

Cruel Heart Lover Novel

Chapter 1311

The beer belly pointed to a table full of poured white wine on the side bar, and said in a rough voice, "I just want money! I have plenty of money! Just drink all the wine for me, and I will invest 50 million yuan in you." play!"

Because there was so much commotion here, everyone was alarmed in the end, including the person who was starred by everyone...

The veins on Selena's forehead were throbbing violently, Dmn it! What evil did she do!

Once you meet that guy, nothing good will happen...

"Wow! Fifty million!"

"For those female artists in the entertainment industry, drinking a little wine and sleeping with them can reap such a big benefit. It's actually a lot of money!"

"That girl is backed by Ning Qitong!"

"I think Ning Qitong's motives for supporting this girl are not pure... but she is an adopted daughter. Who doesn't know what the greatest role of an adopted daughter is?"

...

Susie looked at the farce not far away, and listened to the discussions in her ears, her face was full of complacent mockery.

“Ning Yaohua, look at your good daughter. I told you to find a way to get her away, but you insisted that it was all right!” Zhuang Lingyu’s face was extremely gloomy.

Even if she is only an adopted daughter, it is enough to lose her identity. If someone finds out that she is her own, she can hardly imagine...

Ning Yaohua’s complexion was also not very good-looking, so he could only say with a tiger’s face, “What did you scold me for? This is also an accident! How can I count?”

Ying Fanglin who was on the side comforted, “Oh, uncle and aunt, don’t be angry, after all Selena is in the entertainment industry and she is pretty, such things are inevitable!”

Jin Xuanxuan immediately continued, “What, why doesn’t Susie encounter such a thing? Flies don’t bite seamless eggs, okay! It’s not because of her own indiscretion!”

The two of them sang together, which made Zhuang Lingyu and Ning Yaohua’s faces even uglier, but at this moment, neither of them wanted to step forward to make a rescue, and if they did, they would have to face the eyes of others watching the show.

Anyway, she was brought by Ning Qitong, so she has nothing to do with them, so it’s better to get rid of all the relationship directly, so as not to cause a commotion...

Ning Yaohua and Zhuang Lingyu looked at each other, they both asked for their ideas and ignored them.

Not far away, the drunken beer belly was still relentless, “Drink! Why! Still too little? An actor! Do you still think you are a famous lady?”

People around were staring in Selena’s direction and whispering...

"Do you think this girl can drink?"

"So much wine, you must drink to death..."

"But it's 50 million! Who can control it? Drink it to death! What do you want to save face?"

...

Anyway, they've already been discovered, and Selena didn't plan to pretend to be a grandson any more. A sneer flashed across the corner of her mouth, she stretched her voice, and said slowly, "What a coincidence, I like watching people drink too much, this one Sir, if you drank all the wine on stage, how about I give you one billion?"

As soon as the voice fell, after a brief silence at the scene, there was an uproar...

"Hey! This girl is so daring! A billion! Where did she get a billion!"

"It doesn't matter, Qian Caijun doesn't know how to drink anyway!"

"I suddenly admired this girl a little bit, it's really touching!"

"Hahaha... I hate those who insult people by drinking to go crazy. Even if you want to find a woman to play with, you don't have to make trouble with a girl in public like this?"

...

Not far away, the eyes of the white-haired man danced with dazzling brilliance, and a low chuckle came out of his throat, "Heh..."

Chapter 1312

From the day she chose to enter the entertainment industry, Selena was already mentally prepared.

This kind of thing is too much and too common, the one in front of me can only be regarded as a small case.

In the past, she might have chosen to keep things quiet, but today, she came with Ning Qitong. If she really did nothing and let this man find fault, Ning Qitong would lose face.

Moreover, before she said this just now, she had secretly asked the waiter to help find Ning Qitong.

Now that she has dealt with it, it will be fine to delay until Ning Qitong arrives.

"Ten... one billion? You ba5tard! You're playing tricks on me!" The beer belly roared angrily.

Selena said with an innocent face, "Sir, I'm serious, otherwise you can finish drinking and try to see if I'm playing tricks on you!"

As soon as the words fell, there was another roar of laughter around.

"This girl is interesting!"

"It's really interesting! She's pretty and smart too!"

...

Selena obviously relied on Qian Caijun's absolute inability to drink, that's why she opened her mouth so loudly.

"You...don't talk nonsense to me here! Just say whether you want to drink this wine or not!" Qian Caijun's eyes flashed fiercely, and he was humiliated by a woman under the eyes of everyone. How could he let it go? .

In fact, seeing this, many people are already on Selena's side. Even if Selena is an adopted daughter and an artist, Qian Caijun's approach is indeed too low...

On the contrary, Selena's neither humble nor overbearing way of coping won the praise of many people.

It's just that this Qian Caijun has some power in the imperial capital, and he has an official brother, so no one rushes to offend him at the moment, and can only silently lament that this girl is also unlucky...

Qian Caijun was still pestering, and Selena was stalling for time, when the crowd not far away suddenly moved out of the way.

I saw the white-haired man who she had been hiding from just now, passing through the crowd, walking towards her and Qian Caijun step by step...

Selena immediately concentrated her attention and activated the first level of alert.

What is this guy trying to do again?

When the others saw Yun Shen walking over, they also subconsciously looked over...

"Mr. Qian." The man stopped in front of Qian Caijun and greeted him.

After that Qian Caijun saw Yun Shen, his expression changed, and he suddenly became sober, "Yun... President Yun!"

Unexpectedly, Yun Shen would take the initiative to talk to him, Qian Caijun hurriedly rubbed his hands on the clothes, and then handed them over, "It's a

pleasure to meet you! I have made an appointment to see you, but you have a lot of things to do every day, you are really a busy person... .."

Qian Caijun wasn't sure what Yun Shen wanted to do when he took the initiative to find him, so he could only flatter him first.

Yun Shen didn't reach out, but Qian Caijun didn't care, he completely forgot about Selena, and continued to talk about his project eloquently, "Mr. Yun, if you invest in my project, you will definitely not lose... You don't have to worry about the side relationship at all..."

Before he finished speaking, the white-haired man with a beautiful face said quietly, "It's not impossible to invest."

Qian Caijun's expression brightened immediately, "What does Mr. Yun mean?"

Selena also had a nervous face, ready to deal with emergencies at any time...

Under everyone's gaze, Yun Shen said unhurriedly, "I don't have any other hobbies, but I like to watch people drink. If Mr. Qian can drink all the wine, I'll give it to you... Billion!"

Chapter 1313

this...

These words... are exactly the same as what Selena said to Qian Caijun just now!

Everyone looked at each other in blank dismay, and their expressions gradually became a little strange.

Could it be that this Yun is always... a hero saving the beauty?

According to the normal routine, it seems that this is true, but only the moment when Yun Shen appeared for a short time, everyone has already deeply understood his temperament.

It is completely unpredictable and cannot be judged by common sense.

Therefore, they are not sure what he means at the moment...

Seeing that Selena was about to make a fool of herself in public, Susie didn't expect that Chen Yaojin would appear on the way, and this person was still Yun Shen, her lips almost turned purple.

Before the matter was clarified, Ning Yaohua and Zhuang Lingyu were full of suspicion and did not act rashly...

"How?" Yun Shen took a sip of his wine, his eyes glowing with an unclear light.

Qian Caijun was completely awake at the moment, and his mind was spinning rapidly.

What does this man in front of me mean?

Did he really intend to help this woman, or was he simply idle and bored, or did he really like watching people drink?

Really... I can't figure it out at all!

but! Billion! This is a billion!

Originally, he thought that as long as he could get 300 million to 500 million yuan, his project could be launched. Now, facing such a large number, let alone him, who can not be tempted at the scene...

Besides, a person like Yun Shen can't talk like this little girl without saying anything!

He would also like to thank this girl for creating such a good opportunity for him!

Thinking of this, Qian Caijun made a decisive decision, "What's the matter, as long as Mr. Yun likes you, this little thing is not easy! It just so happens that Qian can't do anything else, he's good at drinking!"

After speaking, Qian Caijun took a deep breath, picked up one of the glasses of wine, drank it down, and quickly picked up another glass...

Yun Shen stood aside and watched with a half-smile, his peripheral vision hung on someone's body like a hook...

The onlookers were shocked to see Qian Caijun drinking like water.

"Nimma, so much wine! Qian Caijun isn't afraid to drink to death? No matter how good you are, you can't drink like this?"

"I think he has already drunk a lot before, if he continues to drink like this, he might really die..."

"But Qian Caijun is really short of money recently, such a good opportunity, it's just a few glasses of wine, who wouldn't want it! Don't you want it?"

"Nonsense, of course I would!"

...

Seeing that Qian Caijun's eyes became more and more cloudy, and he was about to collapse, Yun Shen's expression did not change at all, and there was a tinge of shocking coldness in his eyes.

Everyone inexplicably lowered their voices...

Selena looked at that Qian Caijun's stomach was stretched into a ball and was still stretching, so she pinched the space between her eyebrows.

Finally, Qian Caijun drank all the wine on the table, "Yun... Mr. Yun is still... satisfied..."

Yun Shen raised his eyebrows when he heard the words, and said slowly, "Tsk, I was just joking. I didn't expect Mr. Qian to take it seriously. Mr. Qian is so cute."

What he said... If he was joking, why didn't he interrupt halfway and watch it for so long?

It's so angry that people vomit blood!

"You..." Qian Caijun's eyes widened in disbelief, wanting to be angry but not daring to be angry, his whole face was distorted to the extreme.

Is he being played?

Unexpectedly, Yun Shen would make a slip of the tongue on the spot, and everyone else was stupefied, and at the same time, they took it for granted. This really seemed like something this person who didn't follow the routine would do...

Chapter 1314

Just when Qian Caijun didn't faint from drinking, but was almost fainted from anger, Yun Shen changed the subject and said again, "Hey, I have limited funds, so a billion is not enough, but if it is less, it would be better." no problem."

As soon as Yun Shen said this, Qian Caijun immediately came back to life, "Of course I understand this, I understand! Mr. Yun, look at the investment, as much as you want!"

Let alone three to five hundred million!

Yun Shen turned his head and said something to the bodyguard who was dressed in black with a serious face beside him, and then the bodyguard left.

It looks like he is going to get money?

Soon, the bodyguard came back, and with Qian Caijun's expectant expression on his face, he stretched out his hand towards him expressionlessly.

Qian Caijun spread out his palms...

In the next second, a silver one-dollar coin fell into Qian Caijun's fat palm...

Everyone, including Qian Caijun, was confused again!

One...one dollar!

Are they dazzled?

"Uh, a dollar? Is that a dollar? Or am I reading it wrong!"

"No... that's right, it's just one dollar!"

"I'll go! This President Yun is really amazing! I can't guess what he will do in the next second!"

"Isn't Yun always having a grudge against Qian Caijun?"

"Who knows! But I look like it!"

"Qian Caijun deserves it right. It's not the first time this old guy has troubled a girl. Last time he deliberately paid a dollar to humiliate her at a charity auction... This must be retribution!"

"Uh, after hearing what you said, why do you feel that Mr. Yun has something to do with this girl?"

...

"Paji" a dollar fell into the palm of his hand, followed by a "bang", Qian Caijun fell on his head.

This time, I was really stunned...

Susie, who watched nervously for a long time, was even more furious!

The hotel manager hurriedly asked the waiter to carry him out. Facing Yun Shen, he didn't even dare to say a word, but cautiously said, "I've frightened you! I'm so sorry!"

Seeing that things had developed to this point, she and Yun Shen were surrounded by everyone, and there were more and more speculations and discussions around them. Selena had a headache and hurriedly took advantage of the opportunity when Qian Caijun fainted. Want to take advantage of the chaos and leave.

At this time, Ning Yaohua, who had been watching for a long time in the corner, couldn't stay any longer, and excitedly went forward and said, "Thank you, Mr. Yun, for making a righteous move to rescue the little girl!"

Ning Yaohua said while handing over a business card with both hands, "Mr. Yun, I am Ning Yaohua, the chairman of Ning International. I have passed the project plan to your company before. I wonder if Mr. Yun has any impression?"

No matter why Yun Shen made the move, this is really a once-in-a-lifetime opportunity.

With so many people around him just now, he didn't even have room to speak...

When Selena saw Ning Yaohua who hadn't said a word when she was picked on just now, but now ran over quickly, her eyes darkened.

Yun Shen glanced at the girl's face, then took the business card and said, "Ning's International, I have a little impression."

Ning Yaohua was overjoyed immediately, and then talked about the relevant details, "I didn't expect Mr. Yun to remember! Even if our Ning's International is not one of the best in the imperial capital, it is also a time-honored brand in the industry, and our cooperation with the Su family Has always been close, in addition to our channels..."

Chapter 1315

Not far away, everyone saw Ning Yaohua hit the snake with the stick, and the fisherman picked up the leak for a profit, all of them looked envious.

"This Ning Yaohua is really capable of trouble. He didn't know if he made a rescue for your daughter, but he just ran over to curry favor with him!"

"It's all right now, we have been busy for a long time and no one is happy, but he picked it up and missed it!"

"This kid is really lucky!"

...

At the same time, Yunshen listened to Ning Yaohua's words very patiently from the beginning to the end, and gave some comments and responses from time to time.

Ning Yaohua was really elated, and after he finished speaking, he hurriedly asked cautiously, "How does Mr. Yun feel?"

Zhuang Lingyu at the side felt the envious eyes of Sifang, and looked at her husband with satisfaction and pride on her face. Even Susie forgot to take care of Selena, and looked nervously at the white-haired man in front of her.

If this project is successfully negotiated, then the Ning family will take a big step forward. The most important thing is that after the old man made his will, and no one can do anything to anyone, Ning Yaohua needs an important performance to gain a foothold and words right now.

Finally, Yun Shen said, "Chairman Ning's project is good, so..."

so...?

Under the nervous and expectant eyes of the three of Ning Yaohua, Yun Shen smiled slightly, looked at Selena who was beside him and said, "So, dear, what do you think? Shall I invest in your father?"

Ning Yaohua: "..."

Zhuang Lingyu: "..."

Susie: "..."

Selena: Say!

She lowered her sense of existence without saying a word, why was she still shot while lying down?

She just knew... tonight is absolutely unavoidable...

Also, what "father", this guy is clearly disgusting her on purpose...

All of a sudden, Ning Yaohua, Zhuang Lingyu, and Susie all looked at Selena as if they had seen a ghost, with expressions of disbelief on their faces.

This... What the hell is going on?

Selena took a deep breath, forced herself to stabilize her emotions, and said expressionlessly, "Mr. Yun was joking, this matter seems to have nothing to do with me, right?"

When Ning Yaohua heard this, he became anxious immediately, and before he had time to worry about what was going on, he stopped sharply, "Selena, don't talk nonsense!"

"Hey, what a pity, since that's the case, forget it." Yun Shen's light words directly rejected the investment intention.

Ning Yaohua's entire face turned dark, and Zhuang Lingyu also looked ugly.

Susie clenched her fist tightly, and finally couldn't help asking, "I don't know what is the relationship between Mr. Yun and my sister...?"

Selena immediately said, "It's okay!"

Yun Shen didn't intend to stop at all. He looked at Selena with a light smile and continued, "Why is it okay? Honey, I'm yours..."

Selena immediately glanced over, you ba5tard! If he dares to talk nonsense, she will die with him!

"Heh..." The man must have finally had enough fun. He looked at Selena's staring eyes like Niu Ling's with satisfaction, and pursed his lips, "I'm your... loyal fan!"

Selena: "..."

Ning Yaohua and Zhuang Lingyu looked at each other dumbfounded, Susie suddenly thought of something, and her face suddenly turned pale.

Selena's... fans...

She suddenly remembered what happened at the last charity gala...

Could it be...he was the mysterious No. 8 who spent 100 million to buy the crown and give it to Selena?

At that time, the host said that this person was Selena's fan...

Chapter 1316

It was obvious that Ning Yaohua and Zhuang Lingyu had also thought of this incident, and their eyes were filled with surprise and uncertainty.

No matter what, it was impossible for them to expect that the person they were looking for with all their heart and soul... would be Selena's fan!

And the other party was so obsessed with Selena that he almost obeyed her advice!

When Ning Yaohua thought of Selena's answer just now, he couldn't wait.

Dmn girl, if you just agree directly, you will get the one billion investment.

As far as he knows, this Yun Shen has never made a move of less than one billion...

Here Ning Yaohua wanted to make amends, but Yun Shen had no intention of talking to him, so he turned around and left.

Before leaving, the man stopped and turned to look at Selena and said, "Honey, don't miss me too much, we will meet again soon."

Selena: "..."

As soon as Yun Shen left, Ning Yaohua couldn't bear it anymore, and Zhuang Lingyu also pointed the finger at her.

"Selena, why are you so ignorant!"

"Just now, why didn't you directly say that you hope he can invest? Do you know how much the company lost because of your words?"

"Sister, what you did just now is really too much..."

...

Selena's eyes swept over the three of them one by one, she was almost disgusted to death, and said coldly, "When I was picked on by that Qian Caijun just now, one, two or three of you acted as if you didn't know me, but now you demand I told a stranger who I have never met before, let him sell me such a big favor, this favor, what are you going to give me to repay in the future?"

"Selena, father didn't have time just now. I was ready to stop it at that time. You can't lose your temper just because of such a trivial matter! Why don't you find a time later, you have a meal with Mr. Yun, and help father talk to Mr. Yun again. Say?" Ning Yaohua thought of Yun Shen treating Selena differently, and didn't want to have a falling out with her, so he tried his best to soften his tone.

"What's the matter if we didn't go there at the time? Do you want to embarrass us by embarrassing yourself?" Zhuang Lingyu's tone was not so good.

Thinking of what she'd done, how she'd screwed up just now, filled her with anger.

Susie at the side patted Zhuang Lingyu on the back thoughtfully, telling her not to get too angry...

At this moment, a woman's sharp voice came from behind – "Oh, it's embarrassing enough!"

"Auntie..." Selena looked at the person coming.

Ning Qitong had listened to the waiter explain the whole story just now, and touched Selena's head with a distressed expression, then turned her eyes sharply to the three of them, "It's really embarrassing for Selena to have parents like you! He ran faster than anyone else, left the family clear, and saw that he was useful, and came to eat another daughter. The shamelessness of my brother and sister-in-law really taught me a lot!"

"You..." Zhuang Lingyu's face turned black with anger.

"What about me? I'm telling you today, you have never raised Selena, taught her, or recognized her. You have no right to ask her to do anything!"

"Cough, Qiu Tong, keep your voice down!" Ning Yaohua looked around suspiciously.

Ning Qitong was so angry that her beautiful eyes were full of fire, but her face was covered with a layer of frost. Holding Selena's hand, she walked towards the center of the crowd with big strides...

"What...she wants to do!" Zhuang Lingyu suddenly had an ominous premonition.

Selena frowned and looked at Ning Qitong, "Auntie..."

Ning Qitong interrupted her directly, and said, "Selena, don't talk, everything is up to me."

After finishing speaking, he said directly in front of everyone present, "Everyone!"

All of a sudden, everyone's eyes subconsciously looked in the direction of Ning Qiutong...

Chapter 1317

Accompanied by Ning Qiutong's voice, everyone looked suspiciously, not knowing what Ning Qiutong was trying to do...

Everyone looked at each other and shook their heads and discussed, only to hear Ning Qiutong say: "I already know what happened just now. Regarding what Qian Caijun did and the harassment of my niece, I will investigate to the end. Of course, not only limited to legal means."

It means to fcuk him...

Ning Qiutong actually did this for an adopted daughter in the countryside?

Even Ning Yaohua and Zhuang Lingyu didn't say anything just now...

All of a sudden, everyone was obviously confused.

"In addition, I see that everyone seems to have misunderstood something, so there are some things that need to be explained to everyone present. I have just introduced that Selena is my niece, my niece, not adoption!"

As soon as Ning Qiutong finished speaking, there was an uproar...

Susie's face immediately turned pale. Ning Yaohua and Zhuang Lingyu wanted to stop it, but it was too late. Ning Qiutong continued to speak quickly, "When Selena and Susie were born, they were hospitalized Sorry, Selena was not taken back to the Ning family from the countryside until she was eighteen! Selena is my niece, the eldest daughter of our Ning family! Today, let alone Selena's identity here, even if She is just an ordinary girl, and what Mr. Qian Caijun did just now is disgusting enough! I believe you all have no objection to this point!"

Zhuang Lingyu's pupils shrank suddenly, "Ning Qiutong!!! She dared! She really dared! I tore her!"

Ning Yaohua pulled Zhuang Lingyu back, "Calm down! What kind of occasion is this? Don't you think it's not big enough? If you argue with her now, what good will you get? She's telling the truth It's better to wait for things to subside..."

At this moment, how can everyone care about Qian Caijun? All attention is on the explosive news of Ning Qiutong...

"What...what's the situation? Isn't Susie her own? Selena is?"

"Wait, wait, I'm getting dizzy, so Selena is the eldest lady of the Ning family, but Susie is just a country girl who hugged her wrongly? This is incredible!"

"It's no wonder that Selena's temperament and demeanor are so outstanding. I didn't expect there to be such a layer of secrets in it!"

"Tsk tsk, it's really tragic that you actually molested the serious young lady in public. No wonder Ning Qiutong is so angry..."

"I don't think it's that simple. If it's what Ning Qiutong said, why didn't the Ning family announce Selena's identity? Instead, they treated Susie as a serious daughter? Ning Yaohua and Zhuang Lingyu out of her mind?"

...

The two best friends Ying Fanglin and Jin Xuanxuan beside Susie glanced at each other, then looked at Susie, their expressions became extremely strange...

Susie wasn't born to the Ning family at all, she was that bumpkin? On the other hand, Selena is the serious young miss of the Ning family?

This...how is this possible!

If that's the case, the two of them hang out with her all day long, treat her like a young lady, and laugh at Selena every time, this... what is this...

If this was the case, Susie must have known about it herself, would she not say anything and just look at them like idiots?

What the hell is going on...

Chapter 1318

"Susie, what the hell is going on here? Is your aunt crazy? She even said that Selena is the eldest lady of the Ning family, and why did you hug Selena wrongly back then?" Ying Fanglin's face was filled with disbelief.

Susie pinched her nails tightly, and said with a puzzled face, "I don't know why aunt would say that..."

Ying Fanglin and Jin Xuanxuan looked at each other in dismay when they heard the words, but only half believed what Susie said.

This matter... there are indeed too many weird places...

"I'm sorry to disturb everyone's pleasure. I wish you all a pleasant night. I will hold a banquet to apologize to everyone if I have the opportunity some other day!" Ning Qitong finished speaking without leaking anything, and then led Selena away, leaving behind her glasses-shattered eyes. A group of people and the despondent Ning Yaohua and his wife.

Regarding this matter, Ning Yaohua and Zhuang Lingyu couldn't just let it go, and they immediately made a fuss to the old man.

Naturally, it was impossible for Ning Qitong to let Ning Yaohua and the others keep talking, and immediately took Selena to the Ning family's old house.

It just so happens that there are some things tonight that need to be clarified!

"It's late at night, why are you making so much noise?" The old man looked at the commotion in the room with an angry look on his face.

Not only Ning Yaohua and Ning Qitong, but also Ning Yaobang, who was afraid that the world would not be chaotic, had just received news about the previous incident, but Ning Qitong actually told the story of Selena and Susie in public, Ning Yaohua and Ning Qitong actually got into each other's hands, it's really a big show, he naturally has to hurry over to watch the show!

Zhuang Lingyu was so angry that she was going crazy, "Dad, why didn't you ask what your good niece did! Ning Qitong was so deceptive! She took Selena away without saying hello to us today. The cocktail party of Mingyuan Technology in the evening..."

Ning Qitong sneered, "Unauthorized? Sister-in-law, pay attention to your wording. It's my freedom to take whoever I want, and I have no reason to report to you."

"Shut up! Selena is mine..."

"Huh? What is she to you?"

Zhuang Lingyu took a deep breath, "Don't change the subject for me!"

After finishing speaking, he looked at the old man and said again, "Dad, it's fine if she takes Selena to the reception, but she even said on the spot that Selena is my biological daughter, that Selena and Susie hugged each other wrong back then!"

Ning Yaohua also said, "Dad, Qiu Tong really went too far this time!"

The old man glanced at everyone one by one, and then pondered, "What is too much? Qiu Tong is just telling the truth!"

"Dad..." Zhuang Lingyu called out immediately.

Susie's eyes were filled with a dark look in an instant...

"Okay, stop arguing. Although it's not the right time, this matter should have been said a long time ago. I have given you two such a long time to prepare and let you handle it carefully. In the end, what you gave me was What? Do I have to wait until the day when I die and I don't see Selena recognize her ancestors?" The old man slammed his cane hard, with an angry expression on his face.

Zhuang Lingyu said angrily, "Dad, you are too eccentric. Now that Qiu Tong has made such a fuss, what do you want us Susie to do? What do you want others to think of her?"

Ning Qitong snorted coldly, "Then why don't you think about how Selena, whom you dubbed the country's adopted daughter in the past few years, behaved and how others saw her! What? If Selena can suffer grievances, she will Can't bear it? Is she more noble than anyone else?"

Being forced by Ning Qitong over and over again, Zhuang Lingyu finally couldn't bear it anymore and rushed forward, the scene suddenly became chaotic...

Ning Yaohua hurried to pull, and his subordinates didn't care too much. Ning Qitong was almost stabbed in the face by Ning Yaohua's elbow, but Selena twisted his wrist and threw him one meter away, and then stood up to protect Ning Qitong. later...

"You...you rebellious son! You actually made a move on your father!" Ning Yaohua only felt a sharp pain in his wrist, and suddenly became furious.

Chapter 1319

"Stop everything! What do you look like!" The old man was very angry.

Ning Yaohua stared at Selena as if he was staring at an enemy, "Nizi, don't think I don't know your little thoughts. You tried everything possible to get close to your aunt, wasn't it just for the share? Your aunt cheated the shares, and you can inherit the company! You think those old guys in the company are easy to deal with, without my protection, when the time comes, you will be swallowed up to the bone!"

Zhuang Lingyu sneered, "You keep saying you don't want the Ning family's things, you don't recognize us as parents, what are you doing now?"

"Shut up both of you, even if Selena inherits the company, it's justifiable!" The old man was full of anger.

In the midst of the quarrel, Selena suddenly said, "I originally planned to ask everyone to come out tomorrow to clarify the matter about the shares, but now that the two of you can't wait, let's settle it now, while Grandpa is here. "

The old man frowned, "Selena, you are..."

Selena gave her grandfather a comforting look, and then took out a stack of documents from her bag.

In an instant, Ning Yaohua, Zhuang Lingyu, Susie, Ning Yaobang, all looked at the document in Selena's hand...

Because on the front page of that document, there were clearly written a few big black and bold characters – Equity Transfer Letter!

All of a sudden, especially Ning Yaohua and Ning Yaobang's eyes widened.

"Share Transfer Letter!" Ning Yaobang exclaimed, Selena is going to transfer the stock?

Susie had a nervous expression on her face. Could it be that Selena was convinced by her previous price?

No... This b!tch never wanted her well... How could he sell the shares to her!

With a "snap", Selena directly opened the share transfer document and slapped it on the table.

Immediately, the content of the transfer book appeared in front of everyone...

Ning's International Co., Ltd. Equity Transfer Agreement

Assignor: Selena (Party A)

Transferee: Ning Qiutong (Party B)

...

Ning Qiutong!

After seeing this name, Ning Yaohua and others were all stunned.

However, there was something that surprised them even more.

In the equity transfer letter, it actually stated that Party A will transfer 10% of the shares of Ning International to Party B for free...

gratuitous...

"Selena! You're crazy!" Ning Yaohua couldn't bear it anymore.

Zhuang Lingyu was also full of disbelief, who would have thought that Selena would give all the equity in her hand to Ning Qitong for free?

Even if she gave it to Ning Qitong for free, she didn't sell it to them?

Ning Qitong looked at the equity transfer letter with mixed feelings in his heart, obviously he didn't expect Selena to do this.

It's just that I've only met a few times, and she can trust so many shares directly to her...

Ning Yaobang looked distressed, "Hey, niece, even if you are not interested in the company and don't want to give it to the elder brother, then you can sell it to me! You are too stupid to give it to others if you don't want it! "

"Dad, are you just letting Selena do things like this?" Ning Yaohua was anxious.

Ning Zhiyuan glanced at Selena, seeing her determined gaze, took a deep breath and said, "Since my shares are given to Selena, they belong to her. How she handles it is her freedom."

What Zhuang Lingyu hates the most is Ning Qitong, how could she allow Ning Qitong to hold 20% of the shares of Ning's International, jump on Ning Yaohua's head, and immediately said angrily...

Chapter 1320

"Dad, Qiu Tong is still an outsider no matter what, let her hold so many shares, no matter what, it's hard to convince the public!"

Ning Zhiyuan glanced in Susie's direction, "You guys are clear about who is an outsider. Originally, I didn't want to say anything hurtful. One of my two granddaughters was born and the other was raised by me. They are all the same, but what you have done to Selena is really too much!"

After Ning Zhiyuan finished speaking, he looked at Susie sharply, "Susie, you have also seen that this family has become a mess because of you, if you are grateful for our Ning family's kindness in nurturing, If you feel guilty about your sister, please persuade your father and mother!"

If Susie really did not fight for anything and wanted nothing as she appeared on the surface, Ning Yaohua and Zhuang Lingyu would not be in this situation.

This girl, I'm afraid he has to guard against it..

Now that Selena has handed over the shares to Qiu Tong, it is undoubtedly the best choice to have Qiu Tong protect Selena.

Five years ago, after the old man found out that his only grandson was not his own, he fell seriously ill and was admitted to the hospital as soon as he brought Selena back. Later, he didn't know many things and didn't have the energy to take care of them, which led to the current trouble so...

"Then what about the Su family... How can I explain to the Su family!" At this moment, thinking of all kinds of things, Zhuang Lingyu was devastated, and hated Selena and Ning Qitong to the core, "Tonight's The matter is so big, the Su family will definitely hear the news, if they know that Susie is not my own..."

Ning Qitong cast a sideways glance at Zhuang Lingyu, and said quietly, "Paper can't cover fire, I'm just helping you face it in advance, so as to save you from getting kicked out when you get married!"

Zhuang Lingyu pointed at her face, "You... Ning Qitong! Do you want to make trouble for all of us to be happy! Can you feel at ease with this share?"

Ning Qitong looked innocent, "My nephew gave it to me, why am I not at ease?"

The old man let out a long sigh, "I told you about Susie at the beginning and asked you to tell your in-laws the truth. The three of you took turns crying in front of me and insisted on hiding it. You should bear all the consequences now."

"Dad, if the marriage with the Su family is blown up, it will affect our entire Ning International!" Ning Yaohua jumped anxiously. Now not only Susie's identity is known, but even his biggest shareholder's identity is not guaranteed. Isn't this marriage precarious...

"Although my Ning family is not doing well, it's not enough to rely on marriage to gain a foothold. Didn't you keep telling me that the Su family was looking for Susie, who had nothing to do with our Ning family, so you didn't talk about Susie? Are the identities the same?" Ning Zhiyuan looked tired, and he didn't want to listen to Ning Yaohua's pestering anymore. After speaking, he let the nanny help him and left.

Ning Yaohua couldn't speak for a moment, he said that to stabilize the old man, but how can the real one be the same as the non-biological one!

Behind him, Ning Yaobang sneered, "What affects our whole Ning's International is so good, I think it's because you lost your backer!"

Although it was Ning Qitong who benefited this time, he would be happy whenever he saw Ning Yaohua being unlucky.

Susie forced herself to calm down, looked anxiously at Selena and said, "Selena, think about it clearly, every mistake is my fault, it has nothing to do with your parents, no matter what they are, they are your own Parents, I will never harm you, Selena, don't be fooled by others!"
