughing at? Yin Zhihan, don’t think that I don’t know about what happened to Little Chun. You seduced Little Chun with your beauty trap and made her betray me. How can you do this?”

“In your heart, am I such a person?” Yin Zhihan said.

“Hmph, what else can I do?”

Yin Zhihan pursed his thin lips, then spread his long legs and closed in on her.

Lu Ning retreated cautiously. “Yin Zhihan, what... What do you want to do... Ah!”

She retreated to the side of the bed, then sat down on the soft bed.

Just as she was about to get up, her vision turned dark, and the man had already pressed down on her. His two big palms were propped up by her side, looking at her from mid-air.

“You... you...” Lu Ning looked at his clear and cold narrow eyes, so scared that she could not even speak.

The knife in her hand had long been snatched away by him and thrown onto the carpet. Lu Ning was thinking that if he used force, she would definitely not be able to escape.

“Lu Ning, I’ll give you a choice. Climb onto President Jin’s bed, or climb onto my bed?”

Chapter 1402: We Can Start As Friends

Lu Ning was shocked. What was he talking about?

“Shameless!” She reached out her small hand to give him a slap.

But she missed. He quickly grabbed her wrist and pressed her down on the bed. His other hand came to her leg and touched her smooth skin.

His big palm moved around her thigh. There were no calluses on his palm, but there was a layer of gravel. It was painful and itchy when it scraped her smooth white skin. She was still wearing a black dress. His hand caressed the hem of her dress, he was not in a hurry to lift up her dress, as if he wanted to carefully savor and play with it.

A man’s philandering could be seen from this small detail. He had really seen countless women, and women in his palm were like high-class porcelain and jade toys.

Lu Ning’s skin was burning. “What are you doing? Let go of me!”

Yin Zhihan easily suppressed her resistance. “Then hurry up and make a choice.”

What choice? To accompany him or President Jin Tonight?

“Yin Zhihan, you’re so shameless. I won’t choose any of you. You’re the same as President Jin, both of you are people I hate! If you dare to bully me, my dad, my big brother, and my second brother will not let you off!” Lu Ning was exasperated, biting her white teeth, she glared at the man on top of her.

Yin Zhihan knew that she was furious, but he was also afraid. She was the daughter of the Lu family. She could totally rely on her family and face to make a living, but she chose to rely on her own talent.

Other than him, no one around her knew that she was the daughter of the Lu family. She had never told anyone, nor had she asked for any help from her family. This was her personality. She was like a plum blossom in winter, proud and fragrant.

But now, she had actually brought out her father, brother, and second brother.

“Who are you trying to scare, Lu Ning? Believe it or not, even if I slept with you now, I still have the ability to make your father, brother, and second brother marry you to me. When that time comes, you will obediently be my Mrs. Yin.” As he spoke, Yin Zhihan patted her little face in a nasty manner.

Lu Ning felt that this person had gone too far. Her entire little face had turned red, and she was both embarrassed and angry. “Who wants to be your Mrs. Yin? Dream on!”

Yin Zhihan’s gaze darkened. “Lu Ning, you’ve gone too far!”

He knew that she hated him, so when he saw her asking him if she wanted to send her to President Jin’s bed without thinking, he wanted to tease her.

He thought that no matter how much she hated him, between President Jin and him, she should choose him.

He did not expect this girl to be so stubborn.

“Yin Zhihan, who went too far? Let go of me, don’t touch me!” Lu Ning struggled violently.

The soft body under her kept twisting like a water snake. Even a saint could make her react. Moreover, Yin Zhihan was not a saint. He was just a mature man. A tent was immediately erected under him.

“Are you going to move again?” He poked her threateningly.

Lu Ning gasped and looked at him in shock. He... he actually... reacted?

“Don’t touch me, don’t touch me with Your dirty thing! “Lu Ning lost control and hit him.

Yin Zhihan let her hit him. Her little strength was only enough to tickle him. “What dirty thing?” He asked with interest.

“It’s that ugly thing of yours!”

“How do you know that this thing is ugly? Have you seen it before? Lu Ning, you’ve seen unhealthy movies!”

Lu Ning’s brain was about to explode. She had seen those movies before, and Ling ‘er had shown them to her. This was a secret between girls, and now he had exposed it.

“I haven’t, don’t talk nonsense!”

“Lu Ning,” Yin Zhihan bent down and whispered into her ear, “Has anyone told you that the uglier this thing is, the more satisfied a woman will be?”

What was he saying?

He was shameless to the point of no limits!

“Yin Zhihan!” She screamed.

Yin Zhihan knew that if he continued to tease her, she would go crazy. “Lu Ning, actually, I have always wanted to ask you a question. Why do you hate me?”

As he said this, he raised his eyebrows slightly, “I thought about it. I don’t think I’ve offended you before. That time, you barged into my room and saw how I looked after I took a shower. It was also you who was drugged and then threw yourself into my arms. You pulled my clothes and took off your own clothes. That passionate look of yours could melt a person. I didn’t touch you. You should be grateful to my gentleman...”

“Ah, don’t say it!” Lu Ning quickly reached out to cover Yin Zhihan’s mouth.

She didn’t want to hear, she didn’t want to hear anything.

Yin Zhihan looked at her watery almond-shaped eyes and gently kissed her palm.

Lu Ning quickly withdrew her hand as if she had been electrocuted. She looked at him in a daze, not knowing what his kiss meant?

In her opinion, kissing the palm of a hand was a more intimate action than kissing. It was a man expressing his love for a woman. For a man like him to date a girlfriend, he should have gone straight to bed. His purpose was clear. Would he also kiss the palm of another girl?

Lu Ning felt her heart beat faster. She did not know what was wrong with her. Perhaps the atmosphere was too ambiguous. He was pressing down on her, or perhaps he was looking into her eyes gently at this moment, giving her an illusion of deep love.

She admitted that he was really a very charming man. He was intelligent, murderous, handsome, and suave. Any woman would be moved by him.

Lu Ning secretly hated herself. Her heartbeat was out of control. It was just like the book that he suddenly came to her dormitory and gave her many years ago..

She had never forgotten it.

The atmosphere became quiet just like that. Yin Zhihan said in a low and hoarse voice, “In the past, I did have a female employee who climbed into President Jin’s bed, but believe me, that had nothing to do with me. There was only one you in this world, but many girls couldn’t resist the temptation. They would choose a shortcut. Later, I fired that female employee, but the rumors spread, and just like that, it reached your ears

“Also, I was the one who planned the infringement. I admit that the way that Little Chun looked at me was wrong. I knew that she was a restless and lonely person, so I asked her out. Don’t get me wrong, we didn’t do anything. I gave her the most generous reward, and she worked for me.”

“Lu Ning, I’ve said it before. The business world is like a battlefield. You’re too immature and KEE is too eye-catching. If I don’t do something, Chell or other big brands will do something too. You won’t be able to bear the consequences. You lack experience. It’s good for you to train under me for a few years.”

“So be good. Don’t be hostile towards me. We can start as friends first.”

Lu Ning’s mind was a mess. What he said gave too much information.

Xiao Chun already had the heart to betray her, so she had taken a liking to TO, right?

That female employee had climbed into President Jin’s bed by herself, so he had no intention of giving her to President Jin. Was she making a scene for no reason?

Lu Ning felt that she was really stupid. Yes, who was Yin Zhihan? He had used a short six years to become one of the top three billionaires in the world. He had plenty of capital. How could he use such a low-level method like giving his female employee to his business partner? He simply disdained it.

Chapter 1403: Linger, You’re Pregnant!

Also, what did he mean by “There’s only one you in this world?” Was he complimenting her and admiring her?

Also, what did he mean by “Let’s start as friends?” Lu Ning didn’t want to think too much about it.

She tried to calm herself down and looked at him. “So, I still need to thank you?”

“I don’t need to thank you. What I need is... repayment,” Yin Zhihan replied.

Repayment?

This was not a good word. He really knew how to climb up the ladder.

“Let go of me! You’re pressing me so hard. I want to get up!” Lu Ning pushed him hard.

Yin Zhihan felt that she was really a heartless little thing. “Lu Ning, aren’t you curious about the Chinese medicine when you were 17? What did we do?”

“I’m not curious, and I don’t want to know!” Lu Ning said quickly.

Yin Zhihan’s bright eyes became hot as he stared at her.

Lu Ning understood what he meant. There was only one possibility for her to reject him so quickly. She had already guessed what he had done to her, so his gaze became unserious again.

“What are you doing?” Lu Ning avoided his gaze and subconsciously pouted her red lips.

Suddenly, she felt a finger pressing against her lips. He used his index finger to caress her lips.

Lu Ning was shocked. “You...”

Just as she opened her mouth, Yin Zhihan put his index finger into her little red mouth and stirred her tongue

Lu Ning was stunned and forgot to react.

“Urgh!” Lu Ning covered her chest and was about to vomit.

Yin Zhihan’s gaze changed and he quickly let go of her.

Lu Ning got up and quickly ran into the bathroom. She hugged the toilet and began to throw up.

“Are you okay? Are you feeling uncomfortable?” Yin Zhihan stood behind her, patting her back nervously and concernedly.

“Don’t touch me!” Lu Ning flung him away angrily.

Yin Zhihan’s handsome face was also in a bad mood. He stiffened and then walked out.

Lu Ning had vomited enough. Then, she stood in front of the washstand and rinsed her mouth with cold water. She patted her face again. She didn’t know what had happened to her, but subconsciously, she was very resistant to that scene.

It was as if she had a shadow.

After leaving the bathroom, Lu Ning didn’t expect Yin Zhihan to stand by the door and wait for him. He put one hand in his trouser pocket and took a cup of warm water with one hand. Then, he handed it to her with a calm expression. “It will be better if you drink some water.”

“I don’t need you to pretend to be kind!” Lu Ning replied unhappily.

He put his finger in her mouth and pretended to be like that. What he wanted to do was self-evident. Did he do such disgusting things with every girlfriend he dated?

“Are you angry?” The man asked calmly.

Lu Ning glanced at him and wanted to scold him, but she only had two words to scold him. She felt weak, so she changed her words. “Vulgar, disgusting!”

Yin Zhihan looked at her red lips, “You might do something that you think is vulgar and disgusting someday.”

Lu Ning wanted to slap him. Did he mean that she would lower her head and do something disgusting for a man someday? She felt dirty just thinking about it!

“If there’s something in my mouth someday, I’ll definitely bite it off!”

After saying that, Lu Ning left.

Yin Zhihan leaned against the wall and watched her graceful back as she left. His eyes were filled with a hint of playfulness and tenderness. Little thing, you’ve already done that kind of vulgar and disgusting thing, do you understand?

Just thinking about how this proud and beautiful Miss Lu had once lowered her little head to serve him like that, Yin Zhihan felt that his trousers were about to burst.

Very well, she had already aroused his desire to challenge her.

The more unattainable a woman was, the more interesting he felt it would be. Of course, she was definitely the only woman in his life that he wanted but could not get.

..

President Jin's business deal was successfully signed. Lu Ning was not surprised. Yin Zhihan had his own boldness and means, and her life had returned to peace.

One day, there was a knock on the door of the apartment she rented. She opened the door and saw that it was Yin Linger!

"Linger, why is it you?"

Yin Linger blinked her beautiful big eyes. "Why, Ah Ning, don't you welcome me?"

"Why wouldn't I welcome you?" Lu Ning quickly pulled Yin Linger in. She was too happy. The two sisters had not seen each other for almost a year. "Linger, did you come alone? Ping An didn't come?"

How could Zhou Pingan let Yin Linger come out alone? Usually, they were inseparable, so Lu Ning found it strange.

Last year, during the Spring Festival, after the lively reunion dinner, everyone went home. But in the middle of the night, Yin Linger disappeared. Yin Muchen's father and Yin Shuiling's mother searched everywhere.

Where did they find her in the end? On a snowy ground, Zhou Pingan carried Yin Linger under the lantern in the middle of the night and played around. Later, everyone found out that the two of them could not be separated for even a moment.

"Ah Ning, don't talk about him anymore. This time, I'm here to play with you. You have to host me well."

"Linger, did you quarrel with Ping An?"

"No!"

"Okay, okay, I won't ask anymore. Linger, it's the weekend today. What do you want to eat for lunch? I'll personally cook a big meal for you."

"Mm, I want to eat seafood. Whatever king crab, mantis shrimp, Mister Fish, Miss Fish, and the like, just serve them to me. The more the merrier."

Lu Ning smiled with her beautiful eyes. "Okay."

The two of them went to the supermarket together. Lu Ning bought a lot of seafood and ingredients at the aquatic product market. When she was paying the bill, she suddenly realized that Yin Linger was missing. She quickly went to look for her.

"Linger, Linger, where are you?"

Linger was just standing beside her.

"Ah Ning, I'm here." At this moment, Yin Linger appeared with a pale face.

“Ling ‘er, what’s wrong? Are you sick? Why do you look so pale?”

“No...” before Yin Linger could finish her sentence, she quickly covered her chest and bent down to vomit. “Urgh...”

She wanted to vomit out the bitter water in her stomach.

Lu Ning was scared out of her wits. She patted Yin Linger’s back. “Linger, don’t scare me. Why are you vomiting out of nowhere?”

“I think the smell here is really strong. Ugh...”

Smell?

Lu Ning took a deep breath and covered her mouth. “Linger, you’re not... pregnant, are you?”

Yin Linger stood up straight. She looked at Lu Ning shyly, then nodded. “Yes.”

“Oh my God, Linger, you’re actually going to be a mommy? Why are you running around when you’re pregnant? How did Ping An let you out? Did you... sneak out?”

“Shh, Ah Ning, keep your voice down!”

Lu Ning understood. Yin Linger really did sneak out!

“No, Linger, I have to call Ping An. You’re carrying another life now...” Lu Ning was about to take out her phone.

Chapter 1404: Got Knocked Up

Yin Linger quickly stopped her. “Ah Ning, don’t call him, or I’ll get angry. We won’t be good sisters anymore!”

“Linger, stop fooling around. Do you have any misunderstandings about ping an? Ping An definitely won’t be willing to quarrel with you. Now that you’re carrying a baby, you’re really too willful to come to me...”

“I don’t want to hear it! Anyway, Ah Ning, you’re not allowed to call him!” After saying that, Yin Linger left.

Lu Ning, ..

..

Back at the apartment, Yin Linger vomited again. Lu Ning was scared out of her wits. She did not have the experience of taking care of a pregnant woman, so she could only let Yin Linger lie on the bed and sleep for a while.

The more Lu Ning thought about it, the more uneasy she felt. Linger had a baby in her belly. This was the eldest grandson of the Zhou family, the eldest grandson of the Yin family. No matter how she tried, he was of noble status. If anything happened to her, she really could not afford it.

She was still a virgin. She had not even been in a relationship, so she did not know how to take care of a pregnant woman.

She wanted to call Ping An, but she was afraid that Linger would be angry. What should she do?

While Lu Ning was feeling uneasy, a handsome and extraordinary face suddenly appeared in her mind. Oh right, Yin Zhihan. He was Linger's biological brother. She could look for him.

Although she did not want to have much contact with Yin Zhihan, Linger was pregnant. She completely hoped that he could take charge of the situation.

After hesitating for a moment, Lu Ning took out her phone and dialed a number.

The melodious ringtone rang twice. The phone on the other end was picked up at a steady pace. The man's low and sexy voice came over. "Hello."

"Hello, it's me."

"Yes."

What did "Yes" mean?

He really didn't say a word!

Lu Ning went straight to the point. "Linger is with me now. She's pregnant, and her morning sickness is quite serious. I don't know how to take care of people, and Linger won't let me call Ping An. Can you come over?"

The other end was silent for two seconds, then said, "Where are you?"

Lu Ning reported the apartment's address.

..

Half an hour later, the apartment's doorbell rang.

Lu Ning ran over to open the door. Yin Zhihan stood outside with his tall and long legs. He looked inside calmly. "Where's Linger?"

"In the room." Lu Ning pointed to the room.

Yin Zhihan walked in with his long legs.

"Hey!" Lu Ning reached out her small hand and grabbed his sleeve.

Yin Zhihan stopped and looked back. "What's wrong?"

"Linger is pregnant now. Talk to her properly and don't scold her," Lu Ning whispered.

Yin Zhihan raised his straight eyebrows and moved his thin lips. "She got pregnant before she got married. When she got pregnant, she ran around and caused trouble for others. This is the result of me talking to her properly."

Did he mean that he was going to go in and scold Linger?

Lu Ning felt that he was really a man who did not show his true colors. Even if he was angry, he would not show it on his face.

Lu Ning frowned and looked at the man in front of her who was a full head taller than her, "What right do you have to criticize Ling'er? Linger and Ping An are truly in love. Getting pregnant is something that happens naturally. Who is like you, fooling around with men and women before you got married? Who knows, you might have gotten someone pregnant too!"

Hearing this, Yin Zhihan made up his mind. Then, he reached out his right hand and grabbed Lu Ning's delicate chin. Her face was really small, not even as big as his palm.

"You're so interested in my private life? From your tone, you sound very unhappy. Why, are you unhappy because I didn't get you pregnant but got someone else pregnant?"

Chapter 1405: I Really Want to Bully Her

Lu Ning's pupils constricted. She didn't expect him to be so frivolous. With a slap, she quickly slapped his big hand away. "What nonsense are you talking about? Who wants to get impregnated by you?"

Her entire face was red. She wished she could bite off her own tongue. Why did she have to hate such an unhealthy topic with him?

Yin Zhihan glanced at her and then walked into the room.

..

Lu Ning was preparing lunch in the kitchen. She was a little uneasy, afraid that Yin Zhihan would make things difficult for Linger.

Fifteen minutes later, the room door opened. Yin Zhihan walked out first, followed by Yin Linger.

Yin Linger had a bitter expression. It was obvious that her brother had scolded her. Lu Ning... This was not the result she wanted.

"Ah Ning, you've harmed me!" Yin Linger went into the kitchen and pinched Lu Ning secretly.

Lu Ning cried out in pain. She could only blink her eyes in grievance. "Linger, I'm sorry. Don't be angry with me. Look, I've already prepared your fruit meal. I'll apologize to you."

There was a crystal plate on the countertop. On the plate were fruits of a few colors. There were also purple and green grass. The yogurt on the plate made people drool.

“That’s more like it!”

Yin Linger picked up the small crystal plate and leaned against the door frame to stuff the fruit into her mouth. She was very satisfied with the food. Yin Linger picked up the small crystal plate and leaned against the door frame to stuff the fruit into her mouth. She was very satisfied with the food.

“Ah Ning, how are we going to eat for lunch?”

Lu Ning was washing the vegetables, “Let’s eat a pot of seafood. I’ve already cooked the seafood with seasonings. When we start eating, we’ll light the fire. It’ll be like eating hotpot. I’ll stir-fry a few seasonal vegetables and make a big cup of strawberry juice. Because you’re pregnant, I’ve made you a pot of turkey soup. I promise you’ll eat well.”

Yin Linger looked at the counter. The big pot of seafood was burning on the fire. From afar, she could already smell the strong aroma of the seafood.

Yin Linger was about to drool. She could not help but sigh. “Ah Ning, why are your culinary skills so good? You’re on par with Ping An. I’m too weak. I don’t know anything.”

Lu Ning smiled. “I’ve lived here alone for four to five years. I usually study recipes when I have nothing to do. Linger, don’t be envious of me. I’m still envious of you. Ping An pampers you so much, you’re only responsible for eating. How good would that be?”

“Ah Ning, you’re so kind. If I were a man, I would definitely marry you. Sigh, I wonder who’s so lucky to marry my Ah Ning. Ge Ge, don’t you think so?”

Ge Ge?

Lu Ning was stunned. She was so engrossed in talking to Linger that she had forgotten that there was such a person at home. So it turned out that Yin Zhihan hadn’t left yet?

Lu Ning turned around and saw Yin Zhihan at a glance. The man was tall and had long legs. He stood beside Yin Linger with his hands in his pockets. His cold, sleepy eyes were on her at that moment, and there was a faint and gentle glow in his eyes.

“You… haven’t left yet?” Lu Ning felt that he was trying to drive her away. She thought about it and asked politely, “President, you must be very busy. Linger is fine with me. You can go back to work first.”

How could her little thoughts escape Yin Zhihan’s eyes? He curled his lips and said, “I’m not busy. Since you’ve already prepared lunch, I’ll stay for a meal.”

Lu Ning, ..

“GE GE, is Ah Ning in your company now? I’m warning you, you’re not allowed to bully Ah Ning,” Yin Linger said with her hands on her hips.

Yin Zhihan snorted. “I really want to bully her, but I can’t.”

Chapter 1406: My Brother Is Staying Here Tonight

Lu Ning felt that she had become dirty. Why would she be biased when she heard Yin Zhihan say, “I really want to bully her”?

The “bully” she was thinking about was that day in the hotel room when he pressed her down and pushed his finger into her small mouth..

Lu Ning quickly interrupted her wild thoughts. ” Linger, your brother is very good to me.”

She wanted to interrupt this topic.

“That’s good. Ah Ning, if my brother dares to bully you, tell me and I won’t forgive him! Oh right, Brother, you know many people. Hurry up and introduce a boyfriend to Ah Ning.”

Introduce a boyfriend?

Lu Ning was about to go crazy. Why did this Linger keep talking about such embarrassing topics?

“En, let me think about it. My Ah Ning is so outstanding. The boyfriend she wants to find is at least 1.85 meters tall. He is handsome and has a first-class character. It doesn’t matter if he is rich or not. The Ah Ning family is rich, but he has to have ambition. The most important thing is loyalty... eh, Ah Ning, based on these conditions, I find that my brother is quite suitable,” Yin Linger said.

Lu Ning turned back to look at Yin Linger. She was dying of laughter. What part of her brother was suitable?

Just this last love, not to mention her brother’s love, it was simply indecent.

Lu Ning winked at Yin Linger, which meant — little aunt, please stop talking.

Yin Zhihan looked at the girl’s delicate and pretty face. She stood near the window, and the brilliant sunlight outside shone on her body. In the halo, the layer of small hairs on her fair skin was exceptionally crystal-clear and soft, just like the expression of her coquettishly begging his sister for mercy at this moment, the coquettishness of a child was fully displayed, and it made his heart skip a beat.

Yin Linger did not understand what Lu Ning meant. She had discovered the new world. How could she not have thought that her brother could be together with Lu Ning? She really liked herself. She was too smart.

“Ah Ning, it’s decided then. You can go out with my brother. I think my brother is 1.87 meters tall and has a good appearance. My brother is rich and has a lot of money. He has two businesses online and also understands romance. The key is that if you go out with my brother, you will be my sister-in-law. This way, the two of us can play together for the rest of our lives. Our relationship is so good. Don’t worry, after the marriage, my brother will definitely not dare to bully you...” Yin Linger’s path of promoting her brother has no way of turning back.

After marriage..

Lu Ning felt that Yin Linger was thinking too far ahead. Who would want to marry this promiscuous bad guy?

“Linger, your brother has a girlfriend!” Lu Ning had no choice but to interrupt Yin Linger’s words.

Yin Linger cried out and looked at her brother. Which meant — really?

Yin Zhihan looked at Lu Ning and said, “I don’t have a girlfriend.”

Lu Ning, ..

Yin Linger cheered. She jumped over and hugged Lu Ning’s slender arm, acting cute and begging for a hug. “Ah Ning, Ah Ning, my good Ah Ning, just stay with my brother...”

The pink particles on Lu Ning’s body were about to rise. She was not Zhou Pingan, so Linger’s tricks were useless against her.

She really hated Yin Zhihan. Why did he say that she did not have a girlfriend? Why did he give Linger hope?

Lu Ning turned around and glared at Yin Zhihan.

The man leaned lazily against the door frame and looked at her with a burning gaze. He looked as if he was waiting to see her embarrassed look, but also as if he was waiting for her answer.

Lu Ning hurriedly averted her gaze. She didn’t want to think too deeply.

..

The three of them began to eat. Yin Linger’s appetite was aroused. Not only did she enjoy the seafood feast and turkey soup, she also ate a full bowl of rice.

Chapter 1407: How Can I Spend Your Brother’s Money

When she was lying on the sofa with her round belly in her arms, she was very emotional. “Ah Ning, if I were to stay with you for a period of time, I would definitely gain weight.”

“Linger, you will definitely gain weight when you are pregnant. The baby in your belly needs to be fed well. At this time, you shouldn’t care about your figure.”

Yin Linger thought about it and agreed. “Ah Ning, let’s go shopping in the afternoon.”

“Sure.” Lu Ning was willing to accompany her to the end.

After lunch, Yin Zhihan drove off. He received a phone call and was busy with work. However, he sent a male assistant to follow Lu Ning and Yin Linger and help them carry their bags. Of course, he also swiped his card.

The two girls spent the entire afternoon shopping in the mall. Yin Linger’s results were fruitful and she was pregnant. She bought flat crystal shoes, loose skirts, and cotton clothes to completely change her appearance.

Lu Ning looked at Yin Linger’s body that was slowly overflowing with a soft halo. She sighed. Love and pregnancy would make women better.

Lu Ning bought a dress. When the male assistant came forward to swipe his card, Lu Ning immediately stopped him. "I bought this dress. I'll pay for it."

"Ah Ning, what are you talking about? Swipe my brother's card. My brother is so rich. What's wrong with letting him bleed occasionally?" Yin Linger said righteously.

Lu Ning did not think so. Linger was his sister, so of course she could spend his money. She had nothing to do with him, so how could she spend his money.

Not to mention that she was not short of money, even if she was short of money, she would not do such a thing.

"Linger, you are you, and I am me. If I buy a dress, I will pay for it myself."

"Ah Ning, you are treating me as an outsider. If you insist on paying for it yourself, then I will take a plane and fly away. Shouldn't I pay you for my free time at your place?"

"That's different."

"How is it different?" Yin Linger pushed the male assistant forward. "Hurry up and pay the bill."

Lu Ning, ..

She was afraid that she would hurt Linger's feelings if she continued to insist. She would let the male assistant pay now, but she would return the money to Yin Zhihan.

..

The two girls were tired from shopping, so they found a western restaurant for dinner. Then, the male assistant drove them back to the apartment.

Yin Linger took a shower first. Lu Ning helped her dry her hair and then went into the bathroom to take a shower by herself. Ten minutes later, she opened the bathroom door and walked out.

Yin Linger was not in the room.

Lu Ning wondered where she went again. She was really afraid that this young lady would run away.

"Linger, Linger..." Lu Ning opened the room and walked out.

Just as she walked out, she saw Yin Linger. Yin Linger was talking in the living room. Beside her stood a tall and straight figure. It was... Yin Zhihan.

Why did he... come again?

"Ah Ning, are you done showering?" At this moment, Yin Linger looked up at Lu Ning.

Yin Zhihan also looked up. At this moment, Lu Ning was standing by the door and showering. Her hair was wet and draped over her shoulders. The smooth white skin on her face was dyed pink, as if it was stained with fresh peach blossom juice. She was wearing a loose white thin sweater, under the sweater, her graceful figure was faintly discernible. It was extremely alluring.

Yin Zhihan felt his mouth dry, and his waist and abdomen suddenly went numb uncontrollably.

“Ah Ning, my brother is here. Tonight, my brother will sleep here. There shouldn’t be any problems in the room next to ours, right?” Yin Linger said naively.

What?

He will sleep here at her place?

Lu Ning became nervous was on the spot. She looked at Yin Zhihan and then at Yin Linger. “This isn’t good, right? The two of us girls...”

Chapter 1408: I Can Give You a Big House

“Ah Ning, what’s wrong with this? He’s my brother.” Yin Linger said.

Lu Ning was in a difficult position. If she chased Yin Zhihan out in front of Yin Linger, it would hurt her feelings. However, this was her bachelor apartment. There had never been a man stay over before. She did not want Yin Zhihan to be the first one.

Therefore, Lu Ning looked at Yin Zhihan, hoping that he would back off.

Yin Zhihan understood her difficulty and hope in her eyes. However, he did not say anything and just watched the show calmly.

Lu Ning,

“Okay, then stay. I’ll go clean up the room next door.” Lu Ning was like a deflated balloon. She lowered her head and went into the room next door.

...

In the room.

Lu Ning took out a new quilt from the cabinet and bent down to cover herself. She cursed Yin Zhihan in her heart a thousand times. He was so rich and definitely had a lot of properties. Why did he have to squeeze into her place?

She felt that he did it on purpose!

At this moment, a series of footsteps sounded behind her. Lu Ning said without thinking, “Linger, you go to sleep first. I’ll go over after I’ve laid the quilt.”

No one answered from behind.

Lu Ning was suspicious. She stood up straight and turned around.

With this turn, she almost bumped into a man's broad chest. Without anyone noticing, Yin Zhihan had already silently stood behind her.

"You... Why don't you make sounds when you walk?" Lu Ning stammered as she looked at the man in front of her.

Yin Zhihan was close to her. He could already smell the faint fragrance of a young girl on her body. As long as he looked down, he could see her curves, her smooth and beautiful chest, her flat stomach, and her two slender long legs.

"Didn't you hear my footsteps?"

Lu Ning stuttered. She did hear it, but she mistook it for Linger.

"Why are you staying at my place tonight? I only have two rooms here. Don't you think it would be crowded for a man like you to stay here alone?" Lu Ning couldn't help but complain.

Yin Zhihan looked at her red lips that opened and closed, and his eyes were a little dark. "I can give you a big house."

Give her a house?

Lu Ning did not think that the two of them had a good relationship. He would not give her a house for no reason... unless he had other intentions.

In the past, his female employees had said that he was quite generous to his ex-girlfriends. Giving jewelry was a common occurrence, and anyone who served him well would get a private jet or a manor.

Did he also include her among those women?

"Who wants your house? Also, today, because Linger insisted, I borrowed some money from you to buy a dress. I'll go get the money and return it to you now."

After saying that, Lu Ning lifted her feet and left.

However, she could not leave. The man was like a wall blocking her front.

"Move aside a little." She stared at the man with her almond-shaped eyes.

Yin Zhihan did not move.

What did he mean?

Lu Ning was furious. She reached out her two small hands and pushed the man away. "Why are you blocking me? Get out of my way. You're so annoying..."

The girl struggled in front of him. Yin Zhihan's adam's apple rolled and his voice became hoarse.

"Whether it's buying you a dress or a house, I'm willing to do it. A delicate woman like you deserves to be treated like this."

Lu Ning didn't dare to listen to what he said. His magnetic voice entered her eardrums and made her heart race. Was this his way of flirting?

He was really an expert!

"Get out of my way!" Lu Ning pushed him away forcefully and ran away.

...

Back in her room, Lu Ning and Yin Linger lay on the bed and whispered.

Chapter 1409: Won't You Consider My Brother

"Linger, tell me the truth. What's going on between you and Pingan?"

Yin Linger snorted. "Ah Ning, let me tell you. Pingan is bad. He tricked me into getting pregnant."

"What? He tricked you into getting pregnant?" Lu Ning didn't understand.

"That's right. Every time we... you know, he would always lie to me about wearing a condom. But when I wasn't paying attention, he would take it off again. My cycle has always been on time. I felt that something was wrong when it didn't show up for the past few days. I tested if I was pregnant, and... two lines. I'm actually pregnant. Don't you think he's bad?" Yin Linger blushed.

Lu Ning felt embarrassed when she heard about such details. Although she knew about them, she didn't know much. She didn't know how to react.

"A... condom... can be removed halfway?"

"Of course," Yin Linger said softly as she pulled Lu Ning back, "Ah Ning, men don't like to wear things when they do that kind of thing. Some men even think that it's very manly to make a woman pregnant. You have to protect yourself in the future. Don't let bad men get their way!"

"Linger, Pingan is not a bad man." Lu Ning felt it necessary to put in a good word for Zhou Pingan, "I think some men, especially men like Pingan, did so deliberately because they want to have a baby with you and bear fruits of their love. In another month, you will graduate. I think Pingan has a plan for your future together. He is responsible for the next step."

"But, he should at least ask me about getting pregnant first. I'm not ready to be a mommy yet."

Lu Ning gently touched Yin Linger's flat belly. "Linger, there's a little life inside. It's yours and Pingan's. Don't you think it's magical and wonderful when you think about it?"

Yin Linger slowly smiled and hugged her belly sweetly.

Lu Ning knew that she wasn't really angry when she saw her like this. She felt wronged.

“Ah Ning, enough about me. Let’s talk about you. You’re already 22 years old this year. Have you really never had a boyfriend before?”

Lu Ning shook her head. “No.”

She had never had a boyfriend before.

“Why?”

Lu Ning thought for a moment. “I don’t know either. I just haven’t met anyone I like...”

“Then what kind of person do you like?”

“Well, I like the kind that can make my heart flutter...”

Yin Linger was helpless. This answer was equivalent to not saying anything. However, she knew that Lu Ning was proud and arrogant, especially about her feelings. Sigh, what kind of man could finally break down her walls?

Yin Linger still felt that her brother was great. “Ah Ning, will you really not consider my brother? My brother...”

“Linger, please spare me.” Lu Ning pressed her palms together to beg for mercy. “Don’t talk about this topic anymore. It’s so awkward.”

“Ah Ning, then give me a reason. Why won’t you consider my brother?”

“Your brother... has a lot of girlfriends. I can’t accept that...”

“Ah Ning, you’re giving me the runaround. I still don’t understand your character. You’ve been outstanding in all aspects since you were young. I am way out of your league. You’re generous and free-spirited, independent and confident. If you like a man, you should be brave and love him. You shouldn’t care about his past and be timid. My brother has had a lot of girlfriends, but my brother has never played with women. Ah Ning, don’t tell me you’re looking for a man who has never been in a relationship?”

“This... I have not thought about this.” Lu Ning hesitantly answers.

Chapter 1410: Pingan is Here

“Ah Ning, I’ll give you two options. There are two men. One of them has dated countless women, and the other is a virgin. Which one would you choose?”

Lu Ning shook her head. She did not make a choice.

Yin Linger’s eyes lit up as she said excitedly, “All women should choose the man who has dated countless women. Only then would the man know how to properly have a romantic relationship with you. He will know how to guide you and please you. That would clearly be an intense collision of the hormones of youth. It’ll be all sparks.”

“Alright, Linger. That’s easy for you to say. Pingan’s first love is you. He experienced all of his firsts with you, but you’re telling me that men who have dated countless women are better? Pingan will probably cry if he finds out.” Lu Ning pushed Yin Linger down.

Yin Linger giggled. She even quibbled, “Pingan is different. He’s not inexperienced at all. He knows what he should know.”

“Linger, are you protecting your husband or showing off?”

“Both... I guess... haha...”

The two girls were in a mess on the bed, just like when they were young. At this moment, there was a knock on the door. Lu Ning looked back and the door opened automatically. Yin Zhihan stood lazily outside the door.

Lu Ning suddenly realized that she didn’t lock the door. Yin Zhihan had come at some point and heard a lot of their conversation.

“Why are you here?” Lu Ning asked in embarrassment.

Yin Zhihan didn’t answer. He just looked at Yin Linger. “Get ready. Pingan is here.”

Yin Linger...

...

Zhou Pingan had really rushed over. He was travel-worn. He looked at Yin Linger, who had lowered her head in front of him, and his eyes were on fire. “Yin Linger!”

He rarely called her by her first name.

Yin Linger knew her mistake and admitted it. She looked at Zhou Pingan pitifully. “Pingan...”

Zhou Pingan looked at Lu Ning and said very politely, “Ah Ning, can I have somewhere quiet to talk to Linger.”

“Oh, that room.” Lu Ning quickly pointed to her own room.

Without saying anything, Zhou Pingan grabbed Yin Linger’s wrist and pulled her in.

“Hey, Pingan, be careful. Linger...” Lu Ning wanted to tell Zhou Pingan about Linger’s pregnancy.

“Don’t say it.” At this moment, Yin Zhihan stopped her.

“Why? I think Pingan is angry. Will he hurt Linger? Linger has a baby in her belly,” Lu Ning said worriedly.

Yin Zhihan glanced at the closed door. “Don’t worry. Pingan can’t bear to hurt Linger. Let Linger tell Pingan about the pregnancy herself.”

This was the first time that Lu Ning agreed with Yin Zhihan's idea. It was indeed better for the person involved to say that she was pregnant.

...

Zhou Pingan and Yin Linger were talking in the room. Lu Ning had nowhere to go. The apartment wasn't big, so she could only sit on the sofa.

She could have watched TV or read magazines to pass the time, but she realized that Yin Zhihan didn't return to his room. He was also staying in the living room.

This was awkward. The two of them sat on the sofa facing each other. Lu Ning felt like she was sitting on pins and needles, while the man opposite her elegantly folded his long legs and held his phone as if he was handling official business. In short, he looked very busy and comfortable.

Lu Ning decided to get up and go get some water to drink.

Walking into the kitchen, Lu Ning poured herself a glass of water. She stood by the window and blew at the cold wind outside. She couldn't help but sneeze.

"Aren't you cold?" At this time, a low and mellow voice sounded.

Chapter 1411: Why Are You Touching Me

Lu Ning looked sideways and saw Yin Zhihan standing by the door.

Why is he here?

"Oh, it's not cold," Lu Ning answered and put down the glass of water, intending to leave the kitchen and the man.

However, when she walked to the door, a strong arm came out and blocked her way.

"What are you doing?" Lu Ning frowned.

There was only a dim yellow wall lamp in the kitchen. The man's cold eyes flickered under the light. He looked at her beautiful face and said in a low voice, "Call me... Zhihan... Listen to me, okay?"

He said casually.

Lu Ning's eyes were wide open. This man was crazy. "What are you talking about? Get out of the way, I want to go out!"

Not only did Yin Zhihan not give way, but he also extended his long legs and closed in on Lu Ning, "The Lu, Zhou, and Yin families are family friends. It's understandable that you should call me by my name, but why don't you call me by my name? Of course, other than calling me by my name when you get angry out of embarrassment, I want to hear you call me Zhihan now."

Lu Ning's delicate back hit the vertical refrigerator. She found that she had nowhere to retreat. "What does me calling Pingan by his name have to do with you? Why should I call you... Ah!"

Her small jaw was held by the man's two fingers.

Lu Ning felt as if her skin was burning from his touch. She quickly reached out her small hand to push him. "Why do you keep doing that? Don't touch me!"

"Your mouth is really sharp. You can bite me to death. I really want to shut you up." As he spoke, Yin Zhihan bent down and kissed her red lips.

Lu Ning seemed to not be able to breathe. A voice kept telling her that Yin Zhihan kissed her; that she was being kissed by Yin Zhihan!

There was a gradually increasing force on her lips. He was rubbing it, and then he opened his mouth and gently bit her lips. Lu Ning let out an "oh" and cursed in embarrassment, "Bastard, let go of me, don't kiss me!"

She clenched her fists and hammered him.

Yin Zhihan reached out his large palm and gently held her two small hands behind his back. He slightly raised his strength, and Lu Ning was forced to push her chest out to meet his kiss.

At this time, the man pressed on her. He used his hard and wide chest to press against her soft chest, and then stretched out his long tongue to press against her teeth.

Lu Ning quickly gritted her teeth and refused to let him in.

"Pa!" Yin Zhihan slapped her butt.

"Ah!" Lu Ning screamed.

However, after the scream, she regretted it because the man had taken advantage of the moment when she opened her mouth to probe in.

Lu Ning's brain exploded with a bang. She remembered that many years ago, Yin Linger had shyly told her that Pingan had stuck his tongue out at her...

As Lu Ning grew up, she gradually understood that this was probably a farewell kiss. However, she had never been kissed before, and she had never even had a boyfriend.

Now, she had been kissed like this by Yin Zhihan.

He kissed her very skillfully, slowly exploring her small mouth. When he was entangled with her small tongue, he could not bear to part with her. When she resisted and dodged, he would hook onto her and not allow her to retreat even a little. This was probably what the books said about gentleness without losing its dominance.

Lu Ning's legs went soft and she slid directly to the ground.

Yin Zhihan released her hand in time and then hugged her slim waist. His big palm picked up the thin sweater on her body and touched it.

Their breaths intertwined. Lu Ning did not even have the strength to stand up straight. Her body was numb and numb. She knew that she had a physiological reaction to his teasing.

No matter how much she resisted him, her body was so uncontrollable and real. He was really skillful. Linger had said that he had been with countless women.

Chapter 1412: Baby, Don't Be Angry

Lu Ning hated herself. She was too useless.

“Yin Zhihan, don't be like this!” In her panic, she hurriedly pressed down on his large palm.

Yin Zhihan's hand was in her thin sweater. He stopped moving and withdrew his sweet mouth from hers. He kissed the tip of her nose. “What's wrong? Don't you like it too?”

How poisonous were his eyes? He had already seen through her physiological reaction.

Lu Ning was thinking, so what if he had a high IQ? This kind of thing still needed to be accumulated through actual experience. How many women had he touched to develop this skill.

“Yin Zhihan, what exactly do you want to do? How have I offended you? Treating me like this... You said that our families are family friends. Is this how you treat the daughter of a family friend?” Lu Ning asked in a trembling voice.

Yin Zhihan found it funny. “How did I treat you?”

“You're obsessed. If you want a woman, you can find someone else. I didn't provoke you, you...”

“You provoked me.”

Lu Ning,

“What kind of business suits are you wearing to work? That white shirt makes your chest bulge. Your skirt is short, your butt is so perky, and your thighs are so white that they dazzle my eyes. How much do you like to bend down in front of men? I've seen it a few times from behind, and I can't wait lay down your underwear and then...”

“Yin Zhihan!” Lu Ning screamed and covered his mouth. How could he say such vulgar words?

So what if she wore business suits? All the female employees in the company wore it. When she bent down, she didn't know that he was behind her. Besides, did he not know to look away?

His thoughts were clearly dirty, but now he was blaming her, as if she was the one who seduced him.

“Lu Ning, let me tell you what's so good about men who have seen countless women. On the bed, I can serve you well from beginning to end. This is your first time. Don't be afraid of pain, because I won't let

you feel pain. I will only let you scream uncontrollably under my body.” In the darkness, Yin Zhihan pressed down on her as he said this.

How did he know that it was her first time?

Did he hear it outside the door just now?

But last time on a business trip, CEO Jin had bet with him that it wasn't her first time. Xiaohui said that he didn't say anything, so she thought that he probably acquiesced.

“You misunderstood, it's not my first time...”

“You really want to lie to me? It is definitely your first time.”

Lu Ning sucked in a breath. How was he so sure?.

“Yin Zhihan, you're really dirty. How can you look at women like that? Those women treat you like Prince Charming in vain. I think you're a lecher!” Lu Ning scolded him angrily.

Yin Zhihan lowered his head and licked her red lips. “Baby, don't be angry. I swear, I only look at you as a woman.”

Who would believe him!

“Let go!” Lu Ning struggled fiercely, trying to escape from his embrace.

Yin Zhihan refused to let go. He hugged her tightly, allowing her to twist in his embrace. His thin lips kissed her cheek to her pink neck. “Ah Ning, Ah Ning...”

He called her name as if he was deeply in love with her.

Lu Ning did not understand. Where did his deep love come from?

She came to the conclusion that he could only have sex with women because of his good acting.

“Yin Zhihan, let go!”

Lu Ning used all her strength to push Yin Zhihan away. Yin Zhihan took a step back, and Lu Ning ran away.

...

In the room.

Zhou Pingan looked at Yin Linger in front of him with a solemn face. “I'll try my best to control my temper. I'll give you a chance. Explain to me why you sneaked over to Ah Ning's place.”

Chapter 1413: Don't Run Around Again Next Time

Yin Linger seemed to be afraid that Zhou Pingan would get angry. She stuttered, “I... I felt bored...”

“If you feel bored, you can tell me. I'll adjust my working hours and accompany you to find Ah Ning.”

“Yin Linger, you're too much of a troublemaker. I called you, but you didn't pick up. When I got home, I didn't see you. If it wasn't for your brother calling me, I would have gone crazy from anxiety.”

Yin Linger didn't feel guilty previously, but looking at his messy and red eyes, her heart ached. Pingan had lived a very calm life. Probably only she had the ability to force him into such a state.

"Pingan, I admit my mistake. I'm sorry, don't scold me anymore." Yin Linger walked forward and hugged his strong waist.

Zhou Pingan was still angry and did not plan to pay attention to her.

Yin Linger stood on her tiptoes and kissed the corner of his mouth shyly. She looked at him with her watery eyes and kept acting coquettishly. "Pingan..."

Zhou Pingan was really helpless against her. He stretched out his muscular arm and hugged her in his arms. "Will you run around again next time?"

Yin Linger shook her head. "I definitely won't run around again!"

"If there's a next time, I'll definitely not let you off." Zhou Pingan leaned over and kissed her forehead.

At that moment, Yin Linger felt a tightness in her chest. She quickly pushed Zhou Pingan away and bent down to retch twice.

"Linger, what's wrong?" Zhou Pingan asked nervously.

At the mention of this, Yin Linger's temper flared up. She glared at him and said, "It's all your fault. How dare you still have the nerve to ask?"

Zhou Pingan was stunned for two seconds. Then, his black eyes were filled with ecstasy. He reached out and grabbed Yin Linger's wrist, wanting to take her pulse.

"No!" Yin Linger did not let him touch her.

"Good girl, don't move. Let me see if you have a pulse." Zhou Pingan hugged her from behind and took her pulse.

It was a happy pulse.

She really had a pulse!

"Linger!" Zhou Pingan was so happy that he couldn't speak. He poked Yin Linger's delicate little face and said, "You are a great contributor to me, and a great contributor to our Zhou Family!"

Yin Linger felt a layer of honey in her heart. It was extremely sweet. However, she snorted and said, "I already said that I didn't want to get pregnant. I haven't graduated yet. I want to work for a few years first. Moreover, I'm still so young. I haven't had enough fun yet. I don't want to be a mommy so soon."

She had given herself to him when she was 20 years old, and after that, she had been urging him to use measures.

He did not express any opinions, but it was true that he did not like following the measures she put in place. He was a doctor, so he would naturally calculate her safety period every month. During the safety period, he liked to be impudent, and during her futile period, he would let her help him put on a condom.

Now that she was 22 years old and was about to graduate, he had actually tampered with the measures and made her pregnant.

She was not mentally prepared at all.

“You don’t have to worry about work. I’ve already arranged for you to work as a pharmacist in our hospital. It’s easy and not tiring. Furthermore, you can monitor me at all times. Also, women get pregnant and give birth to babies. It’s good for your figure to recover as soon as possible and as when you’re as young as possible. When the baby is born, the three of us will go out and play together. You can go wherever you want to play. I guarantee that you’ll have enough fun.” Zhou Pingan kissed her earlobe gently.

Yin Linger was a little persuaded. “Really?”

“When have I ever lied to you?”

“But...”

“But what?”

“But I feel like my life is being controlled by you. I’ll follow wherever you tell me to go. Pingan, will you always be good to me? If you don’t want me anymore, I’ll...”

Chapter 1414: Let’s Go to the Office Together

Yin Linger had a very clear understanding of herself. She and Lu Ning were two completely different types of women. Lu Ning was independent and confident, proud and ambitious, while she was just a cabbage. She had no other goals in life and only wanted to be together with Pingan.

Zhou Pingan’s big hand gently stroked her flat belly. “My little Linger, how heartless of you to say that. I am the one who will follow you.”

Yin Linger quickly smiled. That’s right, he had always been obedient to her in life.

Zhou Pingan held her little hand and interlocked his fingers with hers. “Linger, you have been deeply embedded in my bones all these years. Treating you well has become a habit and instinct. My greatest wish in this life is to grow old with you.”

Hearing such warm words, tears welled up in Yin Linger’s eyes. However, she was happy.

She had always been so happy, and she would always be so happy.

...

In the evening, Yin Zhihan and Zhou Pingan were in the same room, while Lu Ning and Yin Linger were in the same room. The four of them spent the night in this small single apartment.

The next morning, Zhou Pingan took Yin Linger's hand and brought her back to England. Lu Ning looked at Yin Linger's eyes, which were filled with sweetness and happiness, and even laughed at her. Didn't she said that they would have fun at her place for a few days? However, when Zhou Pingan came.. after a few words of persuasion, she eagerly followed him away.

Lu Ning felt that Zhou Pingan was a black-bellied old fox. All these years, he had trained Linger to be an extremely obedient little wife. The funny thing was that this little wife had been schemed against but was even grateful.

Only Lu Ning and Yin Zhihan were left in the apartment. Yin Zhihan looked at her and said, "Let's go to the office together. I'll send you."

"No thanks. I'll take the subway. Thank you." Lu Ning quickly refused.

Yin Zhihan looked at her guarded eyes and shrugged. "Then I'll take my leave first."

He took the car keys and left casually.

As soon as the man left, Lu Ning felt that the mountain that was hanging over her head had disappeared. She let out a long sigh of relief and cleaned the apartment as fast as she could. Finally, she took her bag and rushed to the subway.

The subway arrived very quickly. Lu Ning got on the car, but there were too many people, so everyone swarmed over. No one knew who pushed Lu Ning.

"Dong!" Lu Ning hit the pole.

She frowned in pain and then rubbed her head with her small hands. She was so embarrassed.

At this moment, a car horn sounded beside her ear. A cool Ferrari sped away.

"Wow, that sports car is so beautiful. If a man drove me to work in a sports car like that, I would die of happiness."

"Did you guys see the man in the sports car? I saw him! He's so handsome. He's wearing a pair of sunglasses. He's so charming."

Lu Ning heard the girls around her chattering. She felt embarrassed because Yin Zhihan was the one who drove the Ferrari past.

She also saw him. When his Ferrari passed by her, he slowly rolled down the window. His handsome face was wearing a pair of sunglasses. He didn't look at her. He was really arrogant.

He even deliberately honked the horn. If she guessed correctly, he must have seen her embarrassment and laughed at her.

It was too hateful.

...

Lu Ning felt that she was really unlucky today because she was late.

Chapter 1415: Wipe Your Saliva

Five minutes late!

Afraid that people would see her, Lu Ning covered her face and ran to the office quickly. There was no one on the way, so she let out a sigh of relief.

But at this time, a low and sexy voice sounded behind her, "What time is it now?"

Lu Ning was stunned. Then she looked back and saw a tall and straight figure standing behind her. It was Yin Zhihan. Behind him was Ai Lisi and a group of people from the management department.

Now, everyone was staring at her.

Lu Ning...

Yin Zhihan was expressionless. He looked at the watch on his wrist and asked Ai Lisi, "How should we deal with the employees who are late?"

Ai Lisi was also stunned. Other people didn't know, but he did. Lu Ning was the daughter of the Lu family and a childhood friend of his president. He couldn't figure out what the president meant. They were supposed to go to a meeting through another route. However, the president took them this way, as if he came here to arrest her on purpose.

Ai Lisi was a smart man. He chose the safest answer, and said matter-of-factly, "President, we will seriously criticize and educate the first-time offenders who are late, and then ask the latecomers to write a self-reflection letter."

"Okay." Yin Zhihan nodded, and then he looked at Lu Ning. "Send a 3,000-word self-reflection letter to my office by noon."

After saying that, President Yin led his troop and swaggered away.

Lu Ning...

He did it on purpose!

Definitely on purpose!

Lu Ning almost spat out a mouthful of blood. When he left just now, she saw him smile. He really smiled. He was teasing her.

The 3,000-word self-reflection letter...

Lu Ning stomped her feet on the spot. He was really too evil and unforgivable!

...

The entire morning, Lu Ning had been writing her self-reflection letter. Even though she was already filled with anger, he was the boss. She could only listen to him.

Wasn't it just a 3,000-word self-reflection letter? It was simple. Lu Ning had been doing them well since she was young. It was a piece of cake for her. She was not perfunctory at all. She wrote her self-reflection letter in a lively manner.

After lunch break, Lu Ning knocked on the door of the President's office.

"Come in," the man said from inside.

Lu Ning pushed the door open and entered. Yin Zhihan was sitting on a black leather office chair, and was in a video conference with others.

He glanced at her, then pointed at the sofa.

Lu Ning nodded and obediently sat on the sofa, waiting.

Yin Zhihan was probably communicating with a Frenchman. He spoke fluent French, which was very pleasant to hear. In fact, Lu Ning was also a top student, but compared to someone with an IQ like him, she was really inferior.

At this time, the office door was pushed open again. Ai Lisi walked in with a plate in his hand. Ai Lisi placed the plate on the coffee table in front of Lu Ning.

Lu Ning took a look. There were five dishes and a soup on the plate. They were made by a star-level imperial chef, which made people drool.

Lu Ning was hungry.

She didn't eat much for breakfast. Later on, she rushed to the bus stop and had to deal with this man. The little amount of food she ate in the morning had already been digested. Now that there was food in front of her, she found it unbearable.

It was time to rest, so everyone went to eat.

It was time to eat.

Lu Ning's eyes were fixated on the food in front of her. She couldn't move her eyes anymore. At this moment, a soft laughter suddenly rang in her ears. "Wipe your saliva."

She was drooling?

Lu Ning was shocked and quickly covered her mouth with her hand.

Chapter 1416: Why Is Your Face Red

Lu Ning used her small hands to wipe her mouth, but there was no saliva.

It was too detestable. He was teasing her again.

Lu Ning looked sideways and glared at him. "You..."

"Have you finished writing the self-reflection letter?" Yin Zhihan was the first to speak.

Lu Ning was suddenly at a loss. She stood up and went to the desk. She handed the self-reflection letter in her hands to Yin Zhihan, "President, I have already done a deep self-reflection of my lateness this morning. I promise that I will not do it again in the future. Please forgive me, President."

Lu Ning smiled gracefully.

Yin Zhihan turned his office chair around and faced her. The girl's fair little face had her signature smile. She had always been like this, exactly the same as when she was young. By chance, she saw him coming out of the shower, and dropped the magazine in Linger's room in front of him. Her eyes were full of panic, but she pretended to be elegant and calm.

He really wanted to tear up her dress and make her look like a little woman playing with Linger in front of him. Or the time when Linger fell into the water, she looked at him with red eyes, stubborn and weak, tickling his heart.

"Read it to me," he said.

Read it to him?

Lu Ning...

She realized that this man really had a wicked sense of humor. Not only did he make her write a self-reflection letter, he even asked for it to be read to him. He acted as if he were the teacher and she was the student.

"No," Lu Ning said angrily.

Yin Zhihan raised his eyebrows and asked her with a smile, "Really?"

His smile made Lu Ning's scalp go numb. Very well, she had received his warning. If she didn't read it, he would find a way to make her do so.

Lu Ning had no choice but to open her self-reflection letter and read it.

Only her elegant and melodious voice could be heard in the office. The man had been quiet the whole time, as if he was listening attentively. However, Lu Ning's face gradually turned red in this strange atmosphere.

She was sure that he was looking at her.

The two of them were in a strange position at the moment. He was lazily leaning against the chair, facing her. There was no resistance between the two of them. His long legs stretched forward, his ankles

overlapped, and his shiny black leather shoes extended all the way to her stilettos, if she looked a little further away, she would be able to see his straight crotch.

She was already approaching mature age. When a man faced a woman in such a sitting posture, it was difficult for her to look away.

However, what he did was not obvious, so she could only be secretly angry.

“Why is your face red?” The man suddenly asked.

Lu Ning wanted to vomit blood. This old fox was thousands of times more cunning than Zhou Pingan. She did not believe that he would not know why she was red.

“I’m ashamed,” Lu Ning answered.

“Oh.” Yin Zhihan snorted, then reached out and grabbed the girl’s slender wrist.

Lu Ning froze. She was about to look up, but the man exerted force, and she staggered a few steps forward. Then, she fell onto his firm thigh.

“What are you doing?”

“Hugging you.”

Lu Ning...

Her face flushed red. “Yin Zhihan, let go. This is an office. If others see this, it will not be good.”

“You know this is an office, so why are you still calling my name?”

Lu Ning quickly changed her words. “President, let go!”

“No. If others see this, I will marry you to be the wife of the President.” Yin Zhihan smiled casually.

Lu Ning didn’t know what he was thinking. She suddenly remembered when she was 17 years old and mistakenly thought that she was pregnant. When she came to him, he also said casually that he wanted to marry her and make her Mrs. Yin.

Chapter 1417: You Are What I Cannot Conquer

“Yin Zhihan, you really know how to flirt!” Lu Ning used her two small hands to hammer his shoulder.

Yin Zhihan hugged her like a child. The sunlight outside the french window shone on his face. He was so handsome that it made people blush and their hearts beat. He smiled and said, “Lu Ning, do you know that I have come into contact with a lot of women in the past few years? They were all kinds of women, but why can’t I use the methods that worked on them, on you? Tell me, what do you want me to do to you?”

Lu Ning heard her heartbeat quicken. She looked at him in a daze. What did he mean by that?

At that moment, her vision went dark. The man had already bent down and was approaching her red lips.

He wanted to kiss her?

He wanted to kiss her!

“No!” Lu Ning held his chest and turned her head to reject him.

Yin Zhihan stopped and did not force her. A few seconds later, he carried her horizontally.

This was the first time that Lu Ning had been carried by a man like this. She was afraid that she would fall, but she did not dare to hug his neck, so she froze. “Where are you carrying me to?”

Yin Zhihan thought that her appearance was both funny and cute. “Aren’t you hungry? Let’s eat together.”

She was placed on the sofa and looked at the delicious food on the coffee table. Lu Ning shook her head. “President, you take your time to eat. I won’t disturb you anymore. I’ll go out first.”

Lu Ning wanted to leave.

However, Yin Zhihan held her slender arm. “At this time, there’s no food left in the staff cafeteria. If you want to leave, I won’t stop you, but you’ll have to go hungry.”

Lu Ning...

She almost suspected that he did it on purpose. He could’ve asked her to hand in her self-reflection letter anytime, but he picked it to be noon. After she was done with it, she had no food to eat.

Lu Ning was not a person who would torture herself, so she took the initiative to pick up the bowl and chopsticks. “Thank you, President.” After thanking him, she began to eat.

Yin Zhihan did not move his chopsticks. He picked up the coffee cup and took a sip of coffee. The girl beside him ate very delicately, but her bulging cheeks made people have the impression that the food was very fragrant.

“How do you think your culinary skills compare to this chef’s?” He asked.

Lu Ning turned to look at him. “My culinary skills are better than yours anyway.”

Yin Zhihan’s handsome face revealed a slight disdain. “If I had the time to cook, my culinary skills would definitely be better than yours. I think that as long as I put in the effort to learn, there’s nothing that I can’t learn...”

Lu Ning hummed in her heart. Hmm, it was indeed the words of a genius. How arrogant.

“Of course, there’s also a thing in my life that I can’t conquer. That’s you.” Yin Zhihan looked at her with a smile.

The man’s exquisite eyebrows suddenly became gentle. Lu Ning was stunned, and her heart skipped a beat. What... What did he mean?

Lu Ning didn't dare to look at him again, and quickly lowered her head to eat.

At this time, there was a knock on the door. Ai Lisi said from outside, "President."

"Come in," Yin Zhihan said.

Lu Ning felt that it was a bit against the rules for her to eat here, so she couldn't look at Ai Lisi calmly when Ai Lisi came in. However, Ai Lisi didn't look at her. "President, something bad has happened."

Lu Ning's heart skipped a beat.

Yin Zhihan's expression was the same as usual. He didn't even frown. "What's wrong?"

"President, Ela is here. She's on the top floor of the company. She's making a fuss about jumping off the building."

Ela?

Lu Ning recalled the scene she saw two years ago in that small house. He was wearing a shirt and Ela ran over from behind to hug him.

"You eat here. I'll go take a look."

After Yin Zhihan walked out, Lu Ning recalled the last words he said to her. However, how could she eat in peace under such circumstances? Lu Ning got up and followed him to the top floor.

Chapter 1418: Good to Get Together

In a 68-story office building in the heart of New York. When Lu Ning got out of the elevator and came to the balcony on the top floor, she felt her legs go weak.

Looking down from there, the crowd below was like ants. The cool autumn wind blew on her face and it hurt like a knife.

Ela stood at the edge of the balcony. Half of her body seemed to be floating in the air. Many onlookers surrounded her. Whenever Ela moved a little, everyone's heart jumped and they sucked in air. Ela was really being too dangerous, she could fall at any time.

There were already police officers pulling air mats down there, but if she fell from the 68th floor, even if she fell on the air mats, half of her body would be paralyzed.

No one understood why Ela, the heavenly queen with a bright future ahead of her, would be so stubborn?

Ela's face was pale, but she looked at the tall and handsome figure in front of her with infatuation. "Han, you're finally here. I thought I would never see you again in this life."

Lu Ning turned to look. Yin Zhihan was standing right in front of her. The autumn wind blew his black shirt and his handsome face was like a God's palace.

However, he was expressionless in the face of Ela's infatuation.

“Han, why didn’t you answer my call? I came to look for you, but they didn’t let me in either. I haven’t seen you for a long, long time. I miss you so much.”

Lu Ning was quite emotional. It was said that actors were heartless, but Ela was an infatuated person.

At this moment, Yin Zhihan said with an indifferent expression, “I remember that we had already parted on good terms.”

As soon as he said this, Ela faltered.

Ai Lisi had no choice but to remind Yin Zhihan in a low voice, “President, should we try to be tactful and let her come down first...”

“Han, I didn’t accept the breakup. The breakup was only one-sided. I don’t want this sky-high breakup check you gave me.” As she spoke, Ela took out a check and tore it up, the broken check drifted away with the autumn wind. Ela smiled in despair, “Han, look, I didn’t even accept the check. So... We didn’t break up! Do you think I’m with you for money? I know how to make money. Those big shots who are chasing me will not be able to get this check. Han, I just love you!”

Ela screamed at the top of her lungs.

Yin Zhihan’s expression turned even colder, “Ela, why do you have to lie to yourself? I thought you understood the rules of adult love. We’ll be together when we want to. We’ll be separated when we feel that there’s no natural attraction. What are you doing now? You’re threatening me by jumping off a building. I’m sorry. I, Yin Zhihan, have never been a person who would be threatened by others. What you’re doing will only make me hate you even more.”

“I’m a little busy right now, so I won’t chat with you. It’s good for you to stand on top and cool down for a while. In short, whether you jump or not today has nothing to do with me. I don’t want to see you again in the future.”

With that, Yin Zhihan left.

Lu Ning quickly hid in a remote place, not letting Yin Zhihan see her. Sure enough, Yin Zhihan left in large strides.

Ela looked at Yin Zhihan’s back in a daze. Large tears started to fall from her eyes. She squatted down and hugged herself, crying bitterly.

As a bystander, Lu Ning sympathized with Ela. Not everyone had the courage to stand on the 68th floor. Looking at Yin Zhihan, he displayed his usual personality. He did things cleanly and without any hesitation.

Ai Lisi waved his hand, and someone rushed out to carry Ela down. The farce ended just like that.

Chapter 1419: She Fell in Love with Him at First Sight

The onlookers also left. Lu Ning heard everyone discussing —

“Oh my God, I didn’t expect Ela to have dated my CEO before. Ela is now a hot international movie star. Countless men have pursued her, but she is so infatuated with my CEO.”

“If you ask me, Ela is so stupid. When men like you, they are naturally good. When men are separated from you, they are naturally tired of you. Even if you risk your life, men will not turn back. In the end, aren’t you the one who gets hurt?”

“This man is still my president. If it were you, would you leave like the President?”

“No, the president is simply a scourge. He specializes in harming women in this world!”

“However, this matter also let me see that the president is really fickle-minded. This kind of man is too dangerous. I would never be with him. I wonder which woman would be so lucky to take him in?”

...

Lu Ning returned to her office in a depressed mood. Her mind was in a mess.

What was she thinking about?

Actually, she did not know.

She just felt uncomfortable in her heart. Today’s incident with Ela had officially sounded the alarm bell for her.

She reached out her small hand to touch her heart. Her heart had been moved by Yin Zhihan a long time ago. Just now in the office, her heart still moved for him. Lu Ning, admit it... actually, you also have feelings for Yin Zhihan, right?

She did not feel embarrassed. A man like Yin Zhihan was not only a scourge, but also a monster. It was normal for her to have feelings for such a man.

Yin Zhihan had asked her several times why she was afraid of him and wanted to escape when she first saw him?

Now that she thought about it carefully, she was really afraid. She subconsciously liked a boy like Zhou Pingan. He was clean and warm, like a piece of unpolished jade. So when she was young, she had a vague favorable impression of him. Yin Zhihan was a completely different kind of person from Zhou Pingan.

Yin Zhihan was very dangerous. His sharp and narrow eyes were not only successful in the business world, but even more so when it came to women. There were no fairy tales in this world, don’t expect a man like him to become like Zhou Pingan who was devoted to a girl. The strong hormones that he emitted naturally made women restless. This restlessness made her afraid.

She wanted to escape because she was afraid of being tempted, and more so because she had already been tempted.

When she saw him come out of the shower in the room back then, her heart was hit hard. This kind of impact and her hazy good impression of Zhou Pingan were two different things. It was so strong that it made her heart palpitate.

Lu Ning, admit it. When you were very young, you almost fell in love at first sight with the evildoer-like Yin Zhihan. You fell in love with him, so in the following years, you wanted to escape.

She knew herself very well. She wanted to find a stable man to hold her hand for the rest of her life.

He may not have a handsome face like Yin Zhihan. He may not have the talent and boldness like Yin Zhihan. He may not be as powerful as Yin Zhihan, who could command people with a flip of his hand, but he would be more stable than Yin Zhihan and would be able to give her the courage and confidence that he would hold her hand for the rest of her life.

She was a very ordinary girl. She had never imagined that she would become the girl who had conquered Yin Zhihan. Even though that would give her a sense of accomplishment, and she was also curious about what a man like him would look like once he fell in love with a girl, she did not like daydreaming.

Chapter 1420: Decision

To put it bluntly, Lu Ning was not a gambler. This was exactly her personality. She did not dare to touch Yin Zhihan.

She was a rational person. Even though she was attracted to him, she still ran away and pretended not to care. She kept her heart to herself.

She understood what he meant now. He probably had some feelings for her and wanted to flirt with her.

If nothing happened to Ela today, she might have fallen into this trap, lost her virginity and heart. She would probably think that there were fireworks.

But after the fireworks, she would probably end up like Ela and be disliked by him.

She didn't want to live like this.

Lu Ning patted her little head with her hand. Wake up. From this moment on, don't come into contact with Yin Zhihan anymore. Don't be bewitched by him anymore!

With this thought in mind, she received a text message.

It was from Yin Zhihan.

She opened it and saw a few simple words — Why did you leave?

Lu Ning thought for a moment but didn't reply.

Soon, a second text message came — “Are you full?”

Lu Ning didn't reply either.

Her phone didn't ring again, and Yin Zhihan didn't send another text message.

He was a smart man. She thought that he would have already received her hint, and would know when to back off. After all, there were so many flowers in this world, and she was just one of them.

Four hours later, work was over.

Lu Ning packed her things and said goodbye to her colleagues. At this moment, there was a “Ding”. She received another text. It was the third time that Yin Zhihan had sent her a text.

— After work, wait for me.

These simple words were very domineering.

Lu Ning's heart skipped a beat. What did he want to do?

No matter what he wanted to do, it had nothing to do with her. Lu Ning stuffed her phone into her bag and walked out of the office.

Just as she left the office, a Porsche stopped in front of her. The window rolled down, revealing a handsome face. “Lu Ning, long time no see.”

Looking at the person, Lu Ning quickly smiled. “Senior Yuchen, why are you here?”

Zhu Yuchen looked at the front passenger seat and smiled brightly. “Get in the car. I'll send you home.”

“Okay!” Lu Ning nodded and got in the car. The Porsche sped away.

...

In the car, Lu Ning's phone rang rapidly. She looked down and saw that it was Yin Zhihan calling.

“Lu Ning, why aren't you answering your phone?” Zhu Yuchen asked.

“Oh, it's a sales call.” Lu Ning directly hung up the phone, then pressed the mute button and threw the phone into her bag. “Senior Yuchen, why are you looking for me?”

“I heard that you entered this company, so I came to see you. Lu Ning, you're really ungrateful. When you graduated, I sincerely invited you to come to my company, but you rejected me politely. You said that you wanted to start a business. So, being a gentleman, I let you go. But instead, you came to the company of my sworn enemy.”

Lu Ning playfully stuck out her pink tongue and apologized, “Sorry, Senior Yuchen, I did indeed want to start a business, but I encountered some trouble, so I entered this company. In short, it's a long story. I hope you can forgive me.”

“Lu Ning, I heard that those who enter this company all go for fame.”

“What do you mean?”

Zhu Yuchen looked at her little face seriously and smiled, “Do you really not understand or are you just pretending to be confused? The great CEO Yin Zhihan is a killer of women, both young and old. What about you? You should have come into contact with this great CEO Yin before, have you been bewitched by him?”

Lu Ning’s little face quickly turned red. She felt guilty as she felt that Zhu Yuchen seemed to know something. “Senior Yuchen, don’t talk nonsense. The CEO and I are completely clean.”
