

Chapter 1451 - 1451 Implicit Understanding

1451 Implicit Understanding

Xia Xibei found that his temperament changed a little after Qiao Yanjue woke up.

Before, although he was also a domineering CEO, there was no such fierce feeling.

The new Qiao Yanjue seemed like a knife that had been sharpened. He had a cold light that would slit your throat if you got close.

This was like the “Lord Jue” she knew in her previous life.

!!

When she thought back to what Qiao Yanjue had said earlier and how he had killed Yang Mo, who betrayed her, Xia Xibei’s heart ached slightly.

She wondered how long it took Qiao Yanjue to pull himself together after her death.

“How is Gu Yinglei doing now?” Qiao Yanjue looked at Xia Xibei.

“How’s what?” Xia Xibei wondered.

“How many days have I been in a coma?” Qiao Yanjue asked instead of answering.

“Altogether, it’s been six days.”

“You didn’t stay with me every day, did you?”

“I made a trip to the imperial capital.”

“Exactly,” Qiao Yanjue shrugged his shoulders.

“So?”

Xia Xibei had a vague idea in her mind.

“As I recall, the elder sister was never one to be messed with.” Qiao Yanjue looked at her with a smile in his eyes, the previous cold and hard light instantly melting away.

Xia Xibei froze for a moment before reacting and couldn’t help but lose her smile.

“You are right. I, the elder sister, am not a person to be messed with.”

Back then, after becoming Qiao Yanjue’s elder sister, Xia Xibei had always wanted to put up her elder sister’s front.

Otherwise, this little brother would not recognize her status!

So, she was very serious about putting up her elder sister's air and posture.

So, when the young brother was in trouble, she, the elder sister, immediately stood up for justice.

Although the young brother himself also had a way of taking revenge, the elder sister would never let him suffer.

She protected him!

Now, the relationship between the two of them had changed, but Qiao Yanjue knew that Xia Xibei's character would not change.

She would consider the people who were classified as under her protection as her responsibility.

If someone bullied them, she would jump in to protect them.

Since he was her boyfriend, she would definitely care more.

Therefore, Qiao Yanjue believed Xia Xibei would never sit idly by and do nothing.

The elder sister was not someone who was bogged down by romantic love.

Xia Xibei's smile was bright.

She and Qiao Yanjue had a tacit understanding that if she wanted to do something, the other party would know very quickly.

However, compared to the current level of wordless understanding they had, their previous level of understanding was still not enough.

Qiao Yanjue, who had awakened the memory of that time, had a higher tacit understanding with her.

"I messed with him a little bit."

Xia Xibei told what she had experienced when she went to the imperial capital.

After hearing Xia Xibei's words, Qiao Yanjue's smile faded away and was replaced by a cold hardness.

"In other words, he can't walk now?"

"No, he has to stay in bed for a week."

Actually, she had a way of making Gu Yinglei get better in a week. After all, she was the one who made Gu Yinglei look like this.

However, why would she want to make it so easy for him?

Of course, she should let him spend some time in bed properly!

Besides, compared to what Qiao Yanjue had suffered, he had it so much easier. At least he was still awake!

“What about after that?” Qiao Yanjue asked.

“In a week’s time, I’ll go there again; by then, he’ll be a little better than before.”

“You made it a month for him?” Qiao Yanjue confirmed.

“Right.”

“That’s fine. One month is enough time.”

He had a grim smile on the corner of his mouth.

Chapter 1452 - 1452 Just One Drink

1452 Just One Drink

A few days later, Xia Xibei made another trip to the imperial capital.

After this treatment, Gu Yinglei could get up from bed.

Although he was still a bit tired, at least he could walk.

The three members of the Gu family were very happy with this development.

!!

Gu Yinglei, in particular, cried tears of joy.

Before, when he was lying in bed and couldn't walk, it was really too uncomfortable. He feared that Xia Xibei was not strong enough to make him walk.

Fortunately, there were no problems now.

Xia Xibei had left a little medicine behind and went away again.

She said to just take the medicine every day for a month.

It was not necessary to avoid eating certain things, but he must avoid sexual intercourse.

Otherwise, even if something happened, she would not come back to help.

After Xia Xibei left, Gu Yinglei excitedly sent messages to his friends.

It was so nice to get well, and after holding back for so long before, of course he had to party hard.

He couldn't help it, he was used to partying, and now that he was well, he had to go out and have fun.

So, he asked his friend to take him out.

His friend was also very enthusiastic and reserved a nice bar.

"I'm telling you, it's super nice there. The main thing is that there are many hot girls!"

His friend was winking at him.

"Hot girls?"

Gu Yinglei was delighted, then calmed down again.

“No,” He shook his head, “I can’t mess around.”

If something happened, it would be a problem.

He believed what Xia Xibei said, and the outcome would be very disastrous. The point was, she wasn’t coming back for his treatment.

“Geez, you think too much!” The friend slapped him on the back. “It’s not like I’m asking you to get it on right now! Can’t you just get to know the girls first?”

This comment made Gu Yinglei drift off.

Yeah, he didn’t have to do anything at this point, he could just get to know the girls first and then go from there.

“Okay, let’s go!”

He immediately made the decision.

Hot girls were essential!

So, a group of people quickly arrived at the destination.

This bar had a nice environment, no escort girls, but a place for both men and women to hook up, and many hot people were coming over.

After entering, Gu Yinglei was soon attracted by the beautiful women there.

So many beautiful girls!

Soon, the wine came up.

"I can't drink," he refused.

"Gee, one glass is no problem, right? What are you afraid of?"

His friend poured him a drink without saying anything.

"One glass... Is okay."

Gu Yinglei hesitated but agreed.

Xia Xibei said he could not drink much.

Couldn't drink much just meant that... He could drink a little, right?

Anyway, it was only a little. It did not matter.

What was the point of coming to the bar if he didn't drink at the bar?

Thinking of this, Gu Yinglei agreed.

After a glass of wine, the atmosphere became warm.

The dim and swaying lights and the warm music made people's adrenaline soar.

Soon, a girl sat beside him and lightly opened her red lips, "Hello, I'm Lisa."

Looking at the exquisite looking woman in front of him, who had some resemblance to Xia Xibei, Gu Yinglei's eyes widened.

He thought it was Xia Xibei!

However, when he looked clearly, he realized that it was not Xia Xibei.

She only had some similarities to her, but the girl managed to attract his attention.

Soon, the two of them got into a lively conversation.

The girl's insight was good, and she was not boring at all. The more the two talked, the happier they became, so Gu Yinglei inadvertently drank a lot more wine.

By the time he came to his senses, he was already lying on the bed.

Chapter 1453 - 1453 Powerless

1453 Powerless

The girl in front of him had delicate eyes and a seductive posture, which couldn't help but make Gu Yinglei react.

However, just as he reacted and wanted to act, he suddenly felt a sharp pain somewhere.

He couldn't help but curl up and scream in agony.

Lisa was so scared that she rolled out of bed.

!!

She immediately rushed out to call someone.

When the others rushed Gu Yinglei to the hospital, they were in a frenzy.

By this time, Xia Xibei had already left for M country.

She was supposed to be going into the cast. It was only because of Qiao Yanjue that she took some time off.

Now, she had been in her home country for half a month and couldn't continue to delay any longer.

Moreover, she had already given Gu Yinglei enough medication, and as long as he followed the medical advice properly, there would be no problem.

So, when she received the call that something had happened to Gu Yinglei, her face did not look good.

"What's going on?"

She held the phone with an unpleasant look on her face.

"There is no way that the medicine I gave could be wrong!"

"Ms. Qi, I'm sorry, can I trouble you to come back and take a look?" Gu's father's anxious and nervous voice came from the other end. "He is now..."

Speaking of Gu Yinglei's condition, he wanted to cry.

The doctor said that he was going to be impotent!

When they heard this news, Gu's father and mother almost fainted!

If a man was impotent, would he be of any use?

They didn't have time to reprimand Gu Yinglei and immediately contacted Xia Xibei.

"I'm already in M. Even if I go back, it will take me a day," Xia Xibei sternly refused his request. "Tell me exactly what is going on!"

"Uh..."

"He violated my rules?" Xia Xibei asked in a cold voice.

"I..."

Gu's father was embarrassed at once.

Gu Yinglei had indeed violated her request, but how could he admit it?

“No!” He immediately shook his head. “I don’t know what’s wrong with him. Can I trouble you to come back and take a look? Money is not a problem!”

“No,” Xia Xibei coldly hummed. “Turn on video chat. I’ll see how he is.”

These words made Gu’s father hesitate for a moment.

Could he turn on the video chat?

If he opened the video, wouldn’t Xia Xibei know about it?

However, he opened it anyway.

When the video was turned on, looking at the pale Gu Yinglei on the bed, Xia Xibei sneered to herself, but her face remained the same.

“Come a little closer.”

Father Gu obeyed and did as he was told.

Then, Xia Xibei grunted, “I’m not going back.”

“Ms. Qi!” Gu’s father exclaimed.

“He violated my rules, and I’ve run out of options.”

These words stunned both Gu’s father and mother.

“Ms. Qi! He didn’t-”

“Don’t lie to me!” Xia Xibei interrupted their plea. “You don’t have to deceive me, as there’s nothing I can do.”

The camera panned around, and the worried and anxious faces of Gu’s father and mother appeared.

“Ms. Qi...”

“I told you guys a thousand times, you absolutely can’t violate the rules. Otherwise, I can’t do anything about it. He didn’t take what I said seriously! In that case, you guys can find someone else! Even if a great god appears, there is nothing we can do!”

After saying that, she hung up the phone.

“Ms. Qi!” The two of them looked as if they had been struck by lightning.

They dialed the phone again, but it hung up, and Xia Xibei was unwilling to talk to them anymore.

The two of them were frantic.

What could they do?

It was over!

They looked at each other and cried.

When Gu Yinglei woke up, he heard the devastating news.

Chapter 1454 - 1454 A Mess

1454 A Mess

Gu Yinglei woke up without feeling much of a problem.

He was so happy in his heart that he thought what had happened before was just an illusion.

However, when he reached out to feel himself, he was frozen.

There was not much feeling there.

!!

He tried to recall girls' hot bodies and was shocked to find that no matter how worked up he was, there was no response there!

Then, after hearing what his parents said, he was even more confused.

What did they mean by useless?

How was it possible?

It was as if he was struck by lightning, and his whole body was going crazy.

There was no way this could have happened! Impossible!

However, no matter how much he didn't believe it, the fact was right in front of him.

Although Gu's father and mother were also angry, more than that, they were sad.

Who wouldn't be worried and sad when something like this happened to their own child?

“Bring Qi Xibei back. Make her fix it for me!”

Gu Yinglei was so anxious that his voice was hoarse, and his forehead had bulging veins.

He had a horrified face with unbelievable madness.

Gu’s father looked at him and finally could only shake his head, his face very ugly.

“She said that there was nothing she could do!”

Gu’s mother cried out, “You were instructed before that you should not mess around! Why did you still do this? Would it kill you to hold back a little?!”

Gu’s mother was so angry and anxious that she wanted to hit him with a stick.

It was obvious from what Xia Xibei had said before that this kind of thing must never happen, so why did he still do this?

Couldn’t he hold back a little?

However, it was useless to pursue this now.

“Get her back! Get her back!”

Gu Yinglei turned a deaf ear and got up from the bed, wanting to rush out and get Xia Xibei back.

If not for Gu's father, he might have rushed out.

The room was in chaos.

While they were making a lot of noise, the phone rang.

The phone rang for a while before they finally picked up the phone.

"What?!"

Father Gu's tone was mean. The events that happened today made him unable to be calm.

On the other end of the phone was his very anxious secretary.

"Mr. Gu, something is wrong!"

"What's wrong?! Can you talk properly?"

Father Gu was so angry that he cursed.

This kind of thing happened to his son, and then she said something was not good. It was unlucky, wasn't it?

"Gu Guanlin and his people are here, and they want to take over the company!"

When these words came out, Gu's father was struck by lightning.

"What did you say? Say it again!"

"They said they are taking over the company now!"

The secretary was about to cry.

Father Gu held the phone, stunned.

After a while, he came back to his senses. "Tell me clearly! What is going on?!"

When he understood the content, Gu's father's phone almost fell to the ground. He took a few steps back, looking shocked.

Gu Guanlin was Gu Yinglei's older cousin, but because the patriarch preferred Gu Yinglei, he was given a company to manage.

This company was the same company that stole the results of Qiao's group before and then got ruined.

Now, somehow, Gu Guanlin did something and was trying to take over the company!

Looking at Gu Yinglei crying and howling, Gu's father angrily rushed up to his son, took a big step forward, and slapped him.

With a loud smack, a clear mark emerged on Gu Yinglei's face.

Gu Yinglei stopped and looked at his father incredulously.

"You..."

"You useless son!" Gu's father was so angry that he cursed, pushing away his wife, who rushed up.
"Look what you've done!"

Chapter 1455 - 1455 This Is A Miracle Doctor

1455 This Is A Miracle Doctor

When Gu Yinglei figured out everything, he was completely dumbfounded.

“What the hell does Gu Guanlin want? I- I’ll fight it out with him!”

“Fight for what?!” Gu’s father was so angry that he pointed at him and cursed, slapping him again. “You don’t think about what you’ve done before! Can you fight with him?!”

Father Gu was more sober than Gu Yinglei. He knew that for Gu Guanlin to do anything, he must already have something on Gu Yinglei.

!!

Moreover, Gu Yinglei had done something bad before and lost a lot because of wrong decisions.

In this case, he did not try to recover the losses but continued to lose.

So now, something had happened.

This was just great. They were finished!

Before they could think about this matter, there was a knock on the door.

The three of them stopped, and they all had bad feelings in their hearts.

When they opened the door, their faces turned grim.

Sure enough, it was Gu Guanlin!

Gu Yinglei almost rushed up to give Gu Guanlin a slap.

How dare he come to mess with him at this time?

Gu Guanlin had been prepared for this, and someone stepped forward to block Gu Yinglei.

“Guanlin!” Gu’s father looked at Gu Guanlin with a sullen face, “What do you mean by all this?”

“Uncle, you’ve wronged me too much.”

Gu Guanlin was around 30 years old, tall, and handsome. In a well-tailored suit, he looked like a successful man.

Now, his aura was also very powerful.

Even if these people were his relatives, he was not half moved.

“I came over this time to actually tell you guys something good.”

“A good thing?”

The faces of the three members of the Gu family instantly darkened.

Did he think that they did not receive the call just now and did not know what was happening?

Gu Guanlin had stolen the company and now came to the door to show off. How was this a good thing?

Thinking of this, the three people were so angry that their chests hurt.

“Of course it’s a good thing,” Gu Guanlin smiled. “I heard earlier that Yinglei was not feeling well?”

The words were subtle, but his eyes rested unrelentingly on Gu Yinglei’s injured area.

Gu Yinglei subconsciously clamped his legs together, and then his face turned green.

He had robbed the company, and now he was coming over to mock him?

He swore that if Gu Guanlin dared to say anything bad, he would definitely get him killed!

However, Gu Guanlin wasn’t such a person and didn’t come to the door this time just to make enemies.

Although he had snatched the company from them before they could make trouble with him, he had to settle these matters.

“What do you want?” Gu Yinglei’s face was already as gloomy as the bottom of a pot, and he hated to make a direct move.

“I have a very powerful doctor here who should be able to solve the problems you are experiencing.”

These words made the hearts of several people happy, then they composed their faces again.

“Are you so kind?”

Their cousins’ relationship was not very harmonious, and there was explicit and implicit competition.

Now, Gu Guanlin had taken away the company and even found a doctor to come over for treatment. Why was he so kind?

He wouldn’t have any other intentions, right?

Thinking of this, they looked at him warily.

When he met their wary eyes, Gu Guanlin smiled, “Yinglei and I are brothers after all, even if we usually quarrel. After all, it does not affect our relationship. Besides, what’s at stake is important. We are family.”

After saying that, without waiting for them to say anything, he moved a step to the side to make some room.

“Let me introduce you. This is Dr. Yang!”

Looking at the beautiful woman in front of them, the three of them were instantly shocked.

Dr. Yang?!

Chapter 1456 - 1456 Dr. Yang

1456 Dr. Yang

Was this the Dr. Yang they knew?

The people looked at each other and quickly saw the face of the female doctor.

They knew a very powerful Dr. Yang.

This Dr. Yang was the offspring of an ancient martial arts family and was very skilled in medicine.

!!

She was only 27 years old this year, and normally she would have just graduated from a medical school not long ago. However, when she was in her teens, she showed amazing talent.

When she was sixteen, she skipped a grade and went to the best medical school in Hua, and three years later, she went abroad to further her studies at a well-known institute.

Most importantly, she was also a very powerful traditional Chinese medicine, TCM, doctor.

Powerful TCM doctors were usually very old. After all, they needed the accumulation of experience.

The fact that she was only in her twenties and already had such strength was simply amazing.

Now, she was already the best doctor. The problem was she had been abroad for further training and exchanges before, so she was rarely in the country.

With her strength, the patients she treated were all people with great wealth and important status.

It was not easy to get in touch with her.

Even the Gu family did not necessarily have the opportunity to get in touch with her.

Before, when Gu Yinglei had the accident, they also wanted to find Yang Mo to treat him, but at that time, Yang Mo was not in Hua.

They didn't expect Gu Guanlin to know Yang Mo and bring her here!

This was good news from heaven!

Looking at this beautiful-looking woman with a cool temperament in front of them, several people couldn't help but have a little more hope.

If she was Dr. Yang Mo, then Gu Yinglei would be saved!

Thinking of this, Gu's father and mother did not care about the grudge against Gu Guanlin and hurriedly ushered in Yang Mo.

"Dr. Yang, please come in!"

Gu's father was a little excited and smiled brightly.

After Gu Yinglei was declared "hopeless," he couldn't help but be excited by the sudden appearance of such a savior.

Yang Mo was dressed in a well-fitting white coat, walking as if she was carrying the wind. She also wore a pair of glasses, looking very imposing.

She nodded towards them and walked in.

Although all of the people here were from the Gu family and their status was not low, it was not uncommon for her to see such scenes.

She had treated quite a few patients before, and all of them had distinguished statuses.

If it weren't for the relationship between her and Gu Guanlin, she wouldn't necessarily have come here.

Moreover, Gu Yinglei's problem was very special, which greatly displeased her.

However, for the sake of Gu Guanlin, she still came over.

"There is no need to sit down," she shook her head. "I'm in a hurry. Let's start now."

Her attitude was a bit indifferent, but no one had a problem with it.

After all, such a powerful doctor must be very busy, so who had time to waste?

On the contrary, her attitude like this rather made people feel that she was very reliable and trustworthy.

Although she was good-looking, she did not make people feel she was unreliable and without strength.

“Good, good. Sorry to trouble you, Dr. Yang!” Father Gu nodded repeatedly, then looked at Gu Yinglei and frowned. “Go to bed now!”

Gu Yinglei nodded his head emphatically and immediately went back to the bed and sat down obediently.

No one wanted him to be cured more than he did.

He didn’t want to be a useless man for the rest of his life.

Yang Mo was pretty, so if it was as normal, he would definitely want to flirt with her. Now, he wouldn’t dare to be disrespectful.

This was not the same as facing Xia Xibei before.

Yang Mo walked over, picked up Gu Yinglei’s file by the bedside, and after looking it over, said, “Give me your hand.”

Gu Yinglei obediently stretched out his hand.

She reached out to check his pulse, then frowned.

The crowd couldn’t help but feel a skip in their hearts.

Chapter 1457 - 1457 That's A Quack Doctor

1457 That's A Quack Doctor

Seeing Yang Mo's reaction, several people's faces followed suit.

The problem couldn't really be that serious, right?

"Dr. Yang, what's going on?"

Gu's parents looked at her nervously, afraid of hearing something terrible.

!!

Yang Mo put down Gu Yinglei's hand, her face a little gloomy.

"Who treated you before?"

"What's wrong?" Gu's father was anxious, "Before, he had alcohol poisoning, then his body couldn't move, so we got someone to see him. What's wrong now?"

Yang Mo's expression was cold, "There's a problem."

Several people drew a breath. What was the problem here?

“The medicine this doctor gave him didn’t work.” Yang Mo hummed, “That person is a quack. The medicine given to you has a little effect on your condition, but can’t really cure it. Moreover, if you did anything wrong, you will make a big problem instead.”

As for what big problem, there was no need for her to say it. Everyone understood it.

These words caused the faces of several people to change at once.

If Yang Mo said this, didn’t this mean that Xia Xibei was deceiving them?

Xia Xibei had said she was awesome, but she was only half-assed!

In front of Yang Mo, Xia Xibei’s skills were not enough.

Although they were annoyed with Xia Xibei’s deception and neglect, they also had renewed hope.

At least Gu Yinglei’s situation was not hopeless.

That was good!

Their biggest fear was that Gu Yinglei would become a useless man, which would be the end.

Now that they knew it was because of Xia Xibei, they were relieved instead.

“See, I told you! How would she be able to do anything?!” Mother Gu immediately became angry. “You said before that she could and gave her so much money!”

Saying so, she looked at Yang Mo again with a pleasing and grateful face. “Dr. Yang, what do you think should be done about this? We are counting on you!”

She only had one son. If he was ruined, then she had no hope either.

“It’s okay, I can cure him.”

Yang Mo’s words made several people perk up at once.

“Really?!”

Yang Mo glanced at them lightly, “Of course it’s true.”

“Thank you, Dr. Yang!”

They got even more excited.

“However, it will take more time and effort because you were previously delayed in treatment by quacks.”

“It’s fine, it’s fine! As long as you can help, Dr. Yang!”

The three people nodded their heads, one after another.

As long as he could get better, so what if it took a little more time?

“Okay, then. Let’s start today.”

Seeing that Yang Mo immediately started to act, they gained more confidence.

She was the real miracle doctor!

They previously thought that Xia Xibei was a divine doctor, but now it seemed that she was just a person who deceived the world. What she did before was definitely just dumb luck.

It was a pity that they gave her five million!

Although five million was not much for them, to give out so much money for such a result was heartbreaking.

“Okay, go prepare a barrel first and get these things ready.”

Yang Mo quickly wrote a list and handed it to Gu’s father.

“Yes, yes! I’ll have someone get it right away!”

Father Gu immediately called for someone to come and prepare.

Watching their movements, Gu Guanlin smiled, “Uncle, Yinglei needs to rest now. He can’t work hard.”

“Yes, you can’t work hard,” Yang Mo nodded along.

This made Gu’s father’s face change slightly. His mouth twitched and finally squeezed out a smile, “Yes, he should take a good rest. I’ll have to trouble you with the company!”

“You’re welcome. We’re all family,” Gu Guanlin smiled cheerfully.

Chapter 1458 - 1458 Scary Expression

1458 Scary Expression

The things Yang Mo needed were quickly prepared.

An hour later, there was a wooden barrel in the room, and in the barrel was a medicinal bath.

The water inside was warm and still bubbling with vapor.

“Go and soak for half an hour,” Yang Mo said to Gu Yinglei.

!!

Smelling the pungent smell, Gu Yinglei was a bit hesitant but did as he was told.

This was a matter of his own health but also about his future happiness for life. Even if he had to go into the fire, he would!

Soon, he took off his clothes and went into the bath.

When Yang Mo returned, Gu Yinglei had already come out from the bath, and his face looked much better.

“Thank you, Dr. Yang!”

Gu Yinglei felt the change in his body and thanked her excitedly.

After the previous results and Xia Xibei saying there was no way out, he was desperate.

Now that there was hope, he immediately perked up, and all of this was brought about by Yang Mo.

“No need to thank me, I only did it for Guanlin’s sake.” Yang Mo gave him a bland look. “After that, you just continue to cooperate with the treatment.”

“Okay, I will!”

Looking at Yang Mo’s cold expression, Gu Yinglei tried to find a topic.

“Dr. Yang, you’re a real miracle doctor. That woman before was just a joke!”

“Who helped you with your treatment before?” Yang Mo asked while looking down at his medical file.

“She was a starlet!” Gu Yinglei said indignantly.

“A starlet?” Yang Mo looked up and raised her eyebrows. “Celebrities can treat medical conditions now?”

Was the scope of a star’s business so wide now?

“She’s a minor star, but she’s also the illegitimate daughter of the Qi family.”

Gu Yinglei's words surprised Yang Mo.

"The Qi family's illegitimate daughter?"

"Yes!"

When it came to Xia Xibei, Gu Yinglei was full of anger.

If not for Yang Mo, he might have given up hope.

Now he realized that it was all because of Xia Xibei!

It was outrageous!

If he hadn't been unable to move now, he might have taught Xia Xibei a lesson!

"What does she look like?"

Yang Mo had some interest.

The Qi and Yang families had the same interest in spiritual plant cultivation, but they were not at the same level.

The Yang family had even less talent and was declining day by day.

Now, because of her, the Yang family was progressing from its previous decline.

The Qi family had been suppressing the Yang family because of its deep heritage and its many talents.

There was also a big difference between the two families.

The Yang family's relationships were very complicated, with many illegitimate kids. As soon as these children were identified, they were brought back to the Yang family, making the Yang family even more out of control.

To get ahead in the Yang family, you had to have real skills.

Yang Mo came out of such an environment.

On the other hand, the Qi family had relatively much simpler relationships and few illegitimate children.

So, when she heard that the young star was an illegitimate daughter of the Qi family, she couldn't help but be interested.

So now the Qi family was similar to the Yang family?

“I’ll find her photo for you!”

Gu Yinglei immediately took out his phone and found Xia Xibei’s photo.

“Look, this is her!” Gu Yinglei was indignant. “Although she looks good, who would have thought that she has such a vicious heart? If it wasn’t for you, Dr. Yang, I might have been desperate by now...”

While Gu Yinglei’s voice filled her ears, Yang Mo didn’t even care about his words. She stared at the phone screen and snatched it away.

“Eh!”

Gu Yinglei was startled, then turned his head to look and was even more startled.

Yang Mo’s expression was so scary!

Chapter 1459 - 1459 Have A Grudge

1459 Have A Grudge

Yang Mo’s pretty face was contorted as if she had seen something terrible.

Gu Yinglei was scared by her expression and shrank back his neck.

Xia Xibei was not scary-looking. Why did she seem to see a ghost?

Gu Yinglei's mind churned through various thoughts, carefully measuring Yang Mo's expression.

!!

After staring at Xia Xibei's face for a while, Yang Mo took a deep breath.

"What's her name?"

"Qi Xibei," Gu Yinglei answered immediately, although he didn't know what Yang Mo wanted.

Qi Xibei?

Yang Mo frowned, then took out her phone and searched for the name.

"Why can't I find the name? Is that really her name?" she said with a frown after searching for a while.

"Oh yeah, she hasn't changed it yet. She should be called Xia Xibei."

Sure enough!

Yang Mo's heart jumped and she continued to look for it.

After a while, she looked at the information she found, and her face was like a storm.

Gu Yinglei was holding his breath as he carefully watched her expression.

Was there any grudge between Yang Mo and Xia Xibei?

Yang Mo looked as if she had seen her family's enemy. It was too scary.

After a while, Yang Mo suddenly put the phone away.

Her action startled Gu Yinglei.

"Was she the one who treated you before?"

Yang Mo's eyes seemed to shine with green light, making one's heart tremble.

"Yes, yes!" Gu Yinglei nodded his head.

"Tell me everything!"

Yang Mo gave orders coldly, as if Gu Yinglei was her underling.

“Oh, it’s just...”

Although Gu Yinglei didn’t understand and didn’t like her attitude, he still obediently told the matter.

After saying it, he was a little nervous.

“Uh... Do you know her?”

“Hah!”

More than knowing each other!

Yang Mo sneered and didn’t answer, asking instead, “Do you still have those drugs she prescribed for you?”

“Yes!”

Gu Yinglei nodded his head.

Previously, Xia Xibei had left him two weeks' worth of medicine, but he only took it for a few days before he went out to party, and then something happened.

So, there was still quite a lot of medicine left.

"Show it to me."

"OK!"

Gu Yinglei immediately turned around and went to find these medicines.

These medicines had not been thrown away.

Soon, he handed them to Yang Mo.

Yang Mo took the drugs, sniffed them carefully, and then sneered, "So she's just this level!"

Gu Yinglei became even more curious. There was something in her words!

Sure enough, the two of them really had a conflict!

He just didn't know what kind of grudge they had.

Looking at Yang Mo like this, the feud between her and Xia Xibei was not small.

“Don’t worry, I will heal you,” Yang Mo said coldly. “I will be more powerful than her!”

“Yes, great!”

Gu Yinglei didn’t understand what was happening between the two, but he was happy to know that he would be fine.

Soon, Yang Mo took her things and left.

When she returned to her house, Yang Mo took her things out and checked them carefully.

This time, she breathed a sigh of relief.

It seemed that Xia Xibei’s medical skills were not up to par!

It was true that Gu Yinglei’s condition was not too good, but with Xia Xibei’s level back then, this was not a problem at all.

The medicine Xia Xibei made could indeed cure Gu Yinglei, but it was so restrictive that if there were a slight problem, it would immediately go wrong.

In this way, Xia Xibei's strength should be weakened, or perhaps Xia Xibei was at this strength now. After all, she was only eighteen years old now.

Thinking of this, Yang Mo showed a bright smile.

Chapter 1460 - 1460 Past Life Grudge

1460 Past Life Grudge

Yang Mo and Xia Xibei certainly had a grudge, and it was a grudge from a previous life.

Yang Mo sat on the sofa, looking into the distance. Her eyes were empty, but her mind recalled the events of that year.

In a previous life, in the Land of Fantasy, Yang Mo was just an ordinary girl.

One time, she was bullied by a few punks and was saved by Xia Xibei, who was passing by.

!!

She was very grateful to Xia Xibei because she wouldn't have survived if it weren't for her.

After that, Xia Xibei offered to teach her how to make medicine.

She got excited. Medicine making! That was the skill of the masters!

If she could learn enough, she could change her destiny.

So, she followed Xia Xibei's lessons very carefully and did not complain about being tired.

However, Xia Xibei was a bit rough with her and didn't have much patience.

Still, she was her savior and taught her the skills, so Yang Mo had no problem with it.

However, as time grew, Yang Mo's mind also changed.

It was clear that Xia Xibei said she would take Yang Mo as a disciple, but why did this matter keep dragging on and not coming true?

Was she lying to her?

Yang Mo was very dissatisfied with this matter, but Xia Xibei was a senior pill refiner. As an ordinary pill-refining disciple, she had no way to make suggestions

Unexpectedly, soon, there was another trainee disciple beside Xia Xibei.

Xia Xibei's attitude towards that girl was better and gentler.

This successfully ignited the resentment in her heart.

Why?

She was obviously better than that girl!

Resentment accumulated, and Yang Mo's attitude toward Xia Xibei changed.

However, she did not dare to reveal her true thoughts.

Until one day, she met a man.

The man was brilliant, tall, handsome, and from a famous family.

She was helped by the man when she almost fell, which made her fall in love with him at first sight.

Who would have thought that this man would fall in love with Xia Xibei at first sight?

She hated it so much, watching the man paying attention to Xia Xibei.

When Xia Xibei was so relaxed and lived so comfortably every day, she felt the fire in her heart burning up.

This accumulated little by little, pushing her to the edge.

So, when someone came to her door and tried to make her betray her teacher, she quickly agreed.

After that, she took advantage of Xia Xibei's trust in her and tampered with her pill-making cauldron.

Then, Xia Xibei died because the cauldron exploded.

Originally, she thought that after Xia Xibei's death, she could live a good life.

Unexpectedly, this matter was found out by Xia Xibei's little brother.

That man was very vicious, so she died a horrible death.

Thinking about what happened back then, Yang Mo couldn't help but break out in a cold sweat.

Even now, she still woke up from her nightmares from time to time.

She didn't expect that she would wake up in this world after death.

When she first woke up, she thought she was dreaming. After all, this world was too strange, and everything was beyond her understanding.

Only after a period of fumbling around did she slowly get the hang of things here.

After that, she showed her strength and talent and managed to get trained by the Yang family.

Yang Mo was already very talented. Otherwise, she wouldn't have been trained by Xia Xibei.

After arriving in this unfamiliar world, she worked very hard. Moreover, her previous experience in the Land of Fantasy was surprisingly useful here!

Although she hadn't yet become a master or a junior pill refiner, there was something new in this world!
