### Chapter 2061

“Great God!!!” Seeing someone paralyzed in the corner, Selena was also shocked.

“Second Senior Brother, when did you have a grandfather?” Feng Xiaoxiao looked at it suspiciously, and then her eyes lit up, “Dmn it! Second Senior Brother, your grandfather is so handsome?”

After seeing the man’s face clearly, Kevin suddenly became murderous, and his nerves tensed up.

Selena hurried over to smooth things over, “Hey, no! This is my friend, the great god I told you about before, big brother, don’t look so scary, please!”

After speaking, he walked up to Han Xiao speechlessly, looking at his miraculous figure paralyzed on the street like a beggar, “Master, why are you also in Los Angeles?”

Han Xiao clutched his lower abdomen, dying.

Selena thought he was injured, so her face became tense, “Master, are you...”

As a result, the guy said in the next second, “Hungry...”

Selena’s head was covered with black lines. The master is very powerful, but his survival skills are really zero. I really don’t know how he survived until today.

However, meeting old acquaintances in a foreign land is still very pleasant, Selena hurriedly invited, “Master, we are going to have dinner, do you want to go together?”

“Okay!” Han Xiao immediately stood up, “KFC?”

Selena: “Hey, it’s not...”

A plate of Karlyu said earnestly, “Grandpa, stop thinking about those rubbish fried foods, okay, let’s go have a big meal today!”

Han Xiao frowned slightly, “I don’t like it.”

Karl continued to persuade, “Grandpa, I guarantee that you will like it after you taste it, and you will never want to eat it again!”

Han Xiao: “Let’s have a fight, whoever wins depends on whoever wins.”

Karl immediately turned to Selena, “Junior Sister, let’s go eat KFC!”

Selena: “...”

Feng Xiaoxiao: “...”

Kevin: “...”

Well, they can’t beat it either.

In the end, Karl’s long-cherished meal turned into fried food.

What’s even worse is that there is no KFC nearby at all. In the end, I could only turn around when I saw that I was almost at the door of the restaurant. Finally, I found a restaurant far away.

...

In the small shop, five people sat around a small table.

“Master, what’s the matter with you coming to Los Angeles this time?” Selena asked.

A certain master had a chicken in his left hand and a hamburger in his right. He ate so much that he couldn’t hear anyone talking at all.

The long-awaited feast was gone, Karl murmured secretly to Selena, Kevin, and Feng Xiaoxiao in a low voice, “Hey, why don’t the four of us serve together! Maybe we can win?”

Selena graciously handed the chicken legs to the Great God, while shaking her head like a rattle, “If you want to die, go yourself! Don’t drag me into the water!”

Feng Xiaoxiao looked eager to try, “It’s so powerful, I really want to try it!”

Selena reminded with a serious expression, “Eldest senior brother and second senior brother can’t fight together!”

“Uh...forget it then...” Feng Xiaoxiao stopped immediately with great insight.

Han Xiao didn’t know how long he hadn’t eaten, the whole situation was in a state of chaos, Selena and Karl had already seen the strange things and were fine, Feng Xiaoxiao and Kevin were dumbfounded.

Especially Kevin, who originally had a vigilant expression, but at this moment, the image of Han Xiao has probably completely collapsed in his mind...

## Chapter 2062

Selena and the other four were watching the Great God eat in relative silence. Suddenly, there was a loud “bang” from the door, and the door was kicked open.

A group of tall, muscular Chinese nationals wearing black vests rushed towards the shop with a murderous look, and immediately surrounded Selena’s table with a hush, and then yelled fiercely at the other people in the shop, “Other irrelevant people wait!” Get out of here, Lao Tzu!”

The person who came had a gun in his hand, the customers in the shop screamed and left, and the shop assistants all hid under the table tremblingly.

Selena held a chicken wing in her hand, blinked her eyes, and froze in place, “Hit... robbery?”

Karl held an ice cream in his hand and licked it lazily, “Screw it, it’s for you!”

“Except for this woman, all of you, get the hell out of here too! Don’t meddle in other people’s business! Otherwise, don’t blame me for not having eyes with my gun!” One of the leaders, a man wearing a skull necklace, kicked over the stool next to him. Then he threatened Karl and the others except Selena.

Karl was licking the ice cream, Feng Xiaoxiao was holding his chin and smiling strangely, Kevin was sitting upright expressionless, while Han Xiao was eating with all his heart, without even raising his head...

The reaction of these four people immediately angered the man, and the skeleton man was furious, “Miscellaneous hair! Yellow pig! Weak chicken! And you, sissy! I’m talking to you! Did you hear me! Are you looking for death!?”

Miscellaneous Karl: “...”

Yellow-skinned pig Feng Xiaoxiao: “...”

Weak Chicken Kevin: “...”

Sissy Han Xiao: “...”

“Pfft...cough cough cough cough...” Hearing what the man in the lead said, Selena immediately spewed out a mouthful of Coke, coughing earth-shatteringly.

Nima...

This brother, you are awesome! One sentence offended the four gods of death...

Sure enough, the moment the skeleton man’s voice fell, the atmosphere on the small round table suddenly changed.

“Miscellaneous hair...” Karl touched his proud curly hair, and his gaze was like a knife for a moment.

A cold light glowed on Kevin’s gold-rimmed glasses.

Feng Xiaoxiao slapped the table with a “bang” and said, “fcuk! What the hell did you scold me just now!”

As for the Great God Han Xiao, he is much calmer...

Concentrating on eating my second family bucket...

The skeleton man’s face was stern, and he said sinisterly with a bloodthirsty expression, “Since you are looking for death, then don’t blame me for being rude! Brothers, let me do it!”

Next, Selena shrank to the side of the Great God, and then weakly stretched out her hand to cover her eyes.

Karl was probably the one who deserved the most beatings, and the skeleton man attacked Karl first.

Karl sat there without moving, until the moment the opponent’s fist reached the center of his eyebrows, he swung out his palm instantly, and lightly squeezed the opponent’s fist...

There was a creepy bone-shattering sound.

“Ahhh!” Then the skeleton man roared heartbreakingly.

On Kevin’s side, those people probably thought he was the weakest with glasses on, and most of them ran to attack him. The final result was so bloody that Selena didn’t even see it...

There were crackling noises in the small shop, and ghosts crying and howling wolves one after another, like hell.

A group of ferocious big men lay on the ground begging grandpa to call grandma, the man with the skeleton necklace who was shouting just now was kicked far away by Karl, and in an instant, he was caught by Feng Xiaoxiao on the opposite side. People are tortured dizzy...

Selena clicked her tongue and shook her head in horror.

This group of people... are they idiots?

It's like a group of fat little lambs rushing into the wolf's den by themselves...

### Chapter 2063

One of the young men shivered and hid under the table, poked his head out, and tremblingly raised his gun in Selena's direction.

With a bang...

At the same time as the gunshot rang out, a terrifying gust of wind swept across Selena's body. The little guy suddenly widened his eyes, and watched the bullet change its trajectory, and finally shot into the back of the two of them. The wall, and the strong wind swept everything on the table to the ground and fell to the ground.

The little guy hiding under the table suddenly met an extremely beautiful face, and a pair of careless eyes that made people feel chills in the bottom of his heart.

In the next second, the little guy was pulled out from the corner by the force like iron claws, and then with a "boom", he pressed down on the food that had been swept all over the floor.

"Who, quasi, you, waste, waste, food, things, of?"

The man's voice is like a demon climbing up from hell!

"Hey, are you the police? Yes, we have encountered...uh..."

The clerk was hiding on the table and making a phone call. After seeing the scene clearly, he suddenly couldn't speak a word.

“Hello...Hello? May I ask what happened to you? Was it robbery?” The policeman on the other end of the phone asked.

The clerk looked at the four killing gods in the store, froze, and swallowed hard, “Yes... I’m sorry... I probably drank too much...”

After finishing speaking, he hung up the phone with a snap.

“Forgive...forgive...my lords and aunts, please forgive me...I don’t know Mount Tai...” The skeleton man had a broken hand, a broken nose, a blue face, and a swollen face.

fcuk!

If he had known earlier, he wouldn’t be greedy for that b!tch’s money. How could he know that this time Selena would have such a few scary people by his side!

Although he is just the little leader of the gang branch and has little knowledge, at least he knows that the origins of these four people are definitely not simple, especially the beautiful man with long hair, who can even block bullets, he is not human at all!

“Which road? Report your name yourself!” Karl sat back and stepped on the chair.

Hearing Feng Xiaoxiao’s whistling whip, the skeleton man quickly replied, “So... Solomon! I’m from Solomon!”

The skeleton man was lucky, thinking that the exposure of Solomon’s name might calm these people down.

As a result, Karl said quietly in the next second, “It happens that my hands are itchy recently, and it’s good to kill a gang for fun!”

Solomon? Why does it sound familiar?

Selena frowned slightly, but she didn’t think too much about it, she said speechlessly, “Solomon? I haven’t heard of it! Who is the boss of this gang? He must be an idiot!”

Those who are on the road, even if they don't know a master of Han Xiao's level, how can they not even recognize Karl, Kevin, and Feng Xiaoxiao, and even run up to die by themselves.

Even if you are dealing with her, you have to figure out the situation of the people around her, right?

"Never mind him, let's go for a meeting first! Anyway, if you're idle, you're idle!" Feng Xiaoxiao said excitedly.

She has nothing to do recently, and her hands have been itchy for a long time.

Han Xiao frowned, "I'm not full yet."

Selena hurriedly comforted her, "Master, let's go rob...uh bah, let's collect some protection fees...uh, this statement doesn't seem to be much better...Anyway, if we go, we'll be rich, and when the time comes you think Just buy KFC!"

Han Xiao: "Let's go."

## Chapter 2064

Just like that, Selena waited for a group of five people to press down on the little boss and the gangster, and headed towards that solomon to kill.

On the way, Kevin mused, "If the Solomon they are talking about is the same as I know, then this Solomon should have been the largest organization in Europe at the time, but it gradually declined later. The current boss is one of the leaders of all generations. The weakest one was almost usurped by his deputy... Keren, how did you provoke Solomon's people?"

Selena shrugged her shoulders with an innocent look on her face, "I'm also confused! I don't know where I recruited them!"

Feng Xiaoxiao at the side waved her hands indifferently, "Go and arrest their idiot boss and torture him, won't you know?"

At the gate of the headquarters.

Karl kicked the little skull on the gate, making a loud noise.

Soon, there was a sound of messy footsteps, and the people inside were startled out.

"Who is it!!!" A big white man with a height of at least two meters rushed out, and when he saw the twitching skeleton man lying on the ground, his expression became gloomy, "Jason! What's going on?"

After speaking, he looked at Selena, Kevin and the other five people at the door with gloomy eyes, "Who are you! You dare to touch even Solomon's people! Are you dying?"

When Jason heard this, he trembled in fright, "Joseph, keep your voice down...keep your voice down..."

After finishing speaking, he whispered a few words in that person's ear, his face full of fear.

"what..."

Seeing the two of them whispering, Karl yawned impatiently, "Who is your boss, let him speak!"

After hearing Jason's words, Joseph's eyes became more cautious, "Is our boss someone you can meet if you want? You guys, who are you? Tell us your name!"

Feng Xiaoxiao waved the whip in her hand, "You are not qualified to know the name of my aunt."

Joseph glanced at the whip in Feng Xiaoxiao's hand, and his complexion changed slightly. The next second, after noticing the gold-rimmed glasses on Kevin's face, his complexion turned pale again, and he looked at Karl's almost

iconic curly hair , the legs began to feel weak, “You... don’t tell me you... how many of you are...”

fcuk!

Could these people be legends...

It can be seen that the characteristics are really all right!

It seems that only one “thousand-faced ghost hand” Keren is missing...

Uh, could it be that that weak looking beauty is Keren in disguise?

Who is that long-haired man next to the beauty?

If these four people were really the ones, wouldn’t it be a more terrifying identity for a man who could walk with these four people?

Joseph almost didn’t dare to continue thinking about it.

At this moment, there was a sound of heavy footsteps behind him.

A few people walked out from the door in stride.

Walking in front is a middle-aged man, next to the middle-aged man is a bald head.

“Boss!” Seeing the middle-aged man, Joseph, Jason, and the little ones immediately lowered their heads respectfully and shouted.

Seeing that the Lord came out, Karl raised his eyebrows and asked, “Are you the boss of Solomon?”

The middle-aged man glanced at the five people who were obviously here to mess things up one by one with a sullen expression.

Just as he was about to speak, when his eyes fell on a girl among the five who looked delicate and cute in a pink dress, his face suddenly changed in the next second...

The middle-aged man seemed to be half-struck by lightning, and stared straight at Selena’s direction with his wide eyes, and then tears welled up in

his originally fierce eyes, like an abandoned pet seeing its owner, excited and aggrieved Staring at Selena – “Boss! Boss, you are finally back!!!”

## Chapter 2065

“Boss! You are finally back!!!”

As the middle-aged man roared with tears in his eyes, Karl, Kevin, Feng Xiaoxiao, and Han Xiao all looked at Selena.

Selena stretched out her pale finger and pointed at her nose with a confused face, “Huh? Are you calling me?”

At this time, the bald man next to the middle-aged man rushed out with snot and tears, “Boss! I thought you didn’t want us anymore!”

Selena: “...”

What the hell?

It took Selena a long time to react, and she said suspiciously, “Wait...wait...you guys make it clear! Who is your boss? Are you mistaken?”

Hearing this, the middle-aged man’s expression was sad as if Selena was a heartless person, “Boss! Have you forgotten me? I’m Zeus!”

The bald head followed closely and said, “I’m Buddy! Boss, you saved our lives. When Jeffrey took over Solomon, you destroyed their lair. Without you, there would be no Solomon, Boss, Have you forgotten all of this?”

“Uh...” Selena’s mind was confused, but she still had no memory at all.

What Buddy, what Zeus, what Jeffrey...

She doesn't know any of them?

At this moment, Feng Xiaoxiao next to Selena suddenly realized and slapped her head, "Oh, I'm going! My mother remembered! Junior sister, what they said is true! I was there at that time! Didn't you come to that time?" Did St. Bernardine look for me? As a result, I was not at home at that time. When you came to my house to look for me, you met a group of killers, and finally followed those killers to the house of this good-for-nothing boss. At that time, he was almost killed by the usurpers Killed him, you saved him, and later we went to Jeffrey's lair..."

Listening to Feng Xiaoxiao's eloquent recollection of those long-ago events, Selena finally remembered something, and then her face was full of dumbfounding, "Dmn...it seems that this really happened..."

Then Jeffrey seemed to have some quarrel with Feng Xiaoxiao, so he hired killers to assassinate Feng Xiaoxiao. Later, she followed those killers to Zeus's house because she was worried about Feng Xiaoxiao's safety, and rescued this good-for-nothing. Let him take him to find Jeffrey, and when she arrived at Jeffrey's lair, Feng Xiaoxiao also arrived at the same time, and directly wiped out Jeffrey's group...

It's been too long since this happened, Selena has completely forgotten about it, and Feng Xiaoxiao has as many enemies as fish in a river, if it hadn't been brought up, she probably would have forgotten about it long ago.

"Boss! You finally remembered!" The bald man named Buddy was excited.

The good-for-nothing boss wiped his tears and said, "Boss, when you were away, we have been working hard to develop the gang! We are just waiting for the day when you come back!"

Selena's head grew dizzy when she heard the two of them being the boss, "Well, wait a minute! That's not right! Even if I saved you by accident! But when did I become your boss?"

She remembered that the good-for-nothing boss seemed to tell her that "Solomon is the strongest" and that she saved them, so she was going to be the new boss.

However, at that time, she clearly refused on the spot!

“From the moment you saved us, you have been our boss in our hearts!” Bald Buddy said with a natural expression.

The good-for-nothing boss Zeus also nodded seriously, “Yes!”

On the side, Karl let out a “poof” laugh, and said meanly, “Oh, little junior sister... so... that idiot is you?”

Selena: “Shut up!!!”

She was shot while lying down, okay?

## Chapter 2066

Zeus glanced at Feng Xiaoxiao whom he had seen that day, then at the other people, and said excitedly, “Boss, the people around you must be the adults of the Tang Sect!”

The moment the voice fell, the group of young men in the branch and the little boss just now were all dumbfounded.

This... what is the situation...

The person they ran to kill turned out to be the boss of Solomon, and these passers-by were all the killing gods of Tangmen...

The little boss shook his legs, and knelt down on the spot, “Yes, yes, yes, sorry... Boss, I don’t know... I really don’t know if it’s you and the adults...”

“Boss, what’s going on here? What happened?” Zeus only noticed Jason and the others at this moment, and couldn’t help frowning.

“Oh, it’s nothing. We were eating just now, and these people suddenly appeared and wanted to kill us.”

Selena’s light words stunned both Zeus and Buddy.

“Boss, what are you talking about!!!”

“Is this ba5tard going to kill you?”

Jason’s expression was almost crying, “Boss Zeus, listen to my explanation! It’s not what you think, I... I took a private order, the other party wanted the life of Selena, a Chinese female artist, I don’t know... ..I really don’t know the identity of this person is...”

When Selena heard this, she raised her eyebrows slightly, “Oh? Someone wants my life?”

“Yes... yes, the other party asked for 10 million... I... I was obsessed with money for a while...”

As soon as Jason said this, Karl hugged his stomach and almost rolled on the hand with laughter, “Pfft hahahahahaha... I’m dying of laughter! Keren, the legendary ghost hand with thousands of faces, was offered a price I must kill you, and I will send a killer of this level...”

fcuk! Keren, Ghost Hand with Thousand Faces...

Jason looked at Selena with a terrified expression.

Isn’t Keren a man?

Seeing Karl gloating there, Selena’s face was as dark as the bottom of a pot, “You are enough! Your head is worth a lot!”

“Hey, little lamb, which idiot invited you?” Feng Xiaoxiao asked with a smile.

Jason looked puzzled, “This...this...my lord, the rules of the industry...you understand...”

If he said the name of the employer, there would be no confusion.

As soon as Jason finished speaking, Buddy kicked him to the ground fiercely, “S-hit! You idiot! Your mother has sh1t in her head!!!”

Jason was kicked until his bones were almost broken, and at the same time he finally woke up. He almost lost his life today, and he didn't care about the rules of the industry.

Selena waved her hand nonchalantly, pursed her lips and said, "Okay, if he doesn't say anything, I probably know who it is."

With Son Han Xiao sitting beside her, no one who doesn't have eyes would dare to touch her.

And these small fish and shrimps can only be ordinary people who are not in the circle.

Not long after the end of Lorraine Fashion Week, she was attacked. In addition, Lenovo replaced the fake gun with a real one when she was on the set of "Thunderbolt" more than a year ago...

Selena tentatively said, "Let me ask you, did your employer ever ask you to kidnap a foreign student from Huaguo, and then threaten his sister to do things for you?"

Seeing that everything before was revealed, Jason's small body trembled, and he had already confessed thoroughly, "Yes... yes... Boss, I don't dare anymore! I'm going to return the list now! Never again I will not have anything to do with that person!"

Selena didn't know what to think of, she smiled softly, "That's not necessary."

"Uh, no? Boss, what do you mean?" Jason asked weakly.

"Give you a chance to commit a crime, shall we?"

Jason's eyes lit up, he didn't expect that he would still be alive today, his head was almost snapped off his neck.

Next, a certain good-for-nothing boss made a heartbreaking apology to Selena and expressed his loyalty in tears, promising that everything would follow her arrangement, otherwise he would break Jason's leg and throw him into the sea to feed the fish.

After the matter was clarified, Selena didn't intend to stay any longer, but in the end Buddy was clever and seemed to observe that among Selena and his group, the lazy long-haired man who always looked impatient had the highest status. Qinqin went over to probe a few words, and then directly grabbed a few KFC employees to cook in the gang, and sold all the KFC stores in Los Angeles as gifts, and finally succeeded in getting Selena stayed.

So, Selena and the others stayed in Solomon for one night before leaving.

After eating and drinking, Master Han Xiao patted his a55 and left. Selena, Feng Xiaoxiao, and Kevin reluctantly said goodbye.

Two days later, the work in Los Angeles was over, and Selena set off to return home.

This trip to Los Angeles was quite rewarding...

Huaguo, Ning's old house.

After returning to China, Susie used the excuse of being homesick and went back to her mother's house for a short stay.

Because I really can't stand Zheng Minjun's cynical face from time to time.

During the Lorraine Fashion Week, she specially got an invitation letter for Zheng Minjun, so Zheng Minjun was also present for the whole process that day.

I originally thought that this history would shine brightly, but who knew that what happened later would actually happen.

Zheng Minjun felt ashamed, and returned to the country alone without waiting for her to come with her. After returning to the country, his attitude towards her was even more face than face, nose not nose. Selena used it for comparison.

Coupled with the fact that History's situation was getting worse and worse, she was completely devastated during this time.

Susie was sitting on the sofa in the living room with a sullen face, when there was a sound of footsteps outside the door, Ning Yaohua and Zhuang Lingyu had gone out and returned.

Seeing Susie, Zhuang Lingyu immediately beamed with joy, "Susie is back!"

After finishing speaking, he took a look at her, and immediately frowned, "Why are you so thin? You are still pregnant! How can this be done!"

Susie lowered her eyes and looked sad, "Mom, I'm fine, but there may be a lot of things going on in the company recently..."

Ning Yaohua at the side said in a deep voice, "The history thing is not your fault, so don't blame yourself too much."

Zhuang Lingyu pulled Susie to sit down on the sofa, annoyed, "I said that Dmn girl is going to fight against our Ning family, you still don't believe it! You should believe it now! If she didn't do it on purpose, please Which designer is not good, but that person is the one to be hired! Still embarrassing Susie in front of so many people!"

Ning Yaohua knew that Selena had a good relationship with the dealer, and he had been thinking of easing the relationship, but now he was speechless, and coughed lightly, "Selena really went too far in this matter! No matter what, we're still a family, so why make such an ugly scene! Besides, Susie is still pregnant, so she's not afraid that Susie's provocation will do anything good or bad!"

Zhuang Lingyu said unhappily, "I'm afraid she can't wait for it!"

Susie had a forbearing face, with a desolate expression, "Mom, I can't blame my sister for this matter, it's just my ignorance... It's just mom, I really feel bad, history is my painstaking effort... But now... ...all ruined..."

## Chapter 2068

Seeing Susie's heartbroken yet still holding back, Zhuang Lingyu couldn't help but feel distressed, "Susie, don't be sad, it's just a clothing company, if it's gone, it's gone, it's not a big deal! You now The most important thing is to take good care of your body, give birth to the child first, and then everything can start all over again!"

Ning Yaohua also echoed, "Your mother is right, nothing is more important than children."

This is the key to her gaining a firm foothold in the Su family.

With the influence of the Su family, it would be nothing more than a trivial matter for her to start a company in the future.

Zhuang Lingyu and Ning Yaohua were comforting their daughter when a nanny-looking woman came out of the kitchen with a bowl of soup carefully, "Mrs. It's ready, drink it while it's hot!"

Anti-abortion soup...

Susie was acting like a good girl who had been wronged by a genius but for the sake of Zhuang Lingyu and Ning Yaohua and could not bear to argue with Selena. When she heard the nanny's words, her expression went blank for a second.

Did she hear something wrong?

Just now the nanny said...Antinatal soup? For Madam Zhuang?

The nanny walked up to her, only to find that besides Zhuang Lingyu, there was another person sitting on the sofa, and she immediately said, "This is the eldest lady! She is as beautiful and temperamental as you, madam! I heard that you, the eldest lady, I'm pregnant too, and I just cooked a lot, Missy, you should drink a bowl too!"

Susie was completely dumbfounded, completely unaware of what was going on, “Mom, this is...”

Zhuang Lingyu didn't expect the nanny to come out suddenly and bump into Susie, she subconsciously touched her lower abdomen, her face was a little embarrassed, as if she didn't know what to say.

Ning Yaohua next to him also seemed a little unnatural, and after coughing lightly, he said with a flushed face, “Susie, this is my new aunt, who specializes in preparing meals for pregnant women, your mother... ..pregnant...”

“what?”

Ning Yaohua's words struck her mind like a thunderbolt.

Susie realized that her reaction seemed to be too extreme, she hurriedly stabilized her mind, and turned into a surprised expression, “Dad, what did you just say? Mother, is she...pregnant?”

Ning Yaohua held Zhuang Lingyu's hand and said excitedly, “Yes! Susie, you also know that your mother has never been able to have other children due to physical reasons. This is also a regret we have always had. In fact, For more than a year, your mother and I have been trying to find someone to be an artificial surrogate, but we have never been able to succeed. We had already given up hope, but who knew, your mother was pregnant by herself!”

Speaking of this, Ning Yaohua couldn't hide his excitement, and Zhuang Lingyu also had a happy expression on his face.

When Susie heard these words, her mind went blank, followed by anger that almost burned her out!

Zhuang Lingyu is pregnant!

At this time, Zhuang Lingyu was pregnant!

Ning Yaohua only thought that Susie was too surprised, and didn't pay attention to the smoldering look on her face that was almost unbearable. He was still immersed in joy, “Because you've been busy all this time, so you just I didn't have time to tell you the good news! Susie, you really are the little lucky star of our Ning family, and now our Ning family is truly blessed!”

Oh, double happiness!

What a double happiness!

Susie's internal organs were as if they were being burned by a raging fire, and she was so angry that she almost suffocated internal injuries.

## Chapter 2069

Ning Yaohua didn't notice Susie's true thoughts at all, and said earnestly, "Susie, I've really worked hard for you these past few years. You're a girl, and you're busy running around for the company every day. Waiting for your brother to grow up." As an adult, take over the company, and the burden on your shoulders will be relieved!

Before, I was always worried that your mother and I only had you as a daughter. Now, after a hundred years from your mother and me, your siblings will still have a companion, and your mother and I can feel at ease! "

what...

younger brother...

that's true!

These two people must have gone for an examination a long time ago to confirm that the baby in their womb is a boy, the long-awaited heir of the Ning family, otherwise how could they be so happy.

Listening to Ning Yaohua's every word, Susie was trembling with anger.

When the younger brother grows up, take over the company!

She took great pains to force Selena away, because they only had her as a daughter, so they could treat her so wholeheartedly. Now if they had a son, who was still their own flesh and blood, would there still be a place for her in the Ning family?

It's clear that they crossed the river and demolished the bridge when they had their own son, and they said nicely that they had a companion for each other, and why they felt sorry for her hard work!

It's all about throwing her away when she's done using it, without thinking about her at all.

Now that she is in such a difficult situation in the Su family, at this time Zhuang Lingyu is pregnant with a boy, who is the future heir of the Ning family. This is simply forcing her to die!

Susie swallowed the mouthful of blood hard, with a pleasant smile on her face, "This is really great, great, congratulations parents!"

Zhuang Lingyu took Susie's hand, "Thank you Susie, don't worry Susie, we won't ignore you just because we have a younger brother, you will always be mother's most precious daughter!"

Susie sneered in her heart, but on her face she was extremely happy for her, and she was moved, "Mom, of course I know! I have always hoped that I could have a companion, and even more so, a younger brother. In the future, you can honor your parents with me and support me!"

Hearing what Susie said, Ning Yaohua's last uneasiness and worries were safely dispelled, and he immediately said, "Of course it is for sure! If your brother doesn't support you, who else can you support!"

Zhuang Lingyu was also worried that Susie would be unhappy, but now seeing Susie's attitude, she was also relieved, and her tone was gentle, "You should stay at home for a few more days during this time! Mom will make up for you. repair!"

The smile on Susie's face was even brighter, and she said expectantly, "Mom, you are the one, you must take good care of my brother! It just so happens that the child in my belly can still be with my brother!"

Seeing the happy appearance of the mother and daughter, Ning Yaohua nodded in satisfaction, put on a fatherly expression, and took the opportunity to say, "Susie, I will pay more attention to the company's affairs during this time, and you Don't worry, just rest at home with your mother."

Hearing this, Susie's spine stiffened slightly, and her nails dug into her palms fiercely.

Heh, she managed to get rid of that b!tch Selena, and got all the shares held by Ning Yaohua and Ning Yaobang, controlling the real power of the company.

Now, just because of this unborn child, she is trying to take back the power in her hands step by step, paving the way for his precious son?

Chapter 2070

"Thank you Dad, you have been so kind to me. If there is a next life, I will definitely be your daughter!" Susie was moved and innocent, as if she didn't notice anything.

...

Deer Town, Garden House.

thump thump...

The tranquility and peace of the morning was suddenly broken by a loud knock on the door.

The people outside the door howled loudly, "Selena! Selena, come out! Don't hide in there and make no noise! I know you are at home! Get out, young master!"

Selena, who was getting bored with Daniel in the small garden, heard this voice and spit out a mouthful of tea. She carefully lay on Daniel's shoulder and poked her head out, "It's over! Something happened! The golden retriever is going to bite me to death this time." Already!"

Daniel glanced outside the courtyard door, "What did you do?"

"Uh, this..." Selena laughed dryly.

"Selena! You have the ability to betray me! You have the ability to open the door! Open the door!" Louis was still howling outside.

Selena coughed lightly and explained, "Actually, I didn't do anything, the thing is like this... Do you remember that Orlando?"

Hearing this name, Daniel narrowed his eyes, "I remember."

Naturally remember.

How could the person who coveted his wife not remember?

He has a little book in his heart.

Apparently this little book is very... thick...

It is also thanks to Lu \*\*oss's excellent memory that he can remember all of them.

"Hey, isn't "Thunderbolt" about to be released, this time I went to Los Angeles, and I inevitably met Orlando when I was working, but that playboy fell ill again, thinking that we will have to work together for a long time in the future , I don't want to make the relationship too awkward, when I'm worrying, and then guess what?"

When Selena said this, her eyes were shining brightly, and she had a secretive expression.

"What?" Daniel stroked the girl's soft hair with his fingers, and focused on the girl's excited and lively expression.

Selena said excitedly, "Then Orlando came to the "Killer" crew to look for me that day, but he met Louis! He met Louis in women's clothing!"

The last sentence Selena deliberately emphasized.

Daniel raised his eyebrows slightly, "Love at first sight?"

Selena slapped her thigh, "My dear, you are so smart!"

Daniel's expression was a bit dumbfounded, this development...is...indescribable...

"My dear, you don't know. After Orlando saw Louis's women's clothing, he expressed that he fell in love at that time. He begged me to help him match up. He also said that they would definitely invite me when they got married! You can see how sincere they are! , I naturally agreed...you say yes, hehehe..."

Daniel: "..."

Selena was enjoying herself when her white and delicate chin was suddenly pinched gently by slightly callused fingers, followed by a deep and lingering k!ss.

Selena, who was suddenly k!ssed by the big demon king, widened her eyes and blinked, with a sudden expression on her face, why did she suddenly k!ss her?

But it didn't matter anyway, Selena was stunned for a while, then took the initiative to k!ss back.

After a while, Daniel breathed slightly and pressed against the girl's lips and said, "Reward."

Selena reacted for three seconds before realizing what Daniel meant.

Well, is this sweetheart praising her for obediently pinching the peach blossoms?

She really admires her understanding ability!

At this moment, outside the courtyard gate.

A single dog is still howling miserably, “Selena, you have the opposite sex and no humanity! Our friendship has come to an end!”

Selena muttered softly, “Hey, I can’t be a brother anyway, but I can still be an aunt...”
