Chapter 2101

The guests from afar stayed in the villa. On the second day, the entire banquet was held in the open air on a large lawn behind the villa. The main venue was equipped with a dance floor, a small band, a large LED screen, and various delicacies and wines.

There are horse farms, swimming pools, golf courses and other entertainment facilities nearby for guests to relax.

The number of guests present was not many, but each of them was from top wealthy families and aristocrats, including some well-known foreign wealthy families.

Selena had arrived early, wondering if there was anything she could do to help, but Yan Ruyi didn't let her intervene because she was afraid that she would be a little bit worried and tired.

Meng Linlang had always been worried that Selena would not be able to cope with the trivial matters of the Lu family, but in the end Selena encountered nothing. Not only did Yan Ruyi never make any demands on her, she always told her that she was the young mistress of the Lu family and married. When you come in, you should be pampered and pampered. Just let the servants do those chores, otherwise what are they doing.

As a result, Selena became the most leisurely one, she sat in a quiet place with a glass of juice and waited for the banquet to officially start.

Selena was staying near a shooting range, leisurely watching a group of boys and girls playing shooting not far away.

“Selena, you’re here too, where’s Aunt Lin?” Not far away, a person suddenly walked towards her, his tone sounded a little surprised, very enthusiastic, but not abrupt, but just right.

Today Selena wore a bright red dress which was rare and high-profile, it set off her whole body unparalleled.

Wherever she sits, even if nothing is enough, there is a landscape that people can’t take their eyes off.

Even if he is as calm as Li Muyan, he can’t hide the amazement in his eyes at this moment.

“Mr. Li.” Seeing the person coming, Selena greeted him politely, and then replied, “My aunt hasn’t come yet, so I’ll come here first.”

“So, do you want to go over and play together?” Li Muyan offered an invitation.

“Brother Muyan!” At this moment, an abrupt female voice interrupted their conversation.

I saw a sweet-looking mixed-race girl wearing a goose-yellow dress quickly ran over, hugged Li Muyan’s arm possessively, and looked at Selena vigilantly, “It’s you who took Brother Muyan So confused, let him ignore me?”

Hearing this, Li Muyan frowned immediately, his expression a little unsightly, “Lisa, don’t talk nonsense, this is...”

“I know! The big star Selena! Who doesn’t know him! Brother Mu Yan, I thought you had such high standards that you were looking for this kind of ostentatious woman?” The girl looked unconvinced.

“Alyssa! Selena is my friend!” Li Muyan emphasized his tone, looking really angry.

The girl named Alisa just curled her lips and said nothing, but she still seemed unwilling to give up, “Selena, let’s have a competition. I heard from your fans that you have good marksmanship. The shooting scene in “Killer” You fought in person, do you want to compare with me? Ten bullets, counting the total points, whoever wins, Brother Mu Yan, will win!”

Embarrassed, Li Muyan walked up to Selena and explained in a low voice, "I'm sorry, Selena, Lisa was spoiled by her family since she was a child, she was a bit headstrong, and she was educated abroad, so she has a straight temper, in fact, she has no evil intentions. "

not far away.

Saul was setting up the venue at first, when he caught a glimpse of the scene not far away from the corner of his eye, his gossip ignited and he made a video call to Daniel...

"Ah! Brother, guess what I saw! On such an occasion today, there is still a rival in love who dares to come and smash your place! He is still the son of Minister Li's family! Hahaha brother, your rival in love actually has an upgrade! One It's higher than a rank!"

At that time, Daniel was still busy in the company. After receiving a call from Saul, he checked the video on his phone, and then he couldn't take his eyes off it.

His girl...today is so beautiful...

"Brother...brother, did you hear what I said?" Saul glanced at his brother's expression in the video, and then he was decisively abused.

"Dmn! I know your wife is extremely beautiful today, but please look away a little and look to the side, okay? Someone is going to snatch your wife again, hello!"

The word "again" is used...he couldn't bear to say it...

On the other hand, facing Li Muyan's apologetic explanation, Selena didn't say anything, "It doesn't matter."

Seeing Li Muyan whispering to Selena, Alisa became even angrier, "Hey, are you better than me? I hate mother-in-law and mother-in-law, and they are robbed by others. Let's decide the winner once, and the loser quits, or What do you want to compare, Camellia tea art horse riding or swimming, you can decide!"

Li Muyan never expected that Alisa would bump into Selena today and say so many inappropriate words. At this moment, she was already full of anxiety, worried that it would affect the image she had worked so hard to cultivate in front of Selena for so long.

However, in fact, he also had some expectations, hoping that Selena would not care, so originally, with his ability, he could completely resolve this conflict, but instead of stopping Alisa's behavior, he hoped to know how to use this her reaction.

"Miss Lisa seems to have misunderstood something. Mr. Li and I are just friends, and I'm already married." Selena didn't want to cause any misunderstanding, so she straightened up the matter.

Lisa laughed immediately. Everyone knew that Selena was single, how could she be married?

For a top entertainer of her level, countless pairs of eyes would watch her every move. If she really got married, she wouldn't be able to keep it a secret for long.

Alyssa said, "What? I'm afraid of losing face, so I said this on purpose to save face? Well, I'll treat you as married, and being married doesn't mean you didn't have the idea of brother Muyan. If you don't have ghosts in your heart, then compete with me once! If I lose, I will never take care of you and Brother Muyan!"

Selena gently turned the cup in her hand and glanced at Li Muyan, but Li Muyan had no intention of persuading Alisa.

At this time, there were more and more people watching.

After waiting for a while, seeing that Li Muyan still had no intention of speaking, Selena parted her thin lips, “Okay, let’s shoot.”

Hearing this, Li Muyan’s pupils shrank suddenly, as if he didn’t expect Selena to actually agree.

As for Selena’s claim that she was married, he also subconsciously took her as an excuse to avoid conflict with Alisa.

Alisa only knew that Selena was good at shooting, but she didn’t know that Selena was the granddaughter of General Zhuang. He had heard her mention it to Meng Linlang more than once, saying that Selena’s shooting was superb, even higher than Zhuang Rongguang’s talent.

“I’ll do it! My sister-in-law agreed!” Saul was still broadcasting the live broadcast to his brother without doing business.

Chapter 2103

Daniel’s tone was a little displeased, “Camera.”

“Ah? What happened to the lens?”

Daniel: “It’s crooked.”

Saul: “Uh...”

“Okay, okay, I was wrong, I’ll just point the camera at your wife!”

As Saul spoke, he groaned, “Why aren’t you worried at all! Your wife is so good at shooting, she beat Guan Ziyao in seconds! Although I really hope to see Selena win the fight against those people.” Face! But won’t it be like she is arguing with Li Muyan? It’s so tangled!”

At this moment, all the boys and girls who were playing shooting around the shooting range gathered around, and a group of people watched with great interest as the two women competed for a man.

Meng Linlang used to take Selena around in the circle of wives and wanted her to learn how to be a housewife, so only a small number of people in the circle of wives knew about the relationship between Selena and the Zhuang family. Except for Li Muyan, everyone only knew that Selena was the hottest star in front of Hua Guo.

In high society occasions like today's, some entertainers would be invited to liven up the atmosphere. As the first sister of Lu's subsidiary Shengshi Entertainment and the most popular artist at the moment, it's not surprising that Selena would be invited to join in the show.

It's just that I didn't expect such a romantic incident to happen today, Selena and Li Muyan?

Even with Selena's current status in the entertainment industry and her status as Zeling's boss, it would still be a little too much for Li Muyan.

"Alyssa's shooting skills are very good, otherwise she wouldn't dare to propose this competition. She used this trick to get away several rivals in love!"

"No one else is her opponent, Alisa is proficient in everything!"

"An actor, how can he compete with a real noble lady like Alisa? Alisa's mother is the real blood of the royal family of country F!"

...

Li Muyan listened to the evaluation of Alisa by the people around him, and he couldn't feel the slightest wave in his heart. He had seen too many young ladies like Alisa who had been taught by the assembly line elite since childhood. extreme.

When thinking of this, Li Muyan looked at Selena, thinking that she would actually make a move for him, so he unconsciously clenched his palms by his side a little bit.

In the past few months, he has been careful and step by step, and has not pierced that layer of paper, except for her, he has never been sure and confident.

But he didn't expect that he would have such an unexpected harvest after being made such a fuss by Alisa today.

Just when countless thoughts flashed through Li Muyan's mind, the competition between the two had already begun.

All eyes were on the two of them.

The competition process is that one person shoots one shot until ten shots are fired, and then the total score is counted.

First shot: Alisa scored 97 points, Selena scored 96 points.

The second shot: Alisa scored 96 points, Selena scored 95 points.

The third shot: Alisa scored 98 points and Selena scored 97 points.

After three shots in a row, Selena fell behind Alisa. The people around all had expressions like that, but Li Muyan unconsciously tensed his back. Selena is a freshman, isn't he in a good state? But it's still early, there are still seven shots behind!

The competition continued.

The fourth shot: Alisa scored 92 points and Selena scored 91 points.

Fifth shot: Alisa scored 89 points, Selena scored 88 points.

The sixth shot: Alisa scored 94 points and Selena scored 93 points.

...

Looking at this ring number, everyone was a little dumbfounded...

Chapter 2104

If everyone didn't feel that something was wrong before, then... when it came to the sixth shot, basically everyone's eyes were a little suspicious.

Uh, is it too coincidental? Selena is 01 points lower than Alisa every time?

The seventh shot: Alisa probably got 34 points due to her mind being affected, and Selena followed up with a shot: 33 points.

The expressions of everyone at the scene: "..."

Is it their illusion? Why do you have a feeling... that Selena is losing on purpose?

It must be an illusion! It's more difficult to score 01 points every time than hitting ten rings every time, isn't it?

next...

Eighth shot: Alisa 98 points, Selena 97 points

Ninth shot: Alisa 55 points, Selena 54 points

Tenth shot: Alyssa obviously made a mistake. She only scored 1 point and almost missed the target. Fortunately, Selena... just missed the target, 0 points.

...

On the tenth shot, everyone watched as Selena casually fired a shot into the air.

Everyone: "..."

If they still can't see that Selena lost on purpose, then they must be blind.

Selena put the safety on the gun, then threw it to the waiter at the side, raised her eyes, and looked at Alisa indifferently, "I lost."

After speaking, the red skirt left gracefully.

“You! You did it on purpose!!!” Alisa blushed with anger at this moment.

Li Muyan stood there blankly, his boiling mood suddenly extinguished as if being poured down by a basin of cold water.

Saul, who was watching the live broadcast, almost rolled his eyes, “Dmn it! Sis-in-law’s skill at pinching peach blossoms is really at the peak! You obviously lost, but you slapped that face of Alisa!”

“I’ll be right there.” Daniel said four words, then hung up the phone.

I don’t want to wait for a moment, I want to see her.

The night was getting darker, almost all the guests had arrived, and the atmosphere of the scene became more and more enthusiastic. The lights on the lawn lit up, like stars, full of dreamy feeling.

“Wow, it’s so beautiful! In the past, Daniel’s birthday parties were all held in hotels, which were rigid and boring. Didn’t expect it to be so romantic this time?”

“I guess it’s because of Mrs. Lu!” One of the girls had an envious expression on her face.

“I heard that Mrs. Lu will appear tonight, is it true? I don’t believe it, I don’t believe it, I don’t believe it! Could it be that Daniel is really married?”

“I don’t want to believe it either, but the news is accurate, there shouldn’t be any mistakes. In fact, there have been rumors for a long time, but the Lu family is too low-key, so far no one knows who Madam Lu is! I just went to find out what Saul said. He himself said that his sister-in-law would come tonight!”

“My God! Looks like I’m going to lose my relationship!”

“It’s not just you. I don’t know how many women are about to break up in love, okay? I don’t know which woman is so lucky. It should be said that I don’t know which woman is so powerful that she can turn a man like Daniel into a soft finger. I heard that Daniel loved that woman so much...”

...

Alisa lost face just now, but now she is still sullen. Regardless of Li Muyan's obstruction, she angrily walked up to Selena and began to question, "Selena, what did you mean just now? You deliberately humiliated me and Brother Muyan." ?"

Hearing this, Selena raised her eyebrows slightly, with an expression of confusion, "Humiliation? It was you, Miss Lisa, who won. How do you start with the word humiliation?"

Chapter 2105

What happened this time was Lisa's provocation first, and if Li Muyan had smoothed things over just now, she wouldn't be in a dilemma.

She had been very busy during the previous period, and all her extra thoughts were on Daniel, and Li Muyan had never said or acted beyond the rules, so she never noticed Li Muyan's strangeness, and only regarded him as the son of his aunt's best friend.

It wasn't until just now, the way Li Muyan looked at her at that moment, that she realized something was wrong.

Alisa's attitude and actions further confirmed her guess.

If Li Muyan had smoothed over this matter just now, she would not have reached this point. Just find an opportunity afterwards and make it clear to Li Muyan in private.

However, Li Muyan chose to watch Alisa's aggressiveness.

That being the case, she can only solve this matter thoroughly in her own way.

“You...” Lisa was too angry to speak.

How could Alisa be reconciled, she naturally had to find a place elsewhere.

So, staring at Selena’s stunning attire, he said, “Today is Mr. Lu’s birthday, and the protagonists are Mr. Lu and Mrs. Lu. You dress up like this, do you have any basic etiquette for being a guest?”

Selena’s outfit tonight was indeed too high-profile and eye-catching.

Since she appeared, there have been many eyes secretly looking at her, especially the young girls present, not to mention the nobles in the circle.

Hearing Alisa’s words at this moment, everyone also felt that it was inappropriate for Selena to dress like this.

Usually such occasions would invite some big stars to liven up the atmosphere. Selena wasn’t the only one who came tonight. Eye-catching bright red.

Colors such as bright red represent orthodox colors in Huaguo. Generally, on important occasions like this, only the host can wear them, and guests will try to avoid them as much as possible.

Selena’s outfit was indeed out of etiquette.

Several young ladies gathered around and discussed softly, “Selena’s outfit is indeed a bit too high-profile, isn’t this slapping Mrs. Lu in the face?”

“It’s inevitable. No matter how famous you are, you’re just an actor after all. How can you know so many rules?”

...

At this moment, there was a burst of exclamation and commotion from the door. It was the protagonist of tonight, Daniel, who had arrived.

Daniel, who always liked to wear dark colors, rarely wore a bright maroon suit today, which made him even more handsome.

Probably because today is his birthday, he is in a good mood, and the man’s face is not so cold and stern, but a little more smoky.

“Boss Lu!”

“Mr. Lu, happy birthday!”

“Happy birthday!”

Amidst the congratulations and looking up, the man nodded slightly, greeted the guests briefly, and at the same time, strode towards the venue with strides.

The man kept his long legs, and under all the focal lengths at the scene, he walked straight to the girl in the red dress who was as dazzling as the sun.

The man stood still in front of the girl, his arms naturally lightly wrapped around the girl’s waist, he bent slightly, and his thin lips kissed the girl’s soft lips very preciously.

The corner of the girl’s mouth, which had always been indifferent, bloomed slowly like a flower in an instant, slightly bent, and said softly, “Happy birthday.”

At this moment, the man who was always as indifferent as an iceberg actually had a faint smile in his eyes: “Thank you, madam.”

Chapter 2106

There are thousands of stars above the head, and the colored lights hanging around give the lawn a layer of dreamy brilliance.

In the center of the venue, the handsome man and the girl who was as bright as the sun in front of him stared at each other quietly.

This scene is as beautiful as a fairy tale.

Seeing Daniel's gentle kiss with Selena in his arms, hearing Daniel's words, and hearing the incomparably tender word "Ma'am", all those rich ladies who were still commenting on Selena's clothes just now were all shocked. Already dumbstruck.

Alisa was still angry because of Selena's overreaching and robbing her of a man. At this moment, her delicate and sweet face stared stupidly at the two intimate people next to her, as if she had seen a ghost. .

Not to mention Li Muyan's expression behind him.

The beloved woman next to Daniel, the legendary Mrs. Lu... turned out to be Selena!

What Selena said just now was not an excuse to get rid of the siege, but the truth, she was really... married...

After a brief silence, the scene was in an uproar.

"Oh my god! Ning... Selena is Mrs. Lu!!!"

"Daniel's wife is Selena? That's amazing!"

...

In an instant, everyone seemed to suddenly understand why Selena was wearing such a color tonight.

He is the rightful owner, right?

Apart from her, no one is qualified to wear such a color and this outfit!

It's ridiculous that they are still dressing a little low-key on purpose, for fear of stealing Madam Lu's limelight, and this Madam Lu's limelight is probably impossible for anyone to steal.

Daniel naturally let the girl hold his arm, glanced at everyone present, and announced the start of the banquet, "Thank you for coming today, Madam and I are not very honored, I hope you all have a pleasant night."

joy...

Seeing that the male god has a master, I am so happy...

Daniel's fans who came here on purpose today, were suddenly stuffed with a lot of dog food, and they almost cried.

In the eyes of everyone, Daniel has always been an unfeminine, high-altitude flower-like image. At one time, many people even thought that he liked men.

Who knew, if she didn't say anything, she would become a blockbuster, and she gathered her big moves to show off her affection, which was so brutal that it made people's liver tremble!

"How could this be! How could it be Selena!!!"

"Although Selena is very beautiful, I admit it, but in terms of status and family background, she is not worthy of Daniel, right?"

"That's right! If it's the second young master's wife, I can barely understand it, but this is the position of the head of the Lu family!"

But no matter how unconvinced, this is already a certain fact.

Even if thousands of people don't want to admit it, the couple not far away is really pleasing to the eye.

A group of young ladies were muttering unconvincedly there, and there was another low cry at the entrance.

"Ah! It's Old General Zhuang!" Someone exclaimed.

I saw the old man with silver-white hair, but he was tough and energetic. Even though he was not wearing a military uniform, he was still dressed in the wind and frost that came naturally from the battlefield. The middle-aged man beside him had a similar aura, only sharper and colder, with a pair of eagle eyes With an intimidating sheen.

Zhuang Zongren followed Zhuang Liaoyuan on the left, and Meng Linlang, who was wearing a cheongsam on the right, was as noble and elegant as ever.

Behind him, there is the dignified and bright Travis in Zeling's haute couture dress, and the tall and straight Zhuang Rongguang in military uniform.

This family can be said to be extremely eye-catching, and everyone's eyes in the venue were immediately attracted.

Chapter 2107

“It seems that the dealer’s family has all arrived!”

“Really, when did the relationship between the Zhuang family and the Lu family get so good? It’s Daniel’s birthday, and the Zhuang family’s family is here?”

Everyone thought about it, and they were a little suspicious, “It’s a bit strange. One of these two families is in the military and the other is in business. They are just acquaintances on weekdays, right? Especially Mr. Zhuang, he has never been in close contact with anyone, especially businessmen. , let alone come to attend a junior’s birthday party in person?”

“However, it might not be true. Now the Lu family is an existence that even the higher-ups are afraid of, and the Zhuang family may not be exempt!”

“This is actually...”

On the other side, Travis saw Selena who was the most dazzling in the crowd at a glance, and immediately ran towards her, greeting her very affectionately, “Selena!”

“Ke’er, you’re here too!” Seeing Travis, Selena smiled sincerely.

The heroic Zhuang Rongguang in military uniform ran up to Selena like a monkey, with an expression of offering treasure, “Karen! Take a quick look! Just ask you, am I handsome? Are I handsome?”

Selena looked at the young man who was becoming more and more energetic, her eyes were full of admiration, and she praised without hesitation, “It is indeed much more handsome!”

When Zhuang Rongguang heard what he wanted to hear, he immediately burst into joy.

Meng Linlang cast a helpless glance at her son, then looked at Selena's outfit, her eyes lit up, "Young girl Xi looks really good-looking! You are usually too clean, you should wear more clothes at your age. Such a bright color is the right one, don't get to my age, you won't be able to wear it even if you want to!"

Seeing this scene not far away, the expressions of those Qianjin ladies suddenly became a little complicated.

"Why do the dealers have such a good relationship with Selena?"

"Then do you still need to ask? It must be the honor of the Lu family! Anyway, she is now the eldest mistress of the Lu family, the head of the house!"

"I'm going! What kind of luck is this! It's really flying on a branch and turning into a phoenix! It's too unfair. Those of us present don't have a family background that doesn't dump her by a dozen streets. What exactly does the Lu family think? People of this kind of status are allowed to enter the door, don't think about yourself, but also think about the genes and blood of future generations, right?"

"This Selena is not worthy of Big Brother Lu at all!"

...

Seeing that Selena was so familiar with the people in the dealer, the group of daughters suddenly felt even more unbalanced, and gathered together in small groups to whisper.

Only Li Muyan, who knew the inside story, had a bitter mouth.

How could Zhuang Zongren not hear these voices, and his face changed almost instantly. The old man is always violent, not to mention that the matter involved his most beloved granddaughter, so he said coldly and angrily on the spot, "Who said my little one Xi is not good enough for this brat from the Lu family!!!"

The old and thick voice immediately reached everyone's ears.

The moment Zhuang Zongren's slightly angry voice sounded, the whole venue was suddenly enveloped in a coercion, and those murmuring daughters of famous families didn't dare to express their anger, and at the same time they all looked at each other in surprise.

What did General Zhuang say just now?

My little Xi...?

At this time, Yan Ruyi stepped forward with a smile on her face to smooth things over, "Old man, look at what you said, Selena is your old granddaughter, and even Master Xuan Jing said that Selena is very lucky to have a prosperous family. , being able to marry a daughter-in-law like Selena is the blessing of our Lu family's previous life!"

Chapter 2108

Hearing Yan Ruyi's words, all the famous ladies and wealthy daughters who claimed to have a superior family background were all shocked.

"Zhuang... the granddaughter of Mr. Zhuang!?"

"Selena is the granddaughter of General Zhuang?"

"I'm going! How is this possible!"

so...

How could Selena fly up a branch and turn into a phoenix!

It's definitely a phoenix, isn't it?

This is the No. 1 family in the imperial capital, a top-level military and political family whose root is Zheng Miaohong, which young lady present can compare to her?

That Alisa claims that her mother's family has the blood of the royal family of country f, but who doesn't know that the so-called royal family is just a name that sounds bluffing. In fact, it has no real power at all, and the real power is the military department!

Alisa listened to the discussions around her, and heard her name being compared with Selena's, her expression of arrogance turned into disbelief at this moment.

This woman... and the dealer...how is it possible!

No one would have thought that this girl who has been turbulent since her debut and climbed to her current position step by step, would have such a terrifying identity and background, and marry into a family like the Lu family.

"This Selena is really unfathomable! It's too well hidden!"

"Isn't it? Who would have known that she had such a relationship with the dealer!"

Speaking of this, the young ladies just now have changed a bit.

If Selena wanted to take advantage of these relationships to climb up, it would be easy, but she has kept a low profile so far.

It's like what Selena said in the interview for noble perfume.

Real elegance and nobility are not about bringing out the names of luxury brands between the lines, not about turning the expensive ornaments on the wrists, not about showing off one's beauty and knowledge. True nobility cannot be concealed even with ragged, unkempt clothes.

The real nobility is that even if she keeps her name hidden and never shows it, the blood in her bones cannot be erased.

Some of the people who came today were wives and wives from the circle. They seemed to have known about Selena's relationship with the dealer for a long time. They were also chatting with Meng Linlang and Selena at the

moment, and their attitude towards Selena was also very kind. Kind, looks very familiar.

Yan Ruyi and Lu Chongshan's attitude towards Selena's daughter-in-law was also obvious.

Now that the matter is up to now, all those young ladies who are not reconciled have lost their temper at the moment, "Come on, don't be sour, they are a talented man and a woman, and they are well-matched, a match made in heaven!"

Yan Ruyi's words just now extinguished Mr. Zhuang's anger a lot, but there was still some lingering anger on his face.

You know, if this old man who has been a half-life soldier gets angry, no one can coax him.

Just when Yan Ruyi and Lu Chongshan were embarrassed, and even Selena, Daniel, and Travis were helpless, a soft voice came from the side, "Grandpa!"

When the old man saw the cute and cute little baby in front of him, his anger disappeared in an instant, and his face was full of spring breeze. The cold and hard face was full of kindness, "Little treasure! Come, come to grandpa!"

The fully automatic mobile fire extinguisher, the little baby, walked over obediently, and the old and the young chatted happily, and the atmosphere was indescribably harmonious.

Seeing that the old man was finally not angry, Selena and Daniel looked at each other and smiled, and heaved a sigh of relief.

Zhuang Rongguang was grinding his teeth beside him with envy, this little oil bottle is so favored!

Chapter 2109

On the lawn, the melodious happy birthday song rang out, and a huge birthday cake with a height of more than ten floors was slowly pushed out by Saul and Zhuang Rongguang together.

The audience applauded and sang Happy Birthday, wishing Daniel's birthday and the family of three.

Rick and Daniel were dressed in parent-child outfits today, and the clothes of the father and son and Selena were the same color. The family of three stood together, not to mention how pleasing to the eye.

Accompanied by candlelight and music, on the huge LED screen, there were pictures one after another, all of which were the little things Selena, Daniel and Rick got along with each other in their daily life.

Those photos were almost all snapped by Saul, and some of them were secretly taken by Selena without even knowing when he was.

There are photos of Daniel wearing a bright royal blue suit for the first time, photos of Selena cooking in the kitchen with Rick and Daniel helping out, and even photos of Rick's school holding a masquerade where Selena dressed as Little Red Riding Hood and Rick The cute photo of Daniel and Daniel dressed as little bad wolf and big bad wolf caused bursts of exclamation...

It was completely unimaginable to everyone that Gao Leng Daniel would do such a thing. Wearing a cute big bad wolf outfit, he accompanied his son to the school's masquerade ball.

In the photo, there is a family of three, the girl is charming and lovely, the little bun is cute and cute, and although the man is expressionless as always, his brows are clearly full of gentleness.

Seeing the stunned expressions of all those people, Saul was in a ecstatic mood.

Hahahaha, the dog food my young master ate all these years finally has the opportunity to distribute it to other people!

Saul crazily sprinkled dog food, and the single dogs at the scene almost vomited one by one as he wished.

“Second Young Master! You are enough!”

“Don’t let it go anymore, is there any humanity left!”

“Give us single dogs a way to survive!”

...

Among the crowd, there were envious eyes, “Hey, the three of them stand together as if they are a real family of three. It’s hard to tell that Selena’s mother is a stepmother!”

“This woman should not be underestimated, even the little prince of the Lu family has taken care of it! You must know that this little prince is not so difficult to deal with!”

In addition to being envious, some unattractive voices are not good. Someone sighed and said, “Although these two are well-matched, I think Selena’s life will not be so easy in the future. After all, stepmother is hard to do. !”

“That’s true. She became a stepmother at such a young age, and she is still in such a big family, especially the young prince is so favored. If a relationship is not handled well, the conflict is not trivial. No matter what Not my mother...”

...

Although these sounds were expected a long time ago, they still sounded unusually harsh.

Seeing that Little bun’s face had gradually changed, Saul hurriedly changed to another disc, preparing to put some funny photos of his brother when he was a child, to help him adjust the atmosphere and change the topic of everyone.

The large led screen went black, and the picture of the family of three disappeared, but it soon turned on again, and another set of photos began to be played.

Saul had a sinister smile on his face, “Brother, there are photos of your naked butt0cks when you were young...”

Daniel unhurriedly cast a sideways glance at his younger brother.

Saul was so frightened that he hugged his head immediately, “No, no! The biggest size is just showing a little belly! I know that this kind of photo can only be seen by your wife! Sister-in-law, don’t worry, I’ll covertly later Send it to you alone!”

Chapter 2110

Selena glanced at the ba5tard next to her speechlessly, but she really wanted to see the photos of Daniel when he was a child, would he look exactly like Rick?

It was rare for the second young master to release benefits and expose Mr. Lu’s childhood photos. Everyone looked up at the big screen with interest.

A photo slowly cuts in, and it looks like the background is in a hospital, with a sign of Obstetrics and Gynecology at the door, and a girl with a big belly is sitting on a bench beside her...

Seeing this photo appear, Saul’s expression changed instantly.

Because the pregnant woman in the photo...is Selena!

Although the girl’s face was much younger than it looked now, it could still be seen that it was Selena.

For a brief moment, countless photos flashed on the big screen, one after another, all of which were photos of Selena with her big belly, in the hospital, on the road, in the park...

“Hey? This... what’s going on!”

“The person in that photo is Selena, right?”

“It looks very young, but it should be Selena! But why is Selena sitting in front of the obstetrics and gynecology department with her big belly?”

...

“fcuk!” Saul’s face darkened suddenly, and he was about to pull out the disc, but was held down by a big palm.

If the playback is suddenly stopped at this time, it will only cause greater speculation, and it will be even more unclear at that time.

At this moment, after seeing that photo, Selena’s face turned completely pale, and she fell into a trance.

After Daniel stopped Saul from pulling out the CD, he stretched out his arms and hugged the girl’s trembling shoulders tightly, “It’s okay.”

Daniel looked at those photos intently, seeing Selena carrying Rick, walking alone, shopping alone, going to the hospital alone, there was an indescribable look on his brows, and the strength in his arms around the girl unconsciously became stronger and stronger. tight...

“Hahahaha...” At this moment, a shrill female voice suddenly sounded from among the crowd.

A woman in a waiter uniform stumbled from the crowd to the bottom of the big screen, screaming like crazy, “What a famous daughter, what a proud girl!!! This woman was raped by a wild man at the age of eighteen! How pure and noble she pretended to be in front of you! She is a sgum! She is a shameless ba5tard!”

After seeing Susie, everyone was even more shocked.

“Ah...that woman, seems to be Susie?”

“That’s right, it’s her! That adopted daughter of the Ning family! The one who was kicked out of the house by the Ning family recently!”

Because Susie’s recent incidents were too hot, many people present recognized her.

Combined with her relationship with Selena, everyone believed in those photos even more.

If it was Susie, it would be normal to know Selena's secrets. Did she sneak in to take revenge on Selena?

He never expected that such a big incident would happen at Daniel's birthday party today...

Daniel's wife, the head mother of the Lu family, was exposed to such a big scandal.

Eighteen-year-old unmarried pregnant?

"My God! No way! Is what Susie said true or not? Selena was pregnant by a wild man at the age of eighteen?"

"Then does the Lu family know about this? Does Daniel know?"

"Surely I don't know! Otherwise, how would it be possible to marry this kind of woman! It's terrible! Sure enough, the private lives of women in the entertainment circle are terrible!"

...
