

Cruel Heart Lover Novel

Chapter 376

Saul flew over, "Oh! Sister-in-law...you are my own sister-in-law..."

Selena's face darkened slightly, "If you keep talking nonsense, give it back to me!"

Saul immediately hid away with his snacks in his arms, "I'm not talking nonsense!"

After speaking, he grabbed it with his hands and started to eat. While talking, he still didn't forget to talk to Selena, "Selena, learn how to make it! Then I can eat it often in the future!"

"It's not difficult, I can do it, but how can it compare to what Elder Cai did! Don't think about you!" Selena poured cold water on him.

Saul was full of anger as he ate, "My brother really went too far..."

Selena was speechless, "Why did it involve your brother again?"

Saul gave Selena a meaningful look, and then replied with a drawn out voice, "I don't know who invited that Danial, but Cai Fengxian, I watched my brother's reception halfway through with my own eyes. I ran out, and then I personally called to ask him to come over! I begged him several times before, but he refused to help me!"

Selena: "..."

Cai Fengxian...

Daniel invited him over...?

Although she did doubt it for a moment, she never expected that it was really him!

Then, he also arranged for those emergency ingredients...?

Sure enough, this impeccable style of handling affairs is exactly the same as that of the Great Demon King...

Seeing Selena's little expression that was obviously teased by his brother, Saul looked satisfied. Finally, of course, there were more important questions...

After eating the purple potato cake, Saul approached Selena again, with a strange tone of abducting a little girl, "Selena! I'm curious about one thing! Old Mr. Cai Fengxian was invited by my brother, then, who invited Danial?"

Selena finally couldn't take it anymore, "Second Young Master, if you continue to gossip like this, you won't be able to marry a wife!"

"I didn't want to marry at all!" Saul replied in a natural tone.

Selena rubbed her forehead: "..."

"Say it, tell it! Tell me! I promise not to tell anyone!" Saul persevered.

Selena rolled his eyes at him, believing that he is a ghost!

Just when Selena was being annoyed by Saul, the phone suddenly rang "Ding Dong".

I picked it up and looked at it, and suddenly two new messages came at the same time.

Unlock it and open WeChat.

The next second, after seeing those two messages clearly, Selena was dumbfounded...

I saw two latest messages lying quietly on WeChat:

ys: Is it delicious?

Daniel: Is it delicious?

Selena: "!!!"

what's the situation! Even the sending time is exactly the same, every second is not bad!

The shock on Selena's face hadn't subsided, and the phone rang twice in a row...

ys: Which dish is the most delicious? This is a must-answer question_

Daniel: Which dish do you prefer?

Moreover, it was issued at the same time...

Do you want to have such a tacit understanding?

Seeing Selena's expression was not right, Saul leaned over and asked with concern, "Selena, what's wrong with you? It's so late, who sent you a message?"

"Hey, it's okay..." Selena was taken aback, and quickly put away her phone.

It was so dangerous that Saul almost saw it.

Just in case, she should change the notes of these two people...

Selena stroked her chin and thought about it, avoided Saul, buried her head in typing and changed notes.

ys changed to cloud radish...

Daniel changed it to Lu Cabbage...

Chapter 377

What kind of eyes did Saul have? They were piercing eyes when he was gossiping, so in that one glance just now, he had already roughly grasped the content of the information, and immediately touched his chin meaningfully!

ys...

It really is that guy!

Tsk, very good, tonight's goal has been achieved!

Of course, it can be done more satisfactorily!

So Saul started bouncing around again, "Selena, which of the two masters' dishes do you think is tastier?"

Being asked this question for the third time, Selena almost collapsed!

Don't ask me again, which is more delicious, this kind of double meaning question, okay!

This is not a compulsory question, this is a proposition...

Selena glared at her viciously, "Shut up! Don't ask any more questions! It's late! You eat and gossip, and you gossip! Go back quickly! Otherwise, I'll sue your brother and say you're old The one who stayed at my place at night has not left!"

Saul immediately took several steps back with horror on his face, "Selena, how could you do this! You've turned bad!"

"So are you going or not? I'll call right away!" Selena threatened by holding up her phone.

With tears in his eyes, Saul hurried away for his own safety!

Seeing that Saul finally left, Selena finally breathed a sigh of relief.

She was drowsy at first, but now that Saul and those few messages have tormented her, it looks like she won't be able to sleep tonight...

There are bound to be many people who cannot sleep tonight...

Platinum Palace.

Saul pushed open the door of the study room, leaned on the door frame and panted, "Brother! I'm back! In order to find out some news for you, I came back after a narrow escape!"

Daniel raised his head from a pile of documents, and glanced at the snack residue at the corner of his mouth.

"Uh..." Saul raised his sleeve and wiped his mouth casually, "Oh, it's my sister-in-law. She's so polite and brought me a box of snacks. Actually, I don't want to eat, but she insists on giving it to me!"

Daniel: "..."

"Hey hey, bro, I got some very important news! Do you want to hear it?" After Saul finished speaking, he rolled his eyes in disgust, "If you also ask Mr. Cai to help me cook a meal, I will immediately I'll tell you!"

Daniel responded by continuing to do what he should do, without even looking at him.

"Dmn! Brother, you really don't want to know? Really don't want to? Then I won't say anything!"

one second...

two seconds...

three seconds...

"Okay! For the sake of brotherhood, I'll tell you directly!" In fact, he couldn't hold back what he wanted to say, and he didn't even hold back for three seconds...

Saul couldn't wait to start talking, "Brother, let me tell you, the person who wrote that nasty love letter, prepared a surprise for Selena, and invited Danial, is indeed that letter boy who dare not see anyone !

Oh, by the way, and, did you send Selena a WeChat message just now? That guy actually sent a message to his sister-in-law at about the same time, even the content is similar to yours, that's right! You two are so connected! "

Daniel finally raised his head and glanced at Saul who was thinking about it, his eyes were full of dark secrets...

Saul sighed, and murmured, "Since that guy has already started to make a move, then if there is one, then there will be two. This time, he hired a chef. Maybe next time he will just make a living? Brother, your future I'm afraid the road to chasing a wife is not so easy!"

Chapter 378

As Saul said, a sly smile appeared on the corner of his mouth, "However, you have two things that can instantly kill him! First, it's not so easy for that guy to go back to the country; second, it must be our little treasure!"

Daniel tapped the armrest of the seat slowly with his knuckles, "How is Rick's admission procedure?"

"Don't worry about my work, you can enroll at any time!"

...

Ning's villa.

"Oh, Susie is back! Are you happy tonight? Tell mom about it!" Zhuang Lingyu knew about Roman's proposal tonight, so she was specially waiting for her daughter to come back.

Looking at the expectant Zhuang Lingyu, Susie forced a smile, "Mom, I'll tell you later, I'm a little tired, so I'll go back to the room to rest..."

"Ah? Tired?" Seeing her daughter go straight into the room and close the door, Zhuang Lingyu looked at her husband next to her inexplicably, "What's wrong with Susie?"

Ning Yaohua put down the newspaper in his hand, feeling something was wrong, so he called the little maid who usually took care of Susie.

"Master, are you looking for me?"

"Xiao Ling, go and find out what happened tonight, why did Miss shut herself in the room as soon as she came back?" Ning Yaohua said in a deep voice.

Zhuang Lingyu repeatedly echoed, "Yes, and her complexion doesn't look too good. Didn't Roman ask for marriage today? Logically speaking, she should be happy? Could it be that she's shy?"

At this time, the little maid hurriedly said, "Master! Ma'am! That's not it! It's the young lady who was wronged tonight!"

Ning Yaohua immediately changed his face when he heard the words, "What! Wronged? Who dares to wrong my precious daughter? Is it that brat Roman?"

The little maid shook her head again and again, "How could it be Young Master Su! It's too late for Young Master Su to hurt Missy!"

"Then what's going on, please tell us clearly!" Zhuang Lingyu said urgently.

"Master, madam, what happened tonight is too complicated, and I can't explain it clearly for a while, you...you just watch it for yourself!" The little maid took out her phone and clicked on a video.

Ning Yaohua and Zhuang Lingyu looked at each other, quickly took over the phone and began to look at it.

The two quickly browsed through the video, and their faces became more and more ugly...

The little maid stood aside and said angrily, "Master, Ma'am, you have seen it! Tonight is clearly Young Master Su's proposal to our eldest lady, and it has been carefully prepared for a long time!

In the end, Selena came out to make trouble again and again, and thanks to our eldest lady's good temper, she endured it until she got home and finally couldn't help it!

How sad the eldest lady must have been at that time! It was supposed to be the happiest time, but it was all ruined! In the end, it was ridiculed by so many

people at the scene, and it was also spread on the Internet! Now this video has been posted all over the Internet, so I saw it..."

In fact, although this video was downloaded from the Internet, it was edited, and the part where Fang Ya repeatedly provoked was deliberately omitted...

Just as Xiaoling was complaining, Susie's stern voice came from behind...

"Xiaoling! Who told you to talk nonsense here!"

Xiaoling secretly exchanged glances with Susie, and then made a pitiful expression, "Miss! I...yes...sorry! But I'm telling the truth! I can't get angry..."

Chapter 379

"Susie, what are you blaming her for? Xiaoling is right!" Zhuang Lingyu took her daughter's hand, looked at her pale face with distress, "I didn't expect such a thing to happen, you It's really embarrassing!"

Susie's face was full of forbearance and vulnerability, "Mom, I'm not wronged. I actually don't care about what happened tonight. As long as Roman is sincere to me, I don't care what other people think or think of me! It's because I really like Roman, and it's not like I'm using him as a tool to show off! It's just my sister... what my sister did tonight... really makes me sad... I really don't know why she treats me like this..."

Xiao Ling who was on the side hastily interjected, "Miss, do you still need to ask? Tonight, Young Master Su is proposing to you! Is it strange that she doesn't cause sabotage? She just can't see you!"

Ning Yaohua's face darkened immediately when he heard that, "That girl is really outrageous! Now people don't know that they are sisters, if they know, watching the two sisters are so jealous and fighting in front of outsiders Yes, what does it look like!"

Susie held back her tears, "It was indeed my fault for misunderstanding my sister about Cai Jing last time, but I have done what I should do and tried my best to help her, but she refused every time. Outside the door, my sister's misunderstanding of me is getting deeper and deeper, I really don't know what to do..."

Zhuang Lingyu sighed, "Hey, silly boy, Mom has told you many times, why do you care so much about her opinion? Don't you know her temper? It's best not to talk to her!"

Susie immediately said with a serious expression, "Of course I care, because she is the biological daughter of my parents. I care about her as much as I care about my parents! I don't want you to have any conflicts because of me!"

Ning Yaohua's face was full of emotion, "Susie, Dad really doesn't know what to say about you, if Selena is half as sensible as you, I... hey..."

Susie showed a somewhat gloomy expression, "Sometimes I really think, otherwise I'd better go back to the Tang family!"

Zhuang Lingyu immediately grabbed her hand nervously when she heard the words, "Susie! How could you say such a thing! Are you going to abandon mother?"

"However, maybe my sister will be willing to come back only if I leave. I think I'm a disaster, making it impossible for you to reunite with your family..." Susie said, and finally couldn't help crying out of self-blame.

Zhuang Lingyu hastily hugged her to comfort her, "Susie! How can you say such a thing! You are my mother's favorite daughter and the little lucky star of our Ning family. Since you were born, our Ning family's business The more you do the better, the more prosperous the house is, last time Boss Wang was introduced by you, did you forget?"

When Ning Yaohua heard that Susie wanted to return to the Tang family, he immediately became nervous, "Don't talk about yourself like that again in the future! Can Master Long's divination for you be wrong? You are the lucky star of our Ning family! No one can drive you away!"

Zhuang Lingyu helped her wipe away her tears, "Susie, Mom and Dad know that you have been wronged today, don't be sad, it's just a proposal tonight, so what's the matter? Wait until your official engagement banquet, that is the real scenery!"

"Yes, when the time comes, it will be absolutely impossible for anyone to compare you! I will discuss it with the Su family myself later!"

Chapter 380

Hearing Ning Yaohua and Zhuang Lingyu's assurance, an imperceptible smile flashed across Susie's eyes.

Ning Yaohua and Zhuang Lingyu are nothing, the most important thing is that there is also Su Yimo who is rumored to have a strong background...

If Su Yimo's gun was effective, then Selena would really have no chance of turning around. If she offended the senior management of the Lu Corporation, what good fruit would she have?

Previously, Su Yimo was so arrogant that she didn't bother to argue with Selena. After tonight's incident, could she continue to ignore Selena?

At that time, she only needs to sit on the mountain and watch the tiger fight!

Heh, Selena, I'm waiting to see how you die...

...

After the end of the world, Selena rested at home for three days. After three days, she lived like a pig, except for routine exercise and eating and sleeping.

It wasn't until the third day that she finally felt that the half of her soul left on Meng Changge had returned, and the half that was scared off by a certain one had also returned...

However, in the next second, there was a "ding dong", and all her three souls and seven souls were scared away because of a text message.

Selena, are you free tomorrow? Rick's enrollment procedures are completed. ...
Lu Cabbage

Selena stared blankly at the words Lu Baicai, but did not reply for a long time.

Although the finale feast passed without any risk, it did not mean that the crisis was over, but it was a big wake-up call for her...

That guy was not only to tease her, but more to threaten and warn her.

He warned her that even if she was thousands of miles away, his hand could reach her completely...

Selena squeezed the space between her eyebrows, took out her phone, and found a long-lost number from the phone book...

The phone rang once and was connected immediately. Selena was stunned before she realized it, and said hastily, "Hi, Annie..."

"Hey! Karen! It's really you! How long has it been since you contacted me!!!!!!!"

"Good..." Selena's brows softened when she heard the girl's excited voice.

"Karen, I miss you so much! But before you left, you said you wanted to say goodbye to the past and start a new life...so I never dared to disturb you...and

didn't dare to contact you..." On the other end of the phone The girl's voice was not to mention sad.

Selena chuckled, "Silly boy, I was deliberately pretending to be aggressive! Do you really believe it?"

"What!!!" Annie said in a terribly shocked tone, "Then I have been holding back for so long and dare not contact you, is it for nothing?"

Selena was overjoyed, "Pfft hahaha...you're kidding! Why are you still so easy to deceive?"

"Teasing me again! Karen, you're going too far!"

"Okay, okay, let's stop playing, let me tell you something serious! I'm calling you this time to ask you something!" Selena's tone became serious.

Annie hurriedly said seriously, "What's the matter, Karen? I will tell you everything I know!"

Selena scratched her head, and then asked, "What...it's about your boss, has he been behaving strangely lately?"

Annie was stunned when she heard it, and her tone faltered, "Uh... this... this..."

How could Selena, a quick-tempered person, have to wait, and hurriedly urged, "What the hell is this? Yes or no, what a simple question!"

Annie had no choice but to answer immediately: "Karen, yes."

"Yes?!" Selena immediately straightened her back, "What's weird, tell me quickly!"
