## Chapter 1681

Zhuang Liaoyuan revealed his real plan without any concealment.

Although he was not satisfied with Daniel, but Selena liked him and was completely devoted to him. Now he was just a familiar person to her, so it was really inconvenient for him to intervene.

Seeing that Selena has been wronged so much by Lu's family, although he can't stand it, but because of his selfishness, he still hopes that this matter can make Selena understand, and when he leaves this brat, he will also To find better ones for her!

As for helping this kid this time, it was because the matter was of great importance. Since he knew about it, he couldn't let it go.

How could Daniel not know what Zhuang Liaoyuan was thinking, so he said unhurriedly, "That might disappoint you. When Selena and I get married, I hope Major General Zhuang will come to join us."

A tone that said he and Selena would definitely be together.

Zhuang Liaoyuan choked suddenly, half dead from anger, and walked away with a dark face.

After Zhuang Liaoyuan left, Saul clicked his tongue, "Really, why did Major General Zhuang not forget to dig your corner! You and Selena are both so old, can he dig it? Pull out the carrot belt Out of mud! Well, this metaphor seems a bit inappropriate? Anyway, that's what it means..."

...

the second night.

In the end, Yan Ruyi was urged by Lu Chongshan to go to Guan's house.

"Ziyao...Ziyao! Your Aunt Lu is here, come out quickly, don't stay in the room! This girl has been staying in the room all day recently, and I don't know what she is up to..." Guan Mu spoke as she spoke. He led Yan Ruyi to Guan Ziyao's door.

"Aunt Lu!" Guan Ziyao hurriedly stood up when she heard her mother's voice, and hurriedly closed the book in her hand.

However, Yan Ruyi had already seen the contents of that book clearly, it seemed to be a book introducing children's psychology, and after taking a look at Guan Ziyao's room, almost all the books scattered around were about children's education...

Yan Ruyi picked up a book casually, "Zi Yao, what are these books?"

Guan Ziyao was a little embarrassed when she heard the words, "Aunt Lu, it's nothing, didn't I say that I was taking courses in this area before? Just take a look..."

"Look around casually? How many days have you been cooped up in the house? I thought you were doing something? So that's what you're looking at?" Guan Mu said angrily.

Guan Ziyao showed a look of self-blame and guilt, "Because I am not good at academics, I caused a misunderstanding last time, I have been very sorry..."

Yan Ruyi was taken aback when she heard the words, and her expression was slightly moved, "You child, it's been such a long time, you still remember, Auntie said it all, it's not your fault, you didn't know Rick's situation before!"

Speaking of this, Yan Ruyi took Guan Ziyao's hand, "It's useless to just read a book. This, you need to get along with each other more. After getting along a lot, you will naturally understand, don't you think so?"

Guan Ziyao and Guan's mother looked at each other, obviously understanding what Yan Ruyi meant.

Yan Ruyi sighed, "Our Lu family only has Rick as a precious grandson, and he has no mother to take care of him since he was a child, so he is inevitably a little nervous. I hope Ziyao will take care of you!"

"Aunt Lu, where are you? I really like Rick! That child is really cute!" Guan Ziyao said sincerely.

Yan Ruyi showed a gratified expression, "Hey, it's rare that you keep looking towards Daniel at this time... You also know that a lot of things have happened to the Lu family recently, but with Daniel's ability, it can definitely be solved, but A matter of time!"

## Chapter 1682

"That's natural, I believe in Daniel." Guan Ziyao said immediately.

Yan Ruyi nodded in satisfaction, thought for a while, and said, "It's just that I'm still somewhat uneasy, so I plan to go to Fahua Temple with you, Uncle Lu, and Rick to offer incense and pray for blessings this weekend! I don't know." Ziyao, do you have time? If you have time, come here too?"

This is to create opportunities for her to get along with Rick more, and at the same time, to accompany the second elder and the little prince to burn incense together is already tantamount to a disguised identity recognition.

Guan Ziyao and Guan's mother looked at each other, then nodded, "Aunt Lu, I have time, I don't have to go to the company on weekends, I just have free time."

"That's good!" Yan Ruyi smiled all over her face, and talked with Guan Ziyao for a long time.

Not long after Yan Ruyi left, Guan Rui came back.

"dad!"

"You're back!" Mother Guan walked over to take Guan Rui's coat.

"I heard that your Aunt Lu is here today?" Guan Rui looked at his daughter and asked.

Guan Ziyao nodded, "Well, I came here at night, I just left not long ago."

"What did you say?"

Guan's mother poured a cup of tea for her husband, she looked a bit dissatisfied, "What else can I say, come over and throw an olive branch! The Lu family is in this situation now, can she not be in a hurry! Lao Guan, I said... ..Are you sure it's okay for us to side with Daniel at this time? I heard that the illegitimate child owns more shares than Daniel!"

"A woman's opinion, shares are not absolute. Daniel's greatest advantage lies in his prestige in the Lu Corporation, not to mention... Apart from what he sees on the stage, Daniel also has many forces under the surface that we can't see... .." Guan Rui mused.

"That's right, Mom, besides, Daniel is the eldest son in good standing, and that man is just an illegitimate son who can't stand in the public eye." Guan Ziyao said.

"So you mean that Daniel will definitely win?" Mother Guan asked.

Guan Rui glanced at her, "How is it possible? That illegitimate child can do this in just a few months after returning to China, can he be an ordinary person?"

His background is even more terrifying than Daniel's, but his foundation is not stable. Given time, he will definitely be a very A formidable opponent, whether Daniel can beat him is unknown!"

When Guan Mu heard this, she became anxious, "Then you still want Ziyao to marry her? What if..."

Guan Ziyao also frowned upon hearing this.

Guan Rui said unhurriedly, "When did I marry Ziyao? What's the rush? Let's wait and see!"

Guan's mother was stunned when she heard the words, and then came back to her senses, "I understand!"

"Then Yan Ruyi invited Ziyao to Fahua Temple to offer incense on the weekend, can I go?" Mother Guan asked again.

"Go, why not go, it's okay, you can go."

Guan Rui's intentions were obvious, to hang on to the Lu family first and play by ear, since they never promised anything anyway.

Guan Ziyao's eyes flickered, but in the end she didn't say anything and obeyed her father's arrangement.

...

The next day, which was the fifth day of the agreement between Daniel and Lu Chongshan, the situation reached a fever pitch.

Seeing that Daniel was being forced back step by step, the originally stable princes began to be unable to sit still. The illegitimate child seemed cruel and merciless. All the people behind Daniel will be stabbed!

## Chapter 1683

But after all, Daniel has accumulated power for a long time. They are not Lu Chongming who was exiled and broke his pot, nor Song Lin who is alone, nor Chi Kaicheng and Liang Deyun. Their memories are still fresh, which makes them plunged into a fiery entanglement.

Hey, as expected, such things as illegitimate children are the culprits of troubled families, even the Lu family is not spared...

Time passed like a blink of an eye, and it was the sixth day in a blink of an eye.

It was the weekend, and Yan Ruyi had already decided the day before yesterday that her family would go to the temple to offer incense.

Originally, I wanted to ask Daniel and Saul to go together, but now that the company is in such a situation, the two of them are so busy that they definitely don't have time. As elders, they can only help with these things.

Rick's body has recovered these days, and when Lu Chongshan heard that she had been to Guan's house, and Guan Ziyao also said that they would come together on the weekend, his mood immediately eased a lot.

The sun is shining outside the window, the weather is good today, very suitable for traveling.

Yan Ruyi got up early in the morning to prepare, and specially asked the kitchen to prepare a vegetarian dish for charity.

Guan Ziyao also arrived early, and was sitting on the sofa talking to Rick at the moment. Rick didn't make things difficult on purpose, but his attitude was obviously alienated.

Yan Ruyi came out of the kitchen, saw Rick's gaze was looking outside the door, and asked suspiciously: "Rick, what are you looking at?"

"It's nothing." Rick looked away.

After everything was ready, Yan Ruyi, Lu Chongshan, Guan Ziyao, and Rick went out together.

After going out, Rick pursed his thin lips tightly, looking at the direction in the distance, his expression was not very good, Yan Ruyi and Lu Chongshan asked him, the little guy was also absent-minded.

When he was about to get in the car, suddenly there was a screeching sound of brakes, and a white sports car drifted and stopped outside the door of the old house.

Soon a girl quickly opened the door and got out of the car, and then rushed towards Rick with an anxious face, hugging the little guy in her arms, "Rick!!!"

"Mom..." When the little guy saw Selena, his little face that had been tense all morning burst into a big smile.

Selena carefully checked him up and down, with a trace of suspicion on his face, "Honey, where is your pain? Where is your discomfort?"

Rick blinked with some guilt, lowered his head and said in a low voice, "Mom, I'm sorry... Rick lied to you... Rick is fine... I don't feel any pain... I don't feel any discomfort..."

"It's fine as long as it's fine..." Selena's first reaction was to breathe a sigh of relief, and then she had the extra energy to look at the three people with different colors behind Rick.

With just one glance, Selena probably understood why Rick tricked her over here.

Holding Selena's hand tightly, Rick walked up to Lu Chongshan and Yan Ruyi, looked at Lu Chongshan and said, "Grandpa, you promised. You taught me that men keep their word!"

When Lu Chongshan saw that Selena had come to disrupt the situation at this time today, he was annoyed at first, but after being told by Rick's short sentence, he was immediately speechless.

He did promise Daniel that he would give Selena a chance, but how did Rick know about this?

That brat! You know how to use Rick to deal with him!

Lu Chongshan frowned, looking at his baby's grandson's firm expression, he knew that if his attitude was tough, he would definitely hurt Little Treasure, and today's matter might be completely dirty, not to mention delaying time to pray for blessings is always ominous.

## Chapter 1684

Guan Ziyao saw how Rick defended Selena, and even secretly called Selena over. The fingers placed by her side tightened immediately, took a deep breath, and said generously, "Uncle Lu , Aunt Lu, let Selena go with us! One more person is fine!"

It is completely the tone of a master.

Lu Chongshan gave Selena a warning look, "Then let's go together."

After speaking, he looked at Rick, his eyes suddenly filled with kindness, "Rick, is this okay? Of course Grandpa will keep his promise!"

Little Treasure nodded, only then was he satisfied, and then looked nervously at Selena, "I'm sorry, Mom, Little Treasure really knows what's wrong, can I go with Mommy?"

Selena didn't care about the attitudes of Lu Chongshan, Yan Ruyi, or Guan Ziyao, she only cared about Rick.

At this moment, looking at the little guy, Selena was full of helplessness. How could she refuse any request from the baby, "Okay, Mom will go together! But, it can't be like this next time, do you know how worried Mom is?"

"Got it Mom! Mom is so kind!" Rick's acting like a spoiled child has also become more and more perfect, making it impossible for Selena to take him down.

Selena claimed to be a mother just because she was used to it, but to Guan Ziyao's ears, it was no less than a provocation to her, and her eyes turned colder.

After a short twists and turns, a group of five people got into the car and drove towards Fahua Temple.

The space in the Extended Lincoln is very spacious. Rick sat on one side with Selena and Lu Chongshan, while Guan Ziyao and Yan Ruyi sat opposite.

Selena was worried because she came in a hurry and couldn't change her disguise. Rick had already taken out a mask, sunglasses, and even a wig from his small backpack like Jingle Cat.

Selena couldn't laugh or cry, "Little scoundrel, you've planned it for a long time!"

"It's inconvenient to be a star. It's too troublesome to go out." Guan Ziyao, who was opposite, said, seemingly unintentionally, but it was just a reminder of Selena's occupation and identity.

Sure enough, as soon as the words fell, Lu Chongshan frowned.

"Well, it's really too troublesome!" Rick nodded in agreement with a serious expression.

Guan Ziyao was overjoyed when she heard the words, and in the next second, she saw Little Treasure clinging to Selena's arms, looking up her little head, and muttering dissatisfiedly, "I hate that so many people like mom! Mom is just me of!"

After finishing speaking, the little guy secretly blinked at his mother, and said: Mom, don't worry, my father is not here, I will protect my mother instead of him!

Selena looked at Rick's protective little appearance, and was moved and amused in her heart. She nodded his nose and said, "So what, no matter how many people like mom, mom only likes you!"

Rick's hair was patted, and his smile was brighter than the sunlight outside the car window...

Lu Chongshan snorted coldly in his heart, and talked sweetly, although... the scene in front of him was what he wanted to see the most...

I hope to see Rick has someone who can take care of him, chat with him, and make him happy...

But why is it this woman who is planning to do something wrong?

The dark tide was surging all the way, and finally arrived at Fahua Temple.

The courtyard of the temple is deep and densely covered with old trees, and it is very quiet. As soon as you step in, you feel as if your whole heart has settled down.

When I came here last time, it seemed that Xi Shiqing was still clamoring to become a monk, and she came to persuade her.

Well, at that time, Master Xuanjing made a fortune for her, and finally gave her a peach blossom, implying that she was about to have a peach blossom calamity...

## Chapter 1685

The five of them bought incense outside together and came to the lobby, offering incense one by one to pray for blessings.

Selena carefully helped Rick light incense, and then taught him how to burn incense and kneel down.

Little Treasure burned a stick of incense, and then he knelt down on the futon with great reverence, closed his eyes, and made a wish earnestly.

Selena looked at Rick's pious little appearance, and asked with a slightly hooked corner of her mouth, "Little Treasure, what wish did you make?"

On rare occasions when the little guy didn't answer Selena, he said seriously, "You can't say it, it won't work if you say it!"

"Okay, okay!" Selena chuckled.

However, I am really curious! What will bun's wish be?

The little bun pursed his lips, looked up at his mother, then at the Buddha statue in front of him, silently recited the wish he had just made in his heart.

I hope my mother can be my mother for the rest of my life! Grandpa Buddha, forgive me for being greedy. If possible, I have one more wish. I also hope that if I were born by my mother...

"Buddha bless, bless our Lu family to survive this catastrophe!" Yan Ruyi prayed urgently, then murmured: I hope Daniel can get married soon...

Selena also knelt down, but got up after kneeling, and didn't pray for anything. She believed that Daniel really had nothing to ask the Buddha.

As soon as Lu Chongshan made a move, he donated a golden Buddha statue. The little novice clasped his hands gratefully, "Amitabha, the benefactor is very kind! Thank you, benefactor Lu, for your donation!"

Lu Chongshan said "Amitabha Buddha" together ten times, and then asked, "I wonder if Master Xuanjing is in the temple today? Is he free? Mr. Lu has something to bother you today!"

Hearing this, the little novice said, "Master is in retreat, so I'm really sorry for the inconvenient meeting with guests."

"It's okay, I understand, thank you!" Lu Chongshan showed regret.

Originally, I wanted to ask Master Xuanjing if there was any way to solve the Lu family's affairs this time.

Hey, he has even reached the point of asking the gods and Buddhas for help...

Although they couldn't see Master Xuanjing, they didn't leave immediately. In order to show their piety, they kept chanting and copying scriptures in the temple, and they didn't leave the temple until the sun went down.

The black car drove quietly.

After being out for a whole day, Little Treasure yawned and fell asleep in Selena's arms sleepily. Selena was infected by the little bun's drowsiness, and she also felt a little drowsy.

The other three had different thoughts, obviously not feeling sleepy at all.

"Selena, let me hug Little Treasure!" Yan Ruyi took Little Treasure from Selena's hand.

Selena reluctantly let go, and after leaving her mother's arms, the little bun frowned uncomfortably, and was carried by Yan Ruyi.

"Ziyao, let's have dinner at home tonight!" Yan Ruyi invited Guan Ziyao affectionately.

Selena suddenly appeared today, and her relationship with Rick was so good, she was worried that Guan Ziyao would feel uncomfortable.

"Let's eat at home! Our family has a good get-together today!" Lu Chongshan immediately settled down.

The two ignored Selena's existence intentionally or unintentionally, and didn't mention her at all.

Lu Chongshan's face was somber, he didn't believe it, he said so much, this woman can still be cheeky and use Rick as an excuse to stay...

At this moment, Selena, who was resting with her eyes closed, suddenly opened her eyes, and a cold light appeared in her eyes – "Be careful!!!"

Almost at the moment when the voice fell, accompanied by a creepy bang, their car was hit violently...

## Chapter 1686

"what–"

In the car, Yan Ruyi and Guan Ziyao screamed again and again.

Selena immediately went to see how Little Treasure was doing, but her mind was shattered after just one glance. The car door was opened at some point, and a black figure flashed past extremely fast. Ruyi snatched the sleeping Rick away from her arms...

Selena's eyes were red, and she jumped over Yan Ruyi at the fastest speed in her life, but only touched the corner of Rick's clothes.

"Ah... Oh my god! Little Treasure..." Yan Ruyi finally came back to her senses, and let out a scream that almost collapsed.

Selena had already caught up with that man, and got entangled with him. As soon as he handed him over, Selena's heart sank. He was a professional-level mercenary, definitely not an ordinary person!

And that man was still holding Rick in his arms, Selena threw her hands at the mouse and fell into a stalemate for a while.

Too many things have happened during this period, Selena has been feeling uneasy all the time, so she has been practicing desperately, and because it is related to Rick, the value of force has soared to the extreme in this instant, and finally she will soon be able to snatch Rick back from that person. Bao, but, at this moment, another person suddenly attacked her from the side, and his moves were domineering and fierce, attacking her life gate...

The opponent is a man, so he has a natural advantage in strength. A flying kick pierces the air attack with extremely terrifying strength. If this kick lands on the temple, it is very small to pass out, and it is possible to directly kick the person to death.

"Ah..." Yan Ruyi, who was behind her, saw this scene, and subconsciously let out an exclamation.

At the moment when the ultimate move struck, Selena joined forces with both hands and grabbed the man's ankle, buffering the man's attack, then twisted the man's leg 360 degrees with both hands like sharp knives, until twisted On the ground, and then kicked hard at the man's dantian.

"Oh..." the man let out a muffled groan in pain, and then rolled on the ground in pain.

Selena stopped entangled with him, and immediately chased after another man.

"fcuk!" The man holding Rick cursed in a low voice, his eyes filled with murderous intent, full of ferocity, "Stop! If you dare again..."

However, before he could finish speaking, the other party approached him like a ghost, and then his elbows and kneecaps felt piercing pain like bone shattering at the same time, and the man suddenly cried out in pain and knelt down...

Selena seized the opportunity, grabbed Rick, and quickly ran towards the car behind her.

Seeing that they were only a few steps away, as soon as they ran to the front of the car, two mercenaries behind them had already caught up. One of them grabbed Selena's shoulder with five fingers like an eagle's claw, stopping her from moving forward.

Her body was restrained and she couldn't move. Seeing that Rick was about to be taken away, Guan Ziyao was the closest to her and was standing next to the driver's seat, so Selena firmly shoved Rick into Guan Ziyao's hands. With a loud shout, "Drive! Go!"

After speaking, he turned around and met two men to stop them, hoping to delay the time as much as possible, as long as they got into the car, they would be safe!

The security facilities of this car are very complete. If the driver hadn't betrayed and opened the car door, it would be impossible for the other party to snatch Rick so easily...

Selena was thinking this, when she saw Guan Ziyao from the corner of her eye, her pupils shrank suddenly, and Guan Ziyao didn't know whether she was frightened or what, her face was full of panic, after hearing her urging, after

taking Rick, He actually stood there in a daze, motionless, and missed the best time to escape...

## Chapter 1687

In just a few seconds, one of the men broke through her barrier, rushed over with a sullen face, and snatched Rick from Guan Ziyao's hands.

At the same time, a huge roar sounded not far away, rolling up dust and dust all over the sky, a helicopter hovered in the air and slowly landed, and three people wearing the same uniforms and special clothes as the two jumped out of the plane very quickly. Masked mercenaries with weapons in each hand.

Selena's whole body was icy cold, her heart sank to the bottom...

over...

Seeing that Rick was almost rescued but was snatched away again, Yan Ruyi couldn't bear it anymore during the ups and downs, her whole body was trembling, her face was covered with sweat, and she barely stood with Lu Chongshan's arm on her, all she could say was Repeatedly muttering, "Rick...save Rick..."

With a gloomy face, Lu Chongshan threw the unresponsive walkie-talkie in his hand, and said sharply to those people: "Who are you, put down the children, you can mention whatever you want!"

One of the masks has the letter "k" engraved on it, and it looks like it should be the leading man. He glanced coldly at the two subordinates who almost missed, and didn't even give Lu Chongshan a single eye, leaving only a cold look, and then looked up. Hands, everyone boarded the plane.

Accompanied by the loud roar of propeller rotation, the plane slowly lifted into the air.

Seeing Rick being taken onto the plane, Yan Ruyi stumbled after her, "Rick..."

"Aunt Lu, be careful!" Guan Ziyao quickly supported Yan Ruyi who might faint at any moment.

Watching Little Treasure being taken away, Lu Chongshan's complexion was pale, he clutched his cramped chest, and his eyes turned black...

"Don't be afraid, baby... Mom won't leave you alone..."

However, at this moment, Lu Chongshan seemed to vaguely heard Selena's murmuring voice, and in the next second, the girl's body was like a fully drawn bow, jumping up at the moment when the hatch of the helicopter took off. , jumped over so violently, clung to the bottom of the door with his fingers, and unexpectedly fell into the plane.

After Selena entered, the helicopter shook violently, twisted and twirled in the air, and then drifted away until it disappeared from sight...

Yan Ruyi fell to the ground in a state of exhaustion, her face pale and dull, Guan Ziyao stood aside anxiously, Lu Chongshan was still staring blankly at the empty top of his head...

"Master! Old Madam! Are you all right?" A cry came from the side, and Xing Wu limped and stumbled over, clutching his bleeding arm.

"What's the matter with you! People! So many people came out with you! Where did they all go! Rick was kidnapped, do you know!!!" Yan Ruyi found a way to vent, and finally broke down and yelled up.

No... No... It's not kidnapping... This is robbing people directly in front of them!

"Wh... what? The young master has been kidnapped!" Xing Wu didn't expect that things were worse than he imagined, his face turned pale immediately,

and he half-knelt down, "Dmn my subordinates! All the people we protect around are all at the same time. Encountered an ambush, the other party seems to know our route as well as the people and locations we are secretly protecting..."

"Shut up, I don't want to hear your excuses!" Lu Chongshan interrupted him.

Ever since Rick was kidnapped once, the security facilities of the Lu family have undergone extremely strict upgrades, but now, he actually let Rick be snatched away right under his nose, with no one around him, At the last moment, the only one who could step forward to stop him was that woman...

## Chapter 1688

"Daniel...Chong Shan tell Daniel quickly! Tell him to save Rick!" Yan Ruyi hurriedly urged, and added after a while, "And that girl..."

Yan Ruyi closed her eyes, her voice trembling, "It's okay... Fortunately, Rick is not alone this time... With that girl, at least Rick won't be so scared... I can't imagine, if Rick is alone..."

After Yan Ruyi finished speaking, tears rolled down her face.

Thinking of how they made Rick suffer from such a thing again, and thinking of the psychological trauma that Rick would suffer if Selena didn't follow her, she wished she could kill herself.

"It's me...it's all my fault...it's because I didn't protect Rick well...why didn't I hug Rick tightly...why did I hug Rick from Selena, If Selena was holding Rick at that time..." Yan Ruyi at this moment was almost drowned by self-blame.

Lu Chongshan didn't say anything, but his mood was no better than Yan Ruyi's. If he hadn't been in a hurry to settle down with the Guan family, he wouldn't have come to Fahua Temple today, and he wouldn't have given the other party a chance.

Guan Ziyao carefully told Yan Ruyi to help her up, "Aunt Lu, stop blaming yourself, how could it be your fault in that situation at that time, blame me... blame me for not being able to react when I was so frightened, and for not driving the little girl in time. Bao took away..."

"Master, old lady! This place is not suitable for staying for a long time! Let's go back quickly and make a long-term plan! If we delay for a second now, the young master will be more dangerous!" Xing Wu hurriedly reminded.

"Go back! Quick!"

...

On the way, Daniel couldn't get through on the phone, so Lu Chongshan had no choice but to let Xing Wu drive directly to the company.

When they arrived at the underground parking lot, the group had just got out of the car, but they didn't want to run into Daniel's special assistant, Cheng Feng.

Cheng Feng was hurriedly pushing the door to get out of the car while talking on the phone, with a smile all over his face, looking very excited.

"Cheng Feng!" Lu Chongshan immediately stopped him.

Cheng Feng hung up the phone and looked at Lu Chongshan, Yan Ruyi, and Guan Ziyao in surprise, "Chairman? Madam? It's so late, why are you here at the company?"

"Where's Daniel? Why didn't you answer the phone?" Yan Ruyi hurried forward and asked.

"Boss Lu must be busy right now!" Cheng Feng looked excitedly and reported to Lu Chongshan, "Chairman! This Yilan Venture Capital must be over!"

"What did you say?" Lu Chongshan was taken aback.

"There is a problem with a large order that Yilan Venture Capital is running. All the goods do not meet the delivery requirements. They need to pay a huge amount of liquidated damages, but the other party used all the money to snap up Lu's shares frantically. At this moment, there is simply no way to get that much liquidity.

If they want to keep Yi Lan, they have to sell the shares of Lu Group in their hands. You know, they paid almost double the price for these shares. Now they are desperate for money. If they sell them at a low price, Even if Yilan Venture Capital is saved, the loss will definitely be heavy. Most importantly, the threat to our Lu Corporation will be eliminated in this way! "

"And chairman, look at these stocks..."

Cheng Feng quickly clicked on a few stocks on the ipad that Yilan Venture Capital mainly invests in. They were all bullish stocks with a strong rise, but now they are all falling rapidly.

## Chapter 1689

Cheng Feng looked at the trend of those stocks, and continued to explain to Lu Chongshan, "Boss actually set up a special team half a year ago, and all of them were top traders recruited from Wall Street. The group trading, if there is no accident, it only takes one night, and Yilan will be able to hit the limit tomorrow morning, and everyone will sell Yilan in large quantities..."

Cheng Feng was still full of admiration and continued to talk about how Daniel laid the wires and laid the net step by step to plan for a rainy day, while Lu Chongshan looked at the stocks on the ipad with a dazed expression and didn't say a word for a long time.

seven days...

Daniel promised him seven days...

And now it's the evening of the sixth day...

That kid...he really did it...

No wonder... no wonder Rick was suddenly kidnapped!

It turned out that the dog jumped the wall in a hurry!

"Uh, chairman... what's wrong with you? And Madam..." Cheng Feng finally noticed that their expressions were not quite right.

"Today, Uncle Lu and Aunt Lu and I took Rick to the temple to offer incense. I didn't expect to meet a group of kidnappers on the way and kidnap Rick!" With a bright color, she knew that the man she fell in love with was not that weak!

No wonder Rick was kidnapped. It's probably because of the illegitimate child's people. Those people are not good people, and they can do anything when they are pressed.

And this time, not only Rick, but the woman also delivered it to her door.

Everything she was worried about was resolved tonight...

"What did you say? Rick... Rick was kidnapped! How is this possible?" Cheng Feng's expression changed on the spot in fright.

"It's impossible, Rick was kidnapped right in front of our eyes! Don't waste any time, tell Daniel immediately!" Yan Ruyi urged.

"This..." Cheng Feng was about to agree when he heard the words, but he hesitated for some reason.

Before Cheng Feng could speak, Lu Chongshan stopped him, "Wait! We can't tell Daniel now!"

"What did you say?" Yan Ruyi looked at her husband in disbelief, "Why can't you tell Daniel? It's time like this!"

Lu Chongshan said in a deep voice, "Yi Lan Venture Capital must have started to fight back now. Tonight's stock market trading is very important. Ting Xiao must not be affected by anything, otherwise if there is even the slightest mistake, all previous efforts will be wasted! You think Why did the other party go out of their way to kidnap Rick suddenly, just to disturb Daniel's sanity!"

Yan Ruyi shook her lips, staring at the man in front of her, as if she didn't know him at all, "Lu Chongshan...do you know what you're talking about? It's Rick who was kidnapped! It's your grandson! The Lu family has sacrificed so much and been wronged so much for the sake of the overall situation... Finally, is Rick's life going to be sacrificed now? Do you still have the heart! "

Lu Chongshan frowned, "Ruyi, that's not what I meant. When did I say that I would sacrifice Rick's life? I have already notified everyone to search for traces of those people, and those people will definitely come to ask for it , when the time comes we will..."

"Enough! Lu Chongshan! You don't need to tell me any more important reasons! I only know that in your eyes, the Lu family is more important than Rick's life!" Yan Ruyi roared out of control.

## Chapter 1690

Guan Ziyao on the side persuaded softly, "Aunt Lu, calm down, Uncle Lu is right, if we tell Daniel now, we will fall into their tricks, and if they get their way, we will not What about letting Rick go..."

"Shut up, too!" At this moment, Yan Ruyi's heart was filled with Rick's distress, and she mercilessly reprimanded her.

Guan Ziyao had never been scolded so harshly by Yan Ruyi before, her face immediately turned pale, and she fell silent with an aggrieved expression.

"Lu Chongshan, why don't you tell me? Okay! Then I'll go find Daniel myself!" Yan Ruyi pushed the person next to her away, and then quickly walked towards the special elevator.

As soon as she reached the elevator door, Yan Ruyi's figure flickered, and she fainted and fell to the ground without warning.

She suffered too much stimulation today, and she was able to hold on until now to the extreme, and at this moment, she finally couldn't continue to endure...

"As one wishes!"

"Aunt Lu!"

"lady—"

The three rushed over to help him up.

"Chairman, this..." Cheng Feng panicked.

"Call for a doctor immediately!" Lu Chongshan said anxiously.

"Then... do you want to tell the boss about the young master?" Cheng Feng asked.

Lu Chongshan's hands trembled nervously, he closed his eyes, and finally spoke after an unknown amount of time, "Don't tell Daniel just yet... But, after 12 o'clock tonight, if Rick can't be rescued..."

Lu Chongshan let out a long sigh, and continued, "No matter what the situation on Lu's side is, you must tell Daniel immediately!"

Cheng Feng nodded: "Yes, I understand."

Lu Chongshan looked at the unconscious Yan Ruyi, and heard her complaint word by word, his heart ached.

He watched Rick grow up since he was a child, and he still remembers the excitement when he saw the little guy for the first time, and the soft touch when holding him, and then watched him grow up day by day, She's getting smarter and cuter, and now she's more obedient, sensible and filial...

That is his own grandson, it is his life! How could he not be nervous, how could he not be sad! He would rather be kidnapped at this moment is himself!

However, this is related to the survival of the entire Lu family, and everything started because of him, so he can't ignore all of this...

Waiting until 12 o'clock tonight is already the only way he can come up with...

not long ago.

Yilan Venture Capital Company Building.

In the dimly lit office, the computer screen's fluorescent light illuminated the man's gloomy face and cold white hair.

What he was looking at were pictures one after another, all of which were pictures of Selena and Daniel getting along warmly on weekdays, and pictures of the family of three with Rick. The love in the girl's eyes...

The page of the mailbox was opened, and it showed that the sender was not anonymous, but directly and majestically displayed: Saul!

Undoubtedly, it fit Saul's personality very well.

His brother is stimulated by those photos every day, so he will naturally retaliate against him in his own way! Who is afraid of whom!

"Boss...no! It's not good!" At this moment, someone rushed in through the door.

"What do you call me?" The man raised his eyes faintly.

"President...President! Your Excellency! It's not good! We have a problem with the order with Jiaying, and now we need to pay three billion U.S. dollars..."

"It's just a compensation."

"But... there is no money!"
