## Chapter 1271

Unexpectedly, before Zhao Anxin finished speaking, Su Yimo would be furious.

"Zhao Anxin! What do you mean! Do you think I'm the same as those women who sell meat in the entertainment industry!"

As soon as Su Yimo finished speaking, Liang Biqin's complexion suddenly became a little bad.

What is a woman who sells butcher... She slept with the director and investor so many times before to maintain her relationship. Could it be that in her eyes, she is a woman who sells butcher, only Su Yimo is pure and pure?

Zhao Anxin was also a little dissatisfied, and suppressed her emotions and continued to persuade, "Yimo, look at what you said, isn't that what the entertainment industry is like? You have been in the industry for so long, don't you understand? I just asked about it, then A commercial has already fallen into Selena's hands, and even the endorsement might be snatched away by her, and Guo Qisheng's new movie has even booked her as the female lead... If you still can't think about it, it's better if you get stepped on by her. It's shameless!"

Su Yimo bit her lip tightly, her face was sullen, "No... I absolutely don't want to accompany that disgusting old man!"

From Daniel to Sun Zhanpeng, a lustful hungry ghost in his fifties with a big belly, she absolutely couldn't accept it!

Liang Biqin couldn't help muttering, "Cousin, Daniel has separated himself from you in public, for whom are you protecting yourself..."

"You! Presumptuous!" Su Yimo slapped her forward.

Now even Liang Biqin dared to speak to her like that...

Liang Biqin covered her face in grievance, and shouted, "Am I wrong? It was! Why can't you do what I can do! Do you think you are still the boss of the Lu Group! Daniel can't see it at all. Come on you, you are still pretending to be so noble, do you want us all to follow you to the end?"

Fortunately, she had been coaxing this cousin as if she was a queen, and she would do a little low-key in front of her every day, but in the end, she dared not even leave the door now, and all the glory and wealth that she imagined were gone!

"Stop arguing!" Zhao Anxin frowned, "Yimo, Biqin's words are not pleasant, but they are true. Mr. Sun is just inferior to Daniel in appearance, but in this circle, people who are as young as Daniel How many people can get into that position?"

Su Yimo shook her body, her eyes were scarlet, and said coldly, "Who said that to please Sun Zhanpeng, I have to sleep with him personally?"

"You mean..." Zhao Anxin pondered.

"Didn't I hear that Sun Zhanpeng was also interested in Selena?" Su Yimo said coldly.

"I've heard about this. It's said that at the charity dinner last time, Sun Zhanpeng got into a fight with a rich man because of Selena!" Speaking of this, Zhao Anxin felt a little envious when she thought of the rich fan who spent 100 million to please Selena. .

If Su Yimo had Selena's appearance, it would be impossible for her to climb any powerful person! Even to seduce Daniel...there is a good chance of winning...

pity...

Liang Biqin's attention was also attracted when she heard this, "Cousin mean...give Selena to Sun Zhanpeng? But that Selena is very cunning, she hasn't heard of any rich man in the industry for so long, so she probably waited It's so easy to buy it for a big backstage..."

Zhao Anxin shook her head, her eyes were full of light, "That's not necessarily true!"

Now that Su Yimo's popularity has fallen to the bottom, even if he sent them to Sun Zhanpeng at this time, Sun Zhanpeng might not buy it, and maybe he underestimated them. If he could find a way to help Sun Zhanpeng get Selena, the effect would be better...

Zhao Anxin's brain began to spin rapidly, just happened to have a great opportunity recently!

Whether you can stand up is all in one fell swoop!

In Su Yimo's current situation, she must find a backstage to stabilize the situation as soon as possible...

## Chapter 1272

A few days later, at a high-end resort club in the imperial capital.

That night, Shengshi Entertainment's Vice President Yi Xudong personally organized a dinner and invited major investors and partners to get in touch.

Naturally, several well-known artistes from the company were invited to accompany them during the banquet, and Selena was among them.

In the past, on such high-profile and important occasions, the company's artistes had to fight their way out to show their faces. Selena would definitely

not have the opportunity to participate, but this time Yi Xudong specially called Selena to join him, obviously to focus on cultivation.

As for Su Yimo, things at the celebrations have been a little bit quieter these days, Yi Xudong decided to invite her after much deliberation, after all, so many resources were thrown away before, this signboard can't be let go .

During the dinner, those investors who used to focus on Su Yimo all focused on Selena, an amazing newcomer.

"Unexpectedly, Miss Ning is more beautiful in real life than in the movie!"

"I said before, which company's Xiaohua is so powerful, and with a small effort, a small production of tens of thousands of dollars has set a box office of three billion! So it's your Boss Yi's go-getter!"

"Hahaha... No wonder our President Sun is thinking about it!"

...

"Hehe, what a fair lady and gentleman!" Sun Zhanpeng laughed, rubbing his chin and staring at Selena with a very revealing gaze.

According to his previous personality, he would have to say a few words no matter what, but tonight he was especially calm and polite, but the faint anxiety in his eyes couldn't be concealed no matter what.

Before, he had been expressly hinting at Su Yimo that he wanted to get a taste of what Daniel's woman was like. Who knew that she had a very noble face, but only now did he realize that that woman had nothing to do with Daniel at all. So much money to go after her...

Fortunately, that woman had a wink, and she promised to give him a "big gift" tonight!

During this time, Yi Xudong lost a lot of face because of Su Yimo, and seeing Selena receiving praise from all the bosses, he was in a good mood, "Our Selena does have great potential, and of course this is inseparable from Everyone's cultivation support! I hope you will take care of me in the future!"

When she first returned to China, Selena wasn't quite used to such an occasion, but now she can handle it with ease. After Yi Xudong toasted everyone, she also spoke very decently, which made Yi Xudong even more satisfied.

On the opposite side, Liang Biqin looked at Selena who was gaining power, poking at the beef on the plate with hatred, Su Yimo's face was gloomy but calm, with a cold mockery in her eyes...

When the rumors about you and Sun Zhanpeng, a disgusting old man, spread throughout the entertainment industry tomorrow morning, I'll see how proud you are!

With such big news, the gossip about her embarrassing performance at the ceremony will be suppressed...

"I'm going to the bathroom!" Selena politely got up and left her seat.

Seeing this, Liang Biqin immediately winked at the waiter at the side.

The waiter nodded, picked up Selena's wine glass, which was about to bottom out, and helped her fill it up. At the same time, the powder in his palm was quietly put into the wine glass...

In the bathroom.

Selena's cell phone rang, and it was Daniel calling.

The mask on Selena's face was immediately removed, and it turned into affection, "Hey..."

"Is it over?" A man's deep voice came from the other end of the phone.

"No, but it should be soon!"

"In the Longyue clubhouse?"

"Yes!"

"It's over, tell me, I'm nearby, I'll come and find you later."

"Okay!"

## Chapter 1273

Selena quickly returned to her seat at the banquet.

Seeing Selena take her seat, Liang Biqin involuntarily straightened her back, and even Su Yimo couldn't help but tense up and secretly looked at Selena.

Selena glanced at the full wine glass in front of her calmly, picked it up unhurriedly, and rubbed it slowly in her palm.

However, after waiting for a long time, Selena just didn't drink, and Liang Biqin and Su Yimo almost died of anxiety.

When Selena was abroad, she spent a long time with the elder brother and his gang, and her way of doing things was to do things directly. When she first returned to China, she couldn't adapt to the twists and turns of the entertainment industry, and she even got tricked several times. Now, how could she still make such a low-level mistake...

In such occasions as dinners and night clubs and bars, the biggest taboo is not to drink all the drinks after you leave your seat, because no one knows if you will be tampered with.

What's more, today is the situation where Liang Biqin and Su Yimo are both present...

Unless she is stupid, she will drink this wine directly!

Seeing Selena's delay in moving, Su Yimo finally couldn't help it anymore, picked up the wine glass and stood up and said, "Before, everyone took good care of Yimo and our prosperity, Yimo is very grateful, I respect all the bosses A cup!"

"I also offer a toast to the bosses!" Liang Biqin also stood up.

Seeing that Su Yimo and Liang Biqin had said so, the other artists could only stand up and toast one after another, including Selena.

Seeing that Su Yimo suddenly became so sensible, Yi Xudong was quite satisfied.

Su Yimo drank the wine in the glass in one gulp, and at the same time glanced at Selena from the corner of her eye.

I saw that Selena finally picked up the wine glass and drank the wine in one gulp. Then, she took a white towel beside her and wiped the corners of her mouth without haste.

Su Yimo and Liang Biqin looked at each other, and they both heaved a sigh of relief...

However, in reality, the wine Selena had just drank didn't even enter her stomach at all, and she spit it all out on the white towel.

"Oh, everyone, I'm really sorry, Mr. Sun is too drunk, so I went back to the room first!" Sun Zhanpeng endured the whole night, and he was already desperate. The whole banquet was absent-minded, and he proposed to end it before eleven o'clock .

After Sun Zhanpeng left, the rest of the people didn't drink too much, and the game ended quickly.

Longyue is the top entertainment club in the imperial capital, but the location is very remote. Yi Xudong booked rooms for everyone early on, and everyone will stay here tonight.

After the show ended, Selena sent Daniel a text message, and then returned to her room.

In the darkness, Selena didn't change her clothes, she just leaned on the bed with her head slanted, her eyes didn't feel sleepy at all, but the expression on her face was full of interest.

After lying down for less than a minute, Selena heard a rustling sound coming from the door...

Heh, it came really fast. It was obvious that the front feet were staring at her, and the back feet followed.

With a "beep", the door was opened directly from the outside, and a burst of heavy staggering footsteps came from far and near accompanied by a strong smell of alcohol...

"Little beauty... haven't you been waiting for a long time! Don't worry, my brother is here to hurt you..." Sun Zhanpeng smiled lewdly, and couldn't wait to rush towards the figure on the bed.

In the end, it was empty, and in the next second, there was a heart-piercing pain in the arm...

"Ahhh..." Sun Zhanpeng howled like a pig but Selena covered his face with a pillow, and could only let out an ambiguous moan.

Outside the door, Liang Biqin, who was leaning against the crack of the door, was immediately excited when she heard the man's ambiguous panting from inside!

Selena, that b!tch, is finally finished!

Liang Biqin hurriedly called Su Yimo back while listening, "Cousin, it's over, you can notify the media!"

## Chapter 1274

After the phone call, Liang Biqin felt extremely refreshed. When she thought of that b!tch Selena being crushed under that disgusting man Sun Zhanpeng, and when her bed photo hit the headlines tomorrow morning, her image completely collapsed, she felt cruel. Let out a bad breath!

Just because of this Dmn woman, she has been scolded miserably during this time, and even the advertisements she got were robbed by her!

Liang Biqin put away her mobile phone, hummed a song, and was about to turn around and leave. However, just as she took a step, there was a "squeak" sound of the door opening behind her, and then a strong force came from her arm. Before she could react, what happened, the whole person was dragged into the house...

Then there was a "bang", and the door was slammed shut.

Liang Biqin was in a daze, and by the time she came to her senses, it was too late. A rough, hot palm behind her hugged her violently and threw her on the bed. There was a sound of clothes being torn, and there was a sharp pain in her lower body...

Not only was Selena's glass of wine drugged, but just in case, they also drugged Sun Zhanpeng's glass of wine, several times the amount. At this

moment, Sun Zhanpeng had completely lost his mind and was crazily Liang Biqin was venting...

In the end...what went wrong...

Liang Biqin couldn't even cry out, but she wanted to resist but was slapped hard and passed out...

Outside the door, Selena listened coldly to the man's rough roar coming from inside the room.

Heh, if you have done something bad and you still have to come to confirm and observe in person, then you can't blame her for pushing it!

Selena went to the front desk to open a new room, and then sent Daniel the changed room number.

In the corner not far from the lobby, the waiter who had just given Selena the medicine looked at Selena's back with a look of surprise on her face...

Then... isn't that Selena?

Shouldn't she be in the room with Sun Zhanpeng now...why did she appear here?

After receiving Liang Biqin's call, Su Yimo began to walk back and forth in the room excitedly, finally! I can finally breathe out!

"Have you notified the media yet? Let them come tomorrow morning... No! No! Let them come here now! According to Biqin, the couple is done now! It just so happens that the vice president and the bosses are all here tonight! Just let them See for yourself how Slutty that woman is!" Su Yimo urged.

Zhao Anxin breathed a sigh of relief, smiled and said, "Don't worry, the notification has been issued, and all the media will be there within half an hour!"

Selena was the only one who would never be able to recover from the exposure of this kind of incident. It would not have any impact on Sun Zhanpeng, but it would add a glorious stroke to his history of hunting for beauty.

So, tonight not only flattered Sun Zhanpeng and ruined Selena, the biggest opponent, but also diluted the scandal a while ago, killing three birds with one stone!

The more Zhao Anxin thought about it, the more excited she became, and she waited excitedly. She was in a good mood and said to Su Yimo, "Yimo, it's thanks to you for having such a good idea, why don't we go see the excitement later?"

Su Yimo sipped her red wine, "Oh, look, of course you have to take a good look!"

...

At the same time, Selena had already laid down comfortably in another room.

Daniel won't be there for a while, so she will take a comfortable bath first.

Just after washing, the doorbell rang.

Selena put on her bathrobe, wiped her hair, and opened the door...

At the door, Daniel seemed to realize something after receiving the message from Selena that he had changed his room number. He looked a little anxious, but as soon as he came over, he saw Selena's appearance after taking a bath, and his back tightened...

## Chapter 1275

Seeing Daniel standing at the door in a daze, Selena had no choice but to reach out and lead him in.

"Are you doing something nearby tonight?" Selena asked.

"Well, there is a dinner." Daniel's nose was filled with the fresh and pleasant aroma of the girl's body after the bath, and Daniel had an upright expression on his face, "I came here for business, not for my wife."

As Daniel spoke, he took the towel from Selena's hand and gently wiped her slightly damp hair.

Selena squinted her eyes like a cat, enjoying the service of the Great Demon King.

"Why change the room number?"

Daniel's cold question sounded from above his head.

A cold look appeared on the corner of Selena's mouth, "Because it's too dirty!"

Then, Selena briefly told Daniel what happened tonight.

Daniel's expression turned into a whistling north wind. Originally, for the sake of the woman saving Rick's life, he planned to stop this matter, but now, even if he promised Selena not to interfere in her affairs, this time he would find it absolutely impossible to leave it alone!

"Don't be angry! When I left, Liang Biqin happened to be calling at the door, so I just pushed her in!" Selena had a sly expression on her face.

"Sorry, I'm still angry." Daniel said with a straight face, he had already made up his mind that this matter would definitely be dealt with.

At the same time, the entrance of the 801 presidential suite.

The reporters rushed over after hearing the news, and more and more people surrounded the door, all of them with excited expressions...

"The one inside is really Selena?"

"It's absolutely true! It's the insiders who broke the news!"

"Dmn it! It's too disillusioned! Karen is my god! He actually got involved with that pervert Sun Zhanpeng!"

"This is how to know people, know faces, but not heart! Don't trust the actor's tricks too much! Just look at Su Yimo!"

...

In the corner, Su Yimo and Zhao Anxin saw that the reporters were about to arrive, they looked at each other, and called the waiter before, asking her to come and secretly open the door for the reporters.

"Why did Biqin disappear?" Su Yimo had been immersed in Selena's unlucky excitement, only now did she realize that Liang Biqin had disappeared after making a phone call earlier, and did not return to her room to look for them.

"Don't worry about her, she probably went to some investor's house!" Zhao Anxin said indifferently, guessing that Liang Biqin also went to find a backer tonight.

The waiter hurried over after receiving the call, because she saw Selena in the lobby before, and now she felt that something was wrong, but who cares, she was just following orders anyway, what the person who gave the money told her to do, she Just do it!

So, the waiter pretended to persuade the reporter to leave, but took advantage of the chaos and opened the door with a beep.

The moment the door was pushed open, all the media rushed in and squeezed in frantically...

The scene inside the house did not disappoint them!

The room was filled with the sweet smell and the disgusting smell of alcohol, even mixed with a bit of blood...

The reporters rushed in, and Sun Zhanpeng was still moving wildly on the woman, his face was full of ferocious lust, and the woman's face was buried in the quilt, and her body was covered with blood and bruises. Simply shocking...

All the reporters were so shocked by this scene that their eyes widened. After recovering, there was a burst of flashing shots one after another.

"Help...help me...cousin save me...sister Xin save me...help..." Liang Biqin was already awake at this moment, shouting loudly.

At this moment, a reporter finally responded, "This...does this seem to be Selena?"

"Huh? Not Selena? Who is that!"

...

At this time, Sun Zhanpeng pinched Liang Biqin and changed his posture, and Liang Biqin's face was immediately exposed in front of all the media...

All the media were surprised...

"Liang... Liang Biqin! It's not Selena! It's Liang Biqin!"

## Chapter 1276

Sensing that the situation in the room was getting worse and worse, and even faintly hearing someone say the name "Liang Biqin", Su Yimo and Zhao Anxin gradually felt an extremely bad premonition...

what happened? Why did I hear someone say that the person in the room is Liang Biqin?

Taking advantage of the fact that the media's attention was all in the room, the two hurriedly moved closer to check what was going on!

As a result, after seeing the situation inside clearly, the two of them were like a bolt from the blue!

Why is it Liang Biqin instead of Selena!

"How...how could it be Biqin!" Su Yimo couldn't believe her eyes.

Zhao Anxin was also going crazy, "Where's Selena! Where's that b!tch Selena!"

No matter what is going on with all this, it's over... It's really over now!

The two of them couldn't figure out why things turned out like this.

Seeing the waiter at the end of the corridor poking her head, Zhao Anxin immediately ran towards the waiter angrily, gritted her teeth and said, "What's going on! Didn't I ask you to drug Selena!"

Looking at Zhao Anxin and Su Yimo who were staring at each other, the waitress looked innocent, "I don't know! I really don't know how it happened! You were there when I gave her the medicine!"

"How did the people there become Selena?"

The waiter could only hurriedly tell what he saw Selena just now, "I saw Selena and Mr. Sun enter the room with my own eyes before leaving, but... Later, when I was in the lobby, for some reason I seemed to see Selena was supposed to be in the room! She lingered at the front desk for a while, but she didn't know what she was doing!"

"Why didn't you tell me earlier!" Zhao Anxin said impatiently, "You didn't ask me exactly what Selena was doing there just now!"

Zhao Anxin vaguely felt that this was the key to the problem.

The waiter could only quickly make a phone call to ask the front desk, and then his face suddenly changed, and he replied tremblingly, "Ning... Selena didn't live in the room that I booked before, I don't know why, she opened it again later by herself. one room!"

Now, Su Yimo and Zhao Anxin were really dumbfounded!

No need to ask, Selena obviously saw through their plot, although I don't know how she saw it...

The waiter saw that the faces of the two were becoming increasingly ugly, and added, "But the front desk told me that not long after Selena moved in, it seemed that a man followed him into Selena's room!"

"What? Are you serious?" Zhao Anxin's acting skills immediately showed up, and Su Yimo looked over nervously.

"There should be nothing wrong..." The waiter didn't dare to guarantee it.

Zhao Anxin and Su Yimo glanced at each other, and finally Zhao Anxin said, "Anyway, let's go find out the situation first! This time we will go there in person!"

Su Yimo nodded, and then asked, "Where is Selena's room?"

"It's upstairs! Room 906!" The waiter replied.

The two of them didn't have time to think about it, they didn't even care about Liang Biqin who was still calling for help in the room, and immediately rushed upstairs...

Standing in front of box 906, Zhao Anxin and Su Yimo took a deep breath.

If there was really a man in Selena's room, then tonight would not be a terrible loss. Anyway, the reporter is downstairs, and he can be called directly with just one phone call. Even if the wild man ran away, it would be too late...

## Chapter 1277

"Are you sure the person inside must be Selena?" Zhao Anxin asked cautiously this time.

Regarding this question, the waiter was quite sure, "Sure! The real-name registration is required to book a room here, it must be Selena! And I saw her go to the front desk when I was in the lobby before, there is no mistake ..."

Outside the door, Su Yimo took a deep breath, then signaled the waiter with her eyes, "Open the door."

"Be gentle, don't disturb the people inside!" Zhao Anxin reminded, and very thoughtfully, she immediately turned on the video recording on her mobile phone, so as to avoid any accidents and have first-hand evidence.

When the waiter heard this, he wondered, "My door card authority can only open the rooms below the eighth floor, but I can't open the rooms here!"

Zhao Anxin frowned in displeasure, and then said, "Then ring the doorbell and say it's room service!"

The waiter had no choice but to nod, pressed the doorbell, and pretended to be room service...

After waiting for a while, with a "squeak", the door was finally opened from the inside.

However, in the next second, after seeing who the person was at the door, Su Yimo and Zhao Anxin, who were waiting outside the door with bated breath, were suddenly horrified...

Zhao Anxin's eyes were wide open, her expression was distorted, and that face was so ridiculous for a moment, she almost bit her own tongue when she opened her mouth, "Lu... President Lu!?"

There is indeed a man in this room!

But the person who opened the door turned out to be Daniel! ?

The man seemed to have just taken a shower, he was wearing a white bathrobe, his hair was slightly wet, and the picture of water droplets sliding down his neck into the skirt of his clothes was simply mouth-watering.

Su Yimo's eyes were filled with deep fascination when she was shocked, and when she realized it, her face was filled with embarrassment, and even her voice became delicate and soft, "Ting... Lu... Mr. Lu..."

Zhao Anxin glared at the waiter at the side viciously. This person who has done more than succeed in failure has made a mistake again!

The person living in this room was not Selena at all, but Daniel!

However, this can be regarded as an unexpected harvest.

In the past few days, she has been trying to find a chance to take Su Yimo and Daniel to apologize, but it is simply impossible for people like them to see Daniel. Encounter...

Zhao Anxin was quick to wit, and hurriedly said in fear, "Mr. Lu, I'm really sorry for disturbing your rest so late. We came here because we heard that you are staying here tonight. Apologies for the trouble! We Yimo are completely unaware of those rumors, and we don't know why the last thing was misunderstood like that! Of course, we did not detect and clarify in time and caused trouble to you and your girlfriend, we are very sorry for that!"

This speech was a perfect example, and Su Yimo, who was speechless because of seeing Daniel, was very satisfied.

As her agent, she still has some effect at critical moments...

At this moment, the waiter at the side heard that this person turned out to be the president of the Lu Group, and his whole body was about to petrify, my god... my god! In her lifetime, she was able to witness that legendary big man with her own eyes. As expected...so handsome...

However, how could the front desk make such a mistake? Could it be that she misremembered the house number just now?

After Zhao Anxin finished speaking, Su Yimo's eyes turned red immediately, tears rolled down her cheeks, her tone was slightly choked, and she bowed deeply to Daniel, "Mr. Lu, I apologize to you and your girlfriend for what happened before. ! If...if she still can't understand, I'm willing to explain and apologize to her face to face!"

## Chapter 1278

When she said this, Su Yimo's shoulders trembled, as if she had suffered a huge grievance, and the waitress at the side couldn't bear it.

On the other hand, Zhao Anxin nodded secretly, Yimo finally broke out in acting tonight!

Zhao Anxin and Su Yimo didn't really hope that Daniel would listen to their explanations patiently, but they didn't expect that after they talked for a long time just now, Daniel stood there and listened patiently.

Afterwards, the man looked at Su Yimo with a cold expression, and said in a calm tone, "You want to explain your apology to my girlfriend?"

Su Yimo immediately raised her tear-stained face, "Yes, as long as you forgive me, I'm willing to do anything!"

Looking at the situation in front of her, Zhao Anxin's face was filled with joy, it's interesting to see this!

Sure enough, as long as you are a man, you can't stand the way women act coquettishly and show weakness...

At this moment, in the bedroom of the suite, Selena was concentrating on watching the script of the new play. It was too late and too far away, so Selena and Daniel planned to stay here for the whole night.

Noticing that Daniel opened the door but didn't come back, Selena couldn't help feeling a little suspicious, she turned her head and called out lazily, "Sweetie?"

She called out, but there seemed to be no response, so Selena scratched her head and walked towards the door with her bare feet stepping on the carpet.

At the door, Zhao Anxin and Su Yimo only heard a soft and sweet "heart" from a woman in the suite. Su Yimo's face turned pale. So Daniel was with his girlfriend tonight?

She thought that Daniel was the cold and abstinent type. Even in a relationship, he should be restrained and polite. The woman he likes should be the same cold type. Who knew that he would hear such a sweet and cloying address...

And looking at Daniel's expression, that face that was originally indifferent, distant and repulsive, seemed to immediately melt like ice and snow.

What kind of woman could make Daniel so pampered in the palm of his hand...?

Not only Su Yimo, but also Zhao Anxin was extremely curious. The little waiter at the side wanted to take another look, but Zhao Anxin disliked her being in the way and drove her away with winks.

The sound of extremely light footsteps stepping on the soft carpet sounded from far to near. Su Yimo held her breath, restrained the complicated emotions rolling in her eyes, and stared at the direction of the room...

In just a few seconds, Su Yimo felt as long as centuries.

Finally, someone came out from around the corner...

The girl seemed to have just taken a shower, her face was flushed, she was wearing a set of pink pajamas, her jet-black hair was lazily draped over her shoulders, and she was holding a thick stack of scripts covered with colorful labels. Walking towards the door with suspicion...

After seeing who the woman in the room was, Su Yimo only felt a "boom", and her mind was like a meteorite crashing into it, making a loud noise...

"Ning... Xi..." Su Yimo's lips trembled, her whole body seemed to be going crazy and messed up.

Selena raised her eyebrows in surprise when she saw Su Yimo and Zhao Anxin, whose faces were filled with terror as if they had seen a ghost at the door.

However, since she had already been seen, there was nothing she could do. Selena was quickly attracted by another more important matter, and quickly walked up to Daniel, frowning, and slipped Daniel's somewhat low pajamas collar. Tighten it up...

Seeing the girl's stinky appearance, Daniel chuckled softly, then took Selena's hand, and when he turned to the two people at the door, he instantly regained his indifference and alienation: "It's not about my daughter. Is your friend apologizing?"

## Chapter 1279

"You...your girlfriend...is Selena...how could it be...how could it be Selena...it's impossible! It's absolutely impossible!" Su Yimo shook her head mechanically and muttered how it was impossible.

Zhao Anxin's face was ashen, and she fell to the ground.

God!

wrong! All wrong!

When she saw that the man who opened the door was Daniel, her first reaction was that she had made a mistake in the room number. How could she have guessed that what the waiter said was the truth!

The room number was correct, and it was indeed Selena who lived in it, but the man the waiter was talking about turned out to be Daniel!

Daniel's mysterious girlfriend who was rumored to be extremely doting and loving... turned out to be Selena!

And judging from the information that Saul disclosed that day, the two of them have been dating for such a long time...

No wonder Saul went to dig Selena himself and invited Lin Zhizhi out of the mountain to bring her...

No wonder Daniel never attended the anniversary celebrations in previous years, but this year he attended...

It's no wonder that Daniel rejected Su Yimo on the spot, but Selena was chosen as the new partner afterward...

Zhao Anxin felt like she was going crazy, and what made her even more frightened was that since Selena had noticed their plan, then Daniel must have known about it too!

Daniel suddenly appeared here in the middle of the night, probably because of this matter?

They actually tried to design Daniel's woman, and sent her to the bed of that horny Sun Zhanpeng...

over...

This time, everything is completely over...

Zhao Anxin's body was shaking like a sieve, and she knelt down with a plop in extreme panic, "Selena...Miss Ning! I didn't mean it! I really didn't mean it! All of this was Su Yimo's idea! She said she would give you to Sun Zhanpeng to please her. It was the reporter she called, and it was she who heard that a man entered your room and wanted to come up to catch the rape... From the beginning to the end, I just obeyed orders! Miss Ning, please forgive me This time!"

At this moment, Zhao Anxin wanted to slap herself to death, she was really blind! Well-behaved, offering a fake proprietress as a Bodhisattva, and helping this fake to frame the rightful owner!

You know, Daniel is not just an ordinary businessman as he appears on the surface. He has acted ruthlessly since he single-handedly quelled the civil strife that almost brought down the Lu Corporation five years ago. The consortium has pushed to a peak, and the industry spans Southeast Asia and spreads all over the world. You can know what kind of role it is!

Squeezing a person like her to death is as easy as crushing a small ant...

Su Yimo was in a daze, but she didn't expect that Zhao Anxin would turn her back on the spot and put everything on her, so the image of the goddess could no longer be maintained, and immediately hissed at the top of her lungs, "Zhao Anxin! I'll tear your mouth apart! It wasn't you who manipulated public opinion to take advantage of Mr. Lu, but you did everything tonight, and you actually pushed it all onto me..."

She hates it! Hate it! Why is it that Daniel's woman is not her? Now she can accept anyone else, but why is it Selena! Why is it Selena!

Su Yimo was extremely regretful at this moment why she came here to frame Selena. If there was no incident tonight, she would have taken a step back and said that she was at least a superstar, but now, it was already too late to say anything...

Seeing the two of them arguing, a trace of impatience appeared on Daniel's frosty face.

Afterwards, a few bodyguards in black appeared from nowhere and dragged the two of them away quickly...

## Chapter 1280

"Uh..." Selena just watched Su Yimo and Zhao Anxin suddenly appear, and Su Yimo and Zhao Anxin were dragged away again...

"Don't worry, they don't dare to tell the outside world." Daniel closed the door to block the pungent perfume smell left by the two people outside.

Selena shrugged and said, "Oh, I'm not worried about that, they are definitely the most unlikely people in this world to tell about our relationship!"

"Sorry, I promised you not to interfere with your work, but not this time." Hearing what Daniel said, he definitely had to deal with those two people.

Selena scratched her head, "But...she saved Rick..."

Although Su Yimo was drunk driving and drove into another car that almost hit Rick, and she didn't know it at all, but no matter what, it can be regarded as saving Rick.

Daniel's face was extremely serious, "She almost hurt you."

The translation is: Wife, you are more important. more important than a son.  
Ok.

Seeing Daniel's serious and serious expression, Selena tiptoed and kissed his chin to comfort him, "Okay, I got it! You can handle this matter as you like!"

"Ok."

The man nodded solemnly, not revealing at all that he was actually holding the selfish intention of helping his wife get rid of stumbling blocks and speeding up the process of marrying him...

Not wanting to spend the rare time alone with Selena being occupied by these people, Daniel glanced at the script in Selena's hand from the corner of his eye, and changed the subject, "The script for the new play?"

"That's right! Do you want to review?" Selena asked.

"No, Guo Qisheng's films are basically infallible, not to mention that he tailor-made them for you." Daniel replied.

Selena blinked her eyes and said in surprise, "Ah, how do you know?"

"Basically guess." Daniel said in a tone of "my wife is so good, shouldn't that be the case".

"Okay...you're about to become a god!" Selena hugged the script, leaning comfortably in Daniel's arms, and the two of them flipped through the script together.

"Mr. Ke Mingyu, who doesn't care about fame and popularity, but only for beauty, do you have a role you like?" Selena teased.

Daniel glanced at the cast list, and after a while, he tapped one of the names with his slender fingers.

Selena took a closer look, "Liu Yan?"

"Ok."

Seeing that name, the corners of Selena's mouth twitched, "You... really know how to choose!"

Daniel: "Thank you Madam for your compliment."

Selena broke into a sweat, then looked at Liu Yan's introduction, clicked her tongue, "Liu Yan, the heroine's shadow guard, doesn't have many scenes, but

almost all of them are scenes with my opponent... The most important thing is... er ...the only sex scene I have in the play is not with the male lead, but with Liu Yan..."

Selena raised her eyebrows and cast a sideways glance at the man, "Did you choose this role because of the former reason or the latter reason?"

Daniel looked upright: "Both."

Selena: "Okay..." There's nothing wrong with this answer...

Daniel and Selena nestled in the room, chatting and reading the script comfortably, while the downstairs was already bombed, and more and more reporters surrounded them.

Not only because of Liang Biqin's matter, but also because they saw Su Yimo and Zhao Anxin being thrown out like sacks by two bodyguards in black...

That night, news immediately spread in the circle.

The next morning, when the entertainment gossip headlines on major websites came out, it caused a sensation in the entire entertainment circle, almost everyone was discussing...
