

Chapter 1411: Invitation

Qi Xin perked up her ears and listened to Xia Xibei and Qi Zhi'an's conversation, her expression changing along with it.

They were definitely looking for Ling Juan, but this was not a good thing for her.

Qi Xin gave Xia Xibei an intense look before lowering her eyes to keep her emotions from showing.

Her previous plan was to do something about Qi Zhi'an and Lin Xiao as a couple, but now that Xia Xibei had delivered herself to her door, it was even better.

After all, Qi Zhi'an and Lin Xiao had raised her for so many years. How bad would it be if they got hurt?!

!!

However, hurting Xia Xibei would be okay.

Thinking about this, Qi Xin's heart had more than a few thoughts.

Instead of waiting for Ling Juan to do something, she should take the initiative herself.

So, at eight o'clock in the evening, Qi Xin said to Lin Xiao, "Mom, my friends asked me to go out to play."

"You're going out so late?" Lin Xiao asked casually, but didn't care too much. "Why don't you take Beibei with you?"

"Well...." Qi Xin was pleased, but her face didn't show that. "I do want to take her out, but I don't know if she wants to."

Lin Xiao gave her a look, "If you are sincere with her, she will definitely be willing."

Qi Xin immediately raised her hand and swore. "I messed up! It's been so long since the previous incident, I'm really sorry about that!"

Lin Xiao hummed, "You have to truly show that."

"Of course, I will!" Qi Xin assured her. "She's so much better than me, so I have to learn from her."

She bowed her head and whispered. "I did this before because I misunderstood for a moment and couldn't change my mind, but now I won't be so childish!"

"Indeed!" Ling Juan nodded her head.

"I'm just worried that she doesn't want to go out with me." Qi Xin looked anxious. "I don't know if she will still care about what happened before."

“Don’t worry, Beibei won’t be so petty.” Lin Xiao was certain. “That child is not small-minded.”

Qi Xin smiled, and a glint of light flashed under her eyes, “Then... What do I tell her?”

“I’ll do it,” Lin Xiao said.

For Lin Xiao, it was a good thing to see Qi Xin and Xia Xibei on good terms.

She would prefer that they get along well rather than just not know each other.

After all, they were sisters, and since Xia Xibei was so strong, it would be beneficial if she could bring Qi Xin along.

It was not good to be at odds all day long when you are sisters.

So, Lin Xiao went to find Xia Xibei and told her the reason for her visit.

“Going out?” Xia Xibei was surprised. “Where?”

“Xinxin’s friends want to hang out with her, so it should be in the clubhouse. It’d be good for you to go along to have some fun too. There are many things to do there, and you don’t have to worry about being recognized.”

Lin Xiao knew the situation of Qi Xin's sisters and the places they often went to, which was why she was so relieved to let them go out on their own.

The ones who could play with Qi Xin were not from ordinary families.

Those young ladies didn't like to be surrounded by ordinary people, so they naturally had their own private world.

In a few months, when Xia Xibei went back to university in the imperial capital, her social circle would be different, and she would have to join these circles.

That was why Lin Xiao wanted Qi Xin to take Xia Xibei along for the ride.

"I see...."

Xia Xibei hesitated for a moment.

"Have you taken care of your business?" Lin Xiao asked, "If you're free, it's good to go and have some fun."

"Okay then, I'll go," Xia Xibei agreed with a smile.

Chapter 1412: The Clubhouse

After getting Xia Xibei's consent, Qi Xin's mood instantly improved.

If it was her who invited Xia Xibei, Xia Xibei would definitely not agree.

However, it was Ling Xiao who asked, so she naturally agreed.

No matter what, as long as Xia Xibei agreed, it was fine.

Then Qi Xin sent a message to her friends, saying that she would bring someone over.

!!

After Qi Xin's friends received the message, they didn't think much of it.

In addition to sending messages to her sisters, Qi Xin also sent messages to other people.

After everything was done, she took Xia Xibei out.

Along the way, her attitude was not very warm, but it was much better than before.

There was no tension at all, as if the previous disagreement between the two had completely disappeared.

Xia Xibei did not care.

“It’s quite fun there, there’s everything. Hot spring, spa...i t has everything you need,” Qi Xin explained.

“That’s good, I’d like to see it.” Xia Xibei also smiled and agreed.

The two of them were laughing and smiling, looking very harmonious, as if they were good buddies.

Half an hour later, the car arrived at the destination.

This was a high-class club, and it was a membership system.

To become a member here, you must first have money.

In addition to money, you also had to have power.

This place was a real playground for the sons and daughters of the rich.

Ordinary people couldn't even get close to this place, as the area around there had been bought, belonging to a private individual.

The gates opened and the car drove in.

Although it was night, the lights outside were very beautiful.

This place was even more wonderful and beautiful than some light shows, and it was clear that the club was rich and powerful.

Qi Xin introduced, "The owner of this place is a Han family member. The Han family is similar to our Qi family, and generally people will not make trouble here. If they make a scene, they will be kicked out."

"That's pretty good."

Xia Xibei looked as normal, as if she didn't notice the Han family's name.

Qi Xin looked at her and also showed a smile.

Soon, the car stopped and the two of them got out.

Just looking around, they were able to see a large group of buildings, and there was a lake in the distance with waterfowl such as swans and mandarin ducks.

The weather was starting to get hot now, but it was still possible to continue soaking in the hot springs.

Qi Xin liked to meet up with her friend to go to the spa and gossip, which was very relaxing.

The college entrance exams were in a month, but that was not a priority for any of them.

If they didn't do well in the college entrance exam, they could always go abroad.

So, their life was not much different from before.

Qi Xin took Xia Xibei into a large private room, where several of her friends were already present.

Although the girls were not as beautiful as Xia Xibei and Qi Xin, they had an unusual temperament.

Their families were rich, and their wealth had been passed down for generations, so their pedigree was certainly not the same.

If ordinary people came here, they would be intimidated.

Seeing Qi Xin come in, several girls also greeted her happily, "Xinxin, you've arrived."

"Yes," Qi Xin nodded. "Let me introduce you guys, this is my eldest uncle's daughter that he just got back."

As soon as these words came out, the expressions on several girls' faces immediately changed.

One of the girls spoke up, "Qi Xin, that's not right. What do you mean by bringing an illegitimate daughter here?"

They were all legitimate offspring, and they had no dealings with the children of a mistress.

Qi Xin was happy but her face looked helpless.

"Don't be like that, it's not what you think."

"Then which is it?"

The girl's face was still not nice.

Chapter 1413: Seeing the Problem

These pampered girls despised illegitimate offspring.

Moreover, they had more or less encountered the problem of mistresses in their own families, and they especially hated illegitimate children, who stole their resources.

Therefore, when they knew that Xia Xibei was an illegitimate daughter, they couldn't be in a good mood.

If it wasn't for Qi Xin, who brought her over, they might have already turned their faces up and kicked her out.

Did they really think this was a place for illegitimate girls to come?

!!

"Hm..."

The girl's question made Qi Xin freeze for a moment, a little embarrassed, as if she had no idea how to explain.

Looking at Qi Xin's helpless expression, as if she hadn't even considered the situation before, Xia Xibei smiled inside.

If there wasn't the slightest problem, she would be the one to doubt Qi Xin's mind.

"Huh? Isn't she a celebrity of some sort?"

"Yes! Isn't this Xia Xibei?"

The other girls also looked over and were stunned after seeing what Xia Xibei looked like.

With Xia Xibei's current popularity, she was already famous all over the country.

Even if they were not her fans, they must have heard about her.

They just didn't expect to see her here.

What was even more unexpected was that she was an illegitimate daughter?!

Are you kidding?

"I'm not like the others."

Xia Xibei stood out with a smile, not affected by their attitude at all.

"Different?" The girl glanced at her disdainfully, very condescending. "Does it mean that you are better looking than the others? So you're ready to come here to find a meal ticket?"

As soon as the words left her mouth, she couldn't help but laugh.

To them, looks were very important. However, looks were not the only thing.

Sometimes, exceptional looks were not a weapon, but a liability.

Especially for the daughters of poor families, great looks without enough weapons could be a drag.

These rich girls really didn't care about that.

For ordinary people who want to ascend to the top, using their looks was the only way out.

Xia Xibei was not angry at her belittling words; she was already prepared and there was no need to argue with them.

"I do look better than you." She smiled openly, "I'm a lot better looking."

Those words made the girls' faces go green.

Did she really take this as a compliment?

"However, that's not what I'm relying on."

Meeting their ugly faces, Xia Xibei continued, "I am now a child of the Qi family, and the reason they acknowledged me is not because of my bloodline, but because I have the ability."

“Ability?” The girl raised her eyebrows sarcastically. “What ability? The ability to look pretty?”

“No,” Xia Xibei raised her index finger and shook it, “Because I’m a miracle doctor.”

“Miracle doctor?”

Several people froze for a moment, then looked at each other and couldn’t help but laugh.

“Miracle doctor!”

“This is too much, it’s the first time I’ve seen such a young miracle doctor!”

“Wow! Bravo, applaud!”

Looking at their mocking faces, Xia Xibei’s smile remained unchanged.

“For example, I can tell at a glance that there is something wrong with this young lady’s health,” she said, pointing at the girl who spoke.

The girl’s smile disappeared when she was named, and her face sank.

“Oh? What problem did you see?”

“I can see that your body is a little deficient!”

Xia Xibei said with a smirk.

Deficient?

The crowd reacted, their faces changed, and they looked at the girl in disbelief.

The girl’s face turned green.

“What are you talking about?!”

Chapter 1414: I Am a Miracle Doctor

The girls in the room were pampered young ladies who spent a lot of time caring for themselves.

Their figures were not too thin, but it was not possible for them to be deficient either. They were not children of ordinary families!

Such loaded words from Xia Xibei were simply alarming.

It couldn't be that something bad has happened, could it?

That girl was also very angry and her complexion was horrific, but a closer look also revealed the panic in her eyes.

!!

"You're talking nonsense!" she cursed angrily. "What deficiency?! My body is perfectly fine!"

She wanted to rush up and slap Xia Xibei.

However, before she could do so, Xia Xibei already laughed, "I'm not talking nonsense, your health is not good now."

She looked innocent, taking the initiative to walk up to the girl and hold her wrist.

The girl tried to pull out her hand, but to her surprise, Xia Xibei's grip was not too strong, but it was so tight that she couldn't move!

This really alarmed her!

As she struggled, the next moment, Xia Xibei came up to her ear and said something. She stopped, her face full of shock and doubt.

The others watched their movements with bewildered faces.

What were they doing?

What did Xia Xibei say? How come she stopped making a scene?

Xia Xibei had recognized the girl's identity.

After taking the pulse, she immediately recognized the girl's identity.

She was a daughter of the Han family and a girl who had been raised as a hearth.

Obviously, she was not a good girl. Moreover, her physical condition was much worse than Tang Luo's because she had just had a miscarriage not long ago.

However, the vital energy in her body was not too much of a problem and she was likely not used for cultivation.

Xia Xibei laughed with everyone, "This lady's health is really not too good, a little deficient. It can't be helped that her weight loss is excessive."

When these words came out, the others suddenly looked odd.

Overweight?

Everyone couldn't help but look at the girl.

She was indeed much thinner than before, and everyone thought something had happened to her, but it turned out that she had lost too much weight!

The girl's name was Han Hui, and she was very uncomfortable being sized up by everyone's eyes.

However, thinking about what Xia Xibei just said, she didn't continue to struggle.

On the contrary, she had a little more hope.

She proudly shook off Xia Xibei's hand, "Humph! So you have some skills!"

Looking at her typical attitude, it dawned on everyone.

Xia Xibei was right!

"Of course I do."

Xia Xibei smiled and turned to the others. "This young lady, your period is not normal, right?"

The person she was pointing at was startled, "How do you know?!"

Her period was not normal, and every time her period came, it hurt like hell.

She had been to the doctor before, but the treatment was not very effective.

"I can see it," Xia Xibei justified, "But it does not matter. I can help you regulate it, and you will be fine in the future."

"Really?"

"Of course." Xia Xibei nodded confidently, and pointed to another girl, "As for you... Your digestion is not very good."

"How do you know?!"

The girl also drew back a breath.

"I've said it before, I'm a miracle doctor," Xia Xibei smiled. "So, the reason I can return to the Qi family is that I am a divine doctor!"

These words made the crowd's expressions complicated.

She was... Really a miracle doctor?

At such an age, she was actually a miracle doctor?

However, what she said hit the mark, and everyone had to admit her strength.

In this way, everyone's attitude has changed.

After all, who would offend a miracle doctor?

Chapter 1415: Trying to Resist

When Xia Xibei showed her skills, everyone quickly changed their attitude toward her.

Previously, they thought that she was just an ordinary illegitimate daughter, and such an identity was certainly not worthy of everyone's liking.

However, after she showed a different kind of strength, they naturally would not turn against her.

They were all smart people, and they would not casually offend people with extraordinary abilities, especially doctors.

Although they were not immediately enthusiastic, it was much better than the rejection and mockery just before.

!!

This made Qi Xin's smile turn stiff.

She had brought Xia Xibei here, but of course, she didn't want to pass so easily.

In her plan, these ladies would definitely give Xia Xibei a hard time.

Who would have thought that in just a few minutes, the situation would have changed?!

This made her feel very uncomfortable.

However, she could not show it.

Xia Xibei had already gone over and talked to them warmly.

Those people were a bit uncomfortable. After all, they had just disliked her, and then they turned around and gave her a smile, which was too ridiculous.

However, looking at Xia Xibei's calm appearance, as if she did not care about this matter, they also quickly adjusted to it.

Moreover, they were more concerned about their own health!

In modern society, unless you exercised every day and had a balanced and healthy diet, everyone would have some health problems.

They usually liked to party and did not like to exercise, so it was normal to have small problems.

They were not stupid; they needed her help!

So, Xia Xibei was surrounded by them and they started to discuss their health problems.

Han Hui looked at Xia Xibei with a very complicated expression.

She didn't expect that Xia Xibei could really see her problem!

Xia Xibei also said that she could help her solve her current difficult situation.

It was also because of these words that she calmed down.

Other people didn't know and thought she was in a good situation. After all, she was a pampered daughter of the Han family.

In the eyes of outsiders, she had a very beautiful life and had everything she wanted, but only she knew that the glamor was based on the sacrifice and dedication of the family's girls!

She also wanted to rebel against her family, but she did not have enough power.

Unable to resist, she could only let loose in private.

Since the family demanded that they be used as hearths and sent to others for cultivation when the time came, not treating them as human beings at all, she decided to first spoil her own body so that they could not have their way!

Although this way of resistance was absurd, she had no other way.

She didn't expect that she would get pregnant!

She had no choice but to find a small clinic to have an abortion.

Although there was no safety problem, her health was still damaged.

However, in order not to let others find out the problem, she had to go on with her activities as usual.

It just didn't occur to her that this would be seen by Xia Xibei with just a glance!

When the words came out of Xia Xibei's mouth, she was stunned!

She almost jumped up at that moment!

What she was more afraid of was that Xia Xibei would tell the world about this kind of thing!

If the Han family knew what she had done, it would be the end!

Although she didn't want to be controlled by her family, she didn't want to die like that. She could live with it.

Han Hui's mood was incredibly complicated, and standing on the sidelines looking at Xia Xibei, who was surrounded by people, she had some more hope in her heart.

This girl probably had some real skills!

Chapter 1416: Promotion

Looking at Xia Xibei, who was surrounded by the girls like a star, Qi Xin gnashed her teeth.

She really didn't expect that Xia Xibei had such a skill!

She knew before that Xia Xibei knew a lot about medicine.

However, she always thought that it was just Qi Zhi'an trying to make Xia Xibei look good, and that was not true.

Even if Xia Xibei knew how to heal, she would only be able to treat the common cold.

!!

Now, with the strength that Xia Xibei showed, she could no longer deceive herself.

Qi Xin took a few deep breaths and pushed down the depression in her heart.

Although the development of things went beyond her expectations, there were other ways!

Xia Xibei was not paying attention to Qi Xin's reaction, still treating the ladies.

"Your problem is not big. With a few more massages and the medicine I prescribed, you won't have much of a problem," she said to the girl with irregular menstruation.

"Massage? Who do I get the massage from?"

"You can go to Hongyan Beauty Club," Xia Xibei said. "A Hongyan Beauty Club has just opened in the capital city. The masseurs there are very well-trained. You tell them the requirements, and they will naturally know how to do it."

Liu Manhong's pace of development was quick.

She has already opened branches in several major cities, expanding her business territory.

After all, the imperial capital was the imperial capital, and there were many rich people here, so how could they not have a Hongyan Beauty Club?

"Hongyan Beauty Club?" The girls looked at each other. "I think I've heard of it."

"It just opened not long ago," Xia Xibei explained with a smile. "Moreover, the masseurs there were all trained by me."

This statement made several people even more shocked.

"You trained them?"

"Yes," Xia Xibei's expression was the same. "The masseurs inside have been professionally trained, so they are all very good! You have used Hongyan Youth, right?"

“Hongyan Youth? Of course, I’ve used it.”

They all said the same thing.

How could they not have used Hongyan Youth?

Hongyan Youth was so famous now, and its effect was superb!

Those who were used to using various international brands of skin care products immediately defected after using Hongyan Youth once.

After all, the effect of Hongyan Youth was really good, so good that they couldn’t help but be impressed.

Although Hongyan Youth was expensive, it was nothing to them!

“The Hongyan Youth used in the Hongyan Beauty Club is much better than the products sold outside when combined with the services inside.”

Xia Xibei smiled as she sold them their products.

These were rich ladies, so of course they should contribute a little money to their business.

“Really?”

Several people exchanged a look.

If, as Xia Xibei said, the Hongyan Youth inside worked better, then they shouldn't miss it!

"I told you, how come Little Ling's skin is so much better these days. She must have gone to Hongyan Beauty Club!" a girl grumbled angrily.

"Definitely!" another girl agreed. "I even asked her, she said she was using Hongyan Youth!"

So it was this Hongyan Youth!

So there were differences here!

Thinking about it, they were even more excited.

But wait a minute... They were talking about health problems, not skincare advice!

Seeing their speechlessness, Xia Xibei continued to smile, "The massages there are very good. If you are not feeling well in any way, you can try it out. As for other problems, I can prescribe medicine for you. The medicine will help you to get rid of the problem."

Qi Xin's face was green as she watched Xia Xibei sell like a charlatan.

Chapter 1417: Self-Pity

Next, Xia Xibei also took some time to demonstrate the steps of massage to the girl with stomach problems.

After some massage, the girl immediately looked surprised. “My stomach is really much more comfortable!”

Once again, everyone was shocked by such an immediate effect.

Han Hui had more hope for Xia Xibei.

Qi Xin watched them getting along harmoniously, and the smile at the corner of her mouth had completely disappeared.

!!

After a while, she finally found an opening to speak.

“Let’s go to the hot spring!”

“Oh yes, let’s go to the hot spring first. The hot spring here is very good.”

The others also nodded, “It’s especially comfortable after a soak!”

“Yeah,” Xia Xibei smiled and nodded straight away.

In half an hour’s time, they had become good friends with Xia Xibei.

This simply made Qi Xin vomit blood!

This was not how it was supposed to work!

However, she would create more opportunities for Xia Xibei to fail!

Didn’t she like to make friends? Let’s make more “good friends”!

The clubhouse was fully equipped, and there were even swimsuits available.

Xia Xibei was taken to a room, she picked out a brand-new swimsuit, changed, and walked out.

The others moved even faster and soon all changed into their swimsuits and waited for her outside.

When she came out, everyone’s expressions were wonderful and their eyes changed.

Xia Xibei's face was beautiful, but even her figure was too good to be true!

Due to her previous training, the curves of her body were even more beautiful.

Before, she also had a good figure, but she didn't look too powerful. After targeted training, her body's curves were now more perfect, with a little power, making it irresistible.

Especially those long legs, which were a real source of envy and jealousy!

A few girls stared at Xia Xibei for a while, then looked down and sighed in a faintly unnoticeable way.

How could it be like this?

It was too much!

How were they supposed to go on?!

Since Xia Xibei came out, Qi Xin's expression had frozen and her smile was a bit embarrassed.

However, she quickly adjusted.

The better Xia Xibei's body was, the more desirable it was, wasn't it?

"Okay, let's go!" Qi Xin shouted, then took the lead.

"OK," the crowd nodded and then followed.

Soon, they arrived at the large outdoor hot spring.

Although it was night, it didn't bother the group at all.

The lighting here was very beautiful, and it looked even more stunning above the bubbling hot spring.

Whether it was day or night, the setting was unforgettable.

When they arrived at the hot spring, the girls took off their bathrobes to reveal their beautiful youthful bodies and got into the water.

The warm water instantly soothed the mood.

Even if Han Hui had something on her mind, it was just as satisfying at this moment.

Soaking in a hot spring could really sweep away all worries.

Under the lights, Xia Xibei smiled and sat on the stone slab at the edge of the hot spring, her skin was so fair that it seemed to glow with luminescence.

The others couldn't help but look on with envy.

Even if they were all girls, this difference was a bit big!

Look at those boobs! The waist! That ass! The long legs!

One could not help but cry to oneself.

A few girls were soaking in the hot spring while chatting about the day.

They were talking amicably when they heard the sound of footsteps coming from outside.

Everyone turned their heads to see a group of people walking out from the path behind the boulder.

The man at the head of the group's eyes lit up when he got a good look at the people there.

"Beibei! What are you doing here?"

Xia Xibei's expression had sunk.

It was Gu Yinglei.

Chapter 1418: Enemies Are Bound to Meet

Gu Yinglei walked over with a few men, they were all wearing bathrobes.

This made Xia Xibei's mood even worse.

After what Gu Yinglei had done to Qiao Yanjue, he still had the nerve to come over to the hot spring? He was not taking what happened before seriously at all!

It was outrageous!

However, she quickly pulled herself together.

!!

"Yeah, I'm here to play."

"Why didn't you look for me? I know this place well!" Gu Yinglei said immediately, with a little regret.

“Yinglei, who is this?” His companions around him immediately started to cheer. “Is it your girlfriend?”

“She looks like a star!”

“Right! The actress whose last name is Xia!”

“Huh... seems to be the same person?”

Listening to them chattering, Gu Yinglei coughed lightly with a bit of smugness.

“She is the star you are talking about. Her name is Xia Xibei.”

Xia Xibei’s expression did not change and she did not refute, not mentioning that her last name was now Qi.

Qi Xin would not say anything to explain either.

After those guys heard this, they suddenly understood.

“I thought that the stars on TV all had fake faces, but I never thought that the real person could be so beautiful!”

“The body is even better!”

Along with these words came their salacious gaze and malice.

Xia Xibei’s eyes went cold.

Gu Yinglei sensed her cold attitude and immediately elbowed his friend, “What are you talking about!”

“Oh yes! Can’t say that! This is our new sister-in-law!”

“Oh yes, sister-in-law!”

Listening to their uproar, Xia Xibei’s face was expressionless.

Gu Yinglei was happy, but he felt that he could not go too far, so he hurriedly shouted to stop.

He looked at Xia Xibei again.

“Well, how about this... We can soak together?”

This was a large pool, which could accommodate many people.

“Okay...”

Xia Xibei suddenly showed a bright smile.

The smile was so bright, it almost blinded Gu Yinglei.

“Come, come, let’s soak in the hot spring together!”

The men shouted, took off their bathrobes, and went into the water in unison.

They were not badly built. Although they didn’t have six-pack abs, they didn’t have a big belly either, and they didn’t look greasy.

After all, they were the offspring of rich people, who had standards for their figures, so that they could attract more girls.

Of course, their eyes and expressions were seedy enough that at least Xia Xibei was very unhappy with them.

However, she didn’t care about that either.

After getting in the water, Gu Yinglei walked towards Xia Xibei.

The water level in the hot spring was not high, and when Gu Yinglei stood, the water only reached his thighs.

So he walked up to Xia Xibei proudly wearing his swimming trunks and stuck forward a certain bulging part that made him proud.

The other men were already whispering.

As an adult, attractiveness was not only in appearance, but certain hardware also needed to be kept up.

Gu Yinglei was very confident in his own hardware.

At least many girls had gone soft after seeing his hardware.

Gu Yinglei believed that Xia Xibei would be no exception.

Xia Xibei lowered her eyes. Her eyes did not stare at a certain part of him, afraid of being disgusted.

She had wanted to take revenge, but she did not expect that the opportunity would come so quickly.

She was also thankful that she had been fully prepared.

Gu Yinglei walked over to Xia Xibei's side, and several girls moved out of the way.

Xia Xibei did not say anything.

Gu Yinglei smiled at them and tried to sit down next to Xia Xibei, but felt his body go limp and his whole body fell forward involuntarily.

Chapter 1419: Messed Up

As the crowd watched, Gu Yinglei flung himself directly into the pool.

This pool was not deep, but he flopped in the water for a while and still did not stand up.

Everyone had thought that it was just a momentary lapse, and no one wanted to save him.

After all, it was such a shallow pool, what could really happen?

If something really happened, it would be so embarrassing!

!!

Even children did not have to worry about accidents here.

Under the watchful eyes of the crowd, Gu Yinglei continued to flop in the water.

After tossing and turning for a while, everyone saw that he didn't stand up. Then they realized something was wrong and immediately went and pulled him up.

Looking at his messy appearance, Xia Xibei couldn't help but dodge

backward, her eyes full of disgust.

The other girls also looked at him with disgust.

What was wrong with him?

This was a hot spring pool, not a deep water area! He couldn't even stand up?!

He was not a child!

When he was picked up, he drank a few mouthfuls of water but did not

need artificial respiration.

Otherwise, he would be ridiculed for decades!

Who would drown in a hot spring pool?!

After being fished out, Gu Yinglei's expression was also interesting.

He didn't expect to suddenly fall down.

In the water, he obviously wanted to stand up, but he hadn't been able to.

It was as if there was a whirlpool in the water pulling him; it was simply too strange!

After he stood up, he looked at Xia Xibei again but was met with her disgusted eyes.

He was instantly embarrassed.

He was trying to act cool before, but now he'd just messed up.

"I..."

"It's okay, keep soaking!"

His friends tried to appease him.

“Are you weak in the legs?” Xia Xibei looked at him with a serious face. “You may have been emptied too much these days, remember to abstain.”

These words made Gu Yinglei’s face turn green.

Emptied? This was a sarcastic comment!

He opened his mouth, but for a while, he couldn’t think of anything to say.

After all, this instance of pretending to be cool but messing up had never really happened before.

So, he had little experience in dealing with it.

Since there were so many people on the scene, he would be laughed to death if word got out!

Thinking of this, Gu Yinglei would like to go back into the water.

It was too damn humiliating!

“Ah, Yinglei, you can go with me to get something.”

It was Gu Yinglei’s friend who had the sense to immediately find an excuse.

Otherwise, Gu Yinglei would be even more embarrassed.

Should he continue to stay here and soak in the hot spring as if nothing was wrong, or should he leave for a while first?

Basking in the odd looks from the crowd and watching them hold their laughter, Gu Yinglei made a decisive decision.

Leave first!

“Okay, I’ll go with you.”

Gu Yinglei smiled at everyone and then went out of the water.

After the two of them left, the crowd couldn’t help but laugh out loud.

Gu Yinglei listened to the faint laughter, his face was grim.

Today was too damn humiliating!

After ten minutes, Gu Yinglei adjusted and came back again, but found that there were a few more men at the pool.

After getting a good look at the men, Gu Yinglei's face sank.

"Lu Liangxun, why are you here?"

The man who was talking to Xia Xibei turned around and grunted, "You can come here, but I can't?"

Gu Yinglei's face was even uglier than his. "What do you want?"

"What can I do?" Lu Liangxun snickered. "There are beautiful women here, can't I chat for a bit?"

"No!" Gu Yinglei immediately darkened his face. "She is my girlfriend!"

"She's your girlfriend?" Lu Liangxun frowned at once.

"I'm not his girlfriend."

Chapter 1420: Tit for Tat

“I’m not his girlfriend.”

While they were arguing, Xia Xibei calmly opened her mouth.

These words mocked Gu Yinglei’s complacency.

Lu Liangxun laughed loudly, “Hear that? Don’t make a fool of yourself! Can’t you look in the mirror and have some sense of yourself?”

Lu Liangxun and Gu Yinglei were both from ancient martial families, but just because they came from comparable backgrounds didn’t mean that they were all friends.

!!

On the contrary, they both looked at each other with disdain.

The two were of a comparable age and had similar circumstances in all aspects, so there was a kind of competition between the men.

They always got into a fight if they met.

What was even more ridiculous was that the two men liked the same things and the same types of girls.

So, Lu Liangxun, after seeing Xia Xibei, immediately became interested in her.

Such a beautiful girl, and also a new face. Of course, he wanted to pursue her!

He just didn't expect that Gu Yinglei would pop up and say that she was his girlfriend.

However, Xia Xibei's retort made Lu Liangxun laugh out loud.

Where did Gu Yinglei get the nerve to say such a thing? Now that he'd been slapped in the face, shame on him!

Gu Yinglei was not angry at Xia Xibei's words, but Lu Liangxun's ridicule made him explode.

The two of them were already tit-for-tat. Of course they couldn't admit defeat over a girl.

"Lu Liangxun, why do you have so much free time? Didn't you get kicked out of the country?" Gu Yinglei had a sarcastic smile on the corner of his mouth.

Lu Liangxun's expression stiffened for a moment.

Recently, he had been sent out of the country by his family to avoid the fallout over a little problem.

Not many people knew about this kind of thing.

However, Gu Yinglei definitely knew about it.

After all, the person who knew him best was his enemy.

Being reminded of the disgrace, Lu Liangxun's smile froze for a moment but quickly smiled anew.

"I missed you, that's why I came back." He smiled, "However, I did hear that you have lost a lot of money in the past few days."

These words caused Gu Yinglei's face to turn green.

The matter of the new material before was quite a big deal.

He should have profited a lot, but unexpectedly, when Qiao Yanjue set him up, he suffered a lot of losses.

Since it was their Gu family, such a loss was not so bad as to break their bones, but it was not trivial.

Of course, he had already gotten his revenge.

Now that Lu Liangxun mentioned it, he was secretly annoyed.

"In business, of course there are losses and gains. Don't worry, I will earn it back again soon, so you don't have to worry about me," Gu Yinglei laughed.

"I'm not worried about you." Lu Liangxun shrugged. "I just want to say, if you lose money again, you can talk to me. I don't have a lot of money, but... I can look at the show!"

The turn of his words made everyone stifle some chuckles.

Gu Yinglei's face became even uglier.

He and Lu Liangxun just couldn't coexist peacefully.

If Xia Xibei hadn't been there, they might have gotten into a fight.

While they were arguing, Xia Xibei came out of the water with her figure on display.

Although she was wearing a one-piece swimsuit, the swimsuit was body-hugging, outlining her perfect curves.

The eyes of the surrounding men turned salacious.

Xia Xibei didn't seem to notice everyone's expressions. She got on the shore, put on the bathrobe, turned around, and was about to leave.

“Don’t go!”

Lu Liangxun was anxious and wanted to rush up and stop her.

“Stop right there!” Gu Yinglei immediately stepped forward to stop Lu Liangxun.

Although Xia Xibei was not yet his girlfriend, he had long considered Xia Xibei as his own.

He absolutely could not miss such a beautiful girl!
