

Conqueror 3411

Chapter 3411: I, Hongyuan, Have Always Been Biased!

Sun Wukong was no weakling. The disciple of the devil race crashed through several structures from his punch. The experts who were there to attend the wedding stared at Huang Xiaolong's party in shock.

"Who are they?! They dare to cause trouble in the Yin Yang Devil City on the day of Yinyang Hongyuan's marriage ceremony!" One of the experts from the Giant Eyed Frog Devil Race gasped.

"I don't care who they are! They are f*cked now that they dare to offend the Yin Yang Devil Race!" An expert of the Horned Ex Devil Race sneered.

"Why does that monkey look so familiar...?"

...

After Sun Wukong sent the guard flying, someone made a report to Yinyang Hongyuan. The experts of the Yin Yang Devil Race were celebrating with the Silver Tree Devil Ancestor when they received the report. By the time the report reached them, Sun Wukong swept the floor with more than a hundred other guards. Yinyang Hongyuan slammed the table and roared, "You're asking for death!"

"Who is the troublemaker?" The Silver Tree Devil Ancestor asked.

"It's a devil monkey! There are two youngsters and a woman traveling with him!" An expert of the Yin Yang Devil Race reported. "Oh right, the woman seems to be extremely pretty."

Of course, he was referring to the Holy Phoenix.

The disciple who made the report added the comment on the Holy Phoenix's looks as he was sure she would catch Yinyang Hongyuan's attention.

"Pretty?" Yinyang Hongyuan asked. He had more than a thousand concubines, and he was sitting opposite one of his in-laws right now. However, that didn't stop him.

The disciple of the Yin Yang Race paused for a second and he looked at the Silver Tree Devil Ancestor. Seeing as the other party hadn't reacted, he continued, "Lord, she is really, really pretty."

Yinyang Hongyuan cackled with laughter and he spoke to the Silver Tree Devil Ancestor, "Should we... Should we head over for a look?"

The Silver Tree Devil Ancestor glanced at Yinyang Hongyuan from the corner of his eye. He knew what the brat was up to, but he couldn't care less. "Alright. Since I have nothing to do anyway, let's go take a look."

Leading a group of experts, Yinyang Hongyuan left for the gates.

It wasn't long before he approached the gates.

As Yinyang Hongyuan was someone who loved putting on airs, it was even more exaggerated with his in-law present. All the experts he brought along were experts in the Immortal King Realm or higher!

There were more than ten thousand experts present, and they looked like a giant swarm charging towards Huang Xiaolong and the others. Devil qi soared into the skies.

Sun Wukong was stunned when he noticed the group of newcomers. It was obvious he wasn't expecting them to come so quickly.

"Your Highness, the person clad in red leading the group is Yinyang Hongyuan." Ying Gou pointed him out the moment he appeared.

The experts of the Yin Yang Devil Race wore strange robes, and Yinyang Hongyuan was the only one wearing red. He was extremely eye-catching, and the devil aura surrounding him made it all the more obvious.

Huang Xiaolong's gaze landed on Yinyang Hongyuan.

Yinyang Hongyuan's gaze landed on all four of them.

Even though Sun Wukong was famous, he hadn't been to the Devil World recently. In the past, he was suppressed not too long after his fiasco in the Heavenly Court. As such, the members of the devil race didn't recognize him.

As for Ying Gou, he had already concealed the corpse qi around him. Adding to the fact that he hadn't appeared in the outside world for a long time, no one in the Immortal World knew who he was. Much less those in the Devil World.

As such, they weren't recognized.

However, a look of doubt formed in Yinyang Hongyuan's eyes when he looked at Sun Wukong.

The experts who were there to attend the wedding fell to their knees in fear when they saw Yinyang Hongyuan.

It didn't take long for them to arrive in front of Huang Xiaolong's party.

When Yinyang Hongyuan looked at the transformed form of the Holy Phoenix, he was mesmerized. Her beauty couldn't be described in words.

"Indeed... She's a beauty."

The experts of the devil race had weird looks on their faces. However, a look of annoyance appeared on the Holy Phoenix's face.

Ying Gou shook his head in silence. Yinyang Hongyuan really inherited the Yin Yang Devil's personality. Everyone could see that the four of them were there to cause trouble, but Yinyang Hongyuan was fixated on the woman.

“Were you the one who injured a disciple of my Yin Yang Devil Race?!” Yinyang Hongyuan glared at Huang Xiaolong.

The Monkey King didn’t bother replying as he quickly hid behind Huang Xiaolong.

“Why don’t you ask us why we’re here? That’s a better question.” Huang Xiaolong muttered.

Yinyang Hongyuan sniggered, “Your purpose isn’t important at all. After all, you’re dead to me.”

“Oh sorry. The three of you will be dead. The beauty will be allowed to live.” Yinyang Hongyuan pointed at the Holy Phoenix and chuckled.

“I, Yinyang Hongyuan, have always been biased towards beautiful women!”

The experts of the devil race who were present looked at the Silver Tree Devil Ancestor who was standing behind Yinyang Hongyuan and weird looks formed on their faces. However, the old devil ancestor remained completely impassive.

“Your Highness, why don’t I deal with this.” Ying Gou bowed towards Huang Xiaolong and spoke.

“Alright.” Huang Xiaolong nodded his head. Even though Ying Gou wasn’t a match for the six sages, he was more than enough when it came to dealing with punks at the level of Yinyang Hongyuan and the others”

After obtaining permission from Huang Xiaolong, Ying Gou released his corpse qi in an instant. A terrifying amount of corpse qi surged towards the members of the Yin Yang Devil Race.

A giant snake formed completely of corpse qi appeared in the skies above them as it swallowed the members of the devil race.

The devil qi of the experts from the Yin Yang Devil Race was completely suppressed by the corpse qi coming from Ying Gou. No. It would be more accurate to say that their devil qi was corroded the moment it appeared.

The devils who were present in the city jumped in fright when they noticed the shocking amount of corpse qi coming from Ying Gou. When they saw the giant snake appear in mid air, their expressions changed. Even the Silver Tree Devil Ancestor couldn't keep his calm. The name of a terrifying expert flashed through their minds.

“Corpse King!”

The young man attacking them was Corpse King Ying Gou!

Wait... That wasn't right. They just received news from the Immortal World not too long ago. Didn't Corpse King Ying Gou appear on the Kunlun Mountain several days ago?!

Chapter 3412: Location of the Heaven Piercing Sage and the Heavenless Devil Ancestor

Wait... Ying Gou appeared in the Gathering of the Immortal Peaches, and... And...

They turned to look at the other young man standing behind Ying Gou. Terror struck them deep in their hearts and their pupils wavered.

It was too late to be afraid as Ying Gou's corpse qi was already on them.

In desperation, Yinyang Hongyuan released the devil qi in his body. A phantom of the eight trigrams appeared above his head, and he tried to retreat. “Wait, wait, wait! Senior Corpse King, we can talk this over!”

Not even his master would be able to stand up to the Corpse King, much less himself!

Fear would cloud his master's heart when up against an existence at the level of the Corpse King, and he didn't even think of counter attacking. All he wanted was to protect his lowly life.

He forgot about the fact that he sentenced Huang Xiaolong and the others to death a mere second ago!

The Silver Tree Devil Ancestor was equally frightened. He retreated quickly, and he yelled, "Fellow Daoist Ying Gou, please stay your hand!"

They were grasping at air as Ying Gou wasn't going to let them live because of a few miserable pleas.

As his corpse qi swallowed them, Yinyang Hongyuan and the Silver Tree Devil Ancestor screamed in pain. The corpse qi corroded the bodies of the experts they brought along with them, and miserable cries filled the skies.

As for the experts who came to attend the wedding ceremony, they left the city the moment Ying Gou attacked. They were afraid that they would be caught up in the mess.

Yinyang Hongyuan roared in anger when he watched his subordinates dying one by one around him. "Quickly! Invite the old ancestor out from his seclusion!"

As soon as the words left his lips, a ray of devil light emerged from the depths of space. It tore through countless layers of space and slammed into Ying Gou's corpse qi.

The devil qi that came from the depths of the region was a hundred times stronger than the one released by Yinyang Hongyuan.

Unwilling to be careless, Ying Gou congealed another giant snake from the corpse qi before sending it towards the ray of devil qi.

Boom!

The city trembled and cracks formed on the ground below. The structures in the vicinity scattered to the ground.

Under the terrified gazes of those present, an expert wielding the Yin Yang Sword clad in devil robes appeared in front of everyone present. He had beady green eyes, and he stared straight at Ying Gou.

“Fellow Cultivator Ying Gou, we haven’t met in a long time. Your strength is as strong as ever.” The old man grinned.

Ying Gou muttered, “It’s been so long and you’re not weak either.”

The person who just appeared was the Yin Yang Devil Ancestor, and he was a being who existed since the creation of the world. His reputation was close to that of Ying Gou in the Immortal World, and his name could cause the world to shake beneath him.

The Yin Yang Devil Ancestor looked at Huang Xiaolong and the others as he chuckled, “Brother Ying Gou, why don’t you introduce them?”

He didn’t speak a word about the exchange that happened a second ago.

“Father!” Yinyang Hongyuan wanted to warn the old ancestor about Huang Xiaolong, but he was silenced by a glare from the ancestor.

His father didn’t like any interruptions when he spoke, and he was punished in the past for speaking out of turn.

Ying Gou stood behind Huang Xiaolong and spoke. “This is His Highness. Fellow Cultivator Yin Yang, you should kneel and pledge allegiance to His Highness now.”

The Yin Yang Devil Ancestor hesitated for a second when he heard what Ying Gou said. Frosty light flashed through his eyes in the next moment.

“Your master?!”

“Kneel and pledge allegiance?!”

The killing intent that came from the devil ancestor caused the experts standing around to tremble.

However, the face of the Silver Tree Devil Ancestor changed. The Yin Yang Devil Ancestor had been in seclusion all these years, and he had no idea what happened in the Immortal World. Of course, he was the only one there who didn’t know. His son and the Silver Tree Devil Ancestor were clear on what kind of monster Huang Xiaolong was.

“Father, stop right there!”

“Hold it!”

Yinyang Hongyuan and the Silver Tree Devil Ancestor screamed.

A frown formed on the Yin Yang Devil Ancestor’s face. He could tell that something had happened to the two as they wouldn’t try to stop him otherwise. Could it be because of the man standing in front of Ying Gou?!

Even if the person Ying Gou served was someone important, he was an existence who came to being since the start of the world. He felt that the only person stronger than him was Hong Jun!

Pangu and Hong Jun were the only two who could make him kneel!

“Brother Yin Yang, that person just defeated Rulai!” The Silver Tree Devil Ancestor yelled.

He defeated the Buddha Ancestor, Rulai!

The Yin Yang Devil Ancestor’s expression changed a little.

The six sages were experts only weaker than Hong Jun! According to his outdated knowledge, Rulai's strength was ranked in the middle. Since Huang Xiaolong could defeat the Buddha Ancestor, Huang Xiaolong had to be as strong as the Heaven Piercing Sage and Laozi combined!

The Heaven Piercing Sage possessed the strongest offensive abilities, and he could hold off four other sages if he laid down the Immortal Punishing Sword Formation!

As for Lao Zi, he was the oldest among the six sages.

Of course, he wouldn't kneel even if Laozi personally arrived!

When the Yin Yang Devil Ancestor was still evaluating Huang Xiaolong, Yinyang Hongyuan continued, "Father, we received news from the Immortal World. Rulai joined forces with every single expert in the western continent capable of attending the Gathering of the Immortal Peaches and they were still sent flying with a single strike!"

"What?!" The Yin Yang Devil Ancestor finally turned serious.

Rulai was sent flying even after receiving the support of so many experts!

"Also, he suppressed Rulai under the Five Finger Mountain!" The Silver Tree Devil Ancestor explained. "Not even Lao Zi and the other sages present to rescue him after joining forces!"

The Yin Yang Devil Ancestor felt a chill run down his spine.

Not even the sages managed to save Rulai!

Wasn't the Five Finger Mountain Rulai's treasure?! How could someone else control it?!

All of a sudden, a golden dragon appeared behind Huang Xiaolong. It covered the heavens as a terrifying might covered the Devil World. Every single expert felt the weight of a mountain pressing down on them.

The Yin Yang Devil Ancestor fell to his knees, and he failed to move no matter how hard he struggled.

If the Yin Yang Devil Ancestor was suppressed, there wasn't a need to mention the others. Everyone who ran out of the city when Ying Gou made his move experienced the same fate.

God knew how many experts of the devil race could be seen kneeling on the ground.

The Yin Yang Devil Ancestor gasped for breath.

An hour passed...

With a respectful welcome from the Yin Yang Devil Ancestor and the Silver Tree Devil Ancestor, Huang Xiaolong entered the Yin Yang Devil Palace.

It didn't take long for nearly half of the Devil World to start looking for the Heaven Piercing Sage and the Heavenless Devil Ancestor!

Huang Xiaolong set up camp in the Yin Yang Devil Palace for the time being, and several days later, a look of joy could be seen on the Yin Yang Devil Ancestor's face when he made the report to Huang Xiaolong.

"Your Highness, we have good news! We have located them!"

"They went in the same direction!"

Chapter 3413: Pangu Immortal Cave

When he heard that they were finally located, Huang Xiaolong felt a rush of adrenalin. However, he was taken aback when he heard that they were going towards the same place.

“The two of them were headed to the same place?” Huang Xiaolong asked.

“Yes, Your Highness.” The Yin Yang Devil Ancestor replied. “They seem to have headed into the Devil Forest!”

“Oh? What’s the Devil Forest?” Huang Xiaolong asked.

“The Devil Forest isn’t in the Devil World. It’s located right outside the Devil World, and you’ll arrive at the entrance to the Ghost World after you cross the forest.” The Yin Yang Devil Ancestor explained. “The forest has been in existence since the start of time.”

“A primal existence...” Huang Xiaolong was slightly taken aback. “Wouldn’t that mean that the forest existed long before the Pangu World?!”

“Yes.” The Yin Yang Devil Ancestor replied. “It was said that Lord Pangu cultivated in the Devil Forest for quite some time. After he received enlightenment and created the Pangu World, he didn’t destroy the forest because of its meaning to him. As such, the experts of our Devil World and the Netherworld would enter the Devil Forest from time to time in order to look for Lord Pangu’s cultivation cave...”

“Oh.” Huang Xiaolong was slightly taken aback by the news. After all, he didn’t expect for the Devil Forest to hold such significance to Pangu.

“Dao Ancestor Hong Jun and the six sages entered the forest in the past. From what I can guess, the Heaven Piercing Sage and the Heavenless Devil Ancestor entered the forest because they received some news on Pangu’s Immortal Cave!”

After all, the timing was too damn coincidental!

“That might be possible.” Huang Xiaolong nodded and sighed, “Get ready. We’re going there too.”

“Yes, Your Highness!” The Yin Yang Devil Ancestor bowed respectfully.

Several minutes later, Huang Xiaolong and the others left the city. They turned into streaks of light as they disappeared into the horizon.

Huang Xiaolong didn't bring too many people with him. Apart from Sun Wukong, Ying Gou, and the Holy Phoenix, he only brought the Yin Yang Devil Ancestor along with him.

As the devil ancestor could be considered the owner of half the Devil World, he was extremely familiar with the area. It would be much more convenient to bring him along.

Under his lead, they arrived at the entrance of the Devil Forest in several short days.

"Your Highness, that's Devil Forest." The Yin Yang Devil Ancestor introduced.

When Huang Xiaolong looked at the place he referred to, he was greeted with an endless space filled with stars twinkling all around. There were giant trees lining the forest, and they emitted dense spiritual energy.

The place they called the Devil Forest wasn't filled with the slightest trace of soil!

The trees took root in the depths of the space all around, and they managed to live for countless years!

Even though Huang Xiaolong was someone who had seen a lot, he was shocked when he discovered the intricacies of Devil Forest.

"Daddy Sun here has long since heard of the Devil Forest. Looks like everything they say is true!" Sun Wukong gasped in shock. It was his first time coming to the Devil Forest.

"It's no wonder Pangu kept this place even after creating his world." Huang Xiaolong chuckled. "If I were him, I wouldn't destroy it either."

After pausing for a second to admire the magical Devil Forest, the group entered.

Even though the Devil Forest was named as such, there wasn't a slightest trace of devil qi in the area. The spiritual qi in the air caused those who entered to feel extremely comfortable.

"This place is really suited for cultivation..." Huang Xiaolong muttered.

"Your Highness is right. The experts of the Devil World and the Netherworld usually enter seclusion here." The Yin Yang Devil Ancestor explained. "I cultivated here in the past."

"However, there are too many weird beasts here. Many of them have existed since the creation of the world, and their descendants possess extraordinary strength. All of them hate outsiders, and they will usually hunt down the experts who don't belong here."

"Even though this place is extremely suited for cultivation, not too many people dare to do so for a long period of time."

Huang Xiaolong nodded slowly.

They were no different as they were assaulted by a group of beasts the moment they entered.

Of course, the Monkey King was more than enough to deal with the beasts who roamed the outskirts of the Devil Forest.

He sent them flying with a single punch, but to his surprise, they came running back without much care for their wounds.

"They are really not afraid of death!" After several rounds, Sun Wukong was enraged and he smashed them to bits with his Golden Rod.

"The beasts in the Devil Forest are as such. All of them won't stop till their opponents are dead. The only way for you to get rid of them is to kill them off." The Yin Yang Devil Ancestor sighed. "They seem to be under a curse of some sort..."

“You’re right. They have been cursed.” Huang Xiaolong sighed. “There is a strange energy in their bodies that causes them to behave irrationally.” Others might not be able to detect the abnormality in their bodies, but they couldn’t hide from Huang Xiaolong’s dao souls.

The Yin Yang Devil Ancestor was stunned. There were countless rumors going around that the beasts in the Devil Forest were cursed, but no one could be sure of it. Now, Huang Xiaolong was clearing up his doubts.

“Who will be crazy enough to curse the creatures of the forest? Why would they do something like that?” The Holy Phoenix sighed.

“Pangu probably did it himself. They might be protecting something in the forest!” Huang Xiaolong’s eyes sparkled and he grinned.

Everyone stared at him in disbelief.

Pangu?!

“Your Highness, from what you say, the legends of the Pangu Immortal Cave will be true! Could they have been cursed to drive away intruders to the Pangu Immortal Cave?!”

“Damn!”

“Wouldn’t that mean that we will be able to find it?!”

Sun Wukong jumped in joy.

If they managed to discover the Pangu immortal Cave, they would win big!

Even a single bottle of pills there would be a priceless treasure!

A light flashed in Huang Xiaolong's eyes. The moment he found the immortal cave, he would be able to find the Heaven Piercing Sage and the Heavenless Devil Ancestor. After all, the two of them were probably there for the cave.

"How in the world are we supposed to start looking?!" The Holy Phoenix asked. "If it's that easy, everyone should have found it a long time ago!"

Chapter 3414: Meeting the Heaven Piercing Sage and the Heavenless Devil Ancestor

"She's right." Ying Gou, who had been silent all this while, sighed. "Even if we know that the Pangu Immortal Cave exists, it won't be easy to find."

Huang Xiaolong reached into the void and grabbed something. Soon after, a lion-headed beast appeared in front of them, and everyone was shocked to discover that the lion-headed beast was as strong as the Yin Yang Devil Ancestor!

The Yin Yang Devil Ancestor was the second strongest expert in the Devil World, and the beast Huang Xiaolong casually grabbed was no weaker than him!

In his hands, the beast was like a docile little kitten.

Huang Xiaolong shot a ray of purple light into the beast's head, and Huang Xiaolong could guess that it knew something about the Devil Forest. After all, it was one of the original inhabitants of the forest.

A look of disappointment formed on his face when he discovered nothing important after the soul search.

Even though he managed to learn a lot of secrets of the Devil Forest, the beast knew nothing about the Pangu Immortal Cave.

"Bring me to the other genesis-level beasts." Huang Xiaolong commanded.

Now, he could only hope that the other creatures would have an idea.

“Yes, Your Highness!” The lion-headed beast nodded hurriedly as he brought Huang Xiaolong and the others deeper into the forest.

There were tons of genesis-level beasts all around, and Huang Xiaolong’s group managed to locate more than twenty of them in an hour!

All of them had terrifying strength. Even if the Yin Yang Devil Ancestor, Ying Gou, and the Holy Phoenix ran into a single one, they would be in trouble. They might not lose in a fight, but neither would victory come easy. However, the beasts were nothing more than domestic pets Huang Xiaolong could grab with ease.

Despite there being so many of them, Huang Xiaolong didn’t manage to find anything related to the Pangu Immortal Cave.

“How in the world did the Heaven Piercing Sage and Heavenless receive news of the cave?!” The Yin Yang Devil Ancestor was starting to grow curious.

So was Huang Xiaolong.

All of a sudden, Huang Xiaolong turned to look in a certain direction and he gasped in shock.

“Huh?!”

Without explaining himself, he leaped off the Holy Phoenix’s back. “Wait for me here.”

In an instant, he disappeared.

The four of them stared at each other in silence.

“Did His Highness discover something?” Ying Gou whispered.

...

Several minutes later, Huang Xiaolong appeared above a giant sea that was shifting through space.

That was right. It was an actual sea.

The sea contained water that was the color of jade, and it was extremely mesmerizing. It was like a giant piece of jade that drifted across space.

That was one of the wonders of the universe.

Huang Xiaolong didn't waste his time as he tore through the water to arrive at the ocean bed.

As soon as he arrived, he discovered that it was another space altogether. Palaces lined the ocean bed, and he quickly approached them.

He was in no rush to enter, and Huang Xiaolong only reached out after a period of observation. A giant hole was formed, and he was sucked into the area that contained the palaces.

After he entered, he quickly approached one of them.

"Pangu Manor!"

Indeed!

That was the place!

Huang Xiaolong heaved a sigh of relief.

All of a sudden, a shock wave emerged from the distance.

Sword qi that continued the power to shake the heavens appeared in the distance, but no matter how strong it was, it failed to break the light barrier around the region.

Howls filled the skies as the aura of a terrifying beast emerged from the assailant. The aura was horrifyingly strong, and it was the strongest Huang Xiaolong had seen in the Pangu World! He could tell that the beast was several times stronger than Rulai!

Despite the powerful sword qi and beast aura, a cloud of devil qi emerged and suppressed the both of them.

Huang Xiaolong was slightly taken aback when he noticed the powers in the air.

The sword qi probably belonged to the Heaven Piercing Sage, but the beast aura was a mystery. It seemed to be stronger than the Heaven Piercing Sage. As for the devil qi, it most likely belonged to the Heavenless Devil Ancestor.

It managed to suppress the other two existences, and Huang Xiaolong couldn't help but turn his attention to the battle.

With several quick steps, he arrived at the battlefield.

He saw two figures fighting with a beast in a plaza somewhere in the area. The youngster who was waving four swords about should be the Heaven Piercing Sage, and the Heavenless Devil Ancestor was a strange looking man with a twelve petaled black lotus around him. His face was filled with devil runes, and his black lotus was pretty similar to the one Rulai used. The only difference was the color.

The giant beast they were fighting was a beast that slightly resembled a qilin. It had a lion's head, and it had golden eyes. Its body was jade green in color, and icy blue water surrounded its body.

"Jade Sea Golden Eyed Beast!"

Huang Xiaolong recognized it instantly. The giant beast was said to be the beast with the greatest talent in the universe!

When Huang Xiaolong appeared suddenly, the three of them were shocked.

The battle paused instantly.

The Heavenless Devil Ancestor stared at Huang Xiaolong doubtfully.

Even though the three of them were staying quiet, they were accessing Huang Xiaolong. They had no idea how he entered, and if he managed to do so, he wouldn't be that weak.

"How should we address you, fellow cultivator?" The Heaven Piercing Sage was the first to break the silence.

"Huang Xiaolong."

"It's you!" The Heavenless Devil Ancestor jumped in fright and he retreated hastily.

The Heaven Piercing Sage and the beast were frightened when they saw the Heavenless Devil Ancestor's reaction. They didn't understand why he would be so agitated after hearing a name.

Huang Xiaolong glanced at the old devil and sneered, "I went to your palace to look for you, but you managed to escape... Are you surprised to see that your Boundless Devil Qi failed to hurt me?"

Forcing a smile on his face, the Heavenless Devil Ancestor chuckled, "Lord Huang is mistaken! Why would I plot against you when we're not even enemies?"

"Didn't you get people to spread rumors about me being the Innate Devil Ancestor?" Huang Xiaolong sneered.

“That’s not me! If someone from the palace caused you trouble, I’ll hand them over to you!”

Huang Xiaolong didn’t bother wasting time with him. He started to approach the old devil and he thought about dealing with the Heavenless Devil Ancestor before asking the Heaven Piercing Sage about the Pangu Sword.

When the other two heard how the old devil addressed Huang Xiaolong, their hearts started to palpitate in fear. Why would the strongest expert in the Devil World try to please some random guy they never heard of?!

Chapter 3415: Pangu Treasury

The Heavenless Devil Ancestor’s brain was spinning when he saw Huang Xiaolong approaching. “Huang... Huang Xiaolong, the Pangu Immortal Cave is left behind by Lord Pangu! Why don’t we split it four ways?!”

“You might be strong, but you won’t be able to take the entire treasury for yourself!”

“If the three of us join hands, we won’t be afraid of you!”

The Heavenless Devil Ancestor reappeared beside the other two as soon as he spoke.

He was clearly trying to pull the Heaven Piercing Sage and the beast over to his side. Indeed. They locked on to Huang Xiaolong with their auras the moment they heard what he said.

Huang Xiaolong continued on towards the Heavenless Devil Ancestor expressionlessly.

“Fellow Cultivator Heaven Piercer and Jade Sea, Huang Xiaolong defeated Rulai along with the experts of the western continent during the Gathering of the Immortal Peaches in the Immortal World! We will only be able to deal with him if we work together. Otherwise, none of us will be able to escape! The treasury will fall into his hands!”

“What?!” The faces of the other two changed.

Heavenless nodded. "That's right. He used a single palm to send all of them flying. Rulai is currently suppressed under the Five Finger Mountain, and no one knows if he's still alive. If we choose to work alone, we will die a miserable death! He will definitely kill us all in order to keep the news of the Pangu Immortal Cave from the outside world!"

Their hearts shook a little when they heard what the old devil said.

With a complicated expression appearing on his face, the Heaven Piercing Sage eventually nodded.

The beast took a little longer, but he eventually agreed.

Huang Xiaolong couldn't care less. No matter how strong they were, it was only relative to the other experts of the Pangu World. They were nothing he couldn't deal with with a single punch.

Back in the World of Departed Souls, the Extreme Bliss Celestial Emperor, Fu Luosen, and more than ten thousand experts formed an alliance against him. Even so, all of them were killed!

The experts there were some of the strongest experts in their respective celestial kingdoms!

If they were to compare raw strength, they were hundreds of times stronger than Heavenless and the other two.

Huang Xiaolong muttered, "Alright, you can make your move now." Since he was going to deal with them anyway, he could do it all at once.

The three of them looked at each other silently, but the Heavenless Devil Ancestor transformed before the others could react. Devil qi filled the skies and he hid himself in the mix.

The Heaven Piercing Sage released even stronger sword qi compared to before.

Four swords flew around him, and they were the Immortal Punishing, Immortal Slaying, Immortal Trapping, and Immortal Extermination Swords!

Lightning filled the Pangu Immortal Cave all of a sudden.

With the power of all four swords, not even existences who lived since the start of the creation of the world could hide.

As for the Jade Sea Golden Eyed Beast, it summoned a tsunami that swept towards Huang Xiaolong. As the sea had been refined by the beast, a single drop of water was as heavy as a thousand mountains!

No matter how strong one's physical body was, they would most probably turn into meat paste if the tsunami struck them!

Huang Xiaolong raised his right arm and he tore through the devil qi in the air. He grabbed the Heavenless Devil Ancestor by the neck and dragged him out.

At the same time, his left hand sent all four swords flying. Taking the tsunami on with his body alone, a burst of golden light emerged from his body and it formed a sphere that shot towards the Jade Sea Golden Eyed Beast.

He shattered the tsunami in the blink of an eye, and the golden sphere crashed into the beast's chest.

The Jade Sea Golden Eyed Beast felt an incomparably powerful force crashing into its body, and despite its strong defense, it felt its body falling apart.

As for the Heavenless Devil Ancestor, fear filled his eyes when he saw what Huang Xiaolong did. He couldn't wrap his head around how someone could be so strong, and the most frightening part was that the other party wasn't even a God of Creation!

Naturally, he could tell that Huang Xiaolong was still half a step away from entering the God of Creation Realm.

Like himself, Huang Xiaolong was at the peak of the Dao Venerable Realm. They were both in the perfection stage, and he didn't understand how their strengths deferred by so much!

The Heaven Piercing Sage and the Jade Sea Golden Eyed Beast were equally as shocked.

They didn't believe the Heavenless Devil Ancestor when he spoke of Huang Xiaolong's achievements a second ago, but now, fear filled their hearts.

When they joined hands, they knew that even if they couldn't fight against existences in the God of Creation Realm, they were under the God of Creation Realm! Despite that, they were crushed by Huang Xiaolong before he used his full strength!

Huang Xiaolong tightened his hands a little and the Heavenless Devil Ancestor felt like his body was about to burst apart.

"I know that you can reconstruct your physical body as long as your black lotus is intact." Huang Xiaolong sneered. "However, I can ensure you live a life worse than death even with the ability to come back to life!"

The Heavenless Devil Ancestor's expression finally changed.

The nirvana flame emerged and surrounded the old devil.

Miserable screams filled the skies.

The Heaven Piercing Sage and the Jade Sea Golden Eyed Beast watched on with horror in their eyes.

The Heavenless Devil Ancestor's formless body would never be affected by ordinary flames. However, they were shocked to hear his screams.

Since the Pangu World trained in the way of immortality, they followed a fundamentally different cultivation system from the Blazing Dragon World and the Huang Long World. As such, the Heavenless Devil Ancestor and the others had no idea what the nirvana flame was.

Even so, he was as strong as Huang Dinghai and the others.

Half an hour passed in the blink of an eye.

After the old devil was refined by the nirvana flame, he submitted to Huang Xiaolong.

As for the Heaven Piercing Sage, he handed the Pangu Sword over obediently. The Jade Sea Golden Eyed Beast agreed to serve Huang Xiaolong.

The fact that the Jade Sea Golden Eyed Beast received Pangu's guidance before shocked Huang Xiaolong.

"Do you know where Emperor Pangu is now?" Huang Xiaolong asked.

"Since the creation of the world, I haven't seen the old emperor."

Soon after, Huang Xiaolong allowed the Heavenless Devil Ancestor to get up and he kept the Pangu Sword. He brought all of them towards the entrance of the Pangu Treasury, and he tore through the restrictions around it.

The Pangu Treasury obviously contained a shocking amount of wealth. There were creation-grade pills, pseudo creation-grade flying ships, and countless grand dao spiritual veins. The amount of precious herbs were uncountable.

Huang Xiaolong kept the Pangu World Creation Pills and left the rest to the Heaven Piercing Sage and the Jade Sea Golden Eyed Beast. As for the Heavenless Devil Ancestor, he could be begging on the streets for all Huang Xiaolong cared. They didn't leave him a single herb.

With a painful expression, the Heavenless Devil Ancestor watched as they split the treasures among them.

The Pangu Immortal Cave was a priceless treasure, but Huang Xiaolong didn't take it away.

After they left, Huang Xiaolong went back to look for Sun Wukong and the others. He had been gone for an hour.

Chapter 3416: Meeting the Huang Family Again

When the four of them saw Huang Xiaolong again, they heaved a sigh of relief.

However, that didn't last for long as they jumped in fright when they saw the Heavenless Devil Ancestor following closely behind.

"Heavenless!"

Ying Gou and the others drew their weapons and stood on guard immediately.

"I'm already serving the same master as you guys! There's nothing to be afraid of!" The old devil yelled.

Sun Wukong and the others looked at each other in shock.

"Alright. Let's return." Huang Xiaolong muttered.

Now that he located the Pangu Sword, he couldn't wait to return to Earth! He would discover the secret behind the Kunlun Secret Region!

It didn't take long for them to return to the Devil World.

Huang Xiaolong didn't stay for long as he rushed back to the Immortal World. He allowed the two devil ancestors to remain in the Devil World along with the beasts he captured from the Devil Forest. He brought Sun Wukong, Ying Gou, and the Holy Phoenix when he arrived in the Devil World, and they were the only ones who left with him.

When they returned, Huang Xiaolong stayed in the Fruits and Flower Mountain for a single day.

Sun Wukong was extremely unwilling to part with Huang Xiaolong when he learned that Huang Xiaolong was leaving.

“Relax. There are many chances in the future. I will definitely return to the Immortal World. If you wish, I’ll bring you along when I leave the Pangu World in the future.”

Sun Wukong’s body jolted and he jumped in joy, “Many thanks, Your Highness!”

Ying Gou and the Holy Phoenix had already submitted to Huang Xiaolong, and they begged to follow him back to Earth.

However, Huang Xiaolong left both of them behind and offered them the same conditions as Sun Wukong.

After thanking Huang Xiaolong, they sent him off respectfully.

As soon as he left, Huang Xiaolong headed straight for Shushan Immortal Gate in the Dongsheng God Continent.

When he returned to the Shushan Immortal Gate, Mu Shuihan gathered all the disciples for a grand welcome. The experts in the surrounding region gathered at the Shushan Immortal Gate to greet Huang Xiaolong the moment he returned.

After allowing them to get up, Huang Xiaolong entered the main hall.

“Looks like you’ve been doing well.” Huang Xiaolong spoke to Mu Shuihan.

Lowering his head, Mu Shuihan chuckled in embarrassment, “It’s all because of Your Highness’ grace...”

Since Huang Xiaolong suppressed Rulai under the Five Finger Mountain, everyone felt their hearts trembling at the mere mention of his name.

The experts of the Immortal World were racking their brains for a way to kiss up to Mu Shuihan, and they sent tons of gifts over. Even Song Zhipeng had to act respectfully around him.

Yan Baoer grinned when he addressed Huang Xiaolong, "Lord, you have no idea! Everyone in the region is trying to get close to us! It's really unbearable to deal with their enthusiasm!"

Huang Xiaolong rubbed his head affectionately, "Is that so?"

"Yeah! When experts from the other regions run into us, they don't even dare to raise their voices! In the past, we were the ones trying to suck up to them. Now, they're finally experiencing what it feels like to be on the other end..."

Huang Xiaolong chuckled in amusement as laughter filled the hall.

After staying for a day and giving Mu Shuihan and Yan Baoer some pointers, he left the Shushan Immortal Gate. His next destination was Earth!

It didn't take long for him to return.

Once again, he met Ye Zhaolong of the Panwu Immortal Gate.

Seeing as Huang Xiaolong was back, Ye Zhaolong fell to his knees. He didn't dare to get up without permission.

The fact that Huang Xiaolong killed Liu Bing with a single punch, and his feat of returning from the Immortal World caused Ye Zhaolong's legs to buckle in fear.

"Get up." Huang Xiaolong explained. "I'm not here to mess with you. I need to return to Earth."

As if he received an imperial pardon, Ye Zhaolong crawled to his feet.

Reporting everything to Huang Xiaolong, he didn't dare to leave out the slightest detail.

Ever since Huang Xiaolong destroyed the seal leading to the Immortal World, the patriarchs of the various factions retreated and sealed off their sects. They forbade their disciples from messing about in the outside world.

The entire galaxy welcomed an era of peace.

After understanding what happened around the region, Huang Xiaolong left the Panwu Immortal Gate. He gave Ye Zhaolong a stalk of holy herb, and it was something he brought with him from the Immortal World. Even though it was one of the herbs of the lowest grades, it was a divine herb in Ye Zhaolong's eyes. He kowtowed profusely after receiving the treasure.

Huang Xiaolong remained in the Immortal Worshipping Kingdom for half an hour before returning. He met Chen Tianzeng in the process.

When he returned to Earth, he couldn't contain the joy in his heart. He was like a kid who came home after a long period of adventuring the outside world. It didn't take long for him to charge towards the Huang Family Manor.

As Pangu's restrictions were still active around Earth, he suppressed his cultivation base once again.

Huang Xiaolong arrived in the Blue Dragon Orchard, and after being away for more than a month, he was shocked at the changes.

There was a massive heavenly palace in the middle of the courtyard, and everyone close to him was practicing the Asura Sword Art he passed down to them. Even Lin Kai was present.

"That's wrong!" Wang Meilan pointed out when she saw Lin Kai's mistake. "You should swing your sword this way."

There was a serious look on her face.

“That’s not right too! You should be doing this!” Huang Jiyuan interrupted.

Wang Meilan glared at him and snapped, “Do you think you’re stronger than me?! Why don’t we exchange pointers?!”

Huang Jiyuan turned mum the moment he heard her.

Huang Xiaolong chuckled in amusement at the side, and everyone stopped whatever they were doing. Turning to look at him, joy filled their hearts.

“Xiaolong!”

“Uncle!”

They ran towards him as quickly as they could.

Chapter 3417: Refining the Pangu Sword

“Dad, Mum.” A smile formed on Huang Xiaolong’s face.

A sense of warmth filled his heart when he saw the members of the Huang Family once again.

“Little brat, you’re finally back! Don’t you know how much your mother misses you?! She’s been asking about you this whole time!” Huang Jiyuan chuckled.

Huang Xiaolong turned to his mother and said, “Mum, didn’t I say that I’ll be back before the new year? There’s three more months left!”

Initially, Huang Xiaolong wasn’t sure how long he would take to obtain the Pangu Sword. In fact, he estimated that he would need a lot longer than a month.

“Nonsense! You say that, but who knows if you’ll be back!” Wang Meilan grumbled. “What if you come back after another hundred years?!”

There was nothing else he could say in response, and he chose to keep silent.

Amidst the laughter, they entered the main hall of the palace in the manor.

He asked about everything that happened in the month that he was gone, and it started a whole new argument. Everyone spoke about their experiences and the events that happened on Earth.

“Do you know that Lin Kai found a girlfriend?” Huang Wen laughed.

“Oh?!” Huang Xiaolong turned to look at the little brat.

Scratching his head in embarrassment, Lin Kai muttered, “We’ve only known each other for half a month... We haven’t even held hands! Uncle, you can’t believe everything my mother says!”

“Haha! There’s no need to act all flustered! Weren’t you praising her in front of us the whole time? Why don’t you tell your uncle what happened!” Huang Chenfei roared with laughter.

“Yeah! You should invite your girlfriend over and introduce her to the family now that Xiaolong is back.” Wang Meilan added.

Jumping in fright, Lin Kai shook his hands hurriedly. “There’s... There’s no need for that! She doesn’t know that Huang Xiaolong is my uncle, and I don’t wish to frighten her!”

“Alright, alright. Isn’t there a villa in the Golden Lake District? You can bring her there if you don’t wish to show her the Blue Dragon Orchard.” Huang Xiaolong snickered.

Lin Kai opened his mouth, but he didn’t get to say anything before Huang Jiyuan changed the topic.

“Xiaolong, where’s the little black spirit you used to bring around?”

Huang Xiaolong stared at his father in shock. When he realized that his father was referring to Liu Huang, the master of the Devil Prison, he chuckled to himself. “Oh! He went up to the Immortal World...”

Liu Huang was a disciple of the Shushan Immortal Gate, and Huang Xiaolong paid him a special visit before he returned to Earth.

When they heard that the little spirit had gone to the Immortal World, pouts formed on the faces of those present. “Why didn’t you tell us before he left? Oh... The spirit pets you gave us were really obedient. They are pretty smart too! When we were stuck, they could give us pointers!”

They quickly summoned the little black spirits.

Huang Xiaolong nearly laughed out loud. The little black spirits were eminent elders of the devil race he captured in the lower world, and all of them were old freaks who had lived for countless years. They were in the Void Immortal Realm, and it wasn’t surprising they knew more than Huang Jiyuan and the others.

...

Night quickly fell, and the banquet they hosted for Huang Xiaolong ended on a high note.

As the members of the Huang Family fell asleep, Huang Xiaolong hovered in the skies above the Blue Dragon Orchard. A sword appeared in his hands, and an azure light flowed about the surface of the blade. There was a strand of horrifying energy contained in the blade, and it was able to evade the sense of ordinary mortals. Only experts above the Heavenly Immortal Realm would be able to feel the difference!

That was the Pangu Sword!

Ever since Huang Xiaolong arrived in the Pangu World, he hadn't seen anything as powerful as the Pangu Sword!

As his dao souls inspected every inch of the blade, he could feel the battle intent Pangu had when he crafted the sword. It was the first time Huang Xiaolong experienced such powerful battle intent. Just Pangu's will alone could put existences like the Extreme Bliss Celestial Emperor to shame!

It was no wonder experts like the Heaven Piercing Sage didn't try to use the Pangu Sword in the battle against the Heavenless Devil Ancestor.

He wouldn't be able to use a fraction of its power, and he might be devoured by the battle intent left behind by Pangu!

Slowly sitting down, Huang Xiaolong started to refine the Pangu Sword. As he rushed all the way back, he hadn't had time to refine the blade.

The night passed uneventfully, and Huang Xiaolong finally got to his feet when the first ray light hit the land.

After an entire night, Huang Xiaolong had gained an initial understanding of the battle intent left by Pangu.

He knew that he needed several more days in order to fully refine the Pangu Sword.

Of course, he wasn't in a rush. He planned to accompany the members of the Huang Family, and he would head over to the Kunlun Secret Region after several days.

Wang Meilan and the others started their day, and she raised a question as soon as she walked into the courtyard. "Xiaolong, your dad and I had a discussion, and we plan on going to Hong Kong for a holiday."

"Why the sudden decision?" Huang Xiaolong asked.

Huang Jiyuan started to explain, "It's not a sudden decision. Your mother's family are still living in Hong Kong, and we plan to visit them. After all, we haven't been there before. Your mother planned to go after the new year, but since you're back, we should take the chance to go now!"

"What do you think of our plan?" Huang Jiyuan continued, "However, if you're busy, we can always go after the new year."

Huang Xiaolong chuckled. "It's fine! I have nothing on at the moment, and we should choose a day soon. I wish to stroll around Hong Kong too."

In the past, Huang Xiaolong didn't manage to go to Hong Kong. Now that he was back, he wanted to properly enjoy a tour of the big city.

He had always been attracted to Hong Kong as a child. After all, Hong Kong movies were his favorite.

Moreover, going to Hong Kong for a holiday wouldn't affect his refinement of the Pangu Sword.

"Shall we take an afternoon flight? Wang Meilan grinned. "You should give a call to Yuhan and ask her to follow us." She's in the Zhang Family Manor now, and it wouldn't take long for her to come over."

"Alright." Huang Xiaolong nodded. It had been some time since he last saw her, and honestly, he missed her.

Zhang Yuhan replied almost instantly and said that she would be coming over soon.

Several hours later, she arrived. Staring at Huang Xiaolong with her loving eyes, she pouted, "When did you get back?"

"Late last night... It was late, and I didn't want to disturb you." A warm smile formed on Huang Xiaolong's face and Zhang Yuhan giggled happily.

Jumping into Huang Xiaolong's embrace, the two of them walked around the manor. As they hugged each other, Huang Xiaolong could hear her racing heartbeat.

An hour after she arrived, the members of the Huang Family got ready to leave.

A helpless smile formed on Huang Xiaolong's face when he saw the countless chests his mother prepared.

"Why did you pack so many things again?!" Huang Chenfei was the first to grumble.

"We haven't seen them in a long time! Why can't I bring more stuff over for them?!"

Huang Chenfei stared at her in stunned silence, and he knew that he would never be able to win his mother in a battle of words...

Chapter 3418: We Can Leave

It would take slightly more than an hour for them to arrive in Hong Kong.

By the time they touched down, it was slightly over 5 p.m. Several cars were already waiting to pick them up by the time they arrived.

The convoy consisted of four jet-black Audi, and every single one of them was as expensive as the BMW Huang Xiaolong got for the members of the Huang Family.

Zhang Yuhan whispered in Huang Xiaolong's ear, "Seems like the family on your mother's side is doing pretty well here!"

Indeed. They were definitely pretty well off if they could send over four cars worth a hundred thousand low-grade spirit stones each. They would never be able to do something like that if they were a small family.

Huang Xiaolong nodded slightly. They hadn't been in contact for a long time, and from what he remembered, no one from his mother's side of the family came over to visit. Wang Meilan probably came from a super family, and they despised Huang Jiyuan for being a member of the branch family. As such, they never bothered to visit.

That was also the reason Huang Xiaolong hadn't seen them before.

Today, the Wang Family probably sent over the cars to pick them up as a formality. After all, the two families had no ties to speak of.

Naturally, they had no idea how terrifying Wang Meilan's background was. If they knew that she was Huang Xiaolong's mother, the entire family would be present in the airport.

Huang Xiaolong didn't explain the intricacies to Zhang Yuhan. Instead, he chuckled, "You're doing pretty well for yourself. Patriarch Zhang, no one in the Zhang Family will dare to go against your order!"

Zhang Yuhan's status in the family was unshakable due to her relationship with Huang Xiaolong.

"Humph! You're always bullying me!" Zhang Yuhan pouted. "You're the strongest person in the world... A patriarch like me is nothing in front of you!" Even though she was complaining, a sweet feeling lingered in her heart.

The cars traveled along the streets, and Zhang Yuhan saw the prosperous city outside. "There's so many things to eat in Hong Kong, and their pancakes are the best! Oh, there's also ice cream..."

Huang Xiaolong stared at her in stunned silence.

"Have you been here before?"

A happy little smile formed on her face when she realized that she had more experience than Huang Xiaolong in something. "Of course!"

“Hahaha, why don’t you bring me around later?”

A sweet giggle left her lips. “Alright, taking into account great hero Huang’s assistance, the weak little Zhang Family Patriarch shall bring you around!”

Huang Xiaolong chuckled happily in response.

The two of them seemed to have returned to the time in their youth, when everything was going great.

An hour later, the car arrived at one of the luxurious waterfront manors in the southern part of the city.

Even though the manor was large, it was one tenth of the area of the Blue Dragon Orchard at best. However, Hong Kong was a city with little land to spare. As such, the price of such a manor would be sky high.

The person who received the Huang Family was a middle aged caretaker, and he was really polite. He spoke to Wang Meilan, “Are you Young Lady Meilan? The old master is entertaining a guest at home, and he arranged for me to bring you to your place of residence. When he’s done, I will bring you over to meet him.”

The old master was Wang Meilan’s older brother, and Huang Xiaolong frowned when he heard what he said.

Entertaining a guest?

They came all the way over from the mainland, and the other party chose to greet some other guests when he knew they were coming! No... Not even a single member of the family came over to welcome them!

That was a little overboard. It was clear that they didn’t care about their relatives at all.

"It's fine. We'll go over when my brother is free." Wang Meilan wasn't too affected, and she dismissed the fact.

"Young Lady Meilan, please." He brought everyone into the manor.

"How are my parents right now?" Wang Meilan asked.

"The old patriarch and his wife have been in seclusion all this time. They haven't been out in a long time, and they are trying to break through to the Nascent Soul Realm." The middle aged man laughed, "Now, the old master makes the decision in the family."

Joy filled Wang Meilan's heart. "Won't that mean that my parents are going to enter the Nascent Soul Realm soon?"

"Yes!"

When Wang Meilan spoke to the caretaker, Huang Xiaolong realized that they were veering further and further from the main manor.

Huang Jiyuan and the others also noticed, and frowns were forming on their faces.

Noticing the look on their faces, the caretaker explained, "We don't have too many rooms in the residence, and Young Lady Sisi has a lot of friends who will stay here when they visit. There are only two guest rooms in the eastern part of the residence, and I'll have to apologize in advance."

"Two guest rooms in the eastern part of the residence?!" Huang Chenfei flew into a rage. "You arranged two rooms for the eight of us?!"

Moreover, they were sent to the rooms in a corner of the residence!

It was clear that the members of the Wang Family didn't care much about Wang Meilan's family.

They even thought of squeezing Wang Meilan, Huang Wen, and Zhang Yuhua into a room while leaving the other for the five men.

Huang Chenfei might be rash, but even the normally calm Huang Jiyuan was enraged. No matter what, he was considered a son-in-law of the Wang Family! Who would have thought that they would insult him after he came all this way to visit them?

The caretaker frowned when he was questioned by Huang Chenfei. "This is an order from the old master! If you have something against it, bring it up when you meet him!"

Huang Chenfei roared, "We're leaving! It's not like we won't have a place to stay... Who do they think they are?! They're just a mere Wang Family. It's not like we're begging them for something!"

Wang Meilan was shocked, but she didn't know which side to speak up for.

"Sisi, are these your relatives? Why are they causing trouble here?" One of the ladies who were walking towards them spoke all of a sudden.

Wang Sisi turned to the caretaker and asked, "Caretaker Chen Dong, what's going on?"

Explaining the situation hastily, the ladies couldn't help but sneer, "It's no wonder they're acting like barbarians! They're from the mainland! Do they think that anyone can live in the Wang Family Manor? Humph. It's good that they got two guest rooms. Why are they grumbling?"

Wang Sisi turned to Huang Xiaolong and snapped, "If not for the fact that my father is willing to recognize you guys as our relatives, do you think that we'll send people over to pick you up from the airport? You can leave if you want. No one will stop you."

Her father was precisely the person the caretaker called their old master, Wang Quyang.

Chapter 3419: Envy Wang Quyang

Afraid that they wouldn't recognize her, Wang Sisi continued, "Oh, I forgot to introduce myself. My father is Wang Quyang, and he's the current patriarch of the Wang Family."

Wang Meilan's expression finally changed when she heard her niece's haughty tone.

"Do you really think that we like to stay in this dilapidated shack of yours?" Huang Chenfei roared in rage, "The place we live in is several thousand times better than this!"

"We're leaving!" Huang Chenfei snapped.

Wang Meilan looked at Huang Xiaolong, and he nodded slightly.

Eventually, Wang Meilan chose to give in.

The members of the Huang Family made their way to the entrance of the Wang Family.

When they passed by Wang Sisi, Huang Chenfei grumbled, "The cars you sent to pick us are the worst we have ever been in..."

Wang Sisi was stunned for a second, but rage filled her heart when she realized that he was referring to the cars her father specially arranged for the members of the Huang Family.

"If you leave, don't ever think of coming back!" Wang Sisi snapped.

"In the future, even if your father kneels for an entire year in front of our manor, we won't be back." Huang Xiaolong said coldly.

The lady who sneered at Huang Chenfei a moment ago fanned the flames at the side. "They are too arrogant. Who the hell do they think they are? Do you need me to get someone to teach them a lesson?"

"Yeah! They're just a bunch of bumpkins from the mainland! Do they know who they're talking to?!"

Wang Sisi's friends snapped angrily.

Her friends were the descendants of several upstart families in Hong Kong, and their families weren't strong enough to stand in the upper echelon of the world. It was no wonder they had no idea who they were dealing with.

After thinking about it, Wang Sisi shook her head. "Nevermind." Whatever the case, it wouldn't be appropriate for them to cripple her aunt.

Caretaker Chen Dong stood there silently and he didn't know what to say when he watched them leave.

"You can return. When my father asks, you can tell them that the members of the Huang Family left in a fit of rage after complaining about the size of the room." Wang Sisi ordered.

"Yes." Chen Dong replied.

When Wang Sisi looked at their leaving figures, she harrumphed, "Humph. Our manor is located in the middle of the mountain, and there's no need to send them off. They can walk down to the station themselves."

Chen Dong didn't dare to go against Wang Sisi's order and he nodded obediently.

When left the courtyard, Huang Chenfei spoke to Wang Meilan, "Mum, I told you that they wouldn't necessarily welcome us when we come. Look at what happened..."

Wang Meilan paused for a second, and he explained, "Your uncle is receiving guests, and the Wang Family Manor might really be out of rooms."

"Humph. Do you really believe them? I swept the area with my divine sense a moment ago. There are more than thirty empty rooms in the heart of the manor. It's fine if they refuse to let us use them. They even arranged the furthest rooms for us! Do they really think that we'll make a mess of the place?"

Wang Meilan didn't say anything in response.

As a Golden Core Realm cultivator, she made a sweep of the manor when she entered. She discovered the rooms long before they were brought into the manor.

“I heard that the Xilai Hotel is pretty good. I’ll get someone to arrange two presidential suites for us right now.” Huang Xiaolong interrupted.

The Xilai Hotel was one of the most famous hotel chains in the world! They had branches all over the world!

“Xiaolong, will we really be able to get a presidential suite there? I heard that the Xilai Hotel is extremely popular! People might not even be able to book an ordinary room there!” Huang Chengfei raised a single eyebrow in shock.

Wang Meilan and the others looked at Huang Xiaolong.

All of them were familiar with the Xilai Hotel, and they knew how difficult it was to book a normal room there.

However, Zhang Yuhan chuckled at the side. “Have you all forgotten Xiaolong’s position on Earth now? If the strongest person in the world can’t get a room there, he won’t deserve his reputation!”

Huang Xiaolong chuckled in amusement, “Relax. They might not have ordinary rooms, but they will definitely keep several presidential suites empty. Moreover, the Xilai Hotel is owned by the Wharton Family, and their old ancestor is my subordinate.”

The Wharton Family was one of the largest families in Western Europe. They were also an ancient family whose history extended back several hundred years.

When their conversation was going on, Huang Xiaolong and the others arrived at the entrance of the Wang Family. Just as he was about to contact the old ancestor of the Wharton Family, a group of people left the main hall of the residence.

There were several grand elders of the family following behind Wang Quyang, and they walked behind an old man with a face full of white beard.

“Elder Lu, we will have to count on you for the project we’ll be working on.” Wang Quyang spoke respectfully.

The old man nodded slightly and he didn’t bother putting on airs. “Relax. Our patriarch is extremely interested in the project. He hopes that we will be able to work together well.”

Wang Quyang laughed, “Elder Lu, it will be great if you can put in a good word for us with your patriarch.”

When the bearded old man saw the group of people standing in his way, his eyes widened in shock and his mind went blank. He didn’t bother replying Wang Quyang.

The grand elders of the Wang Family were surprised, and they looked at the members of the Huang Family who were standing at the entrance.

“Elder Lu, this...”

Elder Lu ignored Wang Quyang as he rushed towards Huang Xiaolong. He whispered softly, “Your Highness, is that you?”

Your Highness?!

Wang Quyang and the others were cultivators, and they were slightly shocked at the sudden change. Why would Elder Lu call some random guy His Highness? The Hao Family didn’t seem to have someone named that, right?

As Huang Xiaolong wasn’t facing Hao Lu, the old man failed to recognize Huang Xiaolong.

When he finally turned around, Hao Lu jumped in fright as he fell to his knees. “Hao Lu of the Hao Family greets Your Highness!”

“Hao Lu didn’t know that Your Highness would be here, and I hope...”

Before he could complete his sentence, Huang Xiaolong interrupted him. “Enough. You can get up now.” He looked at Wang Quyang and the others. From what he could see, Wang Quyang and the others were hosting Hao Lu of the Hao Family.

“Let’s go.” Huang Xiaolong spoke to Huang Jiyuan and Wang Meilan after allowing Hao Lu to get to his feet.

“Hold it!” Wang Quyang stopped them, and he yelled, “Third sister, is that you?!”

Third sister?!

Hao Lu wasn’t the only one who was stunned. The members of the Wang Family stared at Wang Meilan in shock.

It was especially so for Hao Lu. He felt a bolt of lightning running through his mind.

Was the Wang Family actually connected to the godly Huang Family?!

Wouldn’t that mean that Huang Xiaolong was Wang Quyang’s...

If the news got out, the entire city would tremble! The more he thought about it, the more Hao Lu started to envy Wang Quyang.

Chapter 3420: In Two Days

When Hao Lu was starting to get jealous of Wang Quyang’s connections, Wang Meilai revealed an awkward expression and she said, “Yes. It’s me.”

Even though there was a strange look on her face, Wang Quyang didn't bother too much about it. It was really his sister, and from the looks of it, their status was shocking! To someone who was trying to kiss up to the Hao Family, it was a great thing!"

"Third Sister, it's great that you're back! It's been so many years, and I failed to recognize you! You look too young, and I didn't dare to assume that it was you. Hurry and enter the hall! I'll call the rest out right now!"

Wang Meilan couldn't help but reveal an awkward expression. She didn't move an inch as she turned to look at Huang Xiaolong. Huang Chenfei couldn't contain the anger in his heart when he saw how his uncle was acting. "There's no need for that! Your daughter chased us out of your Wang Manor, and as your lowly relatives from the mainland, we wouldn't dare to enter your main hall."

Wang Quyang and the members of the Wang Family were shocked. Even Hao Lu, who was envying Wang Quyang a moment ago, frowned. Wang Quyang's daughter actually had the guts to chase His Highness and his family out of the Wang Family Manor!

Complex emotions filled Hao Lu's heart.

Wang Quyang looked at Wang Meilan as he tried to confirm what Huang Chenfei said.

Wang Meilan didn't say anything, but the truth was clear for all to see.

"Go! Bring Sisi over right now!" Wang Quyang roared with anger as he ordered a grand elder from the Wang Family to execute his order.

Not daring to dally, the grand elder knew that things were getting serious.

Huang Xiaolong didn't say a word as he remained quietly at the side.

Wang Sisi and her friends were planning to play some games to get rid of their pent up frustrations from their interaction with Huang Chenfei and the others when the grand elder arrived. He was called Wang Chongan, and he stopped the ladies.

"Uncle Chongan, what's going on?" Wang Sisi asked when she saw the flustered look on her uncle's face.

"The patriarch... The patriarch has summoned you!" Wang Chongan didn't have time to explain himself, and he continued, "Hurry up! He's waiting for you in front of the main hall!"

"Now?!" Wang Sisi pouted. "We have stuff to do. We'll head over in a little bit."

She didn't bother about the fact that she chased the members of the Huang Family away. After all, she was a princess in her father's eyes, and even if she arrived late, he wouldn't scold her.

Wang Chongan panicked when he heard her response. "The patriarch is raging right now, and Lord Hao Lu is also present! They are all waiting for you!"

Raging?! Lord Hao Lu?! Wang Sisi found it weird and she continued to ask, "Why is my father angry?" She thought about it, and realized that she hadn't messed up recently. He shouldn't be angry with her, right?

She remained obediently in the manor for half a month, and she couldn't cause trouble even if she wanted to.

Wang Chongan realized that there was no point in explaining himself to her and he grabbed her arms. As he dragged her away, he cried out, "I'll explain it to you on the way there!"

Wang Sisi's friends looked at each other in surprise.

"Should we... Should we go over and take a look?" The lady who scolded Huang Xiaolong and the others was the first to suggest.

All of them nodded their heads as they followed closely behind.

They really wanted to know what could make the Wang Family Patriarch rage.

Wang Sisi couldn't help but ask, "Uncle Chongan, what's going on?!"

"Sisi, did you chase the Third Young Lady and her family away?"

"Who are you talking about?" Wang Sisi failed to react in time, and she didn't think that Wang Chongan was referring to Wang Meilan.

"She's the sister of the patriarch, and we arranged to pick them up from the airport when they came!"

"Oh? Those bumpkins from the mainland?" Wang Sisi sneered.

"Did you actually do it?!" Wang Chongan felt his heart thumping in his chest when he saw how nonchalant she was acting.

She nodded her head, and she snorted, "Yeah. Uncle Chongan, you might not know what happened, but they scoffed at the rooms my father prepared for them! I told them that they could leave if they didn't like it!"

Wang Chongan might not know what happened during their interaction, but he got the big picture.

"Young lady, when you meet the patriarch and the third young lady later, you have to apologize to them!" Wang Chongan warned.

"Why should I?!" Wang Sisi snapped. "They should be the ones to apologize!"

By the time she was done, they arrived.

Wang Chongan didn't have time to explain, and he warned her quietly, "Stop it! Your aunt's son seems to be an important figure. We shouldn't offend him."

Wang Sisi pouted, but she didn't think too much about it. To her, her Wang Family was a superpower in Hong Kong, and she felt that there was no one she couldn't afford to offend. After all, they were extremely well connected in Hong Kong.

Wang Chongan soon brought the group of girls to Wang Quyang.

"Daddy!" Wang Sisi's temper changed the moment she arrived. A sweet smile formed on her face and she greeted the other experts of the family, "Uncles..."

Forcing a smile on their faces, the grand elders didn't know how to react. Normally, they would allow her to do what she wished. But...

Wang Quyang forced himself to be serious as he snapped at her, "Sisi, did you chase your third aunt out of the manor?!"

Wang Sisi felt her heart trembling in fear when she heard her father's tone, but the fear disappeared when she knew that no punishment would befall her anyway. "Daddy, you arranged for them to live in our manor, and they didn't even thank us! They picked on every small detail, and when I told them off, they yelled at me! I told them to leave if they didn't like it here."

"I wouldn't lie to you! Since they want to leave, why should I beg them to stay?!"

Wang Quyang didn't dare to allow his daughter to continue speaking and he quickly snorted, "Enough!" He turned to look at Wang Meilan and a brilliant smile formed on his face, "Meilan, I spoiled this little girl... In fact, I wasn't considerate enough when I arranged for your residence. Alright. I'll let her apologize to you and we'll call it at that. What do you think?"

Hao Lu shook his head silently at the side when he heard what Wang Quyang said. It seemed as though the man had no idea how serious things were now that he chased Huang Xiaolong out of his residence. With Huang Xiaolong's status, it would be a miracle if disaster didn't befall the Wang Family now that Wang Sisi humiliated his entire family. How could an apology suffice?

When he learned that the Wang Family expected Huang Xiaolong to squeeze in a room with other people, he knew that things were basically over for the Wang Family.

Wang Quyang was clearly belittling Huang Xiaolong. To make things even worse, he insulted Huang Xiaolong's family!

Wang Meilan hadn't said anything when Wang Sisi screamed in anger, "Nonsense! Why should I be the one to apologize?! Who do they think they are?!" As soon as she spoke, she turned to walk away.

"You!" Wang Quyang was enraged, and he yelled at her, "Get back here right now!"

Ignoring him, Wang Sisi continued to walk away.

Even though his face turned green with anger, Wang Quyang turned to Wang Meilan and the others and he explained, "Meilan, you have to forgive this kid. When her anger subsides in two days, I'll get her to apologize."

Two days?!

Huang Xiaolong who remained silent all this while finally spoke up, "There's no need for an apology. We're leaving." As soon as he spoke, he left the Wang Family Manor.
