

Chapter 1711 - 1711 I Have a Grudge Against Them

1711 I Have a Grudge Against Them

Han Chuo stood aside, looking at the way Gu Guanlin looked at Xia Xibei. She couldn't help but bite her lips, feeling jealous.

She could see that Gu Guanlin looked at Xia Xibei differently. It was the wild look of a man looking at a woman. He liked Xia Xibei!

Or rather, he wanted Xia Xibei!

This made Han Chuo, who had liked Gu Guanlin for many years, feel very miserable inside.

!!

"Well, I'll go then," Gu Guanlin smiled at Xia Xibei and said. "I'll see you next time."

Xia Xibei curled her mouth and smiled, not saying anything.

She didn't want another meeting with him at all.

She had just finished recording and was about to remove her makeup when she saw Gu Guanlin walk in, holding a bouquet of flowers.

This confused her a little.

She didn't know Gu Guanlin, and if he was so enthusiastic, she wouldn't believe it if there wasn't something fishy going on.

Moreover, she and Gu Guanlin had a small grudge against each other.

For example, the feud between her and Gu Yinglei, and her problems with Gu Fangyue.

Of course, even without these problems, she had little interest in Gu Guanlin.

After all, she already had a boyfriend, so naturally she had to pull away.

Only, she was not good at being too abrupt in front of the crowd.

After saying hello to everyone, Gu Guanlin left.

Looking at his departing back, Xia Xibei frowned and thought for a while.

When she looked back, her heart thumped.

Han Chuo's expression was a bit strange.

Right, Han Chuo liked Gu Guanlin!

It would be strange if Han Chuo didn't have any thoughts when Gu Guanlin treated her like this!

"Han Chuo," Xia Xibei shouted.

Han Chuo was startled by her and immediately looked up, "Huh?"

"This is the Gu Guanlin you like, right?" Xia Xibei asked.

"Uh..." Han Chuo's face instantly reddened, but then turned white again when she remembered what had just happened.

"So it's him you like!" Song Jiaren walked over. "He doesn't look too bad. However, he is not Brother Qiao."

Song Jiaren's frank words made Han Chuo immediately anxious. "No, Brother Gu is better!"

Song Jiaren and Xia Xibei exchanged a look and then snickered, "Oh, Brother Gu is even better!"

Being teased by the two, Han Chuo's face instantly turned red.

“You guys...”

“Well, he’s really outstanding,” Xia Xibei nodded, “However, I still have to tell you a little something.”

“What is it?” Han Chuo immediately looked up.

“I have a bit of a grudge against the Gu family...” Xia Xibei shrugged her shoulders.

“A grudge?” Han Chuo was shocked. “You mean the thing between you and Gu Fangyue?”

That was not a big feud, right?

Besides, Gu Fangyue and Gu Guanlin were two people.

Gu Guanlin wouldn’t change his attitude because of Gu Fangyue’s emotions.

This was why Han Chuo insisted on liking Gu Guanlin.

Although she and Gu Fangyue were not on good terms, it did not affect Gu Guanlin’s opinion of her.

If Gu Guanlin could be influenced by Gu Fangyue, she wouldn’t have liked him.

“More than that,” Xia Xibei raised her index finger and shook it. “You know Gu Yinglei, right?”

“Gu Yinglei? I do know him!” Han Chuo immediately nodded her head.

She knew the demographics of the Gu family very well.

“I have a grudge against him,” Xia Xibei bristled. “At the same time, I also have a conflict with Gu Guanlin because of some things.”

This statement made Han Chuo’s eyes widen. “Really?”

“Yeah,” Xia Xibei shrugged. “Actually, I’m not asking you to choose between the two of us. I just want to tell you that I don’t get along with them.”

Chapter 1712 - 1712 Sowing Discord

1712 Sowing Discord

Xia Xibei’s words made Han Chuo feel complicated. So she had a grudge against the Gu family!

However, when she looked up, she happened to see Xia Xibei and Song Jiaren’s eyes and instantly understood.

Whether Xia Xibei had a grudge against the Gu family or not, it was definite that she didn't want to get involved with Gu Guanlin.

Why didn't Xia Xibei want to get involved with Gu Guanlin? It was all because of her!

!!

Han Chuo was not a fool and naturally understood the meaning of Xia Xibei's actions.

Xia Xibei didn't want her to misunderstand her!

Thinking about this, Han Chuo was deeply touched.

She didn't expect that Xia Xibei would care so much about her!

However, it was true. If Xia Xibei didn't care about her, she wouldn't be inseparable from her all the time.

Xia Xibei was so good to her that even when she met Gu Guanlin, she was the first to set aside her relationship.

If she still had any dissatisfaction with Xia Xibei, then it would be too wrong!

Besides, Xia Xibei had saved her life before!

Thinking of this, Han Chuo threw herself into Xia Xibei's arms and hugged her.

Xia Xibei was startled by the sudden hug and almost dropped her.

Fortunately, she stopped in time.

Then she heard Han Chuo's muffled voice in her arms, "I'm sorry, Beibei. Thank you."

The "sorry" and "thank you" confused Xia Xibei for a moment.

However, she quickly understood Han Chuo's meaning.

She couldn't help but pat Han Chuo's back, "Come on, no need to say that."

Watching the two of them, Song Jiaren also reacted.

She laughed, "Okay, just talk it out."

Han Chuo let go, her face a little red and very shy.

Thinking about what she had just done made her face even redder.

"It's good that everything is okay," Song Jiaren clapped her hands and said. "Beibei, hurry up and take off your makeup. We have to go."

"Okay," Xia Xibei nodded, then returned to her unfinished work.

When Xia Xibei returned to her task, Song Jiaren pulled Han Chuo aside and then looked serious.

Han Chuo was still shy when she was taken aback by Song Jiaren's expression. "What's wrong?"

"I think there's something wrong here..."

Song Jiaren's expression was grave.

"What's the problem?" Han Chuo was very confused.

"I'll be honest. Don't be angry," Song Jiaren took a precaution.

"Don't worry, I'm not angry."

Han Chuo made a promise even though she didn't understand what was going on.

"I think... This Gu Guanlin has a problem!"

“Brother Gu has a problem?” Han Chuo’s eyes widened. “Why do you say that?”

“Intuition,” Song Jiaren pointed to her head. “I think he came over because of those people.”

“Huh?” Han Chuo was even more surprised. “Why do you say that?”

“I think they are trying to get you two to start a fight!” Song Jiaren said categorically, as if she was a detective.

“Huh?” Han Chuo was dumbfounded and could only open her mouth wide.

“You like Gu Guanlin. This is something that they all know, right?”

“Right,” Han Chuo nodded with a red face.

“Then that’s it!” Song Jiaren clapped her hands. “They must be trying to use this to ruin your relationship!”

Looking at Song Jiaren with such certainty, Han Chuo couldn’t help but follow her and start to wonder about the situation.

The more she thought about it, the harder her face looked.

Chapter 1713 - 1713 Vicious Tactics

1713 Vicious Tactics

Han Chuo had always liked Gu Guanlin, and she knew that Yang Shu liked Gu Guanlin as much as she did.

Moreover, because of the relationship between Yang Shu and Gu Fangyue, Yang Shu had more chances to get close to Gu Guanlin.

If Yang Shu knew that Gu Guanlin was here at the TV station, she would never let go of this opportunity.

Moreover, Gu Fangyue was Gu Guanlin's sister. It was very easy to know that he was here.

!!

When she thought about the way Gu Fangyue and the girls looked at her just now, Han Chuo understood.

This was their trick!

They were trying to create tension between her and Xia Xibei!

She liked Gu Guanlin, and if Gu Guanlin showed a different attitude toward Xia Xibei, she would definitely feel uncomfortable.

If she and Xia Xibei had a conflict, Yang Shu and her group would be very happy, wouldn't they?

Thinking about this, Han Chuo's face was very ugly.

Moreover, she did like Gu Guanlin, but it made her sad when Gu Guanlin did this.

"This Gu Guanlin is very problematic!"

Song Jiaren's words took Han Chuo by surprise.

"How?"

"Do you know Beibei's situation now?"

"What's the situation?"

"Actually, her surname is Qi, and I heard that the Qi family is quite famous in the imperial capital."

Han Chuo's eyes widened, "The Qi family?!"

"Oh yeah, she and Qi Xin are from the same family."

Han Chuo's eyes got bigger. "Qi Xin?"

Xia Xibei and Qi Xin were part of the same family?

No wonder Gu Guanlin called Xia Xibei Miss Qi just now.

"What?"

Han Chuo was hearing about these things for the first time. She had originally thought that Xia Xibei was just Qiao Yanjue's girlfriend, a big star.

She didn't expect that there was something so amazing behind this!

"It seems like the Gu and Qi families are in comparable situations, right?" Song Jiaren looked at Han Chuo and asked. "You're from the imperial capital, you should know this better than I do."

"Right," Han Chuo nodded. "They Are both rather special."

"Let's not talk about what happened between you and Gu Guanlin, but Gu Guanlin must have known that Beibei had a boyfriend!" Song Jiaren hummed. "In this case, he still came to give flowers to Beibei. Do you think there is no problem?"

This comment caused Han Chuo's expression to change.

It did sound problematic.

“How did you know so much?” Han Chuo was puzzled.

“I’m a good friend of hers!” Song Jiaren puffed out her chest proudly. “Of course, she wants to tell me about him! If I don’t know who her enemy is, what if I get screwed then?”

After Song Jiaren was going to attend school in the imperial capital, Xia Xibei told her quite a few things.

After all, this was the imperial capital, not Song Jiaren’s turf, and the relationship between Xia Xibei and her friend could not be hidden.

In this case, Xia Xibei’s enemies would definitely try to target her friends.

Therefore, Song Jiaren would be in danger.

To prevent Song Jiaren from being unknowingly hurt, Xia Xibei told her everything she was facing.

Of course, Xia Xibei didn’t go into too much detail, but it was enough for her to understand what was going on here.

When she first learned about these things, Song Jiaren couldn’t help but sigh with emotion. This was too chaotic!

Looking at Song Jiaren's somewhat smug expression, Han Chuo had mixed feelings and was a bit jealous.

You could tell from this that the two of them were really good friends to know so much!

Noticing her gaze, Song Jiaren patted her shoulder and intoned, "Beibei also treats you as a close friend. That's why she doesn't want to make you sad."

Chapter 1714 - 1714 Missing Friends

1714 Missing Friends

Song Jiaren's words lifted Han Chuo's spirits.

Yes, Xia Xibei was thinking of her as a close friend and was afraid that she would be upset before she said those words out loud.

"Don't worry, I know!" Han Chuo immediately nodded her head. "I won't blame Beibei because of this."

She had a serious face, "I don't have many friends and none of them treated me like Beibei. I know how good she is to me!"

!!

Han Chuo's face was slightly bitter mentioning this matter.

When she was in high school, she still had a lot of friends, but those friends slowly faded away, and eventually, it was impossible to see them.

Every time she approached them, they said they were busy and unavailable.

By now, only Xia Xibei and Song Jiaren were left by her side.

Huh?!

Han Chuo's face changed and a strange thought surfaced in her mind.

"I Used to have a few good friends from before, but slowly, our interactions have stopped. I could never find the reason. I just thought it was because of the entrance exams and everyone was busy studying. But now that I think about it..."

Song Jiaren clapped her hands, "There must be a problem!"

Her intuition was sharp and she immediately thought of the problem.

"I think that it must be because of them!"

It was not that they had conspiracy theories, but with those girls' character, it was likely that they would do these things!

"Tell you what, do you still have the contact information of your former friends? Get in touch with them."

Song Jiaren made an immediate decision and told Han Chuo to contact the others and ask them about the matter.

"I do!" Han Chuo nodded her head. She also wanted to find out what was going on here.

"Then hurry up!" Song Jiaren urged.

"Okay."

Han Chuo took out her phone, took a deep breath, and found the contact information of one of her best friends from the beginning.

Although the relationship slowly faded, they did not have a falling out, so the contact information was still there.

The only thing was that Han Chuo always thought that there would be no chance of contact after that.

She didn't expect it to happen so suddenly today.

After finding the number, she took another deep breath and clicked on it.

Soon, the call was picked up.

“Hello, who is it?”

This greeting made Han Chuo’s face go white.

Such an answer meant that the other party hadn’t saved her cell phone number at all.

It hit her a bit hard.

However, she held on.

She shook her head at Song Jiaren to show that she was okay, then said to the person over there, “This is Han Chuo.”

“Han Chuo?”

The girl was taken aback. “What do you want to see me about?”

“I... I just have something I want to find out from you.”

“Ok Go ahead,” the girl hesitated for a moment, then said.

“We had a pretty good relationship at first. Why did you guys ignore me later?”

The other end was silent for a moment, “Why do you pretend to be innocent?”

“I play innocent?” Han Chuo was at a loss. “What did I do?”

The other side took a deep breath. “Aren’t you the one who doesn’t want to be friends with us ordinary people?”

“Huh?” Han Chuo was taken aback. “When did I ever say such a thing?!”

“You’re an heiress, not from the same world as us commoners. So, we will leave obediently and not bother you. Do you have any more questions?”

The voice there was a bit cold.

Han Chuo got anxious, “Wait a minute! When did I ever say that? I’ve never looked down on you guys!”

“Really?”

The word was not certain, as if she did not believe her.

Chapter 1715 - 1715 Friends Driven Away

1715 Friends Driven Away

Han Chuo's face was very unpleasant after the two sides talked for a while.

When she hung up the phone, she couldn't help but hug Song Jiaren.

Her mood was difficult and her eyes were red.

There was a real problem between them, or they were being set up by someone else!

!!

The person on the other end of the line said that she chose to stay away from Han Chuo because of the contemptuous attitude she heard Han Chuo discuss her with while around others.

Han Chuo's family was very well-off and she was an heiress.

Despite her simple and friendly personality, she was indeed a rich girl.

However, the school was not full of rich people, and Han Chuo's friends were all children of more ordinary families.

Those people got their hearts broken when they heard these conversations.

However, they didn't dare to come over to Han Chuo and ask for clarification. After all, it would be too ugly if things got tense then.

Han Chuo's personality was not much of an extrovert, and the friends she had made before were all more gentle and introverted.

So, even if they found out the problem, they didn't make too much of a scene and didn't go to Han Chuo to ask for an explanation.

That was why things have been dragging on until now.

If Han Chuo hadn't suddenly thought of it, it would have been kept under wraps.

"Damn it!" Han Chuo looked angry and sad. "It's all their fault!"

"That's too much!" Song Jiaren hugged Han Chuo, also with a look of righteous anger. "They're so disgusting! How dare they do this to you?!"

"I know Yang Shu can learn other people's voices. It's a special skill of hers. I just didn't think that this would happen to me!"

Han Chuo was so angry that her eyes turned red.

Yang Shu was quite famous in her original high school because she could imitate other people's voices.

It was a very impressive skill; she imitated other people's voices so well that it was simply admirable.

Han Chuo knew this too, but she never thought that Yang Shu would use this to drive her friends away!

Every time Han Chuo made a friend, the person was forced out in the same way.

What was even more annoying was that they'd done the same thing several times over the years, but Han Chuo never found out!

If she had found out, her friends wouldn't have disappeared!

"They're really disgusting!" Han Chuo's chest was heaving with anger and her face was flushed. "I'm going to settle the score with them!"

"Don't panic." Song Jiaren pulled her back to keep her from getting so excited. "Even if you rushed over and asked them, they won't admit it!"

It'd been so long ago, who would admit it?

Besides, there was no evidence left in the first place!

They were so upset by the conversation that they didn't make a fool of themselves and confront Han Chuo.

So, they didn't even realize that it wasn't Han Chuo, but Yang Shu.

It'd been so long since the incident that they'd all lost touch.

Whatever the reason, it was a fact that the friends have drifted apart.

What else could one say when they didn't trust each other?

If Han Chuo came to her door, Yang Shu would never admit it and would mock her in return.

After all, what a failure it was to be abandoned by a friend!

"Jiajia..."

Han Chuo couldn't help it, she hugged Song Jiaren and bawled.

Her crying also drew Xia Xibei over.

"What's wrong? Why are you crying all of a sudden?"

It wasn't a fight, right?

But it couldn't be that bad!

Chapter 1716 - 1716 An Eye for an Eye

1716 An Eye for an Eye

Seeing Xia Xibei coming over, Han Chuo became even more aggrieved.

She rushed into Xia Xibei's arms and began to cry.

Xia Xibei was shocked by her reaction and immediately looked at Song Jiaren, asking with her eyes what was going on.

Song Jiaren's expression was not too good either and she told the story.

!!

During Song Jiaren's explanation, Han Chuo's cries got louder.

Only, she didn't have the heart to wipe her tears on Xia Xibei's body.

"In other words, those friends of yours were all driven away by their design?"

“Yes!” Han Chuo came out of Xia Xibei’s arms, her nose and eyes red, a little embarrassed, but angrier.
“They are really too much!”

“Very excessive indeed,” Xia Xibei also nodded her head.

This was the first time she had heard of such a tactic.

Of course, what Xia Qinghan and the others did to her at the beginning was no better.

Only, Xia Qinghan was contacting other people to ostracize her, while Han Chuo faced an unclear detachment and coldness.

“I want revenge!” Han Chuo said, clenching her fist.

“And how do you want to do that?”

“Uh...”

Han Chuo’s movements froze, and she wanted to ask what to do.

“Let’s return the favor!” Song Jiaren coaxed from the side.

She was not a party to this, but she felt angry when she heard these things.

The best revenge was an eye for an eye, so that Yang Shu and the girls would know what Han Chuo had suffered back then.

“But what can I do?”

Han Chuo frowned and was a bit torn.

For her, revenge was definitely necessary. However, with her skills, she couldn’t think of how to take revenge for a while.

An eye for an eye was a difficult thing to do.

“If you want to retaliate, it’s not difficult,” Xia Xibei raised her eyebrows and laughed.

“You have a way?!” Han Chuo immediately became energized. “What do you want to do?”

“Well... Let’s go back and talk about it,” Xia Xibei smiled.

This kind of thing was bad to talk about here.

“Good! Let’s talk about it when we get back!”

Han Chuo immediately nodded her head.

However, the three of them went to a restaurant on their way back.

It was already around eight o’clock, and they were hungry after a long day.

This was a restaurant that Han Chuo often came to and the food was very good.

Han Chuo decided that she would treat them to a nice meal!

Han Chuo’s family was well-off and she never lacked pocket money, so it would be easy to treat the two of them to a meal.

Moreover, she wanted to thank Xia Xibei and Song Jiaren for their trust and support.

However, as soon as they arrived at the restaurant, they saw Gu Guanlin and the others.

When they met face to face, both sides stared at first and then were a bit silent.

Han Chuo looked at the group of people, who seemed sheepish, and understood in her heart.

What Song Jiaren had said earlier was true!

They still used the same tactics!

Gu Guanlin was also sent by them, just to pick a fight between her and Xia Xibei!

If Xia Xibei and Song Jiaren hadn't been so firm and hadn't been so open about everything, the seeds of doubt might have been planted in her heart.

Thinking that she almost alienated Xia Xibei because of these things made her feel angry and hateful.

She didn't get along with Yang Shu and the others, that was all their own business, so why involve Xia Xibei and the others?

It was simply too much!

Unforgivable!

"What a coincidence."

As the crowd was quiet, Gu Guanlin spoke up to break the silence.

Chapter 1717 - 1717 Time to Let Go

1717 Time to Let Go

“Quite a coincidence indeed,” Xia Xibei smiled faintly. “We came to eat.”

She looked at those few people on the other side and her smile was a bit mocking. “You guys are here to celebrate?”

Lu Tianqi got through this time.

The previous incident was quite a big deal, as Lu Tianqi was wildly criticized for not having enough strength and should have withdrawn from the competition.

!!

However, she did have thick skin and tough mental qualities.

Even though she was disliked and hated by everyone, she insisted on continuing to participate in the competition.

Xia Xibei learned afterward that the show had an additional sponsor.

This sponsorship, of course, was related to Lu Tianqi.

The benefactor had spoken, so they certainly could not eliminate Lu Tianqi.

Besides, there were only ratings when there was controversy!

When she passed the competition, they naturally had to celebrate.

“Yeah.” Gu Guanlin’s attitude was frank. “When I was leaving just now, I received a call from them, and I found out they were also at the TV station, so I came to eat with them.”

“Oh,” Xia Xibei smiled, “Then I won’t bother you.”

“You can eat with us!” Gu Guanlin warmly invited, looking at Xia Xibei

with a vague heat in his eyes.

As for Han Chuo, she was not even within his scope of concern.

If it was before, Han Chuo would have felt particularly uncomfortable.

Now, after finding out what was wrong here, she was still a little uncomfortable. After all, she’d liked him for so long, it was impossible to just end it like that. However, she was in a much better mood.

She would not be affected by Gu Guanlin’s special attitude towards Xia Xibei.

Looking at Gu Guanlin's enthusiastic appearance, she lowered her eyes to hide her mixed feelings.

She had liked Gu Guanlin for many years, but she also understood that it was impossible for the two of them.

Gu Guanlin didn't like her at all.

Since this was the case, it was really too silly to give up other things and hurt one's friend for such an impossible feeling.

Even if there was no Xia Xibei, there would be the next Xia Xibei.

Han Chuo curled her lips and laughed at herself.

It was time for her to put this feeling down.

"No, we'll leave you guys alone," Xia Xibei shook her head. "We'll just eat by ourselves."

"Yeah, you guys eat by yourselves," Han Chuo looked up and said to them.

Then, she pulled Xia Xibei and Song Jiaren inside, "Hurry up, I'm starving!"

“We’re going.”

Xia Xibei was pulled along, turned back to them with a smile, and left.

Looking at her departing back, Gu Guanlin hooked the corner of his mouth, his eyes twinkling with a bit of ambition.

He found that the Xia Xibei off the stage was more beautiful than what he had seen before.

Although she was not very grown-up, her unique style and charm were far more than other girls.

Of course, there was also her status.

She was a young lady of the Qi family!

Thinking of this, he glanced back at Qi Xin.

If it was before, Gu Guanlin would still have some interest in Qi Xin. After all, she was a daughter of the Qi family too.

But now... Forget it.

Qi Xin's biological father, Qi Zhiqiang, was not a useful person.

"Well, let's go in and eat!" Gu Guanlin smiled at them.

"OK!"

Several people nodded their heads and went in.

While sitting in their seats, Yang Shu couldn't help but whisper to Gu Fangyue, "Did Han Chuo find out?"

"I don't think so," Gu Fangyue shook her head. "How could a fool like her know anything?"

"That's right," Yang Shu let out a sigh of relief.

Chapter 1718 - 1718 Too Naive

1718 Too Naive

Yang Shu and Han Chuo were students in the same grade at the same school, plus their backgrounds and families were comparable, so they were always on par with each other.

The two of them couldn't be friends because of their personalities.

Every time she saw Han Chuo's silly look, Yang Shu felt ironic.

The result was very good, of course.

!!

Han Chuo's friends were just as feeble. Even if they heard something bad, they didn't dare to barge in and ask "Han Chuo" to explain. They just stayed silent.

In this way, Han Chuo's friends slowly disappeared.

After a few years, Han Chuo had even fewer friends around.

However, even though she was alone, Han Chuo was still as goofy and cheerful as ever.

What was even more unexpected was that Han Chuo was in the same dormitory as Xia Xibei after going to college.

When she saw the way Xia Xibei treated her, Yang Shu thought that Han Chuo was just lucky.

Maybe Xia Xibei had something else in mind. Otherwise, how could she be so nice to Han Chuo?

Was that stupid girl useful at all?

“Don’t worry about it, she won’t find out.”

Seeing that Yang Shu was still pondering, Gu Fangyue thought she was thinking about something and immediately said to her.

“It’s been years, and that fool didn’t even find out that something was wrong. How can she possibly figure it out today?”

It wasn’t that Gu Fangyue underestimated Han Chuo. It was just that Han Chuo’s personality was so simple-minded.

Since high school, her friends had left her one by one.

It was amazing that she hadn’t noticed that something was wrong in this situation.

Her level of intelligence was just pathetic!

However, it was surprising that she managed to get into Imperial Capital University, so she probably had low emotional intelligence.

“That’s right,” Yang Shu nodded, “With her stupidity, she definitely couldn’t find out that something is wrong.”

So many times before, they had managed to drive Han Chuo's friend away, so this time, they wanted to repeat the same trick.

However, Xia Xibei's character was different from those people.

Everyone knew that Xia Xibei was a bit fierce.

If Xia Xibei heard "Han Chuo" saying something bad, she would definitely come over and ask for clarification, and in that case, she would be exposed.

If this matter was exposed, the previous matter would also be exposed.

That was why they chose to ask Gu Guanlin for help.

Who didn't know that Han Chuo liked Gu Guanlin?

If Gu Guanlin liked Han Chuo's best friend, would she continue to be friends with Xia Xibei without any problems?

Even if she did, she would still have a knot in her heart.

However, remembering the way Gu Guanlin looked at Xia Xibei just now, Yang Shu was upset.

She could see from the sidelines that the way Gu Guanlin looked at Xia Xibei was not an act, but a real interest in her!

This made Yang Shu very annoyed.

Xia Xibei, that vixen, had even seduced Brother Guanlin!

What a way to piss her off!

“Little Shu, what do you want to eat?”

Yang Shu was awakened by Gu Guanlin’s voice.

She jerked her head up and met Gu Guanlin’s smiling eyes.

She instantly felt her body tingling a little.

“What are you thinking about?” Gu Guanlin said suspiciously.

“Oh, nothing!” Yang Shu shook her head quickly. “I was just thinking about what to eat!”

“Okay, then you can order.” Gu Guanlin handed over the menu. “Just order what you like.”

“Okay.”

Looking at Gu Guanlin’s handsome face and gentle smile, Yang Shu’s heart was about to burst.

Brother Guanlin was really handsome!

Chapter 1719 - 1719 What to Do

1719 What to Do

When she arrived at the private room, Han Chuo’s face didn’t look too good.

After seeing Yang Shu and those few people, she finally confirmed her suspicion.

Song Jiaren comforted her, “It’s okay, let’s take our time.”

“What should I do?” Han Chuo had a headache.

!!

She had never done anything like this before and had always been kind to people.

Other than not getting along with Yang Shu and the girls, she hadn’t even thought about doing anything against others.

So, she was clueless this time about doing something.

“Well... Let’s get help from Beibei.”

Song Jiaren was also a little clueless, she could only look to Xia Xibei.

Xia Xibei’s brain was much more flexible than theirs, surely they could find a way.

“Didn’t we say we would return the favor?” Xia Xibei took a sip of water and said lightly.

“But... How do we return the favor?” Han Chuo frowned. “Do I do the same thing as them?”

She immediately shook her head, “But I don’t have the special skill of Yang Shu!”

It wasn’t like she could imitate other people’s voices.

Besides, if she really imitated their voices and did this kind of thing, it would be exposed.

If Yang Shu and the others heard them say such things, they would definitely rush up to ask for an explanation.

At that time, wouldn't they be found out?

"No need to do that." Xia Xibei put down her teacup and revealed a light smile. "We don't need to forge evidence, we'll just look for evidence."

She was not someone who made things up; what she wanted was real evidence.

"Find evidence?" Han Chuo was still bewildered. "How do we do this?"

"Don't you know them quite well too? You can find people to ask. Won't you be able to know what happened between them?" Song Jiaren said.

Han Chuo had been at war with them for so many years, so she would definitely know something about them.

"For example, do they have someone or something they both like?"

Han Chuo frowned suspiciously and thought for a while, then clapped her hands. "I remember! It seems they used to like a star at the same time!"

"A star?" Song Jiaren was immediately interested. "Who is it?"

"Shi Shuhang!"

Song Jiaren immediately looked at Xia Xibei, “Didn’t he work with you?”

Xia Xibei and Shi Shuhang once did a movie together, and the two of them had a lot of fans who saw them as a couple.

After this drama, they had their own lives, so the connection faded a lot.

However, when posting online, they would occasionally retweet and interact a little.

“Oh yeah, he worked with you!” Han Chuo immediately nodded but shook her head again. “But They seem to have changed their favorite stars now.”

For those who were into looks, it was common for them to change idols.

Moreover, using stars to split their feelings Didn’t seem right.

“Do they have anything they like?”

Xia Xibei didn’t say anything about using Shi Shuhang either.

Shi Shuhang was her friend, there was no need to get him involved in such things.

“Something they both like...” Han Chuo thought about it and shook her head, “I’m not sure about that.”

After all, they wouldn't run up to her and say what they liked.

"So, do any of them have any favorite things that got messed up?" Xia Xibei continued to ask.

This made Han Chuo's heart jump and she immediately got an idea.

"Right! Gu Fangyue used to have a beautiful jade pendant, but then it broke!"

Chapter 1720 - 1720 Refused

1720 Refused

Han Chuo remembered this matter and immediately got an idea.

"I think that jade pendant was from someone that Gu Fangyue liked!"

Her heartbeat was getting more and more intense, as she had found the right way to retaliate.

Xia Xibei and Song Jiaren looked at each other and smiled, "That's a good idea."

They quickly discussed the mission and just waited to put it into action.

!!

When they finished eating and came out from the inside, they saw Gu Guanlin and the others.

Looking at Gu Guanlin's manner, it was as if he was waiting for them here specifically.

After the previous mental adjustment, Han Chuo's mood was much calmer when she saw Gu Guanlin again, and she no longer had intense fluctuations because of his attitude as she did before.

Unexpectedly, this time, Gu Guanlin didn't offer his attention to Xia Xibei but looked at Han Chuo instead.

"Little Chuo, do you want me to take you back?"

Looking at Gu Guanlin's gentle smile and the imperative look in his eyes, Han Chuo felt ridiculous from the bottom of her heart.

In Gu Guanlin's opinion, she was the girl who liked him and thus could let him give all kinds of looks at will!

Maybe in his opinion, as long as she liked him, she had to obey all his orders.

When he wanted to talk to her, she had to listen and act flattered.

If he didn't want to talk to her, she had to wait on the sidelines without any resentment.

This made Han Chuo think that Gu Guanlin was treating her like a dog.

If he liked her, he'd tease her, but if he didn't, he'd put her aside.

This made her feel ironic and ridiculous.

However, if not for the presence of Xia Xibei and Song Jiaren, she might still be in turmoil because of Gu Guanlin's change of attitude.

The reason why she liked Gu Guanlin so much was that her friends had faded away and she had no one to keep her company.

At that time, she met Gu Guanlin.

One day in her sophomore year, she suddenly fell to the ground and her skirt lifted up, which was very embarrassing.

At that moment, she felt that Gu Guanlin was gentlemanly, and she had fallen in love with him.

Now, she realized that she really knew too little about Gu Guanlin.

Moreover, Gu Guanlin's attitude toward her was very difficult to bear.

She still liked Xia Xibei and Song Jiaren more than Gu Guanlin's on-again, off-again attitude toward her.

"No need."

Thoughts flashed through her mind, but in an instant, Han Chuo made a decision and rejected Gu Guanlin's invitation.

This answer caused Gu Guanlin's face to change slightly.

Obviously, he did not expect Han Chuo to have such a reply at all.

It seemed to him that if he invited her, Han Chuo would be happy and agree to go with him straight away.

Unexpectedly, she had refused.

Didn't she like him?

"Mr. Gu, no need. We have our own car."

Xia Xibei also smiled and declined Gu Guanlin's invitation.

“Yes, there are so many beautiful women with you. No need to waste your time on us,” Han Chuo looked up and said this with a somewhat calm expression.

Her reaction also made several people behind her look at each other.

This situation... Didn't seem right!

Shouldn't Han Chuo be happy?

Could it be that Gu Guanlin's previous actions were too much and she was jealous?

“Well, we'll go now,” Xia Xibei smiled at them, then led the two away.

Before Gu Guanlin could react, they were already gone.
