Chapter 1921

When Selena reappeared in front of the audience in such an evil, almost monstrous bright red dress, the overwhelming “licking” messages on the live broadcast website were almost swiped to the screen, especially the song “Can’t Turn Back” that the ghost sang next. “...

drop all defenses

totally obey me

take a step that cannot be turned back

Give up thinking, let the dream go on

What a furious fire that drowns the soul

What a sweet temptation lies before us...

As the ghost sang softly to Christine, the fans in the audience went crazy...

“Ahh! Obey, obey! Karen, I am yours! My person, my heart, my soul, everything about me is yours!”

I came here

hard to know why

In my head, I’ve imagined

our bodies intertwined

I have decided

Decided

take a step that cannot be turned back

There is no going back...

“Ahhh

Our passion game is now finally on

Don't think about right and wrong

last question

How long do we have to wait for the two to become one?

When does the blood start to boil?

When will the fire of passion consume us?

“Now now now!!! Karen, please devour me! I'm flattened!” The screens in the live broadcast were overwhelming.

Say you'll share everything with me

the only love of your life

Guide me, take me out of my loneliness

No matter where you go, take me with you...

At the end of the song, almost everyone has been infected by the ghost's passionate and hopeless love for the heroine. Even if he is paranoid, even if he does whatever it takes, his heart still hurts so much that he can't control himself.

For him, the heroine is everything to him and his only salvation.

In fact, Christine loves Raoul and also loves Phantom, between angel and demon, she loses herself, she keeps swaying.

She knew that he was dangerous, that he belonged to the darkness, but she couldn't help but approach him.

On Don Juan's stage, they get closer and closer to each other and finally depend on each other. This song is like a foretelling that two people who should not be in love will eventually fall into the heat of love inevitably.

Finally, the ghost sang for Christine the song Raoul sang to her, all of you, and the singing awakened Christine, and she recognized the ghost.

When the heroine took off the ghost's mask on the spot and saw through his identity, everyone was not relieved, but worried.

On the stage, the ghost avoids the heroine's sight in embarrassment, and the cruel and ugly marks on the other half of his face are completely exposed in front of the woman he loves the most...

All the viewers and fans feel distressed beyond measure.

Because everyone's attention was on the stage right now, everyone didn't notice that at some point, Selena's number of votes in the double list was getting closer and closer to Han Zixuan's...

Although everyone's votes were almost squeezed out in the early stage, there are still some people who like to wait until the last minute to vote, and under the intense excitement to the extreme, everyone spontaneously solicits votes from each other in private, from their parents and friends From colleagues to passers-by, the power of the masses will never be estimated, as long as you have that strength.

last of the last...

The ghost completely lost his mind and tied Christine to his underground secret room.

"Why...why the world is so unfair to me...just because I have a terrible face, even my mother can't bear to face her face..." The ghost trembled in extreme pain.

Chapter 1922

Christine said excitedly, “No...it’s not that the world is unfair to you, it’s not the fault of the world, but you imprisoned your own inspiration, and you don’t hesitate to kill people to achieve your goals, and take away the love of others... I am grateful for your help to me ...but my feelings for you...now nothing but hatred...”

Hearing this sentence, hearing the woman she loves say that she hates her, Selena’s arrogant, angry and jealous expression turned blank in an instant, and she was all alone, as if everything was lost to her. significance.

All the audience subconsciously straightened their backs, their hearts clenched into a ball, and their nerves were extremely tense.

Just then, Raoul appeared.

Louis was also dedicated, and shouted loudly, “Your Excellency, please let Christine go, I am willing to do anything for you!”

Seeing the man who robbed his beloved girl, the ghost lost control again and used a special prop lasso to wrap around Raoul’s neck.

“Ah...don’t...” Christine exclaimed,

The ghost looked at Christine, who was exclaiming nervously, and forced her to make a choice, “Now, I will give you two choices, exchange Raoul’s life for your freedom, and if he dies, I will let you go ;Secondly, put on a wedding veil and become my bride in exchange for Raoul’s life!”

Raoul also loved Christine deeply, and he said without hesitation, “Christine, don’t promise him, don’t marry this devil! If you say you love him in order to save me , then my life will be over!”

But at this moment, the audience in the audience and the fans in the live broadcast room swiped the screen almost all of them, "What are you waiting for! Marrying a ghost, of course!"

"Marry him! Marry her!"

"Mistress, if you don't marry, let me come!"

...

Listening to the urging from the audience, Louis was so old-fashioned, do girls these days like crazy and perverted? Dmn, you just watched the young master die?

What about human nature?

In the end, this deadlock... how to solve it?

This ungrounded musical has completely aroused everyone's interest so far.

And the few who understand the next development of the plot are even more excited, because they know that there will be a k!ss scene next, and there will be a real k!ss scene hahahahahahaha!

Facing the choice given by the ghost, Christine fell into a painful struggle.

In the end, she couldn't bear the sacrifice of her lover Raoul for herself.

Her hesitant and helpless gaze suddenly became firm, and finally mustered up the courage to raise her head and look at the ghost opposite.

She will tell Phantom how powerful the power of love will be, and God will eventually save his crazy soul.

In the next second, Christine took a deep breath, stepped forward without warning, and gave Phantom a long k!ss...

Although it was just a borrowing, Qin Shuang's heart was beating like it was about to explode, and he had exhausted almost all his expertise to keep himself from losing his composure on the spot.

And the moment Selena was k!ssed, everyone at the scene was going crazy, the atmosphere reached an unprecedented peak, the ratings of Guardian, and

the popularity of the live broadcast platform all broke all historical records at this moment.

After just a short performance, Selena's vote count on the big screen was close to that of Han Zixuan...

The ghost who was suddenly kissed by the girl he loved, his unrestrained expression suddenly went blank.

Yin Wu's originally terrifying face now makes people feel extremely cute.

Chapter 1923

A meaningful kiss, a redemptive question, like the radiance of the Creator in the sky, illuminates the closed heart of the ghost.

In the end, I was completely overwhelmed by Christina's steadfast love...

At the last moment, because of a kiss, he finally understood that true love is neither imprisonment nor plunder...

The ghost took a hasty step back, turning away from the girl's sight, and at the same time he released the Punjabi sling around Raoul's neck.

After an unknown amount of time, he finally raised his hand with difficulty and waved to Christina and Raoul to let them leave.

Christine and Raoul rushed towards each other in disbelief.

In the end, Christine cannon fodder the ghost, took off the ring that the ghost had put on her before, and gave it back to him.

Selena looked at her palm, slowly closed her palm, wrapped the ring around her palm, and walked slowly, step by step, to the throne in the corner of the stage alone, watching the two lovers leave, singing alone...

I feel so empty without you

what happened you left me

sorry i don't know what to do

I'm trying to go on but it's so hard

Am I wrong or is this just a game

i can't believe you're leaving me

I can't take a day alone anymore

I can not forget you

It's killing me 'cause we're done

i just want you back i need you back

But I let you go

It's all over now...

The music sounded farther and farther away, and the stage returned to darkness.

Everyone thought in their hearts that there was a heavy boulder pressing down, and they couldn't breathe.

The last scene.

Many years later, Christina has passed away. When Raoul went to the cemetery to worship her, he found a rose tied with a black ribbon on the tomb.

The end.

Until the end of the performance, everyone in the audience was still immersed in the plot and couldn't react for a long time.

It was not until a long time later that there was thunderous applause from the audience.

The applause lasted for a long time,

The host came to the stage at the right time, "I really didn't expect that Selena and Louis would bring us such a big surprise, and the solid acting and singing skills of the heroine Qin Shuang also made our eyes shine, bringing everyone a wonderful experience." An unparalleled audio-visual feast! Now we invite our three leading actors to come on stage!!!!"

Accompanied by the excited voice of the host, Qin Shuang and Louis came to the stage one after another.

Both of them were still wearing costumes.

In this drama, every outfit of Qin Shuang is gorgeous to the extreme, setting off her small face that was originally too low-key and slightly indifferent from three points to at least seven or eight points, especially when she and Louis and Selena, the two big names in the scene, performed so brilliantly, and she was instantly remembered in the hearts of the audience.

Just now, many people have been searching for her related information.

As for the orange played by Louis today.

If Phantom is a demon, then Raoul played by Louis is an angel.

He is an aristocrat, but he falls in love with his childhood sweetheart orphan who grew up in the Opera House.

He loves her, he ran to the roof to confess to her passionately, he went to the cemetery to call the bewitched Christine affectionately, he ran to the dungeon to save her regardless of the danger, and when life and death were at stake, he told her not to sacrifice you for me life.

The ghost is crazy for Christine, but Raoul is willing to give his life for Christine's happiness.

Chapter 1924

The two male protagonists in the play are actually very brilliant, making it difficult to choose.

Louis's role also attracted a large number of fans.

And Selena was even worse, she only showed half of her face, and she already drove everyone crazy.

This is a win-win situation.

Selena had spent a long time doing special effects to make half of her face disfigured, so it was a bit troublesome to remove her makeup at the moment. After Qin Shuang and Louis had already stepped onto the stage, she slowly stepped out from behind the scenes.

It is still the expensive and elegant costume, but at this moment the cloak and mask have been removed, and after removing the disfigurement special effects, an extremely stunning face has been fully revealed in front of the audience.

“Ahhh...Karen, Karen!”

“Karen, I want to give birth to a monkey for you!”

...

Facing the fans' enthusiasm, Selena took the microphone from the host, spoke softly, and said, “Thank you everyone, long time no see.”

Just four words, instantly ignite everyone's enthusiasm!

“Karen, long time no see!”

“Long time no see! Karen, we miss you so much!”

“Husband, I love you! I’ve been guarding you like a jade all these years, waiting for you to come back, did you make it?”

...

After “Dream Seeker” ended, Selena had indeed not appeared in front of everyone in men’s clothing for too long.

What’s more, every time Selena changed her outfit, it was as if her personality had split, she became a completely different person, her temperament and personality completely changed.

No wonder fans are so excited.

And the moment Selena came to the stage and said “Long time no see”, the originally unshakable leaderboard on the big screen on the left changed instantly.

Selena’s number of votes in the double ranking leapfrogged that of Han Zixuan who had twice as many votes as her original, and it is still rising!

Han Zixuan and Zheng Anru had been paying attention to the list, but seeing that they had been surpassed by Selena, their expressions changed immediately.

“What’s going on with you guys! Such a high number of votes can make her overtake! Doesn’t Zhao Wenliang have any emergency measures?” No matter how calm Han Zixuan was, looking at the ranking list on the big screen would inevitably be out of control.

Zheng Anru wiped off his sweat, “It was too hard at the beginning, and now there are almost no deposit tickets on hand, so it is too late to raise tickets temporarily! Dmn it! That ba5tard Xu Tao is really insidious! He did this trick! This is obvious It’s the actress list, what does Selena mean by making it like this? This is clearly a foul! I’m going to complain to the organizer!”

Han Zixuan’s expression was extremely cold, “You think the organizer doesn’t know?”

The organizer obviously got through with Selena at the last moment and acquiesced to Selena’s actions.

They only need popularity and popularity, and they don't care what means the artist uses.

They were too careless, they didn't expect that at the last moment, they would change their plan and come here.

"I just said why Selena's program is so advanced. It turns out that they are waiting for us here! Our program is currently the finale, but I'm afraid it will be too late by then. Otherwise, we can advance our program so that we can hurry up Get more votes! Zixuan, you have always appeared in the image of a high-cold goddess, but this time you broke through the image and danced sexy, those men must go crazy! Selena catches female fans, so let's catch male fans!"

Han Zixuan thought about it for a long time, although she still felt uncomfortable, that was all she could do, "Just do as you say!"

Zheng Anru's calculations were very loud, but she didn't expect that tonight, when Selena was teasing her female fans to death, the male fans who were turned away were already in mourning...

Chapter 1925

There was a time limit for the program, and each guest's performance was only 10-15 minutes long. Because Selena and Louis's programs were merged together, they won half an hour of time.

They streamlined the musical while also making it more popular. Coupled with the perfect cooperation of the three, this originally lengthy half-hour for the audience was full of explosive points.

Until the end, everyone is still unsatisfied.

“Uh... what should I do?” Because there were too many people who suggested it, the cameramen were inevitably embarrassed when they watched the reactions of the audience and fans.

At this moment, the director at the side decisively ordered, “Give Selena a shot!”

“But the next one is Han Zixuan’s show...”

“I still need to teach this little thing? Don’t be too obvious! Can’t you see the stitches? Can’t you change the angle?” The stage said as usual.

When the photographers heard the words on the walkie-talkie, they immediately understood.

After the backup dancers on the stage had a short blast on the stage, suddenly, with a “boom”, a square hole opened in the center of the stage where the light was lit, and a person jumped out of it.

And the person who jumped from the ground to the stage was Han Zixuan.

She was dressed in a tight black leather jacket, revealing her slender waist, fair and slender legs, and her hair was black and wavy.

Completely changed the appearance of the noble goddess in the past, sexy and charming!

This brand-new appearance and hot dance immediately attracted the attention of the audience and fans, and Han Zixuan’s vote count also accelerated.

On the ranking list, Selena and Han Zixuan are chasing after each other.

Under the stage, Zheng Anru was so nervous that her heart was about to jump out. Seeing everyone’s expected reaction at this moment, she showed a relieved expression.

She knew it would be no problem!

At this time, photographer No. 1 did not know what he had captured suddenly, because he was the closest to Selena’s position, so he immediately aimed the camera of No. 1 at Selena.

I saw that the camera on the big screen suddenly switched to the corner of Selena and Louis. Selena felt a little bored wearing too heavy costumes, so she stretched out her hand and watched the show on stage while not He quickly undid the first button of the collar...

“Ahhhly

“Hormones burst!!!”

“My husband is so handsome!”

“Please continue to understand and don’t stop!!!”

Chapter 1926

In an instant, almost all the fans and audience turned their eyes back to Selena, and Selena’s votes soared like a rocket.

Not to mention the ratings.

Looking at the soaring ratings, the director was so excited that his heart almost stopped.

Not only did he not blame the cameraman No. 1 who switched Selena’s close-up midway, but his face was full of appreciation, and he changed what he had just said on the spot.

“It’s not bad...cough cough...actually...it’s obviously all right!”

The photographers still had scruples and didn’t dare to make it too obvious. Now that they got the director’s time, they let go of taking more shots.

When the No. 10 camera is aimed at Han Zixuan, it will almost always include Selena in the shot.

In the audience, Louis, who was next to Selena, was bewildered when he saw the votes soaring to the point where Han Zixuan couldn't beat him, and everyone's performance was about to go crazy.

"What the hell... What the hell! Didn't you just unbutton a button? As for? Qin Xiaoshuang, do you think these fans are out of their minds?"

Qin Shuang next to him didn't respond to Louis at all.

Louis turned his head to look, and the little girl's eyes had passed him, staring at Selena next to him, holding her heart in her hands, with an expression on her face that she was about to faint.

Louis: "..."

Because he was sitting with Selena, the two clearly appeared in the camera together, yet he was completely ignored.

This has never happened since his debut. Didn't all the male stars act as foils for him as soon as he appeared?

He was actually defeated by a woman?

Thus, Louis finally couldn't bear it anymore, "Isn't that just unbuttoning? Who wouldn't!"

After finishing speaking, he unbuttoned three buttons in a row.

"Ahhh! Makino Makino Makino Makino!"

Louis's fans finally noticed his idol, and they all started screaming.

After paying such a big sacrifice, he finally got a little bit of attention. Not only was Louis not happy, but he was very sad, looking sourly at someone who was lazily sitting on the seat beside him.

After Selena noticed the gaze beside her, she glanced at a certain golden retriever beside her out of the corner of her eye, and suddenly showed a thoughtful expression.

Louis was terrified by her, “What are you worried about?”

Selena tilted her head and looked at him, with a smile on her lips, she said quietly, “Suddenly I was thinking, what would you look like if you were dressed as a woman?”

fcuk! Actually fantasized about Lao Tzu wearing women’s clothing! It’s crazy!

Louis blew up on the spot, covered his chest like a little wife, “Selena! You pervert!!!”

Although the fans and audience don’t know the content of the conversation between Selena and Louis, but the way the two interacted vividly and lovingly, Louis’s little expression that was obviously bullied to the point of collapse, the two of them together are simply black-bellied and arrogant. The perfect portrayal of the delicate hairy shou, invisibly aroused the passion of the rotten girl fans with the most fighting bodyguards in the fan base...

“Ahhh! So loving! My Makino’s fried hair is so cute!

“It’s so obvious! Karen attacked me! Makino deserves it!”

“I really want to know what they are talking about!”

“I know, I know! I recorded it and looked at the lip shape several times! Karen said he wants to know what Makino looks like in women’s clothing!”

“Aww! Karen is simply amazing! I also want to know what my husband looks like in women’s clothing!”

...

Under the stage, Louis was holding his mobile phone to watch the screen refresh on the live broadcast, and his face was almost as dark as the bottom of a pot, “fcuk! Who the hell is the one who is receiving it! I’m attacking! It’s attacking!”

Chapter 1927

Although the canvassing of votes was very intense in the past few days, some people still like to leave their votes for the last, and a large part of the passers-by party simply don't bother to vote.

But at this moment, when their emotions were fully mobilized, all the votes for this part were squeezed out in an instant.

Not to mention the powerful power of fans to canvass votes spontaneously in private.

Empire was naturally thinking of a way at this moment, but he couldn't keep up with Selena's increase in votes...

On the stage, Han Zixuan danced profusely with all kinds of sexy and explosive moves, and found that her votes were completely crushed by Selena, and the audience in the stands didn't seem to be the one who cheered and screamed.

At this time, she suddenly realized something was wrong.

When she turned around because of a dance move, she suddenly saw that the close-up of Selena appeared on the big screen behind her, not her!

Han Zixuan's expression turned pale in an instant, the movements of her feet were chaotic, and the tempo was instantly out of order.

Seeing Zheng Anru in the audience, his face also changed in anxiety.

"Dmn it! What are those people doing backstage! This is Zixuan's show! Where are the cameras going!"

Afterwards, what was even more tragic was...even though Han Zixuan made such a serious mistake...no one found out...

It's also the same word "teasing", Han Zixuan's way and Selena's way, in comparison, are almost on par.

The former is too deliberate and refined, which makes people feel boring, but Selena's "I didn't even intend to flirt with you" kind of completely unconscious flirting, killing both men and women, makes everyone crazy...

Even a small movement, a look, can make people tremble.

Finally, on stage, Han Zixuan's show ended.

On the big screen on the left, Selena's vote count was so terrifying that it overtook Han Zixuan by more than twice.

And both rankings are far ahead!

Obviously this performance was Han Zixuan's ultimate skill in canvassing votes, and the order was deliberately adjusted from the finale to the front, but instead it drove her into hell.

Looking at the absolutely unsurpassable number of votes, Zheng Anru stood up, and then sat down in a daze, her face full of disbelief...

"This... this is impossible! How is this possible!!!"

"That's amazing! Karen! Your vote count has surpassed it! And it's surpassed by a lot! It's still going up!" Qin Xiaoshuang had been paying close attention to Selena's vote count, and was very excited at this moment.

It's nothing short of a miracle...

The person in front of him always has a way to accomplish the almost impossible.

As long as she is by my side, I feel very at ease!

Louis glanced at Qin Shuang's eyes, dragged his chin, and the corners of his mouth twitched slightly, "Okay, I hooked up with another one, you scourge!"

Although he was very jealous, seeing Selena finally occupying the list together with him, Louis was quite terrified.

Tsk tsk tsk, this list looks really cool!

Popular actor no1: Louis

National male god no1: Louis

Most sleepy male star no1 in the entertainment industry: Louis

Popular actress no1: Selena

National goddess no1: Selena

The top five most influential lists were all occupied by Shengshi Entertainment!

As for Daniel, who is as stable as a mountain on the national husband no1, he is definitely his own family!

However, soon, Louis will be overwhelmed...

With the end of Han Zixuan's show and the start of other people's shows, Selena's votes also quietly rose on other impossible lists...

However, because only the top ten lists are displayed on the big screen on the left, the subsequent lists will not be displayed, so no one has discovered it for the time being.

No one knows the secret madness of offline fans and passers-by...

Right now, backstage.

Zheng Anru was already furious, "Dmn it, that idiot Zhao Wenliang! Why didn't you know how to hold back! You actually watched Selena's votes skyrocket and there was nothing you could do!"

Han Zixuan's sanity and demeanor could no longer be maintained, so she threw away the mineral water handed over by the assistant.

The little assistant's forehead was flushed from the blow, and he said cautiously from the side, "They must have swiped the ticket! Otherwise, how could it be so fast!"

Although they all knew that it was absolutely impossible to reach this level with Shengshi's strength, but this statement was easier to accept than Han Zixuan's inferior skills.

"Don't call the company yet!" Han Zixuan cursed.

Zheng Anru was in a hurry in the background, and immediately dialed the number of the public relations department, yelling on the phone, "Zhao Wenliang, find a way for me immediately! No matter what method you use! Don't forget, Mr. Wang told you, this time the No. 1 female ranking must be Zixuan, and it can only be Zixuan! Think about the consequences if you make a mistake this time!"

Zhao Wenliang on the other end of the phone was also in a state of desperation at the moment, he was too busy, he had just finished being scolded by Wang Haojun and Susie, when Zheng Anru's call came again, he was really angry.

"Zheng Anru, do you think I'm a god? Selena sits in the guest seat and doesn't do anything. The number of votes keeps skyrocketing. What the hell can I do?"

Just when Zheng Anru and Zhao Wenliang were arguing on the phone, Zheng Anru saw from the corner of his eye that on the big screen, the increase in Selena's double ranking votes suddenly slowed down, and even showed signs of gradually stopping.

Zheng Anru was overjoyed immediately, "Stop it, stop it... I knew it! It's finally reached its limit! Zhao Wenliang, why don't you hurry up and take this opportunity to step up!"

Zhao Wenliang had already discovered it, and immediately said in a bad mood, "What a move! You can pass the super? You can see for yourself what the gap is in the current votes! Even if you stop, it is absolutely impossible to surpass!"

You must know that it took us six days to get those votes! How is it possible to get so many votes in such a short period of time now! Keep staring at me, it's better to let Zixuan find a way to let fans vote independently! “

Zheng Anru glanced at Han Zixuan who was at the side, her face was gloomy. How could she think of a solution in such a short time?

Even the explosive show just now was useless!

Do you want to fight with the organizer for another show?

Just when Zheng Anru and Zhao Wenliang were bargaining and arguing endlessly...

The little assistant on the side stared at the list on the big screen not far away, suddenly covered his mouth, and exclaimed, “Ah... Oh my god! What's going on?”

“What are you yelling for?” Zheng Anru asked impatiently.

The little assistant pointed at the list and said excitedly, “Sister Anru, look at the male star list! Why did Selena's name suddenly appear on the male star list? Is there a system error?”

Zheng Anru immediately ignored Zhao Wenliang on the other side of the phone, and hurried to look, only to find that Selena's name had actually gone to the men's list!

Popular actor no10: Selena!

National male god no9: Selena!

The most sleepy male star no7 in the entertainment industry: Selena!

“What are you doing! Are you crazy? How could Selena appear on the men's list! Such a blatant shady scene! This is a shady scene at all!” Zheng Anru was dumbfounded.

Chapter 1929

At this time, Zhao Wenliang's voice came from the phone, which was slightly calmer than that of Zheng Anru, who was completely out of control, "It's not a shady... A female star appears on the list of male stars, or a male star appears on the list of female stars. It's all possible.

Because many lists allow men and women to enter the list, except for the newcomer list, which has restrictions, the other lists have the same candidate places.

In the past, some fans deliberately voted like this for fun or pranks, but the number of votes like this is very small, and they have never messed up the rankings, but this time..."

"That can't be like this! It's just messing around! Don't the organizers care?" Zheng Anru said angrily.

Zhao Wenliang said in a deep voice, "In the regulations of the organizer, there is no rule stating that it is not allowed. Even, the reason why the organizer set it up like this is to increase the fun!"

"Then contact Mr. Wang and ask him to put pressure on the organizer! Charge her with cheating and fouling! Or simply say that she swipes votes! Make her not be on all the lists! I don't believe there is no way to punish her!"

The problem on the women's list hadn't been resolved yet, but there was another problem in the men's list, and Zheng Anru was so angry that his lungs were about to explode.

Zhao Wenliang is well aware of the urgency of the organizer, the matter is not as simple as what Zheng Anru said, but until now, he can only try it.

After all, this list is really important, and it is also true for him personally.

If things go wrong again, he will be the first one to take the blame.

For today's dinner, Wang Haojun and Susie are eligible to enter the venue. Susie did not attend this time because she was entangled in Roman's affairs, but Wang Haojun sat in the seat all the time today.

He had seen it all with his own eyes.

Zhao Wenliang and the others didn't need to contact to remind him, he had already secretly invited the chief executive to a secret backstage.

Wang Haojun lit a cigarette for Qin Zhen familiarly, put his shoulder on his shoulder and said with an expression of his own, "Producer Qiao, it's a bit too messy for this actress to be on the male list, isn't it?"

Qiao Zhen, the chief planner of Entertainment Light and the chief producer of Night of Stars, looked at the person and turned his eyes slightly.

Needless to say, he already knew the purpose of Wang Haojun's visit. Hearing the words, he opened his mouth and said, "Mr. Wang, the rules of this list are the same every year. I think you are also clear about it. Although this situation has never happened in previous years, But the rules do allow..."

Because of Selena, this "Night of Stars" has reached an unprecedented level of excitement and popularity, and it's too late for him to wish for it. How could he ruin his own business?

After all, in this circle, there are no permanent friends, only permanent interests.

Wang Haojun looked at the old fritters in front of him. How could he not know what he was thinking? Seeing that time was running out, he gritted his teeth, stretched out his hand, and directly compared a number. Name, drop all of Selena's lists! After that, I'll give you this number!"

After seeing the number compared by Wang Haojun, Qiao Zhen's eyes lit up immediately, and then his face was obviously shaken.

However, when he was hesitating, he inadvertently glanced at the real-time list on the big screen through the narrow door.

I don't know if I don't see it, but I'm quite frightened at first glance.

In the short period of time he was talking to Wang Haojun, Selena's rankings on the men's list had already broken into the top five, and the list of "Most Sleepy Male Stars in the Entertainment Industry" had even broken into the top three, and The list rankings are still skyrocketing!

Chapter 1930

This time, everyone knew that because Empire Entertainment gave all the resources to Han Zixuan, the number of votes on the men's list was far lower than that of the women's list, so it was much easier to surpass the women's list.

But after Selena surpassed the women's list, she continued to surpass the men's list, which still surprised everyone.

This change in the list has naturally already caught the attention of everyone. The fans in the live broadcast room and the audience at the scene felt like they were beaten to death. After seeing the top of the female list, they started to follow suit and smashed up the male list. , so that the number of votes is growing faster and faster!

After seeing the list, Qiao Zhen was unsure again.

After all, the rules are here, and Selena didn't actually violate the rules. If they listened to Wang Haojun at this time, and when Selena was so popular, they would forcefully blackmail Selena, and their "starlight" would definitely be spit on by everyone. Xingzi was drowned!

Seeing this, Wang Haojun compared a number again, and actually raised the price again!

Qin Zhen's expression was obviously taken aback, and a greedy light bloomed in his eyes...

He couldn't help thinking, with such a large amount of money, even if he is not the chief producer after this time, this life is enough!

Just when Qin Zhen was struggling with pain, he suddenly received a call on his mobile phone.

"Uh, Mr. Wang, I have an important call, please wait a moment!"

After seeing the caller ID, Qin Zhen's expression suddenly changed, she said wait a moment, and then quickly dodged into the corner.

Looking at Qin Zhen's performance, Wang Haojun had an inexplicably ominous premonition.

At this time... whose call will it be?

At this moment, Qin Zhen was hiding in the corner, nodding and bowing to connect the phone, even though the person on the other end of the phone couldn't see him at all.

"Cough, that...Second Young Master, why do you have time to call me today? I'm really flattered! I'm so flattered!"

As soon as the words fell, a lazy voice came from the other end of the phone, and the other party went straight to the point, "No matter how much Wang Haojun asks you, I will pay ten times!"

fcuk! Ten times!

Qin Zhen was almost crushed to death by this number!

But how could he dare to ask for it!

It was Saul himself who called him!

Dmn it, didn't Saul return to the group long ago? Shengshi Entertainment has become like this in the past year, and he has never asked... How can it happen now...

He recently heard rumors that the top management of Shengshi had changed a lot. Could it be that the Lu Group really started to take over Shengshi again?

Qin Zhen made a decision almost immediately, "Ahem, Second Young Master, I don't understand what you're talking about. Mr. Wang never looked for me! Even if we did, we would definitely follow the rules! You don't have to. Just rest assured!"

Qin Zhen changed his words without hesitation.

Just kidding, Empire and Lu Shi, does he still have to choose?

Saul on the other end of the phone chuckled, "Producer Qin is indeed a smart man."

"Second young master, you are over the award, over the award..."

After hanging up the phone, Qin Zhen wiped off his sweat like the rest of his life.

Afterwards, he went back immediately and rejected Wang Haojun straight away.

"Mr. Wang, it's really not that I won't help you this time. You've also seen that in the current situation, Selena is completely what everyone expects. What kind of violations, such as swiping tickets, are simply untenable!

Once I do this on my side, you know what terrible consequences and pressure from public opinion I will face!

So Mr. Wang, forgive me for being helpless this time. Let's do everything fairly and justly, and follow the rules! If Zixuan can also make it to the male star list, then I will definitely not say anything, treat everyone equally, treat everyone equally..."
